Williams Furniture Hosts Retirement Sale, But Not Closing

McKENZIE (August 28) — For 42 years, Williams Furniture Company has operated in McKenzie. This week, Phil Williams said he is slowing down and finally following his doctor's directive to take life a bit easier.

The store, located in downtown McKenzie on Broadway, has massive amounts of inventory in the main store and many warehouses. Williams said he plans to sell much of that inventory and continue to operate on a smaller, less hectic scale.

I have really enjoyed my time and I thank my many customers through the years…I am 73 years old, it is time to slow down," said Williams.

He said he plans to continue serving his customers.

Williams lost his wife, Irene, last November. They had planned before her death to sell off some of the inventory, but never made the concerted effort. Now is the time with the retirement sale, said Williams.

Williams is the longest-service city mayor in Tennessee. He has served the City of McLemoresville for 42 years in that position and additional years prior as a councilman. He also preaches, performs weddings and funerals.

City Florist and More Holds Grand Opening

McKENZIE (August 16) — The new location of City Florist and More was filled with well-wishers on Saturday, August 25 for the grand opening celebration. Attending the event were County Mayor Kenny McBride, McKenzie Mayor Jill Holland, Carroll County Chamber of Commerce President Brad Hurley, family members, and friends. Brother Kevin Wood offered a prayer prior to the ribbon cutting.

The special event was during McKenzie's annual Fried and Sweet Tea Festival.

David and Michele Jarrett purchased City Florist, located on Waldren Street, and are relocating the business to the new location, behind Edwards Jones Investments.

The Jarretts have completed remodeled the former Ford dealership and made spacious room for the floral business and seating for the coffee and cake business.

Mindy McCallum and David Jarrett are trained baristas and Andrea McReynolds has added a display cabinet for purchase of her pastries from Ginger Baby Cakery. The coffee bar will offer lattes, hot chocolate, macchiato, mocha, iced mocha, cappuccino, teas, drip coffee and specialty coffee.

Violet Patterson, former owner of City Florist, continues to manage the full-service floral business with the assistance of Kim Chapman and Sherry Epperson.

David recently retired from the U.S. Army/National Guard with 30 years of full-time service. He retired with the rank of master sergeant, the same as his dad. He was headquartered in Jackson with the 194th Engineer Brigade. He completed two tours of duty in Iraq and Kuwait.

Michele will continue to work with the Social Security Administration in Paris. They have three children, Morgan, Zach, and Evan.

MACEDONIA (August 20) — The Macedonia Fire Department is one step closer to having a new firehouse, thanks to contributions big and small from the community.

Concrete was poured Monday for the foundation, and construction on the building will begin as soon as possible.

In an interview with The Banner, Chief Brady Jackson explained that the older firehouse had major structural issues and was beyond repair. The department moved to a temporary building in the Hico community, which it will retain as a satellite station.

Chief Jackson said that funds for the project were acquired through community support. The fire department worked closely with the Macedonia Community Center in fundraising efforts.

Ground was broken last month on property adjacent to the community center, donated by J.C. and Melinda Popplewell. Labor, equipment and materials were donated by White Farms for the dirt work and by Tosh Farms for the concrete foundation.

Construction will be done by members of the community with a big assist from A&W Leasing, whose owner Anthony Moore is the former Macedonia fire chief.

Jackson estimates that the building will be completed in five to six months.

Fundraising continues with a BBQ dinner on Saturday, September 22 beginning at 10 a.m. at the community center.

Director of Nashville Songwriters Association Speaks in Paris

PARIS (August 23) — Bart Herbison, executive director of the Nashville Songwriters Association International, was the featured speaker at the Paris Rotary Club on Thursday, August 23.

Herbison is a graduate of Henry County High School and worked 14 years in local radio.

He attributed his career in radio to winning a 4-H speaking contest and delivering his speech at the Paris Rotary Club in 1973 or 74. He worked with WMUF Radio, owned by Gary Benton.

Herbison served in the communications departments for House Speaker Ned McWherther and later Governor McWherter, and Congressman Cooper. State Representative Don Ridgeway made the introduction to McWherter. Herbison said Ridgeway was his champion.

McWherter asked Herbison to help with the music jingle for the campaign. Herbison wrote the words and Byron Gallimore of Puryear created the jingle and laid down the music. Gallimore is now a highly successful music producer. His artists include Tim McGraw and Faith Hill.

When Herbison worked for Congressman Bob Clement his area of concentration was in the area of music, which led to his association with the Nashville Songwriters Association.

The association is working with Congress to pass the Music Modernization Act to assure songwriters are adequately compensated for their work. Herbison said the legislation has been on Capitol Hill for 13 years and is now close to passage.

BY JOEL WASHBURN

McKENZIE (August 24) — Football fans from McKenzie and West Carroll stood in support as Petty Officer Marshawnda Fuller surprised her younger brother during the pre-game coin toss.

As the team co-captains of the McKenzie Rebels and the West Carroll War Eagles made their way to mid-field for the coin toss, Sailor Fuller followed, unbeknown to her brother, Trey Fuller, #5, a co-captain for West Carroll. She walked immediately behind the co-captains.

