Courtesy Walter Smothers, Huntingdon Director of Public Safety

On Sunday night, September 24 at approximately 7:46 p.m., Huntingdon Police Department received a call from Cash Savers supermarket located on East Main Street advising that they had just been robbed.

Store employees described the robber as being tall in stature and dressed in dark clothing.

Video from the store showed the subject run into the store cashier causing her to slide across the floor prior to his grabbing money from the register and running out of the building.

Gleason to Celebrate Minerals Day October 6

The City of Gleason is set to celebrate Minerals Day on Friday, October 6. This marks the third consecutive year the Gleason community has celebrated the event. With over 800 people attending last year's festivities, this year promises an even greater turnout.

The Gleason Downtown Revitalization Committee (GDRC) is taking the reins for this year's extravaganza with the support and sponsorship of Old Hickory Clay, Gleason Clay Company and Imerys Ceramics / Kentucky-Tennessee Clay Company. Numerous local service industries are scheduled to help make the day fun and educational.

Minerals Day will be on the grounds of Mike Snider Park, 506 North Cedar Street, from 10 a.m. to 2 p.m. Many pieces of equipment used in the excavation and processing of West Tennessee Ball Clay will be on hand including excavators, dozers, articulated trucks and the world famous "Gleason Shredder." Mine tours will be available. Small capacity busses will transport the public to the mines.

The GDRC and local businesses are providing hotdogs, chips, snow cones, popcorn, cotton candy and cold drinks for refreshments. There will be mining presentations along with drawings, door prizes and giveaways throughout the day.

Gleason's ball clay industry began in 1926 on the farm of W.R. Crawford. Some of the richest veins of clay in the area were discovered within the 20-acre plot. The Bell Clay Company started the arduous task of removing dirt and debris. The 25 man crew worked with pond scoops and horses each day to dig the mines. Holes were dug with hand augers and dynamite placed within to expose the Gleason Ball Clay.

Now, over 90 years later, multiple clay companies call Gleason home. The expansion of the usage of ball clay drives the ever growing industry. The sign on the edge of Gleason's city limits reads "Welcome to Gleason: Ball Clay Mining Center of the Nation." Weakley County's deposit of the finest quality ball clay is used for china, porcelain, pottery and many other purposes.

The event is free to the general public with the hopes of educating those in the surrounding area about the ball clay industry. For more information or to RSVP, please contact the Gleason Downtown Revitalization Committee at P.O. Box 125, Gleason, TN 38229, email gleasondrc@gmail.com, or call Charles Anderson at 731-695-5753.

Bethel University Announces 2017 Homecoming Alumni Award Winners

McKENZIE — Bethel University is proud to announce its 2017 Homecoming Alumni Award Winners. Carroll County native Tim Maharrey was chosen as this year's Alumni Achievement Award Winner. Fellow Carroll Countian Jimmie Sue Staten is being presented the University Service Award. Finally, Susannah B. Lewis is this year's Young Alumni Achievement Award Winner.

The Alumni Achievement Award is presented to Bethel University alumni who have achieved a high level of success since their graduation from Bethel. Tim Maharrey (class of 1994) has worked for global multi-billion dollar companies like Allied Signal, 3M, and Conzzeta (FoamPartner). During that time, he was in charge of businesses in North America, South America, Europe, and Asia. Maharrey has managed businesses up to 500 million dollars with over a thousand employees. He was the first executive VP outside of Europe for FoamPartner and was the first non-European on the Board of Directors. In these roles, Maharrey has also made appearances on the ABC television show "Shark Tank," a show where budding entrepreneurs have a shot at getting funding for their business ventures. Maharrey has also been chosen twice as one of 45 people who are picked yearly to attend executive programs at Oxford University.

In addition to a bachelor's degree from Bethel in Mathematics in 1994, Maharrey holds a master's degree in Industrial Management from Murray State University. He is a resident of Tunnel Hill, Georgia., where he lives with his wife, Elaine, and son, Luke. The son of David and Linda Maharrey of Cedar Grove, he is currently working in private equity and planning to acquire his own company in 2017.

The University Service Award is presented to individuals who have made a significant mark on the University either through their dedication to service to Bethel, dedication to their area of expertise or impact on the community. Jimmie Sue Staten is the embodiment of service in all of these aspects. Staten, a '77 graduate of Bethel, was a Bethel Balladeer, a Bethel College Cheerleader, and a member of Alpha Phi Sigma Sorority. She was also in Alpha Psi Omega Drama Fraternity, and she is a past Bethel College Alumni Secretary. Staten lives in Huntingdon where she serves as the chairperson of the Carroll County Democratic Party, the president of Carroll County Democratic Women, and past president of the Tenn. Federation of Democratic Women. She also serves as a member of the Bethel University Alumni Board. Staten is retired from the State of Tennessee, where she has long been an advocate for the care and protection of children, and she still works on their behalf serving as a member of the Foster Care Review Board. As if she did not have enough to keep her busy, she is the caretaker of her mother, Susie, and she has an extensive network of Bethel University friends and family -- a resource that has proven invaluable to Bethel administration.

The Young Alumni Achievement Award is presented to Bethel University alumni under 40 years of age who have achieved a high level of success since their graduation from Bethel. Susannah B. Lewis is a 2007 graduate of Bethel's College of Professional Studies. She is an author, a freelance writer, a blogger, a humorist, a wife of one and mother of two. She has self-published four books including "Unfortunate Ursula Underwood," "Suspicion on Sugar Creek," "The Charm of the Defeated: A Collection of Southern Short Stories" and "Ten Years Taken" (all available through Amazon) and has been featured on various websites, including Erma Bombeck's Humor Writers, TODAY and US Weekly.

Lewis' large following in the social media arena is also a major accomplishment. She has more than 1 million Facebook followers! When she's not putting pen to paper, Lewis enjoys reading, playing the piano and teaching her children all about Southern charm. Fans can read her humor blog, Whoa! Susannah (www.whoasusannah.com), and follow her on social media @whoasusannah.

McKenzie Planning Commission to Review Downtown Parking Ordinance

McKENZIE — The McKenzie Municipal – Regional Planning Commission will meet Wednesday, September 27 at 3 p.m. Two key items of discussion are on the agenda.

The commission will review a prepared ordinance amendment concerning parking of commercial vehicles in parking lot facilities located within the B-3 (Central Business) District. This comes at the recommendation from members of the city planning staff who have an issue in regards to the parking lot facilities located in downtown McKenzie. The average 20 foot moving-truck weighs approximately 8,895 pounds empty.

The wording of the proposed amendment reads, "Parking of Commercial Vehicles in B-3 (Central Business) Zoning District — Commercial vehicles with a combined total weight greater than 10,001 pounds may not be parked or stored in the B-3 (Central Business) district except for the period of time required to make legitimate deliveries or pickups."

If the commission agrees to the amendment, it will be passed along to the Mayor and Council of the City of McKenzie. After two readings, the amendment will become active and enforceable. The first reading could take place as early as the October 5 meeting of the Board of Mayor and Council.

