Shaw Honored as Paul Harris Fellow

GLEASON (June 4) — During its regular weekly meeting, the Gleason Rotary Club honored Delois Shaw as a Paul Harris Fellow. A Paul Harris Fellow is Rotary International's way of recognizing an individual and expressing its appreciation for a substantial contribution to its humanitarian and educational programs. The fellowship is named for the founder, Paul Harris, a Chicago lawyer who started Rotary International with three business associates in 1905.

In 1989, Shaw became the first female to join the Gleason Rotary Club and later club president. Since joining Rotary, she has left her stamp on the club as a model Rotarian. Rotarians often designate a Paul Harris Fellow as a tribute to a person whose life demonstrates a shared purpose with the objectives of Rotary. She was designated to receive the recognition as a special expression of appreciation from the Gleason Rotary Club.

Club President Jason Martin, who conducted the presentation said, "It gave me great pleasure to present Delois as a Paul Harris Fellow. She is a staple of the club and is a wonderful sounding board when I have had questions as president."

The Paul Harris Fellow recognition acknowledges individuals who contribute, or who have contributions made in their name, of $1,000 to The Rotary Foundation of Rotary International.

Monday night the Gleason Rotary Club honored Delois Shaw as a Paul Harris Fellow. Club President and Assistant District Governor Designate Jason Martin presented Shaw with a pin, medallion and certificate marking the achievement.

"I was asked by a few Rotarians who were Paul Harris Fellows in the club about Delois joining our ranks as a fellow. As a group, we decided no one deserved it more. So we made the necessary contribution in her name," added Martin.

The Paul Harris Fellow was established in 1957 to show appreciation for and encourage substantial contributions to what was then the Foundation's only program, Rotary Foundation Fellowships for Advanced Study, the precursor to Ambassadorial Scholarships.

Carroll County Listed 'At Risk' Economically

BY JOEL WASHBURN
washburn@mckenziebanner.com

Carroll County is listed as next to the bottom in economic prosperity, according to the Tennessee Transparency website hosted by the State of Tennessee.

Tennessee counties are rated according to economic development successes and sustainability. The lowest is distressed (26 counties), followed by at-risk (34), transitional (33), competitive 1, and the best, attainment (1).

Carroll, Benton, and Weakley counties are in the "at-risk" category.

Henry, Gibson, and Madison are in the better "transitional" counties rank.

Carroll has a poverty rate of 19.8 percent, per capita income of $22,471, and a three-year average unemployment of 8.4 percent.

Weakley has a poverty rate of 19.1 percent, per capita income of $23,170, and a three-year average unemployment rate of 7.1 percent.

Henry has a poverty rate of 19.4 percent, per capita income of $27,010, and a three year average unemployment rate of 6.8 percent.

Benton County has a poverty rate of 22.6 percent, per capita income of $21,638, and a three-year average unemployment of 7.9 percent.

Madison County has a poverty rate of 19.4 percent, per capita income of $30,665, and a three-year unemployment rate of 5.8 percent.

Of the five area counties listed, Carroll has the second highest poverty rate, second only to Benton.

According to a Community and Rural Development Grant Analysis, Carroll County was awarded six grants in the following categories totaling $128,885, as compared to the average of $238,782.97 awarded to Tier 4 "At Risk" communities. Those grants included a property evaluation grant, tourism enhancement grant, marketing assistance program grant, and ThreeStar grants in 2016, 2017, 2018.

Census.gov indicates the county of Carroll has lost population over a seven-year period from 2010. In 2010, the estimated census was 28,522. The 2017 population was estimated at 27,860, down three percent as compared to 2010. At the turn of the decade, the year 2000, the population was estimated at 29,475.

Over a seven-year period, only McKenzie has gained population, according to the website. All the other seven cities have lost population. (listed in order of population)

McKenzie had a population of 5,310 in the year 2010 and 5,375 in 2017.

Huntingdon had a population of 3,985 in the year 2010 and 3,830 in 2017.

Bruceton had a population of 1,478 in 2010 and 1,411 in 2017.

Steve McCadams' Kids Fishing Rodeo Returns

It's time to go fishing!

All youngsters who want to catch fish and win prizes at the same time are invited to do just!

The 18th Annual Steve McCadams "Casting For A Cure" Kids Fishing Rodeo returns to McKenzie's City Park Lake on Saturday, June 9 for a fun-filled morning where even little fish bring big smiles.

Girls and boys ages 15 and under are invited to participate in the free event, which will benefit the American Cancer Society. Each year McCadams teams up with the Tennessee Wildlife Resources Agency, McKenzie City Parks and Recreation, Relay For Life volunteers and others to host the big event, and it's fast approaching.