Public address announcer Larry Joe Smith announced he welcomed Petty Officer Fuller home after a three-year deployment. Her brother turned to find his older sister standing immediately behind him.

He lifted her from her feet and gave her a hug.

Petty Officer Fuller told The Banner she had been served on the USS Ronald Reagan aircraft carrier. The West Carroll graduate said she recently re-enlisted for six years. The McLemoresville resident said she returned home on Friday on a surprise visit.

During halftime, the officiating staff invited her to join them for photographs. As she walked to the locker room, fans from both sides personally offered their thanks for her service in the military.

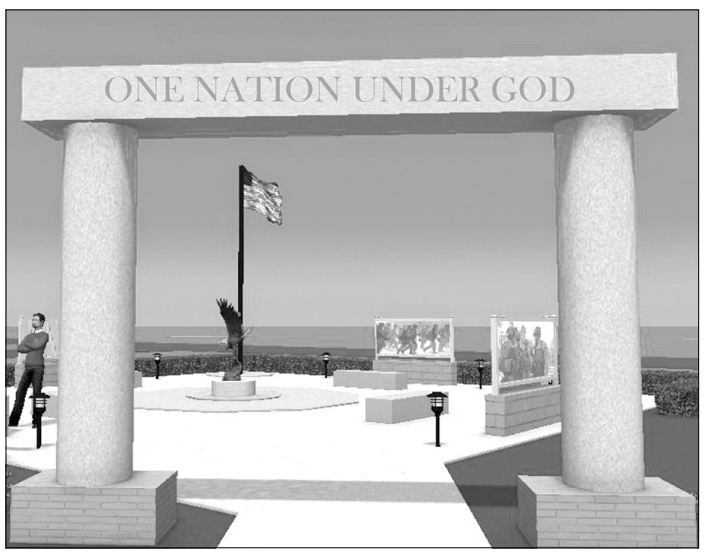
Christian Care Center of McKenzie Set For One Million Dollar Renovation Project

Another One Million Also Earmarked For New Additions



Exciting times are in store for a local skilled nursing and rehabilitation center, and with it the people in the region the facility is pleased to serve. Christian Care Center of McKenzie is about to begin series of renovations and additions, with a total price tag of some two million dollars.

"We're thrilled to begin," says Cindy Bruton, executive director and chief operating officer at the 66-bed facility, which offers both short-term rehabilitation therapy services, and long-term care. "We look forward to providing care and services during this wonderful time of expansion, and then move forward into the future with our brand-new look!"

Topping the renovations is an expanded 1100-square-foot state-of-the-art rehabilitation therapy gymnasium which will serve short-term rehab clients and long-term care residents, plus folks in the general area on an out-patient basis too. New furniture and beds for residents are scheduled, plus an updated spa-shower area as well. Residents will also enjoy more usable space inside the building. The beauty and barber shop are scheduled for a makeover too. The facility itself, and the grounds, will soon take on a unique look featuring a new main entrance with covered parkway and a new front lobby. Also in the works is a chapel, plus a resurfaced and freshly striped parking lot. In addition, there is to be a renovated courtyard with a gazeebo for the residents and families to enjoy.

"Among our new additions is a very special gift to the community," states Ms. Bruton. "It's a Veteran's Memorial Complex, our way of saying thanks to the men and women in the region who have bravely and unselfishly served our country!"

To be located on the grounds of Christian Care Center of McKenzie, the modern 1,000 square foot veteran's complex will feature a magnificent stone arch that greets visitors. A bronze eagle, a photo gallery of our heroes in uniform, and the American flag waving in all its glory will be among the dramatic sights. The mottos from all branches of the service will also be prominently displayed.

"Once completed this hallowed area is destined to be one of the showplaces in the region," mentions Cindy Bruton. "We're so proud to announce our plans for its creation, and look forward to welcoming everyone to come by, enjoy the seating we'll provide, walk around, and reflect."

For now, it is business as usual as the new Christian Care Center of McKenzie begins to take shape. Facility staff will provide services for local residents, with an eye towards an exhilarating tomorrow. Possible Warehouse in Bruceton Granted PILOT Tax Forgiveness

BY JOEL WASHBURN
washburn@mckenziebanner.com

HUNTINGDON (August 23) — Up to 40 jobs over five years could be coming to Bruceton to fill the vacant Purity Food building, first built in the 1990s for the distribution center for the HIS company.

In a brief meeting at the Carroll County Chamber of Commerce, the Carroll County Industrial Board unanimously approved the payment in lieu of taxes (PILOT) arrangement for the company with fixed property tax payments over seven years of $17,982 annually divided as follows: County of Carroll $5,335, Town of Bruceton $7,564, and Hollow Rock-Bruceton Special School District $5,083. The plan calls for a forgiveness of ad valorem taxes for a seven-year period.

The company will also pay all taxes in arrears amounting to approximately $100,000, according to Hurley.

Brad Hurley, president of the Carroll County Chamber of Commerce, said the issuance of a PILOT is one of the many steps to land the company, which will operate a warehouse and distribution center and pay an average of $18 hourly plus benefits. He said the business model can be adversely affected by tariffs.