The second item of importance focuses around land development by Casey and Terri Drewry. The Drewrys have requested approval for a minor subdivision plat in zone B-2. The submitted plat satisfies the requirement for a McKenzie subdivision.

Also for review is the revised Casey Drewry Storage Unit located in zone B-2 on Highland Drive. The site will hold approximately 60 proposed storage units on land belonging to the Drewrys. Both parcels of land are near Casey Drewry Realty on Highland Drive neighboring the David Street and Old Paris Road subdivisions.

TOWN OF HOLLOW ROCK

Aldermen Hear Request on Quarantined Property

Courtesy Carroll News Leader

Hollow Rock resident Luke Kee, Jr. addressed town aldermen at their September 19 meeting regarding a particular piece of property located on Fireball Lane off Highway 114 South inside the town's limits.

Kee said he is thinking about buying the property for back taxes owed on it and asked the board if the town would be willing to split the cost with him. Kee said he would be willing to pay up to $1,000.

Town Recorder Pam Gallimore pointed out that the property was placed under quarantine by the Tennessee Department of Environment after it was discovered that methamphetamine was being manufactured there, and it will remain under quarantine until someone cleans the property up sufficiently to meet state requirements.

Town Attorney Butch Maddox told Kee that the town has no authority when it comes to having the property released from quarantine.

Maddox added that, technically, the property could still be bought for back taxes, but the new owner wouldn't be allowed to inhabit or build anything on the property until the state released it from quarantine.

Kee asked if it would be okay for him to mow the property with a bush hog.

"The law doesn't say anything about bush-hogging," said Maddox.

"I may go ahead and bush-hog it," said Kee. "I'm tired of looking at it."

"I'd like to see somebody do something with the property," said Alderman Rob Woods, who headed up the meeting in the absence of Mayor Tim Runions. "But we don't have anything to do with the quarantine."

Maddox asked Kee what he intended to do with the property if he did get possession of it.

"Resell it or build something on it," said Kee. "Make some money off of it."

After some more discussion, the board generally agreed to have Police Chief Danny Emerson look into their options when it comes to having the property taken out of quarantine.

"Tell Danny he needs to call me," said Kee. "I don't bite."

In other business, the board discussed the need for some rules, fees, and oversight when it comes to public use of the newly renovated Hollow Rock Fire Station #2.

Gallimore pointed out that there are a lot of details to consider when it comes to letting the public use that facility, such as what to charge for rental fees and deposits, setting rules regarding use of the kitchen, keeping certain parts of facility locked up, and having someone inspect the facility after public use.

Alderman Curt Lumley, who is also a member of Fire Department, suggested that they let members of the Fire Department get together and hash out the details and then bring a written set of rules and fees for board approval.

The board generally agreed to Lumley's idea.

"We've put too much work into that building just to let someone come in and have their way with it," said Lumley.

Alderman and Fire Chief Bobby Brotherton commented that the September 16 dedication and open house festivities at Station #2 went well with $944 being raised for improvements in the Fire Department.

"Hopefully, the community will use the building," said Brotherton.

Unemployment

...From Front Page

figures were released one week after the state posted an August statewide unemployment rate of 3.3 percent – the lowest in recorded history.

"To see a decrease in each and every county across Tennessee is quite an accomplishment and a sign of our state's financial strength," Haslam said. "Our historic low unemployment rate is a reflection of Tennessee's policies – we're a low tax state that encourages business investment and we don't have a lot of debt, which allows businesses to thrive and create jobs."

This is the third time in 2017 in which county unemployment rates decreased statewide. The rates also dropped in all 95 counties in February and April.

Carroll County experienced an .8 percent decrease in unemployment as compared to July, 2017 and 2.6 percent drop from August 2016. Carroll rate was 4.9 percent. From a labor force of 11,700, some 11,130 were employed and 570 were unemployed. That is mixed news as compared to December 2009 when unemployment in Carroll was 17.4 percent, probably the highest rate in recent history. However, it also compares with a labor force of 13,920 in 2009 to today's labor force of 11,700, and the number employed in 2009 at 11,500, compared to 11,130 employed today. The number of persons employed is almost identical to the county's darkest days of unemployment, while the number of persons in the labor force has declined.

Henry County had a rate of 4.2 percent, down from 4.8 one month earlier, and two percent from one year earlier. From a labor force of 13,850, some 13,256 were employed and 590 were unemployed.

Weakley County had a rate of 5.9 percent, the second highest among Tennessee counties. That is 1.5 percent less than July 2017, and 1.5 percent below August 2016.

Weakley County commissioners expressed their displeasure with the lack of economic development in Weakley County during the September meeting.

The county of Weakley appropriates $96,000 annually for industrial recruitment and Ronnie Price serves the director of the economic development board.

Commissioner Dennis Doster called for a vote of "no confidence" concerning Mr. Price's performance. Commissioner Roger Donaldson seconded the motion and the vote was 12 voting "no confidence", two voting against, three abstaining, and one member absent.

Commissioners expressed concern the county has not experienced job growth, even though job announcements have been made in neighboring counties.

Price, who presented his annual report to the commission during the July meeting, was not present. Price has served in the position for almost 10 years.

The Tennessee August unemployment rate is less than 5 percent in 81 Tennessee counties. Fourteen counties have unemployment rates for the month ranging from 5.1 and 6 percent.

The August statewide unemployment rate of 3.3 percent was down one-tenth of a percentage point from July while the preliminary U.S. unemployment rate increased last month one-tenth of a percentage point to 4.4 percent.

The state and national unemployment rates are seasonally adjusted, while the county unemployment rates are not. Seasonal adjustment is a statistical technique that eliminates the influences of weather, holidays, opening and closing of schools, and other recurring seasonal events from economic time series.

Responding, HPD officers, assisted by Carroll County deputies, searched a nearby housing project door-to-door in addition to the surrounding area.

The suspect, a 16-year-old juvenile, was later identified by persons viewing still photos from store surveillance video footage that aired on the WBBJ TV's 10 p.m. newscast and photos posted on social media.

At 11 p.m., officers located the juvenile walking on Hwy 70A and took him into custody.

$595, the same amount reported as being stolen from Cash Savers, was found in the juvenile's sock.

The juvenile is confined in Juvenile Detention.

Smothers thanked Carroll County Sheriff's Department Officers for their assistance in apprehending the robber.

He added, "Cash Savers and store manager Jackie Vandercook have always strongly supported Huntingdon Public Safety. We are very pleased to make this arrest and recover their stolen money."

Unemployment Percentage is Down, So is Number of Employed

Carroll County's percentage of unemployment stands at 4.9 percentage points. On the surface, that is outstanding. But that's not the whole story.

In August 2017, Carroll County has a labor force of 11,700. Of that number, 11,130 are employed. The stats indicate an estimated 570 persons were unemployed.

In December 2009, during the peak of the recession, Carroll County had 17.4 percent unemployment. That is one of the highest unemployment rates recorded in recent history in the county. In that month in 2009, the labor force was 13,900 with 11,500 employed and 2,420 unemployed.