Almost 5,000 kids from several states have been introduced to the great sport of fishing since the rodeo's inception at Carroll Lake.

Special plaques and bicycles will be awarded to kids catching the most and biggest fish in four separate age brackets. Age brackets will be 5 and under, 6-9, 11-12, and 13-15 years of age.

"Returning to my hometown and hosting this rodeo is my favorite fishing day each year," said McCadams, nationally-known outdoorsman who lends his name to the event. "Thanks to the help of a tugging catfish, lots of volunteers and donations, the festivity will build some self-esteem in these future fishermen as they fight fish and cancer at the same time."

"With the help of donors who open their hearts and pocketbooks each year we send each youngster home with a prize and fond memory. I know we've made a positive impression on these kids over the years and in so doing we helped fight cancer at the same time," continued McCadams, an inductee into the National Freshwater Fishing Hall of Fame and Legends of the Outdoors, who grew up fishing at nearby Carroll Lake and participated in Jaycee fishing rodeos there in days gone by.

Participants are asked to arrive early and check-in at the registration pavilion. On-site registration is 8-9 a.m. with the actual competition taking place from 9-11 a.m.

Loaner rods will be available courtesy of TWRA so every kid will have a chance to fish. However, kids are asked to bring their own bait and tackle. Concessions will be available courtesy of Relay For Life teams thanks to donations from local merchants.

"It's a great opportunity for kids to learn about the great sport of fishing while sharing some time with their family and friends," said McCadams, himself a cancer survivor. "I wanted to do something to help fight this terrible disease that affects so many people. It's especially sad to see young kids stricken with cancer, but, with events like these, we can give them hope as we work together to find a cure."

The event will coincide with National Fishing Week across America, and June 10 is Free Fishing Day in Tennessee.

McKenzie's City Park Lake is located at 570 Como Street near Bethel University football stadium. For additional information, email stevemc@charter.net or call 731-642-0360.

To support the event or perhaps honor someone special, send your tax deductible donation to: Steve McCadams "Casting For A Cure" Kids Fishing Rodeo, 655 Anderson Drive, Paris, TN 38242.

Farmer's Market Fun

Courtesy Lacy Yeley

Many of us are enjoying the warm temperatures this spring/summer. One perk of summer is fresh produce. It is important to remember that half of your plate should consist of fruits and vegetables. The other half of your plate should be grains and protein foods. Try to choose mostly whole grains and include lean cuts of meat and eat seafood a couple of times each week. Top off your meals with a glass of low fat milk for calcium and vitamin D.

With this in mind, plan to visit your local Farmer's Market. Farmer's markets are an incredible resource for fresh and local fruits and vegetables. Choosing to visit your farmer's market every week can help you accomplish a healthier diet.

Don't forget to come visit me! Beginning June 16th I will be offering a program called Farmer's Market Fresh at our local McKenzie Farmer's Market. The primary objective of Farmers' Market Fresh is to encourage fruit and vegetable consumption and teach consumers how to select, prepare, and store them in healthy ways.

In Farmers' Market Fresh, the farmers' market is the classroom! This education is delivered through a variety of activities including children's challenge activities and food demonstrations. Farmers' Market Fresh is not just a one-time food demonstration. Instead, this program is built around a series of food demonstrations utilizing fruits and vegetables common to Tennessee farmers' markets. After attending the food demonstrations, participants will have a collection of recipes fresh from the farmers' market and some nice incentive items! Come check it out and sample some recipes.

competition, her Iris Princess, Kylee Perry, age 8, will accompany her.

She also has directors, Bethel Murley and Sally Arnold helping her prepare for the contest.

Townsend is the daughter of Terry and Wanda Townsend of Huntingdon. She is a graduate of Waverly High School, attended Bethel University, where she was a member of Renaissance and on the university's dance team, and is now enrolled at SAE Institute of Technology, where she is studying audio engineering and music production.

Wanda Townsend said the weeks leading up to the pageant are stressful because of the paperwork, training schedule, finding the clothes, and completing the packing list.

There are lots of things that go into preparing for the contest, said Wanda. However, she said she and husband, Terry are fortunate to live so close to Jackson. Parents from other parts of the state spend days in and around Jackson, while she and Terry will work their normal schedule and then attend the evening competitions in Jackson.

She was originally charged with theft of $14,303.05 from McKenzie Banking Company, on Main Street, McKenzie. The theft occurred over a period from July 2017 until February 6, 2018.

Joanna Crutcher, 31, of Bruceton, was charged with taking $5,600 from the main location of McKenzie Banking Company and $2,000 from the Highland Drive branch from the cash deposits over which she had control. Crutcher's case moved from General Sessions Court, where she will appear for a hearing on June 11.

