athlete from Mexico and Australia. Ellie bested the athlete from Mexico to advance to the semi-final.

Contestant number 5, Ellie Roditis, stood in line in semi-final competition with fellow competitors as the targets were launched. Each one waited their turn to shoot as cameras, positioned front and back, were pointed on them.

It was those four – two Italians, one Russian, and one American, left to compete for the three medals. The shoot off left Roditis tied with an Italian in the bronze medal match. In her final match, Ellie was down two targets, then tied at nine each and again at 10 each. With just one chance remaining, Roditis hit the final target to take an 11-10 lead and earn the Bronze medal. The winners were Alessia Iezzi of Italy, Yulia Tugolukova of Russia in second, and Ellie Roditis in third. Each stood on the Olympic-style podium at the conclusion of the contest. Each was presented her medal and a bouquet of flowers. They then each faced three flagpoles while Italy's national anthem was played and the three flags – representing the countries of the three competitors, were hoisted on three individual staffs.

The entire event was videotaped and is available for viewing at the International Shooting Sport Federation website. The two sportscasters described Roditis' left-handed style as "distinctive" as she held her Italian-made Beretta 12-gauge

over-and-under shotgun. At the beginning of the competition, they were speaking of the two Italians as some of the top competitors. However, in short order, it was Roditis who they decided was equally as good.

Roditis has competed since the seventh grade and was initially encouraged by Lance Rider, coach of the McKenzie Shooting Sports. She has competed locally, nationally, and in Colorado at the Olympic Training Center.

In recent months, she has trained in Nashville under the tutelage of Chad Whittenburg. She has also shot at the Carroll County Shooting Sports Park in Huntingdon for practice.

As for the trip to Italy, it was a family affair. Her mom and dad, Spiro and Sandi, brother, Stafford, and grandmother, Diane Stafford, traveled. Ellie traveled with the American shooting team while the family traveled separately. Ellie arrived on September 6, enjoyed some leisure time with

her team mates, and traveled to Venice on September 7. On September 8 and 9, the team reported to the range to practice. Thursday, September 10, the team participated in opening ceremonies.

The Roditis and Stafford families enjoyed traveling and sightseeing while Ellie participated in official practices. It was Diane's first trip outside the United States except a previous visit to Cancun.

The International Shooting Sports Federation Championship is a world competition and not the preliminary for any other events. Ellie will continue practicing and competing in events with her sites on the Olympics in Tokyo in 2020.

In conclusion, Ellie offered thanks to the Lord, her family, Lance Rider, and her coach, Chad Whittenburg.

Vanderbilt, Henry County Medical Cut Ribbon for New Flight Base

Vanderbilt LifeFlight has a new air base in Paris/Henry County. A ribbon-cutting ceremony was held Tuesday, September 15 to celebrate the new base, located at the Henry County Airport. The celebration was held at the helipad at the Henry County Medical Center.

Tom Gee, CEO of Henry County Medical Center and Lis Henley, Program Director for the medical air service happily told of

the new partnership that better serves the rural area of Henry and surround areas. Vanderbilt will have 10 crewmembers, four pilots, and two mechanics based with the aircraft. Henry said Vanderbilt has six active aircraft and two spares in its service area. The EC135 helicopter made by Airbus, is a medium size aircraft that accommodates one pilot, one nurse, and one paramedic on each flight. Med-

ical attendants have 360-degree access to the patient.

Patients are transported to the closest most appropriate medical facility that the patient and health care provider choose. The local base expedites medical transportation in the region.

Gee said Vanderbilt has served Henry County Medical Center for more than 30 years. The rural hospital serves 100,000 patients each year.

bers of the Huntingdon Church of Christ, were in attendance to ask council members to leave the distances as currently listed in the ordinance. Leaving the ordinance as is would restrict Huck's, a nearby convenience store to the church, from obtaining a license.

The town had recently received a letter from Huck's requesting a waiver or variance on the required distance.

Prior to the council vote, the vice mayor said the Finance and Administration Committee met on Aug. 31 about the distance change, and after discussing Huck's request, and agreed to recommend the change be presented to the council for passage. Members of the committee included: Powell as chairperson; and Smothers, Tucker and Hodges.

It was noted in the meeting that the distances in 11 other nearby towns for off-premise distances were less than Huntingdon's and only Greenfield's was more.

"The economic impact of the distance requirement was also discussed relating to the growth and development of new and existing business growth of our community," said Powell. "It was the consensus of the committee members present that it is in the best interest of the community that the committee make a recommendation to change the distance requirement."

She added at the end of the discussion that Tucker made the motion with Smothers adding a

second and no votes were cast against it in the committee.

Huntingdon Church of Christ minister Dan Winkler, who said he and his family have lived here for 17 years since the 1980s at two different times, made an impassioned plea to the council to not change the footage requirement. He cited a number of reasons for the church's opposition, while also saying that he appreciated the positive changes that have been made by the council's leadership over the years.

"The establishment (Huck's) is close to the front door of the church," said the minister. "We have great concerns about that. There are an abundance of establishments selling beer already."

He continued by saying the Bible says "Love does no harm."

"We can all attest to the fact that alcohol does harm," he said. "Every preacher in this town addresses issues with people whose lives have been broken by alcohol."

He advised council members if they voted yes for the request that corporate America has made, it would be to vote more harm and pain.

"We're making a request for you to say no to corporate America," he said.

He added that the town had embraced their family in some of its darkest moments.

"A decision here has to be made for increased revenue or a decision based on love," he

concluded.

The mayor said before he voted that he had sat in on the committee meeting and that a very detailed study had been made of the matter.

"I vote aye," he said.

Later he talked about the reason for his vote.

"The town is not advocating beer because it's already here," he said. "It's a matter of being fair to other property owners and putting everybody on the same playing field. We represent all the people all the time."

He mentioned that it doesn't mean that it can be located close to schools because in order to request a beer license, the property must be zoned B2 (Commercial).

In other business, council members:

- Awarded a concrete bid to Mid-Way Materials at \$99.50 per yard for various projects as needed. There was only one bid submitted after being advertised.

- Agreed to solicit bids for the exterior painting of the new City Hall.

- Awarded the administrative services contract to Community Development Partners in conjunction with Phase II of the Kelley Sports Complex addition and construction of two more fields with fencing and bleachers.

- Voted for Telegraph of Milan to perform the engineering services for Kelley Sports Complex addition's Phase II.

freedom of choice if the City doesn't offer a plan. Employees themselves will continue to receive major medical and dental coverage at no charge.

After brief discussion, the board unanimously voted to not offer family coverage.

The board also approved appointments to several positions. Dennis R. Coleman, who has many years of industrial experience, was appointed unanimously to the Industrial Development Board. Dean Robb was reappointed to the Zoning Board of Appeals through 2017. On the planning commission, Bobby Young was reappointed through 2018, and councilperson Charles Pruneau was appointed to replace Gene Hale through November 2016.

The board also gave approval for bids to be taken to replace the traffic lights at the intersection of Highland and Cherrywood. Members also agreed to pursue an ordinance for a size, weight, and age limit on playground equipment at the public parks.

Members voted unanimously to cover damage to a citizen's property caused by a leaking water main. The \$6,800 being sought by the owner will only cover a portion of the damage, but the City will face no further liability for that particular incident.

In another unanimous vote, the board agreed to enter a contract with the state for building inspections. The advantage in doing so is that the process is uniform, neutral, and simplified. All costs associated will be consolidated into one fee.

The board also heard from

Lee Thornton, community development coordinator, who discussed the Fair Housing Act. The council is required to hear a review of the act to ensure that regulations are being followed in the city.

Mayor Holland announced that there will be a workshop on September 24 at 5:30 with Tim Planner on building inspections.

She also announced that McKenzie had been selected as a Tennessee Main Street community, commending volunteer Garlon Prewitt on his hard work to achieve the goal. On Wednesday, September 16 at 4 p.m., the signage will be presented by Nancy Williams of Tennessee Main Street.

The meeting adjourned in just under an hour.

Going Back Shows You Can Go Home

By Frank Gibson

GLEASON — Who says you can't go home? Those words reverberated in my head as I headed down Highway 22 South on the way back to Nashville on Labor Day weekend.

Wife Kathy and I were returning from the annual Tater Town Festival here. We were here for a reunion of the Gleason High School Class of 1965 – my class. Home is a few miles from the late Gov. Ned McWherter's hometown and is in the middle of what he often reminded me was "God's country" (as in "when you coming back to God's country?")

I had the honor of emceeing the banquet Saturday night at the Simply Southern restaurant out on the 22 bypass. I was excited to see my classmates, but to prepare I probably engaged in a little more introspection than anyone, reflecting on what the town and people had meant to me after being away so long.

