Gränges Acquires Noranda's Downstream Business

Gränges acquisition of Noranda's downstream aluminium rolling business in the United States was closed on August 22, 2016, according to a news release from Gränges.

In order to facilitate the acquisition, Danske Bank and Svenska Handelsbanken have provided Gränges with a credit facility. The acquisition is financed with a five-year term loan equivalent to USD 300 million. In conjunction with the acquisition, Gränges has also refinanced its existing revolving credit facility.

Closing of the reported $324.2 million deal between Gränges and Noranda includes purchase of the Huntingdon, Tennessee plant in Carroll.

Carroll County Mayor Kenny McBride said, "My conversation with Gränges officials prior to the sale involved Carroll County's willingness to provide everything possible in terms of incentives in order to reinforce our commitment to the company relative to their potential purchase of the Huntingdon Plant. I am thankful Gränges won the auction. I am excited and looking forward to helping Gränges prosper and expand their business in Carroll County."

During an August 1 meeting of the Huntingdon Industrial Board, Huntingdon Mayor Dale Kelley told board members they were part of history as it was an important date to allow Gränges to

Fourth Annual Southern Fried, Sweet Tea Festival Hampered by Rain

McKENZIE (August 19-20) — The highly-anticipated Fourth Annual Southern Fried and Sweet Tea Festival was set to continue its growth in popularity this past weekend, but Mother Nature had other ideas.

The scale of the festival and the scope of the visiting crowds were diminished greatly by frequent bouts of rain, some heavy, that disrupted some aspects of the event and outright eliminated others. A saving grace was that by Saturday afternoon, the rain subsided, leaving just clouds and mild weather as many came downtown to salvage the rest of the day.

All of the ceremonies and entertainment were moved inside the Park Theatre, and additional speakers under the marquee filled the square with the music from within. Many took their sweet and deep fried treats inside to enjoy the music.

While the show went on for most of the entertainers, many of the expected vendors opted out of the dampened event. Many of the craft vendors were on hand, some relocating to the farmers market just down the street.

Restraining Order Issued Against Education Board On Behalf of Bethel

NASHVILLE — The State of Tennessee Chancery Court for Davidson County issued a restraining order Wednesday in a lawsuit filed on behalf of Bethel University against the State of Tennessee Department of Education, the Tennessee Board of Education and others, including the State Commissioner of Education, Candace McQueen. The Court's order immediately restrains and prohibits the defendants in the lawsuit from acting in any manner to either enforce or assist in the enforcement of any aspect of a State Board of Education's decision regarding Bethel's School of Education made by the Board's at its meeting on July 22, 2016.

Bethel brought the court action in response to a Board of Education vote, recommended by the Education commissioner, which would have had the immediate effect of revoking Bethel's longstanding approval and accreditation to prepare college students

Incumbents Bobby Blaylock and Pam Bryant qualified to seek two of the five at-large council seats in Trezevant. Dennis Mitchell is seeking re-election as mayor.

New Henry Dollar General is Burgled

HENRY — The new Dollar General store in Henry was burgled on Monday, August 15 after burglars cut a hole in the back wall of the store overnight got away with some $3,600.

The assistant manager discovered the burglary early Monday morning when she was opening the store. According to the Henry County Sheriff's Office report, she saw a safe open and the contents on the floor by the cash register.

She first called the manager, who told her to leave the store and call the sheriff's office.

When Deputy Sgt. Bryan Hall arrived at the store, he first checked to make sure no one was still inside the store before walking through it with the manager.

They discovered that two of the store's safes were open and some $3,600 was missing.

Middle School Football

Mustangs Edge Rebels in Double-Overtime, 14-12

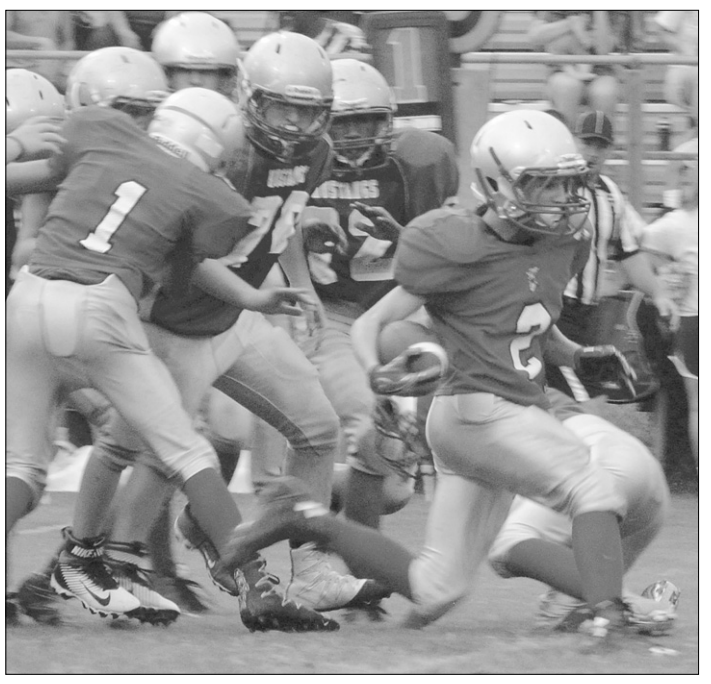

MCKENZIE (August 18) — In middle school football action, the McKenzie Rebels and Huntingdon Mustangs battled through three scoreless quarters before touchdown rushes by Rebel Will Latimer and Mustang Malek Cannon knotted the contest at 6-all at the end of regulation and forced overtime.

In the first overtime, Huntingdon won the coin toss and took possession at the Rebel 10 with four plays to score. Fueled by consecutive tackles by Connor McReynolds, MMS forced HMS to turn the ball over on downs as McKenzie took possession of the pigskin with an opportunity to win the contest outright.

After consecutive inside rushes by Latimer moved MMS to the Mustang 6, Elijah Seivers battled for three yards up the middle as McKenzie took a timeout facing fourth and three.

Breaking the huddle, Rebel quarterback Eli Surber took the snap from center and followed McKenzie's offensive line surge in an attempt to punch-in the game-winning score. As players from both teams tumbled into the end zone, game officials ruled that Surber had fumbled the pigskin before breaking the plane of the goal line. In the ensuing skirmish, Huntingdon recovered the ball in the end zone to force a second overtime.

Winning the second overtime coin-toss, McKenzie took to the air as Surber rolled leftside and fired a touchdown pass to Zayden McCaslin. Digging in, Huntingdon's defensive line, led by D'Allen McCord and Landon Carter, tackled Seivers short of the goal line to thwart the Rebels' two-point conversion as McKenzie led, 12-6.

McKenzie Middle School runningback Will Latimer (2) moves the chains via Logan Lyle's (1) block.

As fans of both teams stood and cheered, Huntingdon, facing a "do-or-die" scoring situation, responded quickly as Mustang Jagar Taylor took the handoff from Cannon, veered leftside, and flipped over a Rebel defender at the goal line to score.

As fans of both teams cheered the weary combatants, Taylor took the handoff from Cannon and followed his blockers left side to score the pivotal two-point conversion as Huntingdon earned a hard-fought, 14-12 win over the Rebels.

On Thursday, August 25, McKenzie travels to Bruceton for a 6:30 p.m. contest against the Central Middle School Tigers.

Idle next week, Huntingdon resumes its season on September 1 at Camden. Game time is 6:30 p.m.

Bethel University Bass Team Approach Snares National Success

By Ernie Smothers
smothers@mckenziebanner.com

Frequently quoted in sports circles, the old adage "There is no I in Team" is often emphasized by coaches and media writers to athletes to illume the concept that unified effort supersedes individual accolades.

Bethel University Bass Fishing Head Coach Garry Mason is certain that the burgeoning success for his multiple-award and event winning, nation's-best college angling squad is due to his student-athletes embracing his "team first" mantra.

During an interview with The McKenzie Banner, Mason said, "First and foremost, Bethel Bass Coach Kenny Louden and I emphasize team work to our student-athletes. No one becomes successful in life by their merits alone. It takes help and support from others along the way for a person to achieve their goals."

He said, "I always tell people that a successful team can be compared to a train. If all of the parts of the train are working properly, the train has no problem moving down the track. That is the essence of teamwork. We pull for each other. If one person succeeds, it is because others helped him get there. If one person wins, then we all win. I am proud that our student-athletes embrace the 'team first' concept and support each other wholeheartedly at all times."

He continued, "The road to success runs through recruiting. We only offer bass fishing scholarships to young people that we believe will serve as ambassadors for Bethel University and conduct themselves as role models at all times. People watch our student-athletes and coaches, and it is up to us to set a strong Christian example. We cannot take our role lightly. There is no easy road to success. Our young people adhere to standards and accountability for their actions. If more people subscribed to that, there would be much less troubles in this world."