One should note, when Carroll County was recording an unemployment rate of 17.4 percent in 2009, there were 11,500 persons employed. In August 2017, there were 11,130 persons employed. Just last month, the number of employed persons is less than in the darkest days of the recession (2009).

Carroll County's population - just as the population of much of West Tennessee - has declined in recent years. According to estimates by the U.S. Census, the population of Carroll County was 28,522 in the year 2010 and 28,092 in the year 2016.

There are new jobs on the horizon in Carroll County. Granges just announced 100 new jobs in the next two years. Campbell Arms will soon open and provide up to 50 new jobs. Republic Builders, in the Henry County portion of McKenzie, announced the opening of a second work shift along with new jobs. All of these announcements provide great news and hopes of a brighter future.

Neighboring Weakley County recorded an unemployment rate of 5.9 percent in August 2017. The labor force was estimated at 15,950, with the number of employed at 14,960 and unemployed at 950. The county was ranked 94th of 95 counties in unemployment. Only Rhea County had a higher percentage of unemployed.

In September, Weakley County's commission cast a vote of "no confidence" in the county-wide economic developer. County officials there are expressing their dissatisfaction with the lack of economic growth.

Come, Just As You Are!

BY PAULA WATKINS

This yarn, as Catherine Argo says, is part truth and part fiction. Here we go! Think back – back to when you and I were little – before our smart-aleck teenage years.

It was not uncommon to attend more than one Dinner On The Ground event at various churches in our community. I remember one particular Sunday when I was around seven years old. I went with Daddy to a Primitive Baptist Church right across the road from the Shiloh Cumberland Presbyterian Church. My Granddaddy was a Primitive Baptist minister, and we were invited to hear him preach and enjoy dinner afterwards. I didn't care a bit about being still for preaching, but I certainly did care about eating. I was just tall enough to look out the window and see the ladies of the church leaving their baskets of food on the picnic tables before they entered the church.

I understood that I had to hold Daddy's hand after the service and wait in line for my plate to be filled. Those tables were tall! I could barely see all the food. I do remember for once in my life, I got to eat a meaty piece of chicken. We sat down on the cool grass under the old oak trees, and enjoyed a delicious meal. I did not realize that these women, as with all church-going women at the period of time, prepared most of their food the day before. You didn't slave over a wood-burning stove on Sunday. Remember the Bible says, 'Remember the Sabbath Day to keep it holy.' Those sisters would have had a tough time being holy if they had to prepare a meal on Sunday, dress the children, and ride with the whole bunch to church. As I look back, there is very little I remember about this Sunday. I do remember having one-on-one time with my Daddy and I remember getting to eat a chicken leg. Today I recall the peacefulness and the love shared by those present. I know we can't go back – if we really do want to go back. But we can look forward – forward to today and every Sabbath to come.

This coming Sunday, October the 1st, we will come together as a community. Churches from all over our community and surrounding area will gather at 4 p.m. at the McKenzie First Cumberland Presbyterian Church for one of the first services that we hope will become a tradition – a habit that will continue in other community churches. Many of us believe that our society is in great need of healing, and it can begin with our hometown! So I, on behalf of those who have been meeting for Thursday night prayer meetings, and the local Ministerial Association, invite you to come just as you are. Join us for the beginning of healing for our town. It only takes one light to keep a fire burning!

HUNKER DOWN WITH KES

Man Can Not Live On Bread Alone...

I didn't think much about the chest pains when they started. I figured it was the lingering heartburn from Cathy's meatloaf casserole back in 2003. I've "tasted" that dish through seven Ryder Cups, three presidential terms, six foreign wars, a goat roping in Arkansas and one hundred and twelve family reunions!

When the pain increased recently I went to see a doctor. I was looking for a simple pill to counteract a culinary experience I couldn't forget from fourteen years ago. Well, five EKG's, a stress test, an echo cardio graham, a week long marriage to a heart monitor and a two day visit to the hospital for a cardiac catheterization later...they tell me my heart is fine.

That was good news for sure. But it didn't cure the ongoing pain in my chest. And every doctor, cardiologist and nurse dismissed my meatloaf casserole theory before I could even get to the part where her sisters, our two sons and the family dog wouldn't take a bite of it!

The heart specialists handed me off to the digestive tract team. I've had endoscopies, outdoscopies, 3-D-doscopies... Complete strangers have looked down my throat with a telescope. I've had ultrasounds done on every organ between the gall bladder and the pituitary gland. Nurses and doctors of every pedigree and religious persuasion have poked me in the belly.

They mumble Greek words like "acid reflux" and "hiatal hernia".

I grew up in a day when all chest plains were either "pleurisy" or "heart dropsy". And you had to be fairly old to earn them. I remember granny would put a mustard poultice around the victim's neck. I don't know what was in it. And I can't remember if it cured the "dropsy" or not...but I guarantee you it cleared out every nasal passage in the house!

I'm finding out in this wonderful age of modern medicine...there is still a fair amount of guessing going on. And a lot of it is centering on my diet. They think there might be some relationship between what I'm eating and my chest pains. Well, duh, that's what I've been saying from the start!

But they're not talking meatloaf casseroles unless there is a lot of tomato sauce involved. They want me to cut out all fried foods. Naturally chocolate was on the list. And they told me to limit my intake of mint. I was scratching my head as to how mint could be harmful to anyone when they tossed garlic in as a no no...HEY, I just remembered one of the main ingredients in that poultice granny whipped up!

These experts frowned on Coca-Colas. They were dead set against the caffeine. I tried not to let them see me squirm and I made a silent promise to cut down to four or five diet cokes a day.

They also nixed salt and pepper, spicy foods, coffee, oranges...things that I could take or leave so I figured I was passing the "what foods to avoid" test with flying colors. I was looking forward to being cured in a few days when the big guy down on the end added, "And don't forget peanut butter. You need to avoid that at all cost."

Folks, my antenna went up! I had sat though this ordeal determined to be the best patient I could be. I appreciated the help being offered...but they had wandered a tad out of bounds here!

Peanut butter is a staple crop where I come from.

When I refused to eat my Gerber Strained Carrots Mother pacified me by dipping a baby spoon into a jar of Peter Pan creamy peanut butter and sliding it onto my tongue. We didn't have a cafeteria when me, Leon and David Mark made it to elementary school. Mom mixed peanut butter with bananas and made sandwiches for our lunch.

We ate peanut butter on Premium Saltine Crackers, Graham Crackers, Ritz Crackers, pancakes, apple quarters, loaf bread, cornbread, biscuits, Hershey Bars, toasted marshmallows, fruitcake, Oreo Cookies and corn on the cob. If we didn't have anything else to smear it on, we stick a butter knife down in the container and eat it "straight".

