Hochreiter Resigns From Council Seat

David Hochreiter, McKenzie City Councilman for Ward II, submitted his resignation from the seat in an e-mail to Mayor Jill Holland on Monday, May 22.

David and his wife, Jessica, moved outside the city limits, making him ineligible to continue in his position.

Mayor Holland authorized an advertisement in The McKenzie Banner to fill Hochreiter's seat. The remaining five City Council members will fill the vacancy until the November 2018 elections. Hochreiter was serving his first four-year term.

The mayor requested interested persons, who reside in Ward II, to detail their interests in holding the office.

McKenzie Regional Hospital Purchased by SHS

McKENZIE — SHS Tennessee, LLC ("SHS") signed an agreement on May 12, 2016 to purchase McKenzie Regional Hospital in McKenzie and Henderson County Community Hospital in Lexington.

Strategic Healthcare Solutions LLC ("SHS") is a hospital management services firm located in Dallas, Texas with offices in Houston and Chicago.

Michael Morrical, CEO of McKenzie Regional Hospital said, " SHS is a collection of seasoned and senior healthcare managers and operators with over 100 years of hospital operating experience who work with onsite management to guide, assist and support them to help improve and grow the hospital. In the end, the goal is to continue to deliver local care and economic support to the local community."

Morrical said, "McKenzie Regional Hospital will proudly continue its mission of providing outstanding local care."

Pam Roberts, CEO of Henderson County Community Hospital said, "There are ever-increasing financial pressures on small hospitals as our state and national healthcare landscapes evolve. Infrastructure requirements are increasing and payment models are rapidly changing, especially as we look to a future of population health management. I am grateful for the opportunity to continue providing our community with patient-focused care."

Both organizations anticipate no immediate operational service changes at the hospital.

McKenzie Regional Hospital has 13 active physicians who serve the hospital and 134 full-time equivalent associates. The payroll is approximately $6.5 million.

The McKenzie facility is the lone hospital in Carroll County providing obstetrics. It recently added orthopedic surgery to its offerings.

The hospital opened in 1974 as a city-owned facility. In the early 1980s, Methodist Healthcare of Memphis purchased the facility, then Community Health Systems of Brentwood, and later Tennova and Quorum Health of Brentwood, an affiliate of Tennova.

HUNTINGDON SPECIAL SCHOOL DISTRICT

$748,405 Synthetic Field Bid Approved

$600K in Secured Donations

BY ERNIE SMOTHERS
smothers@mckenziebanner.com

HUNTINGDON (May 18) — During the regular monthly meeting of the Huntingdon Special School District Board of Education, board members, at the recommendation of Director of Schools Pat Dillahunty, unanimously approved the $748,405 bid submitted by Hellas Construction of Austin, Texas to construct a multi-use, synthetic turf playing surface and four-lane running track at Paul Ward Stadium.

Addressing board members prior to the vote, Dillahunty said, "We received complete and partial construction bids from Hellas Construction, Shaw, Martin Paving, Fisher Tracks, Warner's Athletic Construction and Beynen Sports Surfaces. I recommend the complete bid submitted by Hellas Construction. Their price of $748,405 includes the installation of concrete, field base, synthetic turf, asphalt track base and additional asphalt as needed, track surface and logos."

She added, "Playing field demolition, earthwork and concrete will be donated by local construction and not added to the overall contract cost."

Dillahunty added, "Thus far, we have received $600,000 in secured donations and $115,000 in proposed pledges. We are appreciative of the outpouring of support from our businesses and families to make the synthetic field at Paul Ward Stadium a reality."

Concurring, HSSD Chairman Dr. Lee Carter said, "As thankful as we are for the donations received so far, we want to encourage a spirit of perpetual donating so that money will be available when the time comes to resurface the field and pay for future school-related projects. I am proud of the financial support provided by our community to achieve this most-worthwhile endeavor. The new synthetic field will provide various usage opportunities for the school and the entire community."

At the motion of Dr. Tim Tucker, the board unanimously approved Huntingdon High School Principal Dr. Jonathan Kee's request to add Track and Field to the school's spring sports offerings.

Addressing the board prior to the vote, Kee said, "The purpose of providing a Track and Field is three-fold. First, I would like to get more students involved in extracurricular activities. Secondly, students participating in Track and Field that do not participate in other sports offered by the school will have the potential opportunity to garner financial assistance for college via scholarships. Lastly, adding Track and Field would help our school maximize usage of our multi-purpose field and track."

Kee said that interest in the proposed

McKenzie Woman Trapped, Injured in Two Vehicle Crash

Transported to Med In Memphis

McKENZIE (May 19) — According to a report filed by MPD Sergeant Jeff D. Winberry, the officer received a call from dispatch at approximately 3:12 p.m. regarding a two-vehicle crash with possible entrapment. Upon arriving on the scene, the officer observed that a black-colored, 2003 Chevrolet Trailblazer and a silver-colored, 2000 Chevrolet S-10 Pickup truck had collided at the entrance of Dollar General. A witness to the crash stated the driver of the Traiblazer, identified as Corey M. Wilson, 28, Morris Court, McKenzie, possibly did not see the Chevy S 10 driven by Karisa E. Winchester, 25, Hillview Apartments Drive, McKenzie, because he was turning in the Dollar General's entrance as she was exiting the same entrance.

Wilson informed the officer that he was driving Southbound on Highland Drive and did not see Winchester's vehicle pulling out onto the roadway because another vehicle was blocking his sight.

Winberry's report further stated that, due to impact to her driver side door, Winchester was trapped inside her vehicle and required extrication by McKenzie Fire Department personnel. She was transported by ambulance to McKenzie Regional Hospital prior to being transported to the Med in Memphis and treated for internal injuries.

Although Wilson was not injured in the crash, his vehicle, having sustained disabling damage to the center, was transported from the scene by D&D Wrecker Service.

Winchester's vehicle sustained disabling damage to the left side and center and was towed to Jerry's Muffler Shop.

Trezevant Approves First Reading of Next Budget

BY BRAD SAM
brad@mckenziebanner.com

TREZEVANT (May 9) — The Board of Mayor and Aldermen for the Town of Trezevant approved on first reading the budget for fiscal year 2017-18 at Tuesday's regular monthly meeting. Board members also acted on several other matters, including an emergency repair to the sewer system.

The new budget, approved unanimously by the full board, projects the General Fund to have revenue of $388,870 and expenditures of $452,216, which will eat into surplus funds that have built up over the last several years in order to complete some important and overdue projects. The State Street Aid Fund will have revenue of $23,000 and expenditures of $30,500. The Solid Waste Fund is projected to have revenue of $75,000 and expenditures of $66,417. The Drug Fund is expected to bring in $400 with expenses of $1,410. The Water and Sewer Fund is expected to have total income of $753,630 and expenses of $744,566.

Citizens will see the property tax rate hold steady at 71 cents. The board will take a second and final reading of the budget in June.

In other business, Mayor Dennis Mitchell informed aldermen of an unforeseen expense as four of the town's seven aerator pumps at the sewer facility have stopped functioning. The board approved a $13,000 amendment to the current budget and will open bids for the project at a special called meeting at 6:30 p.m. on Tuesday, May 23.

The board also implemented a resolution appointing a Public Officer pursuant to Title 13 of the Municipal Code, which sets the town's policy on slum clearance. The task will fall to Mike Brown, building inspector for the City of Paris.

Aldermen unanimously approved allowing Recorder Kathy Edwards to attempt to purchase a property up for sale at a May 19 auction. The mayor and board hope that the lot could be transferred to the Industrial Development Board and used to build a home for Habitat for Humanity. Edwards will have the authority to spend up to $2,000 and can contact Vice Mayor Bobby Blaylock for approval to spend more.

Alderman Pam Bryant announced that trophies from the Trezevant school had been located in a storage unit in Milan, and that she was looking for a place in town to store the items until they can be displayed properly.

The mayor and board also discussed options to overhaul the town's ballpark. Mitchell pointed out that the National Guard offers its services for such projects, requiring only that the town acquire plans from a civil engineer. Such blueprints could cost $15-25,000, but the mayor noted that, "We've got the money, we just need to get busy."

He added, "If we want to get people playing ball here again, we've got to be proactive as a board before it's too late."

He suggested that he may put out bids in the near future to see what the numbers would look like.

The meeting adjourned in just under an hour.

BETHEL UNIVERSITY SOFTBALL

Ellen Renfroe Reed Announced as New Softball Coach

McKENZIE — Bethel University Director of Athletics Dale Kelley announced Wednesday Ellen Renfroe Reed has been hired as the new softball coach at the school. Kelley said, "We are very pleased to have Ellen join our athletic staff as softball coach. She has made her mark in the sport as a great player at every level. Her success speaks for itself. She also has been a big part of the University of Memphis staff serving as their pitching coach. She has big shoes to fill coming in after Coach Larry Geraldi but we are confident she will do a great job."

Dale Kelley, athlete director, Brad Chappell, assistant athletic director, and Walter Butler, president of Bethel made the announcement on Wednesday, May 17 on the campus of the university.

During the press briefing, Ellen said she is excited to join Bethel University. It is her first head coaching position. She thanked the university for the opportunity and Jesus Christ for guidance in her life.

She said she and her husband, Jon Reed, prayed about the decision to apply for the position that she heard about through a friend. She contacted Dale Kelley and "it happened really fast."

She said she will impress upon her students the need for good academics.

Ellen has family in Jackson, Greenfield, Alamo, Milan and Decatur County.

She and former coach Larry Garaldi have talked about the team. She said she has room to add a few recruits to the team.

Ellen Renfroe Reed just completed her second year as an assistant coach with the University of Memphis after spending the 2014-15 season as a volunteer assistant coach.

Reed had a record-setting career as a pitcher for the University of Tennessee and also played a season with the Chicago Bandits in 2014 and a season with the Houston Scrap Yard Dawgs in 2016, both members of the National Pro Fastpitch league.