He said, "Since 2009 when Bethel became the first college nationally to offer scholarships for bass fishing, our team has earned the reputation as the top college fishing team in the United States. Our fishing program is being modeled by seven collegiate fishing programs at this time. We strive to do things right, and people have noticed."

Mason added, "Above all else, academic success is stressed first and foremost at Bethel University. It is paramount that our student-athletes excel in the classroom. Education is the first priority at Bethel University. Our bass team members must excel in the classroom in order to excel on the water."

He concluded, "Although I receive a lot of attention from the media, I always try to transfer that attention to the bass fishing program and Bethel University. My job is best described at this; I must possess the initiative to light the fires of success daily for my team. In turn, I need others to light fires and to stand together. Unified effort leads to success, and Bethel Bass Fishing is built upon that principle. I am excited about the good things that await our fishing program."

Perhaps the clearest example of Bethel Bass' "all-for-one" team attitude manifested recently when Bethel incoming junior John Garrett of Union City won the prestigious 2016 Carhartt Bassmasters College Series National Championship and earned a spot in the 2017 GEICO Bassmaster Classic presented by GoPro on March 24-26 on Lake Conroe near Houston, Texas.

Garrett's win on Kentucky Lake near Paris on August 6 earned the State of Tennessee its first Bassmasters College Classic Bracket Series Championship.

Prior to winning the national title, Garrett and Bethel teammate Brian Pahl placed second in the Carhartt Bassmaster National Championship at Campbellsville, Kentucky to earn inclusion against six seeds representing the top four teams from the college national championships.

Despite being eliminated in the opening round of the three-day College Series National Championship, Pahl and fellow Bethel anglers supported Garrett during his history-making win.

Regarding his Bethel Bass teammates, Garrett said, "We support each other as a team even when there's only one of us fishing. I had teammates following me around and watching me fish at the national championships, and it meant a lot to me to know they were there cheering me on. At Bethel, It's all about the team."

Beginning the national championship competition as fourth-seed, Garrett defeated fifth-seed Sam Stone of Texas State on the first day of one-on-one competition before easily defeating second-seed Taylor Bivins of Kansas State the following day en route to winning the national title.

In addition to claiming the Bassmasters National Championship title, Garrett won $7,500 to cover fishing expenses, use of a fully-wrapped Nitro boat and fully-rigged Toyota truck for one year and qualified for all nine B.A.S.S. Opens in 2017.

Defoliation at Carroll Lake

MCKENZIE — Two years after Carroll Lake was emptied following a major flood, work has begun to repair and refill the 100-acre fishing lake.

A flood in June 2014 overflowed the banks and heavily damaged the steel spillway gates. After several meetings with the community, Tennessee Wildlife Resources Agency, the owner of the lake, chose to repair and refill the lake.

Last week, Provine Helicopter service with pilot Charles Storey overflew the former lake and applied a herbicide to the overgrowth of brushes and trees that now make their home there. TWRA will attempt to dredge a portion of the lake bed to remove some of the silted areas. Additional fishing peninsulas were planned to be added, if possible.

A local company has the contract to reconstruct the metal spillway gates.

Clear Creek feeds the lake and will refill the lake in weeks after the gates are functional. TWRA will restock the lake with fish. After the fish population has successfully been restored, fishing will reopen in approximately two years.

Huntingdon School Approves New Policies

By Joel Washburn
washburn@mckenziebanner.com

HUNTINGDON (August 18) — Huntingdon Special School District Board of Education approved nine policies during its regular monthly meeting on August 18. Some of the policies were updated to reflect revised state laws, and others were added new in according with recommended policy.

Vicki Williams and Dr. Tim Tucker were both administered the oath of office by Pat Dillahunty, director of schools. Williams and Tucker were re-elected in their uncontested bids for office.

A new graduation standard requires students to challenge a test on the subject of U.S. Civics before graduation. The law does not require the student to pass, just take the test. Students must also take the ACT or SAT college entrance exams during the 11th grade.

A proposed Graduation Activities policy was amended to allow the community to continue its religious baccalaureate service. The special service is not part of the school's oversite.

Also, any student, who completes at least 10 hours of community service in each semester during high school will receive special recognition during graduation.

A policy to allow service animals on campus and in the facilities was also approved in accordance with state law and the American Disabilities Act. The policy mentioned service dogs and trained miniature horses as part of the approved service animals.

A policy concerning emergency leave and legal leave was approved to grant equal privileges to certified faculty and staff and non-certified support staff.

A policy was approved to designate a single associate as the custodian of public records and to handle any requests from the public for those records. Angie Bunn was designated as the contact person.

Child abuse and neglect policies were enhanced to better clarify when representatives of the school are to report suspected abuse and neglect to authorities.

A policy was approved dealing with prevention and treatment of sports-related concussions and what levels of medical personnel can assess the patient for determination. It also requires coaches to complete an annual online course called Concussions in Sports-What You Need to Know.

School districts must now develop a specific timeline to adopt the annual fiscal year operating budget. The recommended policy to reflect those changes was approved.

Credit recovery was a policy the state required each district to formalize their policies. Huntingdon had a procedure for credit recovery. The new policy standardizes it. It addresses admission and removal of students, instruction, content and curriculum, and grades.

to take Tennessee's teacher licensure test.

Bethel's students have achieved a one hundred percent passage rate in three of the last five years on the Praxis® Principles of Learning and Teaching examination test, which applicants for teacher licensure are required to take by the State of Tennessee. In the other two years, Bethel students achieved a ninety-three percent and ninety-eight percent passage rate. Bethel alleges that it already holds all necessary approval and accreditation to train teacher licensure candidates until the fall of 2017, the time for the next regularly scheduled review.

Bethel alleged the State Education Department previously approved its program until the fall of 2017. Further, last May, Bethel received additional accreditation for the same time period from a national accrediting agency approved by the United States Department of Education to accredit educator preparation providers known as the Council for the Accreditation of Educator Preparation.

In response to the State's surprise revocation of Bethel's approval, Bethel sued the Education Department and the State Board of Education stating that the defendants' actions are in violation of Bethel's due process rights under Article I, Section 8 of the Tennessee Constitution; that the policies being used by the defendants to harm Bethel are null and void as they are outside the scope of the authority proscribed and granted to the Department and Board by the Tennessee General Assembly; that the actions by the Department and the Board were arbitrary, capricious and void; and that the Board policies formed the basis for the Board's revocation action are null and void because those were implemented unlawfully and outside of the express procedures required by the Tennessee Uniform Administrative Procedures Act.

The Court's Order stated Bethel's complaint was sufficient to suggest the rights of Bethel University have been, are being and will continue to be violated by the defendants - Tennessee State Board of Education, Tennessee Department of Education, Education Commissioner Candice McQueen, Board of Education Executive Director Sara Heyburn and State Board of Education members B. Fielding Rolston, Mike Edwards, Allison Chancey, Carolyn Pearre, Wendy Tucker, Lilian Hartgrove, Cato Johnson, and Dr. William Trout.

A future hearing in the matter will be scheduled to consider whether Bethel is entitled to a permanent injunction and additional relief.

Hollow Rock Board of Alderman

Mobile Home Park in Poor Condition

Hollow Rock Mayor and Board of aldermen devoted the Aug. 16 meeting to discussions about general matters such as the condemnation of certain properties and the fire department since the one item on the agenda was voided.

Jeremy Gray had asked to be placed on the agenda concerning the use of a firearm in a residential area, specifically around 17 Crews Drive.

However, town recorder Pam Gallimore said she was notified Gray would not be appearing at the meeting.

"I think the neighbors worked it out and resolved the issue," said Gallimore.

Alderman Bobby Brotherton brought up a matter that centered around a mobile home park on State Highway 114 South that needs attention. It was mentioned that the three dilapidated mobile homes need to be moved and the undergrowth cut. One is occupied.

Town recorder Pam Gallimore said she had sent a certified letter and that it was returned. Later, owner Ron Byers, Jr. of Gleason called and told her his address.

"I don't know how he knew that I had sent him a letter, but he called city hall about it," said Gallimore. "Now we can move forward with it. I will send the certified letter again."

Mayor Tim Runions said the mobile homes are not livable.

"If the owner doesn't respond, we'll start the condemnation process," said the mayor. "The trailers need to be moved out."

Another situation on Adell Street was mentioned. The lawn where Desiree Ernsberger resides is in need of cleanup, although the house is livable.

"The yard is a mess, although the house is not in that bad of a shape," said Alderman Curt Lumley.

There was also a residence on Kee St. that was mentioned that needs some attention.

During the meeting, Brotherton, who is also the town's fire chief, said that a LED security light had been installed at the fire department.

Lumley questioned Brotherton about a door at the department that had to be replaced due to an engine being backed into it. Brotherton said the insurance will pay $1,500 on a new door and he also planned for a remote control to be placed on it for convenience. The door that has been ordered costs $1,075.

In other business, the mayor said if a citizen asks for rock or gravel from the town, none is available.