Both were arrested in February by McKenzie Police Department.

Scales

Cassie Lee Scales, 22, Drew Court, Huntingdon, Scales was convicted of Attempt to Commit Aggraved Child Neglect. She received a sentence of eight years, one year in jail, and seven years in community corrections, plus must participate in drug and alcohol rehabilitation for one year.

Scales left her two-year old child in the bedroom of the vacant apartment on January 12. The bedroom door was closed and the child could not get out of the room for as long as 24 hours.

In January, Ms. Scales phoned a neighbor to check on the child, however, the neighbor could not enter because of a dog in the apartment. The neighbor phoned the police, who found the child in the floor with a soiled diaper.

The child was transported to the local hospital for observation and then placed in foster care under an emergency placement by the Tennessee Department of Children's Services.

The case was made by Huntingdon Police Department.

and the five special school districts.

McAdams said the decision to close the center is "disheartening" because the faculty and staff "poured their hearts into the program." He added it is frustrating the state's decision was so late in the year when many school positions have already been filled for the 2018-19 year.

Carroll County School District employed four teachers – Brandy Baumgardner, Karlene Cheatham, Candice Mitchell, and Debra Lawson plus Brittany Wixon for the ACE-Gifted program. Additional staff members worked as teachers' assistants and in the cafeteria for the 53 students in the special-needs learning program.

McAdams said each student was actually enrolled in one of the five special school districts. A contractual arrangement made it possible for the special school districts to pay Carroll County School District to provide the services. Overall, the total contract was $650,000 during the 2017-18 school year, said McAdams. The county school district provided additional resources for the program, said McAdams.

Each of the special school districts will relocate the students to their respective schools. In 2017-18, CCSD served 17 students from Huntingdon Special School District, 16 from McKenzie, 9 from Hollow Rock-Bruceton, 3 from South Carroll, and 8 from West Carroll.

McAdams said he is unsure how each of the special school districts will manage the influx of the students, who can attend school up to the age of 22.

The Special Learning Program worked to serve the day-to-day needs of the regular students, plus hosted the annual Very Special Arts Festival to showcase the talents of all students, and the annual Special Olympics, held each spring at Bethel University for special needs students at the Special Learning Center and the five special school districts.

animals were found around the property including a zebra, a cat, a duck, and the remains of rabbits. There were live animals and dead animals in the same cage. Animals were found running loose and in cages around the property, inside a barn, and in the property owner's house and garage. The animals were all extremely dirty and suffering from heavy infestations of internal and external parasites, broken bones, extreme matting, eye and ear infections, and respiratory issues caused by the extremely high ammonia levels inside the house and garage which was among the highest ARC has ever recorded, according to a news release from ARC. Many of the animals were suffering from malnutrition and no food for the animals was found on the property.

Scotlund Haisley, president and founder of Animal Rescue Corps, said all of the seized animals were either dead or in various stages of dying. ARC, Carroll County Sheriff's Department, and the Redemption Road Rescue worked to assess the status of each animal, and transport the living animals to rescue centers.

Haisley had to seek medical assistance due to ammonia poisoning for being exposed to urine inside the home.

"This is extreme animal cruelty," said ARC President Scotlund Haisley. "I have never experienced ammonia levels this high. These animals were not living here; they were dying here."

Watershed Authority Approves Concession Contract, Hears Reports of Good Lake Usage

HUNTINGDON (May 29) — Carroll County 1000-Acre Lake was well utilized over the Memorial Day Weekend, according to Dale Kelley, secretary of the Carroll County Watershed Authority, the governmental agency that owns and manages the lake.

Kelley, who served as chairman of the 2 p.m., May 29 meeting, said the lake was well used and available parking spaces were full.

He also noted the lake, located in the rural portion of Carroll County in the Leach Community, will soon have the new tri-plex building open once all the landscaping and parking, including handicap, are complete. The building was located by Kilgore Flare in Toone, Tenn.

All rental boat slips are filled, except one reserved for the watershed personnel. The Bassmaster Junior High fishing tournament will return to the lake in August and the first-ever triathlon will occur in September.

Kelley said the Authority has applied for a grant to construct a fishing pier at the new RV Park. The funds were applied through TWRA and has not yet be appropriated. A new walking trail and additional park is sought through a LPRF grant.

In other business, the board approved a contract with Tina Shands to operate the concession stand at the lake. She will open Friday and Saturday 11 a.m. to 7 p.m., and Sundays, 11 a.m. to 6 p.m. and on holidays.

A permit was granted to Jack Roberts, Lot 9, Edgewater Estates, to construct a boat dock.