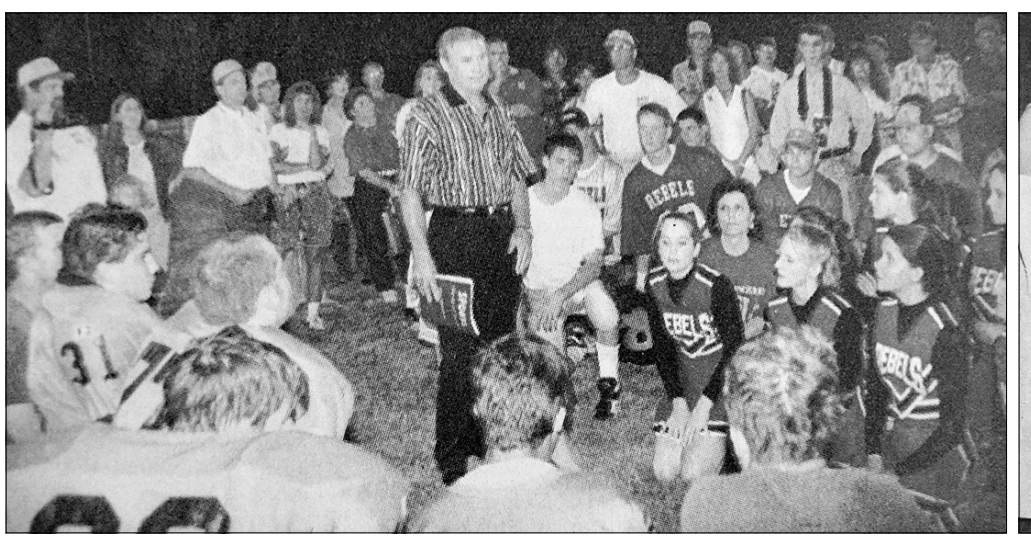

We never went camping without a jar of Jif, Skippy or Peter Pan in someone's bag. We were not going to get caught "lacking" in case the only food the scoutmaster brought along was a few cans of those awful Red Bird Imitation Vienna Sausages.

Peanut butter sustained me through four years of college and the first few years I was out on my on. There's no way I'm going to abandon it now!

And come to think of it, if I'd a'had an "emergency jar" back in 2003...I wouldn't be in the fix I'm in today!

Respectfully,
Kes

Bethel Renaissance Performs With Gaither Vocal Band

JACKSON — The Bethel University Renaissance Quartet recently sang at the Carl Perkins Civic Center in Jackson with gospel music legend Bill Gaither and the Gaither Vocal Band.

"WOW! What a night," exclaimed Bill Gaither. "It gives me great hope and joy seeing young people not only doing what they love, but singing gospel music. The Renaissance Program at Bethel University takes such a unique approach in how they create experiences for their students. Gloria and I have always had a great passion for education, and what they are doing in McKenzie, Tenn. is special, and that was evident on stage."

Renaissance, the Bethel University Performing Arts Experience, showcases the vocal, instrumental, theatrical and technical talents of Bethel students. "We strive to empower our students to uplift, inspire, and entertain through ministry and performance opportunities," commented Matthew Holt, executive Director. "Whether it is singing or acting in front of thousands of people, operating a soundboard, building a set for a musical, or playing a wide variety of instruments, we will provide an experience that will prepare you for your future. Our approach provides hands on learning that gets students out of the classroom and out into the field."

Kevin Williams, award-winning musician and comedian added, "It's great to see a university music program like the Renaissance Program at Bethel that embraces so many different forms of music from bluegrass to gospel to Broadway. Folks really enjoyed hearing their gospel quartet perform "Standing On The Solid Rock" that was written by the legendary Harold Lane. They put a fresh spin on it and totally hit a homerun in Jackson! We are also very fortunate to be able to say that the executive director of the Renaissance Program is our piano player. Matthew Holt is a musical genius and has been traveling with us for five years now. He is an artist, composer, and performer in his own right. I'm glad he shares his weekends with us on the road, but I'm even more glad he is sharing his talent and his guidance with these wonderful young people at Bethel."

They particularly enjoyed playing with a brain made from playdough and challenging their minds by playing the Brain Game and figuring out which part of their brain controlled their Five Senses. The Library would like to thank Ms. Patsy Smith and Clarksburg School for inviting us to be a part of the Health Fair.

The Carroll County Library is looking forward to having Mr. Bob Clement, former US Congressman at the Library on Thursday, September 28 at 9:00 a.m. for a book signing of his new book Presidents, Kings, and Convicts. Come to the library to get a signed copy of the book at a discounted price!

Argo Visits LST-325 Ship

LST-325, the lone landing ship tank in the United States, docked in Nashville and then relocated to Clarksville in recent weeks. This floating museum provides many memories of peacetime and war as it served in several big battles.

The LST-325 provides special memories for one McKenzie lady, Christine Argo, 93, who served as part of the volunteer staff during its visits in ports. She accompanied the late Bailey Moore Wrinkle, a former hardware store owner, who traveled to Crete Greece to restore the ship and sail it back to the states.

Argo was accompanied by her grand niece, MaryAnn Baker and husband, Steve and great-great-grand niece, Delta Baker, revisited the USS Navy Landing Ship Tank, LST 325, as it was docked in Clarksville. Ms. Argo wanted to view the ship while it was fairly close to McKenzie and to renew old acquaintances with some of the crew members.

In 1999, by an act of Congress, the LST 325 became the property of the USS LST Ship Memorial, Inc. It was their goal to sail the ship home from Greece and make it a fully operational museum. The LST 325 played an important role in the invasions of Sicily, Salerno and Normandy on D-Day. About 50 men, from around the Unites States, flew to Greece to begin the restoration of the LST 325. Due to health problems and other complications, some had to leave. The remaining crew, aided by US Navy and Greek sailors, US Ambassador Nicholas Burns and others, completed the restoration and paperwork needed to ready the ship for sailing. A crew of 29 determined men set sail on the LST 325 and the amazing, often difficult, journey was made a reality. One such crew member was Korean veteran, Bailey Moore Wrinkle of McKenzie, now deceased.

Bailey was the only member from Tennessee that traveled to Greece to work on and be a part of that famous voyage that brought the LST back home to the United States in 2001. That brave group of 29 men with the average age of 72, later named the Gold Crew, sailed the vintage 1942 LST 6500 miles on a 42-day journey from the Navy Support Base at Souda Bay in Crete, Greece, across the Mediterranean Sea, the Atlantic Ocean and the Gulf of Mexico to Mobile, Alabama.

His fellow crewmembers called Bailey "Tennessee." He worked tirelessly as the electrician on the ship. Barely seaworthy, the ship set sail for the states.

After returning home, Bailey was asked to make many appearances speaking about the perils and joys of the unbelievable feat.