"We can't do it because we have to stay consistent." he said.

Vice Mayor Rob Woods was absent.

Student Resource Officer Possible By Mid-September

MCKENZIE (August 22) — A new student resource officer at McKenzie Special School District is anticipated by mid-September, according to Lynn Watkins, director of schools.

During the August 2 meeting, McKenzie Special School District Board of Education unanimously approved a contract with the Carroll County Sheriff's Department to provide the certified police officer to provide day-to-day security at the three schools, teach DARE - a drug, alcohol, and bullying training program, provide safety training for faculty and staff, and provide security during ball games.

Previously, the city contracted with the McKenzie Police Department.

Lynn Watkins, director of schools, said the SRO provided through the county, will be an employee of the Sheriff's Department with a contractual arrangement to serve MSSD. He or she will serve the school on a 40-hour weekly contract for a one-year period. The total estimated cost is $49,317, including a salary of $36,059 and benefits of insurance, retirement, social security, and worker's comp. The Sheriff's Department will provide all necessary equipment.

Watkins said the school and the county and their related legal counsel have reviewed the contracts. All is needed is signatures on the contracts, said the director.

McKenzie will be the lone school system in Carroll County with a full-time SRO.

Gasoline Prices Rise

(August 22) — Average retail gasoline prices in Tennessee have risen 4.6 cents per gallon in the past week, averaging $1.94/g yesterday, according to GasBuddy's daily survey of 3,821 gas outlets in Tennessee. This compares with the national average that has increased 3.7 cents per gallon in the last week to $2.16/g, according to gasoline price website GasBuddy.com.

Including the change in gas prices in Tennessee during the past week, prices yesterday were 31.2 cents per gallon lower than the same day one year ago and are 1.7 cents per gallon higher than a month ago. The national average has decreased 0.5 cents per gallon during the last month and stands 45.5 cents per gallon lower than this day one year ago.

According to GasBuddy historical data, gasoline prices on August 22 in Tennessee have ranged widely over the last five years: $2.26/g in 2015, $3.21/g in 2014, $3.31/g in 2013, $3.50/g in 2012 and $3.41/g in 2011.

Areas nearby Tennessee and their current gas price climate: Chattanooga- $1.85/g, up 2.8 cents per gallon from last week's $1.82/g. Nashville- $1.98/g, up 4.4 cents per gallon from last week's $1.93/g. Huntsville- $1.90/g, up 5.2 cents per gallon from last week's $1.85/g.

"With the benchmark WTI crude climbing more than $8 per barrel since the beginning of the month to $48 per barrel and Brent above $50, we should not be surprised to see the average price of gas in many areas nearly 5 cents than it was a week ago," said Gregg Laskoski, senior petroleum analyst for GasBuddy.

"While wholesale gasoline prices reflect the run-up for crude, it may be short-lived since the clock is ticking on the rally for retail prices with just two weeks left before the Labor Day weekend and summer's official end," Laskoski added. "So consumers should be prepared for modest increases this week that may actually taper off as we approach the holiday weekend."

Hunker Down with Kes

You Talk About One For The Ages!

"You know she's not your real aunt."

We were standing under the street light where the Como Road bent back toward Archie Moore's house. I couldn't think of nothing intelligent to say. I wasn't about to agree with George Sexton. Although he was usually right.

I never knew Aunt Jessie by any other name. She was always there. She laughed easily and quickly. She could run faster than any boy in the neighborhood. She was sure old enough to be Mom or Dad's sister. And she liked us first. In fact, she about wrote the book on liking young people. You didn't have to be the valedictorian of the first grade to know she was your friend for life.

Aunt Jessie could hug you till your stomach eased up toward your esophagus. She would tussle your hair with a gentleness that only love could fabricate. She baked and handed out cookies by the millions. She'd take up for us in a nanosecond...even if we might have been wrong. But if one of us said a cross word about each other, our parents or someone she thought highly of, she'd straighten you out in a heartbeat...

That sure sounds like a real aunt to me!

You could show her your frog and she wouldn't bat an eye. Shoot, she'd even have a story about chasing down frogs when she was a little girl. She would stick your magnet to her refrigerator to check its authenticity. She could roll a steely around in her hand like a marble shooting champion. She could tighten a roller skate better than anyone I've ever seen. And you could tell her your innermost secret and know it was safe with her.

For years and years she was the only grownup that really understood us.

If you struck out three times, made six errors and lost the game for your team, she wouldn't try to console you with "It's just a silly old baseball game". She understood it was our entire world. She wouldn't make excuses for you, belittle the sport or tell you you'd get them next time. But she would cry with you.

Her house was a safe haven. Leon was prone to punch on me on slow days. If I could elude him, I'd run across the vacant lot and bang on Aunt Jessie's back door. Thank goodness, she was always home! While I munched on an oatmeal raisin cookie, she would patiently explain that older brothers had to exercise their sibling dominance from time to time. "It makes them feel important." She'd laugh, "Everybody needs to feel important at some point in their life. So you're really helping Leon out."

"Well, I'm not important, ever."

"Kesley Colbert, don't you say that. Don't you ever say that!" She would hand me another cookie and sit down beside me. "I've seen you throw a baseball. Nobody can throw like you. You make perfect grades in school. And you're the most handsome fellow in two counties. Someday the girls are going to come calling by the sack full!"

None of it was true of course, but the important thing was, both me and Aunt Jessie believed it at the moment.

Listen, she didn't abandon you when you moved on to high school. I was pretty busy with classes, football practice, homecoming floats and the like. I didn't get down to her kitchen quite as often as I had in the past. Aunt Jessie came over to see me! She wanted to know how I was doing. How life was treating me. Was there anything I needed?

Aunt Jessie never gave up on nobody!

Somehow she knew everybody in Paris, Tennessee. When I started dating a girl from there, I couldn't tell who was the happiest, me or Aunt Jessie. When Dad complained about me driving the twenty miles to see her, "Son, why can't you date a girl closer to the house"—Aunt Jessie would come to my rescue. "Now, Lonnie, you let Kesley make his own decisions."

Aunt Jessie, and listen, promise you won't tell anybody this, was always partial to the boys.

I hadn't seen her in years. Life, children, work and living five hundred miles away all conspired against us. But I've never forgotten the quiet, consistent, practical and sometimes poignant lessons she dispensed daily with the sugar cookies and popcorn. Everyone needs an Aunt Jessie in their life.

