BY LYNDSEY SUMMERS
lsummers@mckenziebanner.com

Owner LaShonda Williams accepted the Small Business of the Year award during the Tennessee River Jam festivities.

The Paris-Henry County Chamber of Commerce recently named Lakeway Nutrition the county's Small Business of the Year. Lakeway Nutrition, owned and operated by LaShonda Williams of McKenzie, sells healthy meal replacement shakes and energy loaded teas to Paris and Henry County residents.

The Chamber honored Lakeway Nutrition June 16 during the Tennessee River Jam festivities. A week before, chamber members arrived to the store under the pretense of filming a promotional video for the event. Much to her surprise, the members informed LaShonda of her business's achievement.

The Small Business of the Year award is nominated and voted by the 400 members of the Paris-Henry County Chamber of Commerce.

"I give so much back to Paris…so I'm very humbled to see them think I deserve [the award]," said Williams.

On the business's Facebook page, she extended thanks to the customers for their support and the employees for being dependable.

July 3 is the two-year anniversary of the store's grand opening. To celebrate, Lakeway Nutrition will host an anniversary celebration July 2 with food, a water slide, prizes, and more. The day's featured drink is "Love Like Levi."

LaShonda Williams has been an entrepreneur her entire professional life, getting her start as a salesperson for Rainbow Air Cleaners. While she still works for the company, she has also moved to bigger ventures. Other than Lakeway Nutrition, LaShonda owns two more nutrition stores: Stewart County Nutrition in Dover and Pomona Nutrition in Dickson. Stewart County Nutrition was voted Business of the Month in January 2022.

Lakeway Nutrition is at 2535 E. Wood St., Paris, Tenn.

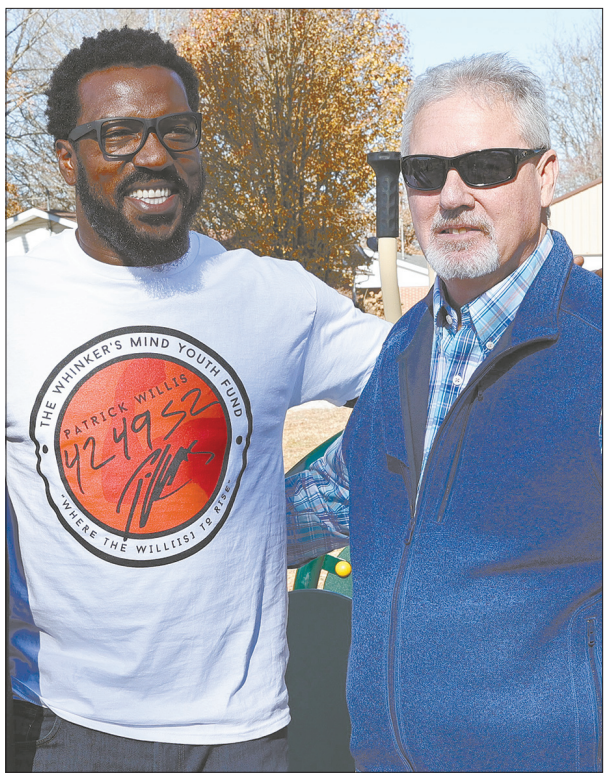

LaShonda Williams resides in McKenzie alongside two daughters Alajah and Aleecia Gilbert. Alajah is an incoming senior at McKenzie High School, and Aleecia is an incoming eighth grader at McKenzie Middle School.

them 'goosebumps' to see and hear their fans in the championship games.

Each of the players received a huge ring, each personalized for each player or manager. Coaches John Wilkins and assistant Ashley Lowe were also recipients.

MHS Principal Spivey offered many thanks to the audience and the community. Six MHS teams traveled to state this year - a new record for the school. The community supported the teams with their money and by attending the games. Spivey said a MHS alumnus paid most of the costs of the championship rings.

Christian Nunnery filmed and produced a video featuring interviews of the players - both in individual and group settings. It was a time to laugh and a time to cry as the audience watched the video. It had sincere remarks and funny outtake bloopers.

Coach John Wilkins talked of the 2021-22 season, saying there are coaches with a lifetime career without a gold ball to their credit. Wilkins has coached 10 years at McKenzie - the first 10 years as the boys' coach and the last two as the boys' and girls' coach. He spoke of the community support for both teams - especially traveling for regionals and then packing the house for back-to-back substate games followed consecutive weeks in Murfreesboro at the state championships.

"This is where I want to raise my family," said Coach Wilkins of McKenzie. He and his wife, Lauren, have three girls.

"It is tremendous to watch how God has blessed us," said Wilkins.

Next year, the Rebels and Lady Rebels will enjoy new padded seats for the teams on the sidelines, a new much-improved scoreboard, and the fans will have improved seating.

A new photograph of the 2021-22 Lady Rebels will be displayed along with a roster of players, and team record. The photo was made by Juleyanne Weatherford and the 8-foot x 4-foot photograph was printed by The McKenzie Banner.

