banner@mckenziebanner.com

Election Day 2018 has come and gone with some voter records getting broken in the process. Carroll County's early vote total of 4426 was more than double the early vote total from 2016 which is a new record for the early turnout amount.

Tennessee has a new governor and a new US senator while several incumbents remained in office. Locally, Huntingdon passed the package liquor referendum and added new members to their city council. McKenzie re-elected their mayor and added two new faces to the city council. Several other Carroll County towns also elected mayors and council members as well.

Huntingdon's retail package store referendum passed by a vote of 863 - 546. That's a margin of 61 percent for to nearly 39 percent against the referendum. Huntingdon will also have three new faces on their city council with the addition of Kelly Bar-

nett Eubanks, Andrew Maddox, and John Sanders. Four persons ran for three open seats with Eubanks getting the most votes with 1,061, Andrew Maddox was a close second with 1,051 votes and John Sanders garnered 967 votes. Haywood Melton had 464 votes.

In McKenzie, Jill Holland was re-elected to her third term as mayor. She was unopposed and had 890 votes in support of her. Councilman Jason Martin was elected to his first full term representing Ward II after being tabbed to fill an unexpired term. Martin received 149 votes. Brian Winston was elected to his first term in Ward III receiving 164 votes. Bobby Young was elected to represent Ward V receiving 242 votes. These numbers include votes that were cast in the Weakley and Henry County portions of McKenzie.

Council with 245 and 240 votes respectively. Both were unopposed.

Butler and Joey Simmons were elected with Butler receiving 287 votes, Simmons 227 votes, Chris Cole, 173 votes, and Hector Ortiz 122 votes.

McKenzie Votes to Change Charter

McKENZIE (November 8) — During the regular monthly meeting of the McKenzie Board of Mayor and Council, Vice-Mayor Gene Hale and Councilperson Cassie Allen were recognized for their service on the city council. Hale had served on the council since 1988 and Allen since 2014. Both members did not seek re-election.

Following a motion by Councilperson Jason Martin, the council approved resolution 19-009 to amend Sections 5,6,7,8,9,10,11,12,13 and 18 of Chapter 128 of the Private Acts of 1990. The resolution covers changes and amendments to the city's charter. A large portion of the proposed changes are cleaning up of some language allowing the charter to better coincide with the laws of the State of Tennessee such as fines can not exceed \$50 unless authorized by general law.

Veterans Stand to Sacrifice Everything

MCKENZIE (November 12) — Sacrifice is the keyword for all veterans, said the featured speaker at the annual McKenzie High School Veterans Day Program. He said each veteran was or is willing to sacrifice everything for the love of their country. Norman French, a McKenzie High School graduate and a veteran of the U.S. Navy, 1982-1986, where he served as a sailor on a nuclear ballistic submarine, was the featured speaker. French said he is a third generation veteran, following his grandfather, a WWII veteran, and his dad, a Korean War veteran. As a child, French said his father would never talk about the atrocities of war. The machine gunner witnessed the North Koreans rounding up villagers to place in front of their advancing

troops. The one thing the elder French would talk about was how cold it was in Korea. While his father did not lose his own life during the conflict, he did sacrifice his soul. He only found inner peace once he accepted Jesus. French held a folded flag with the field of blue visible. The flag was given to his family as part of the military honors portion of his father's funeral. The military honor guard handed the flag to the family with this message: "on behalf of a grateful nation." In closing, French said America is the greatest nation on earth because veterans were willing to sacrifice everything. The 10 a.m. program was opened by Will McBride, Student Council president. Macey Ognibene read a narrative

about the meaning of Veteran's Day, which commemorates the ending of WWI on November 11, 1918, one hundred years ago. Emily Bolin read her first place Voice of Democracy speech, and Sydney Pate, Drew Beeler, Eli Surber, and Lane Horton presented explanations of the American conflicts. The MHS Band presented patriotic music. MHS student leaders Jenna Tucker and Kennedy Green presented patriotic readings, and the commemorative ceremony ended with the playing of TAPs by MHS trumpeters. MHS Principal Tim Watkins announced the names and branches of service for each of the visiting veterans, who served from WWII to the most recent conflicts in the middle east.