There had been 38 of us in the class. We paused at the start of the evening to honor the memory of nine we have lost along with our award-winning football coach, Edgar Settlers. The 1963 Bulldogs won the first conference championship in school history and the proud Class of '65 provided 10 players on that small team.

Some Tennessee Press Association members may wonder what this has to do with my position at TPA. Well, everything actually, because if not for the Class of 1965 and my place in it I probably would not be in journalism and would not have spent 40 years of reporting/editing at The Tennessean.

During my junior year at what is now simply called Gleason School, I covered the championship run of the Bulldogs in The McKenzie Banner and Dresden Enterprise, chronicling the 10-0-1 season under the byline "Frankie Gibson." Some of my clips were in a photo display at dinner.

Immediate past TPA President Joel Washburn's parents published the two papers back then, but Joel is publisher of the Banner and Enterprise these days.

My classmates elected me class "reporter" my senior year along with the offices of class president, vice president, secretary and treasurer. That made me the school reporter.

So you see, I started out as the ultimate "community journalist" – a student delivering a weekly school news column to the Banner office. It was always handwritten because we didn't own a typewriter. A friend remembered at the reunion dinner that I could type 60 words a minute with two fingers and a thumb, much to the chagrin of our typing teacher, Mrs. Bradford. There was never time to type the columns in class.

That activity stirred an interest in journalism. I played on the 1964 team that stretched the Bulldogs winning streak to 18. That brought Tennessean Sports Writer Buddy Murchison down to do a story about our achievement.

After Buddy interviewed the stars and the coach, I interviewed him about being a journalist and whether he knew of any scholarship possibilities. No, but he told me if I ever made it to Nashville to look him up and he would introduce me to the right people. Two weeks after graduation I climbed aboard a brick truck headed east, and within four months I had landed a job at The Tennessean.

But, I digress. We had a fun evening, remembering and telling tales as well as confessing to youthful indiscretions, including unauthorized visits to the postmaster's prized watermelon patch and tossing water-filled balloons on Halloween.

There were serious moments. We heard stories of successful careers and businesses, of classmates who taught young people from pre-K to college math, and 50-year marriages still going strong. There were warm stories of children, grandchildren and a few great-grandchildren, and some shared poignant, heart-wrenching stories about losing young children, grandchildren, and parents. There were painful accounts of spouses struggling with health issues but nary a murmur or complaint of personal health issues among the 24 ex-mates.

After a day of visitation and celebration, including seeing Joel Washburn shooting pictures as we rode through town on bales of straw in the annual Tater Town Special parade, I had to give my classmates an honest assessment -- "50 years sure looks good on you people."

The year we came out of GHS, Cokes, stamps and Hershey bars all cost a nickel, bread was 21 cents a loaf, the mini-skirt emerged as the fashion statement that year, Cool Whip and Diet Pepsi had just come out, you dropped a dime to make a pay telephone call, the first Subway sandwich shop opened, and two of the top songs nationally and the Gleason Dairy Bar jukebox were "Wooly Bully" by Sam the Sham & the Pharaohs and "Mrs. Brown, You've Got a Lovely Daughter" by Herman's Hermits.

In hindsight, perhaps the most significant development that year was the creation of Medicare.

A kind introduction (or re-introduction) by all around class leader Bonnie Arnold Bullock moved me to share with the 50 or so people in the room what I had realized after years of introspection: that I was blessed to grow up in a small town with the people in that room and those who had passed on. I was blessed with good teachers. I had been blessed to be raised by a loving grandmother, Della Williams McDearman Riles, and to enjoy a career of purpose. "Choose a job you love and you will never work a day in your life." Confucius said, accordingly to Google.

So as we rolled along by the fields of corn, cotton and soybeans on both sides of the road (evoking memories of farm work as a kid), the lyrics of the Bon Jovi and Jennifer Nettles hit from 2005 seemed apropos for the moment and the whole weekend:

"Who says you can't go home.

"There's only one place they call me one of their own

Just a hometown boy, born a rolling stone,

Who says you can't go home
Who says you can't go back,
been all around the world
and as a matter of fact

There's only one place left I want to go,

who says you can't go home."

"I went as far as I could; I tried to find a new face

There isn't one of these lines that I would erase

I lived a million miles of memories on that road

With every step I take I know that I'm not alone

You take the home from the boy, but not the boy from his home."

"It doesn't matter where you are, it doesn't matter where you go

If it's a million miles away or just a mile up the road

Take it in, take it with you
when you go, who says you can't go home?"

Some may say you can't go home, but after 18 years growing up here and a weekend of renewing wonderful friendships and memories, they'll have a hard time convincing me and the Class of '65.

Hunker Down with Kes

You Can Lead a Horse to Water...

Boy howdy, what a wing ding going on over the elected county clerk up in Kentucky who defied some law, or laws, and landed up in jail! We've heard compelling, heated and confusing arguments on all six sides of the question. Presidential candidates have been to visit her. News commentators, talk show host and editorial writers are having a field day over this one.

Opinions are flying by like garbage can lids in a tornado. They've filled up Facebook with so much of this stuff I'm having trouble finding pictures of my grandchildren. Everyone seems dead positive certain they have the correct "take" on the situation.

Listen, they can't all be right! I really miss my Father at times like this. Daddy grew up on the other side of where Sugar and Shannon Creeks intersected. That was about as far out in the country as a body could get. They worked hard, ate simply, played sparingly and lived in a world where the boundaries were pretty well defined. And common sense was the order of the day.

I don't know what kind of education they taught'em out passed where the creeks met. On the formal level, it couldn't have been much. Dad only made it through the third grade. But somehow his wisdom outreached his education. And his insight at times could be down right scary.

Folks today would be turned off by his right or wrong view finder. We've got it in our heads somehow that it can't be black or white. "Fun reigns where confusion does also" seems to be the mantra. We must "look at all sides of the issue" is a political rallying point. How many times have we heard when a much needed deci-

sion is delayed again, "we are gathering all the facts".....

Dad didn't read the newspapers. He didn't get caught up in any "movement of the moment". He didn't debate matters or express his opinion up at the "park bench roundtable". But I stood amazed over the years at how much insight and quiet, consistent resolve he displayed on a daily basis. He sure kept us on the right path. And, good golly, he seemed to be born with all the facts!

I can give you a great example of what I'm talking about here. Me and Buddy wanted to walk over to Ricky's house and play football. I went into the kitchen and asked, "Dad, is it ok if I go over to Ricky's and play ball this afternoon?"

He looked at me kinda expressionless and said, "Sure, son, ya'll be careful."

The next day, Buddy had this wild haired scheme to go out to the overpass on Highway 79 and drop rocks on the cars driving underneath. Now, Dad, of course, ain't going to go for that! I walked in with my most innocent look and said, "Dad, is it ok if I go over to Ricky's and play ball this afternoon?"

He looked at me kinda expressionless and said, "Not today son, I think you'd better stay home."

He knew something was amiss. I don't know how he knew. It was like he saw what you were thinking! Leon allowed it must have been from drinking all that clear, sparkling creek water when he was a boy.

Dad knew the importance of a good and lasting ego check. I hit a couple of homeruns in a high school baseball game once and came home feeling my oats. He never mentioned the homers but pointed

out my error in the second inning that let in two runs. And when I offended Mom with an off handed comment about her cauliflower dish, he whipped my high school hero rear end to a fare-the-well!

I'd say what this country needs today as much as anything is a good ego check.

We got old enough to drive and a whole new world opened up. We could wheel docilely around the square, buzz Frank's Dairy Bar or drive out past the county line to the Skyway Grill, where a good fight was only a jukebox song away. Dad would hand us the keys, "Son, don't end up at the Skyway Grill for any reason."

You see what I mean about his scary insight! He just seemed to know. Or maybe he had a right good dose of anticipation. That's another thing that seems to be lacking in America today. We just hum along until we fall neck deep into some giant controversy and, near 'bout in a panic and well after the fact, we look to congress, the Supreme Court or the news media to get us out of it.

I decided midway through my senior year I'd had enough school. I announced I wasn't going to college. I was going to work at the Tri-County Stockyards— Dad didn't let me finish, "Son, you ARE going to college".

Direction! He gave us a clear and distinct direction.

I'm telling you, America needs to be dipping its cup in Shannon Creek.....

Respectfully,
Kes

County Appoints Committees, Chairman, Medical Examiner

HUNTINGDON (September 14) — Carroll County Commissioners selected Mayor Kenny McBride to serve as chairman and Ronnie Owen as chairman pro tempore in its September 14 meeting. Additionally, the commission reappointed a medical examiner and reappointed one member to the county's Indigent Care Board.

Each year, commissioners elect the persons who will head their monthly meetings. The chairman presides over all meetings. In his or her absence, the chairman pro tempore serves.