Team members included: Dani Dyer, Kylie Reynolds, Briley Auvenshine, Katie Chesser, Madison Gilbert, Hannah Dillingham, Savannah Davis, Mikaela Reynolds, Sophie Pate, and Ally Gibson. Coaches were John Wilkins and Ashley Barker Lowe, managers were Allie Mansfield, Jaleah Moore, Anna Robinson, Jacey Pinson, Gracie Henderson, and Claire Wilkins. The team's overall record was 31-2.

Norris

...From Front Page

Lisa Norris interviewed for the position June 14 in the old Clarksburg School gym, in front of the school board, a panel of school staff members, and an audience of local residents. Four days later in a called school board meeting Saturday morning, the board discussed the four candidates' interviews before coming to a decision: Lisa Norris will be the new South Carroll Special School District Director of Schools.

Norris stood out from the other three candidates because of her impressive experience in receiving grants — acquiring a total of $11.5 million throughout her career. Several board members believe she is the best candidate for the job as a fiscal manager, as bringing new funding to the school system will boost the school in both academics and athletics.

Lisa Norris accepted the position in a one-year contract for $80,000 annually. Her contract period begins June 27, 2022 and ends June 30, 2023 with the possibility of renewal.

Lisa is excited to join the school system, wanting the position so she can help the school system grow and to work with the students enrolled at South Carroll schools.

With this being her first year as Director of Schools, she expects to face many challenges. For now, she is most concerned with Tennessee's new funding model beginning with the 2023-24 school year. With the new model, schools will receive funding based on their student population — only receiving a specific dollar amount per student enrolled. Although the funding model is a year away, she is concerned with the effect it will have on small school systems like South Carroll.

Lisa Norris graduated from McKenzie High School in 1981 before attending Bethel College and receiving a Bachelor of Science with an emphasis on Social Science. She also received a masters degree in Art and Education from Bethel College, where she gained 24 additional hours in special education and 18 hours in criminal justice. She earned her Doctorate in Education with an emphasis in Administrative Teaching and Learning from Walden University.

Lisa Norris is the co-founder of Carroll Academy and worked as a deputy sheriff and in Juvenile Court. She taught Criminal Justice, Orientation, and Critical Thinking at Bethel University. Recently, she taught Criminal Justice courses at the Carroll County Technical Center and through Dual Enrollment.

Throughout her career, Lisa Norris has received training at the University of Tennessee - Knoxville with the Forensic Anthropology Center and is a certified security guard. In 2021, she was one of sixty educators across the country chosen to participate in the virtual U.S. Supreme Court Summer Institute for Teachers.

Lisa and her husband, Chuck Norris, reside in McKenzie. They have two sons.

State Fee Waived on Vehicle Registrations Starting July 1

NASHVILLE — Under a new state law, the Tennessee General Assembly has waived state registration fees for Class A and Class B motor vehicles, for renewals after July 1, 2022 and before June 30, 2023.

Class A includes motorcycles and autocycles and Class B includes passenger motor vehicles and motor homes. The state portion of the fee that is waived under the law is $16.75 for Class A and $23.75 for Class B. The new law does not affect fees earmarked for safety and system improvement purposes, the additional electric vehicle registration fee, or county fees.

"We want to make sure motorists are aware they will not pay this state registration fee when they renew their registration during the next fiscal year, Revenue Commissioner David Gerregano said. "However, other fees may still apply. Be sure to check with your local county clerk, as applicable fees do vary.

The new bill arose from the state's $52.8 billion spending plan for the 2022-23 fiscal year. Waiving the state portion of vehicle registration fees costs the state $121 million, but lawmakers assure the state departments affected by the fee cut will receive general fund surpluses to replace the lost revenue.

Tennesseans still must pay the registration fee for plates expiring before July 1, 2022 or after June 30, 2023.

TWRA

...From Front Page

owed by the CCWA to its lenders.

The new name is Lake Halford.

Emily Buck, Director of Communications with TWRA said the transfer of ownership and management is scheduled for July 1, 2022. Operations and rules of the lake will not change immediately and it will be operational for the July 4 weekend.

Ms. Buck said boaters can expect stepped up enforcement for safety over the holiday weekend as TWRA officers participated in Operation Dry Waters.

The TWRA will require three additional personnel positions (One Wildlife Manager Level 2, Two Wildlife Technicians Level 1). Ms. Buck said the names of those staff members are not yet available.

TWRA will continue operating the campground and other facilities until TWRA's governing body can establish rules on the lake. Permits for new personal docks will be frozen until the rules are established.

There are still many questions unanswered about the future operations of the lake, said Buck.

The first-year cost to the state is $996,200 with subsequent years costing $288,500, according to the estimates by TWRA. There will be a one-time expenditure of $584,000 ($161,000 equipment plus $130,000 construction, $200,000 non-building construction, $3,000 computers/printers, and $90,000 vehicles and phones). There will be a total increase to state expenditures of $996,247 ($137,047 + $275,200 + $584,000) in FY22-23. It is estimated that the transfer of local revenues to the TWRA and the increase in state fee revenue will result in an amount sufficient to cover all operating costs. It is unclear where the 'local' funds will come from. Presently, the county of Carroll provides $50,000 annually to the CCWA plus approximately $248,000 from an annual $10 wheel tax assessed on all motorized vehicles registered in Carroll County. Mayor Joseph Butler said he is assured the annual $10 wheel tax will cease on December 31, 2022. Carroll County voters approved the $10 wheel tax on each motorized vehicle in a referendum on November 7, 2000, when the vote was 5,441 to 4,851 to add the wheel tax and pay 30 percent of the total estimated cost of $10 million. The lake and subsequent development exceeded $25 million. The tax started after the Watershed Authority received its U.S. Army Corps of Engineers 404 permit for construction. In the year 2000, an estimated 70 percent was projected to be paid by state and federal grants.

