Burned Baby is in Cincinnati Hospital

CARROLL COUNTY — No charges have been filed in a case involving a four-month old boy, who was severely burned while in the care of an adult babysitter.

The incident occurred on July 27, when Danielle Stover left her infant son, Maddox Lee Stover, in the care of a friend as she went to work. Later than night, she received a phone call from the babysitter to meet her at the hospital. Maddox had suffered second- and third-degree burns on the front of the baby, possibly from scalding water. The child was first treated at Baptist Memorial Hospital-Huntingdon, then LeBonheur in Memphis, and finally, at the Shriner's Hospital in Cincinnati, where he is expected to undergo treatment over an extended time.

BREAKING NEWS

Bruceton Liquor Store Burgled

Three Suspects Arrested After Pursuit, Foot Chase

HUNTINGDON (August 8) — Tuesday morning, at approximately 6:15 a.m., Carroll County Sheriff's Department received a call that the liquor store in Bruceton was burgled. County deputies chased the suspects, fleeing in a minivan, into Huntingdon.

According to Walter Smothers, director of Huntingdon Public Safety, he received information the suspects rammed the deputy's cruiser and the officer's vehicle struck their vehicle causing them to spin out on East Main Street. The suspects' vehicle came to rest in the landscaping in front of the Carroll Bank and Trust branch bank. Five subjects fled from the vehicle.

Huntingdon officers and county deputies pursued them on foot and caught three of them. None of the three was armed at the time of arrest, to my knowledge, said Smothers.

Two subjects are believed to still be at large. They are described as black males, one wearing black shorts and a white polo shirt and the other wearing blue jeans and a loud colored shirt. It is believed that they are from Memphis. The vehicle they were in had a temporary tag from a dealership in Memphis.

Smothers provided photos of the vehicles involved. Inside the van was the security safe and lottery tickets taken from the store.

Above, the position of the patrol car and the getaway van as both came to rest on East Main Street in Huntingdon. Below, a security safe and lottery tickets were found in the getaway vehicle.

Emergency Operations Center Nearing Completion

HUNTINGDON — Construction of Carroll County's new hardened dispatch center will be completed in 45 to 60 days.

The $810,834 hardened dispatch facility to house the emergency services dispatch center, Emergency Management Agency, and the Carroll County Fire Department is being constructed on the campus of the Carroll County Jail by Barger Construction. In an interview earlier this year, Mayor Kenny McBride said the entire facility is hardened to survive extreme weather conditions. In February, Carroll County Sheriff Andy Dickson said uniting all county law enforcement and emergency personnel on the Carroll County Jail campus will prove beneficial to sustaining critical safety and response operations in the event of a catastrophe. He said, "When the Carroll County

HUNTINGDON — The new artificial turf at Paul Ward Stadium will be installed completely prior to the August 18 opening season game featuring the Huntingdon Mustangs and the visiting McKenzie Rebels. The current promised completion is the week of August 14.

Hellas Construction of Austin, Texas was awarded the contract to construct a multi-use, synthetic turf playing surface and four-lane running track.

Pat Dillahunty, director of schools, said the project is on track to play the first game on the field on August 18. She said there were pledges for $704,000 of the $748,405 for the cost of the field. The school district is paying for the running track around the football field, which amounts to some $254,990 more.

Enrollment Figures Yield Mixed Results

Schools in Carroll County reported preliminary enrollment numbers on Monday. Officials at each of the schools noted preliminary enrollment numbers are always subject to change and vary until as late as the end of August.

After years of declining enrollment in schools in the county, this year's preliminary enrollment figures show growth in Huntingdon schools, stable enrollment at McKenzie, but

Russell Family Dentistry Opens

There's a new Dr. Russell in McKenzie. Dr. Travis Russell, a 2008 graduate of McKenzie High School, opened his dental practice Tuesday, August 1 in the same location where his grandfather, Harold Russell practiced for 56.5 years, 1956 to 2102, when illness forced him to retire.

The new practice is named Russell Family Dentistry and is located at 594 North Main Street in McKenzie. His grandfather started dental practice in 1956 on Lee Street and moved to the Main Street location where Dr. Harold and Howard Smith, O.D. co-occupied the current building in 1959.

Southern Chiropractic Hosts Ribbon Cutting for New Location on the Square

BY ERNIE SMOTHERS
smothers@mckenziebanner.com

HUNTINGDON (August 4) — Carroll County Mayor Kenny McBride joined with Carroll County Chamber of Commerce President Brad Hurley, Huntingdon Mayor Dale Kelley, Bethel University President Walter Butler, Tennessee District 24 Senator John Stevens, chamber members and well-wishers for a ribbon-cutting and reception ceremony hailing the grand opening of Southern Chiropractic & Wellness Center at its new address at 159 Court Square.

The business was formerly located at 20804 East Main Street, Huntingdon.

During an interview with The Banner, business owner / operator Dr. Brock Martin, DC, said, "I am truly excited about moving my business to the Court Square. I am thankful that the office space became available and that we were able to obtain it. Everything just fell into place.

Carroll County Mayor Kenny McBride, Chamber of Commerce President Brad Hurley, chamber members, elected officials and well-wishers join with Southern Chiropractic owners Dr. Brock Martin and Dr. Krista Martin for the ribbon-cutting at the business' new location at 159 Court Square.

Moving to the Court Square will provide our business with even more opportunities to serve the needs of our patients."

He added, "I am looking forward to providing chiropractic treatment and acupuncture therapy to current and new patients seeking rehabilitation and relief from pain."

Southern Chiropractic is located on Court Square in the former offices of retired optometrist Dr. Hugh Scarbrough.

Martin continued, "I am native of Camden and a graduate of Camden High School. After graduating from high school, I completed my understudies in biology at Bethel University before enrolling at Logan College of Chiropractic in St. Louis. After graduating from Logan in 2010, I practiced as a chiropractor for West Medlin Chiropractic Clinic in Paris for 1 ½ years before opening Southern Chiropractic at the former location on East Main Street in July of 2012."

He concluded, "My wife, Krista, is also a chiropractor and works at our business. Our employees are Shelby McQuesten and Lori Dillahunty."

Southern Chiropractic's office hours are from 8 a.m. to 5:30 p.m., Monday, Wednesday and Friday and noon to 6 p.m. on Tuesday. The office is closed on Thursday and Sunday.

For more information or to schedule an appointment, call Southern Chiropractic & Wellness Center at 1-731-535-3205.

Fire Damages Vacant House

McKenzie Fire Department responded to 376 S. Main Street on August 5 at 4:38 a.m.

The frame structure, which has been vacant for years, had visible flames exiting the building when firefighters arrived. There were no utilities to the building. The fire was extinguished and the firefighters returned to the station.

Construction Approved for Stonewall Street Sidewalk

McKENZIE — Construction will soon begin for a pedestrian walkway along North Stonewall between McKenzie Middle School and McKenzie Elementary School.

The city of McKenzie was awarded a state grant through the Department of Transportation to construct the sidewalk, which begins at McKenzie Middle School and extends along Stonewall until Brooks Avenue, where it stops at McKenzie Elementary School.

City officials had to obtain easements from every effected landowner. North Stonewall is one of the most heavily traveled residential streets in McKenzie.

The winning contractor has 150 calendar days from the date of the Notice to Proceed on June 1, 2017. It must be completed by October 28, 2017.

The project is funded by a transportation grant with a 20 percent city match.

A second sidewalk is in the works in the city. It will extend from downtown McKenzie along Cedar Avenue (State Route 124) to Highland Drive (U.S. 79). Pedestrians and wheelchair-bound residents travel that roadway. A state grant was awarded for the sidewalk's construction.

Industrial Development, Budget Amendments on County Agenda

Carroll County commissioners convene Monday, August 14 at 7 p.m. to discuss industrial development and budget amendments.

Frank Tate, executive director of the McKenzie Industrial Development Corporation (Industrial Board) is on the agenda to speak about two industrial projects proposed for the industrial park at the Carroll County Airport. These are in addition to the recently announced Campbell Arms Manufacturing (CAM), proposed for the airport industrial park. CAM is presently in the renovation phase prior to starting manufacturing.