Dr. Lee Carter was reappointed to serve a second five-year term as medical examiner for the county. The medical examiner, along with a field agent, generally known as the coroner, investigates unattended or suspicious deaths within the county. They work with law enforcement and the district attorney to determine the best course of action on the investigation and whether or not the body should be sent for an autopsy.

Phil Williams of McLemoresville was reappointed to continue serving on the Indigent Care Board with a term ending September 2018. Two other nominees, Howell Todd and Billy J. Smith did not advance out of the Resolutions Committee and were not placed on the agenda. Either one or both nominees are expected to be resubmitted to the Resolutions Committee at a later date.

Billy J. Smith of Cedar Grove spoke to

the full commission Monday evening to express his concern for the Resolutions Committee's actions. He questioned how a committee of three people could stop the advancement of two people's names from advancing to the full commission. He told Commission members they could change the rules or the members of the Resolutions Committee to prevent future events such as this.

Commissioners approved a resolution to allow taxpayers to make incremental or partial payments on their property taxes. They can do so, without penalty, as long as the entire amount is paid by the annual February deadline.

Committee appointments for 2015-2016 were as follows:

BUDGET COMMITTEE – John Mann, chairman, Wayne Kirk, secretary, William Barger, Johnny Blount, Steve Parker; **TAX RATE COMMITTEE** – Johnny Blount, chairman, Bobby Argo, secretary, William Barger, Hal Eason, and Randy Long; **LAW ENFORCEMENT COMMITTEE** - Ronnie Murphy, chairman, Gaylon Sydnor, secretary, Will Radford, Joey Darnall, and Joel Washburn; **DELINQUENT TAX COMMITTEE** – Jimmy McClure, chairman, Ronnie Murphy, secretary, Randy Long, Gerald Scarbrough, and Manuel Crossno; **CIVIC CENTER COMMITTEE** – Larry Spencer, chairman, Bobby Argo, secretary, Paula Watkins, William Barger, Ronnie Owen,

GENERAL

McKenzie Garden Club Meeting

The McKenzie Garden Club assembled for their August meeting on the 28th at the Cumberland Presbyterian Church in McKenzie with co-President Glynda Rich presiding. Refreshments, provided by hostess Cynthia Summers and Victoria Ard were served in advance of the program, with the business meeting to follow.

Donna Ward presented this month's program; an enlightening and informative talk and slide show from her recent trip to Costa Rico. She shared with the group her experiences with her fellow travelers to visit the

Arenal Lake at the foot of the Arenal Volcano, and showed the many slides she took of local wildlife including an odd creature called the koati mundi-related to the raccoon. Also identified in her slide presentation were beautiful pictures of the flowers native to the area and of the Madrono tree-the national tree of Nicaragua.

Following Donna's excellent presentation, Gladys Patterson brought the devotional. She chose a selection for "The Upper Room". Relating Genesis 1:25-31, Gladys spoke of how everyone needs air, water, and food; but we often take these gifts for granted. Too often we waste these elements and even damage them. Everything that God created was good and for our benefit. We need to take care of these gifts and show our gratitude for them.

The members then answered roll call by reading quotes about happiness. The minutes of the previous meeting were

read and approved and was the financial report. Correspondence to the club was discussed.

Following up on the previous meeting, Victoria also told the members that she had spoken with Jennifer Waldrup at City Hall regarding any ongoing service projects that the Garden Club might contribute to, and Jennifer indicated she would consider possible activities.

In New Business: Glynda Rich informed the group that Carroll Arts will be presenting the first program at the Theatre on the square, but not until October. Willie Mae Forrester told the group that St. Johns, a community service organization, is in need of two-liter bottles for making craft projects.

With no further business to discuss, the meeting was closed with the reading of the Collect. Happy Birthday was sung to this month's "birthday girls", Donna Hodge, Donna Herrin, and Ann Montgomery, and "Secret Pal" gifts were distributed.

Carroll Co. Library Lines

By Nikki Cunningham

The Library has had a great start to Library Card Sign-up Month! We have issued several library cards to new adult patrons and as well as children. A library card can get you access to not only the thousands of books on the Carroll County Library's shelves, but also books from libraries all over the state through our Interlibrary Loan program as well as access to books and audio books that can be downloaded directly to your computer, tablet, or phone through the R.E.A.D.S. program. Don't delay in getting a library card for yourself or your children do it today!

The library had two great programs this past week. Local author and Central High School alumni, Natalie Parks Wade, read several children's books from her "Lily" collection including Lily's Flower Igloo, Lily's Feather Kite, and Lily's 3-Layer Mud Cake

during the library's After-school Read. The Library also had its first Saturday Story Hour of the school year featuring Sparky the fire dog and his firefighter friends. The children got to meet and take pictures with Sparky, get a close up look of the fire trucks, learn about fire safety, listen to the story of how Sparky became the fire dog, and make their very own Sparky to take home with them. The Library appreciates the Huntingdon Fire Department for helping to make this story hour a success.

The Library will have a booth at the heritage festival Saturday, September 26th, so find us there to sign up for a library card or to learn more about the services that the Carroll County Library has to offer and follow the library on Facebook to stay updated about all of the programs and events from the library at www.facebook.com/carrollcountylibrary

Open House Set of TN Career Center for September 23

To celebrate becoming one of only 12 counties in Tennessee accepted into the ACT® Certified Work Ready Communities program, the Tenn Center at Huntingdon is having an Open House from 9-11 a.m., on Wednesday September 23. Job seekers and employers are invited to join Career Center partners as they recognize the accomplishments of local customers, celebrate the service of Board Members, and showcase the services and opportunities available in the Career Center.

Additionally, the Open House will be a celebration of Carroll County's progress towards becoming an ACT® Certified Work

Ready Community. This initiative is part of a national effort to encourage those in the workforce to attain ACT National Career Readiness Certificat™ (ACT NCRC). The program helps people find jobs that better match their skills and interests, and help Carroll County be more competitive for attracting new business investments and expansions.

Carroll County is one of only 12 counties in the state participating in the two-year project, all of which are located in northwest Tennessee. Ginger Powell, Business Services Director, commented, "The project began in the Fall of 2014, with a

group of committed volunteers from the Carroll County community that saw the importance of having a skilled and trainable workforce. With the existing support of the NCRC, Carroll County is well on its way to reach its certification goals way ahead of the May 2017 deadline!"

The program is a partnership between ACT, the Tennessee Career Centers, the Northwest Tennessee Workforce Board, United States Rural Development, and Delta Regional Authority. For more information, contact Ginger Powell at 731-784-5221.

Morning Glory Garden Club Plants 9/11 Memorial Tree, 'Lest We Forget'

On Friday, September 11, 2015, members of the Morning Glory Garden Club met at McKenzie High School to plant its annual memorial tree to honor and remember those who lost their lives on September 11, 2001. McKenzie's 2015 Senior class, along with dignitaries Mayor Kenny McBride and Mayor Jill Holland, Principal Tim Watkins attended the brief ceremony.

After everyone gathered around the tree, President Gena Manner opened the ceremony by reminiscing about that day in 2001. She and other members of the club, who were gathered for their regular meeting, had switched on the television after one of the members commented about the towers and the airplane "crash". That is when they discovered that the plane crash was not an accident but an actual attack on the United States of America.

She then introduced Mayor Kenny McBride who said "that what happened on that day changed our lives forever, and that it is important that we remember the

people inside the twin towers and the first responders as heroes. He went on to say that it is not only important to remember the past but also to be thankful for today and prepare for the future to ensure that a tragedy like this never happens to our country again."

President Manner introduced Mayor Jill Holland who stated that "It's so important to reflect upon what happened to our nation fourteen years ago, today. Not since Pearl Harbor has our nation withstood such a devastating attack. After Pearl Harbor, our nation stood as one. After 9/11/2001, there were no divisions, no political parties, differences did not matter. Once again we came together as a nation. We came together to let the world know that America is strong, and that we would overcome this attack and we did! It is important that you seniors remember this day every year. It is important that you pass on to your children and future generations the significance of this day, and the legacy that we live in the greatest nation on

earth. Whenver you come back to McKenzie High School, and see this tree that has been planted, let it always be a reminder of this day and the promise to do your part to keep our country great."

Following Mayor Holland, club Chaplain Donna Pruneau asked everyone to bow their heads for this closing prayer: Heavenly Father, we humbly seek your blessing this day as we plant this tree in memory of the 3000 precious lives that were lost to the attack on the Twin Towers, the Pentagon, and those on the plane that was to have attacked the White House but which crashed in a field because of the action of heroes on the plane. As we watch this tree over the coming years may we be reminded of the sacrifices our men and women in our military make daily to protect us from such a tragic event. God Bless America! Amen"

2015 Carroll Arts Storytelling

The 2015 Carroll Arts Storytelling event on September 26 from 11 a.m. To 1 p.m. at Huntingdon City Hall may be one of the most interesting and entertaining ever. For many years, this annual event, held as part of the Huntingdon Heritage Festival, has presented a variety of people from different walks of life. Most of these people are from right here in Carroll County. This year's presenters will include old favorites and some new ones you will enjoy.