MCKENZIE (November 13) — Students and teachers at McKenzie Middle School observed Veterans Day Monday with a program to show appreciation for those who have served in the armed forces. MMS student Nolan Renfro welcomed all guests and led the Pledge of Allegiance. Taylor Rawls then performed the National Anthem. Renfro then spoke about the costs that veterans and their families pay and the ways small and large that we can repay them. Students Landon Brown, Ady Freeman, Nathan Lease and Abbie Sumrok then performed a play called "Who is a Veteran?" in which four students learn and discuss what it means to be a veteran. Next, a group of fifth and sixth grade volunteers from Mrs. Veda Haney's music classes performed "God Bless the U.S.A" and "America the Beautiful." Featured singers were Nathan Lease and Carlton Townes. Other singers were Taylor Rawls, Miles Beeler, Kaelyn Stebbins, Lydia High, Luke Toombs, Landyn McClearen, Brayden Priddy, Makensiah Teague, Dalylah Keith, David Ross, Landon Otis, Katelynn Esary, Gracie Aird, Sarah Luci, Troy Townsend and Nadia Sismore. Student Jackson Cassidy spoke about the origin and history of the United States flag. A spoken-word recording of "Ragged Old Flag" by Johnny Cash was then played.

Lilly Sumrok then recited "In Flanders Fields," a poem written from the perspective of fallen soldiers by John McCrae, a Canadian doctor and teacher who served in World War I. Next, Renfro explained how the five military songs inspire troops and preserve tradition. A medley of the songs was played, and during each branch's song, students Payton Ognibene, Anna Clare Patel, Kassidy Brown, Autumn Hawks and Alajah Gilbert held up the seal of the respective branch and veterans from that branch were invited to stand. MMS teacher Zach Renfro then introduced the guest speaker, Sergeant Major Spiros Roditis, who lives in McKenzie with wife Sandi, daughter Ellie and son Stafford. Sergeant Major Roditis began by saying that he was honored to be speaking on such an important occasion. He asked the veterans present to stand and thanked them, calling them "true heroes." He then asked family members of veterans to stand and thanked them as well. He spoke of the courage, pride, determination, selflessness and dedication of service members, adding that they were "called to be something bigger than themselves." He said, "Our gathering is just one small spark in the flame of pride" across the nation on Veterans Day, and he concluded with, "God bless America." Mr. Renfro presented Sergeant Major Roditis with a "token of our appreciation," then recognized each of the 27 present veterans individually. Student Kristin Bradberry

told the story of the solemn song "Taps," which was then played by McKenzie High School band trumpet players Kim Essary and Cianna Haney. Nolan Renfro closed the program with a quote from President Dwight D. Eisenhower: "Let us solemnly remember the sacrifices of all those who fought so valiantly, on the seas, in the air, and on foreign shores, to preserve our heritage of freedom, and let us reconsecrate ourselves to the task of promoting an enduring peace so that their efforts shall not have been in vain." Following the program, veterans were invited to enjoy refreshments in the school library.

HUNKER DOWN WITH KES

I've Never Seen The Fine Print!

I've been thinking about insurance lately. You know; life, auto, home. There's no telling how much money I have paid out in premiums on some type of coverage over the last half century. And in all that time, I've actually only read one insurance policy. That was Patsy Cline's life policy she took out with the National Life and Accident Insurance Company in the fall of 1962.

Several quirks of fate and a desperate need for money found me, in the summer of 1968, working for National Life in Nashville. I was rummaging through some old files when I ran across Patsy's claim. It was a \$100,000 Whole Life Policy with a \$25,000 Additional Death Benefit Rider attached if she was killed via some public form of transportation.

Pasty Cline, as we all know, died in a horrific plane crash near Camden, Tennessee, on March 5, 1963. National Life immediately paid the beneficiary, Pasty's husband Charlie Dick, the \$125,000 plus a pro rated portion of the approximately \$1,800 dollar premium she had paid when she took out the insurance.

I never found reading a policy of my own half as interesting. But I did discover in that long ago summer viewing the insurance business "up close and personal" from the inside; they are only in it for the money!

My first practical insurance encounter came the following year. I bought a car so I wouldn't have to walk to my next job. Dad said, "Go out to Ted Coleman's and get some insurance."

Mr. Coleman was the State Farm agent in our little town. He went to our church and he was a super nice guy. I didn't need to read the policy. I had a car. Daddy said I needed insurance. I agreed to pay eighty dollars or so to cover me and that old Buick for a year.