Two budget amendments are on the agenda for the Highway Department. The first is $25,670.78, which was expended to hard surface the fairgrounds at the Carroll County Civic Center. The county received a grant for a portion of the cost. The second is a $24,000 amendment to account for revenue that omitted from the budget.

A resolution to adopt a mitigation plan in case of a natural disaster is also on the agenda. County Mayor Kenny McBride said the mitigation plan also allows homeowners to purchase flood insurance.

The public is invited to attend the meeting.

McKenzie Medical Center Offers Two New Services

BY ERNIE SMOTHERS
smothers@mckenziebanner.com

McKENZIE (July 31) — During an interview with The Banner, McKenzie Medical Center Clinical Social Worker and Licensed Counselor David Johnson spoke about two new services provided by the center.

He said, "One of the new services provided by McKenzie Medical Center is the Tele-Health program. The program consists of a nurse going out into the field to care for patients and receiving treatment care instructions via iPad from a doctor located at the center."

He added, "The Tele-Heath" program provides people with mobility or transportation issues excellent healthcare opportunities at home."

He continued, "Another service provided by McKenzie Medical Center is treatment for opiate addiction. As a counselor in the health service field for over 25 years, I must say that my work with the opiate addiction program has been the most rewarding of all services I have been involved in."

He added, "To see people overcome opiate addiction and be able to return to school or pursue their dreams is very inspiring. I have been fortunate to watch many dramatic reversals, and it is heart-warming."

Johnson said that over 300 patients from across West Tennessee are enrolled in McKenzie Medical Center's opiate addiction program.

He said, "People interested in being treated for opiate addiction or referring a loved one for treatment must call the clinic at 731-352-7907 and set up an appointment. Once enrolled in the program, patients will receive the latest research-supported, medicine-assisted treatment. Patients will be required to see a doctor and receive drug screens each month. They will also receive coping therapy to aid them in recovery."

Johnson said that patients are required to act sensibly while under the care of McKenzie Medical Center.

He said, "We expect our patients to behave properly. If not, they can be expelled from the program."

He concluded, "While at MMC, I have witnessed some dramatic recoveries from opiate addiction. The experience of assisting someone turn their life around and regain normalcy is most rewarding. I encourage anyone that is battling with opiate addiction or family members that are concerned with a loved one's addiction to call us. The first step is yours, but we are here to help once you make it. We are here for you."

Rotarians Hear About WestStar

Charley Deal, executive director of WestStar leadership program, was the guest speaker at the McKenzie Rotary Club on August 1.

Deal spoke about the mission of WestStar and how it is a leadership training course for west Tennessee. It brings leaders together throughout the region to develop new synergies among individuals and towns.

The WestStar mission is to identify, encourage and equip community-minded people who want to become more involved, who want to help West Tennessee become a better place, and who are willing to accept assertive and dynamic leadership roles.

Participants learn new leadership skills and develop strategies for assisting communities in solving problems and maximizing potential. Participants also become part of a growing network of other leaders who through mutual support and assistance shape the future of West Tennessee. WestStar is committed to advancing the regional and global community through outreach and community/public service endeavors.

Applications are reviewed by the Board of Trustees, who are responsible for selecting the WestStar class. Only one class is chosen each year. Selection is based on leadership achievements and potential to contribute to the development of the region. Geography and diversity are factors in the overall class selection. Past participants have been chosen from all occupations and levels of community and regional involvement. WestStar does not select on the basis of age, sex, race or religion.

If accepted for the program, a tuition fee of $750 is payable prior to the first session. The fee includes meals during each session, breaks, program materials and expenses. Participants are responsible for their own lodging and transportation. Two-thirds of actual participant cost is underwritten by the program sponsors.

McKenzie Rotary Club meets each Tuesday noon in the Vera Low Center on the campus of Bethel University.

Miss Tennessee Preliminary Pageant at The Dixie August 19

On August 19, The Dixie Carter Performing Arts and Academic Enrichment Center will host the second annual Miss Dixie PAC Scholarship Pageant, a preliminary to the Miss Tennessee Scholarship Pageant.

Dixie Carter, The Dixie's namesake, was one of the area's most well-known pageant winners. In 1958, she proudly served as Miss Huntingdon and in 1959, as Miss Tennessee First Runner-Up. In true Dixie fashion, Miss Dixie PAC honors those qualities Ms. Carter embodied best. The Miss Dixie PAC title provides a forum for a well-spoken woman to share her talents and intelligence through program support, educational efforts and community service.

Yvannah Garcia was last year's inaugural Miss Dixie PAC. Yvannah continued Ms. Carter's winning tradition in the Miss Tennessee pageant, winning the Miss Tennessee talent preliminary and finishing in the pageant's top 10.

Yvannah shares that her success is the result of the depth of community and legacy surrounding this pageant. "Throughout the year, I have been met with more love and support from the community than I could have ever imagined. I am so grateful to my directors, the Town of Huntingdon, Carroll County, and the surrounding areas for taking me in as one of their own."

The Miss Dixie Pac Scholarship pageant is a sanctioned preliminary to the Miss Tennessee pageant held annually at The Carl Perkins Civic Center in Jackson. Two Miss Tennessee titleholders advanced to win the Miss America crown and six Miss Tennessee titleholders have placed as runners-up to Miss America.

For pageant entry information, e-mail The Dixie at missdixiepac@dixiepac.net. Tickets to attend the pageant are $15 and are available for purchase at www.dixiepac.net or from the box office by phoning 731-986-2100.

Carroll County Sheriff's Department responded to the incident and turned the case over to the Tennessee Bureau of Investigation. The 24th Judicial District Attorney Matthew Stowe's office indicated no charges have been filed in the case.

Sheriff Andy Dickson said his department and the TBI are conducting a joint investigation with the TBI taking the lead. They are verifying information and interviewing witnesses, said the sheriff. The incident occurred between McKenzie and Huntingdon, noted the sheriff. All findings will be turned over to the district attorney.

The family made several allegations claiming it could not have been an accident.

A GoFundMe campaign was established to help the family with its medical bills and the loss of time at work by Maddox's mom.

same building that my grandfather was in," Russell said.

Russell provides the following services: fillings, crowns, dentures and partial dentures, restoring implants, cleanings, root canals, and pediatric dentistry.

To prepare his practice, Russell has bought new and used dental equipment to start his practice. He and his family remodeled the offices and patient rooms and gave everything a fresh coat of paint.

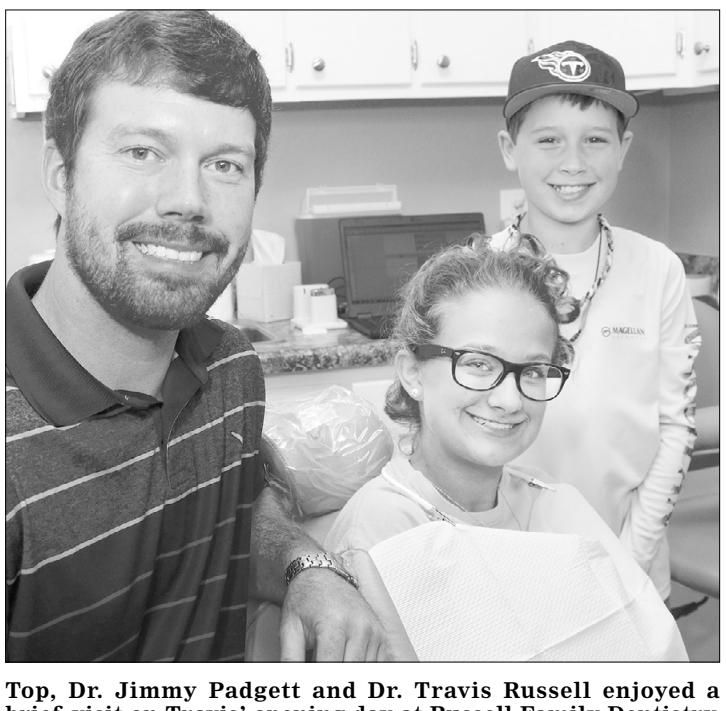

When speaking about the equipment his grandfather used, Travis said, "The new equipment is better and more modern, especially the x-ray system. It's newer, and it's digital. It's more simple and there is less exposure to radiation."