HUNKER DOWN WITH KES

Life Between the Chews and Shoes

I quit chewing tobacco and started running in 1991. I don't think the two things are related. I didn't lay the Levi Garrett aside because of health reasons. And I didn't start running because I thought it might help my heart or add a few years to my life.

My first "chaw" of tobacco was from one of the men on the town baseball team back in the early '60's. I was just a kid in that lineup, playing third base mostly. They were passing around some Warren County Twist in the dugout and I bit off a piece like I was an integral part of the team. I didn't read the warning on the label that said "Take two aspirins before inserting in mouth!"

My head was reeling before I ran back to the field. The first batter hit a two hopper that bounced off my chest; I swallowed half of my Warren County Twist! The sky started twirling. People in the stands were doing the hurly-girly. I batted the next inning with three pitchers throwing at me. I threw up behind the trees over by Mulberry Street.

It didn't take long for me to make the distinction between twist, plug and loose leaf tobacco. Listen, a handful of Beech-Nut leaves crammed between your teeth and gum taste like a Baby Ruth up beside that Warren County stuff!

I only chewed for twenty-five years. And you've got to realize we knew nothing about heath related concerns in 1964. We thought a good chew thrown in at the right time could keep your weight down. It also warded off hook worms and kept your digestive track flowing. And it came in mighty handy if the girl you were with turned out to be NOT the girl you wanted to be with. You could just slip in an extra big chew, making sure to leave a few loose leaves hanging on your lips...

The book, "There Ain't No Polite Way To Get It Out," I was writing on my chewing exploits had to be put on hold. I didn't think it kosher to be telling folks the best meals to chew after or how to spit out of a fast moving automobile without splashing juice down the side or revealing the inside techniques on distance spitting...if I was no longer an active participant in the sport.

The reason I quit is ineloquently simple. The first pack of Beech-Nut I purchased from Pat Houston's grocery cost twelve cents. I laid a pack of Levi Garrett on the counter in 1991 and the nice attendant rang up $1.56! I studied on that for half a second. I didn't want to let the men on the town baseball team down...but that was more money than I was willing to pay.

I never "threw in" another chew.

The running started the next day. I figured one stupid thing deserved another. Plus, I thought it might take my mind off chewing. Or at least, give me something to do with my hands. I had several old pair of coaching shoes I needed to wear out. And who knows, if I ran long enough and hard enough, I might be too winded to stick any foreign substances in my mouth.

Or maybe, and this is the most likely scenario, I wasn't thinking at all! I can tell you this for dead certain positive—the first five thousand miles are the hardest!

Folks have been extremely nice about my running. The county and city workers out on Tenth Street and Knowles near 'bout run off in the far side ditch to give me room as they drive past. I do appreciate the waves and shouts of encouragement from everyone. And I don't mind the laughter and headshakes when I run by...in the rain.

Hank used to keep me company. I'd tell him about getting beat up by Beverly Sparks in the second grade. Or about the time we rolled the cherry bombs into Uncle Clifford's chicken coop. Or how we'd climb out the fire escape in high school and hustle to town for some doughnuts. That dog never said one word in all the years we ran together. He would, however, jump in the canal on those extra cold mornings and run back and shake off all over me!

The trick is to not think about running while you're doing it. I've "chewed" extensively on life while clicking off the miles. I've written newspaper stories in my head. I've transported myself back to Miss Belle's third grade classroom, Coach Camp's basketball practices, swimming at the clay pits, raising sons...who are now raising sons...

Life is not about how many miles you run—it's about how you run the many miles.

Respectfully,
Kes

HUNTINGDON — The Carroll County Library kicked off the Summer Reading Program this past Saturday with a concert on the lawn, cotton candy, sno cones, and bubbles! The band Longshot featuring Carl Byars, Steve Bomar, and Fred Conklin volunteered to play at the Library for the kickoff to bring home this year's Summer Reading Program theme: Libraries Rock! Miss Freeze, Richelle Stokes, sold sno cones and donated 100% of the proceeds to the Library. The Gibson County Memorial Library supplied the Library with a cotton candy machine and Jesse Turner of Huntingdon donated floss sugar to be used with the machine. Each child who registered for the Summer Reading Program was entered into a door prize drawing consisting of three Lego Creator Kits; our winners are Emily Kennedy, Ian Berryhill, and Hayes Butler! These children can pick up their prize at the Carroll County Library circulation desk.

We are following up our Summer Reading Kickoff with a visit from PBS character Martha Speaks, Friday June 8 at 2 p.m. and then Sarge with the Jackson Generals will be making an appearance at the Library Wednesday, June 13 at 10:30 a.m.! Don't forget our annual Train Tour next Friday, June 15 at 1 p.m.; this is a favorite among our Summer Reading Program participants! A full calendar of Summer Reading Program events can be picked up at the Library's circulation desk.