Carroll County 1000-Acre Lake opened in March 2013 as a means to control flooding and for economic development in the county. It is located in the Leach Community, south of Huntingdon on Highway 70. In December 2021, the lake was named a Bill Dance Signature Lake, essentially one of the best fishing lakes in the state.

It will be renamed Lake Halford in honor of retiring State Representative Curtis Halford (R-Dyer).

Celebrating McKenzie's oldest business and historical record

Trezevant Devilettes

Remembering The 1974, 1976 State Champs

Let me start by saying that I am not taking anything away from the Lady Rebel championship this year, but I wanted to take a few moments to remind and/or make our readers aware they were not the first female basketball team from Carroll County to win a state championship.

The honor of the first goes to the 1974 Trezevant Devilettes, who won a second championship in 1976. TSSAA Hall of Fame Coach Richard Welch led those young ladies.

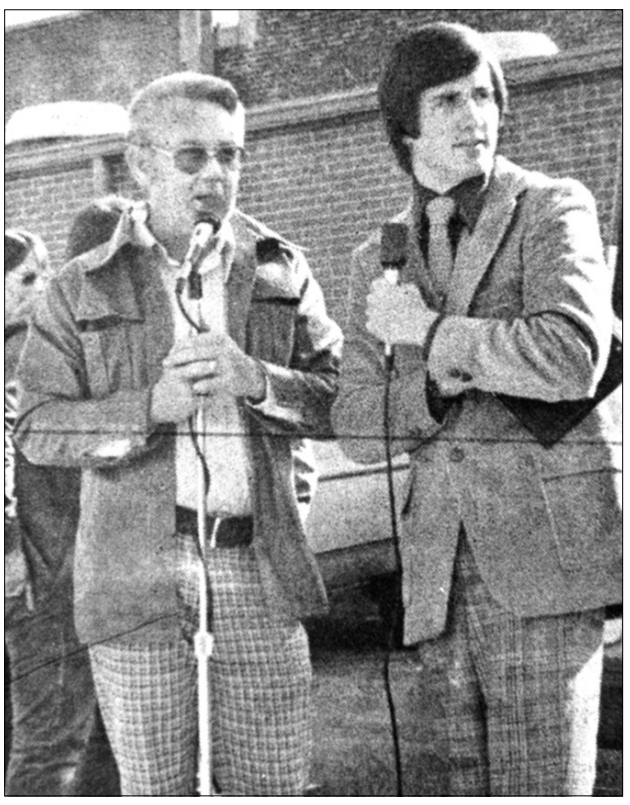

Welch coached at Westview, Trezevant, Atwood and West Carroll. His teams made the state championship series nine times. Coach Welch had a record of 747 – 141 and was named coach of the year nine times.

One of the female basketball players in Carroll County, Debbie Joyner (McKnight) was on the 1974 and 1976 team. In 1976 she was named to the all tournament team and was name tournament MVP. According, to the archives she is the only eighth grader at the time to play in a state tournament.

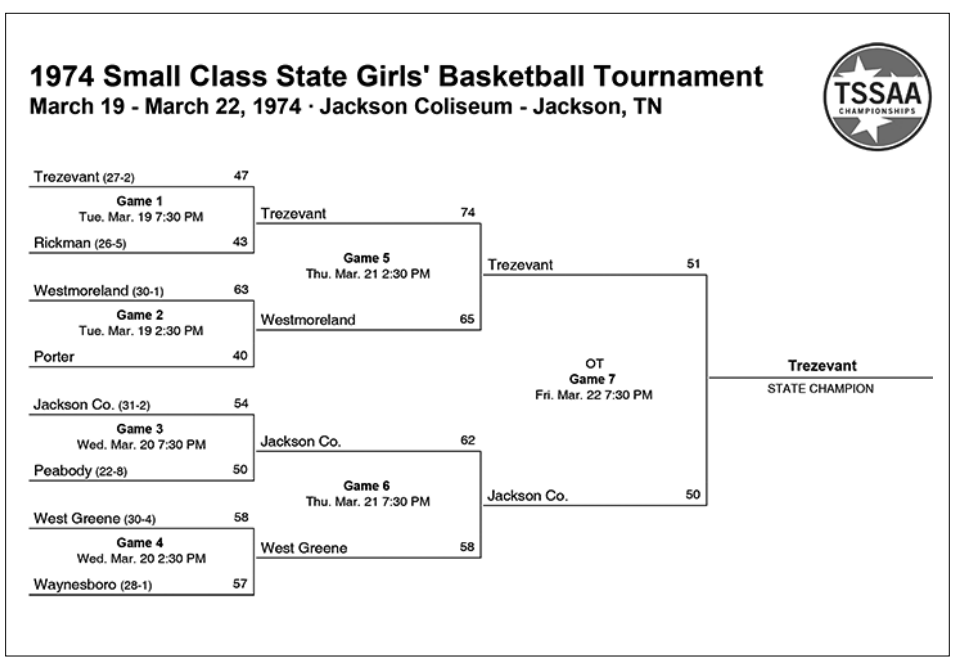

She was selected to the Carroll County Sports Hall-of-Fame in 2010. Other accolades include 5,078 career points with All-West Tennessee and All-State Honors.