Reed comes from a softball family. Her older sister, Ivy Renfroe, pitched at Tennessee. Anna, the younger sister, played two seasons for the Lady Vols, but as an infielder, unlike her two sisters.

In her first year with the Bandits, she garnered three wins and struck out 19 batters over 30.0 innings of work.

Prior to pitching for the Bandits, Reed was a standout pitcher at the University of Tennessee. Nicknamed "The Spin Doctor" by ESPN's Beth Mowins, Reed finished her career at Tennessee with a 1.65 ERA and a 102-25 record. In her four-year career, she threw 84 complete games, 41 shutouts, two no-hitters and struck out 1,005 batters in over 175 appearances. She is one of three Lady Vols pitchers to win 30 games in a single season, joining her sister Ivy.

Reed was a two-time NFCA All-American (2011, 2012), a four-time NFCA All-Southeast Region pick, a three-time Top 25 Finalist for USA Softball Collegiate Player of the Year (2012, 2013, 2014) and a three-time All-SEC selection (2011, 2012, 2014). As a senior in 2014, she went 30-8 with a 2.02 ERA and 245 strikeouts.

A model student-athlete, Reed was named the 2014 Capital One Academic All-American of the Year for softball and the 2014 SEC Scholar-Athlete of the year. She was also a three-time Capital One Academic All-American (2012, 2013, 2014).

During her time at Tennessee, Reed helped the Lady Vols to two Women's College World Series appearances, including a runner-up performance in 2013. Reed's name appears throughout UT record books for her single season and career performances.

Besides helping the Tiger pitching staff, Renfroe has conducted several mini pitching clinics and is renowned for her pitching lessons.

Prior to her fabulous career at Tennessee she was one of the best ever in TSSAA history at Trinity Christian Academy in Jackson, Tennessee.

2010 Gatorade Tennessee Softball Player of the Year, a 2010 MaxPreps Softball All-American selection and a 2010 Second Team ESPN/RISE All-American, Renfroe helped guide TCA to Tennessee Class A State Softball titles in 2006, 2007, 2009 and 2010, a Class A State runner-up finish in 2008 and five consecutive district, regional and sectional championships (2006, 2007, 2008, 2009, 2010)

Helped Trinity Christian Academy register five straight 40-win seasons and an overall school record of 224-19, including a sterling 46-1 mark in 2009 and a 49-2 tally in 2010.

During her senior campaign (2010), Renfroe finished the year 40-2 overall from the circle with a 0.15 ERA, 545 strikeouts and just 14 walks over 271 innings of work.

Wrapped up her interscholastic career with a 0.31 ERA, a 115-9 career mark and 1,335 K's from the circle along with more than 20 no-hitters.

The Jackson Sun selected Renfroe as its 2009 and 2010 All-West Tennessee Pitcher of the Year, 2008 Player of the Year and 2006 Newcomer of the Year while also choosing her as a first-team selection in 2007.

Was a finalist for 2009 Gatorade Tennessee Softball Player of the Year, Renfroe was tabbed to the Tennessee Sports Writers Association (TSWA) Class A All-State squad in 2007, 2008, 2009 and 2010 and also reaped five nods as All-District 15 and a pair of All-District 15 MVP accolades.

Played Gold softball for the Tennessee Fury, the Tennessee Xplosion and the Illinois Southern Force, helping her 16U squad to third place at the ASA Gold Nationals.

Reed is married to Jon Reed, a former Memphis baseball pitcher from 2013-14, and they live in Memphis with their dogs, Maggie and Mya.

TOWN OF BRUCETON

To Pursue State Leachate Contract

BY ERNIE SMOTHERS
smothers@mckenziebanner.com

BRUCETON (May 9) — Following lengthy discussion, Bruceton city fathers, at the motion of alderman Robert Cole and second by Frank McGee, unanimously authorized town mayor Robert T. Keeton III and public works supervisor Brian Edwards to pursue contract negotiations with the Tennessee Department of Environment (TDEC) to accept state pre-treated leachate into the town's wastewater lagoon from defunct Environmental Waste Services (EWS) in Camden.

Addressing the board, Edwards said that a representative of TDEC approached him that morning requesting that he ask town aldermen to consider entering into a contract with TDEC to allow state-tested leachate from EWS to be transferred to Bruceton's wastewater lagoon.

Edwards said, "After EWS filed Chapter 7 bankruptcy in March and closed, TDEC hired Civil and Environmental Consultants (CEC) of Franklin to operate the landfill on a daily basis and do something with the leachate. The state wants to know if Bruceton is interested in taking any of the leachate from EWS. The mayor and I need to know your thoughts about pursuing this. The state man assured me that product would be tested to the max to make sure there is nothing in it."

Keeton added, "Also, the state will be paying for any treatment of leachate that we receive. We need to know that, if the state can essentially guarantee us payment at a price point where we can make some money at and indemnify us for any of the product they bring over contaminating our wastewater lagoon, do you all want to give us permission to negotiate a contract with the state?"

Although EWS owes Bruceton $11,000 in payments for leachate received from its facility, receipt of any funds is doubtful due to the state and a number of large litigants seeking payment from the closed landfill.

Keeton said that, after Bruceton agreed to build a wastewater pre-treatment lagoon in the early 1990's to receive product from H.I.S. prior to the company's relocating to Mexico, the town received its first shipment of leachate from Aquaglass in 1996-97 before ceasing collection a few years later when leachate receipts dwindled.

Edwards added, "Bruceton began accepting leachate again a few years ago after Waste Management prodded then-mayor Scott to re-start pre-treatment. After the town spent about $15,000 getting the wastewater lagoon in compliance with all state rules and regulations, they (Waste Management) left us hanging by not signing a contract with us."

He added, "Bruceton has deactivated its wastewater lagoon once or twice in the 25 years I've worked here because it costs $3,000-$4,000 per year to maintain a pre-treatment facility and run extra tests even though only domestic sewer is being introduced into the facility. If we (Bruceton) are not going to pursue the leachate contract with the state, I think we need to get out of the pre-treatment business because of the extra expense to the town."

Vice-mayor Cliff Sturdivant asked Edwards if revenue generated via the TDEC contract would profit the town.

Edwards said, "Based on the financial numbers the state gave me this morning, the town would definitely generate profit from pursuing the contract."

Responding to Cole's query, Keeton said the TDEC contract could potentially generate roughly $5,000-$6,000 per month in revenues for the town.

Cole asked, "If we approve the state contract with the state, what responsibility is expected from our employees?"

Edwards replied, "Mostly dealing with headaches such as keeping a paper trail, making sure the lagoon manhole is locked up when not being used for off-load and taking random samples to make sure TDEC is doing exactly what they said they would do."

Edwards added, "TDEC has installed two, 22,000 gallon batch tanks at EWS to monitor the product. TDEC said they will fill a tank, perform chemical treatment, and pull their chemical analysis while they are filling up the second tank. They will review test results to make sure everything is clean and clear before they start off-loading the 22,000 gallons. The state essentially has to take care of the leachate problem because they were the ones that created it. Somebody dropped the ball on them, and they have to clean things up."

Edwards added, "The state man is setting on 80,000 gallons of leachate at EWS that has to go somewhere. He offered to send us 1,500 gallons per day. He also said the state would test the product to the max before it touched our lagoon. However, our receipt of leachate on a regular basis depends on the amount of rainfall and whether they can seal the collection cell at EWS. The EWS cell doesn't have the protective double lining beneath it or a covering on top like the cell Waste Management operates."

Sturdivant, "Are there any other towns currently considering receiving leachate from the state?"

Town attorney Michael King said the state has guaranteed money set aside to fund the leachate removal for approximately ten years.

Alderman Scotty Higdon said, "If we can make some money from the contract with the state, it would be worth the extra paperwork and headaches. But, all of this hinges on whether everything holds true."

Keeton said the only saving grace of the proposed leachate contract centers on TDEC's confirming payment and obligating itself to fix the town's lagoon if they damage it.

He said, "If the state puts 'bad juice' in our lagoon and tears it up, they will be required to fix it. We have to have assurance of that and for a couple more big 'if's' before we move forward. I'm asking the board to authorize Brian and myself to address our concerns to TDEC and attempt to negotiate a financial contract sufficient to meet our needs."

King said that, whether the town pursues leachate collection or not, it is best to contract with the state due to assurance of payment.

Edwards added, "I about made the state man mad today because I told him I didn't trust him any more than anybody else because you just can't trust people with leachate. I'm sorry, but it is just that way. We have to know for certain that things are being done right."

In other business, the board, via 4-1 vote with Cole casting the lone vote against, approved the first of two readings of the amended 2016-17 municipal budget.

The first of two readings of the 2017-18 municipal budget was also approved via 4-1 vote with Cole casting the lone vote against.

The board approved via 4-1 vote with Cole voting against authorizing Keeton to negotiate a reasonable price with a local car dealer to bid for the towns at auction for two trucks for the Water and Sewer Department.

Following debate, the board, via 3-2 vote with aldermen Cole and Frank McGee voting against, authorized Edwards to pursue bids for a new backhoe to replace the 12-year-old backhoe currently used by the town.

Prior to the vote, Edwards said McKeel Equipment of Murray had provided an estimated, non-bid price of $104,000-$107,000 for a new backhoe meeting all of the town's requirements.

CARROLL COUNTY E911 BOARD

McKenzie Requests Radio Equipment

Information courtesy of Crystal Sullivan

The Carroll County E911 Board of Directors met on May 16 for its regular scheduled meeting.

Chairman Willie Huffman, Secretary Janice Newman, Treasurer Larry Elliott, Terry Bradshaw, Danny Brawner, Roger Christian, Steve Price, John Mann, Director Kristy Meggs and accountant John Wright were present. Vice-Chairman Andy Dickson was absent.

Guests at the meeting included McKenzie Mayor Jill Holland, McKenzie Police Chief Craig Moates, and Town of Huntingdon Safety Director Walter Smothers.