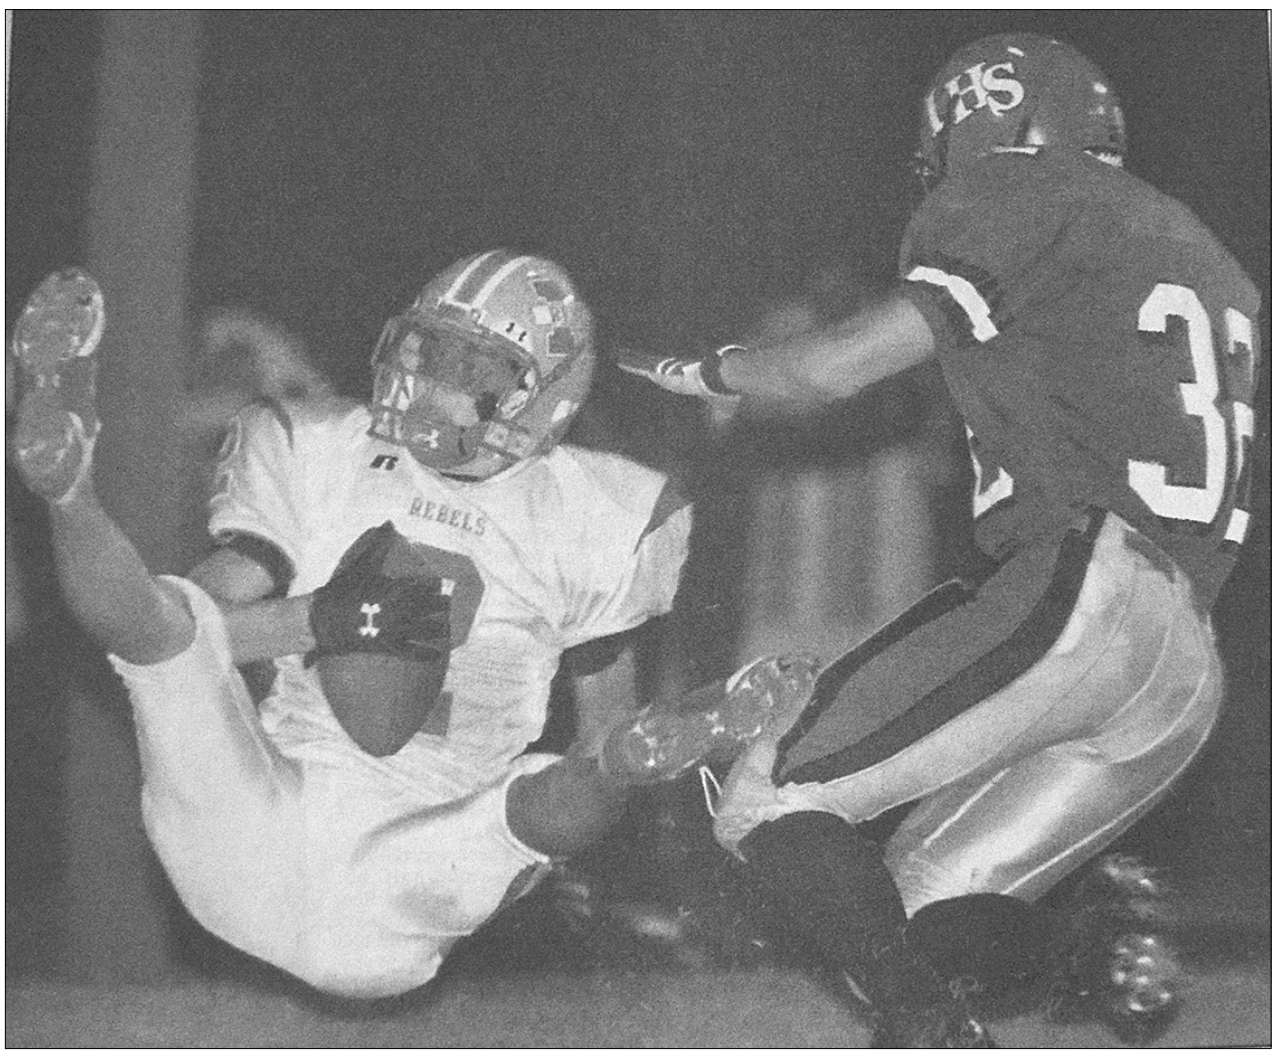

You can't imagine my stunned silence when I heard of her passing this past week. The years rolled away as if nothing...I was back in that kitchen, getting my stomach hugged up into my esophagus. I could smell the molasses and biscuits. I could feel her gentle hand on my head. I could hear that wonderful laughter above the breaking of my heart.

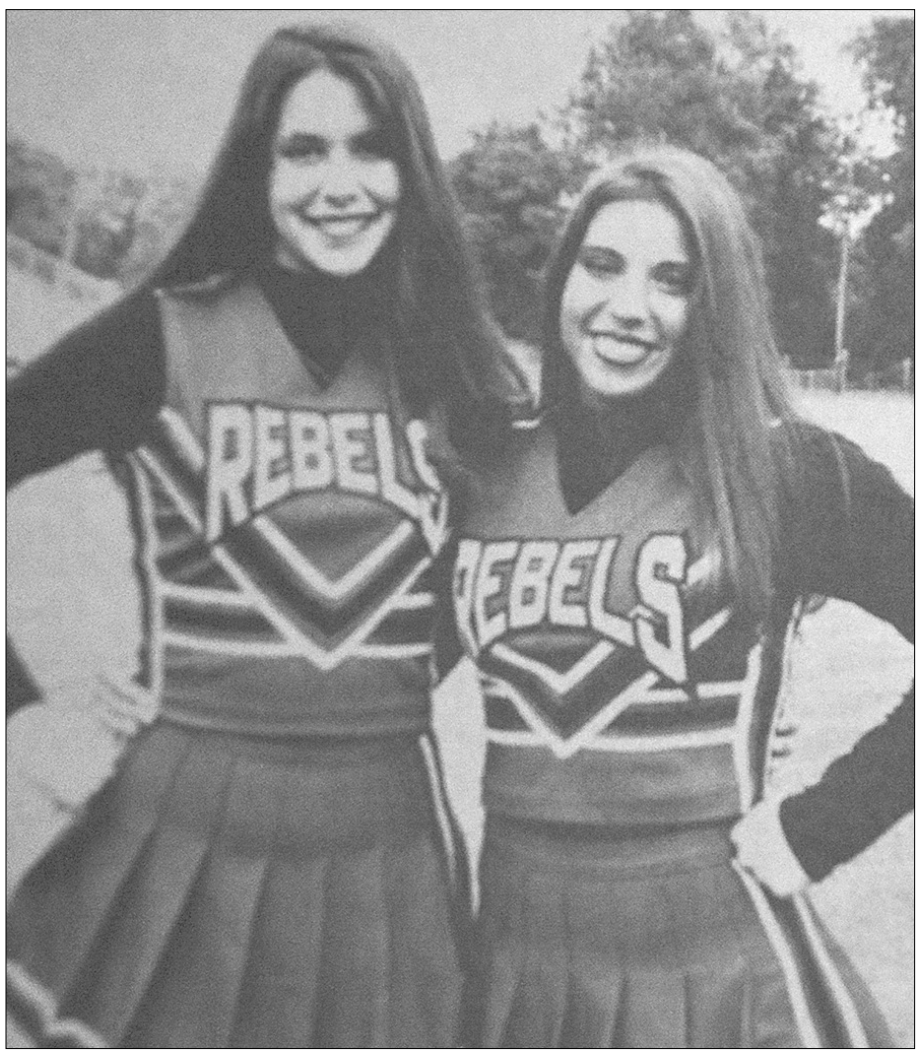

It was my time to cry for her.

She was quite possibly the only REAL aunt I ever had!

And I know a whole neighborhood of kids growing up with us out at the end of Stonewall Street that will tell you the exact same thing!

Respectfully,
Kes

Inglenook Book Club August Meeting

The Inglenook Book Club held its August meeting at Lakeside Assisted Living Center with Zia Locke and Sandi McMahen serving as hostesses. Refreshments of delicious coconut cake, grapes, and veggie sticks were served, along with assorted beverages.

President Zia Locke called the meeting to order and thanked her co-hostess as well as those who helped serve. Members stood for the Pledge of Allegiance and then recited the Club Aim and Motto.

The Recording Secretary called the roll and read the July minutes, which were approved as read. Treasurer Donna Ward reported the bank balance.

"Happy Birthday" was sung to August birthday celebrants: Barbara Boyd, Juanita Finley, and Donna Ward.

There was no Old or New Business.

Vice President Victoria Ard introduced our program presenter, Geneva Johnson, whose program was on our own local celebrity, Dixie Carter, who was born in McLemoresville, grew up in Huntingdon, and after whom The Dixie Theatre in Huntingdon is named. Dixie Virginia Carter was born in May, 1939 to Esther Virginia Hillsman Carter and Halbert Leroy Carter. Dixie had one brother, Hal, and a sister, Melba Helen, called "Midge."

She graduated from Huntingdon High School as valedictorian with an overall average of 96. She attended the University of Tennessee and Southwestern at Memphis (now Rhodes College), but transferred to Memphis State (now University of Memphis) because she could finish sooner. In 1959 she placed first runner-up in the Miss Tennessee pageant, and won the Miss Volunteer beauty pageant at the University of Tennessee that year.

Dixie Carter made her professional stage debut in a Memphis production of the musical Carousel in 1960, and made her Broadway debut in the 1974 musical Sextet. She appeared for two years on the CBS soap opera, "Edge of Night." She took the role although some advised that doing a daytime soap might negatively affect her career. However, it was this role that brought her notice, and in 1976 she relocated from New York to Los Angeles to pursue prime-time television roles. Among those were "On Our Own," "Filthy Rich," and of course, "Designing Women."

In 1967 Dixie married businessman Arthur Carter (no relation), and they had two daughters, Mary Dixie and Ginna. She divorced Arthur Carter in 1977 and that same year married Broadway and TV actor George Hearn. They divorced after two years.

Dixie married for the third time in 1984 to fellow actor, Hal Holbrook, 14 years her senior. Holbrook is most noted for his appearances as Mark Twain. She and Holbrook divided their time between their homes in Beverly Hills, California, and McLemoresville in the old Carter family home, where Dixie's father, Halbert, lived until his death in 2007 at age 96.

In 1996, Dixie wrote Trying to Get to Heaven: Opinions of a Tennessee Talker, in which she talked frankly about her family, life with Hal Holbrook, "Designing Women," and her plastic surgery during the show's run.

Dixie Carter died in April, 2010, in Houston, Texas of complications from endometrial cancer. In addition to her family, her funeral was attended by "Designing Women" co-stars Delta Burke, Annie Potts, and Jean Smart. She was buried in her hometown of McLemoresville.

Under Announcements, the next meeting will be at Lakeside with Juanita Finley and Carolyn Goodwin as hostesses.

Geneva Johnson reminded everyone of the upcoming Southern Fried Foods and Sweet Tea Festival in the downtown square with proceeds to benefit the Park Theatre. Volunteers are needed.

After the book passing, members recited the benediction and the meeting adjourned.

