District Attorney Stowe Censured

HUNTINGDON — 24th Judicial District Attorney General Matt Stowe was publicly censured by the Tennessee Supreme Court. The Board of Professional Responsibility filed a petition for discipline against Stowe in February 2016.

According to the press release from the Board of Professional Responsibility, a public censure is a rebuke and a warning to the lawyer but does not affect the attorney's ability to practice law.

The original complaint alleged that Stowe "engaged in multiple acts of harassment that had no substantial purpose other than to embarrass, delay or burden a

McKenzie Council to Participate in Mandatory Training

McKenzie City Council members will soon undergo 12 hours of mandatory training as the managing directors of the McKenzie Water/Wastewater Department.

Mayor Jill Holland told members at the Thursday, September 14 meeting, each of them must attend training on operating the public utility, an enterprise department of the city. Jackson Energy Authority (JEA) is offering the training for free to area utility districts, said Holland. There were no details of the times and dates of the training.

An agenda item concerning an interlocal agreement with the Carroll County Emergency Communications District (911) and the City of McKenzie was postponed awaiting the approval of the state. The 911 board agreed to purchase mobile and portable two-way radios for each of the emergency service agencies in Carroll County. The Town of Huntingdon and the City of McKenzie were the last to apply. Other emergency agencies have already received new digital radios.

Bids were opened for a new truck bed for the new Water Department service truck. Three bids were available. Superior Truck Bed of Hopkinsville, Kentucky bid $5,545, Floyd's Equipment of Sikeston, Missouri bid $5,450, and Stringfellow of Nashville bid $5,490. The new truck will have to be driven to the successful bidder for installation.

The Council voted to accept the bidder with the lowest overall cost including travel costs and time.

A lone bid was opened from Dement of Medina, Tenn. for the removal of a dead tree in the downtown Veterans Park. Dement bid $2,500 for the cutting of the tree, and $4,000 for cutting, stump grinding, and debris removal. Council members rejected the bid and chose to seek additional bids. Vice Mayor Gene Hale and Mayor Jill Holland were authorized to accept the best bid.

Brian Tucker said McKenzie Fire Department had 47 calls during August. He noted the department is now charging a fee for false automated fire alarms that creates a response by the department. Persons with alarms should register those with the city. Tucker said the city should also be informed if the automated alarms are malfunctioning.

Craig Moates said the McKenzie Police Department had 153 investigations and 221 vehicle stops during August. The city is also starting a neighborhood crime watch program and organizational meetings are Tuesday, September 19, 5:30 at Greater Enon Baptist; Monday, October 2, 5:30 p.m. at Park Theatre; Monday, November 6 at 5:30 p.m. at Calvary Tabernacle Church on Stonewall; and Monday, November 27, 5:30 p.m. at Grace Baptist Church, Magnolia Avenue.

Trezevant Board Approves Raises for Officer, Street Supervisor

BY BRAD SAM
brad@mckenziebanner.com

TREZEVANT (September 12) — The board of mayor and aldermen for the Town of Trezevant met Tuesday with a thin agenda, most notably approving raises for a pair of city employees.

First, Mayor Dennis Mitchell asked that the board vote to approve a 50 cent raise for Officer Lorrie Mulligan. The increase was scheduled upon her hiring, but doesn't appear in the current budget, prompting Mitchell to seek official board approval.

Next, Alderman Michael Ridgely wished to propose a raise for Street Supervisor Danny Mitchell. Mayor Mitchell, Danny's son, recused himself from the discussion, stepping outside the community center.

Ridgely began by calling Mitchell a "valuable asset to the town," noting that he does a lot of supervision and troubleshooting outside of his responsibilities. He credited him with saving money on the sewer project and actively working with the water/sewer department. Mitchell's help was invaluable most recently when the water/sewer supervisor abruptly quit.

"He's on top of situations, and he represents us well," Ridgely said, and then suggested that at some point he be made supervisor of employees.

"Many issues could be resolved if he were empowered. He's acting in a supervisory role, but he doesn't have the authority."

The alderman moved, and the board concurred unanimously, to increase Mitchell's pay. All seemed open to the idea of expanding his official role as well.

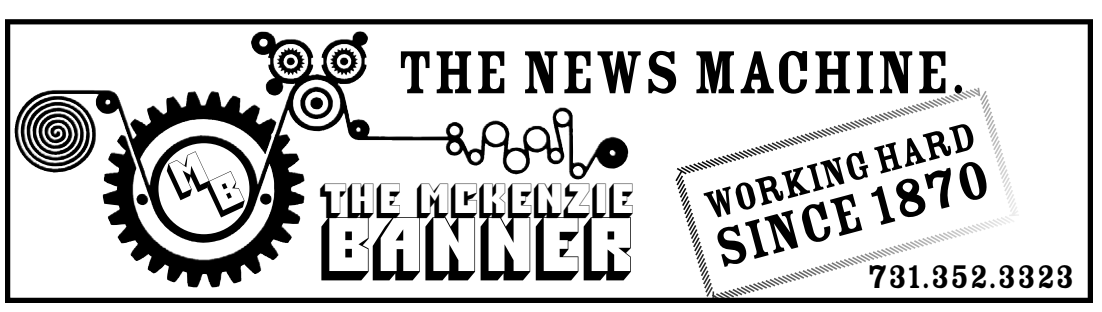

Police Chief Mike Mulligan was scheduled to speak to the board about signs posted at public properties prohibiting firearms. Board members discussed the need and implications of such a policy, but ultimately had more questions than answers and tabled the issue to gather more information.

Alderman Teresa Goodrum relayed that she had heard many compliments on the recent paving projects, particularly on Clay Farm Road.

The mayor took the opportunity to reiterate to the public that the town has a four-year plan for paving projects, aiming to first address areas with the most impact on the public. He noted that before they are finished, many more areas will be paved.

The meeting adjourned after half an hour.

Alderman Pam Joyner was absent.

Inglenook Book Club September News

The Inglenook Book Club met in September at Lakeside Assisted Living Center with Jean McKinnie and Elaine Williams as hostesses. Prior to the business meeting, members enjoyed refreshments served by the hostesses.

The club welcomes new member, Shirley Martin, who states she is an avid reader.

Club members are saddened at the recent death of former member, Mildred Colotta. The club will make a donation to the McKenzie Memorial Library in Mildred's memory.

Vice President Victoria Ard introduced our speaker, Carolyn Potts, and stated that we were in for an unusual and very interesting program. Carolyn chose as her subject Tom Tierney, who is known as the "Paper Doll King."

In the 19th and early 20th centuries, newspapers and magazines regularly printed paper dolls for readers to cut out. But by the 1970s, television—along with mass-produced dolls like Barbie—largely eclipsed the humble paper doll. Then Tom Tierney entered the field, and his lifelike drawings of famous people in fabulous costumes as paper dolls caught on. These figures sprang to life on his drawing board and included American presidents; Henry VIII and his wives; and silver screen stars like Rita Hayworth, Veronica Lake, and Lana Turner, all meticulously drawn and colored, and annotated with historical information. Mr. Tierney's costumes, especially those for historical subjects, were elaborate and finely detailed. His paper doll books were not just for children and some not for children at all but were instead collectibles.