The Carroll County Library Summer Reading Program is for children of all ages; upon registration, children receive a copy of the First Lady's Summer Reading Competition Reading Logs and are encouraged to read all summer long. We will have our backpack drawing again this year and children who collect eight or more tickets will be entered to win one of ten backpacks filled with school supplies and books! However, we are doing something new and exciting this year as a reading incentive. The Library is partnering with the Carl Perkins Center and we are encouraging children to "Read to help others." For every 10 books read or 1 hour spent reading this summer, the Library will donate a book to the Carl Perkin's Center that will go to a child in need.

Lego Club Jr. was hosted this month by the Modern Woodmen of America. Natalie Jordan and her family brought in several new containers of Legos to the Library and even provided snacks and drinks for our little creators! Lego Club is for children ages 7 to 12 and will be on June 14th from 5 p.m.-6:30 p.m. Lego Club Jr. is designed for children ages 4 to 7 and will be held on the 28th of June at the same time.

The Library appreciates all donors, partners, and sponsors! With the love and support of local business and individuals the Library is able to do so much more for the community than we would be able to otherwise. The Library appreciates Mr. Robert and Janice Wolfe for their donation to the Library in honor of Marvin and Margaret McNatt Bumpus. If you are interested in becoming a sponsor of the Carroll County Library's Summer Reading Program, please contact the director, Nikki Cunningham at 731-986-1919.

Rebels Celebrate Baseball Seasons with Banquet

BY BRAD SAM
brad@mckenziebanner.com

McKENZIE (May 29) — The McKenzie Middle School and McKenzie High School Rebel Baseball teams celebrated their respective seasons with a banquet Tuesday in the high school cafeteria.

Principal Tim Watkins welcomed the players, coaches, families and other supporters, and freshman Eli Surber delivered a prayer before the delicious meal catered by Big Daddy's BBQ.

As everyone finished dessert, MMS Head Coach Joseph Baumgartel ("Coach B") spoke about his team and was overwhelmed with emotion at many points.

He said that he had had high hopes for the team from the beginning and put together a "hefty" schedule of games. He was proud that the team didn't lose two games in a row all year, and that they had earned a championship trophy at the Sandlot Classic in Centerville.

He said that their postseason had ended sooner than they had wanted, but it was still a great season. The team went 15-6, including a 7-2 conference record with the only two losses coming at the hands of eventual conference champion Martin.

Coach B thanked the great many people and organizations that had made the season a success.

He then recognized the players and presented each with a certificate, joined by assistant coach George Cassidy.

Next was the presentation of individual awards, beginning with Sandlot Classic All-Tournament players Ty Anderson, Jackson Cassidy, Zayden McCaslin and Tournament MVP Jake McDaniel.

Silver Slugger awards, given to players with a batting average over .300 in a minimum of 15 games, went to Jackson Cassidy (.324), Zayden McCaslin (.328), Ty Anderson (.375) and Jake Cassidy (.481).

The Defensive Player of the Year award was presented to Collin McLearen. The Offensive Player of the Year was Jake McDaniel. Named Most Improved was Trey Cook; Most Improved JV was Lute McCaslin. The Drew Hayes Pitcher of the Year Award went to Jake McDaniel. The Coaches' Award was presented to Zayden McCaslin. The team's Most Valuable Player was Jake McDaniel.

MHS Head Coach Chris Wall then echoed the thanks to supporters and spoke about his team. He applauded the players because they "never quit" and said that "we wanted to be the best we could be, and we had the values and the character to do that."

He called the team "the best defensive team I've ever coached," and hoped that they could improve their hitting to go along with their stellar pitching and defense. He spoke with pride of the seniors, who had an 80-39 record over four years.

He and assistant coach Zach Tippitt presented each player with a certificate and named many as lettermen.

Individual awards were then given. A Silver Slugger award went to Chase Daffron (.310). Gold Gloves were presented to Josh Cannon, Murphy Watkins, Hunter Stafford and Harold Smith. All-District Players were Tyler Spivey, Zach Jarrett, Murphy Watkins and Pitcher of the Year Chase Daffron. Most Improved Players were Tyler Berryman (Offensive) and Evan Jarrett (Defensive). The team Pitcher of the Year award was presented to Chase Daffron, as was the Most Valuable Player award.

Tippitt then presented the P.L. Martin Team First Award to Nathan Eaton and Cameron Rawls and the Ricky Chism Award to Zach Jarrett.