While neither the name of the company nor its products were revealed, Hurley did say it is a domestic company with operations in Nevada and Ohio.

A timeline of numbers of jobs is: 1st year 10 jobs, 2nd year 20 jobs, 3rd year 30 jobs, 4th year 35 jobs, and years 5 to 7 40 jobs total.

Robert Keeton, III, mayor of Bruceton, David Duncan, director of schools at Hollow Rock-Bruceton, and Kenny McBride, mayor of the County of Carroll all agreed that an influx of jobs and the filling of a vacant building is good news.

Making the motion was Jerry Drewry and seconded by Joe Smothers. Voting in favor were Lynn Compton, Drewry, Smothers, Don Reed and Danny Brawner. Lynn Compton served as chairman of the meeting.

This was the first meeting of the board since 2012.

McKenzie School Board to Meet

On the agenda are: amendments to the budget, consideration of amendments to policies on background investigations, attendance, and corporal punishment, all on second reading.

HUNKER DOWN WITH KES

If The Class Of '65 Had Been In Charge...

Oh drats! They called off the parade. I was looking so forward to it. I've never seen a ninety-two million dollar parade! But can you just imagine! They must have been planning on giving away F-22s to the first five hundred adults that lined Pennsylvania Avenue.

I pictured gold sequined tanks and brightly painted nuclear warheads. Surely there would have been floats depicting the charge up San Juan Hill, General Pershing landing in France and our guys storming across the bridge at Remagen. And, if we were lucky, the whole parade would be led by an authentic American Revolution drum and fife corps.

I was hoping to see a genuine biplane from the First World War buzzing overhead. And maybe some left over P-38s from World War II. And I believe the Memphis Belle is operational. Listen, for the money they were planning to spend we could bring back every plane that ever flew a combat mission!

Instead of those little pieces of hard rock candy, Lieutenant Colonels on the last float could be tossing out thousand dollar bills. It would be worth traveling to Washington to see the Intercontinental Ballistic Missiles being fired off the railcars.

This parade was going to out Macy Macy!

For ninety-two million dollars every single member of every branch of our military must certainly be required to march in this thing. While the Marine Band lined up on K Street, the 101st Airborne would be assembling across the river in Arlington. It was a Veterans Day Parade that stood a good chance of stretching into Thanksgiving! One knowledgeable old timer "Inside the Beltway" proposed it would be a lot easier to seat all the parade participants in the grandstands...and let every citizen in America march by!

I'm not sure if the cease and desist order came from the Pentagon, White House or the New York Times.

Somebody sure called it off. And if the exit polls reveal canceling it was a good idea, they will all leap immediately into the "take credit" line. If it turns out the other way, we will never hear the end of the finger pointing and acrimonious rhetoric.

Any parade to honor our Veterans is a good idea. There is no debating that. I'm just not sure if this one would have been cost effective. And, to be perfectly honest, we have the only government in the history of mankind that could think up a way to spend ninety-two million on one single solitary parade.

I bet you Burundi couldn't do that.

The only parade I ever took part in was at Homecoming back in high school. In light of this 2018 rolling pageant revelation, I'm embarrassed to tell you what our projected cash layout was. But I will admit it was a tad under 92 million.

Mr. John Charles Sasser loaned us his flatbed wagon for nothing. And when our class finance committee came back with the cost of chicken wire, Billie Ruth Kirksey remembered there was an old pile of the stuff out behind their barn. We scrounged up every piece of used lumber in town and stuffed red, white and blue napkins in the wire until they covered up the rust.

We absconded with cardboard from that big trash pile beside Junior's J&J grocery. Every class member was encouraged to bring any color paint they could beg, borrow or steal from home. It was safe to say we put more ingenuity than money in this project. We traded S&H Green Stamps for eleven boxes of napkins and some glue for the paper mache horse we hoped Diana Morris and LaRenda Bradfield could build.

We were going with a "Tame the Mustangs" theme but we couldn't come up with any brown paint. The Huntingdon High School mascot had a definite psychedelic look surrounded by three McKenzie Rebels meaning to "do him in" as the parade started up Stonewall Street. All of the judges agreed we could have finished a lot higher than fourth place if two of our Rebels hadn't fallen off when the float turned that curve in front of Raymond White's service station.

I figure we don't need a big expensive parade today to remind us of what we owe to every American Veteran that has ever suited up on our behalf. Maybe we all could find some old chicken wire and a few pieces of lumber and build them a tribute in our front yards.

And maybe our government could take some of the ninety-two million they saved on this parade...and share it with the needy Veterans out there.

Respectfully,
Kes

McKenzie High School Golfers Continue to Earn Accolades

The Rebel golf teams traveled to Dyersburg Monday, August 20, to play in the Dyersburg Invitational at The Farms golf course against several teams, many of which were larger schools than McKenzie. Medals were presented to the top two teams and the top four individuals not on one of the top two teams. The teams competed in windy and sometimes rainy conditions throughout the course of the day.