During public comments, McKenzie Mayor Holland, speaking on behalf of the City of McKenzie, informed the board that McKenzie would be requesting the 911 board purchase new radios and radio equipment for the city.

She advised that MPD Police Chief Moates would submit the request with equipment quotes and added her wish for the request to be added to the agenda at a future 911 board meeting.

In New Business, Accountant John Wright presented the proposed budget amendments for the fiscal year ending June 30, 2017. Terry Bradshaw made a motion to accept with Janice Newman seconding. Roll call vote was taken with all present members voting yes.

Director Meggs presented the proposed budget for the fiscal year ending June 30, 2018. She advised the board that the budget committee passed the proposed 2017-18 at its May 12th meeting and recommended that he present to the committee. Terry Bradshaw made a motion to accept the budget as recommended with Janice Newman seconding. Roll call vote was taken with all present members voting yes.

In Old Business, Meggs advised the board that it should move forward with making decisions regarding the purchase of a new CAD. The board was advised that a request for proposal (RFP) should be created and released. Meggs suggested hiring a consultant to help with the RFP process and that a cost estimate had been obtained from Mission Critical Partners between $40,000 and $45,000.

She further advised that she would attempt to create an RFP without the help of a consultant, but would request the board consider again hiring a consultant if the task deemed too substantial. John Mann made a motion to move forward and release an RFP for a new CAD. Janice Newman seconded. Roll call vote was taken with all present members voting yes.

During Director's Report, Meggs informed board members that the annual TENA Conference in Murfreesboro was September 24-27.

She updated the board on Power Phone and advised that certification of all dispatchers to utilize the communications upgrade was nearing completion and that installation to the server was complete and installation on each workstation would commence May 18th.

She added that complete system implementation of Power Phone will be completed in six weeks.

Mail carriers Brooklyn Sykes, Amy Fowler and Jimmy Putman represent the mail carriers who participated in the annual Postal Service food drive. The containers are filled with non-perishable foods donated by McKenzie postal patrons.

USPS Food Drive Aids United Neighbors

The United States Post Office at McKenzie collected approximately 4,000 pounds of non-perishable food from postal patrons during its annual food drive on Saturday, May 13. Local mail carriers picked up the food items left at the mailboxes by postal patrons.

Every second Saturday in May, letter carriers in more than 10,000 cities and towns across America collect the goodness and compassion of their postal customers, who participate in the NALC Stamp Out Hunger National Food Drive — the largest one-day food drive in the nation.

Led by letter carriers represented by the National Association of Letter Carriers (AFL-CIO), with help from rural letter carriers, other postal employees and other volunteers, the drive has delivered more than one billion pounds of food the past 24 years.

Carriers collect non-perishable food donations left by mailboxes and in post offices and deliver them to local community food banks, pantries and shelters.

New revenues for each of the cities as the fuel tax incrementally increases.

construction and maintenance.

Fuel taxes will increase on July 1. Gasoline taxes will increase four cents per gallon in 2017 plus additional one cent each July in the years 2018 and 2019 to a maximum of six cents increase per gallon in years 2019 and later. That is in addition to the current 21.4 cents per gallon state gasoline tax.

Diesel fuel increases 10 cents per gallon on July 1 2017 and does not increase in future years. That is in addition to 18.4 cents per gallon now. Regardless of what state truckers purchase their fuel, they pay road taxes to the state of Tennessee based on the number of miles traveled within the state.

Off-road vehicles, such as farm tractors, do not pay the road-use tax.

The IMPROVE is an acronym for Improving Manufacturing, Public Roads and Opportunities for a Vibrant Economy. It is a mix of tax cuts on groceries, Hall Income Tax, and franchise and excise tax on business and industries.

The legislation cuts business taxes for manufacturers ($113 million) by allowing them to go to "single weighted sales factor." Tennessee is currently at a competitive disadvantage for manufacturers, losing several candidates recently because of it.

It cuts the sales tax on groceries by another half percent ($55 million), bringing the total cut of this tax under the Haslam administration to $101 million. It is estimated Tennessee families will save more at the grocery store than pay additional at the gas pump.

It cuts the Hall income tax 1.5 percent this year with a commitment to cut it another 1.5 percent next year (3 percent, $102 million).

It increases car registration fees by $5 for the average passenger vehicle and places a $100 annual fee on electric vehicles and increases charges on vehicles using alternative fuels.

Carroll County projects include: the completion of the four-lane highway between McKenzie and Milan. It will be completed in phases, the first construction is from Gibson County (Milan area) to Cutlip Lane on the McKenzie side of Trezevant. This four-lane highway is scheduled for construction in fiscal year 2020. The portion between Cutlip Lane and McKenzie (Sydnor Road) is not yet scheduled.

The state highway projects are: a bridge on Hollow Rock Branch Road ($437,000); a bridge on Reedy Creek Road over Reedy Creek ($1,043,000), and the completion of U.S. 79, State Route 76 between McKenzie and Milan.

Road Commissioner Scotty Bailey said a bridge on Renfroe Road needs replacing. He said the Carroll County Highway Department is happy to receive the additional funding (see chart) because several rural roads need attention and the county has not had funds to keep up with needed maintenance.

Over his 23 years at CCHD, Bailey said the department has reduced its workforce from 54 employees to 30 and all roads are now hard surfaced, except approximately 10 miles.

The county of Henry will receive $420,090 additional in year one and Paris will receive an additional $59,491 in year one.

The county of Weakley will receive $429,179.71 additional in the first year. Dresden will receive, $17,602.55 and Gleason $8,464.45 in the first year.

Field

...From Front Page

Track and Field Team yielded 78 high school student signings.

He said, "After I conducted interviews with students about the proposed high school track and field program, 13 freshmen, 27 sophomores, 20 juniors and 18 seniors signed up. The student's response verified to me that they would participate in this sports program."

Dr. Tim Tucker asked, "Can we host Track and Field meets with only four track lanes?"

Kee replied, "Yes. I think we should start our program in a limited manner so that we can learn and grow into the sport. Our first year, I recommend that we do not host events. When we do host events, limit the events to relay, dash and shotput and expand the number of events over time."

Kee said that local schools with competing Track and Field teams include McKenzie, Dresden, Milan, Lexington, Humboldt, TCA, Liberty Tech, Madison Academic, South Gibson, South Side, North Side, JCS, Halls, Dyersburg, Crockett County, Union City, Lake County and Adamsville.

Tucker asked Kee how much cost would be involved in starting a Track and Field program.

He replied, "The total estimated amount is $5,240. That includes uniform and shoes, meet fees, equipment such as blocks, shot puts, batons, discus, travel and a coaching supplement.

Tucker responded, "I am for adding Track and Field to our sports programs, but I recommend that the board re-evaluate the 2008 policy we utilize to start up new sports teams. I think it is time for us to examine the policy and see if we can tweak it in order to make it work more effectively. We need time to plan for implementing this and other sports. Much of the financial burden for implementing school sports teams is borne by our business owners, and we need to look into ways to better fundraise and shift the financial burden."

Discussion of start-up sports policy was tabled to the June 15 meeting.

Carroll County Coordinated Health Assistant Director RaSha Higdon provided an insightful presentation to the board regarding various health and dieting-related initiatives provided to area students via the program.

At the motion of Tucker, all tobacco use was banned from Huntingdon school campuses, sports fields and physical property.

Carter said, "This zero-tolerance ban prevents people from stepping out the front door of our school gyms and smoking on school property. It also eliminates smoking in entirety at football, baseball and softball games, graduations and school-related events. Smoking sections are eliminated, and smoking benches are now a thing of the past."

Discussion of adding additional transportation for shuttling of sports teams and school groups to events was tabled until the June 15 meeting.

In final business, the board approved the following consent agenda:

A. Approve the April balance sheets and minutes from April 20 meeting.

B. Approve the 2017-18 Huntingdon School District staff development calendar.

C. Approve the following assignments: Alan Eubanks-HPS Principal; Scott Carter-HMS Principal; Jonathan Kee-HHS Principal; Angie Bunn-Supervisor of Instruction and Special Education; Steve Peery-Supervisor of Federal Projects and Attendance; Jean Caton-Food Service Supervisor.

D. Acknowledge the employment of certified staff members for the 2017-18 school year.

E. Acknowledge the employment of non-certified staff members for the 2017-18 school year.

F. Acknowledge the employment of: Candace Maness-first grade; Angel Newsome-first grade; Dana Parish-special education-HMS; Dylan Poole-HHS History / basketball; Samantha Ray-second grade; Ashley Villalobos-sixth grade; Jacon Warbritton-HHS History / football.

G. Acknowledge the retirement of longtime educator Martha Clement.

H. Next school board meeting Thursday, June 15 at 7:00 p.m.

McKenzie, Huntingdon Industrial Boards Host Meet, Greet

HUNTINGDON (May 16) — The members of the McKenzie Industrial Board and the Huntingdon Industrial Board hosted a meet and greet at Mallard's Restaurant on Tuesday, May 16. There was no business conducted, however, members of each board had the opportunity to sit and dine with members of the other board.

It was a time for members of the Huntingdon Industrial Board to meet Frank Tate, the new industrial developer for the McKenzie Industrial Board. It was possibly the first time that both board ever held a joint event.

McKenzie Mayor Jill Holland, Huntingdon Mayor Dale Kelley, County Mayor Kenny McBride and Chamber of Commerce President Brad Hurley were guests at the dinner.

HUNKER DOWN WITH KES

Some Gave All

Dr. Joseph Warren is quite possibly the greatest American patriot no one remembers today. He was born too long ago…and he died too early to be enthroned with the likes of George Washington, Thomas Jefferson and John Adams. And, adding to his anonymity, there's never been a made for TV movie bringing to light his contributions to the independence and freedom we so highly prize today.

But, let me tell you, there was a time!

