A Word About the Christmas Edition

The Banner is proud to present its special 2018 Christmas greetings edition. As in years past, this edition features letters to Santa Claus, as written by the children of Carroll, Henry and Weakley Counties.

Each year we welcomed letters from any child regardless of location, and we could not be more proud of the amount of letters that arrived. Thank you!

The Banner expresses sincere gratitude to area schools, pre-schools, day-cares and parents for being wonderful to work with during the

planning process for this edition.

This edition is divided into three sections: the first eight pages contain event coverage, recipes and letters to Santa; the last 18 pages are filled with letters to Santa Claus.

This section is only possible because of local businesses who are extending good tidings to you for your past support and business. The Banner urges you to read each advertisement and show your appreciation by supporting those businesses.

The Banner extends our sincere thanks to everyone who made this edition possible.

McKENZIE (December 14) — McKenzie Middle School presented its annual Christmas program Friday, full of music, fun and cheer. The middle school band performed “Jingle Bells,” “Up on the Housetop,” “Frosty the Snowman” and “’Twas the Parade Before Christmas,” a medley of holiday favorites which the band performed in the recent Christmas parade. MMS music teacher Veda Haney then led her volunteer choir in four numbers. “Silent Night” featured soloist Shamiya Curry-Long, and the choir accompanied her with sign language before joining in with vocals. “Jingle Bells” featured solos by

SkyeAnna Shaddon, Ady Freeman and Abbi Sumrok. Maggie Walker was the featured soloist on “Let it Snow!,” and Taniyah Diggs performed a dance. Finally, “Rudolph the Red-Nosed Reindeer” featured solos by Landon Otis, Brayden Priddy, Riley Hudgins, Kalecia Cunningham and Shelby Lewis. Shamiya Curry-Long portrayed Rudolph, while Alivia Poff played the part of Santa. Next, teams from each grade competed in a snowman relay race. One student from each team was turned into a snowman using toilet paper, scarves, hats and gloves. The eighth grade team completed the relay the fastest. Then, one student and one teacher from each grade teamed up for “Fin- ish the Lyrics – Christmas Edition.” After a hard-fought competition,

fifth grade teacher and Rebecca Jones and student Brody Berryhill emerged victorious. Finally, the winners from an ugly sweater contest held on Thursday were announced: Fifth grade — students Molly French and Miles Beeler and teacher Rebecca Jones. Sixth grade — students Hannah Lee and Olivia Steen and teachers Josh Kee and Josephine Wright. Seventh grade — students Hannah Walters and Miranda Bailon and teacher Audra Atkins. Eighth grade — students Jacob Johnson and Alajah Gilbert and teacher Rachel Johns. Special Education Assistant — Michael Pershell. Office staff — Lori Robertson. Overall winner — Lesley Davidson.

Bethel University's Annual Twinkle Ball

McKENZIE — Little girls filled the Dishman Gymnasium on the campus of Bethel University for a great evening at the seventh annual Twinkle Ball.

Myra Carlock of Bethel said it is always a fun time for all the children and their moms or significant female in their lives to come to Bethel and enjoy an evening of fun. Each year, the Bethel team of volunteers create the Christmas-themed event for the young ladies.

This is the fourth year to be held in the larger venue of the gymnasi-

um as compared to the early years when it was in a smaller room in the Vera Low Center. As in the past, this year's event was a sell out. Approximately 400 persons attended, including some 150 young ladies. The cost of admission was \$25 for mom and daughter and \$7 extra for each additional child. The price included the crafts, a meal, and entertainment. The event attracts children from area counties plus Union City, Franklin, Jackson and Paducah.

Santa visited with the children during the event.