Mr. Tierney's books were prized by collectors and were also esteemed by many of their subjects. Being turned into a Tom Tierney paper doll was considered one of "fashion's highest compliments." His paper doll subjects also included former Texas governor Ann Richards and country singer George Strait in underwear and swimsuits. Tierney was told more times than he could count that his work was not a fit calling for a grown-up, but this did not bother him. He told UPI in 1987, "Just mention paper dolls and people think you are ready for the booby hatch. I just laugh and laugh all the way to the bank." During his life, he always expressed how truly lucky he felt to be able to make a living doing what he loved most.

Tom Tierney was born in Texas in 1928, and began freelance fashion illustration while in high school for local department stores in his hometown of Beaumont. He continued doing freelance illustration in Austin, Texas while attending the University of Texas. He graduated from UT in 1949 with a Bachelor of Fine Arts degree, majoring in painting and minoring in sculpture. Upon graduation from college, he became a fashion illustrator a department store and a specialty shop.

After a stint in the U.S. Army, Tom moved to New York where he became a fashion illustrator for large department stores such as JC Penney's, Macy's, and Sears. Tierney also illustrated a number of film posters, did a number of portrait commissions, and did some nightclub singing in Greenwich Village.

Tom Tierney died from a stroke at age 85 in 2014.

Carolyn herself is a Tom Tierney enthusiast and brought several of her own Tierney paper doll books along with her scrapbook filled with his paper dolls. Everyone was fascinated with the intricate details and coloring used in his drawings. And yes, the costumes do have the old-fashioned "flaps" that were used to attach the outfits to the dolls.

Carolyn Potts announced that the Carroll Arts Story Telling will be held in conjunction with the Heritage Festival in Huntingdon on September 23rd from 11 a.m. to 1 p.m.

The October meeting will be at Lakeside with Debbie Riley and Suzanne Russell serving as hostesses. Shelia Rogers has the program.

After the book passing members recited the club benediction and the meeting adjourned.

Members present at the meeting were Victoria Ard, Juanita Finley, Carolyn Goodwin, Shirley Martin, Jean McKinnie, Sandi McMahen, Carolyn Moore, Carolyn Potts, Marilynn Putman, Genia Sherwood, Sally Sutton, Donna Ward, and Elaine Williams.

'Picnic at the Park' Hosts Movie at Webb School

McKENZIE (September 16) — The community outreach group known as "Picnic at the Park" hosted a free showing of the movie "Trolls" Saturday at Webb School.

Dozens of kids came out to enjoy the film, along with free popcorn, candy and drinks. First, they decorated boxes to look like cars for a "drive-in" experience.

"Picnic at the Park" serves families roughly every other week, usually at Mulberry Park, with necessities such as free meals, crafts, events, clothing, toiletries and books for anyone in need.

On Saturday, September 30, kids can decorate rocks to be placed around McKenzie.

On October 14, they can paint pumpkins, and on October 28 is a Halloween party.

November 18 and December 16, there will be potluck community lunch at Webb School.

Those two meals will conclude the group's event season. Activities will resume in spring.

a tie for tournament medalist, which he won outright on the first playoff hole. Ben Austin and Johnathan Moore each shot 79, with Will Jones shooting an 83 to round out the McKenzie scoring. Austin and Moore competed in a playoff to determine the third and fourth place medalist, with Austin claiming third on the fourth playoff hole.

Entering the State Tournament, the girls' record is 37-4 while the boys are 43-6.

This is the first time in McKenzie history both teams will compete collectively at the State Tournament, with the sole appearance for the girls coming in 1995 and the lone time for the boys being 2005. There have been numerous times through the years McKenzie has had Region tournament qualifying individuals advance to State play, but only in the years mentioned above has a team qualified and this is the first time that both teams will go together to compete at the State tournament in the same season.

The State tournament is next Tuesday and Wednesday at Willow Brook Golf Club in Manchester, Tenn.

Coach Larry Joe Smith was obviously elated at the team's performance and noted the hard work all twelve of these young men and women have done throughout the summer and during the season to help the team succeed this year and accomplish this amazing goal for themselves, the school, and our community. Smith is in his 22nd year as the Rebel golf coach.

Members of the girls' team are juniors Mallory Cole, Julie French and Olivia Wright, sophomore Whitley Smith, and freshman Maggie Glass. Members of the boys' team are seniors Will Jones and Anders Rider, juniors Ben Austin and Will McBride, and freshmen Logan Green, Johnathan Moore, and Nathan Nanney.

Congratulations are in order to these young ladies and gentlemen on an historic season.

witness," according to the release.

According to the Board, Stowe was working with a witness on her testimony for a murder trial when the incident occurred.

"Despite the witness's agreement with the assistant district attorney to attend the trial as scheduled, Mr. Stowe began directly communicating with the witness and her supervisor in a harassing and hostile manner and stated that he would hold her personally responsible if she 'blow[s] this trial,'" the release states. "Mr. Stowe indicated that he would prosecute her if she failed to appear and directed his office to begin preparation for those charges, even though he knew she had confirmed her appearance."

"As a result of Mr. Stowe's harassment, the witness retained private counsel to accompany her to the trial as a precaution because she was concerned that if her testimony did not satisfy Mr. Stowe, he would take some kind of action against her," the release states.

Stowe is ordered to pay costs to the Board of Professional Responsibility.

for committing to create about 100 new jobs in Huntingdon and bringing us closer to making Tennessee the No. 1 location in the Southeast for high quality jobs."

"I've been able to tour Granges' facility in Huntingdon and meet with the company's leadership in Sweden," Rolfe said. "Gränges is a strong, well-run company with a skilled and dedicated workforce in Northwest Tennessee. Huntingdon is fortunate that Gränges stepped in to keep the former Noranda facility open. It's even better news that Gränges is making this significant investment and creating about 100 new jobs in Huntingdon."

Gränges' expansion meets growing demand for light gauge foil, automotive heat exchanger materials as well as heating, ventilation and air condition (HVAC) applications. The expansion includes investment in buildings, casters, cold-rolling mills, annealing furnaces and slitters. The investment further positions Huntingdon as one of the most modern and efficient aluminum rolling mills in North America.

"The expansion in Huntingdon marks the next step in our strategic growth plan for the North American market. Gränges has built a strong reputation in the aluminum rolling industry, and this expansion allows us to further support our customers' growth," Gränges CEO Johan Menckel said.

The project is estimated to take approximately two years to complete. When completed, the capacity in Huntingdon will increase from about 160 metric kilotons to nearly 200 metric kilotons per year. This is the second major investment in the Huntingdon facility since 2000, strengthening Gränges' focus on foil and automotive heat exchanger products.

The expansion includes investment in buildings, casters, cold rolling mills, annealing furnaces and slitters. This further positions Huntingdon as one of the most modern and efficient rolling mills in North America. When completed, the capacity in Huntingdon will increase from about 160 ktonnes to nearly 200 ktonnes per year.

"The investment represents a long-term commitment to our customers, employees and shareholders as we grow in support of our strategic markets," Gränges Americas President Patrick Lawlor said.