I've had State Farm Auto Insurance every since. In forty-nine years of sending in my premiums, I've never bothered to actually read the policy. The only two times I've sent in a claim, both when a deer attacked my moving vehicle, they paid rather quickly. I figure I've sent them somewhere upwards to \$60,000 over the years. They've sent me back \$800 of it.

I don't care how friendly and genuinely sincere Mr. Ted was...it is still a business!

Home Insurance is a necessity. You've got to protect your property. So I haven't bothered reading through the several pages of any of the "coverage booklets" accompanying the bill we've received yearly since 1975. We have never filled a claim.

Until Hurricane Michael.

I had to look up the name of the company insuring us. The nice young damage assessment guy they sent out climbed up on our roof, walked around the sheds and took some notes in front of the blown down fence. He said he'd file a report with the adjuster, "You will have to talk to him."

I called the adjuster. He said he was sending me a check for \$1,984.65. Wait a minute! Don't I get any input? It's my house!

He did add that he was sorry he had to "less

out" the fence since it wasn't covered by the policy. WHAT? Why isn't it covered? He was most polite but very matter of fact, "The exception for a detached fence is in your policy."

When I protested he handed me off to an accomplice. She told me it was a "loophole" in the coverage. I don't think she meant to use that word, and I bet she would deny it later, but I thought it most apropos.

My wife could run a car through that fence and it was covered. Kung Fu could chop each board into pieces and it was covered. A meteorite could fall on it from outer space and it was covered...but if a hurricane blew it over, I'm flat out of luck!

That guy who said fact is stranger than fiction wasn't kidding!

My yearly premium is well over two grand. If you "less out" what they arbitrarily sent me the insurance company still made money off me in the midst of the worst hurricane to rip across Florida in the last century!

Well, at least it's better than a Life Insurance Policy. I would never purchase one of those things! You can mark it down as something I learned from Patsy Cline. I'm not about to pay good money to take out any type of insurance...that I've got to die to collect...

Respectfully,
Kes

Kesley Colbert is a 1965 graduate of McKenzie High School and now resides in Florida.

My Heartfelt Thanks

It has been an honor and a privilege to be a candidate for the District 76 seat in the Tennessee state House of Representatives. During the past year I experienced the priceless joy of meeting many of the residents of Weakley, Obion, and Carroll Counties in making calls door-to-door throughout the district. Although the outcome was personally disappointing, the experience definitely was not. I have gotten to know many wonderful people and to make numerous new friends in the process. This experience will never be forgotten.

I extend my profound thanks to all of those who supported and voted for me in this election. Moreover, everyone that I met during my campaign helped to make me feel appreciated, and for that I am also most grateful. I also thank everyone who turned out to vote, regardless of whom they supported. Our right to vote is part of the bedrock foundation of our country's democracy. Finally, my special thanks go to all who worked so tirelessly on my campaign. You are special people indeed.

I look forward to continuing to work for the Democratic Party and the values and principles for which we stand. At the same time, I also wish the best for all those chosen to serve in our state's government in the coming years. I personally will continue to find ways to help and support the people of our district, state, and nation.

*Sincerely,
Deane Arganbright
Democratic Candidate
for District 76*

DISABILITY ARTS ACCESS IN RURAL TENNESSEE (DAART)

Creating a Voice for Adults with Disabilities Through the Arts

Friends Life Community has partnered with The Dixie Carter Performing Arts & Academic Enrichment Center to pilot the program Disability Arts Access in Rural Tennessee (DAART). DAART focuses on teaching participants self-advocacy, confidence, and self-expression skills through the arts, while also training local Teaching Artists

and arts professionals to work with individuals with disabilities, in order to ensure that those in the local community can create and support opportunities for individuals with disabilities. This program, funded by a grant from the Tennessee Arts Commission, and generous support from Bethel University, also allows for student interns to be-

come trained in evidence-based practices for those with disabilities, while learning to use their talents to teach foundational life and social skills to the program participants.

Throughout DAART, participants explore art modalities such as visual art, pottery, music, theatre, photography, and dance. The program kicked off July 2018 and will run through May 2019. Participants learn about poetry, music, photography, art, and theatre from professional artists and creators, including Joel Washburn, Joanna Turner, Lizz Gonzalez, and Glynda Rich.