Suzanne Russell, said her husband, Harold, is "so proud of Travis he can't stand it." She said Dr. Harold was able to visit the newly remodeled clinic and see the modern equipment and the furnishings, which include photographs of Harold, and his graduating class in the 1950s.

On Travis' opening day, Dr. Jimmy Padgett, who semi-retired from dentistry last year, stopped in to wish Travis and staff the very best. Padgett told The Banner he is very happy Travis opened his dental practice in his hometown.

Travis is the son of Steve and Cherry Russell of McKenzie, and the husband of Bethany Allen Russell, a 2007 graduate of Bruceton. She is the daughter of Mara Allen and the late Steve Allen. Bethany graduated UT Martin in May 2011 and attended medical school to become a family medicine practitioner. She is in the process of completing a residency in Jackson and hopes to find employment at a clinic in the area when she finishes her residency next June.

underway since 5 p.m. Thursday when witnesses reported a man jumped from the New Johnsonville Bridge on Hwy. 70E.

Christopher said the missing man is a 21-year-old from Bruceton and it is suspected that he took his own life. The name was released after Death Investigator Phillip Christopher arrives at the scene and the body is positively identified. The Banner is withholding the name.

Family members have been on the scene "every minute" since Thursday night, Christopher said. "They've been sleeping in their cars."

Rescue squads from eight to nine area counties, including Benton, Henry, Carroll, Humphreys, and Hardin, have been working on the recovery effort.

Christopher said three witnesses saw the man stop his car on the bridge, got out of his car and step off the ledge of the bridge into the water. "They thought he had car trouble and they were slowing down to help him," Christopher said.

First responders from several agencies have been on the scene since Thursday evening looking for the body. The operation is being overseen by the Benton County Sheriff's Office. The TWRA is on the scene, along with the Humphreys County Rescue Squad and Fire Department and the Benton County Rescue Squad. The THP helicopter and Air Evac helicopter also were searching the area from the air.

The spot where the man jumped is 84 feet and the water below is at 55 feet deep, he said.

McKenzie Elementary (Pre-K to grade 4) enrollment is 480.

McKenzie Middle School (grades 5-8) enrollment is 380 and McKenzie High School is 425.

Huntingdon reported preliminary enrollment is 1,251. In 2007 it was 1,296.

Huntingdon Primary (Pre-K to grade 3), enrollment is 397. Huntingdon Middle School (grades 4 to 8) is 511 and Huntingdon High School enrollment is 343.

Hollow Rock-Bruceton Central reported preliminary enrollment of 624. In 2007, it was 709.

Central Elementary (Pre-K to grade 5) enrollment is 292. Central's combined Middle School and High School enrollment of 332.

Clarksburg (South Carroll) reported a preliminary enrollment total of 349. In 2007 it was 392.

Clarksburg Elementary (Pre-K to grade 5) enrollment is 164.

Clarksburg Middle School (grades 6 to 8) enrollment is 81.

Clarksburg High School's enrollment is 104, an increase of five from 2016's enrollment of 99 students.

West Carroll reported total preliminary enrollment total of 906. In 2007 it was 1,052.

West Carroll Primary (McLemoresville, Pre-K to grade 2) reported enrollment of 205.

West Carroll Elementary (Trezevant, grade 3 to 6) enrollment is 261.

West Carroll Jr./Sr. High (Atwood, grades 7-12) enrollment is 440.

Sheriff's Department moved from the jail to the 911 Dispatch building in downtown Huntingdon, the separation caused logistical problems to arise due to the separation of services between our department and the jail. When the sheriff's department moved back to the jail, logistic problems occurred via our physical separation from dispatch. All of those problems will be remedied once we are on the same campus."

He added, "When things are at their worst is when all county emergency response services are busiest. It will be great to have Carroll County Emergency Management Director Janice Newman and Carroll County Fire Chief Terry Bradshaw working inside the secured, hardened facility alongside county emergency dispatch personnel. The close proximity of emergency response leadership in one structure with county law enforcement nearby in the county jail will pay big dividends for the county in the event of tornadoes or other natural disasters." He concluded, "I'm glad that the county is building this facility. It bodes well for the future security of all county citizens."

McBride said the offices of Emergency Management and the Carroll County Fire Department will move first. The dispatch center will relocate later in coordination with the phone company relocating the phone lines.

On October 10, 2016, Carroll County commissioners approved a capital outlay note in the amount of $550,000 to construct the hardened dispatch bunker. Earlier, the county received a $300,000 Community Development Block Grant (CDBG) to help fund the project.

Animals in Hot Vehicles

Recently I was visiting our local Humane Society when they received a call of an animal left in a locked vehicle. I commend the person for wanting to help and encourage others to do so, however time could have been saved by notifying law enforcement first. Below is a summary of TN law regarding infants OR animals left in unattended vehicles. Please take a moment to read or refresh your memory of what to do if you find yourself in the same situation in TN. Below are the steps required:

(1) Determines the vehicle is locked or there is otherwise no reasonable method for the minor or animal to exit the vehicle;

(2) Has a good faith belief that forcible entry into the vehicle is necessary because the minor or animal is in imminent danger of suffering harm if not immediately removed from the vehicle and, based upon the circumstances known to the person at the time, the belief is a reasonable one;

(3) Has contacted either the local law enforcement agency, the fire department, or a 911 operator prior to forcibly entering the vehicle;

(4) Places a notice on the vehicle's windshield with the person's contact information, the reason the entry was made, the location of the minor or animal, and the fact that the authorities have been notified;

(5) Remains with the minor or animal in a safe location, out of the elements but reasonably close to the vehicle, until law enforcement, fire, or another emergency responder arrives; and

(6) Used no more force to enter the vehicle and remove the child or animal from the vehicle than was necessary under the circumstances.

(c) Nothing in this section shall affect the person's civil liability if the person attempts to render aid to the minor or animal in addition to what is authorized by this section

It is easy to find more information on all states that have laws regarding animals. By going to Google and entering Laws on animals in unattended vehicles and you can find all states that have these laws in effect.

Try sitting in your car in this hot, humid weather with no way out and then imagine you are sitting there in a fur coat!

Ushers Needed at The Dixie

The Dixie Carter Performing Arts and Academic Enrichment Center is gearing up for the new season! Ushers are needed.

Over the past twelve seasons, The Dixie ushers have volunteered a total of 29,237 hours.

"Our ushers are the first face folks see when they walk in the door of The Dixie. Ushers greet everyone with kindness and a smile. They are truly what makes The Dixie a special place," says Lori Neal Nolen, executive director.

Ushering is an opportunity to join The Dixie in bringing arts to the region through world-class entertainment. The success of these shows further allows The Dixie to enrich the lives of children in the area through its Academic Enrichment programs.

The Dixie has 75 active ushers and is seeking 25 additional for the upcoming season. Anyone wanting to be a part of The Dixie family, serve the community in a fun way, see performances for free, and help folks have an enjoyable experience, please attend the mandatory usher training Monday, August 14, 5:30 to 6:30 p.m. at The Dixie. For more information, call the Box Office at (731)986-2100.

LETTER TO THE EDITOR POLICY

Letters to the editor bear the opinion of the letter writer, and not necessarily that of the newspaper management or staff. Letters of opinion are not verified for accuracy of fact and truly stand only as the writer's opinion.

Letters to the editor of public interest are solicited. Most letters, not libelous or harmful, will be published. The editorial staff may restrict the number of letters dealing with the same subject matter. The signature of the writer must be affixed to the letter with a verifiable address and phone number. The address and phone number will not be published at the request of the writer, however the name will be published. Tri-County Publishing does not publish unsigned letters of opinion.

The McKenzie Banner and Dresden Enterprise reserve the right to refuse any item deemed libelous, not of public interest, or commercial in nature. The editorial staff reserves the right to edit the material while preserving the intent of the letter. Upon receipt in the offices of Tri-County Publishing, Inc., the letter becomes the property of the newspaper and will be retained in the files. Tri-County Publishing may solicit contrary opinion concerning the content of the letter.

Lakeside Retirement Center residents present Hollye Rider with a check to help fund the Backpack Program at McKenzie Elementary School. The program provides snacks and other food for select students for consumption over the weekend when they might otherwise not have nutritious meals.