Next, the first Ray Berryman Memorial Volunteer Award was presented by Stephen Berryman, son of Ray and father of senior Tyler. Ray coached for 40 years in the McKenzie City League, at Bethel College and in the Jackson Summer League. Stephen noted that there were many of his late father's former players and friends in the room and said that the most important thing Ray had taught him was "how to be a father." The award was presented to Craig Lunn, who embraced Stephen and thanked everyone with great emotion.

Former Rebel Bransen McCaleb then presented the Seth Foster Memorial Scholarship, a $500 grant from the McKenzie Youth Baseball League in honor of the late Foster. McCaleb spoke about Foster's "crazy love for the game of baseball" before naming the recipient, Zach Jarrett.

Seniors and eighth graders presented gifts to their respective coaches before Homerun Club President Michele Jarrett gave gifts to the coaches and bus driver Wyatt Brooks. She expressed her gratitude to the coaches for "showing our boys what it's like to be a man."

The banquet concluded, but guests lingered for photos and to reminisce on great memories.

The McKenzie Middle School Rebels included: eighth graders Trey Cook, Jonathan Haney, Zayden McCaslin, Jake McDaniel, Collin McLearen and Sawyer Phipps; seventh graders Ty Anderson, Braden Birmingham, Chaten Bivens, Jackson Cassidy and Nolan Renfro; and sixth graders Lane Anderson, Dawson Brush, Jake Cassidy, Hayden Garrett, Lute McCaslin and Aiden Sisemore.

The McKenzie High School Rebels included: seniors Tyler Berryman, Josh Cannon, Nathan Eaton, Zach Jarrett and Cameron Rawls; juniors Luke Bennett, Chase Colotta, Chase Daffron, Landon Johnson, Harold Smith, Tyler Spivey, Hunter Stafford, Murphy Watkins and Dashun Woodson; sophomores West Cook, Noah Hawkins, Evan Jarrett, Riley Joyner, Cameron Kee and Nick Simpson; and freshmen Brandon Boaz, Phillip Smith, Eli Surber and Ethan Travis.

MHS Golf's Annual Par 3 Extravaganza is Saturday

BY BRAD SAM
brad@mckenziebanner.com

The McKenzie High School Golf team will host its annual Par 3 Extravaganza Saturday, June 9 at approximately 4 p.m. at Carroll Lake Golf Club.

All 18 holes will be played as Par 3 by three-person teams. Entry is $35 per person or $105 per team.

The event is a major fundraiser for the MHS golf program. Both the boys and girls teams went to the state tournament this year.

Head Coach Larry Joe Smith told The Banner, "Being successful can be costly for a program that receives no funds from the school." He credited the community for its generosity and support, especially sponsors who purchased signs.

Coach Smith said that there would be cash prizes for first place, tenth place and 20th place, and that there would also be some "closest to the pin" prizes. He said that the event would provide a unique golfing experience on every hole.

He noted that the competition would likely be limited to 36 teams. To reserve a spot, see the McKenzie High School Rebels Golf Facebook page or call Smith at 731-415-7371. Forms are also available at the golf course.

The team will also be raffling off several items: a handmade duck call, a guided quail hunt, an Orca item, four tickets and a parking pass for the Tennessee/Charlotte college football game on November 3 and a $50 Sonic gift card. Chances are one for $5, five for $20 or 15 for $50. Drawings will be held at McKenzie's home football game against West Carroll on August 24.

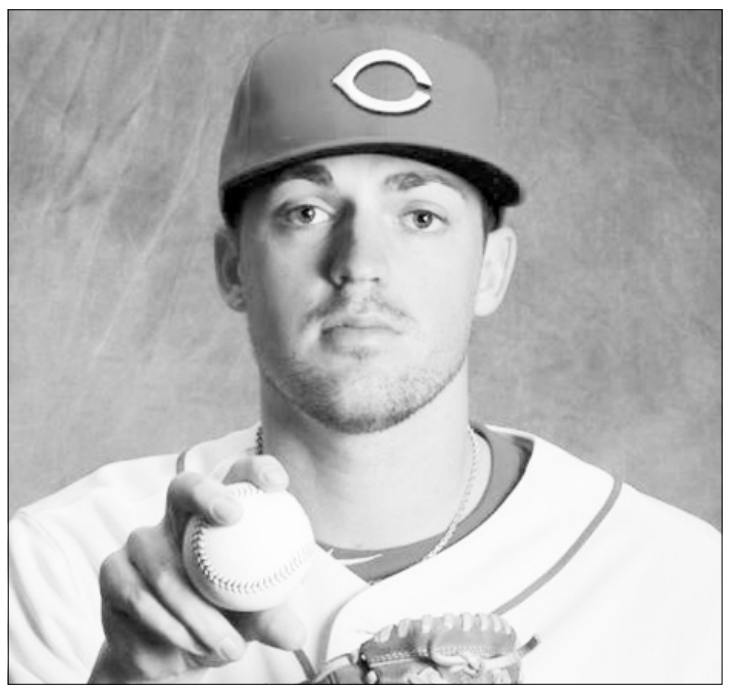
Trinity Christian Academy Hires McKenzie's Drew Hayes