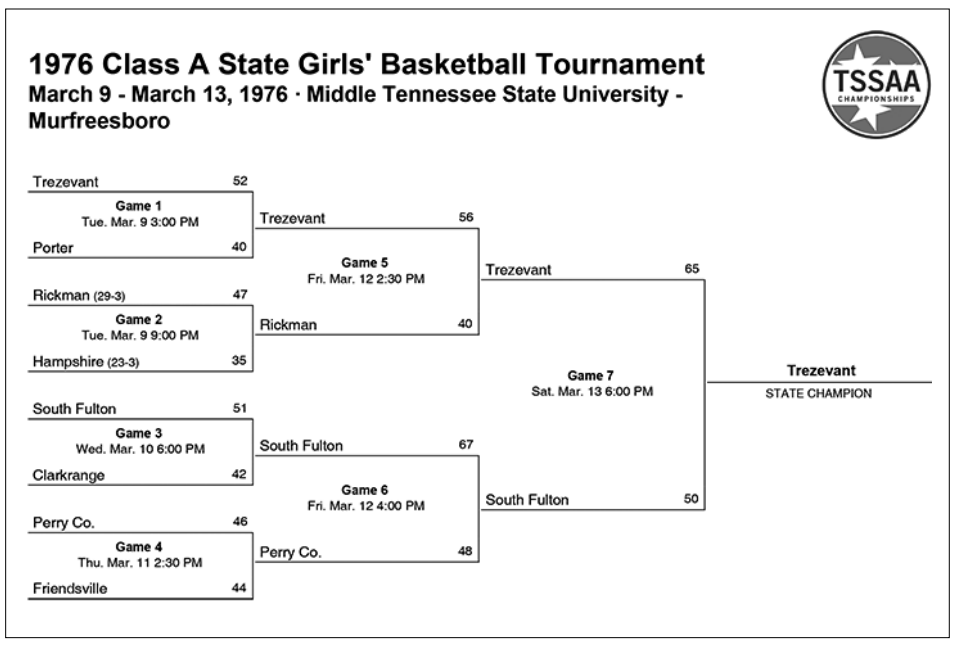

The Trezevant Blue Devilettes (1974), regional and district champs, defeated Alamo Monday night in sub-state competition by a wide margin of 61-30. The Devilettes have a season record of 29-2, losing only to McNairy Central and Milan, who they later defeated in the season. Trezevant played the Rickman team from Middle Tennessee in the first round of the championship tournament at the Jackson Coliseum.

Trezevant High School coach Richard Welch joins WKTA announcer Joe Williams, Jr. about the 1976 basketball tournament in Murfreesboro.

Above and Below, TSSAA Girls' Basketball Championship Brackets from 1974 and 1976. Trezevant defeated Jackson County in overtime in 1974 and crushed South Fulton in 1976 championship.

Above, Trezevant High School Superstar Debbie Joyner and Dorothy Milton display the state championship trophy (1976). Below, Students celebrating a state berth for the Devilettes.

HUNKER DOWN WITH KES

Our Chickens Were Laying Omelets

The current heat wave across the South has got folks talking more about the weather in the last couple of weeks than college football, gas prices or the latest political jokes coming out of Washington put together. And I live in Florida. Everyone is a hot weather expert down here...

Any time another state claims a day or two of extraordinary heat, the locals remind me... "Yeah, but they don't know about our humidity." I've heard "closer to the Equator," "very little cloud cover," "more hours of sunshine," and "they need to come down and spend a week in June, July, August" to last me a lifetime.

As you are well aware, I am only down here because I got captured and carried off against my will years ago. But that is another story...

When folks around here start talking to me about record heat waves, I point them quickly to the summer of 1957 in McKenzie, Tennessee. I was ten years old and I'm still sweating to this day from an afternoon weed pulling in that gargantuan garden in our back yard!

Tomatoes, women's hair and fresh starched gabardine suits melted on the vine that summer!

It was like a sauna on steroids. Fish got to fighting over the little bit of water left in Carroll Lake. Frogs couldn't get up enough spit to croak. Dogs crawled under the house and wouldn't come out.

I think back on it now and my eyes instinctively crunch into the squint position, my skin blisters and begins to peel off, I can't drink enough Diet Cokes, my body temperature involuntarily goes up six degrees. I wonder if Freeman's Menswear is still carrying straw hats.

And you don't have to take my word for the extreme heat that summer of '57. Mr. Raymond White recorded every day of it! I remember him telling us up at Y. D. Moore's Service Station where he kept his weather measuring instruments that the only place in Tennessee that had seen hotter days was in Perryville, where it reached 113 degrees in 1930.