Mike Kelley was born and raised in West Texas. He was singing and playing guitar at the age of 7. He trained horses for the public at the age of 12 and also professionally trained and showed horses in Texas, California, Idaho, and North Carolina. After serving in the military, Mike expanded into ranching, oil field construction and agricultural irrigation. Along with two partners, he came to Tennessee and started a manufacturing business that lasted 15 years and took him all over the US and overseas to Europe, Southeast Asia, and South America. After retiring in 2005, Mike continued playing music including

a music ministry he began in Texas. He became a certified equine specialist working with a treatment program called Equine Assisted Psychotherapy and Equine Assisted Learning. Presently, Mike pastors a small country church and plays music with local musicians who perform for civic and corporate events as well as church functions. Mike's wife, Paula, who owns and operates Paula Kelley's Florist in Paris, assists and supports him in all his activities. They have two lovely daughters, four grandchildren, and three great-grandchildren.

He has contributed to CD and DVD recordings as well as a

number of USA and World Premieres. Dr. Smith is an accomplished author, composer, arranger, and clinician. He has enjoyed a teaching career that includes both university and public school experience. He resides in McKenzie with his wife and two children.

Gus Radford of Huntingdon is retired attorney and former District Attorney for the 24th Judicial District. He is active in local affairs and is a noted raconteur and golfer. He is married to Linda Radford, former Administrator of Elections for Carroll County. They have a son and two grandchildren.

Randy McCadams is one of the new faces this year. He is retired from the Army National Guard. He and his wife Judy have two daughters and two grandchildren. Randy is very active in mission work specifically with Healing Hands International based in Nashville. Rebels Victorious on Homecoming

By Jason Martin
jmartin@mckenziebanner.com

McKENZIE (September 11) — Storm clouds rolled in early Friday afternoon, and it appeared as if it was going to be a wet and dreary Homecoming for the Rebels. As game time rapidly approached, the clouds slowly parted bringing in cooler temperatures and the delightful feeling of new memories being developed and former memories recalled. The only thing that could make the night more special was

a victory over the Camden Lions. The Rebels, fans, and alumni got their wish with a 29-14 triumph.

McKenzie won the coin toss and elected to receive the opening kickoff. Eight plays later, the Rebels put up the first points of the night. The touchdown came from Jack Surber as he unleashed a tight spiraling pass that hit Noah McEwen in full stride. McEwen crossed the goal line for the 41-yard score. Lucas Waddell followed with the extra point. McKenzie led 7-0 with 8:43 left in the 1st quarter.

The Rebels tried a little trickery with an onside kick, but Camden was not fooled as they recovered the football. The Lions offense took over 1st and 10 from their own 48 yard line. Deshawn Brown and Kieaun Tharpe of Camden tried to move the ball down field, but the Rebel defense stood strong forcing the Lions to punt on 4th and 5. Jacob Tyner's punt was downed at the 6 yard line, pinning the Rebels deep in their own territory.

Huntingdon Dominates Bulldogs

By Victor Parkins
Mirror-Exchange

In the game of football, they say the team that makes the fewest mistakes usually wins.

That could not have been more true Friday night at Johnnie Hale Stadium when Huntingdon took advantage of mistake after mistake made by the Bulldogs en route to a 49-14 blowout over Milan.

Quarterback Dylan Johnson had a huge night for the Mustangs, rushing for 110 yards and four touchdowns, including three in the first 15 minutes of the game. He also returned the second half kickoff for 70 yards that set up the final score of the night for Huntingdon.

Zach Dodson also made a huge impact in the game. Dodson made the score 28-0 in the first quarter after he scooped up a fumble at the 35 and zig-zagged his way 65 yards in the opposite direction breaking several tackles along the way. He also rushed for 65 yards and a touchdown on just 10 carries.

The Bulldogs scored about midway through the second period on a 28-yard pass from Landon Walker to Trey Moore to make the score 28-7.

When the game began, things didn't go the War Eagles' way from the opening kick, and the Falcons claimed victory, 46-12.

Bobcats Escape Tigers, 21-20

By Ernie Smothers
smothers@mckenziebanner.com

BRUCETON (September 11) — Accustomed to battling Region 3A equivalents South Gibson, Liberty Tech, Dyersburg and South Side, it seemed that all the 87-man strong McNairy Central Bobcats had to do was "dial-in" their win against 1A Hollow Rock-Bruceton.

However, the Tigers did not take the call.

Outweighed nearly 100 pounds per man, the Tigers coupled the marquee effort of quarterback Chase Bratton (four-yard scoring keeper, four-yard touchdown pass to Logan Belew), gritty rushing of Isaiah Donald (five-yard scoring bull), Zayveon Johnson, Ryan Cole and Brady Snider, and fierce defensive stops by Cody Knuutila, Davis, Donald, and B. Snider to push the Bobcats to the edge before bowing, 21-20.

Making their intent known, McNairy Central struck quickly as Bryant James fielded B. Snider's opening kickoff at the Bobcat 9 and veered down the right sideline 91 yards to paydirt. Parker Wheeler added the PAT boot as McNairy led Central early, 7-0.

McKenzie Middle School Rebels Riding High

GLEASON (September 10) — On Thursday night, the McKenzie Middle School Rebels rolled into Weakley County to face the Gleason Junior High Bulldogs. The Rebels with their high-octane offense and stingy defense easily handled the Bulldogs 46-8.

In the opening minutes of the game, the Rebels and the Bulldogs battled back and forth. With 3:21 left in the 1st quarter, McKenzie scored their first touchdown. The long touchdown pass came from the aerial attack of Evan Jarrett. The pass descended safely into the hands of Noah Hawkins, who ran 67 yards into the end zone. Rashad Williams scored off of a quick pitch to the right for the two-point conversion as the Rebel lead 8-0.

Just as the Bulldogs were making progress down the field in their next possession, a holding call pushed them back 10 yards. Gleason was forced to punt, but the snap went over the punters head. Both teams scrambled for the live ball, but it was McKenzie's Joseph Miller that recovered the ball in mid-stride. Miller did not stop until

Homecoming

...From Sports Front

Eric Robinson advanced the Rebel position with a 17-yard gain, taking pressure off the McKenzie offense. Surber teamed up with Robinson and Donovan Foley for critical yardage and first downs. With a fresh set of downs, the Rebels were 1st and 10 at the Camden 20 yard line. The senior quarterback, Surber, was able to find the end zone in three plays thanks to key blocks made by his teammates. Surber kept the ball on the ground for the two-point conversion bring the score up to 15-0 with 2:53 remaining in the opening quarter.

Camden looked to respond after returning the ball to the McKenzie 41 yard line. Brown pounded the ball across mid-field as Mitch Merrick and Cameron Oakley prevented large gains. The Lions resumed their march as the 2nd quarter commenced. Junior Quarterback Haden Abernathy was able to move the Lions farther down field with a screen pass to Darian Fountain and a quick out to Brown. Sitting 3rd and 2 from the Rebel 25, Abernathy tried to hit Kory Wilson with a quick pass but McKenzie's McEwen was there to break it up. Camden's Ryan Massie fumbled the next snap, and the Rebels came up with the ball.

McKenzie took over at their own 25 yard line. On a 9-play

drive going 75 yards, the Rebels teamed up for another touchdown. Robinson and Surber both picked up 11 yards on the ground, but it was passing that produced the points. The Rebels found a weakness in Camden's secondary. Surber combined with Kevin Green and Tyler Spivey for 41 yards. Then he hit Foley from 11 yards out for the third unanswered touchdown. Waddell topped the score off with the PAT making it 22-0 McKenzie with 7:57 remaining in the half.

Camden was determined not to go down without a fight. Starting at mid-field, Abernathy hit Brown with a pair of swing passes producing first downs for 30 yards. Lorenzo Haynes and DeJan McNulty slowed the Lion advance stopping Brown in his tracks, but they could not prevent the first down. Abernathy gained an additional first down off a swing pass to Jay Maiden. Camden was 1st and goal from the 10 yard line. Brown put the team on his shoulders and the ball in his hand as he punched through to the end zone for Camden's first score of the night. With the touchdown a few raindrops fell from the sky as Zac Warren kicked the extra point. Camden narrowed the McKenzie lead 22-7 with 2:49 to play in the 2nd quarter.