Living at Lakeside News

McKENZIE — Lakeside residents have been busy this summer. July was filled with special events and activities and August is packed with fun outings, entertainment, and activities. Residents especially enjoyed recent visits from the youth of the First Cumberland Presbyterian Church and the youth from Long Heights Baptist Church During their visits the youth did some fun projects and sang with the residents. If only we could capture and keep some of their enthusiasm and energy. A special thanks goes to these young folks and their church sponsors for sharing such a great experience with the residents and staff.

Residents also looked forward to their monthly visit by Mrs. Nancy Holland. July's Trivia Lesson was on "the state of North Dakota"; August's Trivia Lesson was on "the state of South Dakota."

Mrs. Nancy always makes Trivia Lessons so much fun and residents can't wait for the next state to roll around. It's hard to believe that she is already on her 19th month of doing these lessons with residents and every month we can't wait for our first Thursday Trivia Day to roll around. Thanks Ms. Nancy for expanding our minds and for giving us "homework".

One of the outreach projects Lakeside residents participate in is the local McKenzie Elementary School Backpack Program. During the year, residents' pool and save their Bingo winnings to help local charities and outreach programs. The local Backpack Program is one of these projects. Recently Lakeside Residents met with MES Backpack Program liaison, Mrs. Hollye Rider to present the program with a check for assistance during the upcoming school year. This program sends food home with children on the weekends to supplement their food needs when school is out and they may not have access to adequate food. Anyone wanting more information about this worthy project can contact McKenzie Elementary School Principal Dr. Amanda Batts, or Mrs. Hollye Rider, Backpack Program liaison.

Thanks for reading this week's Lakeside News and we look forward to checking in again, real soon!

Carroll County Senior Center News

Carroll County Office on Aging staff members hope everyone is having an enjoyable summer. It won't be long until fall with cooler days and beautiful fall foliage to enjoy.

Band night with the Trailblazers is Thursday, August 10 at 6 p.m. at the Carroll County Civic Center. The event begins with an add-a-dish finger food meal. Anyone wishing to join us for this meal please bring some type of finger food to share with the group. There is no charge to attend.

The August add-a-dish luncheon is the 17 at 11:30 a.m. This luncheon is open to anyone, who would like to join the group for some good home-cooked food and fellowship with old friends, or maybe even some new friends. Just bring a favorite dish and join us at 11:30 a.m.

Carroll County's Brain Games team will compete in Martin on August 18 for the Northwest Tennessee District Championship. We always look forward to these competitions. They are always fun and you always learn something you didn't know before.

The Office on Aging will serve hot fudge sundaes at our ice cream social on August 25 at 2 p.m. Anyone planning to attend needs to sign up by noon August 23.

National Catfish Month is August. In celebration, a group trip is planned to Country & Western in Camden on August 31. Departure from Huntingdon is at 10:30 a.m. This trip is filling up fast so reservations must be made soon by phoning the office to ride share on the van. The only cost is the price of lunch.

Northwest Tennessee Senior Olympics is September 25 through October 20. These games include golf, track and field events, tennis, washers, horseshoes, bowling, corn hole, swimming, and shuffleboard. Events are held at different locations throughout the northwest counties. We are looking for seniors to represent Carroll County in these games. Applications will soon be available for anyone 50 years of age or older. Schedules of competition are available at the Office on Aging located at 625 High Street, Suite 108 in Huntingdon.

Carroll County Office on Aging has many activities throughout the months and year. Anyone interested in those activities can phone 731-986-1985.

HUNKER DOWN WITH KES

I'm Whitening My Teeth

And I'm sitting right by the phone. Day and night. Waiting for my call. I figure it's about my turn to be the next White House Chief of Staff.

As far as I can tell the job ain't all that hard. You just have to stand in front of a few reporters, swear you don't know anybody in Russia and, if a controversial subject comes up, point a finger at some fellow worker at the other end of the White House.

This administration has put more people to work than Franklin D. Roosevelt with all his W.P.A. and C.C.C. programs combined. I'm not buying a house in Washington you understand. I'm only going to have this job for three weeks...then it might be your turn!

If any of ya'll per chance dropped by the Halloween Carnival at the McKenzie High School auditorium back in the late 1950's, I'm sure you remember the musical chairs. That's kinda what I'm talking about here. Miss Clara Dishman would play "Buttons and Bows" and we'd move around those chairs, not knowing when the music would stop and if we were going to be out of a seat or not.

I never was sure if it took an overabundance of skill, intelligence and keen observation to find an empty chair...or you just needed to be doghouse lucky. I've had plenty of practice at being the first one out. I figure that's qualification enough for a simple government job.

And this "let everybody have a chance at it" job proposition is nothing new. I saw it first hand picking cotton in West Tennessee as a lad. We'd start to school around the middle of August, attend classes till over in September, and then get out for two weeks to pick cotton.

The first day Mr. Brooks had people crawling all over his fields. He paid a penny a pound and he expected you to pick from can to can't (that's all day for our New York readers). Of course, it was Indian summer...and that meant the leftover August heat was beating down on us like a roasting oven. It was backbreaking work. And sometimes the cotton didn't want to come out of that boll!

I took note the second day there wasn't but about half as many showed up to work. Picking cotton had a way of separating the desperate from the just needy. I don't know how many made it back for the third day.

But I can guarantee you picking cotton set the national trend for the "revolving door" job market.

And it wasn't even the worst "rollover" position out there. The summer I turned sixteen I figured I was man enough to work at the Star Lumber Company. At sixteen you just naturally think you're bullet proof, know everything and can do anything. Mr. Carden pointed me down to the green chain.

Listen folks, if pulling on a green chain for ten minutes was a requirement to run for office in this country, Washington, D. C. would be as empty as Mother Hubbard's cupboard!

An outdated conveyor system at the lumber yard moved these giant hardwood trees toward a whining circular saw that was about the size of a hundred seat Martian flying saucer. Mr. Carden had a guy standing along a side rail as this mountain of timber approached the saw. In a split second this seasoned woodcutter sized up the correct way the tree needed to be turned to produce the most usable running board feet.

Two idiots, strategically positioned near either end of this behemoth log, pulled a giant chain into the wood and, at the direction of the expert, leaned their bodies across that tree and grunted, strained and pulled till the colossal mass of timber turned to the correct position to enter the saw. The green bark off that tree permeated your hair, eyes, ears, nose.....and tattooed your chest for life!

Let me tell you, didn't nobody pulling on that green chain have enough breath left to talk about muckraking or gerrymandering!

Nothing about this Chief of Staff position could be as tough as two days of picking cotton or the half morning I spent on the green chain!

That phone's got to ring quickly. This federal "face of the week" fad might fade like Hula hoops, moon hubcaps, bouffant hairdos, pet rocks and Captain Midnight decoder rings...

I can't wait to see how good my teeth look on TV. And at the rate this turnover train is rolling, they're bound to call my number any day now. And you can help. If you have a suggestion as to which White House personnel I can throw under the bus, please pass it along. I'd hate to be the first Chief of Staff in history to look like I don't know what I'm doing.

Respectfully,
Kes

Looking Back
From Our Archives...

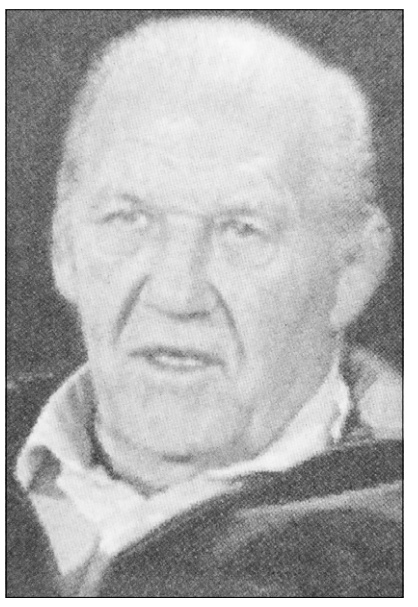

10 YEARS AGO — Trezevant High School graduate Gene Hickerson was inducted into the National Football League Hall of Fame, a first for Carroll County. A team captain in 1953, he played fullback and linebacker for Trezevant. His play at the tackle position for Ole Miss landed him in the Mississippi Sports Hall of Fame. He was drafted by the Cleveland Browns, for whom he played his entire 15-year NFL career.

