VETERANS HONORED

Veterans were the guests of honor.

McKenzie High School Holds Veterans Day Program

McKENZIE (November 11) — McKenzie High School Student Council hosted the annual Veterans Day program in the school's gymnasium on Monday, November 11. David Duncan was the featured speaker for the program, in which U.S. Military veterans were the special guests.

Duncan, of McKenzie, is a retired lieutenant colonel in the U.S. Army. He is the director of schools at Hollow Rock-Bruceton and served as a coach and assistant principal at McKenzie High School for nine years and as principal at McKenzie Middle School for four years.

Duncan said he has 32 years of military

experience and grew up on military bases. His grandfather was a World War I veteran, his father, a WWII, Korean, and Vietnam veteran, and his son was a veteran of Iraq. All their dog tags hang in his office in Bruceston.

Duncan said veterans learned a code of discipline, learned about personal sacrifice and loyalty as part of the world's finest fighting force. The common thread of all veterans is they signed a blank check to expend their time, talents, and resources with the possibility of the ultimate sacrifice, their lives. They are required to separate themselves from their family and friends to live, work, sleep and train with their

fellow troops.

He said his fellow troops were some of the best people with whom to surround one's self. They are taught to work in challenging positions and solve great problems without personal gain.

In closing, Duncan urged the students to thank a veteran each and every day.

Drew Beeler, Student Council President opened the ceremony. Members of the Tennessee National Guard posted the colors. The McKenzie High School Band performed

WWII Veteran Odell Pate Honored at Greater Enon

McKENZIE (November 10) — Odell Pate, a World War II veteran, was honored by the congregation of Greater Enon Baptist Church on Sunday in honor of Veterans Day.

Pate is a resident of Lakeside Senior Living Community in McKenzie.

During the 11 a.m. Worship Service, each veteran was asked to come to the front of the sanctuary as the youth group pinned red, white and blue ribbons on their lapels.

Pate was honored separately with a plaque. Kim Webb read

the plaque's inscription and presented to Pate, a deacon in the church.

It read, "What we have done for ourselves alone dies with us; what we have done for others and the world remains and is immortal."

"Thank you for your loyal and honorable service to your state and country! You will always be remembered for your hard work, dedication and sacrifice during your service in the United State military."

ATWOOD (November 7) — West Carroll Junior/Senior High School hosted a Veterans Day program Thursday to honor the service of current and former military members.

Students and staff gathered in the gymnasium, then gave a long standing ovation as invited veterans entered and

took their seats of honor.

Hailey Stout welcomed all, then Abby Sacks led the Pledge of Allegiance. The West Carroll High School band performed the National Anthem.

Tylor Freeman then approached the Fallen Soldier Table and explained its symbolism of the fallen or missing soldier: a small table, set for one, for the loneliness felt without them; a white table cloth, for the purity of their motives; a single red

rose, for the life of the fallen and the loved ones who keep the faith; a red ribbon tied around the vase, for the determination to remember; a slice of lemon, for the bitter fate of those who will never return; a pinch of salt, for the tears of the families; the Bible, for strength through faith; a glass, inverted, because they cannot toast; an empty chair; and a candle, for the light of hope.

The special guests, Vietnam Veterans of America Chapter

995 of Jackson, then came forward. Chapter Captain Tom Turner explained the significance of the 13 folds as other members of the honor guard folded the flag. He then noted that the flag had been draped over the bodies of over 1.3 million soldiers and implored everyone to respect it. The honor guard then performed the “Soldier’s Cross,” a battlefield ceremony in which a fallen soldier’s rifle, boots, dog tags and helmet are displayed as a makeshift memorial.

The band, joined by junior high members, performed the Armed Forces Medley, and veterans were invited to stand during the song of their respective branches.

Antonio Williams then read the name and branch of each veteran present, 27 total.

The band then performed the musical arrangement “Lincoln at Gettysburg” as Edward Humphries recited the Gettysburg Address.

Veterans were then invited to a brunch in the library.

Braxton Hobson Receives ‘Call Me Mister’ Scholarship

MCKENZIE (November 7) — Braxton Hobson, a senior at McKenzie High School, contracted with UT-Martin and the ‘Call Me Mister’ servant leadership program. Hobson is the first from McKenzie to participate in the new UT-Martin program.

It is available to Asians, Hispanics, and African-American students who earn a minimum on their ACT and agree to teach in Tennessee public school for each year of assistance provided by the ‘Call Me Mister’ program.

Braxton, whose mother is a teacher, said he is eager to help others. The 2020 MHS graduate earned 26 on his ACT, is the president of the Beta Club, and was voted as a superlative as Best Personality. He plans to

earn a degree in education for K-12. He is the son of Craig and Renee Hobson. He also plays piano at his church.

UT-M Co-directors Sam Tharpe and Austin Ferrell were in attendance at Braxton’s signing last Thursday at McKenzie High School. Braxton’s family and several MHS seniors attended the signing, held on the stage at McKenzie High School Theater.

The program is limited to 20 students at UT-Martin. The first class of five cohorts were signed in 2018. UTM MISTERS complete their program of study in teacher education by becoming certified to teach and assuming a teaching position in an under-served Tennessee public school.

Tharpe, a retired educator

who served as principal of Henry School and Grove in Paris, along with previously serving as mayor of Paris, said there is a major need for leadership in the schools by minorities in the northwest Tennessee area. UT-M is the lone school in Tennessee offering the program.

Tuition financial assistance is 25 percent for the first year, and 35, 50 and 70 percent respectively in years two through four. The scholarship pays 100 percent of the housing expense.

The recipient must teach one year in an elementary or middle school for each year of funds received through the program.

Braxton will attend training at Clemson University, the founding school, over the summer.

Firefighters battled the blaze while attempting to stay warm during the mid-20s temperatures.

McKenzie Police Department barricaded both ends of Woodrow to keep traffic away from firefighters.

Middle School students, arriving by bus or personal automobile, had to enter the school through an alternate entrance.