Lori Neal Nolen, executive director at The Dixie, is thrilled to partner with Friend's Life and support this pilot program and the team involved. "Friend's Life Performing Arts Specialist, Sarah Edwards, grew up in McKenzie and was very involved as a student in our Dixie Youth Theatre classes. Seeing her re-

turn and partner with our center, has been amazing to observe. It truly is the impact The Dixie's programs can have on a child, to inspire them to do what they love and change the world with it."

Adults with intellectual and developmental require additional assistance and support outside their immediate family. Friends Life gives them the opportunities and support they require and deserve. Through the day program, social club, career coaching, and life coaching, adults with developmental disabilities have a place to belong and the opportunity to achieve their full potential.

Friends Life Community was founded in 2007 and is a registered 501(c)3 organization based in Nashville, TN. To find out more about Friends Life Community and the DAART program at The Dixie please visit www.friendslife.org or contact The Dixie Box Office at (731)986-2100.

MCKENZIE (November 6) — Members of the McKenzie Rotary Club learned about the effects of being under the influence and how it can adversely affect one’s judgment during a simulation conducted by the McKenzie Police Department.

Chief Craig Moates and Investigator Jasmin Powell demonstrated the “drunk goggles” during the simulation. Members of the club wore the goggles over their eyes and attempted to walk a straight line. Mustangs Cage Tigers, Will Host Rematch with Cornersville

HUNTINGDON (November 9) — The Mustang stampede continued Friday as Huntingdon coasted to a 56-6 win over Mt. Pleasant in round two of the TSSAA Class 1A Football Playoffs. It was a close contest through the first quarter, but by halftime the Mustangs had pulled away and would earn a running clock early in the second half.

The victory sets up a highly-anticipated quarterfinal rematch with Cornersville on Friday. Last year, the Bulldogs (at home) handed Huntingdon its first loss, 21-20 in double-overtime, for a heartbreaking end to the season. Cornersville would eventually lose in the championship game to Greenback. This year, the Mustangs will host; kickoff is 7 p.m. Each team boasts a spotless 12-0 record.

In Friday's win, Huntingdon won the toss and deferred possession to the second half.

Tiger Zyshon Alderson (a Class 1A Mr. Football semifinalist) caught Cole Edwards' kickoff at the goal line and was forced out of bounds at the 19 by Cade Wood. Alderson was wrapped up on the first snap by Bo McLemore for a loss. The teams swapped pre-snap penalties, then Mustang Austin Avery stopped Keshawn Hudson after a short gain. Mt. Pleasant went three-and-out on an incomplete pass, and Alderson punted out of bounds at the Huntingdon 47.

Mustang Daquon Robinson started the drive with runs of six and 12 yards for a first down. The Tigers committed back-to-back offside penalties to move the ball ten yards. Konnor Pearson ran for 13 yards, then followed with another 12 for the first touchdown of the game. Edwards nailed the PAT, and Huntingdon led 7-0 with 8:46 to play in the opening frame.

Alderson again received the ensuing kickoff, this time near the 5 for a return to the 26. The first snap resulted in a fumbled recovered by the Mustangs, but a holding penalty negated the play. Hudson caught an open-field pass on the next play for 75 yards, stopped just short of the end zone by Hunter Ensley. Alderson punched it in, but the two-point attempt failed. In less than half a minute, the Tigers had cut the deficit to 7-6.

A failed onside-kick attempt gave the Mustangs great field position at their own 48. Ensley lost a yard on a keeper, then Robinson moved the chains with

a 16-yard carry. Ensley earned another first down, keeping for a dozen. Robinson was stopped at the line of scrimmage, then Konnor Pearson gained nine. Ensley was sacked for a one-yard loss on third down and was stopped short on a fourth-down to turn the ball over at the 21.

Two incomplete passes and a fumbled snap led the Tigers to another three-and-out, and Alderson's punt was downed at the Mt. Pleasant 42.

Ensley scrambled on first down and threw to Robinson for five yards. Robinson lost a yard, then Dallas Willis picked up a first down at the 26. A fumble on the next play cost Huntingdon three yards, then Willis gained a yard. On third-and-long, Ensley kept for a short gain. He then threw to Kelby Pearson in the end zone on fourth-and-ten, but Alderson wrapped up Pearson and got a favorable no-call.