The ladies finished third behind tournament co-champions USJ and region foe Milan, losing to each by only four strokes, while defeating four teams. Maggie Glass shot a 79, finishing with a birdie that propelled her to a third place individual finish based on scores of players not on the top two teams. Mallory Cole and Julie French each shot 94, completing the 173 team total. Whitley Smith shot a 95, continuing her improved play this season.

The gentlemen faced 12 other schools and went 11-1 in claiming the tournament's second place finish, losing to USJ while defeating third place Covington by a mere one stroke. Senior Will

Another week, another cross-county rivalry game for the Rebels as they played host to the West Carroll War Eagles, Friday night, in what would be a close contest that carried into overtime. Prior to the game during the cointoss, one of the West Carroll captains, quarterback Trace Fuller got a nice surprise with his sister, Marshawnda Fuller, returning home from active duty. (see related story elsewhere in the paper.)

West Carroll, coming off a close win over Bruceton in their opener, took the ball first and started slashing at McKenzie's defense with double digit yardage runs mainly by Jarrius Weatherford and P.J. Odom. Odom scored the first points on a 14-yard scoring run with 10:32 left in the first quarter. They missed the extra point leaving the score 6-0 in favor of the War Eagles.

McKenzie had difficulties getting their offense moving punting the ball on their first three possessions while the Rebel "D" kept West Carroll from scoring again the remainder of the first quarter.

The second quarter opened with the Rebels having possession following a West Carroll punt, The War Eagle defense forced McKenzie into a 4th and 12 situation at their own 35 and blocked Larson King's punt attempt. War Eagle freshman Jack Barrow recovered the punt and ran the ball inside McKenzie's 20 yard line. West Carroll went five plays and scored on a 2-yard run by quarterback Trace Fuller. This time the extra point attempt by Devin Nash was good for a 13-0 West Carroll lead.

McKenzie continued to have offensive problems for the remainder of the half swapping possessions with the War Eagles for the remainder of the half with the 13-0 West Carroll lead holding up at halftime.

Mustangs Outgun Tigers in Shootout, 63-42

HUNTINGDON (August 24) — The Mustangs' home opener Friday against the Waverly Tigers began as a Huntingdon rout but turned into a shootout.

The Tigers never pulled closer than 14 points but kept it interesting until the final minutes by swapping blows with the Mustangs down the stretch. The two fast-pace offenses, led by Mustang junior Hunter Ensley in his first year as starting quarterback and the Tigers' reigning Class 2A Mr. Football Gavin Stanfield, lit up the scoreboard for a 105 total points, but it was Huntingdon that claimed a 63-42 victory in front of the home crowd.

Prior to the game, a moment of silence was observed in honor of James Arthur Harris, a Huntingdon High School athlete and 1976 graduate, a National Guardsman, an HPD officer, a DARE officer and the Chief of Security for Bethel University for 13 years up until his death on Thursday at age 60.

Waverly received the opening kickoff and Stanfield completed two quick passes for a first down. The drive stalled there and the Tigers punted.

The Mustangs began their first possession at their own 25. A carry by Konnor Pearson lost three yards, then Ensley threw from deep in the backfield to Pearson for nine. Next, Ensley found Kelby Pearson open for a 47-yard reception. Brandon Lawton capped the drive with a 22-yard touchdown run. Cole Edwards split the uprights on the PAT for an early 7-0 Huntingdon lead.

Edwards then kicked deep to Waverly. Tiger J.D. Nixon made a long return to midfield, but a penalty forced the Tigers to start at the 13. Stanfield led the no-huddle offense on an ten-play drive that ended with the quarterback scrambling on fourth-and-six at the Huntingdon 22 before taking a sack for a 17-yard loss from Mustangs Sebastian Kee and Austin Avery.

Mustang Daquon Robinson got the first handoff and took it 61 yards for a touchdown. An Edwards PAT made it 14-0 with just under six minutes to play in the opening frame.

The Huntingdon defense forced a three-and-out, and

Cats Stun Number Two Reinhardt as Dearmon Wins Debut

McKENZIE (August 23) — Not many people outside the immediate Bethel University football family gave the Wildcats much of chance to beat the No. 2 Reinhardt Eagles Thursday night at Wildcat Stadium in McKenzie. In the end, the Cats shocked the Eagles 31-21. A huge crowd had gathered under the lights at Wildcat Stadium for the first time on a Thursday since 2010.

Former Bethel great Brent Dearmon who helped lead Bethel to glory as a quarterback won his first game as a collegiate head coach as his Wildcats as he described it, "Won the game with explosive plays."

After a swing pass behind the line of scrimmage was recovered by Reinhardt's Quincy Standifer the Eagles capitalized with a three-play 13-yard drive capped off by a three-yard score by Andy Whisenant at the 12:02 mark. The

Waverly's punt sailed out of bounds at the Mustang 41. Ensley kept the first snap for 16 yards across midfield, then kept again for a 43-yard touchdown. After the point-after kick, Huntingdon led 21-0.

Dixon scooped up the ensuing kickoff near the 5 yard line and returned it to the 41. The Mustangs were flagged for pass interference on consecutive plays, then Stanfield completed passes to Colton Cochran for 15 yards and to Dixon for a five-yard touchdown. A good kick closed the gap to 21-7 with just over three minutes on the first-quarter clock.