Football Cats Fall at Pikeville

PIKEVILLE, Ky. — The Bethel Wildcats fell behind 20-0 at Pikeville Saturday and despite a gallant comeback could never make up enough ground to beat the Bears, eventually losing 50-34. Big plays would be the theme of the contest played in the Mountains of the Commonwealth.

Bethel, behind an 89-yard kick-off return by J’Kobi Reddick and a strip sack 20-yard touchdown scamper by Vonte Bates pulled to within six at 20-14. The Bears added a score later and led at halftime 27-14.

Trailing by that same score in the third, Bethel’s Caleb Nelson scored on a reverse from three yards out and the Wildcats trailed 27-21. After the Bears scored to make it 34-21, the Cats showed heart again pulling to within 34-28 on a Christian Arrambyde

to Nelson 41 yard touchdown strike. Each score was backed up by a Rodrigo Campos perfect point after attempt. The Bears would add to their lead however with another score and despite an 84-yard touchdown pass from Arrambyde to Reddick the home team would eventually win 50-34.

Bethel ended up with more total yards at 384-253. They

had more rushing yards at 124-69. The Wildcats also had an advantage in passing yards at 260-184. Both teams had 16 first downs.

The Bears, like Bethel scored on several big plays in the game including a 99-yard plus interception return for a score. They also returned a kick-off for a score.

Reddick finished with three receptions for 102 yards. Jakobe Griffin led the Wildcat defense with 10 total tackles.

The Wildcats dropped to 4-6 and 1-5 in the MSC. The Bears improved to 5-4 and 4-2. Bethel leads the series 6-4.

West Carroll Board Extends Director's Contract

BY JIM POTTS

banner@mckenziebanner.com
©2019 Tri-County Pub. Inc.

ATWOOD — The West Carroll School Board gave school director Dexter Williams a three-year contract extension with a 4-2 vote. The motion was that the contract of the director of schools be renewed for three years beginning July 1, 2020 until June 30, 2023 keeping all benefits listed in the existing contract. A motion by Nancy Johnson to delay the vote until next month failed prior to the vote to extend the contract. Johnson's reasoning for the delay was because she had not seen William's contract. A roll call vote was held with Mike Foster, Kyle Foster, Misty Mitchell and William Robinson all voting yes while Nancy Johnson and Patrick Lindsey voted no to the contract extension.

The board voted in favor of a bonus for the system's employees. They first voted to give the bonus despite the fact it was not budgeted and then voted to spend slightly over \$125,000 so the take-home bonus would be \$500 per employee. Board members also approved a budget amendment allowing for

Dexter Williams

the bonus expenditure.

Director Dexter Williams recommended an upgrade to the security cameras at West Carroll Elementary school. Williams described them as being in bad shape and it would take approximately \$6,000 to upgrade the camera system. The board approved Williams' recommendation and noted they would also look into upgrading the primary school camera system in the near future.

In other action, board members approved Big E's Sealcoating out of three bids to reseal

the Junior High/Senior High School parking lot at a cost of \$24,386.

A number of board policy updates were approved on first reading. A board policy update regarding nepotism sponsored by Patrick Lindsey failed to generate any discussion or a motion.

West Carroll Elementary Beta Club sponsors Brittany Fowler and Michelle Robinson were spotlighted along with the Girl's Cross Country Team which won their first trophies this year including a Region Championship and qualified for the State Cross Country meet. West Carroll's Marching Band was also spotlighted for all their achievements including a top ten finish in the state competition and the field commander placed first at state. The band was in attendance at the meeting and played some of their music for the board and audience.

Prior to adjourning, Director Dexter Williams thanked the board for their vote of confidence and noted that December 13, the school system would honor the late Richard Welch, who coached West Carroll's girls for a number of years.

Criminal Justice Students Observe Court Proceedings

They were participants in the Resources Innovation Service Experience (RISE) promoted by Sarah Bradberry, clerk of the General Sessions and

The Carroll County Sheriff's Department received a call on Wednesday, October 16, that the Palestine Church on Highway 424 in Cedar Grove was vandalized. According to the report filed by Deputy Michael Sevans, all of the storm windows of the church

The back door was found shattered. Two holes in the floor were created by large rocks. The floor boards were ripped off the floor and thrown into the hole. Four of the church pews were thrown through the windows and left dangling. The front double door windows were broken out of the door.

McKenzie Remembers

Honoring All Those Who Served

As we mark another Veterans Day, I find it all the more important to write this week's article paying some semblance of a tribute to the veterans of McKenzie. The men and women of McKenzie hold true to what it means to be have served our great country.

Inscribed says on Korean War Memorial's Pool of Remembrance states the true meaning of service, "Our nation honors her sons and daughters who answered the call to defend a country they never knew and a people they never met."

On the 11th hour of the 11th day of the 11th month of 1918 the guns of war became silent. The silence marked an armistice between the warring factions in the "war to end all wars." President Woodrow Wilson proclaimed November 11 as Armistice Day. It was a day to stand in remembrance and celebration for the end of World War I.

People throughout American celebrate this day, now known as Veterans Day, to honor all veterans, present and past. The city of McKenzie remembers its

veterans in a quaint old-fashioned uniqueness. Veterans Memorial Park is designed to keep the veterans of Carroll County in the hearts and minds of its citizenry.

Each Veterans Day, local veterans and members of the community gather on town square on the 11th hour. They come together to watch a tradition that dates back to 1927 with then firing of a cannon. It is not the large Howitzer that stands in Veterans Memorial but a much smaller version.

The smaller cannon fires a 10-gauge black powder blank round. The artillery barrage may not be lethal, but it is loud enough to be heard throughout the historical district of downtown McKenzie.

For many years, Mr. James Choate, a veteran of WWII, has participated in the firing of the miniature cannon. Other veterans have been involved over the years, but none more memorable than, Mr. Bailey Wrinkle. Mr. Wrinkle, a local veteran and active community member, died in June of 2015.