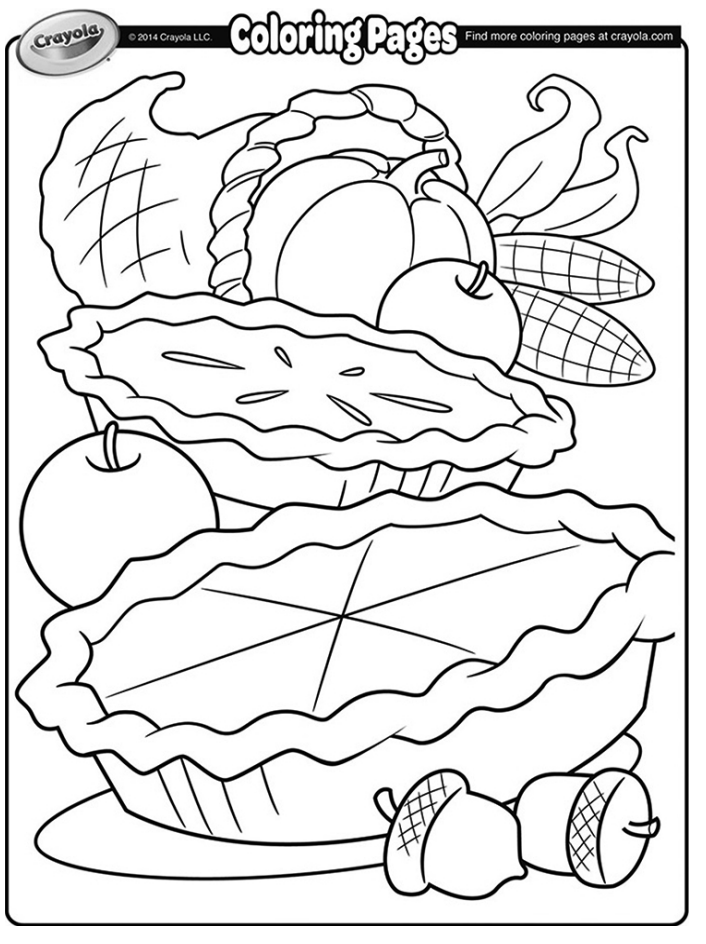

Christine Argo and her husband, David, were long-time friends and neighbors of Bailey and his wife, Peggy. After both lost their beloved spouses to cancer, Christine and Bailey continued their friendship and in addition to attending the LST conventions, they traveled to wherever the LST 325 was docked. He gave tours of the ship while she volunteered selling admission tickets or souvenirs in the gift shop.

They made these trips for several years until they were limited by health issues.

The USS LST Memorial members are committed to keeping this working museum ongoing. Every year in the fall, the ship leaves its home port of Evansville, Indiana, and sails with a volunteer crew made of veterans and civilians heading to various inland ports throughout the United States. On the day of Christine's visit, the beautiful weather gave way to a clear view of the 75-year old, yet impressive looking ship as it was docked in the sun with many people strolling across her deck. Christine was indeed thrilled to once again see the LST that had been such a memorable part of her and Bailey's life. Due to Christine's limited mobility, she was unable to tour the ship, but being parked beside it was enough to bring back so many wonderful memories. Captain Robert Jornlin and his wife, Lois, left the ship to greet Christine with hugs all around. The Jornlins recalled visiting Christine's home and experiencing the delicious home-cooking with some special fried chicken. They continued discussing the ship and previous members of the Gold Crew, some of which have died or are no longer able to travel to the LST. Christine and the Jomlins parted having enjoyed their visit and with the hope of meeting again in the future.

Captain Jornlin has written a fascinating book entitled Bringing Back A Hero.

For more information on the USS LST WWII ship, you can contact, USS LST SHIP MEMORIAL, INC., E-mail: 32Soffice@lstmemorial.org, Phone: 812-435-8678 or the Web page: www.Jstmemorial.org (ship's store).

Rebels Fall to Waverly, 56-14

BY BRAD SAM

McKENZIE (September 22) — The Rebels absorbed another tough loss Friday as they hosted the Waverly Tigers in a non-region contest. The Tigers scored on their first six possessions en route to a 56-14 win.

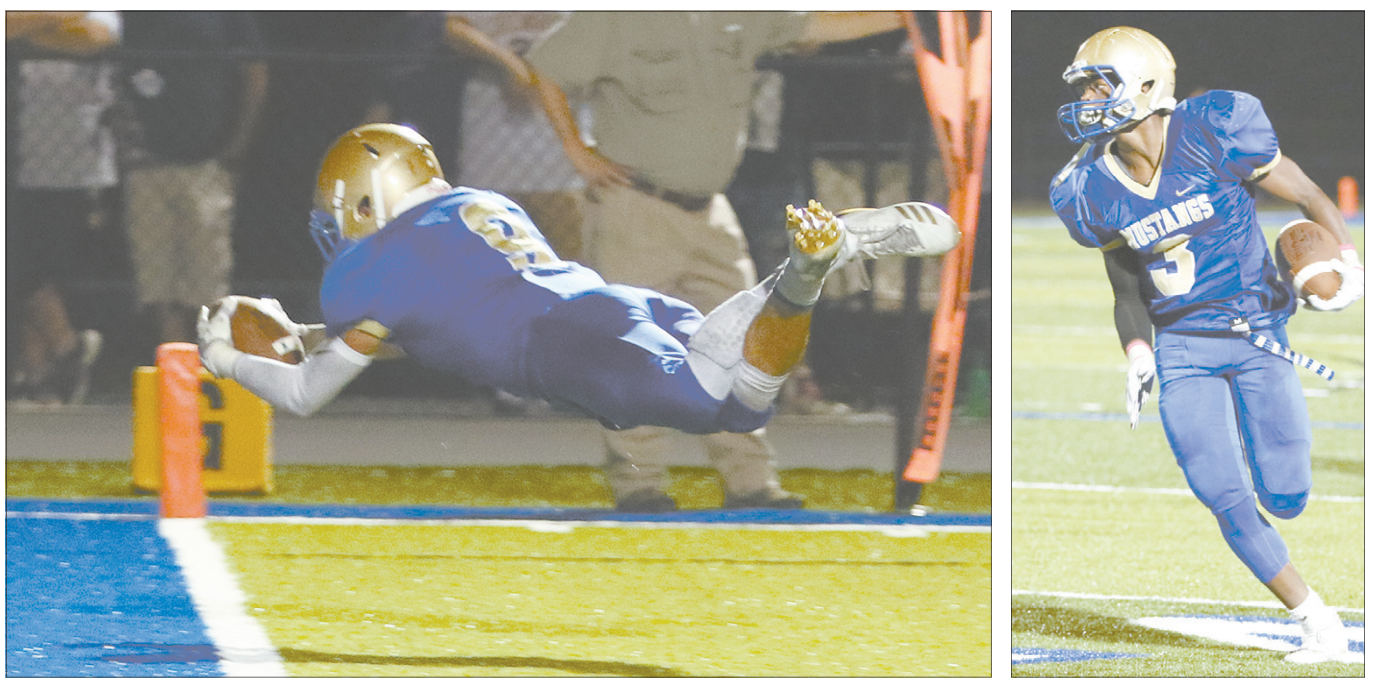

McKenzie won the coin toss and elected to receive the opening kick. Starting deep at the 10 yard line, quarterback Zach Jarrett threw incomplete, but followed with three completions. After a Rebel penalty, Joseph Miller ran for a first down, then repeated for a short gain. Jarrett threw incomplete, then found Cameron Rawls on third down. The short gain made it fourth down, and McKenzie punted.

