Christmas Greetings

A SPECIAL EDITION TO THE MCKENZIE BANNER

A Word About the Christmas Edition

The Banner and local businesses are proud to present this special Christmas greetings edition. As in years past, this edition features letters to Santa Claus, as written by children from the area of Carroll, Henry and Weakley Counties.

We welcomed letters from any child regardless of location and several of you took us up on that offer. Thank you!

The Banner expresses sincere gratitude to area schools, pre-schools and parents for being wonderful to work with during the planning

process for this edition.

This edition is divided into two sections: the first eight pages contain event coverage, recipes and announcements; the last 16 pages are filled with letters to Santa Claus.

This section was made possible by the many local businesses who are extending good tidings to you for your past support and business. The Banner urges you to read each advertisement and show these businesses your appreciation.

The McKenzie Banner extends our sincere thanks to everyone who made this edition possible.

Santa shook hands and gave hugs as he made his way to the Gleason Rotary Club's Senior Center to visit with everyone. 3. Summers, former pastor of Gleason First Baptist Church, still has a special place in his heart for Gleason. 4. With lights flashing and sirens wailing, Santa Claus rode in comfort to Gleason. The Gleason Fire Department escorted the VIP visitor as crowds began to gather at the corner of East Main St. and North Cedar in anticipation. 5. Newly elected alderman Jim Phelps (Center) meets with some of the citizens of Gleason. Phelps was joined by Assistant Police Chief David King (Left) who was on an important call discussing police business. Steve Bailey (Right) brings his big smile to any public discussion. 6. Robbie Forester (Left) was the winner of the cookie eating contest. Scotty Corum (Right) gave Forester a hug and prize for the win. Corum fought the cold and stayed outside for the entire event helping register locals and handing out prizes. *Photos by Jason Martin/The McKenzie Banner*

Gleason Celebrates Downtown Christmas

By Jason Martin
jmartin@mckenziebanner.com

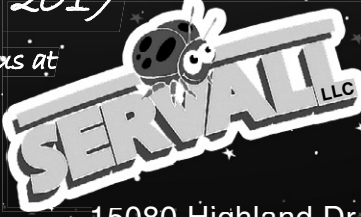

GLEASON (December 10) — The downtown area of Gleason was full of the Christmas spirit with crowds gathered to share in the holiday experience. From 9 a.m. to 3 p.m., a steady flow

of consumers and well-wishers fended off the chilly temperature visiting downtown as stores extended their Saturday hours and vendors lined sidewalks. Santa Claus was back in Gleason to hear more of those must haves on everyone's Christmas list. For nearly four hours, Santa

sat at the Gleason Rotary Club's Senior Center as young and old paid the jolly fat man a visit. No one left Gleason hungry as Amy Douglas provided some of her fine BBQ with all the fixings. There was never a dull moment as prizes were award throughout the day. At day's end, the children

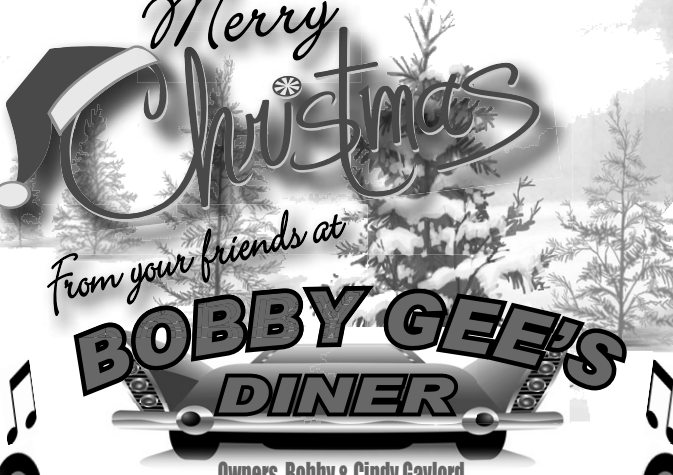

of Gleason gathered to see who the lucky few were to win Christmas bicycles. The event was hosted by the Gleason Downtown Revitalization Committee, along with the City of Gleason, merchants and vendors in the Gleason community.

Several Local Christmas Charity Drives Continue

Looking to help the less fortunate this holiday season? Although several local groups have already completed their collections for the year, and have helped thousands with their efforts, there are still several charity drives right here in Carroll County where you can donate items or funds to help those still in need.