Mt. Pleasant took over at the 26 and earned a first down at the 45 as the first quarter ended. Hayden Lovely started the second with a pass to Hudson for six yards, then Alderson kept twice to move the chains. From there, the drive fizzled on two incompletions, a sack by McLemore and a holding penalty. From the Tiger 37, Alderson punted and Willis returned it to the Tiger 49.

Ensley threw to Kelby Pearson on the first play for a 49-yard touchdown. An Edwards kick gave Huntingdon a 14-6 lead with nine minutes remaining in the first half.

Edwards' kickoff went into the end zone for a touchback, and the Tigers lost yards on the drive thanks to a penalty and a sack of Alderson by Devin McClerkin and Sebastian Kee. Alderson's punt was downed at the Tiger 38.

Konnor Pearson was stopped for a short loss, then caught a pass from Ensley for a first down at the 25. Brandon Lawton lost three yards then gained six. After a penalty, Huntingdon faced third-and-22, and Ensley's pass was picked off by Hudson, who was pushed out by Konnor Pearson at the Tiger 3.

Ensley turned the lemon into lemonade by intercepting Lovely's first pass and returning it to the 1. He then punched it in with a leap over the pile. Edwards kicked the PAT, and the Mustangs led 21-6 with just under five minutes to play before intermission.

The Huntingdon defense forced another three-and-out, with Lovely coming up short on a fourth-down scramble near

midfield.

Konnor Pearson ran for four, then Robinson took it 40 yards to a first-and-goal at the 5. Ensley gained two yards, then Robinson weaved his way into the end zone. The point-after gave the Mustangs a 28-6 lead just over a minute before halftime.

Starting at their own 19, the Tigers quickly faced third-and-13 after an incomplete pass and a penalty. Lovely then threw to A.J. Busby for a gain of 75 yards to the 9. Willis nearly picked off Lovely's next pass, then the quarterback fumbled for a big loss. He threw incomplete on third-and-goal from the 27, and was sacked by Kee on fourth down.

Taking over with just seconds on the clock, Ensley jetted 73 yards for a touchdown. Edwards kicked to give the Mustangs a 35-6 lead, and the half ended on the ensuing kickoff.

Huntingdon received the second-half kick, and Willis returned it to the Mustang 38. Konnor Pearson lost two yards, then Ensley took it 64 yards to paydirt. Another true kick made it 42-6 less than a minute into the third quarter and triggered a running clock.

Edwards kicked for another touchback, and Mt. Pleasant earned one first down before the Huntingdon defense forced a punt.

Starting at the 37, Lawton took the first snap 52 yards to the 11. Konnor Pearson gained five, the Lawton ran for two yards before fumbling the ball out of bounds at the 3. Ensley was just short on third down, but spun across the goal line on fourth-and-one from the 2. Edwards split the uprights, and the Mustangs led 49-6 as the third quarter waned.

Mt. Pleasant earned a first down just before the clock expired, then got another on a Huntingdon penalty to start the final frame. Alderson lost three yards, then caught a four-yard pass from Lovely. The next to passes fell incomplete, and the Mustangs took over at the Tiger 39.

Huntingdon's younger players came in to finish the rout. Aden Hutcherson gained a yard, then Malek Cannon ran for a pair. Paxton Weir gained 14 to move the chains, then Blake Bradley went 26 for a touchdown. Edwards finished a perfect night on PATs, and the Mustang lead was 56-6 with under six to play.

The Tigers turned the ball over on downs, and Huntingdon took a knee twice to run out the clock.

GLEASON (November 9) — Family, friends, coaches and other supporters gathered at the Gleason School library Friday afternoon to see senior Bailey Bandy sign with the Bethel University Lady Wildcat softball team. Bandy played her freshman and sophomore seasons at Fairview before transferring to Gleason last year. She plays

primarily catcher. In her junior year with the Lady Bulldogs, she had an immediate impact on her new team, hitting seven home runs and driving in 39 runs with a batting average of .468. She had a .952 fielding percentage behind the plate.

She says she chose Bethel because it's close to home and she likes what she sees in the softball program. Lady Wildcat Head Coach John Weeks said that he appreciated that she's a local product, calling her a great catch-

er behind the plate and a big bat at the plate.