*More than 100 students graduated from Bethel College during its summer commencement ceremony in Bouldin Auditorium in the Dickey Fine Arts Building.

20 YEARS AGO — Carroll County Commissioner Billy Portis was presented with a state resolution honoring him for his extraordinary contributions to Carroll County and Tennessee. Senator Roy Herron and Representative Mark Maddox visited Portis at his home to deliver the resolution.

*Tara Spain of Huntingdon received a desperately-needed heart transplant. After the premature birth of her son, Heath, in May, doctors discovered the need for a transplant stemming from a heart condition Spain developed during a childhood cancer battle.

50 YEARS AGO — Showing at the Park Theatre: Alvarez Kelly starring William Holden; Three Bites of the Apple starring David McCallum; The Reluctant Astronaut starring Don Knotts; and Walt Disney's Snow White and the Seven Dwarves.

Left, 10 YEARS AGO — Trezevant High School graduate Gene Hickerson became the first player from Carroll County to be inducted into the National Football League Hall of Fame. Right, 20 YEARS AGO — Senator Roy Herron (left) and Representative Mark Maddox (right) present Carroll County Commissioner Billy Portis with a state resolution honoring him for his extraordinary contributions to Carroll County and Tennessee.

Applicants Sought for Leadership Carroll County

The Carroll County Chamber of Commerce is accepting applications for the 2017 Adult Leadership Carroll County class. Leadership Carroll County (LCC) consists of nine sessions, a community service project, etc.

"Class members will find the sessions to be informative, educational, fun, etc." said Natalie McCullough Porter, chair of the LCC program. "The goal of the Leadership Carroll County Program is to provide our participants with information about the life and work of Carroll County and to identify the issues, challenges, and opportunities that face our county in the coming years."

The sessions include information on Health Care, Government Operations, Education, County Demographics, Economic Development, Agriculture, Professional Development and much more.

The dates of the sessions are as follows: Session 1 — August 17, 2017; Session 2 — August 31, 2017; Session 3 — September 14, 2017; Session 4 — September 21, 2017 (Fair); Session 5 — September 28, 2017; Session 6 — October 12, 2017; Session 7 — October 26, 2017; Session 8 — November 2, 2017; Session 9 — November 16, 2017.

All sessions are from 11 a.m. until 5 p.m. except September 21, which is 5 to 9:30 p.m.

The Chamber has operated Leadership Programs since 1990. More than 660 individuals have gone through both the Adult and Youth Leadership programs. The Leadership sessions are an excellent opportunity to network with class members and presenters.

The deadline for the application is Friday, August 11, 2017. The tuition for participating in this program is $275.00. Tuition includes all program costs and meals associated with the sessions. Tuition is payable upon confirmation of acceptance into the program.

For more information, contact the Carroll County Chamber of Commerce at 986-4664 for an application.

McKenzie Health Care Honors Moore On 100th Birthday

McKenzie Health Care honored Mrs. Louise Lawler Moore on her 100th birthday. McKenzie Mayor Jill Holland presented a proclamation in recognition of the milestone event.

Mrs. Moore was born August 3, 1917 to Charles Elbert Lawler and Martha Adeline Jackson Lawler.

Her parents ran Christmasville Grocery Store and Millinery in the Christmasville community. Louise helped run the grocery store with her dad while her mom ran the hat shop.

She had two siblings, William Curtis Lawler and Robert Glen Lawler.

During WWI, her mom worked at the Milan Arsenal, while her brother, Robert, fought in WWI and her brother, William, drove a truck for the military.

She went to Christmasville School and then graduated from Bethel College in 1934 at the young age of 17. After graduation, she moved to Dresden and worked. When her father died, she moved back to McKenzie and started working for McKinley Moore at the National Store, where Super Drugs is now located, as a bookkeeper in the office.

Mildred and McKinley dated for years before they decided to elope. They were married for over 20 years until his death, where upon she continued to run the National Store until her retirement.

Ms. Moore moved to McKenzie Health Care on November 13, 2009. She enjoys music and bingo at the center.

McKenzie Golf Opens Season with Sweep

McKENZIE (August 3) — The Rebels and Lady Rebels golf teams opened the 2017 golf season with three wins over Huntingdon, Clarksburg and Gleason at Carroll Lake Golf Course. The boys' team score was 157, distancing their closest competitor by 48 strokes. Senior Anders Rider was medalist, shooting a one over 36. For the ladies, the team score was 82, besting the next closest team by 16 strokes. Freshman Maggie Glass was medalist with a four over 39.

Coach Smith expressed after the match how he was very pleased with the wins, noting all seven boys shot 47 or better with three new players on the team this year, while all five girls shot 50 or better, also with three new players on the roster.

The golf team hit the road Monday, August 7 competing is a five-way match against Westview, Dresden, Greenfield and Trenton at Persimmon Hills Golf Course in Sharon.

McKenzie's Kelby McCaleb Named Greenfield's Head Baseball Coach

GREENFIELD (August 1) — 2011 McKenzie High School graduate Kelby McCaleb is the new head baseball coach at Greenfield High School.

A multi-sport athlete for the Rebels, McCaleb will also serve as an assistant coach with the Yellowjackets football program.

The 2016 Bethel University graduate worked as a Division I collegiate baseball umpire while serving as Gleason Parks and Recreation director.

Greenfield High School Principal Don McCurley commented, "First and foremost, Kelby is a solid teacher. He is certified in special education. That was his major and what he wants to do. He isn't just some guy hired to fill in as a coach."

He continued, "In addition to his classroom strengths, Kelby is very knowledgeable about baseball and football. He's been around baseball all of his life as either a player or an umpire, and was very dedicated this summer in high school football workouts alongside head coach Don Pitt. I think we have seen a good work ethic out of him so far."

McCaleb, 24, assumes leadership over a Yellowjacket baseball program that has seen great success over the past decade in postseason sectional play despite failing to advance to Class A State Tournament action.

Regarding his new job, McCaleb said, "I'm excited for the experience to be the head baseball coach here as well as an assistant in football. Many of our athletes participate in multiple sports, so a lot of the kids I'm coaching in football will play baseball, too. So, I'm already building getting to build a relationship as far as the expectations I have from a practice standpoint that I think will carry over to all sports. I am also hoping to get numbers up for the baseball team."

He believes his background as a groundskeeper will aid in preparing the school's playing fields.

He said, "I have a great relationship with Greenfield's Park Director Kirk McCartney from my time as Gleason Parks and Recreation director. We worked together in Babe Ruth baseball, and I believe our past work relationship will help us to work together well here at Greenfield High school."

Bethel University Holds Summer 2017 Commencement

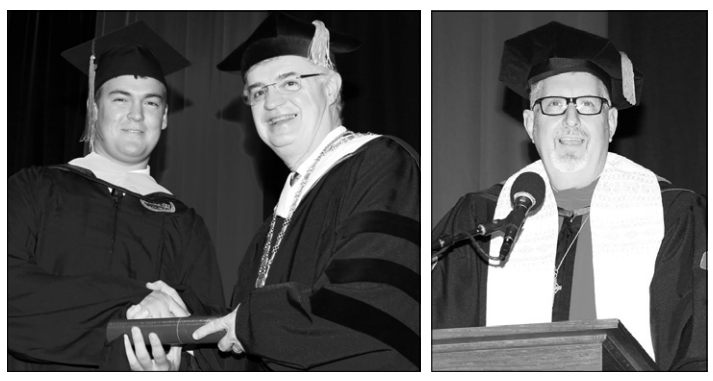

Bethel University held its Summer 2017 Commencement on Saturday, August 5 in the Rosemary and Harry Crisp II Arena on the school's McKenzie campus. There were 268 degrees awarded.

Degrees included Bachelor of Science, Bachelor of Arts, Associate of Science, Associate of Applied Science, and Associate of Arts.

Graduate degrees included Master of Arts in Education, Master of Business Administration, Master of Science in Criminal Justice, and Master of Arts in Conflict Resolution.

Local students earning degrees included: Morgan Taylor King of Atwood -- Bachelor of Science; Logan C. Hubble -- Master of Arts in Education; and Jamie Michelle Self of Huntingdon -- Bachelor of Science.