Dr. Warren met in Boston's famed Faneuil Hall with Samuel Adams, John Hancock, James Otis and others on the night of November 29, 1773, to discuss the harsh "Intolerable Acts" the British Government had leveled against the Colonies. They decided one thing for sure, they'd throw that East India Company's whole shipment of tea in the harbor before they paid one cent of duty on it!

History records that seventeen days later a group of patriots (some dressed as Indians) boarded three separate East India vessels and dumped 342 chests of tea into the water. We have no way of knowing if Dr. Warren was an active participant, but I would not bet against it!

Dr. Joseph Warren was chosen over Hancock, Adams, etc., to stand again in Faneuil Hall on March 5, 1775, and deliver the Commemorative Address on the fifth anniversary of the "Boston Massacre". He purposefully reminded the gathered patriots that American blood had been shed on American soil. It didn't seem to bother the good doctor that Boston was crawling at the time with British Redcoats determined to quash any hint of rebellion.

Joseph Warren was American through and through. He was a direct descendant of Richard Warren, who landed on the Mayflower and was, in fact, the twelfth signer of the "Mayflower Compact". Joseph was born in Roxbury in the heart of the Massachusetts Bay Colony. He was educated at Harvard. He was recently a widower, with four children to care for. And he had a substantial medical and surgical practice.

He was well thought of by the British "powers to be" in Boston. He was a leading citizen among the masses. He could have prospered with the status quo. But Dr. Warren wasn't a "status quo" kind of guy. Something was amiss. And it centered on individual rights, freedom, taxation without representation and King George's high handed directives from "afar off".

Joseph Warren found time between patients to be a member of the "Sons of Liberty" and the "Committee of Correspondence". He was appointed President of the Massachusetts Provincial Congress. He wrote poems and essays about the strength, dignity and rights of the American people.

On the night of April 18, 1775, he ordered two lanterns to flash in the steeple of the Old North Church. He sent Paul Revere and William Dawes on a midnight ride to warn Hancock and Adams that British General Thomas Gage was sending troops to Lexington to arrest them and to destroy the arms stored there.

And then, for someone in command, he did a stupid thing. He found a horse and hurried towards Lexington. If it was time to fight, count him in! He was among the patriots "harassing" the British troops on their return to Boston.

He arrived at Bunker Hill on the fateful morning of June 17, 1775, recently appointed a major general in the fledging Continental Army. When Colonel William Prescott implored him to take command, he steadfastly refused. "Where will the fighting be the fiercest?" was his request. He was pointed down to Breed's Hill…where he had a first hand look as the British redcoats lined up for the charge. No one had to remind him or his wide-eyed cohorts on this particularly warm June morning that they were facing the largest and best equipped fighting force in the world.

The resolute patriots repulsed the first charge. And they sent the second charge dithering back down the hill from whence they came. With their ammunition almost exhausted everyone on Breed's Hill knew the next charge would be the last. They had made their point. They would fight. The whole world would know what happened here. They could, and should, retreat with dignity.

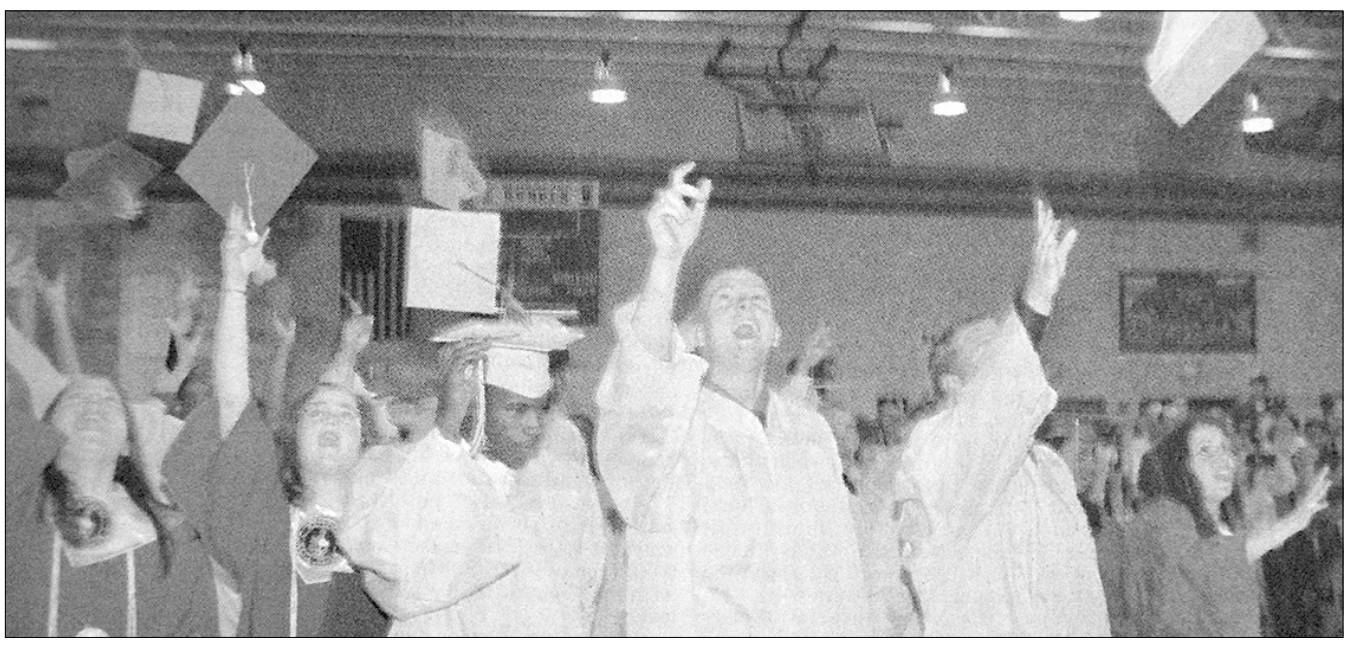

Dr. Warren wasn't fighting for the whole world. This was "our" land. He was fighting for a future that he suddenly had to realize he would never see. But he wasn't inclined to give an American enemy one inch!

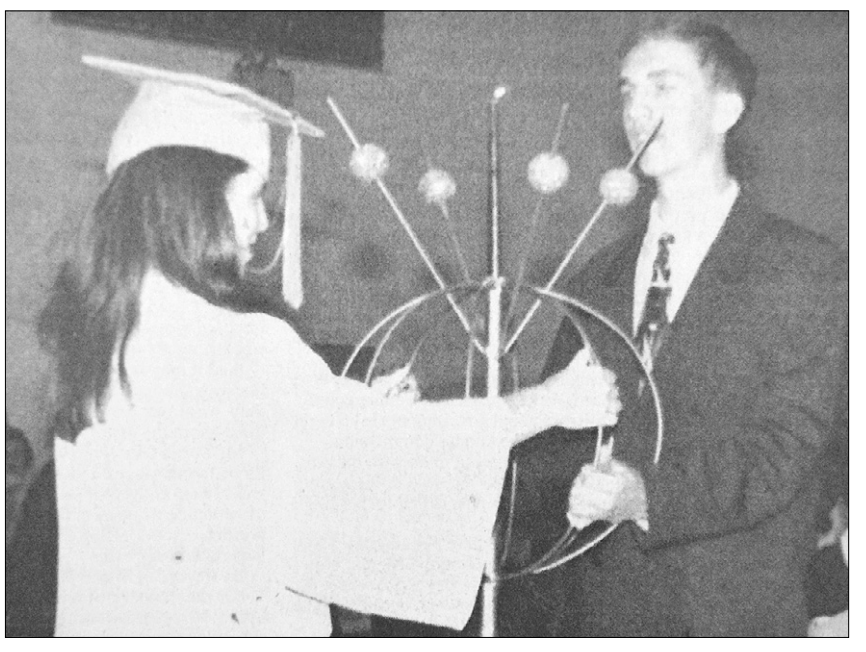

The third wave rolled over the stalwart patriots. Joseph Warren had celebrated his 34th birthday just six days earlier. The bullet that ripped through his skull was silent and efficient. And eternal.

You talk about standing up for America! Dr. Joseph Warren WILLINGLY hunkered down in a small dirty trench, fought his heart out, and died for a nation he loved with a fever and passion that only the American soldiers that have walked in his shoes down through the ages can understand.

Of such men Memorial Days are made.

Respectfully,
Kes

OBITUARIES

Obituaries

MARY LOU JOHNSON
1919 — 2017

McKENZIE — Mary Lou Presley Johnson, 97, died May 20, 2017 at McKenzie Healthcare and Rehab. She is survived by her son and daughter-in-law, William Paul and Geneva Gilliam Johnson of McKenzie and her sister-in-law, Joy Presley of West Bend, Wisconsin.

She was born Nov. 22, 1919 and graduated from McLemoresville High School. She was preceded in death by her parents, Frank James and Mamie Moore Presley and brothers, Jamie William and Franklin Leon Presley. She was a member of Bethel Baptist Church in McKenzie after moving her membership from Hopewell Baptist Church at Lavinia where she was buried near family.

Her funeral was May 22 at Brummitt McKenzie Funeral Home with Bro. James Hazlewood officiating.

She became a single parent when her son was young before it was common for a woman to be the head of the household and sacrificed needs for herself in order to support him and to help him have a better future through education.

She was very patriotic, supporting the country in times of war and crisis. She worked at the Milan Arsenal during three wars and retired from there in 1982 to care for her parents in poor health until their deaths in 1984 and 1988.

She was a sentimental person with a kind and loving spirit, giving both her time and donations to various causes from her meager finances. She supported many charitable organizations and worked as a volunteer for the hospital in McKenzie and for the American Cancer Society as well as for various other causes. She was always ready to take food to grieving families and to those in need.

She helped in the care of her daughter's-in-law father during his long illness. She was an adoring and devoted mother to her son and also her daughter-in-law, calling both of them "my children".

Pallbearers were Jerry Crocker, Rommie DePriest, James Marshall, Gerald Spain (honorary), Jimmy Trevathan, and Michael Trevathan.