I didn't say nothing, but I remember my Dad thought those people over by the Tennessee River at Perryville exaggerated most everything from the size of fish they caught to the number of college graduates they had on the town council.

You've got to remember nobody had air conditioning in their homes back then. You had to "go out and play." Or at least, go out! The house was like a sweat box. We literally had hot water coming out of both faucets in the kitchen and bathroom.

And the nights might have been worse! I'd get a quilt for a pallet and go out on the porch to try to sleep. I couldn't hardly find room to spread the thing out; Mom, Dad, Leon, David Mark and two coon dogs that had ventured from under the house would already be out there!

Buddy and Yogi would come by early in the morning and say, "Kes, let's do as little as possible today." We'd end up in the ditch down behind the house in the shade of some overhanging trees. The talk amongst us ten year olds was mostly about how soon could we move to the Big Horn Mountains or maybe Nova Scotia...

And yes, we fried eggs on the sidewalk. We also pulled melted plastic army men out of our pockets. Cows delivered evaporated milk. Mom warmed our biscuits by taking them off the platter and handing'em to us.

I will tell you how hot it got, in the seventh inning of the Sunday afternoon town baseball game against Milan, by MUTUAL consent, both teams called the rest of the game off! Folks that didn't normally go to church went to get one of those hand held Brummitt Funeral Home fans.

All the kids took to hanging out down at the ice house. I can't remember the man's name that ran the place, but I will never forget his kindness. He'd not only break off small chunks of ice for us to suck on, but he also let us go inside the little shed full of ice so we could "cool off" a bit.

Many of us lived at the swimming pool.

Hot Saturday afternoons would find us at the Park Theatre. It was one of the few buildings in town that was cool. We'd sit through a cartoon, newsreel, previews of coming attractions and the double feature...twice!

I would be four inches taller and weigh forty more pounds if it wasn't for the summer of 1957. And no matter what you see or feel around you presently, just know McKenzie once survived a heat wave like no other before or since...unless you believe those folks over at Perryville...

Respectfully,
Kes

MHS Golf Enjoys Successful Fundraiser
The MHS Golf Team held their Par 3 Extravaganza golf tournament on Saturday, June 18, at the Carroll Lake Golf Club, which serves as their course for home golf matches. This tournament serves as the major fundraiser for the golf team. A total of 19 teams came out to support this event, where all 18 holes are set up to play as a par 3. All participants left with a door prize as a token of appreciation for playing, and regardless of the skill level, everyone always has fun at this event, while at the same time helping our golf program.
On behalf of Coach Tyler Holt and the MHS golf team, we would like to thank all of our sponsoring individuals and businesses in the community, the Carroll Lake Golf Course, our golf team families, and all 19 teams that came to play in our tournament. It was a very successful day, and we appreciate your continued support of our golf program.

CALENDAR OF EVENTS

CARROLL COUNTY HUMANE SOCIETY TO HOST MOVIE

MOVIE NIGHT — The heartwarming Disney movie Homeward Bound: The Incredible Journey will be shown at the Park Theatre in McKenzie on Tuesday, June 28 at 7 p.m. Admission $5 with proceeds from tickets benefiting Carroll County Humane Society.

Let's talk about the summer slump. It happens every year and we worry because we have obligations in the form of fur and paws. In addition to the daily requirements of properly caring for our animals, we have a larger electric bill in the summertime, mowing expense and all our other regular operating expenses to go with it. We understand that everyone is trying to cope with the higher prices of virtually everything these days so we're not asking for much. A donation in any amount will be appreciated! Can you help us through the summer slump?

Ways to donate:

Mail a check to CCHS, P.O. Box 384, McKenzie 38201

Go to PayPal.me/cchstn and donate as a friend to avoid fees

Drop off at our shelter during business hours

Call in a credit/debit card donation to 731-352-9950

Another way to help is to support our fundraising events so load up the family and join us Tuesday night, June 28 at movie night!

As always, we appreciate all your monetary and non-monetary donations.

Bethel, Eastside FCE June Meeting

There were nine members and our agent present for the June meeting of the Bethel/Eastside FCE. We met in the home of Mary and Pennye Mays with Mary Mays acting as the hostess. The meeting was called to order and we read the Homemakers Club Pledge in unison. Roll call was answered with 'show a pic of your doppelganger.' The minutes were read and approved. Treasury report was given and accepted.

In old business: the craft day was mentioned as a reminder that we are to meet in the quilt room on the 13th to create a craft to sell. Continue bringing items for Carl Perkins food pantry.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

See solution in next week's edition.

Avery told Meier he was driving home from work, though he seemed uncertain about what time he had gotten off work. A computer check showed that Avery's license was not valid but eligible due to a failure to appear conviction out of Texas. Avery denied Meier's request to search the vehicle, but the vehicle was searched after a K-9 dog indicated the presence of illegal substances. During the search, Meier found a needle, a homemade glass bong, a rubber tube with a glass pipe, and four Xanax pills.

What A Ride!

