McKenzie Council Extends Traffic Camera Contract

By Brad Sam
banner@mckenziebanner.com

McKENZIE (June 11) — The Board of Mayor and Council for the City of McKenzie met in regular session Thursday, absent Councilperson Kevin Gallimore. Councilperson Cassie Allen was also absent for the first portion of the meeting, but arrived before a key vote to approve renewal of a contract with ATS, the company providing traffic camera services in the city.

The move comes as a July 1 deadline looms for municipalities in Tennessee to enter or renew such contracts that include speed cameras. A bill was recently signed into law by Governor Bill Haslam banning local governments from using speed cameras, but officials can retain any contracts entered into before the law takes effect July 1. The bill was sponsored by Representative Andy Holt, who represents Weakley and parts of Obion and Carroll counties.

The renewed contract is for 20 years, with mutual options to cancel at any time with 90 days of notice. During the

Peggy Hamlett Selected Administrator of Elections

By Ernie Smothers

HUNTINGDON (June 12) — Following an exhaustive two-day interview session, Carroll County Election Commission members narrowed the candidate field of eleven down to Russell Bush, Monte Cunningham, and Peggy Hamlett before ultimately selecting Hamlett as the county's new administrator of elections.

Commencing on Thursday, June 12 at 4:20 p.m., county election commission members Nellie Hale, Ron Reiter, Mike Corrada and pro-temp chairman Billy J. Smith interviewed via 15-minute increments candidates Sheryl Sellers, Russell Bush, Joey Darnall, Nicole Taylor, Kelli Bolen, Billy Rogers, Andy Ringgold, Peggy Hamlett, Jeff Carter, Monte Cunningham, and Kara Williams. Awaiting state certification on June 22, board appointee and lawyer Brent Bradberry provided, via Smith's request, legal counsel throughout the deliberation process. At the request of commission member Reiter, Bradberry was permitted to cast a non-counting, "advisory vote" during the field-narrowing process.

Hamlett, currently employed as a paralegal for lawyer Charlie Trotter at the Trotter Law Office in Huntingdon, will replace Carroll County Administrator of Elections Vince Taylor, who is retiring on June 30.

Born and raised in Memphis, Tennessee, Hamlett, 59, received her PhD in International Agricultural Ecosystem Resource Management from Texas A&M. After working extensively in northern Kenya accumulating agriculture-based data to aid in detecting potential droughts, she

Truck Catches Fire in Field Near Airport

McKENZIE (June 11) — McKenzie Fire and Rescue responded to a call Thursday evening reporting a vehicle fire in a wheat field on Hill Road near the Carroll County Airport.

The call came in at 6:20 p.m. When firefighters arrived at 6:27, the vehicle was fully engulfed. The owner of the 2010 Ford F-150, Ricky Chandler, was working in the field when smoke entered the cab originating from between the cab and the bed. The field also caught fire, but was contained, although the truck was a total loss.

A total of 13 personnel responded, deploying a tanker, the brush truck, and the "gator". They were on scene for approximately an hour.

At the June 9 meeting Huntingdon Town Council, members amended the town's professional services agreement with American Traffic Solutions (ATS) for the two traffic cameras located on Bypass One near Wal-Mart.

Mayor Dale Kelley read from the agreement that extends the contract time to May 31, 2037.

"The term of this agreement commenced on Dec. 8, 2009 and shall continue until May 31, 2037," he read from the amendment. "However, commencing on Dec. 1, 2017 and each Dec. 1 thereafter, either party may

Two Airlifted After Car Strikes House

MCKENZIE (June 15) — During an interview with The McKenzie Banner, McKenzie Police Chief Craig Moates said that a car travelling at a high rate of speed struck a home located at the intersection of Winchester and Walnut at approximately 10:32 p.m. on June 14.

He said, "Although the officers that worked the scene are not on duty at this time, I can tell you that a car driven by an elderly woman with a passenger inside struck the house.

McKenzie Showcased at TML Conference

NASHVILLE — McKenzie was chosen to be one of six featured cities at the annual Tennessee Municipal Conference in Nashville June 6-9. McKenzie was chosen from over 300 cities in the state.

The City of McKenzie showcased its many great attributes including its historical depot, medical center, schools, TCAT, industry, airport and Bethel University. In addition, the booth attracted many visitors with its celebration of the city's upcoming Southern Fried Food and Sweet Tea Festival as the booth workers gave out miniature fried pies and sweet tea to those visiting the booth.

The Tennessee Municipal League (TML) is a voluntary, cooperative organization established by the cities and towns of the state for mutual assistance and improvement. The League's primary function is to work with the Tennessee General Assembly on behalf of city governments, promoting legislation helpful to cities, and opposing legislation harmful to cities. Two extensions of the League include the TML Risk Management Pool and the Tennessee Municipal Bond Fund.