BY JIM POTTS



Trinity Christian Academy in Jackson announced Friday, June 1 that McKenzie native Drew Hayes will join their staff teaching English and coaching football and baseball. Drew is a 2006 graduate of McKenzie High School, where he was a three-sport athlete in football, basketball, and baseball.

Hayes set numerous records in football and helped win a baseball state championship his senior year in 2006. Hayes is currently 5th in career passing in Tennessee throwing for 9,292 yards. He is 3rd in career completions with 738. Drew holds the state records for completions and attempts in a game completing 46 of 73 passes in a game against Union City in 2005. He was named All-State twice and won a Mr. Football award in 2005.

In baseball, Drew played shortstop and pitched. He was nearly unhittable during his senior year helping McKenzie win a state championship in 2006 with an ERA well below 1.0. In the State Championship game against Forrest, he struck out 12 and scored a run.

By this time, Hayes already was getting attention from Major League Baseball getting drafted by the Arizona Diamondbacks shortly after he graduated from McKenzie. He chose to stay home at Bethel University his freshman year and play baseball and football. He transferred to Vanderbilt, where he played his last three years of college and was drafted twice by major league teams. Seattle in his junior year and Cincinnati drafted him in 2010 when he graduated college.

Over the next several years, he worked his way up the Red's farm system starting in Billings, Montana and moving to Dayton, Ohio for a year before landing in Pensacola for several seasons. Drew went on to play for the Reds AAA team in Louisville before getting the call that very few select ever get.

In April 2016, he was called up to join the Reds where he saw action in six major league games. In 2017, he played for an independent minor league team, South Maryland Blue Crabs. During his time as a professional, Drew never forgot his hometown or his roots coming home and spending time as a volunteer coach with MHS and being a substitute teacher.

Drew is the son of Glenn and Joyce Hayes of McKenzie and is engaged to Mariah McKenty of Benton, Kentucky.

McKenzie Garden Club Meets

COURTESY SUSAN LAWRENCE

The McKenzie Garden Club met Friday, May 25 at the lovely home of Victoria Ard. Hostesses were Victoria and Linda Howton.

As members arrived, they were directed to the dining room, where an assortment of sandwiches, vegetables and cookies were served. An inspirational story was read by Donna Ward, who was in charge of the devotional.

President Donna Hodge called the meeting to order. Thirteen members present answered roll call. The club welcomed new member Marsha French. Susan Lawrence read the minutes from the April meeting. They were approved as read.

With no old business to discuss, treasurer Cynthia Summers gave the financial report, which was also approved. She noted that a donation of $25 was received from Jerry and Beverly Leatherwood in memory of Tracy Pinson Taylor.

Correspondence secretary Gladys Patterson reported the following thank you notes were received: from Carroll County Humane Society for the donation in memory of Tracy Pinson Taylor, Donna Hodge family in memory of Tracy Pinson Taylor; from Mayor Jill Holland in appreciation for her and Rob Coad's invitation commemorating the 91st anniversary of the club's founding; from Gladys Patterson for the donation to the McKenzie Memorial Library in memory of her husband, Mr. Joe Patterson.

Under new business, Donna Ward reported that Mr. Barker from McKenzie elementary school had requested information on flowering plants that would thrive in front of the school. Mr. Barker had recently removed old shrubbery with plans to revitalize the area. A letter will be sent to Mr. Barker with suggestions and phone numbers to order plants.

Plans to add mulch and new plants to Triangle Park were discussed. A date will be announced later. Glynda Rich gave an informative program on the use of chemical vs. natural fertilizers. Chemical fertilizer and pesticides are known to cause birth defects, chronic disease and even death in many cases. Our environment is also interrupted with harm to birds, cats, honeybees and fish. During the Viet Nam war, exfoliants such as Agent Orange exposed thousands of soldiers. Even to the present day some servicemen are developing cancer and other chronic illnesses as a result of their exposure to this chemical. Handouts were distributed to members on ways to garden naturally.

Following the program, Happy Birthday was sung to those having birthdays in May, June and July. A motion was made and seconded to adjourn the meeting. Reading of the Collect was then done.