BY JIM POTTS
jpotts@mckenziebanner.com

I returned to work at the Banner last August the week after McKenzie started the 2021 football season While beating your rivals is always nice, my initial thoughts were the Rebels were off to a solid start to the season. A deep playoff run started creeping into my mind after several lopsided wins and a close call against Dresden which really shouldn't have been close. A run to the State Championship didn't really hit me until the Moore County blowout. Then, I felt like they were going the distance and had chances to win it all.

Golf was in play during the fall as well as Lady Rebel Soccer. Lady Rebel Golf was the first of six McKenzie teams that reached the state level. Football was next losing a hard-fought game to South Pittsburg in the Class 1A State Championship.

Meanwhile, basketball season started well before football ended. The Lady Rebels ran unbeaten for several games while the Rebels sported a 5-1 record with a 7-man roster until football season ended and more help became available. Then, the boys went toe-to-toe with everyone. The Lady Rebels lost 2 games to teams that went deep in the playoffs and still crafted a 31-2 season.

Once basketball playoffs began, both the Rebels and Lady Rebels got even tougher to beat and punched their tickets to the state tournaments. The Lady Rebels had not been there since 1963. As you know by now, the Lady Rebels won the Class A State Championship. The Rebels played hard but fell short of reaching the title game.

So while the extended basketball season was winding down, baseball, softball and boys soccer were getting underway. Soccer started off strong as did baseball, softball struggled early on but settled down and won the games they needed to win to have a successful season. Rebel Soccer made it all the way to the State Tournament losing in the first round. Baseball survived a crazy State Tournament interfered with by Mother Nature reaching the State Championship losing a close 2-1 game to Eagleville. Softball made it all the way to the sectionals before their season ended.

Here is the grand total of what the McKenzie athletic teams accomplished in this last year. The Lady Rebels and Rebels won seven district titles and seven region titles. Six teams reached sectionals or substate. Six teams reached their respective state tournaments. Not many schools can claim that much success in the same year. Congratulations to the players, coaches and anyone else involved with the athletic teams this year. It was quite a ride!

I am sure people are already talking about next year and quite honestly the opportunity to take this ride again is very good. I'm not sure how many seniors the soccer teams graduated but the golf teams are returning most of their talent. Football only lost six seniors mostly off the offensive and defensive lines. The entire offensive backfield from last year is back and the schedule is the same as last year with only locations changing. The defending Class A State Champion Lady Rebels lost one senior in Dani Dyer. Everyone else is back. Rebel basketball lost Zayden McCaslin and returns everyone else. The softball team lost two seniors and the baseball team lost three seniors. Get my drift here? Buckle up because this roller coaster ride will be taking off again shortly after the TSSAA Dead Period when all sports take a two-week break from organized off-season activities.

Bethel University Basketball Coach Jeff Britt (left) and Chris Nelson (right) made the list of the top 100 impactful coaches in the NAIA.

Britt, Nelson Receive Accolades

Bethel Basketball Coaches Jeff Britt and Chris Nelson were recognized by Silver Waves Media as two of the top 100 most impactful basketball coaches in the NAIA.

To be considered for this list, the coach must have five plus years of head coaching experience and must have earned over ten wins per season on average.

Bethel Head Coach Jeff Britt completed his 22nd year as Head Coach for Bethel and his 34th year overall as a collegiate coach this past season. Britt has amassed almost 500 career (493) wins, and over eleven 20-win seasons. Britt led Bethel to five consecutive winning seasons from 2001-06 and nine consecutive winning seasons from 2011-20. He currently ranks 10th for most wins among active NAIA Division I men's basketball coaches. He holds an impressive list of accolades for Bethel, including an East Region tournament championship, an NAIA Division II Sweet Sixteen appearance, a KIAC tournament championship runner-up finish, a 2015 NAIA Division I National Tournament appearance, a 2019 National Tournament appearance where his team advanced to the Sweet Sixteen. Before arriving at Bethel, Britt spent five years at Saint Catharine Junior College. Chris Nelson just completed his 16th season as Head Coach for Bethel University, as well as his fifth year on the board of directors for the Women's Basketball Coaches Association. Nelson has been named conference coach of the year five times during his career, as well as being a four-time finalist for both the WBCA National Coach of the Year and WBCA Regional Coach of the Year awards.

Nelson led the Lady Wildcats to a Southern States Athletic Conference tournament championship, a SSAC regular season title during the 2019-2020 season, where the Wildcats would have made their 8th straight appearance in the national tournament. This past season Nelson led his squad to the NAIA Sweet 16 for the 4th time. It was Bethel's 14th national tournament appearance under Nelson. Bethel's win over Dakota Wesleyan in the tournament was Nelson's 350th career win. He is 15th in wins among active coaches in the NAIA. His teams have hit at least one three-pointer in each of his 519 games. Prior to becoming head coach, Nelson spent five years as an assistant for Bethel as they transitioned from DII to DI in the NAIA.

Upcoming Sales Tax Holidays Exempt Gun Safes, School Supplies, Food, More

There are three upcoming statewide sales tax holidays in July and August 2022. This year, the Tennessee General Assembly approved two sales tax holidays in addition to the traditional summer sales tax holiday on clothing, school supplies, and computers.

Gun Safes & Safety Equipment

The first of three tax holidays to occur, and the longest, affects the tax on gun safes and safety equipment. The holiday begins July 1, 2022 and ends June 30, 2023. Retail sales of gun safes and gun safety devices are exempt from sales and use tax for the entire fiscal year.