Like clockwork, the cannon fires on the 11th minute of the 11th hour. The crowd watches as a feeling of admiration and pride fills the air with each

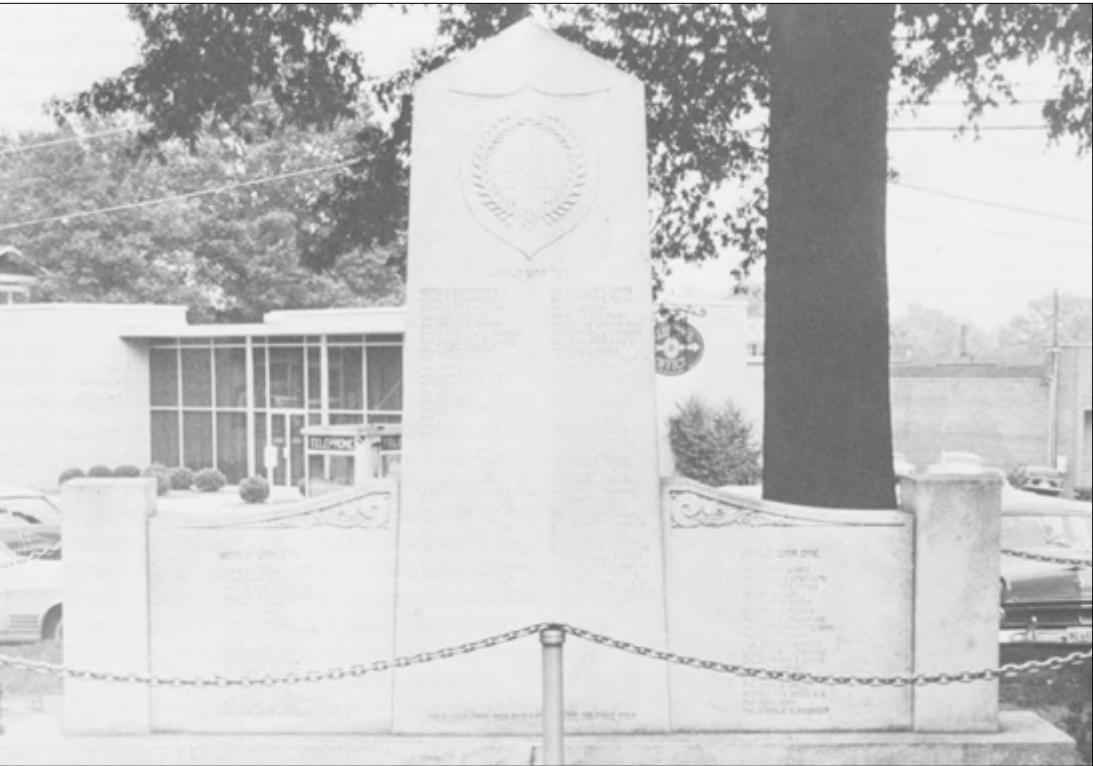

shot. As the blasts reverberated through the air, Veterans Memorial Park stands as the perfect setting.

Visitors have the opportunity to stroll through the picturesque park as McKenzie pays homage towards its veterans. The first stop for most is the Howitzer Cannon. In 1924, the German made World War I-era cannon was donated by the Department of Defense to the little town of McKenzie.

To the right of the old Howitzer stands a sign that commemorates the American Civil War. The wording tells the story of Confederate General Nathan Bedford Forrest's first raid through West Tennessee.

Standing at the corner of the park is a large double-sided monument memorializing the local men who gave their lives during World War I, War World II, Korea, Vietnam and Iraq. The monument was sponsored by the McKenzie Rotary Club and paid for by the contributions from citizens through the years. It was dedicated July 7, 1944.

There are the names of the crew that was lost on bomber crash near McKenzie in August of 1943: Second Lt. George L. Moles of Kansas City, Missouri; Second Lt. Thorniel O. Haugen of Madison, Wisconsin; Second Lt. George T. DeCesare of Brooklyn; Second Lt. Ivan W. Oaks of St. Louis; Col. Walter G. Sancomb of Schenectady, New York; Sgt. Frank Rye of Detroit; Sgt. James D. Kenney of Cumberland, Maryland; and Sgt. Roy E. Snyder of Wellsville, Ohio. On the foggy Monday morning of August 9, the B-17 (also known as a Flying Fortress) crashed after suffering a structural failure that rendered

The memorial is in honor of James "Dusty" Carroll. He was assigned to the 230th Engineer Battalion of the Tennessee Army National Guard. The battalion was a part of Operation Iraqi Freedom. On July 31, 2005, SPC Carroll was killed by an IED (a road side bomb).

it uncontrollable. Part of the tail of the plane was found over a mile away near Lake Isabel.

According to the Friday, August 13, 1943 edition of The McKenzie Banner, the sound could be heard and the fire seen for many miles. Residents attested that the plane circled the field as though the pilot was attempting a forced landing, but at some point the effort failed and the plane nosedived.

Stones outline the walkway to the memorial. Each stone has the name, rank and branch of service of many McKenzians who served in the military. Three of those stones represent members of my family.

As the walk comes to a close, another memorial comes into focus. Three markers stand in

honor of those who served in the Middle East. At the center is a stone honoring a classmate of mine, Dusty Carroll. Dusty was a member of the Army National Guard 230th Engineer Battalion Company A. He was killed near Baghdad by an IED in 2005.

G.K. Chesterton once wrote that, "The true soldier fights not because he hates what is in front of him, but because he loves what is behind him."

The quote is very true of the meaning behind Veterans Day.

Wars are fought not because of hatred towards the opposition, but out of a love for one's community and country. In a time where many forget how they received their freedoms, McKenzie remembers and respects those who served.

HUNKER DOWN WITH KES

Not Your Average Gap Standers!

Chandler King was the first veteran I ever heard talk about his time in the service. He was in the Navy. And he was at Pearl Harbor on December 7, 1941. He came to our second grade class in 1954 and quietly explained how these Japanese planes appeared out of nowhere and started dropping bombs all over the place.