Her current coach, Albert Collins, said that, even though she's only played a year for him so far, he can attest that she's "an excellent kid with great character and work ethic." He said that she instantly made the team better and didn't take long to develop a good relationship with the team's young pitcher. He added, "I'm proud that she'll play at the next level. She's been good for out program."

Wildcats Earn Perfect 10-0 Regular Season

MCKENZIE — The No. 3 Bethel Wildcats closed its regular season beating Cumberland University 56-7 at Wildcat Stadium in McKenzie Saturday. The Cats became the first team in program history to go undefeated during the regular season moving to 10-0. They were 6-0 in league play. Cumberland completed their season at 5-6 and 3-3.

Bethel outgained the Phoenix 548-172 in total yards. They had 25 first downs to CU's 11. Bethel had 326 yards in passing and 222 rushing yards in the game.

Bethel's Sam Castronova threw three touchdowns passes giving him 27 on the season. The 27 is the most by any quarterback in program history in a single season. The previous

mark of 25 was held by Bethel Coach Brent Dearmon in the 2003 season. Castronova had 260 passing yards in the game. He also had a rushing touchdown for the Wildcats. Nolan Cowboy also had a touchdown pass in the win.

DeOntay Tate led the Wildcats in rushing with 65 yards. He and Taye Davis had rushing scores for the Cats. Derek Smith had a game high seven receptions for the Wildcats. He along with Tate and Davius Prather had touchdown receptions.

Brandon Moore led Bethel in tackles with eight. David Miller followed with five and also scooped up a fumble and ran 45 yards for a defensive score. Jakobe Griffin and Anthony Patrick also had fumble recov-

eries for the Wildcats. Jaylen Montague and Karrheem Darrington both picked off Phoenix passes.

Coach Brent Dearmon was pleased with the record setting victory. "We are excited to accomplish this undefeated regular season. Our kids have really worked hard and I am so proud of them and this staff. I am also really proud of Sam and his record setting season. I knew mid-season he had a great chance to break it. Our early start helped us today. Jumping out to a nice lead helped us control play and put them in an uncomfortable position." He added, "We will find out about the playoffs Sunday and keep working hard to keep a good edge about us."

West Carroll Season Ended By Falcons

BY JIM POTTS

banner@mckenziebanner.com

TIPTONVILLE (November 9) — West Carroll’s highly successful season came to an end at the hands of the Lake County Falcons. It was the second meeting between the two teams with the Falcons winning the first one 36-7. One could look at a lot of factors for the War Eagles including injuries, bad field position, bad snaps during the game but fact is Lake County was hitting on all cylinders. The War Eagles have nothing to hang their heads about with an 8-4 record on the season.

Lake County won the toss and elected to defer to the second half so West Carroll got the ball first to start the contest. They picked up 20 yards on their first possession before reaching a fourth and one and elected to punt. Lake County mixed up their plays on the ground and in the air but it was Dezmon Johnson who took it 54 yards for the first Falcon score with 4:05 left in the first quarter. The 2-point conversion attempt failed leaving Lake County with a 6-0 lead.

A bad snap ruined the War Eagles’ next possession causing a three and out and left them punting on a fourth and twenty. Lake County got good field position at the War Eagle 43 yard line. Two rushes and two pass completions later quarterback Tanner Snyder scored from five yards out on the first play of the second quarter to give Lake County a 12-0 lead. The two-point conversion failed.

West Carroll’s offensive woes continued with another three and out series only this time Devin Nash got off a big 57 yard punt that backed the Falcons inside of their own 15. However that didn’t stop them from launching a long drive that used up a lot of the second quarter clock and resulting in a 1-yard Tanner Snyder touchdown with a two-point conversion run by Johnson to make it 20-0 in favor of the Falcons with just under five minutes to go in the first half.

In those final five minutes, West Carroll’s problems got worse. After another three and out possession, the War Eagle punt went short at only 21 yards leaving the Falcons in excellent field position at the War Eagle 42 yard line. Two plays later, the Falcons scored again this time through the air with Tanner Snyder connecting with Malachi Taylor for a 22-yard touchdown pass. Snyder ran for the two point conversion giving Lake County a 28-0 lead with 3:15 left in the second quarter.