Bethel University President Dr. Walter Butler reminded graduates that time would go by but they would always hold the distinction of being a graduating class during the school's 175th year.

Left, Logan Hubble of McKenzie receives his Master of Arts in Education diploma from Bethel President Walter Butler. Right, Reverend Dr. David Lancaster was the speaker for the commencement. Lancaster was recently elected to serve as moderator for the General Assembly of the Cumberland Presbyterian denomination.

Commencement speaker, the Rev. Dr. David Lancaster reminded graduates that it's not all about them or about anyone else in the room -- that they must stay focused on God and in doing so they would prosper and effect positive change.

"From the moment we are born, people remind us we are special," Lancaster said. "And it's easy to begin to think this too... me, me wonderful me."

Lancaster reminded graduates of the Bible verse Proverbs 22:2 which says "let your praises be on other people's lips."

Lancaster, who is Professor of Religion at Bethel, is also serving as the Cumberland Presbyterian Church's Moderator of the General Assembly -- one of the church's most prestigious honors.

Established in 1842, Bethel University is celebrating its 175th birthday this year. Headquartered in McKenzie, it is affiliated with the Cumberland Presbyterian Church. It offers Bachelor's, Associate and Master's degrees through a variety of learning platforms.

West Carroll School Board Meets New Personnel

ATWOOD (August 3) — The West Carroll Special School District Board of Education met Thursday on the heels of the first day of school two days earlier. New school personnel were invited to the meeting to introduce themselves to board members.

Newly-hired staff at West Carroll include Dana Carey, Supervisor of Special Programs; Tim Stratton, junior/senior high principal; Kelly Todd, junior/senior high assistant principal; Janet Esch, high school English; David Grisham, seventh grade Social Studies; Joy Warwick, seventh grade Science; Joy Adkins, high school English/Economics; Doug McCaslin, sixth grade Social Studies; Patty Cupples, Spanish; Elizabeth Pratt, first grade teacher; Keri Hathcock, district-wide school nurse; Celia Vinson, junior/senior high cafeteria; Serena Morgan, elementary custodian; and Wanda Simmons, elementary custodian.

The new faces present were introduced by their respective principals, while some were unable to attend.

Director of Schools Dexter Williams instituted a new regular agenda item, "Spotlight," in which a different individual or group from the district will be invited to the meeting each month to be recognized for achievements and contributions.

The first "Spotlight" was put on the West Carroll Family, Career and Community Leaders of America (FCCLA) team, which has had a banner year representing West Carroll in competition.

At the recent National FCCLA Food Innovations Competition in Nashville, the team of Emily and Elizabeth Hudgins and Alayna Murphy earned gold medals, placing fifth in the nation in the Food Innovations Occupational Division. The team of Susie Waters, Zoey Cook and Aliesha Annis won Silver Medals in the Junior Category.

Five of the six were able to attend the board meeting and spoke to the members about FCCLA and their accomplishments, thanking the board along with many others in the community for their support.

In the approved consent agenda, several resignations were reported: Amanda Brewer, Mark Yarbro, Lex Suite and John Cary.

In new business, the board heard a request from primary/elementary music teacher Jonathan Wheeler for a set of risers to be used for music programs throughout the year at several locations. He recommended a set of three risers that would hold a total of around 50 children, including safety rails and bumpers, at a cost of approximately $2,700. He added that the risers would be useful for other events as well, such as Pre-K graduation.

Chairman Jimmy Halford inquired when the risers would be needed (December) and noted that the board's policy is to hear requests and defer action to the next month. He reassured Wheeler that it would be on the next agenda and that he anticipated approval of the request.

Several board policy updates were approved on second reading, and another pair were given a first reading.

One was a new policy that prevents administrators of schools and districts from giving neutral or positive recommendations to potential employers on behalf of employees or contractors for which there is probable cause to believe sexual misconduct with a minor occurred. Administrative and personnel files may still be transmitted on behalf of the employee or contractor.

The other policy update was a clarification of the rights of educators containing many more details and specifics.

An annual requirement, athletic practice during the school day was approved for 2017-18.

Board member Kyle Foster provided the board with sketches of baseball and softball concession stands and press boxes that members hope will come with a reasonable price tag. Recommendations and estimates will be sought, and the issue will be revisited.

The meeting adjourned after half an hour.

McKenzie Middle School 2017 Football Jamboree Draws Big Crowd

BY ERNIE SMOTHERS AND BRAD SAM

McKENZIE (August 5) — As moderate temperatures and blue skies prevailed at Randy Thomas Field, Carroll County Middle School teams McKenzie, Huntingdon and West Carroll faced off against Inman, Henderson North, Camden, Dresden and Lexington at the McKenzie Middle School Football Jamboree.

In all, ten scrimmages with two, 20-minute running-clocks were played via 40-yard split field action.

QUARTER ONE

Lake County 36, Huntingdon 8

Huntingdon's lone touchdown of the scrimmage came on its first offensive drive. Following short rushing gains, Mustang Aden Hutcherson powered leftside to score from six yards out and added the two-point conversion as Huntingdon led, 8-0.

From there, it was all Lake County. Propelled by its imposing offensive line, multiple speedster runningbacks and impressive pass-catch corps, the Falcons knotted the score at the 8:18 mark of the first frame via 10-yard scoring tote and two-point conversion tally to knot the score, 8-8.

Ramping up defensively, Lake County pounced on a Huntingdon fumble before utilizing three rushing plays to score via 26-yard tote. The Falcon quarterback raced left side to add the two-point conversion as Lake County led at the end of the first period, 16-8.

Unleashing offensively, Lake County posted two quick touchdowns early in the second frame via a 24-yard scamper and 23-yard touchdown pass to widen its lead, 22-8.

After forcing the Mustang offense to turn the ball over on downs on ensuing possessions, Lake County coupled pass completions of 23 and 16 yards to move the ball to the Huntingdon 1. Battling back, Mustang defender Hutcherson tackled the Lake County quarterback for an 11-yard loss. Undaunted, the falcon quarterback rolled leftside in the pocket and delivered a 12-yard scoring strike in the left corner of the end zone. Down but determined, Mustang defenders thwarted Lake County's two-point conversion attempt as the Falcons increased its lead, 28-8.

Forcing Huntingdon to turn the ball over on downs late in the scrimmage, Lake County's fleet-footed quarterback weaved 40 yards to score and added the two-point conversion as the Falcons earned a 36-8 win over the Mustangs.

Inman 14, Milan 0 (JV)

The Inman and Milan junior varsity teams showed solid defensive efforts, but Inman scored once in each half to claim a victory, 14-0.

Midway through the first half, (Inman) Bulldog Marshawn Coats ran for a long touchdown. The two-point attempt failed, and Inman led, 6-0, at the break.

With just a minute remaining in the second period, Norman Duncan scored for Inman again. Elijah Flowers converted for two points, and Inman took the win.

QUARTER TWO

Martin 16, Lexington 16

In an evenly-matched scrimmage pitting the Panthers of Martin against the Lexington Minutemen, Martin netted a first down at the 26 via Javion Goins right side rush before turning the ball over on downs.

Lexington responded on its initial drive as the Minuteman quarterback raced for a first down at the 28 before firing a completion at the Panther 1. Digging in, Martin defender Ty Simpson dropped a Lexington runningback for a huge loss before the Minutemen scored via touchdown pass. Lexington added its two-point conversion via pass to lead Martin, 8-0.

Determined, Martin runningback Dearea Nicholson moved the chains at the 28 and Panther quarterback Simpson scrambled for a first down at the 13. On the next play, Goins raced right side to score and Dearea Nicholson hauled in the two-point conversion pass as the Panthers knotted the contest, 8-8.

Early in the second period, Lexington drove to the Martin 23 before the Panthers forced the Minutemen to turn the ball over on downs at the 15. On the first play of Martin's ensuing possession, Panther quarterback Simpson raced right side and reversed field before galloping 40 yards to paydirt. Nicholson added the two-point conversion via pass reception as Martin led Lexington, 16-8.

With time waning in the second period, Lexington combined pass completion with gritty rushes to advance the ball to the Martin 21. With less than two minutes remaining on the running clock, Lexington's quarterback fired a touchdown completion and a Minuteman rusher added the two-point conversion as the game ended in a 16-16 tie.