McKenzie's Robinson answered back with 5 consecutive plays accumulating 59 yard. It looked as if McKenzie would score again, but as Surber tried for the end zone his pass was deflected and picked off by Camden's Tyner. The cornerback advanced the ball to their own 45 yard line. Two plays later, McKenzie's Robinson made a leaping catch to intercept Abernathy's pass. Much to the dismay of the Rebel fans, a lone little yellow flag lay on the field. McKenzie was charged with defensive holding giving Camden the first down with just seconds remaining on the clock. As time ticked away, Abernathy fumbled the ball, but as Camden recovered the horn sounded ending the first half of action.

The second half opened with Camden struggling to make a first down. The Lions fumbled the snap as they attempted to punt. McKenzie took control on the Rebel 47 yard line. Robinson put the Rebels at 3rd and 6, and Surber found McEwen for 16 yards and the first down. After a false start, the Rebels were 2nd and long with Surber on the run. With nowhere to go, Camden's Dustin Baker and Caleb David sacked the senior quarterback. Looking at 3rd and 25, Surber teamed with McEwen for 23 yards. 4th and 2 from Camden 27 yard line, the Rebels went for it. Surber pounded the middle picking up 8 yards. Robinson pushed the Rebels forward with another first down. The McKenzie offense substituted to their jumbo pack-

age on the 1 yard line, where the hog mollies plowed forward allowing Surber to advance across the goal line. Waddell added the extra point and McKenzie was up 29-7 with 5:01 left to play in the 3rd quarter.

Camden's next possession showed promise as Brown ripped off a 13-yard run from the line of scrimmage. Then the Rebel defense stepped up with a big stop by Lineman Noah Heath and a sack by Linebacker Jake Trevathan. The Lions were forced to punt and the ball was downed on the McKenzie 8 yard line.

The Rebels gave the ball to Robinson who picked up the first down as the clock ran off the final seconds of the 3rd quarter. From that point, McKenzie kept the ball on the ground eating as much clock as possible. Michael Floyd had the honor of running the ball six straight plays and picking up two first downs and 24 yards. The Rebel drive stalled on the Camden 41 yard line. McKenzie turned the ball over on downs, as McEwen could not wrangle in the pass from Surber.

Camden looked to capitalize on McKenzie's misfortune. An Abernathy pass to Maiden was good for 18 yards; Brown beat and banged his way down the field picking up 39 yards and a Lion touchdown. With 3:44 left on the clock, Warren added the PAT cutting into the McKenzie lead 29-14.

Camden tried an unsuccessful onside kick that was recovered by McKenzie's Foley. The Rebels kept to the ground and put the ball in the able hands of Robinson and Surber. In the victory formation, Surber kneeled the ball. As the clock struck zero, the Rebels fans let out exuberating shout of excitement for the homecoming win.

The Camden Lions fought hard and gave the Rebels a great fight, but in the end McKenzie just out manned their opponents. Coach Wade Comer remarked how proud he was of his team that night, and how they were building each week by taking the necessary steps to be successful.

Looking at the statistics of the night: McKenzie had 445 total yards in offense. In rushing, the Rebels carried the ball 50 times for 245 yards. Robinson was the leading rusher with 164 yards; Surber was second with 62 yards and 2 TDs. In passing, Surber was 11 of 17 accumulating 200 yards with 2 TDs and 1 INT. The Rebels' defense held Camden to 162 total offensive yards. Brown was the leading rusher with 91 yards and 2 TDs. Abernathy was 7 of 14 for 75 yards in passing.

Next week the 3-1 McKenzie Rebels will host the 3-1 Adamsville Cardinals in regional action at 7:30 p.m. Camden will play host to the Indians of Harpeth High School with a scheduled kickoff time of 7:30 p.m.

Huntingdon

...From Sports Front

The Mustangs tacked on two more scores before the half and led 42-7 at intermission. As soon as the third period started, the Mercy Rule was in effect.

Huntingdon head coach Eric Swenson said he never saw a blowout like that on the horizon.

"I'm still not sure how that happened," Swenson said. "But I know we played a good football game and I knew the kids were ready and focused when they got off the bus. We played aggressive and physical from the opening kickoff until the end of the game," he said.

Swenson had high praise for Dylan and his troops up front.

"Dylan started last year too and he's really been steady for us. He's got good speed and vision and he plays smart. He had a heck of a game against Milan. All of our guys played well up front for the most part. We've got some things to clean up on the offensive line but they played pretty good Friday night," he added.

Milan started the game with the football, but on the second snap the Mustangs recovered a fumble at the Bulldog 24 yard line. Johnson scored five plays later to take a 6-0 lead and the 'Stangs never took their foot off the gas.

Huntingdon's defense forced

three consecutive 3 and out series, and Johnson followed up with back to back touchdown drives and a 21-0 lead.

Soon after Milan scored and gained a little momentum, Johnson long kickoff return paid dividends again and he scored just four plays later from the 16. With just under 2 minutes in the half, Dodson made the score 42-7 with a 23-yard run.

The third quarter lasted exactly 12 minutes with the Mercy Rule in effect, but MHS did stop it briefly when Spencer Walker scored from five yards out.

The Mustangs tacked on a score in the final period in complete the rout and turn their attention to this week's matchup against Perry County.

The Mustangs moved to 3-0 and will host back-to-back games over the next two weeks. Perry County in Region 6-1A is this Friday followed by a clash with county rival McKenzie.

"Perry County is a really young team and they don't have a lot of players out this year," Swenson said. "They're a struggling program right now. We've got McKenzie in two weeks and even though it's not a region game anymore, it's still a big one," he said.

son of Roger and Monnie Birdwell of Cedar Grove; sophomore Emily Hudgins, daughter of Burt Hudgins of Milan and Michelle Hudgins of Greenfield, escorted by Trevor Keymon, son of Jeremy and April Keymon of Christmasville; sophomore Keilee Price, daughter of Les and Trudy Price of Milan, escorted by Tristan Fuller, son of Marshawn and Deborah Fuller of McLemoresville; freshman Shelby Browning, daughter of Jody and Amanda Browning of Trezevant, escorted by Antonio Walker, son of Greg and Tania Walker of McLemoresville; and freshman Amelia McAfee, daughter of Paul and Tonia McAfee of Atwood, escorted by Gavin Knight, son of Eric and Jenna Knight of Trezevant.

West Carroll won the coin toss and elected to receive. The War Eagle receiving team was caught off guard, however, when the Falcons attempted an on-side kick to start the game. The ball bounced several times near midfield before a Lake County player smothered it to take away the possession.

Starting from the Falcon 48, quarterback Darius Johnson threw to Stavonski Wilkes for a quick touchdown. Going for 2, Wilkes took the snap but fumbled and was downed. Ten seconds after the opening whistle, Lake County led 6-0.

Lake County again went for the onside kick and was again successful, this time recovering the ball at the Falcon 46. Wilkes ran on first down for 16 yards. Then, Johnson kept and gained 3 yards before War Eagle Tristan Fuller made the stop. Another run by Johnson was stopped after a yard by Chance Townes. On third down, Johnson fumbled for a loss of 9. His pass attempt on fourth down fell incomplete, the pass broken up by Fuller.

Starting from their own 43, the War Eagles put their first offensive snap in the hands of Fuller, who rushed 8 yards across midfield. A false start moved the ball back, then Fuller rushed twice but gained just a yard. Facing fourth-and-six, West Carroll elected to punt. An excellent boot by Dylan Moling went out of bounds at the 8 yard line.

Facing a long field, Johnson passed incomplete on first down. An illegal block in the back negated a big run by Johnson and set the Falcons back near their own goal line. Wilkes ran for a couple before Colin Simmons made the tackle, then a false start set Lake County back again. On third-and-long, Johnson found Wilkes in the open field, and he took the pass all the way for a 97-yard touchdown.

Going for 2 again, Johnson hit Angel Rodriguez in the endzone for the conversion. With 4:15 remaining in the first quarter, the Falcons led 14-0.

Lake County again attempted an onside kick, but this time the War Eagles smothered the ball quickly. Starting near midfield, Fuller rushed on 5 consecutive snaps, gaining 9, 6, 2, 2, and 7 yards. Then, Gavin Knight rushed for 24 yards, and the War Eagles had first-and-goal from the 2 yard line. Fuller gained a yard, then lost a yard as the first quarter came to a close.

On the first snap of the second frame, Fuller punched it in for the War Eagle touchdown. The point-after kick was no good, and at the 11:56 mark, Lake County led 14-6.

Starting with good field position, the Falcons moved across midfield on an offside penalty against the War Eagles. Wilkes then ran 5 yards for another first, but fumbled on the next play for a loss. Wilkes then attempted a screen pass, but the play was broken up by War Eagles Chase Birdwell and Chance Townes. On third down, Wilkes gained just a yard, and Lake

County was forced to punt.