On West Carroll’s ensuing possession, Jarrius Weatherford was hit hard on first down and fumbled the ball with Lake County recovering at the West Carroll 44 yard line. Five plays later, Dezmon Johnson was in the endzone on a 1-yard touchdown just barely a minute after the last score. The extra-point kick was no good with Lake County leading 34-0 with just under two minutes to go until halftime.

The War Eagles got a good run

back on the kickoff and were able to cross into Falcon territory. Lake County intercepted West Carroll’s first pass attempt to end the half.

Lake County got the ball first to open the second half. A big run from Johnson and a 24-yard pass catch by Taylor put them at the West Carroll 1. Johnson took it in for his third touchdown with 10:02 left in the third quarter. The extra-point attempt was no good but Lake County extended the lead to 40-0 over the War Eagles which started the clock running continuously the remainder of the game. A short time later after another 3 and out series by West Carroll. Johnson got loose on an 85-yard touchdown run for his fourth touchdown of the night for Lake County. Snyder scored the 2-point conversion for a 48-0 lead.

Neither team scored the remainder of the contest with a lot of younger players seeing valuable playing time for both teams. West Carroll was held to under 100 yards total offense for the contest while Lake County ran up over 500 yards offense for the game.

Twelve Senior War Eagles played their final contest and contributed a lot to their 8-4 record this season including #1 Blaine Howell, #5 Trace Fuller, #16 Kyler White, #21 Devin Nash, #22 P.J. Odom, #29 Shae Crocker, #51 Hunter Wadley, #52 Blake Davidson, #65 Armoni Bonds, #74 Levi Hays, #75 Darrell Williams, and #79 Luke Blankenship.

Wildcats Football Begins Post-Season Play at Home Saturday

MCKENZIE — The No. 3 Bethel University Wildcats will host Baker Wildcats Saturday at Bethel’s Wildcat Stadium to begin post-regular season play.

Bethel Wildcats completed the best regular season in program history Saturday with a 56-7 win over Cumberland University. With the victory the Cats moved to 10-0 on the year. They finished 6-0 in the Mid-South Conference and captured the tough Bluegrass Division of the MSC to earn a berth in the NAIA FCS Playoffs. The Wildcats will face No. 12 Baker College Saturday in the first round of the playoffs. Kick-off is scheduled for 1 p.m. (CST) at Wildcat Stadium in McKenzie.

The Baker Wildcats defeated No. 9 Evangel Saturday to clinch the Heart of America South Division Championship and earn an automatic bid to the NAIA FCS Playoffs. Baker finished 8-2 on the season. They were 4-0 in league action.

The game will match the nation’s leading scoring team as Bethel averages 56.4 points per game against the third best scoring defense as Baker allows just 12.8 points per outing.

Baker is located in Baldwin City, Kansas. It will be the first meeting ever between the two programs.

The No. 3 ranking for Bethel is the highest in program history and the ten game winning streak matches the best ever. The Wildcats had a ten game winning streak in 2007. It is the first time since 2012 the Wildcats have advanced to the NAIA playoffs.

MCKENZIE (November 5) — McKenzie Middle School’s basketball teams played host to Huntingdon last Monday sweeping both games and also the season series since MMS swept Huntingdon on the road October 18.

Lady Rebels 43, Fillies 26

Biggest difference between that first game and this one was the Fillies were a lot more prepared to play. McKenzie took a quick early lead but Huntingdon soon tied it and took the lead near the end of the first period and held a 12-7 lead at the end of the period.

The Lady Rebels had problems finding the range in the second period as the Fillies built a 22-12 lead with just under two minutes left in the half. McKenzie went on a 7-0 run in those final two minutes capped by a Savannah Davis three-pointer just seconds before the buzzer to make it a 22-19 game at halftime.

After the half, a different Lady Rebel squad came out of the locker room and threw a smothering full-court defense on the Fillies

and held them scoreless the entire third period while scoring 19 points of their own mostly off of turnovers created with the full-court defense. McKenzie led 38-22 at the end of three.

In the final period, neither team scored much as they began subbing in more players into the contest. The Lady Rebels added five more points while holding the Fillies to just four points in the quarter.

McKenzie’s Savannah Davis led all scorers with 20 points including 3 three-pointers. Briley Auvenshine had 8 points including a perfect 6-6 at the free throw line. Katie Prather added 7 points including a three-pointer, Mikaela Reynolds and Kylie Reynolds chipped in 5 and 3 points respectively.