None of us had ever heard of Pearl Harbor. Mr. King didn't look like a sailor; he was not wearing a uniform. And I began to have some doubts when he got to talking about how the water was burning from the oil spilling out of the ships. Plus, "Pearl Harbor" seemed more like a name out of a story book than a real place.

Mr. King talked about the noise and confusion. He helped carry hurt people to the hospital. And he told us about this one ship that got blown apart and sank quickly to the bottom of the harbor.

He never mentioned that 2,403 people died that fateful morning. I guess he figured there were some things second graders didn't need to know.

We saw a lot of World War I Veterans every November 11th. We would get out of class and march out to the flag pole in front of the high school gym. It didn't matter how cold or cloudy, rain or shine.

The old soldiers, some in uniform, had brought along a small cannon. At exactly 11 a.m. they would fire it off—the sound still echoes through my mind till this day—and the high school band would immediately break into the Star Spangled Banner.

What I remember most was

how every one of those old soldiers snapped to attention on the first note. I'm telling you, they stood ramrod straight! Many saluted. It was like they knew something about the National Anthem that the rest of us didn't!

I also remember as my elementary years slipped into high school, there were less and less of these magnificent warriors each November. Time also takes its toll. I never thanked a one of them.

Dad was a veteran. U. S. Army. He spent over two years in the South Pacific. He never talked about it. Oh, he might mention the train ride across Australia, the natives in New Guinea or the incessant rain on Biak Island.

But he never said a word about battles or death or fear or loneliness or what runs through your mind when bullets are whizzing past and bombs are bursting overhead. Mom said he went on eight major invasions, including the Philippines.

I did ask him once about those bronze arrowheads, stars and multi-colored ribbons on his old Eisenhower jacket. He said, "Son, everyone over there got those."

I met Mr. Bryan Roberts thirty years ago at a family reunion in Ashland, Kentucky. It wasn't my family; I was just trying to "fit in" so they'd pass the chicken and dumplings down my way. "Uncle" Bryan stood a half inch over five feet. Pretty easy to overlook...until someone mentioned he flew across the English Channel in a glider plane on June 6, 1944.

Let me refresh your memory. Those gliders were made out of the lightest wood that

could be found. No motor. No GPS. No homing devices. Their "landing strip" would be the well guarded hedge rows, flooded fields, ditches and thick patches of woods in Normandy, France.

The moment the glider unhooked from the towing plane, the only result possible was a crash landing in German controlled territory...

It was a rough way to be introduced to the Third Reich!

Uncle Bryan was as humble and polite as anyone I've ever spoken with. He laughed as he told me "they" were looking for smaller, light weight guys, "That's how I got the job." He laughed again about the crash landing, "It was a little more than we bargained for."

You think!

When I pressed him some about his role on D-Day, his response was "Just doing my job."

That is unquestionably the American Veterans' Mantra.

But don't let their easy manner or polite banter fool you. They have "stood in the gap" and proven themselves a thousand times over from Bunker Hill to Afghanistan!

I spent this Veterans Day thinking about Chandler King, those old World War I guys at school, Dad, Bryan Roberts, Johnny Linton, David Colbert, Buck Watford and every other veteran that has ever crossed my path.

You talk about a debt I can never repay...

Respectfully,
Kes

VIRGINIA SUE
'GINGER' LAMPLEY
HARRIS
1928 — 2019

KINGSTON SPRINGS, Tenn. — Virginia Sue "Ginger" Lam-pley Harris, 90, of Kingston Springs died peacefully in her home on Thursday, November 7, 2019.

Ginger was born December 12, 1928 in Kingston Springs to the late Ernest and Hazel (Jamison) Lampley. She is also preceded in death by her husband of 62 years, Robert E. Harris, also a lifelong resident of Kingston Springs, and three sisters—Ma-rie Lampley Martin, Ernestine Lampley Hallman and Rebecca Lampley Dillingham.

She attended school at Kings-ton Springs Elementary, Bellevue High School and then Nashville Business College. After gradua-tion she worked as a buyer for

Loveman's Department Store, then as an accounting assistant for James Bowers, CPA, followed by a long career of 31 years as manager of the South Cheatham Utility District during which she was selected to be a represen-tative on the Tennessee Utility District Credit Union Board.

Early in her retirement, Ginger and Robert loved spending their winters in Key Largo with her sisters and their husbands. As years passed, she enjoyed an-nual trips to Panama City Beach with her sister, Rebecca. She adored sharing coffee, cards, and workouts with her friends at the YMCA. She always treasured vis-its with friends and reading the Bible on her garden patio where she loved watching the birds.

Blessed with a volunteer spir-it, Ginger gave freely of her time for the PTA, Girl Scouts, Kingston Springs Community Club, Meals on Wheels, The Ark and other non-profits. She was a founding member of Kingston Springs Historical Association (CCHGA) and a lifelong member of the Kingston Springs United Methodist Church. There, she served as a Sunday School teach-er, UMW leader and choir mem-ber for well over 50 years, and in many elected church committee positions including delegate to the Annual Conference.

Deeply loved, Ginger lived her full life with courage, optimism, humor and a deep abiding faith. As the matriarch of a large ex-tended family, she was highly re-spected for her champion spirit, exceptional wisdom, intelligence and wit. Faith in God, family and community guided her life. There are generations of chil-dren, now adults, which claim her as their second mom and will miss her smile and her sage advice. Fiercely loyal to her fam-ily, church and community, she was adored by all that knew her and only last year served as the grand marshal for the Kingston Springs Christmas Parade.

She is survived by her two daughters, Jennifer Harris Sco-ble (John) of Franklin, Tenn. and Hollye Harris Rider (Lance) of McKenzie, Tenn., six grandchil-dren: Anne-Marie Hollis (Ryan), Carson Rider (Jesse), Alex Rider (Rebecca), Grant Scoble (Mallo-ry), Braxton Rider and Anders Rider and three great-grandchil-dren—Mac Hollis, Hank Rider and Violet Scoble.