Cedar Grove Man Dies in Trench Collapse

LOUISVILLE, KENTUCKY (June 11) — Jonathon Moore, 19, a construction worker from Cedar Grove, Tennessee died Thursday, June 11 in a trench collapse in Kentucky when dirt and debris caved in on him as he worked in a trench in southwestern Jefferson County in Kentucky.

Moore was employed by Jackson, Tennessee-based LeFevre Construction.

According to Deputy Coroner Larry Carroll, Moore died of traumatic asphyxia and blunt force impact injuries.

Another construction worker narrowly escaped death after being trapped from the waist down during the collapse.

Officials said the workers were digging sewer lines in a trench when a heavy mound of dirt and concrete collapsed into the trench. (see obituary in the June 16 issue of The McKenzie Banner).

Trezevant Finalizes New Charter

By Brad Sam
banner@mckenziebanner.com

TREZEVANT (June 9) — The board of mayor and aldermen for the Town of Trezevant met Tuesday evening with a small but important list of agenda items. Months of discussion and work culminated in a final vote on a new charter for the town. The board also approved second readings of next year's budget and final amendments to the current budget.

The new charter, drafted by Trezevant's attorney, Charles Trotter, with input from the board, was approved by the state legislature in April and signed by the governor in May. The board needed a two-thirds majority vote for finalization before the secretary of state will certify the document. The necessary votes were received, with four aldermen and Mayor Dennis Mitchell voting in the affirmative and Alderman James Gilliam dissenting. The primary change in the new charter is that employment issues will be dealt with outside of the board, handled by the mayor, department heads, and department-board liaisons. There was brief discussion about the need to set personnel policy, and the mayor urged quick action. The board concurred and will schedule workshops for the issue in the near future.

The board also acted on an ordinance to adjust water and sewer rates to comply with new requirements. To appropriately allocate funds to each department, a portion of the rates needed to be transferred from sewer to water, essentially raising water rates and reducing sewer rates. The amount of the overall rate will remain unchanged, but, as water is taxed differently, customers will see a slight increase in their bills. A minimum bill will be $0.59 higher, and the rate on usage will increase by $0.03 per 1,000 gallons, from $1.85 to $1.88. The ordinance passed unanimously.

In other business, police liaison Teresa Goodrum announced that she and Mayor Mitchell would be considering the recommendation of Chief Kelvin Whitney to hire a full-time officer. Whitney suggested Nicholas Roberts, a Huntingdon graduate now serving as a guard for the Tennessee Department of Corrections. The hiring would serve to provide more complete coverage for the town, which would still be supplemented by part-time officers. The department budget would remain unchanged.

Goodrum also announced to the board that local organization "Trezevant Helping Hands" had dissolved and had donated its remaining funds in the amount of $437.25 and its announcement sign to the town to be used for beautification. Pam Bryant made a motion to allow the Parks, Recreation, and Beautification Committee to operate the sign and use the funds for beautification, and approval was unanimous.

The board also voted to fill a vacancy on the aforementioned committee, unanimously approving Sylvia Hansbro Webb for the seat.

Alderman Bryant announced that Howell Farms Dozer Service agreed to extend its bid for the demolition of the Scrivner property until the end of June. A special called meeting will be held Tuesday, June 23 at 6:30 p.m. to act on the bid.

Alderman Debbie Rogers, liaison to the Industrial Development Board, announced with cautious optimism that there was a party showing interest in purchasing the former clinic.

The meeting adjourned after an hour and 15 minutes.

Henry County Mayor Brent Greer, former State Senator Roy Herron, Ricky Price, and Harry Crisp.

Pepsi Building Named In Honor of Ricky Price

PARIS — The Pepsi MidAmerica location in Paris now bears the name of longtime employee, Ricky Price. Co-workers, family, friends from Paris and McKenzie, government officials, and CEO Harry Crisp gathered to honor Price during a lunchtime dedication ceremony on Tuesday, June 9.

Ricky Price, a McKenzie resident and graduate of McKenzie High School, has worked at Pepsi MidAmerica for 41 years and was hired by Mr. Crisp. Price used his career day in high school to visit with Pepsi MidAmerica and has worked for the company since graduation.

He started at the Martin distribution center and now serves as the Paris area manager and supervises 75 employees.

Price was commended for his community service and for his dedication to the company. Mr. Crisp said Price is a great example of what's good in this country. Crisp, a former Marine, said this is a great country with many great people and we, as Americans, have so much for which to be thankful.

After a short roast by former State Senator Roy Herron, who noted it is rarely to honor a Carroll Countian in Henry County, a plaque was unveiled to denote the new name of the building in honor of Price.

Henry County Brent Greer read a proclamation to honor Price. He also proclaimed June 9, 2015 as Ricky Price Day in Henry County.

In closing remarks, Price thanked God, his family, friends, co-workers, and Mr. Crisp, who he said is like his second father.