LESLIE ANN BARTHOLOMEW HALL
1960 — 2017

HUNTINGDON — Leslie Ann "Les Ann" Bartholomew Hall, 56, of Huntingdon Tennessee, died peacefully on May 17, 2017.

Les Ann was born at Deaconess Hospital in Oklahoma City, Oklahoma on June 22, 1960. She was the daughter of Lester I. Bartholomew, Bertha M. (Taylor) Bartholomew, and Vivian (Harris) Bartholomew. She grew up on her family's farm in rural Osage County, Oklahoma. Les Ann attended school and graduated from College High in Bartlesville, Oklahoma. She pursued an education in nursing through several college classes at Rogers State University and Oklahoma Wesleyan before devoting her life to raising her three children.

Les Ann was proud of her Choctaw heritage. She enjoyed the outdoors, animals, telling jokes, and singing. She loved reciting poetry and Bible verses, spending time with her children, doting on her grandchildren, and serving others. She was an artist and equestrian in her formative years as well as an excellent sheep shearer.

Les Ann spent most of her life in Oklahoma before moving to Tennessee when her children were in college and beginning their own families. In Tennessee she met her husband Freddie Hall. They were married January 11, 2008 and she resided with him on their small farm in Huntingdon.

Les Ann is survived by her husband, Freddie; children Michelle (Alan) Gill of Miami, Texas, Jonathan (Angela) Clayborn of Carrollton, Texas, Jessica (Anthony) Hargrove of Bartlesville, Oklahoma; brothers Marty (Cheryl) Bartholomew of Bartlesville, OK, Jim (Terry) Bartholomew of Moore, Oklahoma; nieces and nephews Jason, Christy, Tony, Martin, Marilyn, Sharla, Sommer, and Colton. Les Ann's grandchildren Mckenna, Payton, and Cassidy of Miami, Texas were the light of her life and her pride and joy. She was preceded in death by her parents and several dear aunts and uncles.

Celebration of Life services are Saturday May 27 at 11:00 a.m. at Disciples Christian Church, 5800 Douglas Lane, Bartlesville, Oklahoma. Since Les Ann always enjoyed cooking and entertaining, lunch will also be served at the church directly after her service.

In lieu of flowers memorial donations may be given to: the Brain and Behavior Research Foundation, the National Alliance for Mental Illness, the American Diabetes Association, or Agape Mission of Bartlesville. The immediate family of Leslie Bartholomew wishes to thank her team of doctors, the staff of Tennova Hospital in Jackson, Tenn., Melissa Hopper of Union University in Jackson, Tenn, and the multitude of extended family and friends who have offered comfort and support.

BMH-HUNTINGDON OFFERING DIABETES PREVENTION PROGRAM

Baptist Memorial Hospital-Huntingdon is offering a free diabetes prevention program, Prevent T2, to Tennessee residents who meet certain criteria. It is designed to help those most at risk for diabetes and provides the tools needed to make healthy lifestyle choices. For 16 weeks, participants will meet weekly with program participants for weigh-ins, learn how to make healthier food choices, and exercise at least 150 minutes per week. These lifestyle changes may help participants lose weight, and have proven to reduce the risk of developing Type 2 diabetes by 58% in people at high risk. At the end of 16 weeks, you will then meet once a month for the next six months for support and to ensure successful habits take hold. The Diabetes Prevention Program is a part of the Centers of Disease Control and funded by the Tennessee Department of Health Project Diabetes Grant. Sign up today by contacting Cindy Cole, RN, at 731-986-7096 or cindy.cole2@bmhcc.org.

Carroll County Relay For Life is June 23

This year the north and south areas of Carroll County have joined forces to help save lives from cancer.

The Carroll County Relay For Life General Committee and Relay For Life teams have been hard at work since November making plans for this year's Relay For Life, scheduled for Friday, June 23.

Co-chair Melissa Baker of McKenzie invites everyone to the Carroll County Civic Center in Huntingdon beginning at 4 p.m. During the night, there will be live entertainment, food and lots of activities.

Co-chair Billy Harris said, "With every dollar raised, you are helping the American Cancer Society be there for those affected by cancer in our community."

Wayne Burlison, another co-chair for this year's event, wants everyone to know "my father experienced firsthand how the funds from Relay For Life help cancer patients." Mr. Burlison stayed in the Hope Lodge in Nashville when he was undergoing treatments, and about every three months, they, along with other Relay For Life team members, make a special trip back to supply a home-cooked meal.

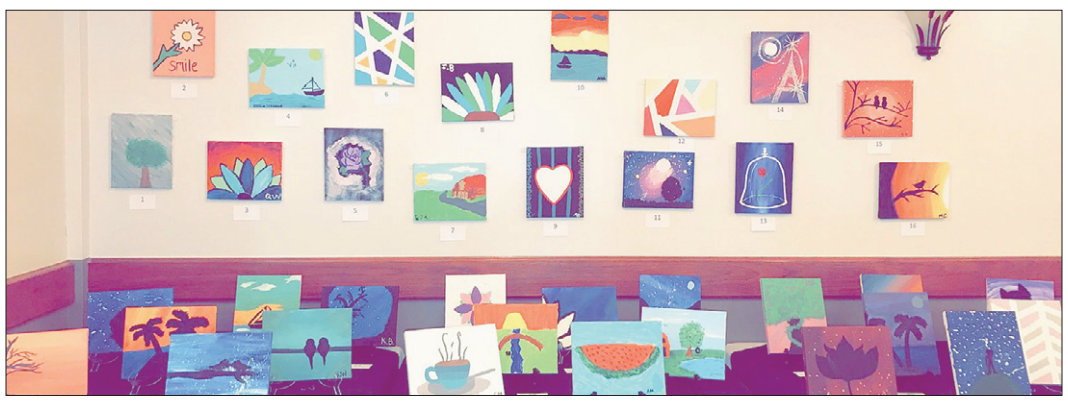

For more information, or if you would like to be a part of Carroll County Relay For Life, contact Billy Harris at 731-415-1254. Visit our Facebook page at Carroll County Relay for listings of upcoming events.

Members of the General Committee make plans for the big night. Pictured from left are Melissa Baker, Billy Harris, Melissa Tucker, Nelda Rich and Sherrye Washburn.

Above, Art Winners (L to R): First Place Winner Amarion Gordon, Second Place Winner Haley Price, and Third Place Winner Lauren Williams. Below, Thirty-six Huntingdon High School student art entries on display at Huntingdon Health and Rehabilitation.

Huntingdon Health and Rehab Hosts First High School Art Contest

McKenzie Elementary Hosts Career Day

McKENZIE (May 18) — Third and fourth grade students at McKenzie Elementary welcomed some special visitors Thursday morning for Career Day. Each classroom was visited by a family member of a student, who spoke briefly about their job, explaining what they do and why. Pictured, from left are the participants: Clara Weatherford, Centennial Bank; Brad Sam, McKenzie Banner; Rita Brandon, McKenzie Special School District; Kevin Milton, McKenzie Elementary School; Ruth Carroll, Bethel University; Kim Gilmore, Centennial Bank; Brennan Marr, McKenzie Fire Department; Ashley Beeler, Beeler Insurance; Allen Brown, HTP Termite and Pest Control; and Stacie Browning, LuluBelle's Florist.

Kid College Returns to UT Martin

MARTIN — The annual University of Tennessee at Martin Kid College experience returns to the main campus June 12-16 for another round of summer fun. Classes are enrolling now for children entering kindergarten in fall 2017 through those entering the fifth grade.

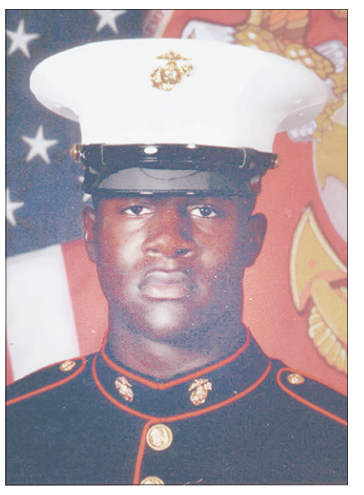

Parents can register each child for up to five courses, and the registration fee is based on the number of courses selected. The base fee is $30 for the first course and $25 per course for each additional section. Some courses also have supply fees, which are payable to the course instructor on the first day of Kid College.

Classes for kindergarten through second grade include junior space camp, dance camp, drawing, softball, karate, messin' with mixtures, simple machines, chemical reactions, bowling, choir and many others. Students in third through fifth grades can choose many of the same topics, with the addition of several age-appropriate courses.

Specific course descriptions, schedules, additional information for parents and registration materials are available online at utm.edu/departments/nondegree/martin.php. Scroll to the bottom and select "kid college" from the menu of children's courses.

Wednesday will again be picture day, and all students are encouraged to wear their UT Martin Kid College T-shirt, which is included in the price of registration. June 16 will end with Kid College Open House from 4:30-6:30 p.m., during which family and friends are invited to view the work completed by students throughout the week.

For more information or for assistance registering, contact Debbie Mount, UT Martin Office of Educational Outreach, at 731-881-7104.

Looking Back
From Our Archives...

10 YEARS AGO — High School Baseball: Huntingdon claimed the Region 7A Championship with a 1-0 win over McKenzie. The Mustangs advanced to the state tournament with a 6-3 sectional victory over Adamsville. The Rebels' season ended at the sectional level as they fell, 10-4, to Jackson Christian.

*High School Softball: The Huntingdon Fillies ended their season with a 4-0 sectional loss at Trinity Christian Academy.

*McKenzie's Mark Cole, Samantha Doster and Hannah Scruton each qualified for the state track and field meet during sectionals competition at the University School of Jackson. Cole finished first in the 3,200-meter run; Doster was second in the discus throw; and Scruton was second in the 1,600-meter run.

20 YEARS AGO — The All-District 13A Softball team included Lady Rebels Jessica Nolen, Cassie Russell, Nichole Brown, Emily Eisenmenger and Kristi Lewis.