Local Carroll County officials and the Tennessee Valley Authority praised Gränges for its $110 million investment in the Huntingdon facility.

"I am thrilled that Gränges has decided to make this fantastic commitment to our community," said Representative Halford. "Today's announcement continues Tennessee's economic momentum and solidifies our state's status as a leader in job creation. We are thankful for all those at Gränges and offer our full support to ensure their success here in Carroll County and the surrounding areas", said State Representative Curtis Halford.

"Since 1967, Huntingdon has been home to an aluminum manufacturing plant, and today's announcement of this $110 million investment by Gränges in Huntingdon is fantastic," Huntingdon Mayor Dale Kelley said. "We are elated by the faith and confidence that Gränges has shown in the Huntingdon plant and look forward to working with Gränges over the next 50 years."

"We are delighted with Gränges' decision to add approximately 100 jobs and invest $110 million in Huntingdon and Carroll County," Carroll County Mayor Kenny McBride said. "Gränges is the largest manufacturing plant in Carroll County and with the expansion it will move employment to around 500 jobs at the Huntingdon plant."

"Today's decision is exciting and we continue our commitment to Gränges to be the best partners we can be," Brad Hurley, Carroll County Chamber of Commerce president, said.

"TVA and Carroll County Electric Department congratulate Gränges on its decision to expand operations in Huntingdon," TVA Senior Vice President of Economic Development John Bradley said. "Serving the Valley by helping to facilitate job creation is fundamental to TVA's mission of service and we are proud to partner with TNECD, Carroll County Chamber of Commerce, City of Huntingdon and Carroll County to help further that mission."

Noranda, the former owner of the Huntingdon facility, filed bankruptcy in February 2016 and continued to operate under supervision of the court. The U.S. Bankruptcy Court conducted an auction on behalf of the creditors to sell the downstream operations. On July 7, 2016, Gränges was declared the high bidder. Gränges acquisition of Noranda's downstream aluminium rolling business in the United States was complete on August 22, 2016.

Huntingdon and Carroll County are represented by Sen. John Stevens (R – Huntingdon), Rep. Curtis Halford (R – Dyer) and Rep. Andy Holt (R - Dresden) in the Tennessee General Assembly.

OPINION

With a fresh coat of paint and new lettering, the water tower now welcomes passersby to the City of McKenzie.

Stenciling Added to McKenzie Water Tank

McKENZIE — The painting project to the water tank located adjacent to McKenzie City Hall is complete following the addition of stenciled lettering. "Welcome to...City of McKenzie" now adorns the 300,000 gallon tank.

Due to the tendency to mildew where the sun does not hit the tank, American Tank Maintenance of Georgia, who performed the maintenance, advised the gray paint to cover future discolorations.

Mayor Jill Holland stated how pleased she and city officials were with the lettering on the water tank.

"The red on the white tank with gray underneath and on the legs not only reflects McKenzie colors but is easily seen from several directions."

Mayor Holland added, "The painters did a great job of centering the stencil in order to see it from a couple of different locations, and worked with us through each step to make sure we were satisfied with the work they were doing."

Billy Wood, superintendent of the city Water and Wastewater Department, said the tank was not in use for a few years, until the fire department needed additional water pressure for its ISO review. American Tank then blasted and repainted the interior to facilitate the use of the 300,000-gallon tank.

In all, McKenzie has 1.4 million gallons of water storage in four elevated tanks – located at city hall, the hospital, the airport, and the recreation park. Additionally, the city has 150,000 in its clear well inside its water treatment plant in downtown McKenzie.

Huntingdon Approves Hazard Mitigation Plan

Courtesy Carroll County News-Leader

The Town of Huntingdon now has a Hazard Mitigation Plan in place.

Council members approved a resolution at the September 12 meeting to adopt the plan.

The resolution says the town recognizes its responsibility to prevent, prepare for, respond to, and recover from major disasters and other emergencies.

"The town needs to have a mitigation plan in place in case something was to happen," Mayor Dale Kelley told council members.

With recent hurricanes and flooding in Texas and Florida, government officials have become more aware of being prepared when disasters strike.

Carroll County Emergency Management Director Janice Newman drafted the plan, which will also be presented to other local governments in the county.

The resolution says the objective of the Carroll County Hazard Mitigation Plan is to identify specific vulnerabilities, formulate a degree of risk, and develop strategies to lessen or eliminate hazardous outcomes.

"The mayor and town council of the Town of Huntingdon have determined that adoption of the Carroll County Hazard Mitigation Plan is in the best interest of the town and benefits the general welfare of its citizens," says the resolution.