Visitation is at Kingston Springs United Methodist Church on Friday, November 15, 2019 from 5 p.m. to 8 p.m. and Sat-urday, November 16 from 11 a.m. to 1 p.m., prior to her Celebration of Life at 1 p.m. Interment will be at the Middle Tennessee Vet-erans Cemetery, 7931 McCrory Lane, Nashville, Tennessee at 10 a.m. on Monday, November 18.

In lieu of flowers, the family requests memorial donations to be sent to Kingston Springs United Methodist Church, 368 North Main Street, Kingston Springs, Tennessee 37082. +

Blind Spots

We all have our blind spots—literal or figurative things that we can't see or realize about ourselves—and we can't see them, because they are, by definition, hidden from us. Therefore we need people who will tell us our faults and point out the things that we just can't see or accept. Societies and cultures have blind spots too. Think of how long many Americans, and most of "civilization," defended slavery as an institution. What our current societal blind spots are is something that only history will bear out, but what our personal blind spots are is something which we can have some control over. Instead of reacting defensively to criticism—as most of us do—we should be quick to accept it, or at least to reflect on it honestly, and try to ferret out the kernel of truth that is usually there in even the harshest criticism. It's not always wise to be the one delivering the criticism; most people don't accept it without some hard feelings. Unless we're perfect, we're going to be on the receiving end of criticism, and it is sometimes the job of people to deliver it, such as teachers, coaches, and managers. So instead of reacting defensively, thank the person, and consider how you might amend your life.

—Christopher Simon

Huntingdon Police Reports

License Violation — Amanda Paige Davis, 38, of Huntingdon was charged with driving on a revoked license during an October 29 traffic stop.

According to the report by Officer Labe Ezell, he pulled over a white Nissan Murano driven by Davis, having prior knowledge that her license was revoked. A computer check confirmed this.

Criminal Trespassing — Orpah Dianne Anders, 63, of Huntingdon was arrested for criminal trespassing following an October 28 incident at a Huntingdon residence.

According to the report by Officer Labe Ezell, he responded to a call about an unwanted person at 423 Hillcourt Circle and spoke with Janet Lattimer. Lattimer said that Anders came over to her residence earlier that day asking to use the phone regarding a "life or death" situation. Ezell noted that Anders had been told repeatedly by officers in the past to stay away from that residence or she would be arrested. When questioned by Ezell, Anders told the officer that she had to call her doctor about an

appointment, but Ezell discovered that she actually called her brother in Memphis.

Shoplifting — Megan V. Eckenrode, 25, of 521 Hillcourt Circle, Huntingdon, and Vanessa Pendlebury of Paris were both charged with theft of property and conduct involving merchandise on October 24 at Walmart in Huntingdon.

According to the report by Officer Labe Ezell, Eckenrode and Pendlebury were being detained by Walmart security when he arrived at the store. Security personnel said that the two women had switched tags on numerous items and then tried to check these items out using the wrong tags in the self-checkout line. As Ezell noted, Eckenrode attempted to pay \$180 for \$679.34 worth of items, and Pendlebury tried to pay \$35 for \$430.37 worth of items.

Shoplifting — Neal Alexander Gilliam, 26, of Bruceton was charged with theft of merchandise under \$1,000 on November 1 at Walmart in Huntingdon.

According to the report by Officer Angela Barker, Gilliam was being detained by Walmart

security when she arrived at the store. Security personnel told Barker that Gilliam put a pair of sunglasses valued at \$14.87 in his jacket pocket and walked out of the store without paying for the item.

Shoplifting — Markia R. Patrick, 18, of Dyersburg; Kiahna L. Noel, 18, of Memphis; and Madisyn E. Bradford, 18, of Cordova were all charged with theft of merchandise under \$1,000 on November 2 at Walmart in Huntingdon.

According to the report by Officer Christopher Cole, he responded to a call about three female shoplifters being detained at Walmart.

Store security told Cole that the three had been observed concealing multiple items valued together at \$61.68 and leaving the store without paying for them.

Public Intoxication — Matthew Wayne Henry, 31, of Huntingdon and Cody Erwin (age and address not provided) were both cited into court for public intoxication during a November 3 incident at a Huntingdon convenience store.

According to the report by Officer Christopher Cole, he responded to a call at Pockets and found Henry and Erwin in the parking

lot behaving strangely. Cole reported that the two were unable to stand still, complete a sentence, or explain why they were behaving this way, and Cole noted that they were clearly under the influence of some kind of intoxicant. After Henry and Erwin were transported to jail, jailors requested that they be taken to Baptist Memorial Hospital to be medically cleared.

Warrant — A warrant for theft of property under \$1,000 has been issued against Wendi May Lindley, 37, of Huntingdon for allegedly passing off stolen merchandise as returned items at Walmart in Huntingdon.

According to the report by Officer Labe Ezell, Walmart security personnel advised him on August 28 that a male juvenile had been caught on camera concealing items and leaving the store without paying for them, and later that evening, Lindley returned the stolen items in exchange for a gift card totaling \$36.94. Ezell called Lindley that next day and asked her to come to the police department to answer questions, but she never came.

Ezell also questioned the juvenile at school, but the juvenile said he would not answer questions without an attorney present.

Carroll County Sheriff's Reports

Burglary — Deputies are investigating the recent burglary of a Lavinia residence.

Suzanne Ridley and Mitzi Gibson told deputies on November 6 that numerous items valued altogether at over \$500 were recently stolen from their home located at 145 Sandhill Road, Lot #6. They said the items were taken sometime between October 30 and November 6, and there were no signs of forced entry.

High Speed Chase — Joshua Darren Scott, 27, of Paris was arrested on multiple charges fol-

lowing a high speed pursuit on November 5.