Lawton returned a deep kick to the Mustang 42. Robinson was held to short gains on consecutive carries, then Ensley threw to Austin Baker for a 55-yard touchdown. Edwards' PAT upped the Huntingdon lead to 28-7.

Edwards made another strong kickoff, but Montez Bradley returned it to near midfield. Stanfield was sacked on consecutive plays, first by Bo McLemore and Daniel Sullenger and then by McLemore solo. On third-and-long, Stanfield found Brian Dodd, but for only five yards as the first quarter finally ended. Dixon's punt on the first play of the second was downed at the Mustang 27.

Ensley wasted no time, taking the first snap 73 yards to paydirt. After the kick, Huntingdon's lead had grown to 35-7.

Edwards made his strongest kickoff of the game for a touchback. Bradley was stopped for no gain, then Stanfield took over, earning four consecutive first downs on two scrambling runs and two passes. Bradley took it the final three yards for the score. The PAT cut Waverly's deficit to 35-14.

The Mustangs managed one first down before the drive stalled. Dallas Willis made a flawless punt from the 50 which came to rest at the Tiger 1.

Stanfield threw incomplete twice from the end zone under heavy pressure, then scrambled on third down for eleven yards and a fresh set of downs in safer territory. He then completed to Dixon twice to get to the 40. Sullenger sacked Stanfield for a ten-yard loss, then the QB threw to Bradley. Bradley reached the end zone after the catch, but a penalty negated the score. On second-and-long, Stanfield was dropped in the backfield again, this time by Kee. After a short pass to Dixon, the Tigers punted.

Starting at the Huntingdon 45, Ensley threw to Konnor Pearson for 27, but the drive stalled and ended with a fourth-down fumble recovered by Waverly.

Stanfield threw incomplete, leaving just 4.4 seconds until halftime. Bradley made a long run, but was stopped after time expired. At the half, the Mustangs led 35-14.

Huntingdon received the second-half kickoff and began at the 36. Lawton gained 30, then Ensley kept for three. Lawton added another two yards, then Ensley threw under pressure to Kelby Pearson for 20 yards to the 9. Lawton carried for five, then took it the final four yards into the end zone. Edwards kicked to give the Mustangs their biggest lead of the night at 42-14 with 8:33 left in the third.

Edwards' kickoff was caught at the 1 by Dixon, who went the distance on the return. The point-after attempt failed, and the Huntingdon lead was 42-20.

The Mustangs went three-and-out on the next possession. Willis' punt went out of bounds at the Waverly 46.

Bradley ran twice to cross midfield and move the chains. After an incomplete pass, Stanfield's next throw was caught by Dixon. A pass interference penalty added extra yards, but Waverly committed back-to-back false starts to cede ten yards. Stanfield threw to Dodd for ten, then kept for a 29-yard touchdown. The quarterback kept again to convert for two points and cut the Tiger deficit to 42-28 with five minutes remaining in the third quarter.

A short kick started Huntingdon at the Waverly 48. Konnor Pearson ran twice for a first down, Ensley gained five and Robinson carried for a pair. Ensley kept for a first down at the 16, then made a toss under pressure to Kelby Pearson for a touchdown. The PAT made it 49-28 with two minutes left in the third.

Waverly answered with a 72-yard drive capped by a 34-yard pass from Stanfield to Dixon. After the kick, the Mustang lead was 49-35 with seconds left in the third.

The Tigers' onside kick attempt was smothered by McLemore, and Konnor Pearson made a short gain to wrap up the quarter. Ensley started the final frame with a short gain, then threw to Konnor Pearson for 24 and a first down. A penalty on the next play set Huntingdon back, but Ensley ran to the 3. He kept again and punched it in for six points. The PAT gave the Mustangs a 56-35 lead with just under ten to play.

The Tigers again responded, going 81 yards on three plays in less than a minute, and again it was Stanfield throwing to Dixon for the score. A good kick cut Huntingdon's lead to 56-42.

Huntingdon looked to kill the clock with a ground-and-pound attack, but Waverly held the offense to one first down and forced a punt.

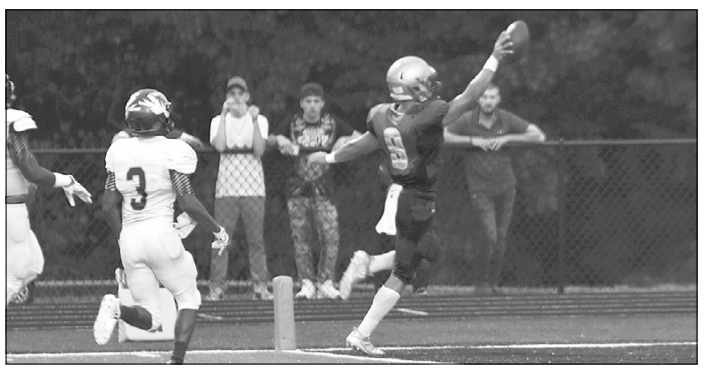
Starting at the 19, Stanfield was flagged for intentional grounding to move the ball back to the 6. The Mustang defense pressured him into consecutive incomplete passes from the end zone, and, on fourth-and-long, the quarterback scrambled to the outside. He gained just eight to turn the ball over, with Konnor Pearson on the stop.