Milan 16, Inman 8

Defense again dominated as the full Milan and Inman teams faced off following the JV tilt, but Milan's Bulldogs came out on top, 16-8.

With under a minute until the break, Milan broke the scoreless tie and added two points for a 8-0 lead at the half.

Early in the second period, Milan doubled its lead to 16-0, but Inman quarterback John Carter Olive responded with a long touchdown run. Zamariyon Kendall tacked on two points, but neither team would find the end zone again, giving Milan the 16-8 win.

QUARTER THREE

Martin 22, Lexington 14 (JV)

Lexington J.V. scored early in the scrimmage via 40-yard quarterback scamper but failed to convert its two-point conversion to lead Martin J.V., 6-0.

Undeterred, Martin runningback Quincy Hamilton raced for a first down at the 27 before erupting rightside to score. Casen Totten added the two-point conversion via rush as Martin J.V. took the lead, 8-6.

Ramping up, the Panther defense forced the Minutemen to turn the ball over on downs.

Coupling the rushing of Simpson, Hamilton and Goins, Martin marched to the Minuteman 2 before Hamilton bulled up the middle to paydirt. Hamilton's two-point conversion rush was stopped short of the goal line as the Panthers led, 14-6.

Midway through the second frame, Lexington scored via 21-yard rush but failed to add the two-point conversion as the score knotted, 14-14.

On its final drive of the scrimmage, Panther Totten broke tackles en route to a 34-yard scoring tote. Martin added the two-point conversion via rush to earn a hard-fought, 22-14 win over Lexington.

McKenzie 30, Henderson North 0 (JV)

McKenzie's Junior Varsity impressed on both sides of the ball in a 30-0 win over the Tigers.

The first half belonged to Rebel Marquez Taylor, who scored three touchdowns and twice converted for two points to give the host team a 22-0 lead at the break.

McKenzie coasted in the second period, adding another score on a pass from Bryson Steele to Zach Aird. Etijay Tharpe drove in the two-point conversion to make the final score 30-0.

QUARTER FOUR

Dresden 22, Henderson North 14

Both teams struggled early in the contest as the Tigers' promising initial drive ended with the Lions recovering a fumble at the 23. Dresden then turned the ball over downs after failing to net a first down.

Revving up offensively, Henderson North marched to the 13 before scoring leftside via rush and added the two-point conversion to lead Dresden, 8-0.

After Henderson North forced Dresden to turn the ball over on downs, the Lions stopped the Tigers at the 2 as time expired in the first quarter.

Ramped up by their crucial, first period-ending goal line stand, Dresden moved the chains via quarterback keep at the 14. Keeping the ball again, Dresden's quarterback eluded defenders to score. The Lions added a two-point conversion via rush to take the lead over the Tigers, 14-8.

Undaunted, Henderson North's runningbacks followed strong blocking to move the chains twice before scoring from the 2. Dresden's defense denied the Tigers two-point conversion attempt as the score knotted, 14-14.

With 53 seconds remaining in the contest, Dresden scored from 40 yards out via runningback burst and added the two-point conversion to earn a tough, 22-14 win over Henderson North.

McKenzie 30, Camden (JV) 16

The Rebels struck first, but the Lions answered to tie the scrimmage at 8-8. McKenzie then pulled away and eventually took the contest, 30-16.

Marquez Taylor scored from nearly 50 yards out, and Nolan Renfro snagged a two-point pass to give the Rebels an 8-0 lead.

Minutes later, Camden tied the game at 8-8, but Taylor struck again on the next possession, and Jackson Cassidy hit Zach Aird for the two-point conversion. At the break, McKenzie led, 16-8.

Taylor opened the second period with a long, weaving touchdown, breaking multiple tackles along the way. The two-point conversion failed, and the score was 22-8.

Camden later threatened a comeback, cutting the deficit to 22-16, but Aird responded with a touchdown run. Cassidy threw to Collin McLearen for two points, and McKenzie claimed a 30-16 win.

QUARTER FIVE

Camden 22, West Carroll 6

Despite gritty rushes by Joshua Clark on West Carroll's initial drive, the War Eagles were forced to turn the ball over downs.

Taking possession, Camden marched to the War Eagle 14 before losing the ball via fumble.

On the ensuing play, West Carroll's fumble was recovered by the Lions.

Utilizing rushes by multiple backs, Camden marched to the 14 before scoring via leftside rush. Answering West Carroll's Riley Duncan tackled the Lion quarterback to null Camden's two-point conversion attempt as the War Eagles trailed the Lions, 6-0.

West Carroll recovered two of its fumbles on its ensuing drive before turning the ball over on downs.

Camden marched deep into West Carroll's red zone but failed to score as time ran out in the first period.

Back on offense to start the second frame, Camden quickly score via 25-yard runningback rush and added the two-point conversion via quarterback keep to extend its lead over the War Eagles, 14-0.

Determined, War Eagle Garrett Baker rambled for a first down at the 13 before Clark powered right side to score. Clark's two-point conversion rush was stopped short of the goal line as the Lions led, 14-6.

In the final minutes of play, Camden coupled short rushes by multiple backs before scoring via three-yard scamper and added the two-point conversion to defeat the War Eagles, 22-6.

McKenzie 22, Trenton 0

The full Rebel squad were the headliners of the event and didn't disappoint the home fans, dominating the Trenton Bears, 22-0.

Trenton had the first possession, but a feeble drive ended with a fourth-down interception brought down by Rebel Will Essary.

McKenzie quickly drove to the red zone on consecutive runs by Jaden Johnson, but Trenton recovered a fumble to take over at the 40.

The Bears struggled again and lost yardage before turning the ball over on downs.

The Rebels again started the drive strong with a pass from Zayden McCaslin to Jake McDaniel for seven yards, but the next play resulted in another lost fumble.

Trenton got a first down on three plays, but the Bear quarterback threw another interception, this one to Rebel Jordan Gilbert.

Johnson started the ensuing Rebel drive with a 27-yard run, and followed with a touchdown reception from McCaslin. The two-point conversion failed, but McKenzie led, 6-0 at the half.

The Rebels offense started the second period, but didn't stay on the field long as Johnson took the first snap 40 yards straight to the house. McCaslin kept the snap and converted for two points, giving McKenzie a 14-0 lead.

The Bears managed a first down, but the Rebel defense held strong again for a turnover on downs.

McKenzie scored quickly again as Johnson ran 16, then McCaslin found McDaniel for another 15. Johnson took it the final nine yards to paydirt and added the two-point conversion.

Leading 22-0, the Rebels kept Trenton out of the red zone again and took over on offense one more time. They advanced to the 8, but a penalty pushed them back ten yards and time expired.

Computers, Policies Highlight McKenzie School Board Meeting

McKENZIE (August 1) — A new school year started on August 1 and members of the McKenzie Special School District Board of Education convened for their August meeting to hear about student enrollment, and to approve policies, and induct Emma Renfro as the new student representative to the board. (see separate story on Emma)

Lynn Watkins, director of schools, told the board enrollment was holding steady as compared to the end of the last school year. On the first day, 1,269 students reported to school of the 1,340 who were listed on the school rolls across the three campuses. The school system was funded for 1,272 students by the Tennessee Department of Education. There were more students in attendance on day one than the number of students funded by the state. Watkins said he was "pleased" with the early enrollment numbers.

Over the past few years, all school systems in Carroll County have experienced small declines in enrollment.

The Health Sciences Class received a $41,480 grant for practice mannequins, beds, and other equipment for the nursing students at McKenzie High School, said Watkins, who praised the faculty for writing the grant request.

Watkins reported Corie Burris was hired as an eighth grade English/Language/Arts teacher, and Mandy Davis was an education assistant at the middle school. Shalyn Priestley resigned as an education assistant.

Substitute teachers for the 2017-18 year include: Genise Corder, Diane McClerkin, Carol Morrissett, Samantha Butler, Nicole Ferguson, Derrick Hubble, Jeremy Bilger, Larry Higgins, Jennifer VanDyke, Ivory Adkisson, Theresa Hilliard, Emily Bloodworth, Darnell Neder, Christian Nunnery, Chase Barton, Cadence Dawson, Rocio Mejorado, Cavalyn Muller, Crystal Walker, Summer Champion, Rashell Chaput, Amanda Epperson, Ruth Fleming, Regina Green, and nurses, Shannon Dixon, Melissa Jones, Susan Reid, Lisa Weaver, and Marilyn Wade.