A "gun safe," in accordance with the holiday, is a locking container or other enclosure equipped with a padlock, key lock, combination lock, or other locking device that is designed an intended for the secure storage of one or more firearms.

A "gun safety device" is any integral device to be equipped or installed on a firearm that permits the user to program the firearm to operate only for specified persons designated by the user through computerized locking devices or other means integral to and permanently part of the firearm.

Clothing, School Supplies & Computers

Tennessee's traditional sales tax holiday weekend on clothing, school supplies, and computers is Friday, July 29 through Sunday, July 31.

Clothing costing $100 or less per item, such as shirts, pants, socks, shoes, dresses, et cetera are tax exempt items. Apparel items priced over $100, jewelry, handbags, sports and recreational equipment are not tax exempt. Items sold together, like shoes, cannot be split up to stay beneath the $100 maximum.

School supplies such as binders, backpacks, crayons, paper, pens, pencils, and rulers, and art supplies such as glazes, clay, paints, drawing pads, and artist paintbrushes are all tax exempt if each item is $100 or less. School and art supplies individually priced at more than $100 are not tax exempt. Items normally sold together cannot be split up to stay beneath the $100 maximum.

Computers for personal use with a purchase price of $1,500 or less are tax exempt. Tablet and laptop computers, if priced at $1,500 or less, also qualify. Storage media, like flash drives and compact discs, individually purchased software, printer supplies, and household appliances are not tax exempt.

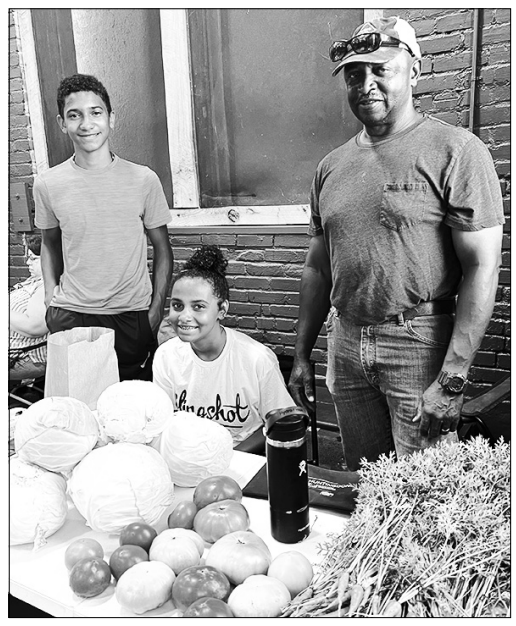

Food & Food Ingredients

Tennessee's General Assembly approved a sales tax holiday on food and food ingredients during the month of August 2022. While food and food ingredients may be purchased tax free between August 1 and August 31, food and food ingredients purchased from a micro market or vending machine remain subject to sales tax.

"Food and food ingredients," according to the Tennessee Department of Revenue, are liquid, concentrated, solid, frozen, dried, or dehydrated substances sold to be ingested or chewed by humans and are consumed for their taste or nutritional value. Food ingredients do not include alcoholic beverages, tobacco, candy, dietary supplements, or prepared food.

Food and food ingredients are typically taxed at the 4% state sales tax rate plus the applicable local rate.

Customers at this week's farmers market perused through vendors' locally-grown produce and honey and handmade goods.

Farmers Market News

COURTESY OF THE CITY OF McKENZIE

We now have honey! A lot of our customers have been asking for honey, and this past Saturday, we welcomed Camp Costello Farms from Hollow Rock. They brought their own delicious honey, complete with a honey dipper. In addition to being a wonderful natural sweetener, honey has many great medicinal qualities.

Thank you to our Carroll County 4-H Coordinator, Amanda Paschall, for a fun learning activity. Our children made butter to celebrate June Dairy Month and each received ice cream sandwiches and cow fans to cool off after "churning" their own butter. Our next children's activity is schedules for July 23, "Grilling 101" — so get ready to learn grilling safety as our youth grill something delicious.

We had over 330 customers visiting our great vendors who had lots of variety. Our produce included fresh tomatoes, garlic, yellow squash, zucchini, cabbage, cucumbers, onions, and more. We had fresh eggs including the unique and beautiful eggs from the "Easter Egg Chicken." There were varieties of banana bread, zucchini carrot bread, lemon blueberry bread, strawberry bread, cinnamon rolls, fresh sourdough rolls, and rainbow bread — which tastes like great homemade bread but has the colors of the rainbow.

The vendors also had all-natural cleaning and body products, great-smelling natural candles of lavender, lemonade, peppermint, floral, and more. We had beautiful handmade bead jewelry, cute dishtowels and signs for your kitchen, and Alma Jones was there with her devotional books she's written. We also had our Baker Birds vendor taking orders for poultry to be picked up at the market July 2 — just in time for your July 4 barbecue.

For vendor information, please call McKenzie City Hall, 731-352-2292.

We will see you at the Farmers Market!

McKenzie Class of 1972 Holds Reunion

McKenzie High School Class of 1972 recently held its 50-year reunion at Chandler's Barn in McKenzie where a catered dinner, old times and fond memories greeted classmates.