100.9 The Farm is sponsoring "Christmas Tree of Cash." Please help the needy children of Carroll, Benton & Henry Counties by placing a toy under the tree at the Big Red Barn on Baker Rd. in Huntingdon by December 16. For each toy you put under the tree, you'll get an envelope from Carroll Bank & Trust containing from \$1 to \$50. When you bring a bicycle, your name goes in the running for \$250 from City Drug Company!

Beta Sigma Phi has an Angel Tree program, serving 53 families this year. Donations can be made at City Hall or mailed to Jennifer Waldrup at 50 Bailey St. The recent Breakfast with Santa raised funds for the same purpose.

The Carroll County Humane Society is having an Angel Garland program through Christmas. You

can drop by the shelter at 21822 Highway 22 in McKenzie to select a pet from the Angel Garland. If you can't get by to grab a name here are a few things on their wish list: Pedigree Adult dry and wet food, Pedigree dry and wet Puppy food, metal food bowls, fleece blankets, Kong or Nylabone chew toys, tennis balls, peanut butter, metal food bowls for the cats, Tidy Cat 24/7 or Arm & Hammer Cat Litter, Purina Kitten Chow, Purina Cat Chow and new cat beds. Gifts will be opened at a Christmas Brunch on Christmas morning from 10-12. Everyone is welcome to attend the brunch for some delicious food and to visit the cats and dogs as they enjoy their gifts. For more information, please email cchstn@gmail.com.

You can also help CCHS if you are going to order through Amazon this holiday season. Please go through the following link to help support CCHS: <https://www.amazon.com/?tag=carrounhumas-20> This costs you absolutely nothing extra, and the shelter gets a percentage of what you spend. This is also much better for us than Amazon Smile, which offers a much

lower percentage rate. This link is good all year long and is always available on the CCHS facebook page. If you are using the Amazon app on your phone to order, load up your cart using the app, then open a browser page and use this link. Your cart will still be there with everything in it! CCHS thanks you in advance for any purchase you make through the link!

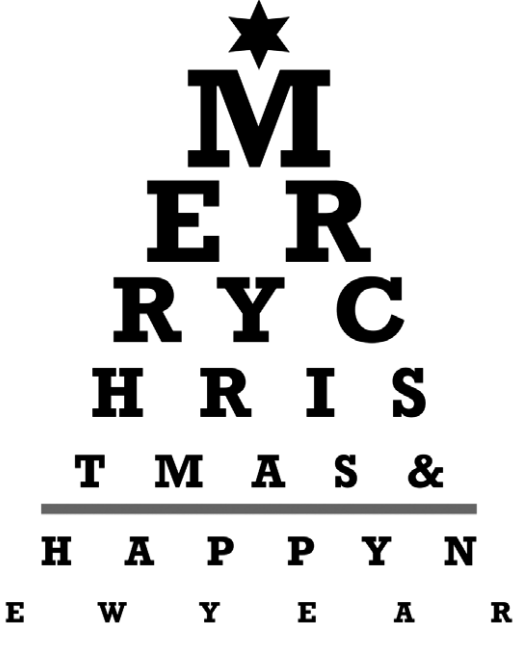

McKenzie-Carroll County United Neighbors is accepting winter clothing at this time. Please be sure they are clean and in good condition. If the bin is full, please take items to other donation boxes. Food: crackers, cereal, ravioli, spaghetti noodles, and evaporated milk. Personal Hygiene: Deodorant, toothpaste and brushes, bar soap and shampoo. Assistance and shopping are from 9 a.m. until 3 p.m. Monday, Tuesday, and Thursday, and 9 a.m. until noon on Wednesday. We will be closed Wednesday afternoon and Friday and Saturday and Sunday. Call 352-0547 with any questions. Donation hours: during store hours. Please no glass or boxes in the bin. Do not leave items outside!

Merry Christmas to All

BREAKFAST WITH SANTA — GLEASON

Gleason Rotary Hosts Breakfast With Santa

By Jason Martin
jmartin@mckenziebanner.com

GLEASON (December 3) — Santa and his elves paid a special visit to city of Gleason and the Gleason Rotary Club to eat breakfast and share Christmas cheer.

In three hours' time, the Gleason Rotary Club hosted over a 150 hungry friends.

Eager children and the young at heart gave the "Big Man" their Christmas list. Cristi Wallace took photos of Santa's visitors to provide an everlasting memory.