According to the report by Deputy Steven Scott, he observed a vehicle driven by Scott traveling at a high rate of speed on Highway 77 toward the Henry County line. The deputy noted that speeds exceeded 90 mph as he tried to catch up to the vehicle, which turned off 77 onto a side road. The deputy activated his blue lights, but the vehicle only sped up, reaching speeds over 100 mph. The vehicle pursuit ended when the vehicle's tires were spiked, and the vehicle

struck an embankment. Scott excited the vehicle and fled on foot, but the deputy deployed a taser gun, causing Scott to fall to the ground, after which he was taken into custody. Scott showed visible signs of injury but refused emergency medical care.

Theft — Various items were recently reported as being stolen from an outbuilding near McKenzie. Trent Townes told deputies on November 4 that someone took several tools valued together at \$435 from his shed at 2860 Highway 436 without his permission sometime between October 24 and November 4. The stolen items included a set of Kobalt sockets, a Kobalt miter saw, a Pittsburg floor jack, a small battery charger, and a brand new vise still in the original packaging.

Theft — Items were recently reported as being stolen from a storage unit in Bruceton.

Justin Corbitt of Hollow Rock told deputies on November 4 that someone broke into the storage unit he was renting at Big Orange Rentals and took items belonging to him. Reported as stolen were a pill bottle full of pearls valued at \$1,250 and a set of hoses and gages for a cutting torch valued at \$200.

Theft — Items were recently reported as being stolen from an

outbuilding near Huntingdon.

James Quick, Jr. told deputies on October 2 that someone had taken items valued together at \$770 from his outbuilding at 1815 Terry Road without his permission some time during the past month. The stolen items included a hyper saw, a table saw, a wrench set, and a Chevrolet transmission.

Multiple Charges — Dora Lee Ewald, 52, of 13480 Paris Street, Huntingdon, was charged with aggravated criminal trespassing, theft of property, and possession of drug paraphernalia on November 1.

According to the report by Deputy Michael Smith, a caller told deputies that a woman driving a silver Ford Taurus had backed up to her brother's shop at 12945 Highway 114 near Westport and started removing items from the shop without permission.

The caller said that the woman told her that another woman said she could have the items. Through the course of investigation, Smith identified the suspect as Ewald and went to her residence in Huntingdon. After getting Ewald's permission to search her vehicle, Smith found items with the owner's name on them and also found a glass pipe with white residue inside it.

MEMPHIS — Turnovers and defense were key to McKenzie's 28-6 upset win over Memphis Mitchell Friday night.

The Rebels won the toss and elected to defer to the second half so Mitchell got the ball first to start the game. Both teams had difficulty moving the ball in their first possessions. Mitchell fumbled the ball to the Rebels on their second possession midway through

the first quarter. McKenzie was not able to capitalize on it and punted. Mitchell had possession at the end of a scoreless first quarter.

An offensive pass interference call against Mitchell combined with a big sack by Kyle Maxwell put the Tigers in a long fourth down situation forcing the punt. Both teams continued to swap possessions until Mitchell's Tigers got a drive going, aided by Rebel penalties, and scored on a 14-yard run by Joseph Adams late in the second quarter. The extra point was no good leaving the Rebels

trailing 6-0. Both teams swapped possessions again before the first half came to a close.

The Rebels got the ball first to open the third quarter and got a drive going that resulted in their first score of the game while using up nearly half the third quarter clock. Micah Austin scored on a 2-yard run with the extra point good by Zach Aird with 6:11 left in the third quarter. Aird's kick gave McKenzie a 7-6 lead.

After the ensuing kickoff, Mitchell fumbled the ball with Gage Moon recovering for the

Rebels at the Tiger 41 yard line. Five plays later, the Rebels were in the endzone again on a 20-yard touchdown pass from Evan Jarrett to Marquez Taylor with 2:49 left in the third quarter. Zack Aird's extra point attempt was no good but the Rebels extended their lead to 13-6.

Mitchell took their next possession deep into Rebel territory threatening to score late in the third quarter until Micah Austin sacked their quarterback for a big loss to start the final quarter. The Tigers went for it on a fourth

down and long play which failed when Eli Surber broke up the pass play.

McKenzie took over on downs and marched into Mitchell territory and went to the air again for a 26-yard Jarrett to Taylor touchdown pass. The Rebels went for two and scored on a Jarrett to Logan Lyles conversion pass to open the score to 21-6. The Rebels got the ball back right after the ensuing kickoff when Mitchell fumbled the ball for the third time with Micah Austin recovering the ball in Tiger territory. Austin scored three plays later on a 10-yard run with Aird's extra point good for a 28-6 lead with 1:43 left to play in the game. McKenzie's

Kaden Allen picked off a pass with under a minute to play to seal McKenzie's playoff win.

McKenzie rolled up a balanced 280 yards in offense with 140 coming on the ground and 140 coming through the air. Evan Jarrett was 11-19 for 140 yards and two touchdowns. Marquez Taylor led the receiving with 67 yards and two touchdowns. Micah Austin led the rushing attack with 80 yards on 17 carries scoring two touchdowns. McKenzie's defense held an explosive Mitchell offense to 92 yards rushing and 51 yards passing for the night. The Rebels will travel to Trenton this Friday night for a rematch with the Golden Tide. Gametime is 7 p.m.

Huntingdon Mustangs Trample Richland Raiders

HUNTINGDON (November 8) — In the first round of Class A TSSAA Playoffs, the Huntingdon Mustangs (10-0) made short work of the Richland Raiders (5-5). Freezing temperatures forced a few adjustments for Huntingdon but their diverse running game came alive taking down Richland 56-0. Opening drives for both teams produced little yardage. On Huntingdon's second possession, Hunter Ensley scored his first touchdown of the night from 23 yards out. Cole Edwards added the PAT as the Mustangs took a 7-0 lead with 4:15 to play in the first quarter. As the first quarter neared completion, Huntingdon was on the move near mid-field. Five plays focusing around Ensley and Brandon Lawton added a touchdown. With 54 seconds on the clock, Ensley was in for six, and Edwards' PAT increased the lead 14-0.

Richland opened the second

quarter with a new swagger. Starting from the Raider 21-yard line, Richland caught Huntingdon sleeping with a fake punt. The Raiders moved across mid-field; the drive ended as Ensley score his third touchdown with a pick six touchdown. With 6:49 to play in the opening half, Edwards added the extra point putting Huntingdon up 21-0.