Members present were Victoria Ard, Barbara Boyd, Peggy Chappell, Juanita Finley, Carolyn Goodwin, Suzanne Howell, Geneva Johnson, Zia Locke, Jean McKinnie, Sandi McMahen, Carolyn Moore, Mary Newman, Carolyn Potts, Marilynn Putman, Shelia Rogers, Suzanne Russell, Genia Sherwood, Sally Sutton, Donna Ward, and Elaine Williams.

MHS Students Represent Rotary at Summer Training

Anders Rider and Bridget Bradberry, both juniors at McKenzie High School, spoke about their experience at RYLA 2016 on the campus of Austin Peay University-Clarksville, Tenn.

They were the featured speakers at the August 2 meeting of the McKenzie Rotary Club.

Rotary Youth Leadership Award (RYLA) is Rotary's leadership training program for young people. RYLA emphasizes leadership, citizenship, and personal growth, and aims to:

Demonstrate Rotary's respect and concern for youth, provide an effective training experience for selected youth and potential leaders, encourage leadership of youth by youth, and recognize publicly young people who are rendering service to their communities.

'Southern Fried Funnies' Kicks Off Southern Fried and Sweet Tea Festival

McKENZIE (August 18) – The Southern Fried and Sweet Tea Festival kicked off Thursday with big laughs in the Park Theatre as Carroll Arts presented "Southern Fried Funnies."

Reminiscent of the classic Southern variety show, "Hee-Haw," the show featured a series of sketches and musical performances by a talented local cast under the direction of Glynda Rich and Denise Sam.

Emcee Wayne Bannister told funny stories and sang a few songs as he introduced sketches like, "Gossip Girls," "Lulu's Truck Stop," "KORN News," and "Went with the Wind."

Mayor Jill Holland even made a surprise appearance in "Pfft! You was Gone," although she was nearly unrecognizable in her cornfield garb.

Anna and Jon Eaton performed the Southern standard, "Summertime," as well as an original tune, "Billy Ward," about a loyal and one-of-a-kind Gleason resident.

Other members of the cast were Anna Cary, Veronica Giaimo, Peony Humphreys, Sierra Kennan, Fran Musser, Brad Sam, Denise Sam, Joe Sam, Sue Sarkozi, Devyn Smiley, Alex Tingle, and Dan Webb.

Jonathan Chappell provided sound and lights, while the set was designed and constructed by Joe and Denise Sam, Walter and Glynda Rich, and Bill and Geneva Johnson.

Carroll Arts thanks Williams Furniture, Don and Anita Heath, Carolyn Potts, Bill and Margaret Stoner, the McKenzie High School Theatre Department, and Gaylon Biggs.

Mayor Jill Holland prepares backstage for her surprise appearance.

McKenzie Dominates 4A Dyer County, 32-13

Rebels Score 26 Unanswered to Take Season Opener

By Brad Sam
brad@mckenziebanner.com

McKENZIE (August 19) — The Rebels made a statement Friday in a season-opening takedown of Class 4A Dyer County, showing a breadth of skill on all sides of the ball. After trailing 13-6 late in the first quarter, McKenzie put up 26 unanswered points as a team, including offensive touchdowns on the ground and in the air, a safety, a field goal, and a fumble recovery for a touchdown.

Rain soaked Rebel Stadium and Randy Thomas Field leading up to the game, but held off the entire evening for a pleasant, but muddy atmosphere.

McKenzie won the toss and elected to receive. Choctaw Trent Yuhas powered the opening kickoff to the 12 yard line, but Tyler Spivey returned it 51 yards to give the Rebels great field position. The offense was rolling, with a 6-yard run by Eric Robinson and a 3-yard pass from Rebel quarterback Zach Jarrett to Spivey, but a delay of game penalty on third down would doom the drive. Joseph Miller gained back the five penalty yards on a keeper, but Jarrett's pass fell incomplete on fourth-and-two to turn the ball over at the Dyer County 28 yard line.

Choctaw quarterback Cooper Hurt took the first snap 33 yards, then passed to Deon Thompson, tackled by Lorenzo Haynes for a loss of three. Jaquan Roberson took the second down handoff 28 yards for a first down at the Rebel 14, run down from behind by Miller, then Jefhry Taylor ran for the touchdown. Yuhas' point-after kick was good, and Dyer County led, 7-0, with 8:53 remaining in the first quarter.

Yuhas' second kickoff was not as deep, but Spivey's knee touched the grass as he caught the ball, starting McKenzie's second drive at the Rebel 21 yard line. Lucas Waddell ran for eight yards, then Robinson was stopped at the line of scrimmage. Miller went 20 yards to get the ball to midfield, then Jarrett passed to Robinson, who went 51 yards for the touchdown. The Rebels went for two and failed, and the Choctaws still led, 7-6, with 7:19 left in the first frame.

Waddell's first kickoff was shallow, but Choctaw Chance Hutcheson made no return. Roberson ran on first down for three yards, then Hurt kept for seven and a first down. Roberson gained 5, then Hurt passed to Vinson Taylor for three to bring up third-and-two at midfield. Hurt kept again, this time for a 50-yard touchdown. Yuhas attempted a pass for two extra points, but it fell incomplete. With 4:55 remaining in the first, Dyer County led, 13-6.

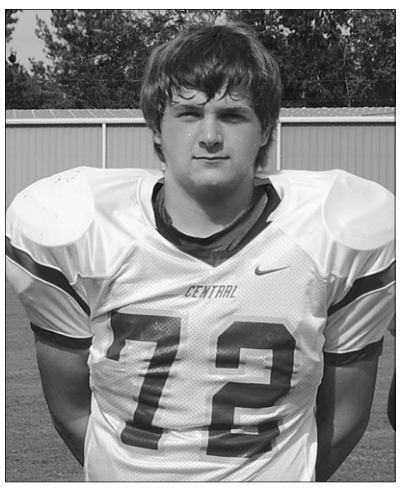

Yuhas kicked deep again, and Spivey took full advantage of the space, running 73 yards to just outside the Choctaw 10. The dividends of his effort would be delayed as four consecutive runs by Robinson turned the ball over just inches from the goal line.

Hurt managed to escape his own end zone on the first snap and gain three yards, but a pass to Taylor lost three thanks to Waddell's quick takedown, and Hurt was sacked on third-and-ten by a host of Rebels for a safety. With just under a minute left in a long first quarter, McKenzie still trailed, 13-8.

An onside kick attempt by Yuhas was recovered by Sean Beck

BRUCETON (August 19) — In hard-hitting, season-opening high school football action, the West Carroll High School War Eagles, propelled by a big offensive line and the stellar rushing of Tristen Fuller (touchdown rushes of 33, 1 and 1 yards) and quarterback Patrick Becker (32-yard touchdown dash), battled the smaller but intense Hollow Rock-Bruceton Central Tigers to the end before bowing, 26-22.

West Carroll was led defensively by Joey Fowler, Logan Christman, Darrell Williams and Colin Simmons.

Bulldogs Rout Pilots, 44-0

After a day of back-and-forth about whether Friday's game between Gleason and Fulton County would be played as scheduled, there was no back-and-forth once the two teams went to battle.

Instead, the Bulldogs dominated on a rain-soaked Parks Edwards Field en route to a 44-0 triumph.

"It was worth it," Gleason head football coach Noah Lampkins said of tearing up his turf after Friday's win. "We tried to reschedule it, but couldn't find any common ground. So, we said to heck with it and we're going to play. It was worth all the time we put in to get the field ready and win."

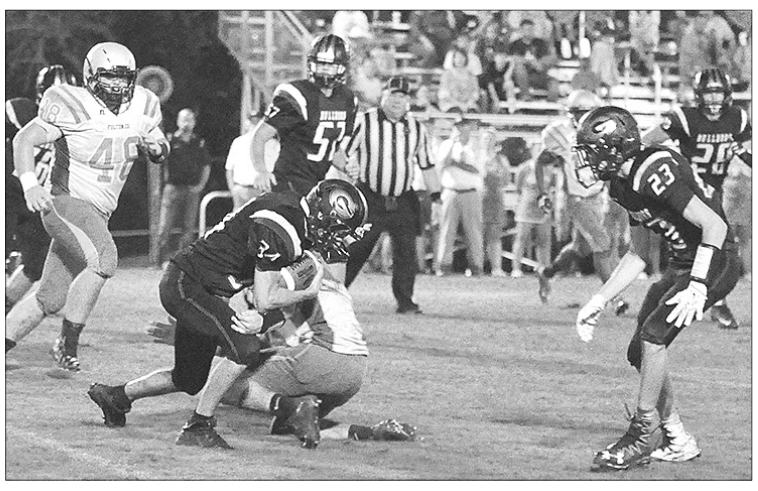

Offensively, the Bulldogs racked up the yards on Friday evening en route to the program's eighth consecutive win in the opening week of the football season.

Altogether, Gleason totaled 300 rushing yards and 358 yards of offense while limiting the Pilots to 100 yards of offense.