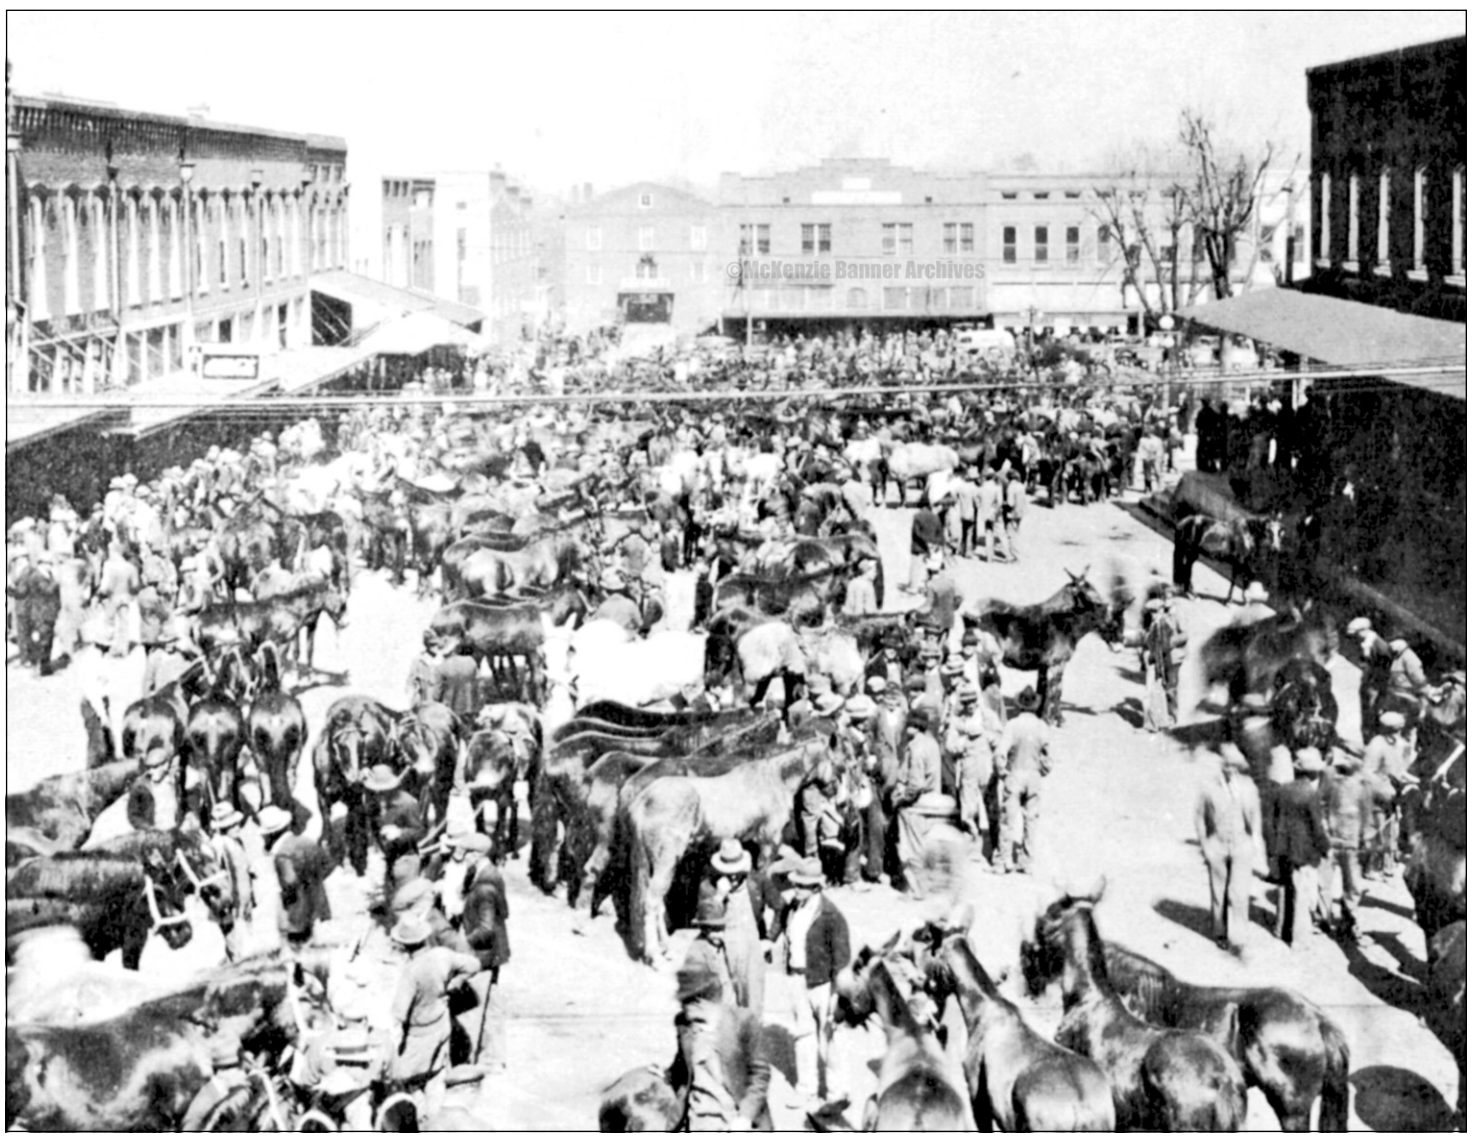

In communications from the mayor, he noted the Huntingdon Fire and Rescue team recently purchased a stabilizer equipment system to assist in vehicle extractions involving overturned vehicles. Members of the department received training on the correct way to use the equipment on September 6.

In addition, the mayor said, Huntingdon Fire and Rescue team hosted an Advanced Extrication Course led by instructors of the Tennessee Association of Rescue Squads. The course was attended by the local members and six other departments.

"The department especially thanks Dennis Bush for allowing the use of his building and providing scrap vehicles for use in the training scenarios," said the mayor.

HUNKER DOWN WITH KES

He Picked His Share Of Cotton

I never thought of Glen Campbell as a "Rhinestone Cowboy." Sure, he made a mint belting that song out every place he could gather up a crowd. In a long and distinguished career, most would consider it his signature tune. But rhinestones bespeak of glitz, sparkle and bling—none of which reminds me of Mr. Campbell.

We're not talking Liberace here. Or P. T. Barnum.

I never met him. I never saw him perform live. And he was far from my favorite entertainer. But two things about Glen Campbell really appealed to me. He grew up poor….. but never used that as an excuse or a hindrance. And he could flat out play a guitar.

Loretta Lynn's background in Kentucky's rural Butcher Hollow is well documented. Books have been written about Johnny Cash's cash strapped boyhood days. And Carl Perkins' first guitar was a cigar box with a "sound" hole cut in it, a stick for a neck, and a couple of strings tied on it.

Glen Campbell might have surpassed them all in the starting out with nothing department! He was the seventh of twelve children born to a sharecropper family near Delight, Arkansas, in the height of the Great Depression. You can drive through Pike County, in southwest Arkansas, today and still get a "feel" for what it must have been like in the 1930's.

I believe the story is an uncle gave Glen his first guitar when he was five years old. Let me tell you, he rode that instrument a long, long way! Music folks that know a whole lot more about pickin' than I do mention him in the same breath with Les Paul, Chet Atkins and Jerry Reed.

If you listened to a song recorded in Los Angeles in the early 1960's you can bet Glen Campbell was playing on it. That would include The Beach Boys, Ricky Nelson, Dean Martin, Bobby Darin, Nat King Cole, Frank Sinatra and Elvis.

We talk about rhinestones but the first time I ever saw Glen Campbell he was wearing a sweatshirt with the sleeves cut off. I'm pretty sure the year was 1965. He was sitting on the front of the stage in a television show called "Shindig," strumming the heck out of a guitar.

I remember him mostly in turtleneck sweaters and a camel hair blazer. That impression came from his own network TV program, "The Glen Campbell Goodtime Hour." This show was the result of the success of "Gentle on my Mind," "By the Time I Get to Phoenix" and "Wichita Lineman".. It turns out ole Glen could sing a little while he was thumbing those six strings.

I missed him when he came to McKenzie. Most local folks did. I had already moved away to seek my own fortune and fame. Glen didn't advertise his trip to the small West Tennessee town which I still call home. But he had a friend living back then in the old two story house at the corner of Stonewall Street and Cherry Avenue.

Glen Campbell hadn't risen so high or become so important that he'd forgotten his buddy from the old days. He drove up to the house with his guitar case in his hand. He'd come to pick and sing about as far from the glitz and glitter as a "big time" entertainer could get!

A handful of amateurs were privileged to join in the jam session. Bobby Brewer happened to be one of them. Bobby said Glen Travis Campbell was as humble and down to earth as a body could get. He also said he could pick the fire out of any instrument they put in his hands.