Waverly took over at the 29 with quarterback Graham Stanfield completing back-to-back passes to J.D. Dixon. He then threw to Michael Jackson for a 51-yard touchdown. Trey Tidwell kicked the extra point, and the Tigers led, 7-0, with 7:34 left in the first frame.

Rebel Tyler Spivey had a good return on another deep kick to start the drive at the 33. A run for no gain and a pair of incomplete passes forced a three-and-out and a punt.

The Tigers took over at

HUNTINGDON (September 22) — In a non-region, marquee showdown between state third-ranked Class 1A Huntingdon and perennial powerhouse Milan, the Mustangs fused dominating offensive line blocking with the production of Tyrese Mebane (12 carries for 162 yards, touchdown totes of 80 and 12 yards) and Kade Pearson (27 carries for 397 yards, seven-yard touchdown tote, touchdown pass completions to Dallas Willis and Hunter Ensley) to amass 455 total yards offensively (48 rushes for 397 yards, 4 of 13 pass completions for 58 yards) to defeat the Bulldogs, 36-16.

Winning the battle in the trenches defensively, Huntingdon limited Milan's normally-potent offense to 178 total yards (38 rushes for 150 yards, 4 of 10 pass completions for 28 yards).

Milan was led offensively by Marquez Norman (12 carries for 71 yards, 80-yard kickoff return touchdown) while highly-touted Bulldog runningback Anthony Ballard Jr. was limited to 17 yards rushing on nine carries.

The Bulldogs were led defensively by the tackling of Kurt Chandler, Austin Drake, Dee Bates, Cristian Wright, Jimari Weathers and Dylan Mayberry.

This Friday night, Huntingdon (6-0) travels 92 miles to Collinwood for a regional matchup against the Trojans. Game time is 7 p.m.

Mustangs 36, Bulldogs 16

Disaster struck Milan on the game-opening kickoff as Mustang Dejuan Raglin's full speed collision with Anthony Ballard Jr. resulted in a fumble that was recovered by Brandon Lawton at the Bulldog 19.

Taking advantage of Milan's miscue, Mustang quarterback Kade Pearson capped Huntingdon's three-play drive

Lady Rebels Fete Seniors, Clinch Home Playoff Opener

BY BRAD SAM
brad@mckenziebanner.com

McKENZIE (September 21) — Thursday was a night of celebrations for the McKenzie High School Lady Rebel soccer team. During halftime, five seniors were recognized on the field. The team went on to win the contest against South Fulton, 5-1, to finish the season second in District 13A.

The rank earns the Lady Rebels hosting rights in the opening round of the district tournament. They will host Gibson County on Tuesday, October 3. The starting time has yet to be determined.

Lady Rebel soccer seniors are: forward/midfielder Maddy Dreaden, a two-year player; defender Jonnie Chesser, a four-year player; defender/midfielder Bailey Nelson, a two-year player; forward/striker Hannah Bilger, a four-year player; and defender/midfielder Nicole Mercer, a three-year player.

In the win, Hannah Bilger scored three goals and had an assist. Allie Chappell scored a pair of goals. Goalkeeper Gracie Dillingham allowed one goal, a twice-deflected, slow-rolling ball that barely crossed the line. She made just one other save in the win as the rest of the team kept the ball safely in South Fulton territory for a majority of the game.

the 39, and Stanfield hit Montez Bradley for a 61-yard touchdown. The PAT made it 14-0, with 6:08 on the clock.

Spivey had another good return, but Miller took big losses on consecutive runs. On third-and-long, Jarrett completed a 24-yard pass for a first down. The next pass was incomplete, but Miller then ran for nine yards. Bryston Diggs was stopped just short on third down, and Miller took a loss on fourth-and-inches.

The Rebel defense forced a fourth down on Waverly's next drive, but Stanfield converted on a keeper. From there, Stanfield passed for a first down, then kept for another. He was sacked for a loss of seven by Rebel Stephone Haynes, then passed to Tidwell for a 20-yard score. Tidwell's kick was good, and the Tigers led, 21-0, with just over a minute to go in the first.

Rebel Josh Cannon caught the ensuing kick at the 4 and took it 96 yards for a touchdown to get McKenzie on the board. Miller ran in for two points, and the Waverly lead was 21-8 with 46 seconds left in the first.

The Tigers began at the 25, and new quarterback Gavin Stanfield threw to Tidwell again for a touchdown. The kick gave Waverly a 28-8 lead with 23 seconds still to go in the opening quarter.

Spivey's return put the Rebels at the 35, and Miller lost a yard as the frame ended. He ran again to start the second, gaining a yard. Jarrett completed to Spivey on third down for eleven yards. Miller ran for eight, then Spivey gained three to move the chains again. Back-to-back penalties set the Rebels back, but Miller responded with a 51-yard run down to the 3. A face mask penalty against Waverly, moved the ball even closer, and DeAaron Diggs took it in for the touchdown. The two-point attempt failed, but the Waverly lead was cut to 28-14, with 9:13 to go in the half.

Stanfield needed just two pass attempts and 23 seconds to find Colton Cochran for a 64-yard touchdown. Tidwell stayed perfect on PATs, and the lead was back up to 35-14.

The Rebels started deep at the 15, D. Diggs running for a short gain. Spivey gained a few more, then Jarrett threw to Lane Horton for a first down. D. Diggs then ran for another first, followed by B. Diggs for three yards. DeAaron gained just a yard, then Jarrett threw to DaShun Woodson for a short gain on third down. McKenzie punted from midfield, a bad bounce giving Waverly great position.

Bradley ran across midfield for a first down, then Stanfield kept for a 39-yard touchdown. The kick gave the Tigers a 42-14 lead with just over four minutes in the half.

McKenzie quickly went three-and-out on the ensuing drive. The punt put the Tigers at their own 38.

For the first time in the contest, the Rebel defense made a stop, holding Waverly to short gains. After one first down, Stanfield lost five on a pass to Bradley, then threw incomplete and forced a punt.

D. Diggs ran twice for no gain before the half ended with McKenzie trailing, 42-14.

Waverly received the second-half kickoff, and Stanfield passed to Jackson for a quick first down to near midfield. Bradley crossed from 47 to 47, then Stanfield went back to Jackson for a touchdown. Tidwell kicked, and the Tigers led, 49-14, just over a minute into the third.

The Waverly kick went out of bounds, and the Rebels started at the 35. D. Diggs ran twice to move the chains, then twice more for a total of six yards. On third down, Jarrett's pass was intercepted by Jackson.

Taking over at the Waverly 43, Tiger Tyler Krzesimowski took four handoffs, moving the chains once before an incomplete pass on third-and-long forced a punt.

McKenzie started at the far 17. A fumble on first down set the Rebels back, then Jarrett's throw was picked off by Tiger Octavian Stewart for a 30-yard touchdown return. Tidwell's kick gave Waverly a 56-14 lead.