The school board approved a three-year lease for 125 Lenovo laptop computers for use throughout the three campuses. The computers operate on the Chrome operating system and are tools to help in the education of students. The computers are placed on five powered storage carts and cost the school system $7.27 per month per machine. All maintenance and repairs are included in the lease. The school board indicated the machines generally reach the end-of-life after three years.

A total of 13 school policies were approved on the first of two readings. The policies included 1.407 School District Records; 2.703 Audits; 3.202 Emergency Preparedness Plan; 4.210 Credit Recovery; 4.301 Interscholastic Athletics; 4.402 Selection of Instructional Materials (other than textbooks); 4.600 Grading System; 4.605 Graduation Requirements; 4.700 Testing Programs; 5.200 Separation Practices for Tenured Teachers; 5.201 Separation Practices for Non-Tenured Teachers; 5.203 Recommendations and File Transfers; and 5.600 Staff Rights and Responsibilities. All policies are listed on the school district's website for viewing.

A public records request can be denied if the requestor has made two or more requests to view the records within six months and the requestor failed to view the records within fifteen days of the request.

Watkins said the policy is to prohibit blanket requests for records for numerous records and possibly numerous school systems. Watkins said one example is one group requested information about the social studies textbooks, quizzes, and curriculum from every school system in the state.

The Audit policy requires the names of individuals responsible for implementing any corrective action in case of an adverse finding in the financial audit.

The Emergency Preparedness Plan requires schools throughout Tennessee to conduct a specific number of fire and safety drills – weather, earthquake, armed intruder drills throughout the year.

Credit Recovery plan places in writing the policy in which a student will earn 70 percent on the makeup testing.

Interscholastic Athletics policy was amended to indicate student athletes may be excused from athletic events on official school holidays, observed days of worship, or religious holidays without any repercussions from the school or coaches. The coach must be notified at least three days in advance of the event.

The Grading System amendment indicates seniors' final grade point average will calculated at the end of eight semesters in high school to determine senior academic ranking. The ranking also is determined by honors courses, dual credit courses, and advance placement courses.

The Testing Programs policy was amended to indicate the Tn-Ready and End of Course scores will be included in the students' final grades as follows: 2017-18 school year and beyond – 15 percent of the students' second-semester average in grades 3-8 or second nine weeks average each semester at MHS. The director of schools may exclude the scores if not received from the state at least five instructional days before the end of the course. Watkins said the school district held final report cards in 2016-17 awaiting the state scores, which arrived during the early summer break.

Retired teachers can now work as many days as necessary and not adversely affect their retirement benefits, upon the director of schools assurance there are no other qualified persons available for the position. Watkins said the policy was developed because of the shortage of certified teachers in Tennessee.

A new policy entitled Staff Rights and Responsibilities assures teachers have a bill of rights and a work environment free from sexual, racial, ethnic, and religious discrimination or harassment. It also requires the teacher to adhere to a Teacher Code of Ethics.

Teachers will also be provided a $200 fund for supplies for their classrooms, per state policy.

Carroll County Sheriff's Reports

Theft — The Sheriff's Department is looking into the recent theft of a license plate. William Hargrove of McLemoresville told deputies on August 1 that the plate had been missing for a couple of days.

Domestic Assault — A Cedar Grove man was arrested August 1 after allegedly attacking a woman at their mutual residence. Deputy Michael Mulligan charged Robert Timothy Cook, 29, of 160 Highway 220 with domestic assault. According to Mulligan's report, Mary Gordon (same address) told officers that she and Cook got into a verbal argument, and, at one point, she threw a pill bottle at him. Gordon said Cook then punched her in the face and stomach. Cook told officers that he hit Gordon after she threw the pill bottle at him.

Suspended License — A Huntingdon man was cited into court during an August 2 traffic stop. Deputy Dennis Adkins charged Timothy G. Chappel, 51, of 2185 Buck Ditch Road with driving on a suspended license. Adkins reported that he pulled over a silver-colored Ford Expedition driven by Chappel after observing the vehicle swerve over the center line on Buena Vista Road. A computer check showed that Chappel's license was suspended.

Domestic Assault — A Huntingdon man was arrested August 1 after alleged threatening family members and police officers. Deputy Scotty Davis charged John Allen Mitchell, 46, of 15000 Highway 70 with domestic assault and disorderly conduct. According to Davis' report, Mitchell's ex-wife, Janet Mitchell, told officers that her ex-husband, after consuming 36 non-prescription cold and flu pills and drinking three bottles of Listerine, became agitated and violent and screamed at her and her child until she and her child fled to a bedroom and locked the door in fear for their safety. Davis report noted that, upon arrival, Mitchell acted in a threatening and disorderly manner toward officers.

Debit Card Fraud — Authorities are investigating a recent case of debit card fraud. Martha Anderson told officers on August 1 that someone used her debit card account to a total of $729.74 in unauthorized charges in the Memphis area.

Stolen Van — Deputies are looking for a stolen vehicle. Jack Johnson of Lavinia told officers on August 1 that he had hired his brother-in-law to put a new motor in his 1998 Dodge van, but his brother-in-law died before work on the vehicle was completed. Johnson said he thought his van was parked at his brother-in-law's residence on Highway 220 until he recently received a ticket in the mail stating that a vehicle with his van's plates had been fined $65.90 in unpaid toll fees in Illinois. The van is currently listed as a stolen vehicle.

Stolen Motorcycle — A motorcycle was recently stolen from a residence near Huntingdon. Brad Baker told officers on July 23 that someone entered his carport at 1799 Bethel Church Road sometime that previous night and took a blue Yamaha motorcycle belonging to his son valued at $350.

McKenzie Police Reports

Order of Protection Violation — According to a report filed by MPD Patrolman Austin Jones, On August 1 at approximately 7 p.m., the officer, upon performing a traffic stop, was informed that Markel T. Allen, 23, Highway 22, McKenzie had an order of protection served on July 6, 2017 filed on him by Madison B. Henson, 20, Walnut Avenue, McKenzie, who was also inside the vehicle. Allen was taken into custody for violating the order of protection.

DUI / implied consent — According to a report filed by MPD Patrolman Cody Coleman, on August 3 at approximately 8:41 p.m., the officer responded to a 911 call regarding a two-vehicle collision at the intersection of Highland Drive and Cherrywood Avenue with a possible injury and possible DUI driver. Upon arrival, the driver of one of the vehicles, identified as Stacy D. Jewell, 56, Hinkledale Road, McKenzie, was unable to provide financial responsibility documentation for the vehicle. The report noted that Jewell was continually falling asleep behind the wheel and speaking in a non-understandable manner. When asked if she had consumed alcohol, Jewell said she had not taken any drugs or alcohol but stated that she had taken medication. Unable to perform field sobriety testing, Jewell was placed under arrest and did not consent to blood alcohol testing. She was transported to Carroll County Jail and held without bond to allow the judge to review the situation due to this being her second offense for DUI.

Vandalism — According to a report filed by MPD Patrolman Jeremiah Brooks, on August 2 at approximately 11:05 a.m., the officer was dispatched to a residence located on Paris Pike in reference to vandalism. Upon arrival, Sharie Marie Kalis, 28, Paris Pike, McKenzie, informed the officer that Markell C. Nolen, 29, Jo Johnson Avenue, Nashville, had kicked and damaged her television set while the two were arguing about their son. Nolen was cited into Carroll County General Sessions Court for the listed offense.

Domestic assault — According to a report filed by MPD Patrolman Jasmin Burgess, on August 4 at approximately 4:19 p.m., the officer was dispatched to abusiness located on Cedar Street in reference to an assault. Upon arrival, the officer spoke with Harley Ash Hill, 24, Thomas Jefferson Lane, Atwood, who was distraught. She stated that her husband, identified as John David Forrest, 27, Clear Lake Road, McKenzie, had hit her in the face twice as they were exchanging their child. At that time, MPD Patrolman Frank McGee was speaking with Mr. Forrest regarding the incident. Upon being identified as the culprit, Forrest was transported to Carroll County Jail and assigned a $3,000 bond.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