Lia Fuller and Jayvioria Hutch both led Huntingdon with 8 points each. Kelby Crossno added 6 points while Kyleigh Carter and Lexie Stevens chipped in two points each.

Rebels 49, Mustangs 29
McKenzie jumped to a quick 7-0 lead and never really looked back as they rolled to a 20-9 first quarter lead. The Rebels kept the pace

in the second period outscoring the Mustangs 15-9 in the quarter to hold a 35-18 lead at the half.

Both teams played everyone in the second half as the Rebels extended their lead to 45-19 by the end of three periods. Huntingdon outscored McKenzie in the final frame 10-4 but the Rebels claimed the win 49-29.

Ten Rebels scored in the contest led by Marquez Taylor with 16 points including four three pointers. Zach Aird added 8 points including a pair of threes. Bryson Steele and Bryant Haynes had 6 and 5 points respectively. Etijay Tharpe and Zay Webber had three points each while Christopher Beck, Ralph Dennie, Stafford Roditis, and Landon Brown all chipped in two points each.

For Huntingdon, Tayshawn Rivers and Ashton Hutcherson led the Mustangs with 6 and 5 points respectively. Ty Kelley, Keller Smith, and Jay Hutch added 3 points each while Luke Cooper chipped in 2 points.

The Lady Rebels remain undefeated with an 8-0 record while the Rebels improve to 6-2 on the season.

Lady Cats Prevail over Cumberland University

MCKENZIE (November 10) — The Bethel Lady Wildcats fought a cold shooting first half and foul trouble but found a way to win, beating Cumberland University 69-60 in the final game of the 2018 SSAC/MSC Challenge Saturday night in Crisp Arena.

Bethel shot just 24 percent in the first half but finished at 34 percent in the game hitting 22 of 64 shots. They knocked down nine three pointers and hit 16-of-22 free throws. Life shot 38 percent from the floor and hit six three’s. They were 12 of 13 from the foul line. After being out rebounded in their last two games Bethel bounced back with a 41-26 board margin.

The fourth quarter was the

difference as Bethel outscored the Phoenix 27-14 in the final stanza.

Myah Taylor led Bethel with 21 points. Morgan Martin had 18 points and 12 rebounds. Tyasia Willis also had a double-double with 11 points and 13 boards. Millie Bryant had 10 points. Dominique St. Louis led CU with 13 points.

The Bethel bench outscore the Phoenix 18-8.

Coach Chris said, “This was a great team win. We are so proud of our perseverance and ability to grow as a team on a night it did not go our way early on. We got into some foul trouble early and we had to depend on our bench and I thought they stepped up. I

think the adversity really made us come together and figure things out on the fly. Morgan (Martin) really stepped up and showed great leadership when things got tough and she carried us on both ends for a stretch.” Nelson added, “Ty (Willis) has really got comfortable and settled in and she is giving us that extra energy our team needs throughout games. We kept our head above water in the first half and settled in during the third and finally got things going on the fourth. This was a tough but fun win for our team tonight.”

Bethel returns to action November 20 hosting Fisk University at 5:30 p.m.

Heading into the final few weeks of the 2018 season, J&J Auto Racing is on-pace to round out the season with over 10 championships to its credit, as well as more than 260 race wins worldwide to-date. This year started off with a bang for J&J Auto Racing as Tony Stewart/Curb-Agajanian Racing (TSR) driver and 10-Time World of Outlaws (WoO) Sprint Car Series champion, Donny Schatz, went four-for-five in the DIRTcar Nationals event at Volusia Speedway Park in Barbersville, Fla., posting wins on February 7, 8, 10 and 11 to open the season.

"Being honored by the leading sprint car organization as chassis builder of the year means so much to us," said Jack Elam, president and founder of J&J Auto Racing.

"While Bonnie and I attend the races and the banquets, this is a true testament to the strength of the team that we have in our shop here in McKenzie. The group of fabricators, welders and builders are among the best in the business and we're proud to call them part of our family. Our accolades and achievements are built on the backs of our staff."

The early sector of the 2018 racing season saw J&J Auto Racing teams climb to the top of the win charts early, as notable drivers such as Sheldon Haudenschild, Sam Hafertepe, Jr. and Hayden Campbell posted early victories. Haudenschild's first campaign in a J&J Auto Racing

Fun By The Numbers
Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