The Tiger defense didn't roll over despite Huntingdon taking over at the 14. After being stopped twice at the line of scrimmage, Ensley finally gained seven on third down. On fourth-and-three, he kept again for an eight-yard touchdown. Edwards completed a perfect night on PATs, and the Mustangs led 63-42 with just under two minutes remaining.

Huntingdon made a bouncing kick, then forced a three-and-out capped by a McLemore sack for a 17-yard loss.

After the Waverly punt, Ensley took a knee in victory formation to claim the 63-42 win.

The Mustangs move to 2-0 with the victory and will begin Region 6A play on the road Friday against Hollow Rock-Bruceton at 7 p.m.



Top, Mustang Brandon Lawton brushes off a Waverly defender en route to a 22-yard touchdown, Huntingdon's first of many and Lawton's first of two on the night. Rebels

...From Sports Front

McKenzie came out after halftime and scored touchdowns on three straight possessions to take the lead in the contest.

The Rebels received the second half kickoff with Wes Cook running it back to the McKenzie 39 yard line. McKenzie began a long drive mixing up short passes and hard by Eli Surber and Joseph Miller that resulted in McKenzie's first score with Surber scoring from 2-yards out with 7:16 left in the third quarter. The extra point was no good making the score 13-6.

West Carroll had to punt their next possession after penalties killed the drive. McKenzie went right back to work from their own 30 yard line. After a no-gain play, quarterback Eli Surber hit Tyler Spivey for a 70-yard touchdown with 5:13 left in the third quarter. Diego Calderon nailed the extra point to tie the game 13-13.

Penalties and a fumble killed the next War Eagle possession forcing a punt from West Carroll's 23 yard line. After a short punt, McKenzie got the ball at West Carroll's 47 yard line. After two rushes, Eli Surber found DaShun Woodson open in the middle of the field for a 44-yard touchdown pass. The extra point was no good giving the Rebels their first lead at 19-13 with 1:02 left in the third quarter.

The War Eagles next possession carried over into the fourth quarter with P.J. Odom scoring a touchdown on a fourth down play that got called back on a holding penalty. West Carroll had to punt it back to the Rebels following the penalty.

After a short McKenzie possession, West Carroll's Shae Crocker ran the punt back deep into Rebel territory setting up the War Eagle offense at McKenzie's 26 yard line. P.J Odom scored his second touchdown of the night four plays later on a 6-yard run into the end-zone.McKenzie's Stephone Haynes blocked the extra point leaving the score tied 19-19 with 6:21 to play in the game.

Following the kickoff, a holding penalty put West Carroll in a long yardage situation and they went for it on a 4th and 6 play with the pass falling incomplete. McKenzie took over on downs with 2:20 left in the game and moved the ball down to the War Eagle 25 where Diego Calderon attempted a 42-yard field goal that would have won the contest but went just barely right and missed. The War Eagles took a knee and ran the clock out.

In overtime, West Carroll won the toss and opted to defend so McKenzie took the ball first. The Rebels didn't get far in three plays and attempted another field goal for the lead which missed due to a bad snap. On first down War Eagle quarterback Trace Fuller kept the ball and went around the right side and scored the winning touchdown giving West Carroll a 25-19 win.

West Carroll improves to 2-0 on the season for the first time since 2009 and will face Humboldt this week. McKenzie falls to 0-2 with a week off before they begin September with four straight road trips starting with a trip to Scotts Hill on September 7.

Cats

...From Sports Front

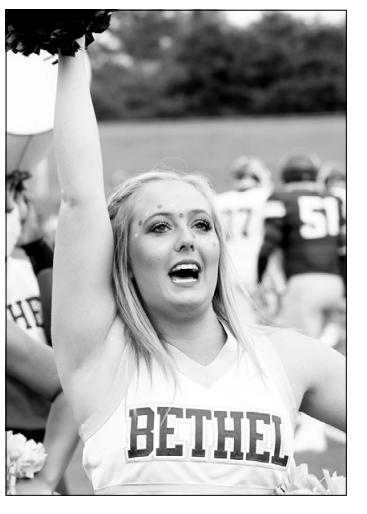
Eagles led 6-0. Nick Marquez's PAT made it 7-0.

Bethel regrouped and drove down the field but failed to get any points after being stopped short on a fourth down attempt inside the five. Two plays later however, the Wildcats would snatch the momentum back after Tito Hunter intercepted an Eagle pass. The Cats set up shop at the RU ten-yard line. Quarterback Sam Castronova broke several tackles and scored from twelve yards out. Dalton McCann's point after tied the game at 7-7.

The Wildcats would score three minutes later on a 58-yard punt return by J' Kobi Reddick. They would strike again at the 2:27 mark of the first stanza on a 71-yard touchdown run by De'Ontay Tate to push the lead to 21-7.

Reinhardt's Montralius Mosely and Nick Harris scored second quarter touchdowns and Bethel's lead was shaved to 24-21. The Eagles even had a chance to tie the score going into the locker room, but a 43-yard field goal by Marquez hit the right upright and the teams went to the break at 24-21.