Starting from their own 4, the War Eagles ran Gavin Knight four times. The first resulted in 12 yards and a first down. The next three netted just 5 yards, and a fake punt run by Moling was a yard short of converting the fourth down.

Looking at a short field, Falcon quarterback Johnson threw incomplete on first down, but a pass interference call advanced the ball anyway. Wilkes rushed, but was stopped at the line of scrimmage by Logan Chrisman and Townes. Simmons sacked Johnson on second down for a loss of 3. A holding call set Lake County back even more, and Johnson threw a pass near the goal line that was picked off by War Eagle Jacob Bullington and run back to the 30.

Knight rushed for 3 on first down for West Carroll. Two snaps later, Fuller ran for another 3. On fourth-and-four, quarterback Trace Fuller threw incomplete.

Taking over, Falcon Ishmael Young ran for 5 yards. That gain was neutralized on a false start penalty on the next snap, then Johnson ran twice for 3 yards each. Wilkes took the handoff on fourth-and-four, scrambling nearly from one sideline to the other before finding a hole for a 20-yard run. On first-and-goal from the 9, Johnson missed Young in the endzone. Then, West Carroll jumped offside to move the ball closer as time ran low in the first half. Johnson's next pass was picked off by War Eagle Patrick Becker near the goal line and returned out to the 9, giving West Carroll space to take a knee and head to the locker room trailing 14-6.

West Carroll gave the Falcons a taste of their own medicine to start the third quarter. The onside kick was swallowed up by War Eagle Gavin Rosson, firing up the sideline and bleachers on the home side.

Starting at midfield, Antonio Walker took the reverse, but lost a yard. An offside penalty against Lake County advanced the ball, then Tristan Fuller ran twice for 2 yards each. On fourth-and-two, Fuller lost 2 yards to turn the ball over on downs.

Lake County was moved back 5 yards on a penalty before the first snap, then Wilkes was stopped in the backfield by Townes. Johnson managed 2 yards before meeting Simmons and Chrisman. Wilkes scrambled for 8 yards on third-and-fourteen, stopped short of the first down by Jacob Bullington. West Carroll jumped offside to set up fourth-and-one near midfield, and Wilkes took it the 49 yards to paydirt.

Johnson's two-point pass attempt fell incomplete, and with 7:06 remaining in the third, Lake County led 20-6.

Jace Williams received the kickoff for West Carroll, returning it to the War Eagle 40, but a personal foul penalty backed the ball up 15 yards. Knight lost 5 yards on first down, then Walker made a short gain. On third-and-long, Trace Fuller threw to Becker for 15 yards and a first down. Knight lost a yard, then Fuller threw a pass incomplete. On third down, Fuller's pass was intercepted by Darius Johnson, who was taken down by Walker at the War Eagle 38.

Wilkes ran for Lake County on first down, gaining 10 to move the chains. Johnson then ran for 6, and another Wilkes run was stopped for no gain. Johnson found an open receiver for 15 yards and a first-and-goal. A couple of plays later, Wilkes ran for a 4-yard touchdown.

Johnson passed again on the two-point attempt, but the play was broken up by Tristan Fuller. With just over a minute left in the third quarter, Lake County led 26-6.

Williams brought the kickoff back to the 42 to give West Carroll good position. Trace Fuller fired a screen to Becker, who gained a yard. The third

quarter ended as Bullington raced 10 yards across midfield for a first down. Tristan Fuller began the final frame with a 6-yard carry, then followed with a 19-yard sprint and a 9-yard scramble. Knight lost a yard, then consecutive false starts pushed West Carroll back 10 yards. Tristan Fuller fought for another 4 yards, then Trace Fuller threw to Moling for 14 yards. On first-and-goal, Knight ran for the 8-yard touchdown.

The two-point attempt was stopped short, and with 8:55 remaining in the game, Lake County led 26-12.

The War Eagles made another onside kick attempt, but Darius Johnson smothered the ball near midfield. A Wilkes run of 3 took the ball into West Carroll territory, but a fumble on the next snap set Lake County back 10 yards. Wilkes took the handoff on third-and-long, scrambling in the backfield before breaking out for a 60-yard touchdown.

Wilkes ran for the two-point attempt, but was met by Connor McReynolds and a host of War Eagles. With 7:33 left in the game, Lake County led 32-12.

Lake County's head coach was flagged for unsportsmanlike conduct, backing up the kickoff team. Williams again received the kick and returned it to midfield. On first down, the Falcons were called for a personal foul, moving the ball to the Lake County 34. Trace Fuller passed to Bullington for 14 yards, then the quarterback scrambled twice for no net gain. Fuller's passes on third and fourth down each fell incomplete, and Lake County took over on downs.

Wilkes took the first snap and ran 78 yards for a touchdown. The two-point attempt by Johnson was short, and the Falcons led 40-12 with 5:49 on the clock.

A wayward kick by Lake County sailed out of bounds, setting up the War Eagles at their own 35. Trace Fuller was sacked for a loss of 10 on first down, then threw a screen to Tristan Fuller for 6 yards. On third-and-long, Fuller's pass was picked off by Dakota Dean and returned to the 26.

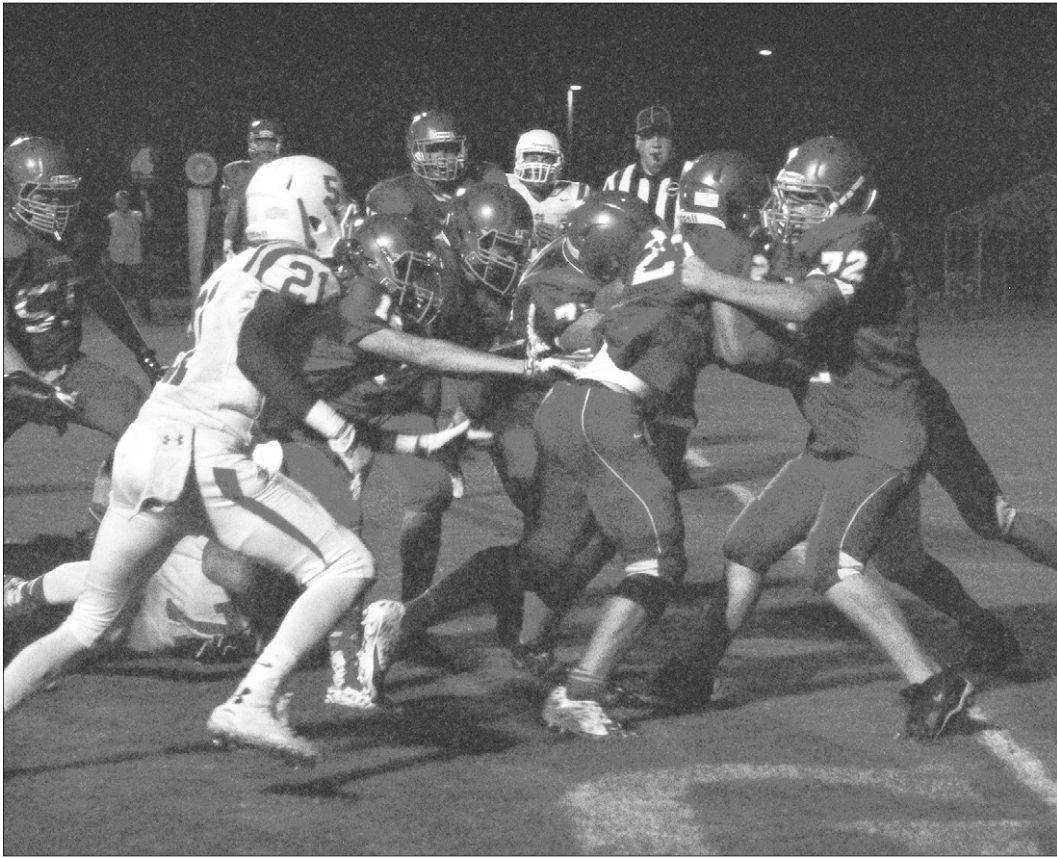

Johnson kept on the Falcon first down, was sacked for a loss of 3 by Birdwell, Simmons, and Chrisman. On second down, Wilkes ran for the 29-yard touchdown. Johnson's two-point pass was picked off, and Lake County led 46-12 with 3:25 remaining.

Williams returned the Falcon kickoff to the 40. P.J. Odom took the handoff 5 yards on first down, then 17 on second. He made another pair of runs for 3 yards apiece, then Trace Fuller kept for 2 yards. On fourth-and-two, Odom was stopped for a loss.

Taking over, Lake County ran off the remaining seconds for a 46-12 victory.