The Tiger kick again sailed out of bounds, and the Rebel ran twice for no gain as the quarter ended. Jarret began the fourth with a 16-yard pass to Spivey. Nicholas Bills then took over, running the ball six times for two first downs before fumbling on his seventh carry.

Waverly took over at the 25. Terrance Christman ran three times for a first down, then lost yardage on a penalty and two runs. Another penalty on third down forced a punt.

With just two minutes remaining, Rebel Will Latimer ran three times before time expired.

McKenzie had 233 total yards of offense on 62 plays, including 142 yards rushing. Waverly ran 39 plays for 533 yards, including 146 on the ground.

Rebel quarterback Zach Jarrett was nine of 18 passing for 91 yards with a pair of interceptions. He completed two passes to Cameron Rawls for 32 yards and two to Tyler Spivey for 28.

Tiger quarterback Gavin Stanfield was six of ten for 215 yards and three touchdowns. Starting QB Graham Stanfield was seven of eight for 172 yards and three touchdowns. Michael Jackson led in receptions with three for 110 yards and two touchdowns. Catching a pair of passes each were Trey Tidwell (95 yards, two touchdowns), Colton Cochran (88 yards, touchdown) and Montez Bradley (54 yards, touchdown).

Joseph Miller had 66 yards on eleven carries for McKenzie, while DeAaron Diggs had 13 carries for 40 yards and a touchdown.

Terrence Christman led Waverly with 41 yards on five carries, while Montez Bradley had 28 on four rushes.

Rebel Luke Spivey led his team with four tackles.

Michael Jackson had ten tackles for Waverly, including two for losses. Jacob Smith had nine tackles and one assist.

Reinhardt Dominates Bethel, 33-0 in Rain-Shortened Game

COURTESY DAVE MCCULLEY
Bethel University Director of Sports Information

WALESKA, Ga. (September 23) — In the home opener for the No. 3, the Eagles did not disappoint their fans as they captured a 33-0, weather-shortened victory over the Wildcats.

The Eagles and weather were the dominating factors on the day. The game was stopped at the 2:20 mark of the second quarter because of storms and lightning in the area. After a two-hour delay with lightning lingering in the area, the game was called, giving the Eagles the victory.

Reinhardt dominated the game from the start. The Eagles jumped out to a 6-0 lead on a 19-yard run by Reggie Mack at the 11:16 mark of the first stanza. The extra point was missed. The Mack touchdown capped off a 69-yard drive. Dylan Wiggins hit Ronnie Chambliss on an 18-yard pass play at the 5:53 mark to give the Eagles a 12-0 lead. Nick Marquez nailed the extra point to give RU a 13-0 advantage. Qua Stocks capped a 48-yard drive at the 3:26 mark to give Reinhardt a 19-0 lead. Montrailius Mosley scored from one-yard out to make it 25-0. Marquez made it 26-0 with 14:08 left in the first half. Wiggins hit Chambliss on a 25-yard strike to make it 32-0 at the 12:49 mark. After the Marquez PAT it was 33-0 Reinhardt.

Bethel did not have a first down in their first five possessions and did not record a first down until there was 6:03 left until halftime.

Reinhardt had 340 total yards on offense while Bethel was held to only eight yards in the contest. The Eagles had 21 first downs while the Wildcats had only one.

Bethel fell to 1-3 on the season while the Eagles improved to 3-0.

Bethel returns home Saturday to face Campbellsville at 1:30 p.m.

Bethel Athletics 2017 HOF is October 6

BY DAVE MCCULLEY
Bethel University Sports Information Director

McKENZIE (September 11) — Bethel University will honor three former athletic greats, a contributor and one outstanding former team with inductions into the prestigious Bethel Athletic Hall-of-Fame Friday night, October 6, 2017. The Alumni Awards and Athletic Hall-of-Fame Inductions will be held in the Vera Low Center for Student Enrichment, Crisp Wing. The event begins at 5:30 p.m. with reservations required.

Prior to this year, eighty-two people and two teams had been enshrined into the hall. The 2008 National Championship soccer team was the first team to be inducted at the 2013 ceremonies. The 1970-1971 Men's Basketball Team was enshrined in 2016.

2017 Hall-of Fame Class includes: Hunter Pingston (football), Darren Adderly (football), Bobby Kidd (baseball), 1982 Men's Basketball Team and Linda Hearn (contributor).

Hunter Pingston (07) is a native of Rockledge, Florida and graduated from Rockledge High School in 2003. He now resides in Murfreesboro, Tennessee. He was in Dino Kaklis' first recruiting class as head coach of the Wildcats in 2003. Pingston was a four-year starter who started in 47 consecutive games as a Wildcat. He remains Bethel's career leader in interceptions with 16 and second in career tackles with 318. He was Honorable Mention Mid-South Conference in 2003. He was First Team All-MSC and Defensive Player of the Year in 2005 and 2006. He was named an NAIA All-American those years and Academic All-Conference. He played in the first ever NAIA All-Star Game. Pingston received his degree from Bethel in 2007 and earned his Masters from Murray State University in 2009.

Dr. Darren Adderly (06) is a native of Rockledge, Florida and graduated from Rockledge High School in 2003. He earned his degree from Bethel in 2006 and became a doctor with his graduation from Meharry Medical School in Nashville in 2012. He was in Coach Dino Kaklis' first recruiting class in 2003.

Adderly is fourth in career tackles (255), third in tackles for Loss (28.5), sixth in career sacks (8.5). Dr. Adderly is currently fifth in interceptions with nine. He was second in that category when he graduated. He had 47 career starts as a Wildcat and was a two-time All-conference selection. He was an Academic All-Conference member and played in the first ever NAIA All-Star game. Adderly is currently doing his residence in various hospitals in the Tampa, Florida area.

Robert "Bobby" Kidd (83) was a star two-sport athlete from the Somerset, Kentucky High School class of 1963. He was All District, All Region, and All Central Kentucky Conference member in both basketball and baseball in 1963. He was also All State in basketball that same year.

In his senior year, Kidd hit the winning shot two nights in a row as the Briar Jumpers captured the CKC crown. Kidd was a pivotal player in back to back dream seasons as the Briar Jumpers appeared in the KHSAA State Basketball Tournament in both 1962 and 1963. On the diamond, Bobby was a pitcher and center fielder on the 1962 baseball team that was the first ever from Somerset High to go to the Kentucky State High School baseball tournament. In recognition of his athletic prowess, Kidd received both basketball and baseball scholarships to Georgetown College. He later transferred to Bethel College where he was named all-conference in baseball in 1968. Though Kidd had unquestionable talent he is also fondly remembered for his unassuming attitude and selfless dedication to his team.

Ken Quinton, a 1983 Bethel graduate said, "Winning the Volunteer State Athletic Conference (VSAC) championship was an amazingly exciting time especially beating Carson Newman from the East Division at home in the championship game. Beyond this win, the 82 team had three signature wins against DII Gulf South competition, twice beating Mississippi College and a victory over UT Martin at Martin! He added, "In the decade of the 80s this was an exciting, talented and accomplished team. I was honored to be a part of this team and am thrilled this great team and group of individuals are being recognized."