After a turn-over-on-downs, the Mustangs took possession of the pigskin at the Raider 46-yard line. Ensley called his own number for touchdown number four from 36 yards out. The extra point was good as Huntingdon led 28-0.

With 1:18 left to play in the first half, Huntingdon took over on downs. Ensley picked up his fifth touchdown of the night with a 21-yard pass to Noah Belew. Edwards split the uprights with Mustangs leading by 35 points.

Richland turned the ball over on a fumble recovered by Aden

Hutcherson. On first-and-goal from three yards out, Konnor Pearson crossed the goal line. Edwards was good with his sixth consecutive extra-point. The Mustangs closed the half with a 42-0 lead over Richland.

The Mustangs picked up their seventh touchdown as Lawton went into the end zone from 85 yards out to open the second half. The PAT put Huntingdon up 49-0.

Ethan Reliford ended Richland's next drive with an interception. After a series of substitutions, Hutcherson picked up the final touchdown of the night. The final score 56-0, Huntingdon over Richland. The second round of the playoffs will find the Mustangs playing host to playoff foe the Cornersville Bulldogs (7-4). For two consecutive years, the Bulldogs put an end to Huntingdon's champion dreams. Game time is 7 p.m. at Paul Ward Stadium.

ATWOOD (November 8) — The West Carroll War Eagles advanced to the second round of the TSSAA Class 1A State Football Playoffs with a 62-36 home win over Memphis East Friday night. The War Eagles will travel Friday to face Memphis Middle College, who eliminated Dresden 42-13.

The War Eagles never trailed in the contest, but the Mustangs kept it close in the first half. West Carroll led by just two before scoring on the final play of the first half to start a run of 30 unanswered points. Memphis East tacked on a couple of scores in the fourth quarter but at no point posed a real comeback threat.

At halftime, a special recognition honored veterans ahead of Veterans Day. A medley of military branch songs was played, and members of each branch were invited to stand as their respective songs played.

Immediately following the win, the Marching War Eagles delivered a special "blackout" performance of their field show, "Infected." The lights were turned off in the stadium, and band members and their instruments were adorned with Christmas lights, glow sticks and other colorful lights.

Memphis East won the opening coin toss and deferred possession to the second half.

West Carroll started the first drive at the 31 and easily charged deep into Mustang territory. Quarterback Jeremiah Bryant kept for seven, then Jarrius Weatherford ran for three consecutive first downs. Bryant followed with another first down at the Memphis East 19. Devin Rader and Bryant each made a short gain before back-to-back penalties doomed the drive. Bryce Bolton ran for eight to make it fourth-and-nine, then Bryant was stopped a yard short of the first down marker.

The Mustangs took over at their own 10 and quickly went three-and-out. The punt was downed near midfield.

Weatherford ran for eleven and a first, then Bryant threw incomplete. Weatherford gained eight, then Bryant plowed up the middle for 12 to move the chains. Bryant repeated, dragging defenders for a 20-yard gain to the 2, then Weatherford punched it in. Bryant ran for the two-point conversion, and the War Eagles led 8-0 with two minutes left in the first frame.

The West Carroll defense forced another three-and-out, and the Mustang punt was downed as the quarter ended.

The War Eagles started the second at their own 40. Bryant

ran for four, then Weatherford for 22. Weatherford made a short gain, then Bryant went 32 yards to paydirt. The quarterback tossed to Bolton for two points, and the lead was doubled to 16-0 with ten minutes to play in the first half. The Mustangs started the ensuing drive at their own 38. They quickly faced fourth-and-six, but a West Carroll penalty gave them a fresh set of downs across midfield. A long pass from quarterback Jalan Wright to Dejuan Howard set Memphis East up with a first-and-goal at the 5, but back-to-back offensive penalties backed the ball up to the 20. A completed pass gained 16, then Zach Perry stopped Tony Stackhouse at the line of scrimmage. On fourth-and-goal, Wright kept for the touchdown. The Mustangs converted for two points and cut the deficit in half to 16-8 with six minutes to play before intermission. West Carroll was threatening on the next drive, but a fumble gave the Mustangs the ball at their own 23.

Wright found Kenji Lewis for 32, then kept for no gain. Jelani Willis ran for 40 down to the 5, the Wright kept for the touchdown. The two-point try failed, and the War Eagles still led 16-14 with 3:18 remaining in the first half.

After a short kick, Bryant took the first snap 57 yards for a touchdown. He ran again for two points, and West Carroll led 24-14 with three minutes on the clock.

The Mustangs answered with a four-play, 66-yard drive capped by a 19-yard touchdown run by Wright. A successful two-point conversion made it a two-point game, 24-22, with under two minutes to go in the half.

The War Eagles started at midfield after a short kick. A holding penalty cost ten yards, then Bryant ran for four. He threw incomplete, then kept for 22 and a first down. He repeated twice for a short net gain, then threw incomplete again. On fourth-and-seven, Bryant threw to Bolton in the end zone for a 31-yard touchdown as time expired. Bryant ran for two, and West Carroll headed to the locker room with a 32-22 lead. Memphis East received the second-half kickoff and threatened, but a holding penalty doomed the drive. An incomplete pass on fourth-and-long turned the ball over the War Eagles at their own 29.

Weatherford, Bryant and Bolton took turns running the ball in a seven-play drive ending with a five-yard Bryant touchdown. He also punched it in for two points to give West Carroll a 40-22 lead with 3:41 to play in the third quarter.

The Mustangs started the ensuing drive at their own 39 but lost eleven on a big first-down stop

by War Eagle Hunter Lindsey and went three-and-out. The punt took a long roll, and West Carroll started at the far 30.

Bryant threw incomplete on first down, then Weatherford ran for ten to move the chains. Bryant kept the next snap and went 60 yards for the score. The QB tossed to Barrow for two points, and the War Eagles were way ahead, 48-22, with under a minute to play in the third.