West Carroll quarterback Trace Fuller completed 5 of 11 passes for 50 yards with 2 interceptions. Tristan Fuller carried 20 times for 86 yards and a touchdown. Gavin Knight had 10 carries for 45 yards and a touchdown.

The War Eagles are open on September 18 and will host region foe Trenton Peabody on September 26.

Come with me! Tiger runningback Isaiah Donald (23) scores with the help of lineman Dalton Davis (72).

Bobcats

...From Sports Front

Tiger Zane Mebane recovered the Bobcat onside kick at the CHS 43. Racing to the line, Central's offensive line immediately gouged gaps in the Bobcat front as Johnson clicked off consecutive first down bolts to move the ball across midfield. Ramping up, Central combined an eight-yard keep by Bratton with Cole's tackle-breaking first down to set up first-and-goal at the MC 10.

Stiffening, the Bobcats stopped Cole for no gain and Bratton's pass to Belew in the end zone was deflected. Johnson fought to the Bobcat four to bring up fourth down. Bulling inside, Johnson was stopped short of the goal line at the 2 as the ball was turned over on downs at the 8:24 mark of the first frame.

Employing a ground-based attack, McNairy slowly marched across midfield and deep into Tiger territory as time expired in the first quarter.

The Bobcats scored on the first play of the second frame as quarterback Dylan Crabb bootlegged right side to score. Wheeler's PAT kick was true as the Bobcats pulled ahead, 14-0.

As hitting escalated, both teams exchanged punts.

Engaging their offensive drive on their 42 at the 7:51 mark of the second clip, Central fused rushes by Johnson and Donald to roll into Bobcat territory. Facing fourth-and-eight, Bratton rumbled left side and collided out-of-bounds with the first down marker to move the chains at the MC 8. Johnson fought inside to the five before Bratton rolled right and fired a scoring strike to Belew. Going for two, Bratton's pass attempt right side fell incomplete as the Tigers trailed the Bobcats at the half, 14-6.

B. Snider returned the second-half opening kickoff to the Central 30. Bratton fired a first down strike to sure-handed Josh Gentry right side at midfield. As the battled raged upfront, Bratton fell on a fumble at the MC 40 to move the chains.

Facing third and 18, Johnson, led by the blocking of Buddy McGinnis, roared left side for a gain of 18 to bring up fourth-and-one. Donald drug MC defenders for a first down at the 26 before Johnson moved the chains at the Bobcat 14. Bratton then kept to the 9 before a holding call moved the ball back to the 19. On the next play, a Bobcat defender was flagged for unsportsmanlike conduct for spearing as the ball was advanced to the 6. Following a Donald bull to the 4, Bratton kept right side to score. Central's two-point attempt was foiled via fumble as the Tigers clawed back into contention at the 5:12 mark of the third frame to narrowly trail MC, 14-12.

On their ensuing drive commencing at the Tiger 44, MC gained a hard-fought fourth-and one first down via Crabb

keeper before a chop-block against the Bobcats moved the ball back to the 36. Crabb, under pressure by Davis and Knutilla, threw incomplete right side. On the next play, B. Snider sacked Crabb deep in the backfield as the Tigers were penalized for a facemask, moving the ball to the 23. Digging deep, Central slowed the MC drive to bring up a fourth-and-four at their 20. On a controversial call, a Central defensive back was flagged for pass interference in the end zone as the ball was moved to the Tiger 8. At the 11:49 mark of the fourth period, Bobcat Kylin Wynn scored up the middle. Wheeler's PAT boot was good as McNairy led Central, 21-12.

Wheeler's kickoff sailed into central's end zone for a touch-back as the Tiger offense opened shop at their 20. Charged by the cheers of their fans, Central's offensive line manhandled their larger adversaries as Johnson exploded through a gap to race across midfield for a first down at the MC 39. B. Snider fought for a four-yard gain left side before Bratton connected with Belew at the Bobcat 24. At the end of the play, MC was penalized for a personal foul as the ball was placed at the 14. Cole followed the block of McGinnis to the 10 and Johnson fought for no gain before Donald carried Bobcat defenders to the four.

At the 7:23 mark of the final stanza, Donald, met at the line of scrimmage by 6' 5", 325 lb. MC defender Josh Northcutt; churned forward with the assistance of Tiger linemen to carry the big Bobcat and fellow MC defenders into the end zone. Bratton completed the two-point pass left side as Central trailed the Bobcats, 21-20.

On the ensuing kickoff, Tiger Zane Mebane drilled MC kick returner James as the ball popped loose and was recovered in a mad scramble by the Bobcats at their 8. In the shadow of their goalpost, McNairy utilized two first down rushes by Wynn to move the chains at midfield. Wynn tromped inside to the 31 before his would-be score was nullified by a block-in-the-back penalty, moving the ball back to the 38. Ramping up, Central

defender Davis slammed Bobcat Beau Barnes for a four-yard loss before the Tigers recovered a fumble at the 26 with 3:45 remaining in the contest.

As the Tiger faithful cheered, Central's offense began to march behind the rushing of Johnson and Bratton to move the chains at the MC 48. As game referees continued to struggle to maintain control of the game, MC was penalized for personal foul at the end of a Johnson first down rush and the ball was moved the Tiger 29. Donald was stalemated for no gain up the middle by Kody Moore and Johnson earned a tough two up the gut as the Tigers faced fourth and three with 1:29 remaining in regulation. In uncharacteristic fashion, Central, discarding their usual short yardage rushing scheme, tricked MC as Bratton rolled right and zipped a pinpoint strike to Belew for a first-and-goal at the 6. On the next play, Central's upset bid came to a halt as game officials after ruling that Central had recovered their fumble at the 3, argued at length before awarding the football to the Bobcats.

Incensed at the reversal, a legion of Tiger fans gathered behind the fence near the goal line roared their frustrations to the pinstripes.

With 1:01 left in the contest, MC runningback Wynn, hit in the backfield, struggled forward to avoid a potential Tiger game-winning safety as Central burned their final timeout to stop the clock. Encamped on their 2, Bobcat Wynn battled to the 11 before an illegal procedure call against MC moved the ball back to the 5. On the ensuing play, Wynn was tackled en masse for no gain as game control faltered and a fight broke out between Bobcat and Tiger defenders. Gathering together, game officials flagged Central for unsportsmanlike conduct and awarded MC a first down at their 20. Unable to stop the clock, Tiger players and fans watched as the Bobcats took a knee and escaped Joe T. Herndon Stadium with their debatable-but-ultimate, 21-20 win.

SPEAK OUT ON PUBLIC RECORDS

Next week, the state will hold a public hearing in Jackson on whether local governments should be allowed to charge citizens to inspect public records.

The Tennessee Coalition for Open Government says:

The change would roll back Tennessee's legal tradition of favoring government transparency and give officials who wish to limit access a new club to use to hinder access to records they don't want anyone to see.

This new tax on journalism and new "poll tax" on citizens would simply be new revenue for something we are already paying government to do: Create, maintain, and make public records available to the citizens who own them.

Boom! Huntingdon's Kylin Finch tackles Dresden's Zack Crawford.

Huntingdon Middle School Mustangs Pen Lions, 64-22

By Kenneth Coker
Dresden Enterprise Sports Editor

Like a pack of thoroughbred race horses, Huntingdon Middle School pulled away from Dresden down the stretch. The Mustangs, who led by two touchdowns at intermission, bested DMS 32-8 in the second half en route to a 64-22 triumph on Thursday evening.

With the victory, Huntingdon keeps its unbeaten streak intact. The Mustangs have not lost a game since 2012 – a straight of 23 consecutive victories – when the Lions downed the Carroll Countians. Brandon Lawton led the Huntingdon charge against DMS with a four touchdown performance. All totaled, Lawton rushed for 189 yards and three scores. The Mustang standout also returned an interception for a score.

In addition, Huntingdon speedster DaQuon Robinson ran amuck against the Lions. The fleet-footed running back/wildcat quarterback totaled 139 rushing yards and two touchdowns among his four carries.

That said, Dresden wasn't without its own offensive standouts.

Lion halfback Quea Taylor totaled 132 rushing yards with a touchdown.

Meanwhile, Dresden quarterback Zach Crawford ran for exactly 100 yards and a TD.

Crawford finished the game 6-for-18 passing for 55 yards with one touchdown throw and two interceptions along. A handful of additional Crawford aerials were dropped by his receiver.

Trent Pruitt was the recipient of Crawford's TD pass.

The Lions (3-2) play at Greenfield this Thursday.

Huntingdon's big play capability was evident from the beginning at Rotary Field on a perfect evening for football.

On the opening kickoff,

Mustang Malek Cannon accelerated through a handful of arm tackle attempts before breaking away for a 76-yard touchdown.

Robinson took in the two-point conversion to make the count 8-0 in Huntingdon's favor with 11 seconds gone from the clock.