With a full belly, minus a few candy canes, Santa was on his way to visit other children in neighboring communities.

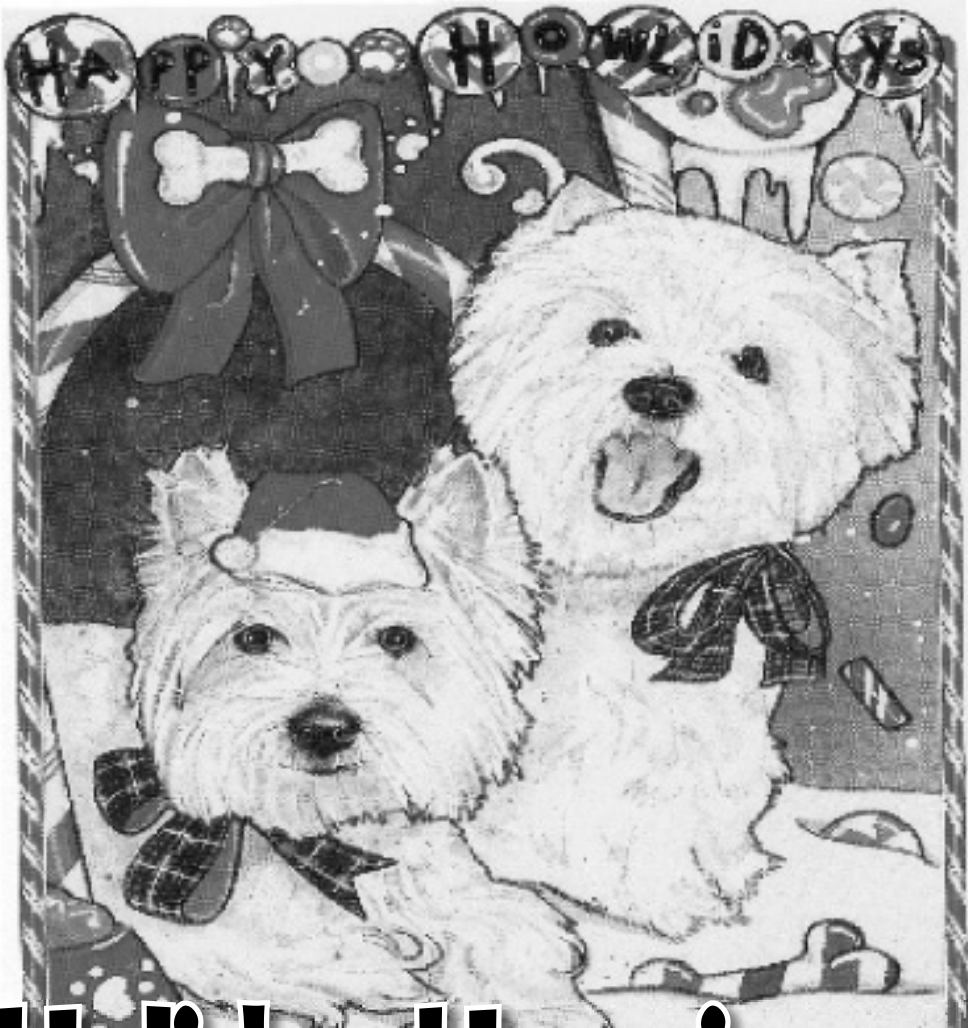

Santa stepped away from his shop to help the Gleason Rotary Club raise money towards the construction of an emergency air evacuation helipad. The helipad will be completed in the spring.

Rotary Clubs bring together a network of volunteers who dedicate their time and talent to tackle the humanitarian challenges. Rotary connects 1.2 million members from more than 200 countries and geographical areas. Their work impacts lives at both the local and international levels, from helping families in need in their own communities.

The Gleason Rotary Club meets everyone Monday at 6:00 p.m. at Simply Southern Café.