Devon Kerr topped the offensive chart with 119 rushing yards and a pair of touchdown totes among his 15 carries. Meanwhile, Wade Kelley totaled 66 rushing yards, Terry McKinney carried for 62 yards and a score and Heath Keeling finished with 58 rushing yards and a touchdown.

"It takes us a long time to score because we don't have a lot of speed," Lampkins said. "We're

at the 50 and taken 14 yards into Choctaw territory. Jarrett passed to Waddell for seven, but Robinson lost a yard as the quarter ended.

Robinson started the second frame with seven yards for a first down, then repeated for eleven down to the 10 yard line. Jarrett threw incomplete, the handed off to Robinson for five. A pass to Waddell lost the Rebels two yards, bringing up fourth-and-goal at the 7 yard line. Waddell set up for a 24-yard field goal, and a solid kick brought McKenzie closer, 13-11, with 10:37 remaining in the second frame.

Choctaw Hunter Sipes picked up the ensuing kickoff at his own 22 and managed a 22-yard return. Hurt threw incomplete, then saw his 24-yard run called back for holding. Roberson broke out for 55 yards before Julius Owens chased him down at the Rebel 9. Hutcheson gained four yards, but a delay of game cost five. Hurt completed a pass to Taylor for five, but was then fumbled and was sacked on third-and-five by Owens for a loss of 14 yards. Dyer County elected for a field goal attempt, but the ball was fumbled on a high snap. Rebel Lorenzo Haynes picked it up and ran 75 yards to paydirt. Waddell's kick was good, and McKenzie took the lead, 18-13, with eight minutes left in the half.

Waddell's kickoff sailed out of bounds, setting up the Choctaws at their own 35 yard line. Sipes took the first snap for a pair, then Hurt passed to Tyler McGuire for 47 yards. Roberson

gained five more, and a penalty gave Dyer County a first down at the Rebel 16. Roberson was stopped twice for no gain, by Rusty Sawyers and Deaaron Diggs, respectively, and two incompletions turned the ball over on downs.

The Rebels went three-and-out on the ensuing drive, and Michael Floyd punted the ball away with 3:35 left before intermission.

Starting at the Dyer County 41, Hurt kept the first snap for a five-yard gain, but was then sacked by Elijah Horton for a loss of four. He threw incomplete again as Miller defended the receiver well, and Yuhas punted to the Rebel 19 yard line just after the two-minute warning.

Consecutive runs by Waddell of eight and nine yards moved the chains, followed by a Jarrett pass to Robinson for another five. A pass to Spivey netted 31 yards to the Choctaw 28 with time left for one last snap, but the pass to Waddell fell incomplete.

Floyd kicked off to Dyer County to begin the second half, returned ten yards by Hurt to the Choctaw 25. The struggling visitors lost a net five yards on the three-and-out, and the punt was tipped by Owens and downed at the near 40 yard line.

The Rebels took advantage of the excellent field position, beginning with runs by Robinson of seven, five, and five yards. A Waddell run was waved off for illegal procedure, and Jarrett threw incomplete to bring up third-and-ten at the Dyer County 28. Jarrett threw a pass up the middle to Donavon Foley, who snagged it mid-stride into the end zone. Waddell continued to be sure-footed on the PAT, and McKenzie's lead grew to 25-13 with 7:43 left in the third quarter.

Dyer County threatened on the ensuing drive. Vinson Taylor returned Waddell's deep kick 28 yards to midfield, then Roberson rattled off runs of nine, four, and two yards. Hurt was stopped for no gain then threw to Hutcheson for four yards. Facing fourth-and-four at the Rebel 31, Hurt was sacked again by Owens for a short loss and a turnover on downs.

Taking over with 4:25 remaining in the third, Waddell ran for three yards on first down, then Robinson lost three. Jarrett threw incomplete, and Floyd punted away to the Choctaw 30.

Hurt began the drive with a two-yard run and two incomplete passes. Taylor punted to the Rebel 35, and the ball was touched by the Rebels and fumbled back to the Choctaws.

Trying to swing the momentum, Hurt ran 22 yards down to the 13. Taylor managed just a yard before meeting Horton, then Hutcheson gained four before a Waddell stop. Back-to-back errant passes by Hurt turned the ball over again with under a minute left in the frame.

Robinson ended the third with an eight-yard run, and began the fourth with the same. Another run netted him just a yard, and Jarrett took to the air with back-to-back passes to Waddell for 27 and twelve yards, respectively. Three more Robinson runs gained five, three, and then 17 yards before he punched it in for the final eleven and a touchdown. Floyd nailed the PAT, and McKenzie led, 32-13 with nine minutes remaining in the contest.

Hurt began the ensuing drive with a 20-yard pass to Roberson, but the next play resulted in a 15-yard blocking penalty that set the Choctaws back. Hurt completed one of two passes for ten yards, but was then sacked for a big loss by Horton. Hunter Taylor punted to the Rebel 40 with 6:10 on the clock.

Robinson ran twice for a total of five yards, then Miller gained a yard, and Floyd punted.

New Choctaw QB Beau Garner threw incomplete twice as Dyer County went three-and-out, stifled by the defense of Jake Trevathan and Keegan Millsap.

To run out the final three minutes of play, Rebel Bryston Diggs ran on five consecutive snaps for a total of 21 yards as the home fans began celebrating the 32-13 victory.

The Rebels topped Dyer County in total offense, 346-313 yards.

Rebel quarterback Zach Jarrett completed nine of 15 passes for 162 yards and a pair of touchdowns, averaging 18 yards per completion. Eric Robinson had two receptions for 56 yards and a touchdown. Lucas Waddell had four catches for 44 yards; Tyler Spivey had a pair of catches for 34 yards. Donavon Foley caught a 28-yard touchdown.

McKenzie rushed for 184 total yards on 37 attempts, averaging 5 yards per carry. Eric Robinson had 25 carries for 109 yards and a touchdowns. Lucas Waddell carried four times for 28 yards. Joseph Miller rushed three times for 26 yards, and Bryston Diggs had five carries for 21 yards.

Rebel Tyler Spivey had three kickoff returns for 124 yards total.

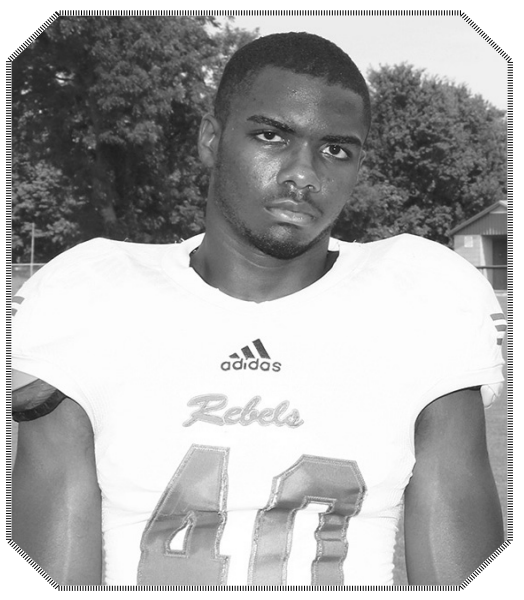

Michael Floyd punted three times, averaging 39 yards.

Rebels Julius Owens and Elijah Horton both had three tackles, each with a pair of sacks. Lucas Waddell also had three tackles. Nikolas Heath, Keegan Millsap, and Joseph Miller each had a pair of tackles.

The Rebels (1-0) will travel to Atwood Friday to face the West Carroll War Eagles (0-1) at 7:30 p.m.

LET'S GO TIGERS!

Tigers

...From Sports Front

the Tigers, senior speed merchant Zayveon Johnson reeled off touchdown bursts of 97 and 53 yards while quarterback Grant Davis highlighted Central's aerial attack via a 66-yard scoring bomb to Zane Mebane and nine-yard touchdown pass to Ryan Cole.

Central's defense was led by Brandon's Beast selection Dalton Davis (10 tackles, two tackles for loss, one quarterback sack and one pass deflection), Keith Williams, Bradley Griffin, C.J. Noles, Dakota Crutcher and Isaiah Donald.

Central won the opening coin toss but deferred possession until the second half.

Tiger Jacob Ervin's soccer-style kickoff was pounced on by War Eagle Kyler White at the West Carroll 40. On the first play from scrimmage, War Eagle Tristen Fuller plowed up the middle for a gain of seven. Prior to the ensuing snap, Central was flagged five yards for jumping offside as West Carroll netted a first down at the Tiger 48. On the next play, Fuller's seven-yard gain was negated by a holding call.

Ramping up, Tiger linebacker Dalton Davis dropped T. Fuller behind the line for a loss of two and Isaiah Donald stopped Fuller for no gain. Following a pass incompletion by Patrick Becker, West Carroll punted at the 9:42 mark of the first quarter as Tiger Dalton Williams returned the ball to the Central 44.