*The All-District 13A Baseball team included Rebels Mat Kee, Nick Young, Adam Walker and Clay Boyd.

*The All-District 14AA Baseball team included Mustangs Josh Fronabarger, Kris Bennett, Nick Rich and Most Valuable Player Nick Dillahunty.

*High School Baseball: The Rebels claimed the Region 7A Championship in a 5-4, ten-inning over South Fulton, but saw their season end with a substate loss to Jackson Christian, 12-2.

Former Rebel Daniel Duncan Hired As Scotts Hill Head Football Coach

New Scotts Hill Head Football Coach Daniel Duncan.

REAGAN (May 19) — Following one year as an assistant football coach for the Scotts Hill, former Rebel standout athlete and Huntingdon Mustang assistant coach Danile Duncan accepted the head coaching job for the Lions vacated via the departure of head coach Michael Stroup to University School of Jackson.

The son of Hollow Rock-Bruceton Special School District Director of Schools David Duncan, Daniel stated that he was not interested initially in leaving Huntingdon High School for an assistant football coaching position at Scotts Hill. However, after prayerfully seeking God's lead, he accepted then-head coach Stroup's invitation.

Ten months after joining Scotts Hill's football program, Duncan now occupies the Lions head coaching seat.

The McKenzie High School graduate credits his success in sports to the many talented players he has coached. He coached middle school football and basketball at Lexington, varsity football and tennis at Huntingdon, and has had his hand in helping coach football and softball at Scotts Hill.

Lexington Middle School basketball won the TNT State Tournament when he coached them. He led the Mustangs' tennis program to Spring Fling in consecutive years. He was on staff in 2012 when the Huntingdon football team came within a few seconds and one play of a Class 1A state championship in Cookeville. He helped the Lady Lions softball team get to their second straight state tournament this season at Scotts Hill.

Regarding his new job as Lion skipper, Duncan said he will adhere to what has made Scotts Hill football successful in recent years with little variation.

However, he must quickly hire an offensive coordinator via Tommy Browder's departure to USJ with Stroup.

Lady Rebels Fall to Union City, Advance to Sectional as Runner-Up

BY BRAD SAM
brad@mckenziebanner.com

UNION CITY (May 17) — Both teams having already punched their ticket to the sectional round, the McKenzie Lady Rebels went on the road Wednesday to face the Lady Tornadoes for the Region 7A Softball Championship and a favorable match-up on Friday.

The Lady Rebels had more hits at 5-4, and pitcher Audrie Washburn had a better stat line than her counterpart, but the Lady Tornadoes scratched out more runs to claim a 4-1 win and the region title.

The loss directed McKenzie to a sectional contest against Scotts Hill.

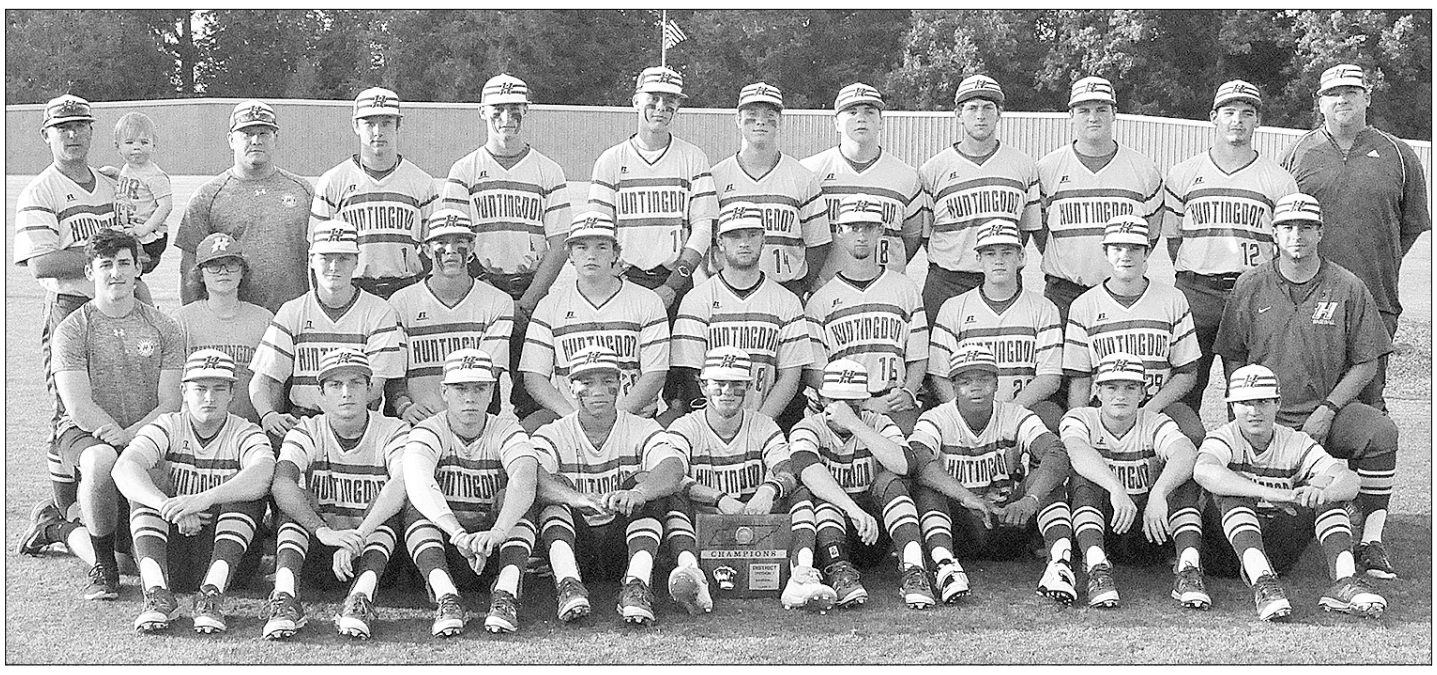

Union City scored three in the bottom of the third and another in the next inning before McKenzie responded with a run in the top of the fifth. The game was called after six innings as storms began to bear down on the area.

Lady Rebel Shelby Tucker was 2-for-3 with a double and a walk. Audrie Washburn was 2-for-3 with a stolen base. Jenna Tucker was 1-for-1 with a walk and a run scored.

Lady Tornado Olivia Matherly was 1-for-3 with a double and three RBIs. Brianna Johnson was 2-for-2 with an RBI and a run scored.

Taylor Crittendon claimed the complete-game win for Union City, allowing one earned run on five hits while striking out five and walking a pair in six innings of work.

Audrie Washburn took the complete-game loss for McKenzie, allowing four runs (none earned) on four hits while striking out ten and walking just one in six innings.

Mustangs Statebound!

Eliminate Defending State Champion Lions, 6-2

SCOTTS HILL (May 19) — In Class A high school baseball sectional action, the Huntingdon Mustangs (27-6), smoldering from a tough, 8-5 Region 7A championship loss to Peabody the previous day, eliminated defending state Class A champion Scotts Hill, 6-2, to advance to state tournament action in Murfreesboro against the Gordonville Tigers (28-12) at Riverdale High School on Tuesday, May 23 at 6:30 p.m.

In the win or season-end victory over Scotts Hill, Huntingdon was led via the RBI production of Kyle Lutz (2), Josh Coleman (1), Ben Clifft (1) and Elijah Wilkerson (1) and clutch pitching of Hunter Ensley (four strikeouts, five walks, four hits and two runs in seven innings.

Lion hurler Evan Russell struck out four, walked one and surrendered nine hits and five earned runs in five innings to absorb the season-ending loss.

Huntingdon plated one run in the top of the first via Wilkerson single to center and the second via Coleman single through the gap at second to lead Scotts Hill, 2-0.

Answering, Lion Drake Thompson singled down the third baseline with two outs and advanced to second via Mustang pitcher Ensley's balk as Konner Pearcy advanced to third. Stepping to the plate, Brady Moore ripped a hard grounder to left to plate Pearcy and Thompson to knot the contest, 2-2.

In the top of the third, Mustangs Kade Pearson and Elijah Wilkerson singled with one out before Ben Clifft flew out to deep center for the second out. Digging in, Kyle Lutz doubled to center to plate Kade and Kelby Pearson before scoring via outfield error as Huntingdon took the lead, 5-2.

Scotts Hill placed baserunners on first and second in the bottom of the third with one out before Ensley struck out Hunter Branham swinging and Pearcy lined-out to second.

Following a scoreless fourth inning for both teams, Huntingdon added one run in the top of the fifth as Ensley scored via Clifft sacrifice grounder to second to widen its lead over Scotts Hill, 6-2.

In the bottom of the fifth, the Lions posted two quick outs as Russell ground-out to first and Cody Carter struck out swinging. Branham followed by singling to left but was stranded as Ensley struck out Pearcy swinging.

Following a three-up, three-down top of the sixth for the Mustangs, Scotts Hill's Jonathan Alexander reached via infield error but was stranded as Thompson popped-out to the pitcher, Moore popped-out to second and Beecham flew out to right.

In the top of the seventh, Dodson reached first after being hit by a pitch before Ensley grounded-out to second, Kade Pearson flew out to center and Wilkerson flew out to center.

Trailing 6-2 in the bottom of the seventh, the defending Class A state champion Lions went three-up, three-down as Charlie Lowry struck out swinging, Russell grounded-out to third and Cody Carter lined-out to second for its final out of the season as Huntingdon celebrated its 6-2, state tourney qualifying win.

Baucum Inks with Bethel University Basketball

BY BRAD SAM
brad@mckenziebanner.com

McKENZIE (May 19) — Rebel basketball and baseball standout Brandon Baucum will continue his athletic career on the hardwood as a Bethel University Wildcat. The recent graduate celebrated his decision with a signing ceremony in the McKenzie High School library with family and former teammates and coaches, along with Bethel Head Coach Jeff Britt.