Taylor fielded the ensuing kickoff for DMS and advanced the pigskin 13 yards on the return.

From there, Dresden saw gains – a 34-yard hand-off to Taylor included – before Daniel Sullenger and Alex Odom combined to meet the Lion running back at the line of scrimmage on fourth-and-one.

After the turnover on downs, Lawton carried a keeper eight yards before Robinson jetted right and was off to the races on a 79-yard touchdown tote.

Lawton successfully took the two-point conversion into the end zone to put Huntingdon up 16-0 with 3:35 remaining in the first quarter.

Dresden roared back on its second drive of the evening, reaching paydirt for the first time in the game at the conclusion of the possession.

Altogether, the Lions needed 11 snaps to march 56 yards for the score.

Key plays along the way were a nine-yard run by Taylor, an 11-yard pass from Crawford to Divers Lockhart and a nine-yard keeper by Crawford.

Ultimately, Crawford did the scoring honors on a three-yard option-keeper with 7:19 left in the second quarter. Taylor took the two-point conversion across to cut Huntingdon's lead to 16-8.

The Mustangs' response was swift.

On its only play of the ensuing drive, Lawton called his own number, blazing a 62-yard trail to the end zone.

Robinson's was responsible for the successful two-point conversion on a direct snap,

putting his team up 24-8 with 6:35 remaining before intermission.

Dresden scored once more before halftime as did the Mustangs.

The Lions' touchdown capped a nine-play drive.

Taylor, who had five carries during the possession for a total of 45 yards, made the touchdown tote on a seven-yard run.

Huntingdon's final scoring drive of the first half was swift.

The Mustangs needed only three snaps to reach paydirt.

Lawton kept the pigskin on each play, capping the drive with a 26-yard touchdown carry.

Robinson took the snap on the two-pointer and motored forward to make the halftime score 32-14.

Dresden pulled to within 10 points early in the third quarter after receiving the kick to open the second half.

The Lions scored their third touchdown of the evening – and only of the second half – with 3:42 remaining in the third quarter as Crawford hit Pruiett on a 27-yard scoring strike.

Trevor Moore caught the two-point conversion as the count was 32-22 in Huntingdon's favor.

From there, the Mustangs shut Dresden down, scoring the final 32 points of the contest.

Huntingdon began its run with a 44-yard sprint to paydirt by Lawton.

Then, Lawton picked off a Crawford aerial and returned it 40 yards to the end zone.

In the fourth quarter, Robinson burst free for a 56-yard touchdown dash.

Mustang Sebastian Kee – who earlier intercepted a DMS pass – accounted for his team's final TD – a 40-yard breakaway with 5:03 remaining in the final frame.

he arrived unimpeded across the goal line. Jarrett, on a quarterback keeper, scampered into the end zone for the two-point conversion. McKenzie led 16-0 with 1:34 remaining in the 1st quarter.

Gleason looked to capitalize from a fumble recovery by Matthew Mills. Much to their chagrin, the Bulldogs turned the ball over on downs on the Rebel 34 yard line. McKenzie scored in just one play. Jarrett passed into tight coverage to Nathan Whitsell. The ball was up for grabs as Gleason's Antonio Henderson and Whitsell leaped for the hovering pigskin. Whitsell pulled the ball down and scored the Rebels third touchdown. Miller followed up with an addition two points on the conversion, bringing the Rebel lead to 24-0.

On their next possession, Gleason was able to string together a combination of plays picking up first downs. Looking at 4th and 1 from the Rebel 34 yard line, Gleason elected to go for the first down. Bulldog quarterback, Jacob Arnold surged forward on the keeper but was unable to pick up the needed yard. Taking over on downs, McKenzie sat on their own 25 yard line looking at 1st and 20 after a holding penalty. Jarrett found Whitsell for 75 yards on a play action pass. Jarrett hooked up with Lane Horton for the conversion. The Rebel lead was 32-0 as the half came to a close. McKenzie received the kickoff to mark the being of the second half. Starting at the 50 yard line the Rebels worked their way down the field. Sitting 1st and 10 on the Gleason 19 yard line, Miller struck pay dirt as he bounced out to the right edge of the field and ran it in for another Rebel touchdown. After an unsuccessful two-point conversion, the McKenzie lead was 38-0. Gleason fumbled the kick return, and McKenzie was looking at the goal line from a mere 34 yards away. Four plays later, the officials had their hands in the air signaling the sixth Rebel touchdown. This score came

from Jarrett's dump pass to Horton from 24 yards out. Jarrett tackled on two more points teaming up with Michael Brown. With 2:38 left in the 3rd quarter, McKenzie led 46-0.

Down but not out, Gleason went on a nine-play scoring drive. Starting at their own 23 yard line, the Bulldogs put the ball into the hands of Dawson Arnold who picked up 47 yards on the ground. Then it was Arnold who caught an 18-yard pass for Gleason. With a successful two-point conversion, Gleason was down 46-8 with 4:06 remaining in the game.

In the final minutes of the game, both teams showed great sportsmanship. Gleason and McKenzie made numerous substitutions allowing every member of their teams some playing time.

McKenzie improved their record to 4-1 and will travel to Milan on September 15. Gleason falls to 1-4. Next week is Homecoming for Gleason Junior High and High School with the middle school hosting Obion County and the high school hosting Humboldt.

TCAT Hosts Scholarship Saturday To Encourage Students to Register for Tennessee Promise

TCAT McKenzie will open its computer lab from 10:00 a.m. until 2:00 p.m. Saturday, Sept. 26, for area high school seniors to sign up for Tennessee Promise and fill out their college applications as part of a statewide Scholarship Saturday.

The event is designed to encourage students to enroll in Tennessee Promise, Governor Bill Haslam's program to provide two years of community college or technical school tuition. Tennessee Promise is part of the Drive to 55 initiative to increase the number of Tennesseans with some form of post-secondary credential,

such as a college degree or technical certificate.

During Scholarship Saturday, students may come to TCAT-McKenzie between the hours of 10:00 am and 2:00 pm and use the college's computers to sign up online. Free pizza and refreshments will also be on hand for anyone signing up.

"Tennessee Promise is such an incredible opportunity for students to pursue their dreams after high school," said Dr. Bradley White, Director. "We want to make signing up for the Promise a celebration for the students and also give them an opportunity to get

their application to college in at the same time. This puts them well on their way down the path to a degree or certificate."

Tennessee Promise Director Mike Krause said he hoped many Tennessee students would participate and complete their application. "Tennessee Promise has changed the conversation about going to college in our state, and I hope we can encourage students to sign up early," Krause said. "Scholarship Saturday provides a chance students for students to sign up for the Promise and make a connection with their local college."

Bethel Hosts College Fair

MCKENZIE (September 11) — The Bethel University Department of Admissions hosted a college fair Friday for area juniors and seniors. Representatives from 28 colleges and universities had booths inside Crisp Arena.

Students arrived throughout the morning, with five schools

sending groups. Huntingdon sent approximately 100; Hollow Rock-Bruceton sent over 50; Carroll Academy had a showing of 5 students; and Clarksburg and Big Sandy each had around 30 participants.

Although this is the first such event held at the university, BU

president Walter Butler hopes that the event will be a yearly occurrence. "It's good for us to host it. The colleges like to be in a good, central location."

He added that he hopes the fair will attract even more schools and students in the coming years.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

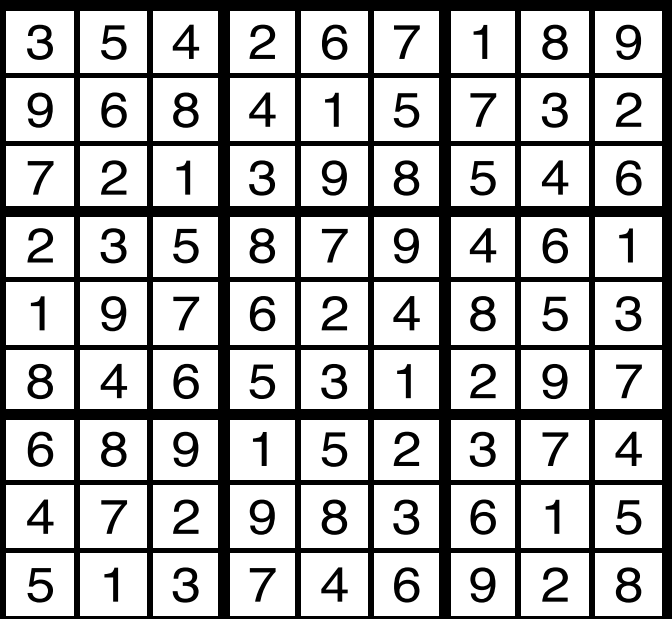

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