Defense was the standard for both teams in the second half. The only score was a two-yard



touchdown pass by Bethel's Nolan Chowbay to Devante Jimenez at the 10:38 mark of the third quarter. The Cats led 31-21. The score proved to be all the Wildcats would need to capture a remarkable win. Freshman Jaylon Dorsey picked off a RU pass to seal the deal for the Wildcats.

The victory was the second ever by the Wildcats over a top-five ranked team. They beat No. 1 ranked Georgetown in the 2012 NAIA playoffs. Bethel fans will always remember Jahron Reynolds returning a kick-off on his birthday for 92-yards and a touchdown with just 13 seconds left in the contest.

Tate led Bethel with 153 rushing yards. Mosely led RU with 104 yards on the ground. Despite having 30 less snaps in the game Bethel had a 377-326 advantage in total yards. The Eagles had 84 snaps on offense.

Jeremy Beaulieu led the Cats with 13 total tackles. Newcomer David Miller followed with 11. Keyshawn Brummett and Eriq Hicks had big efforts on the defensive line with nine and eight stops respectively.

It was Bethel's first victory ever over Reinhardt. RU had won the previous five games in the series.

Coach Dearmon was ecstatic following the victory. "I am so proud of these guys for the way they never gave up. We never hung our heads or pointed blame fingers at each other. They just kept chopping. Explosive plays were big for us and a big difference in the contest. Our offense put our defense in some tough situations but they just kept coming through for us. The community and school have been so very good to us and for us to win this game for them is a dream come true. Personally, it is so good to be back home."

In his post-game radio interview Coach Dearmon, his staff and players dedicated the win to Bethel Chief of Security James Harris who passed away suddenly Wednesday night.

The Wildcats have an open date next week before traveling to Pikeville on September 6 to battle the Bears.

McKenzie Police Reports

Aggravated Burglary/Aggravated Assault/Aggravated Kidnapping — A McKenzie man was arrested early Friday morning, August 24, after McKenzie Police received a 911 call from Jessica Rhoades of McKenzie regarding a break-in at a Kay Street Residence.

According to the report filed by Officer Cody Coleman, He and Officer Mark Boaz responded to the call and found the home owner, Wilfredo Rivera, standing in the front door of his residence. He told officers he wanted the people out of his home. The officers went into the home and found a male, Cassius Jordan of Mckenzie sitting on one of the couches and another female sitting on another couch.

They located Rhoades in the back of the house and got a statement from her. She told officers that Jordan was trying to rob Mr. Rivera and Jordan told her if she didn't help him that he would smother Mr. Rivera and beat up the other female in the living room.

Jordan was then detained and placed in a police car while investigation continued. The other female was identified as Starla Mason-Stewart who advised officers that Jordan choked her to the point she couldn't breath. Officers did observe minor cuts and bruises on her throat. Photos were taken of her injuries.

Rhoades indicated that Jordan had come to the house earlier in the evening uninvited and asked her to take him to the store. It was on the way back that he advised her she was going to help him rob Rivera and if she didn't he was going to kill him and knock Ms. Stewart out. When they got back the two were asleep and Jordan was demanding her get him a couple hundred dollars. She told officers that's when she went to the back of the residence and called 911.

Jordan was arrested and charged with aggravated burglary, aggravated assault, and aggravated kidnapping. He was transported to Carroll County Jail.

Assault/Driving on Revoked License — Sunday night, August 26, Police responded to a 911 call regarding an assault at a Main Street residence. Officers Cody Coleman, Mark Boaz and Trey Boucher, responded to the incident and found two females arguing next to a vehicle in a driveway. Whitney Kirkpatrick of McKenzie told police that two females pulled up while she was sitting outside and charged at her. According to the report filed by Coleman, Kirkpatrick ran away and called 911. Ms. Kirkpatrick's grandfather, Edward Brinkley, was sitting in the driveway and witnessed the incident and confirmed Kirkpatrick's statement to officers.

Kenjah Edmonson, and Danika Edmonson, both of McKenzie, told officers that the argument was over Facebook comments. Both women were cited into Carroll County General Sessions Court for assault and Kenjah was additionally cited for driving on a revoked license.

Dog Attack — McKenzie Hospital contacted police Wednesday morning, August 22, regarding a patient they had in the ER that had been attacked by a dog. Police interviewed Brandon Leach, of Henry, who told police that he was walking near Walnut Avenue when a large black dog jumped on him and knocked him down causing injuries to his elbow and forearm. Leach told officers he did not wish to press charges on the dog's owner.

According to a report by Officer Kyle Beauchamp, he requested a routine warrant check on Leach due to prior dealings with him and learned he had 4 active mitimuses out of Carroll County. Leach was placed under arrest after being released from the hospital.

Leaving Scene of Accident/Failure to Report — Ms. Jeanne Neary, of Enville, Tenn. reported to McKenzie police Saturday evening, August 21, that she was in Old West Steakhouse when an unidentified man told her that someone had backed into her vehicle and driven off. The man had written down the tag number and given it to her but left before police arrived. The tag number was traced to Mr. Donald Adams of Madisonville, Kentucky. He was contacted and admitted he did back into the car but didn't think there was any damage so he left the scene without notifying Ms. Neary or police. Adams was cited for leaving the scene of an accident and failure to report an accident.