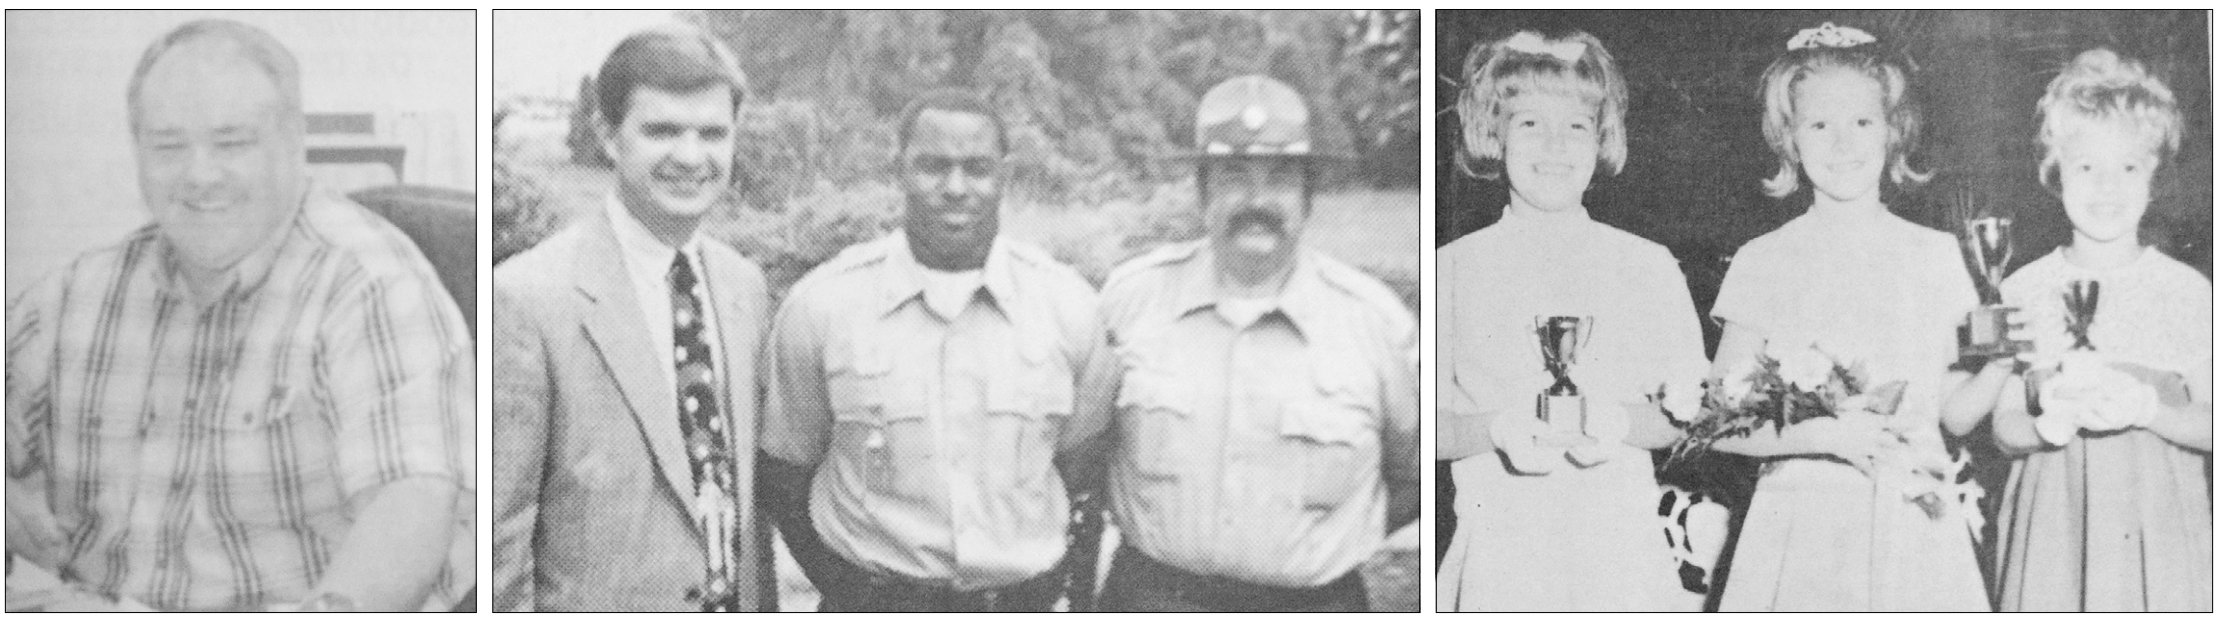

Sure, we've all read of the ups and downs in the life of Glen Campbell. He had struggles and problems that went beyond the norm. It could be said his demons had demons. But I never heard him blame anyone but himself. Maybe the early struggles in life are harder for some to overcome no matter the fame or accomplishments that follow.

He was a part of my times. I watched him on TV. I listened to his records. I appreciated the talent he had. I can still hear his high pitched voice when he kicked off each of the "Goodtime Hours" with "Hi folks, I'm Glen Campbell."

And I will forever remember him saying how much The Lone Ranger and Tonto meant to him as a kid. It was an escape from his world to be on the range rounding up bad guys...just like so many of us!

But unlike us, he'd finish his tribute to the masked hero with a hearty "Hi-Yo Silver" and pick the Lone Ranger theme out on his eleven thousand dollar guitar like a little kid chasing down the Butch Cavendish gang!

Respectfully,
Kes

Morning Glory Garden Club Meets

The Morning Glory Garden Club met Tuesday, September 5, at the lovely home of Sara Fitzgerald with Diane Stafford serving as co-hostess.

President Gena Manner called the meeting to order and thanked the hostesses. In the absence of both Club Chaplain Donna Pruneau and Co-Chaplain Debbie Riley, Gena shared a "Thought for the Day." Judy Davis gave the treasurer's report.

Happy Birthday was sung to members with September birthdays: Ann Dinkins, Lois Brazie, Judy Davis, Olive Austin (in absentia), and also to Robbie Barker whose birthday was in August.

Civic Committee Chair Donna Hodge reported that the geraniums in the downtown Veterans Park are still blooming beautifully, as are the plants in the butterfly garden at the elementary school.

Yard-of-the-Month for September was awarded to Bill and Judy Davis at 25 Winterberry Place in Holly Hills. The Club also gives special recognition to the McKenzie City Hall for their gorgeous plantings and well-maintained landscaping.

Sunshine Chair Robbie Barker sent sympathy cards to Leslie Lewis for the loss of her sister-in-law and to Sharon Hunter for the loss of her husband, as well as several get-well and thinking-of-you cards.

We planted a 9/11 memorial tree at the high school.

The program was a discussion of our Halloween scarecrow to be placed in the downtown Veterans Park.

Our October meeting will be a trip to Lichterman Nature Center in Memphis to view the gardens and the extensive scarecrow displays.

Horticulture was presented by Gena Manner, Diane Stafford, and Sara Fitzgerald.

Present at the meeting were Robbie Barker, Lois Brazie, Judy Davis, Ann Dinkins, Sara Firzgerald, Joan Gibson, Donna Hodge, Gena Manner, Sharon Ray, Lucille Russell, Diane Stafford, Sally Sutton, and Judy Winters.

Humane Society Offers Spay-Neuter Help for Low-Income Pet Owners

The Carroll County Humane Society has received a grant from Tennessee Spay-Neuter Coalition to help low-income residents of Carroll, Henry, and Weakley counties fix their pets. The grant requires proof of residency and economic need to receive assistance.

CCHS will be offering vouchers for dog spays and neuters for $30 and a reduced rate for cat spay and neuter surgeries at $20 for eligible people on Saturday, September 23 at the shelter building from 10 a.m.-3 p.m. (or until the money runs out). The grant defines "low income" as a household income of less than $35,000 per year. People who fit this economic category and live in Weakley, Henry, or Carroll counties are encouraged to take advantage of the opportunity.