Linda Hearn has been a member of the Bethel staff since May 2000. She worked part time for a few months in Development after which she started as a full time secretary to the President Robert Prosser. After Dr. Prosser retired she worked for Walter Butler as his secretary and as time passed she became Assistant to the President, Dr. Butler, and she remains in that position to date along with various duties in Development.

Linda commented, "I love all that I do and am so happy to have this responsibility at Bethel University. I love everything about Bethel – I love it is a Cumberland Presbyterian Church School, and I love all the sports and athletic programs. I love all the music, and, most of all, I love the people that I come in contact with every day."

She added, "I could not have been more shocked and pleased than when I was given the letter telling me I had been inducted into the Bethel University Sports Hall of Fame. Go figure – I have never played sports, I did not graduate from College, and here I am. I am so humbled by this honor."

Bethel Sports Information Director Dave McCulley said, "Linda Hearn is as much a part of Bethel as the Wildcat and Purple & Gold. We honor her tonight but yet through the years she has honored this school with her many contributions."

Bethel Director of Athletics Dale Kelley commented, "Linda Hearn has given endless energy and time to Bethel but just as important her heart to Bethel College/University through the years. Attending events and aiding in countless fashions has been her legacy in giving back to the school and athletic department she so dearly loves."

He added, "We are thrilled with all of our inductees. This school is a better place because of their efforts and character."

Mustangs

...From Sports Front

by completing a 17-yard scoring strike to Dallas Willis. Tyrese Mebane's PAT boot was good as the Mustangs led Milan, 7-0, at the 11:07 mark of the first period.

Undaunted, Milan speedster Jacquez Norman caught the Mustang kickoff at the 10 and flew past Huntingdon defenders 90 yards to score. Noah Heidelberg's PAT boot split the uprights as Milan knotted the score, 7-7.

Back on offense, Huntingdon quarterback Pearson kept for a first down before aggressive tackles by Austin Drake, Jamari Weathers and Curt Chandler forced the Mustangs to punt away as Mebane's 43-yard, rugby-style boot led to Willis' tackling the Bulldog kick returner at the Milan 20.

Unable to gain a first down, Milan punted on fourth-and eight as Heildelberg's kick was downed a the Mustang 39 with 6:53 remaining in the first period.

Ramping up offensively, Huntingdon's offensive line began opening gaps in the Milan defense as Lawton gained five yards via counter before Mebane reeled-off a 21-yard gain to the Milan 35. Keeping the ball, Pearson reversed field to move the chains at the Milan 23 before being brought down by Norman. Following gritty, short-yardage gains inside by Lawton and Mebane, Pearson battled for a first-and-goal at the Milan 7. Battling, Bulldog Drake tackled Mebane for no gain before Kade Pearson's pass to brother Kelby Pearson was dropped behind Bulldog coverage in the Milan. Undaunted, Kade Pearson took the shotgun snap and followed a convoy of Mustang blockers to paydirt. Mebane's PAT attempt was wide to the right as Huntingdon retook the lead, 13-7, at the 3:08 mark of the first quarter.

Stymied offensively via the tackling of Mustangs Austin Avery and Devin McClerkin, Milan punted away as Hunter Ensley fair-caught Heidleberg's high-spiraling boot at the Bulldog 31 as Huntingdon led at the end of the first quarter, 13-7.

Milan netted only 10 total yards offensively in the first period to Huntingdon's 97 total yards.

Resuming play in the second quarter, Huntingdon's offensive line continued to open gaps as Mustang Pearson netted a first down at midfield and Elijah Wilkerson raced right side to the Milan 20 as game officials kept time on the field due to game clock failure. Milan's defense fought back as Colton Little tackled Pearson in the backfield for a short loss before Pearson completed a pass to Ensley via crossing pattern for a first-and-goal at the 10. Stiffening, Milan defender Curt Chandler tackled Mebane for a loss of one, Pearson passed incomplete and Lawton was tackled for a gain of two as Cole Edwards trotted onto the field and booted a 27-yard field goal with room to spare as Huntingdon grew its lead, 16-7.

Following Bulldog Demarius Bates' kickoff return to the Milan 19, Norman netted a first down at the Huntingdon 40 before the Bulldogs were forced to punt away with the ball downed at the Mustang 23.

Digging in, Milan's defense stopped Pearson on fourth-and-one as the Bulldogs took possession at the Milan 46.

Benefitting from a 15-yard pass interference call that moved the ball to the Mustang 31, Bulldog fullback Kaelis Siddell raced behind coverage wide-open before dropping a pinpoint spiral from Lockhart at the goal line. However, a personal foul against Huntingdon netted the Bulldogs a fresh set of downs at the Mustang 14. Following short gains by Weathers, Norman raced up the middle to Huntingdon to set up first-and-goal at the two. Following the Bulldog line surge Norman plowed to paydirt and Heidle berg added the PAT boot as Milan narrowed Huntingdon's lead to 16-14 late in the second period.

With time waning in the first half, Huntingdon answered as Mebane returned the kickoff to the Mustang 32, Pearson netted a first down near midfield, and Mebane raced 43 yards to the Milan 12. On the final play of the second quarter, Pearson rolled right in the pocket and fired a touchdown strike to Ensley. Edwards added the Pat boot as Huntingdon led Milan at the half, 23-14.

Resuming play in the second half, Huntingdon utilized gritty rushes by Pearson to march quickly across midfield. Rolling in the pocket from the Milan 32, Pearson fired a completion to Ensley to net a first down at the Bulldog 14. However, Huntingdon's promising offensive drive stalled as Willis dropped a pass at the goal line and Pearson's ensuing pass completion touchdown was nulled via hold. Determined, Milan's defense responded by forcing Huntingdon to turn the ball over on downs at the Mustang 27.

Milan utilized inspired rushes by Norman to cross midfield to the Mustang 30 before a personal foul against the Bulldogs was followed by Mebane's pass interception at the goal line and return to the Mustang 30. As tempers boiled, Huntingdon was flagged for a personal foul at the end of the play to move the ball back to the 16 at the 5:13 mark of the third frame.

During Huntingdon's ensuing offensive drive, both teams received offsetting personal fouls as Huntingdon marched to the Milan 24 before turning the ball over on downs at the Bulldog 24 as the third quarter expired with the Mustangs leading Milan, 23-14.

Milan combined a Lockhart pass completion to Dylan Mayberry and a Mayberry 25-yard rush before coming up short via Heidelberg's 38-yard field goal attempt at the 6:52 mark of the fourth quarter.

On the next play, Mebane broke a tackle attempt by Weathers and raced 80 yards to paydirt. Edwards added the PAT boot as Huntingdon's lead widened over Milan, 30-14.

Energized, Huntingdon combined intense pass rush and a fourth-and seven sack by Joseph Richardson to force Milan to turn the ball over at their 22.

Seizing momentum, Huntingdon scored its final points at the 3:30 mark as Mebane powered right side to paydirt. Edward's PAT attempt was no good as Huntingdon celebrated its physical, 36-14 win over Milan.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