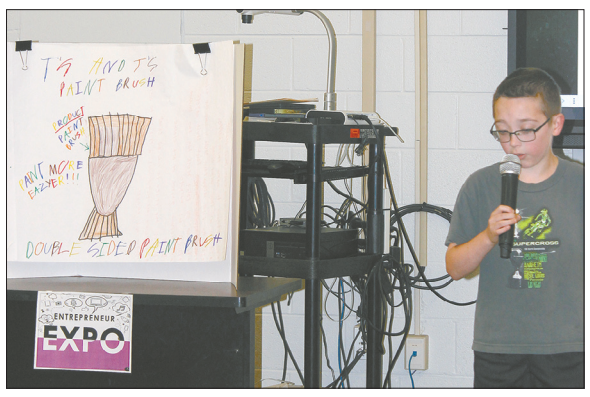

Stories from yesteryear helped rekindle friendships and the class had a pictorial tribute during the dinner honoring 24 deceased classmates.

Most classmates couldn't believe the milestone reached as it didn't seem like five decades since we'd all gathered together on graduation night! It was a great night of swapping stories and remembering those friends we'd lost.

All were in agreement that growing up in McKenzie was a great place to be as were the many memories of youthful school days.

McKenzie Middle School Bridge Program Has 'Entrepreneur Expo'

BY LYNDSEY SUMMERS
lsummers@mckenziebanner.com

During McKenzie Middle School's annual Bridge Camp, students worked to invent new and innovative product plans to present to a group of influential business people in McKenzie. McKenzie Middle School's Bridge Camp is a summer learning camp created to help students reach benchmarks before advancing to the next grade in August.

Throughout the week, students spent six-to-seven hours creating their products and planning presentations for Wednesday's "Entrepreneur Expo." The Entrepreneur Expo activity provided students a break from instruction and encouraged creativity while also teaching practical business skills. Students had the option to work individually, in partners, or in groups. Presentations were made using Google Slides, posters, or props.

The Expo was inspired by the television show, Shark Tank. The student entered the "Shark Zone" (the McKenzie Middle School Library), where they presented their products and business plans to the "Sharks," Dr. Josh Filtz, Christie Chappell, Lynn Watkins, Willie Huffman, and Drew Beeler. At the end of each student's presentation, the Sharks asked questions regarding financial plans, competition, investment costs, target markets, advertising, and more.

Students were organized into grades before presenting. After all students in each grade presented, the Sharks deliberated and decided on a winner based on various criteria. At the end of the Expo, they voted on an overall winner to "invest in."

Shooting Hunger Held At Shooting Park

If you were anywhere near Hwy 22 North of Huntingdon on Friday, June 24, you likely heard multiple shots ringing out from the Carroll County Shooting Park. They were hosting one of three Shooting Hunger Events that take place across Tennessee.

Shooting Hunger is a sporting clays event raising funds to decrease food insecurity across the state. Agriculture partners and industry leaders gathered for a good cause hosted by Tennessee Farm Bureau, Farm Credit Mid-America/Rural 1st and Tennessee Farmer's Cooperative.

West Tennessee Shooting Hunger includes shooters of all levels. The format is five-person teams shooting at multiple stations throughout the day with morning and afternoon flights of shooters. Prizes are awarded to the top three teams and top individual shooter in both flights, and a $500 scholarship is awarded to the top youth shooter in each flight courtesy of Tennessee Farmer's Cooperative.

Area Youth Attend Teen Institute

Courtesy of Carroll County Prevention Coalition

Eight Students from Carroll County joined 450 youth leaders from across the state at the Tennessee Teen Institute. The Tennessee Teen Institute is a five-day youth leadership and prevention camp sponsored by the Jackson Area Council on Alcoholism and Drug Dependency (JACOA). This year marked the 37th year of the Teen Institute Program in Tennessee. The program addresses teen issues such as bullying, violence, suicide, teen pregnancy, distracted driving, teen health and substance abuse prevention through a five-day, peer-led prevention camp designed to provide teen participants with the skills and education necessary to develop and implement alcohol and drug abuse prevention programs in their own communities. This is a comprehensive program that trains, mobilizes and empowers youth to prevent the illegal use of alcohol, tobacco, and other drugs and self-destructive behaviors in themselves and their peers.

TTI prepares students to not only make positive changes, but to be proud advocates of those changes. Students will have the opportunity to grow and learn as individuals, while enhancing their leadership abilities. Because TTI is peer-led, teens are given a unique opportunity to have a "voice" in addressing issues important to them. Giving youth some ownership in this type of program is one of the key factors in the success of enforcing a substance free lifestyle.

Held on the University of Tennessee at Martin campus in Martin, June 12-17, TTI 2022 hosted approximately 450 teen leaders, adult advisors, and TTI staff. These participants leave motivated not only to make healthy decisions in their own lives, but also committed to work so that others are making healthy decisions in their communities as well.

Mission statement for the Teen Institute Program is: "To empower Tennessee's youth to lead by example and take an active role in bringing about positive changes by giving them the skills, knowledge, and support they need make healthy choices, build positive relationships and live substance free lives."