Dog surgeries are scheduled via Huntingdon Animal Clinic at the time the voucher is purchased. Cat surgeries are performed at Paris Vet Clinic and cat owners can call to make their own appointment. Vouchers must be purchased in advanced of either surgery.

CCHS has become more aggressive in finding grant money to combat the plight of over-population of companion animals in this area. Their low-cost program for cats is ongoing at a regular price of $30 but low income folks are especially encouraged to take advantage of the $20 voucher "sale" to fix all their cats to prevent so many unwanted litters of kittens.

For more information or questions about this program, please contact the shelter directly at 731-352-9950, cchstn@gmail.com or by messaging the CCHS Facebook page.

Henry County Approves Wheel Tax for School Project

Courtesy Shannon McFarlin, WENK/WTPR News

PARIS (September 18) — Finalizing resolutions that have been discussed over several recent meetings, the Henry County Commission Monday night unanimously approved $9.1 million general obligation bonds to pay for the planned Henry County High School renovation project and adopted a $25 annual local wheel tax to pay for it.

The commission also unanimously approved the execution by Henry County Medical Center of a $9.2 million loan to pay for planned capital expenses. As explained by Hospital CEO Tom Gee at last week's work session with the commission, HCMC is seeking permission from the county commission to borrow $9.2 million from the Tennessee Municipal Bond Fund that will be used for capital expenses.

None of the money being borrowed or used to pay off the hospital loan come from the county, however, the county commission approves any borrowing.

Greer noted that in discussion with State Rep. Tim Wirgau, R-Paris, Wirgau "felt comfortable taking this to the legislature" since it involves private act agreement by the state.

During the August meeting of the Henry County Commission, Mayor Greer also noted installation of artificial turf is not included in the high school proposal, but there is an effort by a private group that is planning to raise money for artificial turf on the football field.

In discussion on that point, School Board Chairman Doug Braden noted, "What the private citizens are doing is totally separate from this. If someone wants to raise money and give it to us, we'd be hard pressed to say no."

However, two other board members, Rod Frey and Tom Beasley, indicated not everyone may be for the artificial turf proposal.

Frey noted that the high school project "affects every student in the school, but the field project would only affect 150 students. If the private group raised money for it, they would still have a lot of steps to go through." The high school project "affects all the students and staff and includes security and safety measures for everyone, not just a certain group."

Beasley said, "Not everyone on the school board is o.k. with accepting the money if it was raised (by the private group). It would obligate future school boards to maintain it," which he said would be extremely expensive.

Clarks Celebrate Golden Anniversary

HUNTINGDON — Robert and Paula Clark will celebrate their fiftieth wedding anniversary Saturday, September 23, 2017.

The couple first met as young, active teenagers at Webb High School in McKenzie. Robert was a percussionist in the band and Paula was an enthusiastic majorette. The pair was inseparable and a few years later, they married September 23, 1967.

Robert retired from the United States Air Force as a technical sergeant and aircraft loadmaster after 22 years of dedicated service. He also served nearly 39 years as a locomotive engineer for CSX.

Robert currently operates passenger buses for Gray Line and travels throughout North America.

Paula retired from the State of Tennessee's Department of Labor and Workforce Development after serving over 30 years. Paula enjoys retirement by visiting her children and grandchildren and participating in community and church events.

Robert and Paula have resided in Huntingdon throughout their marriage and are dedicated members of the Beasley Street Church of Christ.

The couple has four children, James (Dee) Webb of Alpharetta, Georgia; Yvonne Webb of Louisville, Kentucky; Cassandra (Anthony) Hess of Lawrenceville, Georgia; and Raquel (Bernard) Harris of Chattanooga, and a host of grandchildren, nieces, and nephews.

Robert and Paula will celebrate their notable milestone with family and friends.

Yates Celebrates 100th Birthday

Rosa Newbill Yates of Trezevant, Tennessee was recently honored at a "100 Years Loved" reception to celebrate her 100th birthday. The reception was Saturday, September 9, 2017, but her actual birthday was September 11, 2017. The event was hosted by her family at the home of her granddaughter, Sherry Cunningham Schedler, in Bartlett, Tennessee. Approximately 50 guests attended.

Family members attending were her daughter, Nancy Cunningham Hinton, and granddaughters, Sherry Cunningham Schedler, Perian Cunningham Ragland and Kara Cunningham Odom. Also attending were Rosa's great-grandchildren, Keith Odom, Jason Schedler, Rachel Wilson and Rana Ragland.

Family members attending from out of town were Rosa's brother, Jack Newbill of LaGrange, Georgia. Others include several of Rosa's nieces and nephews: Sandra Newbill Powers of Nashville; Pat and Annette Newbill Trujillo of Panama City, Florida; George and Janet Newbill of Baton Rouge, Louisiana and Wayne and Angie Newbill of LaGrange, Georgia. Her beloved late son-in-law's family (Gordon Cunningham), whom Rosa also considers family, attended. They are Ray and Diana Cunningham from McKenzie with their daughters, Michele Cunningham Garrett of McKenzie and Andrea Cunningham Smothers with her daughters, Kristen and Lauren from Medina; and Mark and Suzanne Cunningham of Huntingdon.

Rosa was elated to see many very close and cherished friends from Trezevant and her church, First Baptist Church of Trezevant. Some of those attending include her pastor, Reverend Malcomb and Teresa Norton, Danny and Pat Belew, Becky Hillsman, Bennie and Janice Kennedy, David and Mary Scates and Bobbie Hillsman Wooten of Munford, Tennessee.

Rosa's great grandson, Jason Schedler, presented a slide show of special moments in photographs throughout Rosa's life. She was presented with congratulatory proclamations from the City of Trezevant Mayor Dennis Mitchell, Tennessee Governor Bill Haslam and Shelby County Mayor Mark H. Luttrell, Jr.

A heartfelt thank you to all who attended, called, sent cards and flowers and helped behind the scenes to make this day so lovely for Rosa. It was a joyful time honoring one incredibly beautiful lady, Rosa Newbill Yates, known to many as "Peanie" on her 100th Birthday.

Morning Glory Garden Club Plants Memorial Tree

On Monday, September 11, members of the Morning Glory Garden Club met at McKenzie High School to plant a red maple tree in memory of those who lost their lives on September 11, 2001. Principal Tim Watkins, members of the senior class of 2018, and Mayor Jill Holland joined club members for the memorial ceremony.

Gena manner, president of the Morning Glory Garden Club, shared with the students how the event affected club members who were gathered at her home for the club's monthly meeting as they watched the planes hit the World Trade Center towers. Mayor Holland spoke about the impact of the terrorist act, even though these students would have probably been too young to remember the event. She suggested that years from now, they could bring their children and grandchildren to see the memorial trees which have been planted at the school throughout the years by the garden club.

The ceremony concluded with a prayer by club member Debbie Riley.

ATWOOD (September 15) — The West Carroll War Eagles hosted region foe Gleason for Homecoming and celebrated with a 41-0 shutout of the Bulldogs.

War Eagle rushers provided Dresden with a challenge the previous week and came through in a big way against Gleason.