Brandon was joined at his alma mater by former teammates, breaking from summer practice, along with McKenzie Head Coach John Wilkins and Assistant Coach Larry Joe Smith. Family members present included his parents, Kechia and Jason Baucum, grandparents, Bill and Alice Washburn and Marcia and Jerry Baucum, and sister, Brooke, a Bethel nursing student and former Lady Rebel and Lady Wildcat pitcher. MHS Principal Tim Watkins proudly welcomed everyone to the ceremony.

In an interview with The Banner, Coach Britt said of Baucum, "I've been watching him play since junior high, and I've always known he had a future. He's played multiple sports, which is always good, but he's grown and developed [on the court] in the last two years. He can play in different spots, so we can move him around. And at 6'4", he can continue to add size and strength."

He added, "In terms of character, I don't think you can get better. I've never known him to react in a negative way."

Coach Wilkins said, "I'm excited for Brandon. He's a young man of high character with a lot of energy. He's aggressive on the backboard, and he's hard to stop offensively. He always plays best in big games. The moment doesn't bother him, and that's why I feel like he's going to be successful. He'll rise as the difficulty rises."

He continued, "He really decided his senior year to go to work, and I think he's not even scratched the surface of his potential. He has a great chance to progress at the next level, and I'm glad for the opportunity to watch him grow and develop."

Wilkins estimated that Baucum scored about 15 points and had 8.5 rebounds per game in his senior season. The coach added that, in his five years at McKenzie, Brandon is the leading rebounder.

The future Wildcat told The Banner, "I'm looking forward to playing at the next level. I'm proud to represent McKenzie High School at Bethel University and work with Coach Britt."

Baucum said the decision between baseball and basketball was a tough one, but it came down to one thing. "I've always had more fun playing basketball."

Lady Rebels End Season with Sectional Loss

BY BRAD SAM
brad@mckenziebanner.com

REAGAN (May 19) — The McKenzie Lady Rebels saw their season come to a close Friday as they fell, 3-0, to the Scotts Hill Lady Lions in the sectional round of the TSSAA softball playoffs.

For the second consecutive game, the Lady Rebels outhit their opponents (5-3) but failed to capitalize as the Lady Lions scored one run in each of the second, third and fifth innings to shut out McKenzie and advance to the TSSAA Spring Fling in Murfreesboro.

Lady Rebel Audrie Washburn was 1-for-3 with a double. Shelby Tucker, Emily Lunn, Amberleigh Cooper and Sarah Jackson were each 1-for-3.

Lady Lion Melanie Alexander was 2-for-3 with a home run; Shayla Phillips was 1-for-2 with a run scored.

Caitlin Mitchell earned the complete-game shutout for Scotts Hill, allowing five hits while striking out six and walking none.

Lady Rebel Audrie Washburn took the complete-game loss, allowing three runs (one earned) on three hits while striking out six and walking just one.

REGION 7A BASEBALL CHAMPIONSHIP

Mustangs Fall to Tide, 8-5

HUNTINGDON (May 17) — In Region 7A high school baseball championship action, the Huntingdon Mustangs battled back from a 4-2 deficit to tie Peabody in the bottom of the seventh, 5-5, and force the championship contest into extra innings. Responding in the top of the eighth inning, the Tide's Timothy Fields doubled to centerfield to plate Cade Roberts and Eli Hammonds and Hunter Hudson lifted a sacrifice fly to right to score fields as Peabody took the lead, 8-5. In the bottom of the eighth, Huntingdon's Zach Dodson singled to left but was stranded on base as Hunter Ensley lined out to right, Kade Pearson lined out to third and Jack Tucker grounded out to short as Peabody celebrated its Region 7A championship.

Mustang Burton Colvett struck out none, walked one, and surrendered one hit and one run in 1/3 inning to absorb the loss.

Huntingdon was led offensively via RBIs by Kelby Pearson (2), Kyle Lutz (1) and Zach Dodson (1).

Despite the loss, Huntingdon outhit Peabody, 11-6.

Tide pitcher Pickard struck out five, walked five and surrendered five hits and two earned runs in five and 1/3 innings for the win.

Rebounding in state sectional action on Friday, May 19, Huntingdon (27-6) eliminated Class A state champion Scotts Hill, 6-2 and advanced to face Gordonsville (28-12) in state tournament first-round action at Riverdale High school in Murfreesboro on Tuesday, May 23 at 6:30 p.m.

Peabody (31-4) advanced to state sectionals and defeated Adamsville, 3-1.

Huntingdon trailed Peabody 2-0 in the top of the first via Tide's Hudson two-run homer to left but battled back in the bottom of said inning to plate two runs with two outs as Kyle Lutz singled to left to score Kade Pearson and Bo McLemore scored on infield error.

Following a scoreless second inning for both teams, Peabody plated two runs in the top of the third via Richardson's two-run homer over the centerfield wall to lead, 4-2.

Following scoreless fourth or fifth innings, Huntingdon plated one run in the bottom of the sixth as Dodson's single to left scored Kade Pearson and the Mustangs cut the Tide's lead, 4-3.

Answering, Peabody plated one run in the top of the seventh as Holbrook scored via bases-loaded walk with two outs to lead, 5-3.

In the bottom of the seventh, Huntingdon rallied via singles by Ben Clifft and Kyle Lutz and plated via Kelby Pearson double to center to tie the score, 5-5, and force the game into extra innings.

Responding, Peabody's Fields doubled to center to plate Roberts and Hammonds and Hudson flew out to right as Fields tagged up at third and scored to give Trenton the lead and eventual 8-5 win.

Carroll County Sheriff's Reports

Assault — A McKenzie woman was arrested May 17. Deputy Carlton Cupples charged Brianna Anita Howard, 26, of 10 Birmingham Lane South with aggravated assault. According to Cupples' report, Karen Cunningham met deputies at McKenzie City Hall to report an assault. Cunningham told deputies that she had gone to Howard's residence after her son, Dale Teague, had called and told her that Howard was hitting him. After Howard argued with her, Cunningham left but then returned to get her son and grandchild. When she arrived the second time, Howard struck her on the arm with a stick, causing bruising.

Driving on Revoked — A Hollow Rock man was arrested May 12. Deputy Jason Walker charged Jarrid Dewayne Sterling, 31, of 140 Adell Street with driving on a revoked license. According to Walker's report, Sterling was stopped for turning as he passed another vehicle. A computer check of his license showed it to be revoked.

Trespass/Violation of Order — A McKenzie man was arrested May 14. Deputy Jason Walker charged Wilfredo Dewayne Rivera, 48, of 90 Kay Avenue with criminal trespass and violation of an order of protection. According to Walker's report, Jessica Rhoades of McKenzie contacted McKenzie Police after Rivera broke into her home. An order of protection was placed against Rivera.

Driving on Revoked — A Paris man was cited into court May 12. Deputy Jackie Edwards charged Jaylan M. Floyd, 24, with driving on a revoked license. According to Edwards' report, Floyd was stopped for a light law violation. A computer check of his license showed it to be revoked.

Assault — A Cedar Grove woman was arrested May 12. Deputy Carlton Cupples charged Ginger Ann Garrison, 36, of 5270 Highway 70 with assault. Cupples reported that Garrison called dispatch with a complaint that her boyfriend had vandalized her car. When deputies arrived, they found Garrison under the influence. Her boyfriend admitted the two of them had been doing meth for two and a half months. Earlier that day, the boyfriend alleged that Garrison broke a window in the shed causing glass to shatter in his face. He sustained minor injuries.

Bruceton Water Department Water Quality Report for 2016

Is my drinking water safe?
Yes, our water meets all of EPA's health standards. We have conducted numerous tests for over 80 contaminants that may be in drinking water. As you'll see in the chart, we only detected 8 of these contaminants. We found all of these contaminants at safe levels.

What is the source of my water?
The Bruceton Water Systems well field is located within the Kentucky Lake watershed. The system operates 6 wells and serves a population of 1564. Your water is ground water pumped from the Memphis Sands Aquifer. The Tennessee Division of Water Supply considers the Bruceton Water System wellfield to be of moderate susceptibility.

Why are there contaminants in my water?
Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. Community water systems are required to disclose the detection of contaminants; however, bottled water companies are not required to comply with this regulation. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency's Safe Drinking Water Hotline (800-426-4791).

Este informe contiene información muy importante. Tradúscalo o hable con alguien que lo entienda bien.

For more information about your drinking water, please call Brian Edwards at 731-586-2401.

How can I get involved?
Our Water Board meets on the second Tuesday of each month at 7:00 p.m. in the conference room at City Hall, which is located at 209 Cheatham St. Please feel free to participate in these meetings.

Is our water system meeting other rules that govern our operations?
The State and EPA require us to test and report on our water on a regular basis to ensure its safety. We have met all of these requirements. Results of unregulated contaminant analysis are available upon request. We want you to know that we pay attention to all the rules.

Other information
Due to all water containing dissolved contaminants, occasionally your water may exhibit slight discoloration. We strive to maintain the standards to prevent this. We at The Bruceton Water System work around the clock to provide top quality water to every tap. We ask that all our customers help us protect our water sources, which are the heart of our community, our way of life and our children's future.

Do I Need To Take Special Precautions?
Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have under-gone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about not only their drinking water, but food preparation, personal hygiene, and precautions in handling infants and pets from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbiological contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Water System Security
Following the events of September 2001, we realize that our customers are concerned about the security of their drinking water. We urge the public to report any suspicious activities at any utility facilities, including treatment plants, tanks, fire hydrants, etc. to 1-800-818-3189.

Presence of Lead in Drinking Water
If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Bruceton Water Department is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at http://www.epa.gov/safewater/lead

Water Quality Data

What does this chart mean?