1. Brody Geurin explains how good he has been this year. 2. Brayson Arnold and TaeyInn Summer sit on Santa's knee after breakfast. 3. Wyatt Owen is excited about meeting Santa. 4. Gleason Mayor and Rotarian Diana Poole shows you are never too old to believe in Santa Claus. 5. Ella, Daisy and Wyatt Champion shared their Christmas list with Santa. 6. McKENZIE (November 29) — Bethel University rang in the Christmas season with the annual Twinkle Ball. The perennially-popular event, held at Baker Fieldhouse, featured tons of fun activities based on this year’s theme, “Twinkle has Visions of Sugarplums.” The ball is sponsored by the University’s Development and Public Relations departments, spearheaded by Myra Carlock and Jennifer Glass. The two had help from dozens of volunteers from Bethel and the community at large,

including students from McKenzie Middle School and Genia Sherwood’s School of Dance. Activities included ballerina silhouettes, sugarplum pancake kits, tutu creations, necklaces, tutu tote bags, ornaments, hair garlands, fortune tellers, and shadow boxes. MMS students, dressed as characters from The Nutcracker, and ballet dancers from Sherwood’s posed with guests for photos, taken by Elizabeth Cook. Huntingdon Middle, High School Bands Hold Christmas Concert

By Libby Dayhuff
McKenzie Banner Intern
Huntingdon (December 8) — The Huntingdon band program held its annual Christmas concert Thursday night at 6 p.m. in the high school gym. It was directed under Ben Martin and Joe Davis. Martin is the high school band director and Davis is the middle school band director. Since they are both UT Martin alums, the directors invited a special guest conductor, John Oelrich. He is the director of bands at UT Martin. The HMS beginning band played first to show off their progress since August. They performed “First Christmas March” and “A Christmas Sleigh Ride.” They

were conducted by Davis. The HMS concert band played next. They performed “Drummer’s Christmas Carol,” “All is Well,” and “Bell Carol Rock.” They were also directed by Davis. The HHS jazz band followed with “The Christmas Spirit,” “God Rest Ye Merry Gentlemen,” “Baby It’s Cold Outside,” “Feliz Navidad,” and “A Marshmallow World.” They were directed by Martin. The HHS concert band played last by performing “The Many Sounds of Christmas” and “Dance of the Sugar Plum Fairy.” Special guest Oelrich conducted the band when they played “On a Hymnsong of Philip Bliss” and “A Vaughn Williams Christmas.” He gave a brief introduction of the songs before they were performed to inform the audience of their importance. The concert ended with a special performance of “Twas the Night Before Christmas.” HHS principal Jonathon Kee read the book aloud while children gathered on the floor to listen. The high school band played bursts of music throughout the story. This was the first Christmas concert that Martin and Davis held with the Huntingdon bands. “I loved it. The parents are supportive, the faculty is supportive, and the kids are just great,” Martin said. The high school band will play again during the Christmas parade on Saturday at 6:30 p.m. in Huntingdon.

Here are a few things I am wishing for: I have tried to be good all year long! For Christmas I would like a Razor Electric Scooter shocking blue color, a 360 Green Huffy low riding bike and an electronic watch. Any surprises would be good too! I have a sister, Ridley and a brother, Carver that have been good this year. Please remember to leave the some 'happy's' as well. Christmas Eve can't get here fast enough! Thank you for thinking of me.

Sister of Emory Williams (please don't hold that against me) Emory has told me about you and your wife and the magical things you do each year. I'm sure I will grow to love you and not be afraid to sit in your lap. Now that I'm bigger I can take a bath in the big girl tub. Can you send me some toys to play with while I'm getting a bath? Bright colors and ones that squirt water would be great.

The one that has the handle so my Mom can help me navigate until I get the lay of the land. I need a lovie too. Something that's cushy and glows in the dark. Fisher Price has a glow giraffe. He wants a remote control Ninja Turtle too. I'm sorry for touching the Elf on the Shelf. It was a quick accident.
Love, Dayton Miller, 4 years old

Dear Santa,
Well what a year this has been! I hope you have not been watching too closely. I'm honestly trying but some days just get the best of me. I'm only 4.
I'm not sure if you have heard but my Granny is a magician. Yep, pretty awesome. I myself am a budding magician but I'm missing some important tools. For instance a magic wand. A real one specifically. Do your elves make those? Or can you find one for me? I won't turn my sister into a frog or anything I promise!
I'm still into Ninja Turtles (of course Raphael) and I'm thinking of working on my skateboard/scooter skills. I would definitely need a helmet to work on this. Can you make this happen? Mom thinks it's a bad idea but I'm ready to impress the world with my mad skills.
Finally, don't forget my baby sister Everly. Remember, last year when I mentioned she was coming? Whelp, she's here and she's pretty awesome. She can't talk yet but I'm sure she would like a few toys as well.
Hope you're all doing well.