P.J. Odom had five carries for 47 yards and a pair of touchdowns. Quarterback Trace Fuller rushed five times for 39 yards and two scores and he hit on four of his six passes for 66 yards and a 21-yard TD throw to Chris Shear.

Jarrius Weatherford had three carries for 85 yards and a TD and Jeremiah Bryant rushed seven times for 61 yards.

Gleason Quarterback Nick Oatsvall suffered a bone bruise last week, but was back for the game against West Carroll. Olen Reed received the starting nod at QB, but Oatsvall was inserted near the end of the opening quarter.

The Dawgs were led by their bevy of ball carriers including Chandler Brawner, who gained

Rebels Fall After Fourth Quarter Charge By Lions

McKENZIE (September 15) — After four quarters of football action, three-and-half hours on the field (including an extended injury time-out), a combined 33 penalties and 69 points, the McKenzie Rebels fell to 2-2 after a fourth quarter back-and-forth with regional foe Trinity Christian Academy (TCA).

McKenzie's offense was led statistically by QB Zach Jarrett and RB Joseph Miller. Jarrett was 12 of 29 in passing with 186 yards, one touchdown and one interception. Miller rushed for 131 yards with 18 carries and two touchdowns.

Defensively, Cameron Rawls led the Rebels six tackles and Elijah Horton recorded five. Miller was awarded the only Rebel sack.

TCA's offense produced 180 passing yards by Matt Spurgeon. The Lions ground game finished the night with 253 yards. Viktor Horton had 35 carries picking up 227 yards and two touchdowns.

The first half belonged to the Rebels as they led by a 10-0 score at the closing point. The scoring drives came from the legs of Miller and Lucas Waddell. Miller marked six on the board with a 22-yard run in the first quarter followed by Waddell's PAT.

In the second quarter, Waddell produced three points off a 27-yard field goal.

At the 8:17 mark of the second quarter, the game came to halt as Murphy Watkins went down with an injury. Watkins was hit 25 yards away from ball during a punt and was attended to by team physicians on field. He was transported by ambulance to McKenzie Regional Hospital and later returned to the Rebel side lines.

McEWEN (September 15) — The Huntingdon High School Mustangs remain undefeated after a Friday road trip and a rout of the region foe Warriors. Huntingdon's starters built a quick 42-0 lead and were given the rest of the night off by halftime. The previously-unbeaten hosts battled in the second half and managed a couple of scores for a 49-14 final.

For the first time this season, Huntingdon lost the coin toss, and McEwen elected to receive the opening kickoff.

It was just as well for the Mustangs (who have deferred to the second half every week) as a first-down fumble was recovered by Devin McClerkin.

Just as quickly, Huntingdon quarterback Kade Pearson threw to Hunter Ensley for a 34-yard touchdown. Tyrese Mebane kicked the extra point, and the Mustangs led, 7-0, 20 seconds into the contest.

Isaac Carter began the next Warrior drive with a 20-yard run, followed by another for three. Quarterback Jonathan Lutz threw to Peyton Rumsey for four yards, then Brock Dowell gained just a pair to bring up fourth-and-one. Lutz kept on a sneak to move the chains. Cameron Manners lost a yard, and Dowell was stopped for no gain. Lutz threw incomplete on third down, but Huntingdon was flagged for pass interference. With a fresh set of downs at the

Lil' Rebel Glow Run Raises $2,000 with Record Participation

McKENZIE (September 9) — The McKenzie Elementary PTO held its annual Lil' Rebel Run Saturday, this year with a new twist that proved popular among the young runners.

The event, usually held in the morning, was moved to evening and turned into a "glow run" with kids wearing glow stick necklaces and bracelets as they ran laps around the school's playground.

An event-record 65 students participated, and the money raised has topped $2,000, nearing a record haul with pledges still being collected.

Among ten Kindergarten runners, first place went to Nevaeh Herris with 13 laps run. Tied for second were Willow Stenberg, Madelyne Milam and Kaylee Watson. In third was Collins Finley.

Out of a dozen first graders, Liam Moore took first with 13 laps. Just behind were Reid Little in second and Ross Little in third.

A big group of 17 second graders was led by Kason Brown and Evan Gibson, tied with 16 laps each. Kaiden Carnes and Hunter Soto tied for second, and Addison Milam came in third.

Seven third graders competed, led by Natalie Herris and Xander Phillips with 16 laps. A three-way tie for second included Kellen Finley, Casey Cunningham and Dallas Stone. Ramon Tellez was third.

The fourth grade led in participation with 19 runners. Landon Pershell took first place with 19 laps, followed by Aidan Klonowski in second. Third place was a tie between Brody Berryhill, Luke Toombs and Briley Priddy.

Each first place winner received a gift basket from the Park Theatre containing a $15 gift certificate, candy and a drink.

All runners received a coupon for a free treat at Sonic Drive-In.

The overall leader in money raised was first grader Frannie Trout, who received a bicycle.

The class with the greatest participation, Josie Brown's second grade class, will be treated to an ice cream party.

Students ran in two groups, Kindergarten/first grade and second through fourth grade. Teachers Lauren Hickman, Julia Petering, Lorrie Brown, Allison Winston and Josie Brown ran with their respective groups, while Principal Timothy Barker and librarian Carol Nanney ran with both groups.

Mustangs

...From Sports Front

Mustang 30, McEwen committed a holding infraction and moved back to the 43. Lutz threw incomplete, then kept for a loss. After another incomplete pass, McEwen punted to Ensley, who returned the ball 22 yards to the 32.

Mustang Elijah Wilkerson ran 18 yards to midfield, then Pearson threw toward Dallas Willis. Willis initially caught the pass, but Lutz took it out of his hands for an interception. Fortunately for Huntingdon, the Warrior defense had jumped offside before the play, negating the takeaway. Mebane got the next handoff and took it 45 yards to paydirt. He then kicked the PAT to give the Mustangs a 14-0 lead with 5:16 left in the first frame.

A decent return by Isaac Hall gave McEwen better starting position at the far 40. After a sack of Lutz by Mustang Konnor Pearson, Carter ran twice for a first down. From there, the Warriors were stifled and forced to punt.

Starting deep at the 18, Mustang Brandon Lawton ran for ten, then Wilkerson picked up 36. Kade Pearson kept for 20 down to the 16, then threw to Mebane for a touchdown. Cole Edwards took over the kicking duties, hitting the PAT for a 21-0 Huntingdon lead.

The last play of the first quarter was Huntingdon's kickoff, which was fumbled by Hall and picked up by Konnor Pearson.

The first play of the second was a 25-yard touchdown pass from Kade Pearson to Willis. After an Edwards kick, the Mustangs led, 28-0.

McEwen started deep with Carter running for four yards. Then Lutz's pass was intercepted by Lawton, who ran it back about 40 yards for another Huntingdon touchdown. Edwards kicked, and the Mustang lead was 35-0.

Again, the Warriors started deep with Lutz passing to Hall for a first down. Then, Carter carried, but Mustang Austin Avery delivered a hit to cause a fumble, and Mebane recovered.