Memphis East started deep, and Wright's long pass on first down was intercepted by War Eagle Dylan Cox at the West Carroll 39.

Bryant threw to Seth Edwards near midfield, then had a keeper called back for holding. He kept again for 58 yards down to the 3 as the quarter ended. Rader started the final frame with a touchdown run. New quarterback Xander Moon was sacked on the two-point try, but West Carroll's lead grew to 54-22.

The Mustangs put together a scoring drive, going 60 yards on six plays. Wright capped the effort with a 20-yard touchdown pass to Lewis. Willis added two points, and the War Eagle lead was down to 54-30 with just under nine minutes remaining in the game.

Perry fell on a low kick at the War Eagle 48. Weatherford gained two to midfield, the Bolton took it 50 for the touchdown. Moon passed to Barrow for two points, and West Carroll led 62-30 with just under eight minutes to play.

Memphis East added another touchdown on a seven-play, 54-yard drive. Willis finished the job with a 22-yard run. Wright threw incomplete on the two-point conversion, and the score was 62-36 with five minutes left.

The War Eagles kept the ball on the ground and earned three first downs to run out the clock and claim the victory.

West Carroll had 664 yards of total offense, including 621 rushing yards on 44 carries. Jeremiah Bryant led with 367 yards on 17 carries, including three touchdowns. Jarrius Weatherford had 16 rushes for 172 yards and a touchdown. Bryce Bolton ran five times for 76 yards with a touchdown. Devin Rader had three carries for three yards with a touchdown. MHS Golf Celebrates Stellar Season

BY BRAD SAM

HUNTINGDON (November 5) — McKenzie High School golfers celebrated their successful season Tuesday with a banquet at Mallard’s Restaurant, joined by family and other supporters. The 2019 campaign culminated in the Lady Rebels’ third consecutive state tournament appearance (and a fourth-place finish) and an individual appearance by Logan Green and saw several school records broken.

After the delicious meal, Head Coach Larry Joe Smith welcomed all to the gathering. He thanked a great many groups and individuals, including parents and grandparents, support staff, The Banner, Stan Welch, Regina Green for providing articles, Paul Glass for compiling statistics, Carol Nanne (his “right arm”), his wife Tiffany and the teams for their hard work and development. Smith noted that “it takes all of us to be a successful program” and said that the teams have had a good run the last few years.

Smith spoke about his mother, Doris, who died in September, noting that she “didn’t know the first thing about golf” but always inquired about how the team was doing. He called the team’s response to her passing “awe-inspiring.” The golfers attended her service and wore blue ribbons in her honor at the Region Championships.

The coach said that golf and life are both like rollercoasters, with “a bunch of highs and a bunch of lows.” He implored his players to embrace failure. “Failure is going to happen” in all aspects of life, he said, but to “analyze it, learn from it, and, in capital letters, MOVE ON.”

Smith spoke about the boys’ season. They had a record of 46-12. The team finished third in the district, but bounced back to earn region runner-up. With no seniors departing, the coach set the goal of reaching the state tournament next year. He then recognized each player individually.

Freshman Ben Dillon had an average score of 54 and a low round of 47, which he shot on four occasions.

Freshman Nolan Renfro had an average score of 48 and a low round of 43.

Junior Matt Espey, a first-year player, had an average score of 50 with a low round of 44.

Junior Nathan Nanne had an average score of 44 with a low round of 38.

Junior Logan Green had an average score of 41.8 with a low round of 38. He qualified for the state tournament for the third straight year and finished 29th out of 63 competitors with scores of 82 and 87.

Junior Johnathan Moore had an average score of 37.8, an MHS record. His low round of 32, which he shot twice, is also a school record.

Next, Coach Smith highlighted the girls’ season. With a record of 39-7, they were the district and re-

gion champions and advanced to the state tournament for the third straight year. The team finished in fourth place. He recognized each player individually.

Freshman Kristin Bradberry had an average score of 54.7 with a low round of 45.

Sophomore Jaden Barton was inactive all season with an injury, but Smith hopes to get her back on the green next year.

Sophomore Juleyanne Weatherford had an average score of 44.3 with a low round of 39. As an individual, she finished third in both the district and region and 24th out of 43 at the state tournament.

Junior Maggie Glass had an average score of 38.2 and a low round of 34, both school records. She was the district medalist with a 76 and the region medalist with a 73. She finished in fourth place at state with scores of 75 and 81.

Senior Whitley Smith, a third-year player, had an average score of 48.5 and a low round of 42. She was fourth in the district and 34th at the state tournament. Coach Smith expressed his wish for the senior that golf remain somewhere in her life. She was presented with her senior banner.

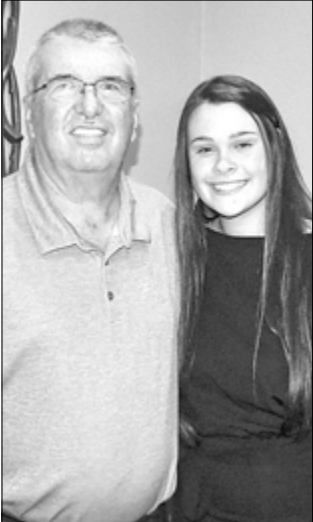

Each of the players received a certificate, a letter, a copy of the book The Coffee Bean (the teams’ motto this year was “Be the Bean”) and a personalized driver head cover.

Additionally, each of the girls was presented a t-shirt reading “W1N, R2PEAT, 3ELIEVE” in honor of their “three-peat” state appearance.

Coach Smith offered the teams a special thanks for earning wins this season that bring his combined total golf coaching wins over 1,000.

Whitley Smith then took the podium. She thanked her coach for a great three years and said she’s sad that it’s over, but she’ll always remember her time on the team. She said she learned much, including self-control. She said Coach Smith is “truly someone I look up to” and that her teammates have shown her that “golf is not just a game, it’s a family.” After her remarks, she presented a gift to the coach.

The event ended, but guests lingered to take photos and reminisce on the great season.