Following consecutive illegal procedure step-offs that moved the ball back to the CHS 34, Tiger quarterback Grant Davis took the shotgun snap and rolled right in the pocket. Pressured by Fuller, Davis unleashed a 66-yard scoring strike to Zane Mebane behind West Carroll defenders. Ervin's PAT kick was blocked as the Tigers led early, 6-0.

Ervin's booming kickoff was chased down by Becker near the goal line and returned to the West Carroll 31. Fuller was tackled after a gain of three by Ryan Cole and D. Davis before Keith Williams tackled Fuller for a loss of two. On the next play, D. Williams and Davis tackled Fuller for a loss of two as the War Eagles punted on fourth and 13.

Disaster struck Central on the punt as a Central player touched the ball that was recovered by War Eagle Chris Shear at the Tiger 39.

Following Donald's tackling Fuller at the line of scrimmage; Becker kept left side for a gain of eight. Following his line surge, Trace Fuller powered inside to move the chains at the CHS 27. On the next play, West Carroll avoided disaster as Becker covered his fumble at the 33. Tristen Fuller was stopped by C.J. Noles for a gain of one to bring up third down and 16 from the CHS 32. At the 3:32 mark of the first period, Becker took the shotgun snap and erupted leftside to score. Tristen Fuller added the two-point conversion as the War Eagles led Central, 8-6.

Jeremiah Bryant's squib kick was fielded by D. Williams who was tackled by Joey Fowler at the Central 41. Taking the inside handoff, Tiger Zayveon Johnson raced across midfield to move the chains at the West Carroll 43. On the next play, Darrell Williams stopped Johnson for no gain. Undaunted, Johnson weaved for a first down at the War Eagle 30. Reacting, West Carroll defender Blake Davidson tackled G. Davis for a loss of one and Bryant stopped Brady Snider at the 29 as time expired in the first quarter with West Carroll leading Central, 8-6.

Resuming play in the second quarter, West Carroll was flagged for consecutive offside infractions as Central netted a first down at the War Eagle 19. Sweeping right side, Johnson powered through tacklers to the WC 10. Fullback Cole then earned a first-and-goal for the Big Blue at the nine. At the 10:46 mark of the second frame, G. Davis faked to Johnson via I-set formation and rolled right to deliver a touchdown strike to Cole in the right corner of the end zone. G. Davis kept for the two-point conversion as Central recaptured the lead, 14-8.

Ervin's booming kickoff rolled out at the WC one to force a re-kick. After another re-kick, Ervin's short boot was covered by West Carroll at its 39.

Back on offense, Becker fired incomplete under pressure by Dakota Crutcher, Tristen Fuller recovered his fumble and a pass intended for Fowler was knocked loose by Donald as WC punted from its 10 with Donald returning the end-over-end kick to the CHS 44.

Determined, West Carroll's defense, led by Davidson and Christman, forced Central to turn the ball over on downs near midfield.

Bryant was tackled for a loss of one by Andrew Morrow prior to Becker keeping left side for a gain of five. Central's' defense responded to slow the WC advance as the War Eagles called a timeout at the 5:04 mark, facing fourth and six at the Tiger 39.

Displaying great speed, Becker kept left side to net a first-and-goal at the CHS 10. Tristen Fuller plowed inside to the 7 and Becker battled to the 5. After churning to the Tiger 1, Tristen Fuller dove over the pile to paydirt. The senior standout was stopped short on the two-point conversion try as West Carroll knotted the score, 14-14, at the 2:26 mark.

Bryant's onside kick was recovered by Tiger Cameron Howe at the CHS 48. After Johnson netted two short gains, the speedy senior created space on the right side and raced 52 yards to score. G. Davis' two-point pass attempt to Jeffrey Platt was knocked loose in the end zone as Hollow Rock-Bruceton widened its lead over West Carroll at the half, 20-14.

Tiger Gavin Guthrie returned the West Carroll second-half kickoff to the Central 40. On the ensuing snap, Johnson flew through a gap in the Tiger line to score from 60 yards out. The touchdown, however, did not stand as Central was flagged for a block-in-the-back, moving the ball back to the Tiger 35. On the next play, Central quarterback G. Davis raced for a first down at the 49 before being injured and leaving the contest as Snider took over at quarterback. Utilizing the rushing of Johnson, Central battled into West Carroll's red zone before turning the ball over via fumble as Simmons recovered the pigskin at the 17 with 5:43 remaining in the third quarter.

Revving up offensively, Becker and Tristen Fuller netted short gains before Becker raced for a first down at midfield at the 3:31 mark. Bryant was dropped for no gain by D. Davis and K. Williams and Tristen Fuller was stopped or a gain of three by Crutcher before jetting right side to the Tiger 5. Digging in, Central's defense swarmed Bryant in the backfield for a loss of five before West Carroll was assessed a five-yard delay penalty. A holding penalty against West Carroll on the next play was declined by Central as the third quarter expired with the Tigers leading, 20-14.

Facing fourth and ten at the start of the fourth quarter, Becker's pass attempt was broken up by D. Williams as Central took over on downs.

Prior to the snap, Central was flagged for illegal procedure and the ball was moved back to the Tiger 3. At the 11:31 mark of the fourth quarter, Johnson accelerated through a gap and scorched the right sideline turf for a 97-yard touchdown rush. Central's two-point conversion attempt failed as the Tigers widened its lead over West Carroll, 26-14.

Darrell Williams recovered Ervin's short kick at the West Carroll 46. Following a delay penalty against the War Eagles, West Carroll's offense swung into action as P.J. Odom battled for a first down at the Central 45 and Tristen Fuller fought for five yards before being brought down by Donald. Weaving left side, Fuller moved the chains at the Central 33 and Bryant netted a first down at the 22 before fighting to the 15 as West Carroll called for a timeout at the 8:53 mark. Facing fourth down and six at the 14, Becker's pass into the Tiger end zone resulted in a pass interference call against the Tigers. On first-and-goal from the four, Fuller bulled to the one and followed with a right side touchdown plunge before adding the two-point conversion as West Carroll cut Central's lead, 26-22.

After Gavin Guthrie recovered West Carroll's onside kick at the Tiger 46, Johnson raced past midfield to the War Eagle 30. At the end of the play, however, Johnson's fumble was recovered by West Carroll.

Racing to the line, Becker weaved for a first down at midfield, Bryant toted the inside reverse to the Central 42, and Odom fought for a first down at the Central 39. On the next play, Tiger linebacker D. Davis tackled Becker to slow the War Eagle advance.

At the 2:46 mark of the fourth quarter, disaster struck West Carroll as D. Williams recovered a War Eagle fumble at the Central 27. As tempers flared, West Carroll was flagged for unsportsmanlike conduct as the ball was placed on the Tiger 42.

Snider fought for a gain of one before Johnson exploded up the middle and raced to the West Carroll 42, forcing the War Eagles to spend a timeout with 1:43 remaining on the game clock.

Following an illegal shift penalty against Central, Snider fought inside for a gain of one. As time ticked off the game clock, Central took its time coming to the line as West Carroll took its second timeout to stop the clock with 1:17 remaining. Taking the handoff up the middle from quarterback D. Williams, Johnson battled to the original line of scrimmage as West Carroll was forced to use its final timeout with 58.6 seconds remaining in regulation.

Unable to stop the clock, West Carroll watched as Central spiked the football and shifted to victory formation as time expired and the Tigers celebrated its hard-fought, 26-22 win.

On Friday, August 28, Central travels to South Fulton for a non-region contest while West Carroll hosts McKenzie in region action. Kickoff for both contests is 7:30 p.m.

Bulldogs

...From Sports Front

trying to get the ball into the hands of multiple people. We distributed the ball pretty well in our running game. We didn't just have to lean on Devon (Kerr)."

However, Gleason still showed areas of needed improvement. On the Bulldogs' first drive, the team was set back four times via penalties for a total of 30 yards.

"We tried not to score," Lampkins said of his team's opening drive. "We did overcome those penalties, though, and were able to typically get the yardage back on the next play.

"I think some of it was the first-game jitters. Our guys aren't used to winning. We only won (against Fulton County) last year and haven't won a game or a scrimmage since. It takes some getting used to being up and keeping it together when you're up."

Gleason hosts Dresden this Friday.

The Bulldogs won the coin toss against Fulton County and elected to receive the kickoff.

Two plays into the initial drive, Kerr moved the chains with a 16-yard rush.

After the gain of the first down, a holding penalty negated what would have been another Bulldog first down. Two plays later, Keeling barreled forward for a seven-yard positive and a fresh set of downs.

Later in the drive, Gleason was set back by another illegal procedure penalty and another holding call.

However, the Bulldogs bounced back in each instance. After the second holding call, quarterback Timothy Russell hit Kelley for a 14-yard connection, which was combined with a Kelley eight-yard rush to result in a first-and-goal at the Pilots' five-yard line.