- MCLG - Maximum Contaminant Level Goal, or the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- MCL - Maximum Contaminant Level, or the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology. To understand the possible health effects described for many regulated constituents, a person would have to drink 2 liters of water every day at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.
- MRDL - Maximum Residual Disinfectant Level or MRDL: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for the control of microbial contaminants.
- MRDLG - Maximum residual disinfectant level goal. The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
- AL - Action Level, or the concentration of a contaminant which, when exceeded, triggers treatment or other requirements which a water system must follow.
- Below Detection Level (BDL) - Laboratory analysis indicates that the contaminant is not present at a level that can be detected.
- Non-Defects (ND) - Laboratory analysis indicates that the contaminant is not present.
- Parts per million (ppm) or Milligrams per liter (mg/l) - Explained as a relation to time and money as one part per million corresponds to one minute in two years or a single penny in $10,000.
- Parts per billion (ppb) or Micrograms per liter - Explained as a relation to time and money as one part per billion corresponds to one minute in 2,000 years, or a single penny in $10,000,000.
- TT - Treatment Technique, or a required process intended to reduce the level of a contaminant in drinking water.
- RTCR - Revised Total Coliform Rule. This rule went into effect on April 1, 2016 and replaces the MCL for total coliform with a Treatment Technique Trigger for a system assessment.

Contaminant	Violation Yes/No	Level Found	Range of Detections	Date of Sample	Unit Measurement	MCLG	MCL	Likely Source of Contamination
Total Coliform Bacteria	No	0		2016		0	presence of coliform bacteria in 5% of monthly samples	Naturally present in the environment

Copper	No	.0320		8/18/15	ppm	1.3	AL=1.3	Corrosion of household plumbing systems; erosion of natural deposits; leaching from wood preservatives
Fluoride	No	0.60	0.2-1.0	2016	ppm	4	4	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories
Lead[4]	No	ND		8/18/15	ppb	0	AL=15	Corrosion of household plumbing systems, erosion of natural deposits
Nitrate (as Nitrogen)[5]	No	1.66		1/25/16	ppm	10	10	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
Sodium	No	5.15		2/3/14	ppm	N/A	N/A	Erosion of natural deposits; used in water treatment
TTHM[6] [Total Trihalomethanes]	No	.000769		8/23/16	ppb	n/a	80	By-product of drinking water chlorination
Haloacetic Acids (HAA5)	No	<.0002		8/23/16	ppb	N/A	60	By-product of drinking water disinfection
Chlorine	No	1.70	1.2-2.2	2016	ppm	4	4	Water additive used to control microbes

Iron: *Iron occurs naturally in our raw water and occasionally accumulates in the distribution system. Iron shows up as "red" or "rusty" water at your tap. Although you do not want to drink water that is not clear, iron is not considered to be a hazard to your health.*

During the most recent round of Lead and Copper testing, 0 out of 10 households sampled contained concentrations exceeding the action level.

MATTER OF RECORD

McKenzie Police Reports

Burglary / Theft — According to a report filed by MPD Patrolman Mark Boaz, on May 19 at approximately 6:37 p.m., Cody R. Wallace, Stonewall Street, McKenzie, came to MPD to report his vehicle had been broken into during the night of May 18 at 6:30 p.m. to May 19 at 8:00 a.m. and $405 items were stolen. Items stolen included two VM Audio ECW sub speakers valued at $300 for the pair, one 3,000-watt Nos Audio amp valued at $75 and one VM Audio three farad capacitor valued at $30. The report noted that finger prints were collected from inside the vehicle and from the back hatch of the vehicle.

Driving on suspended / revoked license — According to a report filed by MPD Sergeant Jeff Winberry, the officer, while on routine patrol, observed a 2007 Ford vehicle traveling at a high rate of speed on Magnolia Avenue. Upon stopping the vehicle, the driver, identified as Laura Ann Darnell, Highway 190, McKenzie, could not produce a license. A computer check, however, reveled Darnell's license were suspended for failure to pay fines and costs out of Carroll County General Sessions Court on September 14, 2016. Darnell was cited into Carroll County General Sessions Court for the listed offenses.

Simple possession / casual exchange, sale of alcohol to a minor / intoxicated person, driving on suspended / revoked — According to a report filed by MPD Patrolman Paul Eddlemon, on May 16, the officer was running stationary radar on Highway 22 when he observed a white car traveling over the posted speed limit. Upon stopping and approaching the vehicle, the officer smelled a strong odor of marijuana emanating from the vehicle. Upon speaking with the driver, identified as Ericka Denise Hill, Clover Street, Bruceton, the officer observed Hill was nervous as she handed requested documentation to him. In response to the officer asking Hill if drugs or narcotics were inside the vehicle, she advised that a bottle of alcohol and marijuana blunt were in the vehicle and turned the items over to the officer. Hill then verbally consented to the officer's request to search the vehicle. A burnt cigarette believed to contain marijuana was located in the driver side door. Also located was loose marijuana in the rear passenger compartment weighing a total of 1.1 grams. A computer check of Hill's license revealed they were suspended to pay fine out of Carroll County General Sessions. Hill was then cited into Carroll County General Sessions Court for the listed offenses.

Driving on suspended / revoked driver license — According to a report filed by MPD Patrolman Paul Eddllemon, on May 15 at approximately 3:15 p.m., the officer, accompanied by MPD Sergeant Jeff Winberry, were on routine patrol on Highway 22 when he observed a maroon-colored Dodge Magnum exiting Cole Street. Having prior knowledge that the driver, Tamara Maggie Hollowell, Paw Paw Lane, McKenzie, did not have a valid driver license, the officer stopped the vehicle. After confirming with dispatch that Hollowell's license were suspended out of Carroll County for failure to provide proof of insurance on March 29, 2017. Hollowell was then cited into Carroll County General Sessions Court for the listed offenses prior to her calling someone asking them to pick her up after informing officers that she was leaving her vehicle parked on the side of the road.

Theft — According to a report filed by MPD Patrolman Jeremiah Brooks, on May 19 at approximately 4:51 p.m., the officer was dispatched to a residence located on West End Avenue in regard to a theft from a motor vehicle. Upon arrival, the officer spoke with Jason Mercer, West End Avenue, McKenzie, who stated that items were missing from his 2008 Chevy Tahoe. Mercer listed the missing items as a Cobra radar detector valued at $300, a phone valued at $20 and a 200-foot tape measure valued at $50. Mercer said the doors to his vehicle were probably unlocked at the time of the theft. No suspects were identified at the filing of this report.

Burglary — According to a report filed by MPD Patrolman Billy King, on May 16, Jennifer G. Doede, McTyerie Street, McKenzie, came to MPD to report that her vehicle had been broken into. She stated that when she looked in her console, she noticed roughly $2 in change was missing and that her DVD player, fitted into the head rest of the front passenger seat, was rendered inoperable when someone attempted to pull it from the seat. Doede valued the DVD at $200. Fingerprints were lifted from the exterior of the front passenger side door and will be sent to the Tennessee Bureau of Investigation.

Huntingdon Police Reports

Assault — A Huntingdon man was arrested May 15. Lieutenant Angie Barker charged Dontavious Stevontae McCain, 23, with domestic assault. According to Barker's report, the officer was dispatched to Hillcourt Apartments in regard to a domestic violence situation. Upon arrival, she spoke with the victim, McCain's girlfriend, as McCain ran behind the apartments. Officers caught McCain and took him into custody. The victim told officers McCain had struck her in the face. She had blood on her nose.

Drug Possession — Two Huntingdon women were arrested May 2. Investigator Joey Hedge charged Kimberly Phillips, 29, and Gabrielle M. Phillips, 29, each with one count of possession of schedule I with intent (heroin), possession of schedule II with intent (crack cocaine), simple possession of schedule VI, and possession of drug paraphernalia. According to Hedge's report, a search warrant was executed at the Phillips' residence, which they shared with Lonnie Williams. Officers found 7.2 grams of crack cocaine, .68 grams of heroin, 3.1 grams of marijuana, baggies and scales. Officers held off on the arrest, waiting for all of the residents to be home. Kimberly Phillips was arrested on a prior warrant and Gabrielle Phillips turned herself in. Officers received information that Williams left town.

Public Intoxication — A Camden man was arrested May 13. Patrolman Paul Hugueley charged Jerry D. Dale, 26, with public intoxication and resisting arrest. According to Hugueley's report, officers and EMS were dispatched to Tractor Supply in response to a man saying his meds were not working. When EMS tried to transport the man to the hospital, he became upset. When speaking with officers, he said he had used cocaine. When officers tried to place him under arrest, he refused to get in the patrol car.

Disorderly Conduct — A Huntingdon woman was arrested May 15. Patrolman Randy Kelley charged Angela Jeanett Wadley, 46, with disorderly conduct. According to Kelley's report, during a verbal dispute on Lexington Street, Wadley was shouting and cursing. Neighbors called police, and Wadley was taken in for disorderly conduct.

Vandalism — A Huntingdon woman was arrested May 15. Sergeant Chris Cole charged Brooksey Wadley, 26, with vandalism and disorderly conduct. According to Cole's report, officers were dispatched to a Lexington Street residence. When they arrived, they found Wadley, Angela Wadley, Chasity Utley, and Anna Pearson in an argument. Pearson showed officers a large scratch on her car where Brooksey had allegedly thrown a spray can at it. Officers could see the scratch and the spray can. Despite orders to calm down, Brooksey failed to do so.

Theft — A Little General employee reported a theft on May 11. A man in a silver-colored Subaru Forester pumped $15 in gas and then drove off without paying.

Driving on Suspended — A Huntingdon man was cited into court May 15. Patrolman Michael Sevarns charged Ryan Hilliard, 29, with driving on suspended #1 and speeding. According to Sevarns' report, Hilliard was stopped on Highway 70 for speeding. A computer check of his license revealed it to be suspended.

Driving on Revoked — A McKenzie man was arrested May 15. Investigator Joey Hedge charged Anthony Haynes, Jr., 40, with driving on revoked license #3, violation of financial responsibility, and speeding. According to Hedge's report, Haynes was stopped for speeding. A computer check revealed his license to be revoked and he could not show proof of insurance.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