Shoplifting — On Monday morning, August 23, Officer Jeremiah Brooks responded to a theft call from Little General. According to Brook's report, Asst. Manager April Pierce advised two white males came into the store and made purchases. Pierce and Officer Brooks looked at video and one of the males was observed taking a Honey-Bun without paying for it. After identifying and locating the men, Mr. Jesse Garcia was cited into court for theft of merchandise under $1,000.

Vandalism — Steven Priddy of McKenzie contacted police on Friday, August 24, that someone had shot out the driver side passenger window on his SUV. He told police he thought someone had shot it with a BB gun. He thought the damage could be repaired for about $60. Officer Jasmin Burgess told Priddy that extra patrols would be performed in the area.

Carroll County Sheriff's Reports

Animal at Large — A Lavinia man was cited into court August 20. Deputy Frank McGee charged Barry Don Moore, 29, of 2674 Highway 220 with having an animal running at large. According to McGee's report, Moore's neighbor reported that Moore's dog bit her daughter's finger and her son's service dog, drawing a small amount of blood on the dog.

Driving on Suspended — A Hollow Rock man was cited into court August 20. Deputy Dennis Adkins charged Dallas Brooks Kennedy, 19, with driving on suspended #1. According to Adkins, deputies received information that Kennedy had warrants for his arrest out of Madison County and was driving a Silver Nissan on Highway 70. Deputies performed a traffic stop on Kennedy. Adkins confirmed the warrant and that Kennedy's license was suspended.

Golfers

...From Sports Front

McBride led the Rebel runner-up tournament effort with an 82, followed by sophomore Logan Green with an 83. Johnathan Moore's 84 and Ben Austin's 86 completed the scoring to produce the 335 team total.

Coach Larry Joe Smith was extremely pleased with both team's performances today. He referenced Maggie's 79 and the 94 by both Cole and French on a tough course. He also noted Whitley Smith's 95 being good on a course she'd never played.

Smith was excited about Will McBride and Logan Green stepping up their games to lead the gentlemen, noting Will's comeback on the back nine with a 38 after shooting 44 on the front. Ben Austin also improved his score on the back with a 39, after a front nine 47, which was also pleasing to Coach Smith.

The Rebel golf teams hosted Bradford, Clarksburg, Huntingdon and West Carroll at Carroll Lake Golf Club Tuesday, August 21.

The ladies were victorious over Huntingdon, Bradford and Clarksburg. Maggie Glass led the ladies with a one over par 36, with both Juleyanne Weatherford and Mallory Cole shooting 42 for the 78 team total. Whitley Smith shot her second best round of the season with a 46, while senior Olivia Wright and freshman Jaden Tucker shot their best rounds of the season with a 47 and 55, respectively.

The gentlemen posted wins over county rivals Huntingdon and West Carroll. Johnathan Moore led the charge with an even par 35 while Nathan Nanney added a three over par 38. Ben Austin and Logan Green rounded out the Rebel scoring with a 40 and 42 for the 155 team total.

Coach Smith was happy with what he referred to as "recovery wins," following the long day at Dyersburg yesterday. He shared the feelings of joy and excitement with his second-year players Smith and Wright shooting well in addition to Weatherford's low round and Tucker's improved play. He also referenced the solid play of the gentlemen with the two rounds under 40.

The teams traveled to Magic Valley Golf Club in Camden on Thursday, August 23, where the women faced Henry County and the gentleman faced both Camden and Henry County to start the second half of their 14-match season.

Like the match at Milan, Coach Smith had to designate the three ladies and five gentlemen whose scores would count in the match.

The ladies came up on the short end of the stick that day, falling to Henry County by two strokes. Maggie Glass led the ladies with a 41 while Julie French's 50 completed the ladies team score of 91. Juleyanne Weatherford shot a 45 in another good round for her.

The gentlemen needed an extra hole in their match to decide a winner as they were tied with Henry County, each with team totals of 171, having easily defeating Camden. Johnathan Moore led the Rebels with a 40. Ben Austin shot 41, with Logan Green and Will McBride each shooting 45. The two teams each played the 153 yard par three to start the playoff, with a format of the lowest four-man team total determining the winner. Henry County won the coin toss and elected for their four-man squad to play first. Once finished, they'd shot a combined three over par. The Rebels then took the tee box with an order off the tee of Moore, Austin, McBride and Green. Once they'd completed the hole, the Rebel men had shot an aggregate score of two over par to earn the one-stroke win.

Coach Smith was proud of both squads on a course that's been perennially tough for the Rebels. He was pleased with both Maggie's and Juleyanne's rounds and said the playoff pressure was good for the guys as postseason draws near.

The week's results now find the ladies at 16-5-1 with the gentlemen now standing at 30-1.

Next week's matches find the Rebel linksters at Poplar Meadows in Union City on Monday against the host Tornadoes and South Fulton and at Dyer on Thursday to face Trenton Peabody and Gibson County.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