The next meeting will be August 24 at the home of Judy McCadams. Hostesses will be Judy and Myra Sasser.

Antique Tractor Show

BY JIM POTTS

The semi-annual West Tennessee Antique Engine and Tractor Show was Friday June 1, and Saturday, June 2 in the shaded park at the intersection of Hwy 79 and 70A where it has been held since 1985. The show routinely brings in early to mid-20th century farm tractors and implements along with mini-tractors and antique autos.

Humid temperatures and mostly clear skies greeted visitors to this year's event. There were plenty of tractors to see along with flea market items to browse and buy and of course anyone who brought an appetite was not disappointed with plenty of BBQ hot off the grill and cold drinks.

One such tractor one could see was a 1950 Massey-Harris Pony Tractor owned by Charles Jacobson. Jacobson is a long-time antique tractor enthusiast and owns 20 such tractors. He had this particular tractor for sale at the show.

Terry and Theresa Johnson of Newbern, Tenn., brought a set of 1950's McCormick International Harvester tractors of various sizes to the show. Of course, no tractor show would be complete without John Deere tractors of all sizes and shapes. There were John Deere mini-tractors, regular-sized tractors, and very large tractors, including a 1962 John Deere 3010 diesel tractor owned by Darrell Thomas of Brownsville.

The most unusual looking tractor was a 1948 Allis Chalmers G Cultivator owned by Robert Chandler of McKenzie. The tractor had no covers on it and one could see everything from the gears to the engine to the four cultivating blades at the bottom.

Event Coordinator Andy Bell said people come from all over to see the tractors while owners swap stories and sometimes swap tractors. Bell indicated it was not uncommon for tractors to be sold and traded at the show. "We encourage anyone with antique tractors and implements and even antique cars to come display what they have." Says Bell.

The fall show is October 12-13.

Rotarians Learn About Christian Care Center

McKENZIE (May 22) — McKenzie Rotary Club members heard about Christian Care Center, a new nursing and rehabilitation center in McKenzie. Tracy Pike told about the company purchasing the former Oak Manor Nursing Home last year when it was down to just four remaining residents. Christian Care Center plans to expand and add services for its residents and offer both private and semi-private rooms.

Pike said the number of residents continues to increase as more people learn about the facility and its activities for its residents.

Pictured are Amy Thompson, president of the McKenzie Rotary Club and Tracy Pike of Christian Care Center.

Beware of New Medicare Card Phone Scam

Tennessee Senior Medicare Patrol (SMP) has received several reports about a phone scam in which beneficiaries are told the caller is from "Medicare" and they will be getting a new Medicare card. This is true. Medicare is mailing new cards to all current Medicare beneficiaries from April 2018 through April 2019. But, the scammer is asking to confirm name, address, date of birth and Medicare claim number. This is a scam.

Medicare will never call you uninvited and ask you about your personal or private information for you to get your new Medicare card. Also, there is not a charge or fee for the new Medicare cards.

If you receive any such calls or suspicious solicitations, hang up and call the Tennessee Senior Medicare Patrol at 1-866-836-7677.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

'Shooting Hunger' Event is Thursday

The Tennessee Agriculture Feeding the Hungry community will be gathering in Carroll County on Thursday, June 7 for a Shooting Hunger event.

Shooting Hunger Sporting Clays Fun Shoot is 7:30 a.m. until 4 p.m. at the Carroll County Shooting Sports Park located at 680 McAdoo Cemetery Lane, Huntingdon.

The format is five-person teams shooting at multiple stations with an 8:30 a.m. or 1 p.m. start time.

The entry fee will include 50 targets on the course, lunch and a goody bag, plus provides eligibility for door prizes.

Options to shoot fun games for a chance to win a Traeger Smoker and other prizes will be available.

Corporate sponsorships are available and will be recognized through signage at the event and on the event website.

Registration and games will begin at 7:30 a.m.

Lunch will be served at 11:30 a.m.

Prizes will be awarded for the top three teams, top individual shooter and top youth shooter (under 18).

Mulligans will be available for purchase.

Shooters should bring their own shotgun, shells (7 1/2, 8 or 9 shot) and eye and ear protection.

These events have raised enough funds to provide over 600,000 meals for our neighbors in need in Middle and West Tennessee through the partnership of Second Harvest Food Bank and MidSouth Food Bank.

During this year's event, Ford (a title sponsor) will be hosting a Fill-A-Ford food drive to benefit our partner agencies in Carroll County. The Shooting Hunger team is asking for some help to kick this food drive off.

Bring canned food items to the Carroll County Mayor's office in Huntingdon by Wednesday, June 6 at Noon.

All food raised in the county will stay in the county to feed our seniors, families and children in need.