From the McEwen 30, Lawton ran nine, then Mebane went 14 for a first-and-goal. Lawton took it into the end zone, but Huntingdon was flagged for holding. Lawton tried again, gaining eight, then Mebane went six for the score. Edwards remained perfect, and Huntingdon led, 42-0, with just over nine minutes until halftime.

The Warriors began the ensuing drive at the 31. Carter ran three times to move the chains, the Lutz made two passes for another first down. From the Mustang 40, Carter gained three, then Lutz was stopped for no gain. Carter gained a pair on third-and-seven, and Lutz lost a yard on fourth down.

With just 3:29 to go in the half, Mustangs Blake Bradley and Devontae Harris took turns running the ball and earned two first downs before time expired.

Huntingdon received the second-half kickoff, but went three-and-out, hindered by a holding call.

McEwen started their drive with a fumbled snap and a ten-yard sack by Mustang Jaylen Williams. The Warriors managed just five yards before punting.

Huntingdon's next drive stretched into the fourth quarter, but ended with a turnover on downs deep in Warrior territory.

McEwen finally scored on a long drive, including a 56-yard run by Manners and a 15-yard touchdown carry by Hayden Colston. Carter ran for two extra points, and the Mustang lead was 42-8.

Huntingdon started at the 32 with Malek Cannon running for a first down. Then, a fumble was recovered by the Warriors and run back 55 yards for a touchdown. Carter came up short on another two-point attempt, and the score was 42-14.

The next Mustang drive started at the 24 with Ethan Rutherford running for seven, then one. A holding call set Huntingdon back, but Harris found an opening for an 80-yard touchdown. Edwards nailed the PAT, and Huntingdon led, 49-14 with just over two minutes to go in the game.

Carter ran for a first down, then for six more yards, before Manners fumbled. Mustang Grant Bartholomew dove on the fumble as time expired.

Huntingdon had 426 total yards of offense (358 rushing) on 44 plays, while McEwen had 177 yards (154 rushing) on 46 plays.

Mustang quarterback Kade Pearson was three of three passing for 68 yards and three touchdowns. The three touchdown passes went to Hunter Ensley (34 yards), Dallas Willis (18) and Tyrese Mebane (16).

Devontae Harris led Huntingdon with seven carries for 135 yards and a touchdown. Tyrese Mebane rushed three times for 71 yards and a pair of touchdowns. Elijah Wilkerson ran twice for 53 yards, and Brandon Lawton had three carries for 26 yards. Kade Pearson rushed once for 21 yards.

Konnor Pearson led the Mustangs with five tackles, two assists and two sacks. Austin Avery also had five tackles, with two assists and one sack. Bo McLemore had four tackles, an assist and a pair of sacks. Dallas Willis had three tackles and three assists.

The Mustangs (5-0, 2-0) will host rival Milan for a non-region contest Friday. Kickoff is 7 p.m.

DYER (September 14) — The McKenzie High School Lady Rebel soccer team bounced back in a big way Thursday with a 6-0 road victory over district opponent Gibson County.

Hannah Bilger led the offense with three goals and an assist. Allie Chappell scored a pair of goals, while Maggie Aird had a goal and an assist. Maddy Dreaden also had one assist. Goalkeeper Gracie Dillingham had six saves.

The win puts McKenzie in second place in District 13 behind Martin-Westview with just one game remaining.

The Lady Rebels will host South Fulton Thursday and will celebrate Senior Night during halftime. The contest begins at 5:30 p.m.

Rebels

In the second half, the scales tipped in favor of TCA. Two touchdowns in the third quarter put the Lions ahead of the Rebels 14-10.

The fourth quarter started with the Lions pulling further ahead after TCA's Horton popped off a 40-yard touchdown run.

The Rebels worked their way back into the lead 26-21 following a 50-yard touchdown pass from Jarrett to Lane Horton. Miller picked up the two-point conversion and added his second TD of the night with a 16-yard run with another successful two-point conversion.

TCA took the lead 28-26 following a short score by Kevin Davis with 6:18 left to play. The Lions offense added two additional touchdowns to close the game 43-26.

The Rebels look to rebound from the tough loss next Friday night as they remain at home for the third consecutive week to battle the Waverly Tigers. Kickoff is 7:30 p.m.

War Eagles

tough yards up the teeth of the defense. He finished the night with 12 carries for 58 yards.

Terry McKinney likewise provided yards for the Bulldogs with 11 rushes for 62 yards.

The Dawgs opened with possession on their own 39. They were flagged for a false start, lost a yard on a Reed keeper and gained back 10 on two Brawner handoffs, but it wasn't enough and the visitors had to punt.

At the West Carroll 44, Bryant took a direct snap six yards to midfield. Odom was stopped after two and Kyler White was limited to one, but Bryant kept the chains moving with 17 yards. At the Gleason 30, Fuller added 10 yards on a keep and Odom moved ahead for two before going 18 yards to the endzone. Devin Nash's kick put the home team put 7-0 with 5:54 remaining in the first quarter.

From the Gleason 28, Reed hit Dawson Arnold with two short slant passes of four and five yards respectively. McKinney plowed ahead for 10, but offense slowed with a penalty and a misfired pass. Brawner gained four yards, but Oatsvall, in at QB, threw incomplete and Gleason punted.

Two plays later, Weatherford found the endzone from 60 yards away. Nash's kick doubled the score, 14-0, with 2:06 left in the opening quarter.

After a net loss of 15 yards, Gleason punted on its next series, but early in the second quarter, the War Eagles were forced to punt as well.

McKinney picked up 10 yards on two carries and Brawner gained 16 on a pair of rushes. At the Gleason 46, Oatsvall picked up four yards, but McKinney fumbled the ball away at midfield.

Aided by a long run from Weatherford plus a personal foul penalty on the Dawgs, West Carroll quickly found itself on the Gleason 14. Bryant ran eight yards and Fuller cleaned up with a six yard run to the endzone. The kick was blocked, but with 7:41 left before halftime, West Carroll led 20-0.

The Dawgs lost the ball on a low snap to start the next series and West Carroll took over on the Gleason 30. Behind short clock-eating gains, Fuller finally ran 12 yards for the score. He was stopped on the conversion, but with 6:09 remaining before the half, the War Eagles led 26-0.

Both teams punted on their next series and when Gleason punted the next time, the kick was short and the War Eagles took over at the Gleason 21. Fuller hit Shear for the 21-yard pass play and score, he threw to Noah Brasher for two more points and West Carroll rolled into the break with a 34-0 lead.

Into the third quarter, West Carroll started with possession and White was hit in the backfield by McKinney for a two-yard loss. Bryant made up for it with a 33-yard carry down the left sideline and Odom capped the drive with a 27-yard TD run. Nash's kick made it a 41-0 game with 10:45 left in the third and the clock started rolling.

Gleason's next series looked promising as Brawner and McKinney helped move the chains. Oatsvall hit McKinney on a 13-yard pass from a busted play and Brawner and McKinney continued to chew up yardage against the War Eagles' second unit. Down to the West Carroll 13, however, the offense stalled and when Oatsvall's pass fell incomplete, the Dawgs turned the ball over on downs.

With the reserves in, West Carroll soon had to punt and the contest ended on a five-yard carry from Jamison Lifsey, but a big points night for West Carroll.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