Moments later, Keeling bulled in from three yards out for a touchdown. Kerr carried the two-point conversion in after a toss to the right side to make the score 8-0 in Gleason's favor with 4:38 remaining in the first quarter.

The Pilots were unable to gain a first down on their first drive of the evening.

Thus, Fulton County punted the pigskin away on fourth-and-four from the Gleason 49-yard line.

The Bulldogs went back to work after taking over at their own 26-yard line following the boot. A false start penalty pushed Gleason back to the 21-yard line before Kelley and Keeling had respective gains of eight and five yards to set up a third-and-two. Then, Kelley jetted around the right side for a 27-yard gain.

Gleason's Devon Kerr carries the football while teammate Chandler Brawner (23) blocks.

Methodically, the Bulldogs continued to nickel-and-dime their way into Pilot territory. Altogether, Gleason needed 10 more plays before reaching the endzone on a three-yard carry by Kerr. Kelley successfully took the two-point conversion attempt across to give Gleason a 16-0 lead with 7:54 to play in the second quarter.

The Bulldogs elected for an onside kick on the ensuing kickoff with McKinney recovering Fulton County's flubbed return attempt.

On first down, Russell had receiver Trey Martin open and a step ahead of a defender. With Martin likely to go the distance with a catch, the Pilot cornerback shoved the Gleason receiver, resulting in a pass interference penalty and an automatic first down.

From there, Kerr toted the load with three carries for a total of 32 yards – the 10-yard touchdown carry included. Kerr also took the two-point conversion in to make the count 24-0 in favor of the Bulldogs with 6:37 to play in the first half.

The Pilots gained three first downs on the ensuing drive before being bogged down inside the redzone. Once inside the Gleason 20-yard line, a delay of game penalty set FC back before Seth Bowers recovered a fumble to end the drive with less than two minutes remaining in the first half.

The Bulldogs' hurry-up offense trudged through the soggy field to the 13-yard line of the Pilots with a big chunk of the yardage gained coming when Russell found Martin for a 44-yard connection.

The Bulldogs came close to scoring again before halftime, but Russell's throw to Kelley in the endzone was short.

Fulton County had nothing going on its drive to open the third quarter and punted away after a three-and-out.

On the other hand, Gleason picked up where it had left off in the first half with a four-play, 71-yard touchdown drive on its first possession of the half.

McKinney broke away for the score – a 49-yard dash away from Pilot defenders – with less than eight minutes to play in the third quarter. Bulldog Dawson Arnold accounted for a successful two-point conversion as the scoreboard read 32-0 in the host team's favor.

Gleason's next touchdown came quickly when Martin picked off a Ty Warren throw and returned it 60 yards for paydirt. Kerr was stopped on the two-point conversion attempt, but the Bulldogs held a 38-0 lead with 6:16 remaining in the third period.

With the clock running continuously due to the TSSAA's 35-point mercy rule, Gleason added one more touchdown – a 20-yard rush by Keeling with 3:45 remaining in the contest.

McKenzie Police Department Reports

Assault — According to a report filed by MPD Sergeant Adam Bailey, on August 14 the officer responded to a report of an assault on Everett Street. Upon arrival, the officer found Dwarry W. Yarbrough, 54, Everett Street, McKenzie standing on his front porch holding a towel to a gash above his right eye. He stated that Richie J. Henderson, 48, McDonald Avenue, McKenzie, had come to his home earlier in the day to borrow a lawn mower and left. Yarbrough said that Henderson walked into his home to announce that he had brought the mower back and Yarbrough informed Henderson that he was happy his walking into the residence without being let in. At that time, Yarbrough's girlfriend and his daughter stated that Mr. Henderson entered the residence daily and was welcome to come into the home as long as they were home. The daughter stated that an argument then ensued between Yarbrough and Henderson before Henderson hit Yarbrough and a brief fight broke out between the two before Henderson left on foot.

Fugitive from justice — According to a report filed by MPD Patrolman Frank McGee, on August 19 the officer responded to a call at a residence located on Allen Street involving suspicious persons in the area. Upon arrival, the officer found two males and one female and interviewed them. The report noted that a warrant check revealed that one of the males, identified as Michael D. Owens, 22, Wynn Street, Paris, had an outstanding warrant out of Henry County. The subject was taken into custody and released to the Henry County Sheriff's Department.

Immediate notice of accident / leaving the scene of an accident with property damage — According to a report filed by MPD Sergeant Adam Bailey, on August 18 the officer responded to a vehicle in the ditch on Bethel Court. Upon arrival, the officer observed a blue-colored, 1987 Mercury Grand Marquis off the roadway and spanning a deep ditch. After requesting dispatch to notify Bethel University Security, the officer was informed that Bethel Security had contacted the driver of the vehicle and that he was en route to the scene. A few minutes later, Houston Palmer Brown, 20, McLean Road, McKenzie, walked up and stated that he had swerved to avoid an oncoming vehicle, fell asleep, and ran off the road at approximately 1:30 a.m. He noted that he did not want to bother anyone at that late of an hour and planned to call a wrecker after his class the next morning. Upon searching the area, the officer observed a steel pole leaning towards the vehicle and found a mailbox lying in the ditch not far from the vehicle along with green pieces of a mile marker. The driver was then cited for the listed offenses.

Driving on suspended / revoked license / speeding — According to a report filed by MPD Patrolman Jeff Winberry, on August 16 at 10:21 a.m., the officer observed a grey-colored, 2006 Chevrolet MLT traveling along Cherrywood Avenue at a high rate of speed. Upon stopping the vehicle, the officer ran a check on the license of the driver, identified as Andreus J. Adams, 23, Green Allen Spring Drive, Huntingdon. The computer check revealed that Adams' license was suspended in April 2016 in Henry County General Sessions Court for failure to show proof of insurance. The officer then cited the subject with the listed offenses.

Disorderly conduct — According to a report filed by MPD Patrolman Cody Coleman, on August 17 at 9:35 a.m., MPD received a call from an individual along with an additional call from Carey Counseling regarding a suicidal individual at a residence located on Linden Street. Upon arrival, the officer spoke with an individual that stated that his sister, identified as Debra L. Chaney, 56, Linden Street, McKenzie, was inside the residence in a heavily-intoxicated state via a non-stop, three-day drinking binge and was threatening to kill herself. The individual stated the subject had showed up on his door step three days prior at 2:00 a.m. and that he had allowed her entry into the home because it was storming. Upon receiving permission to enter the residence, Mrs. Chaney stated that the individual had been verbally abusive to her and that she had called Carey Counseling trying to get help and a place to stay. The individual then told the officer that he did not want Chaney in his residence any longer. At that time MPD Patrolman Lorrie Mulligan arrived at the scene. Mrs. Chaney then became very aggressive and started cursing and yelling at the individual. After receiving a warning by the officer that she would be charged with disorderly conduct if she continued her actions, Mrs. Chaney was escorted from the residence and continued to yell and curse and was arrested for the listed offense and escorted to Carroll County Jail for her safety and for the safety of others.

Public intoxication — According to a report filed by MPD Sergeant Trey Boucher, on August 12 at approximately 9:16 p.m., the officer, while at Little General Convenience Store located on Magnolia Avenue, was walking toward the front of the store when a person identified as Gary W. Reynolds, 44, Old State Route 22, McKenzie, walked by the officer. Upon smelling a strong odor of alcoholic beverage coming from Reynolds, the officer followed him as he walked toward the driver side of a vehicle and asked him how much alcohol he had drank. Reynolds reportedly replied that he had consumed a few beers and was carrying an unopened 40-ounce beer in his hand. The officer informed Reynolds that he needed to perform some sobriety tests on him before he would let him drive the vehicle. Upon failing the tests, Reynolds was arrested for the listed offense and transported to Carroll County Jail.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

See solution in next week's edition.

Little General Donates $1,000 to Christmas Basket Campaign

By Ernie Smothers
smothers@mckenziebanner.com

BRUCETON (July 14) — As part of their ongoing Donations Back to the Community program, Little General Convenience Store donated $1,000 to the Bruceton Lions Club to aid in the club's annual Christmas Food Basket campaign.

Following the check presentation, Bruceton Little General Store Manager Mona Cude said, "Little General is grateful to provide support to the Bruceton Lions Club to aid their annual Christmas Food Basket drive for the needy. We are also thankful for the good that they do with their eyeglass project. They provide free vision screenings and eyeglasses to those in our community that can't afford to buy them. I appreciate the good things they do for our community."

Regarding the generous donation, BLC President Hal Eason said, "We are thankful for Little General's consistent generosity in helping fund the club's Christmas Food Basket Campaign. We can always count on Little General to step up and help us to help others at Christmas. It means a lot to the members of Bruceton Lions Club. Every year, we distribute 60 Christmas food baskets throughout our school district from Smyrna to Vale and Rosser to Sawyers Mill, and Little General's donation really helps out."

Bruceton Lions Club has maintained its Christmas Food Basket drive without interruption for nearly half of century.