"He has made me the man I am today," said Price of Mr. Crisp. "His motto is faith, family, and company. I treasure his friendship."

Following the dedication outdoors, the group enjoyed a lunch of barbecue, prepared by Big Daddy's in McKenzie, and Pepsi products.

terminate this agreement for any reason by providing written notice of its intent to terminate to the other party at least 90 days prior to the date of such termination date."

In the last term of the state legislature, Rep. Andy Holt sponsored a bill to eliminate traffic cameras. However, the law does not go into effect until July 1, which gives cities a chance to extend contracts several more years.

The amendment also gives the town the right to add more cameras and expand ATS's services.

However, if the agreement is ever terminated, or the equipment is ever relocated, ATS is to remove all above ground assets and underground wiring and restore the above ground to pre-installation conditions.

The service fees for the existing camera system is 50 percent of collected revenue from all paid citations, which are $50 each.

The service fees for any new camera system installed after May 31, 2017, is 60 percent to ATS and 40 percent to the town, which extends for the next seven years. Beginning with the eighth year and thereafter, the service fee will be split 50/50 between the town and ATS.

During the meeting, the 2015 Huntingdon High School baseball team members were recognized for their participation in the state tournament.

"A state tournament is a great accomplishment," said Kelley. "The coaches are Alan Eubanks and Rick Wallace with volunteers who are Andrew Maddox, Jason Postlethwait, Andrew Jackson and Bill Ezell. The managers are Matt Tucker and Jordan Colon."

Members of the team are: Josh Furr, Brandon Barmore, Ben Clifft, Ethan Kreuziger, Dawson Hayes, Zach Dodson, Brandon Baker, Chris Stewart, Josh Coleman, Colton McMinn, Charles Midkiff, Brendan Sandel, Jayden Williams, Dylan Gorth, Kade Pearson, Hunter Hankins, Daniel Dickerson, Bryce Johnson, Tyler Perritt, Elijah Wilkerson, Jack Tucker, Burton Colvett, Kyle Lutz, Dawson Dale and Bryant Coleman.

The team posted a 25-19 season's record. The players beat McKenzie for the District 13A championship, Trenton for the Region 7A championship and Adamsville in the sectional game. Huntingdon was among the eight teams that played in the state tournament.

Eubanks called the players a great group of kids that played hard.

"We appreciate your efforts each year," said the mayor as he passed out certificates to each player.

Eubanks said the team appreciates getting recognized by the mayor and council.

"We hope to give the town a product you can be proud of," he said.

The mayor also congratulated team members Josh Furr and Brandon Baker for playing in the All Star game in Jackson recently.

A resolution was passed that approved the submission of an application for a $250,000 Community Development Block Grant Recovery Funds. It is in connection with the 2011 flood. If received, the funds would be used for the repair and restoration of the ditch that runs through the town that helps control flooding.

In other business, council members:

• Reappointed Thomas Parker to the Huntingdon Housing Authority for a five-year term ending June 9, 2020.

• Were introduced to Titus the newest member of the Huntingdon Police Department. Titus is a black German Shepherd that has been trained for drug finds and tracking. See related story.

• Were informed by the mayor that the renovation is coming along at the Municipal building on East Main Street and that it should be ready for occupancy by August.

• Were told by the mayor that he attended the Tennessee Municipal League meeting the past weekend. Over 400 city officials, who talked about issues facing municipalities, were in attendance.

• Were shown the exercise room in the police department that has been equipped with $30,000 worth of military surplus exercise equipment that came from Jacksonville, Florida and Ft. Polk, La. There were no costs to the town for it. The exercise room was a former kitchen. More equipment will be added in an adjoining room when the municipal offices move to its new location on East Main St.

Election

returned home to Memphis to assist her siblings in caring for her elderly parents and worked for the University of Tennessee Agriculture Extension Office. Following the deaths of her father and mother, she accepted a position with the Trotter Law firm. She owns and operates Hamlett Heritage Bend Poultry Farm located on Highway 77 between Atwood and McLemoresville.

Hamlett told commission members during her interview that she had applied for the Administrator of Elections position after state senator Stevens mentioned the job opening to her.

Following selection, Hamlett said, "Although I am a Republican, I will perform my duties as Administrator of Elections in a truly non-partisan fashion. I will reach out to people regardless of party affiliation and seek to do my job in a fair, honest, and honorable manner. I am meticulous and goal-oriented person. I will work diligently to perform my duties and seek to educate and stimulate voters in Carroll County to participate in the election process. I want to add that I am thankful to have received the unanimous vote of the commissioners. I look forward to serving the voters of Carroll County."

Via vote, election commission members narrowed the eleven candidate field to Hamlett (four votes); Bush (three votes); and Sellers, Darnell, Cunningham, and Carter (two votes respectively).

Following deliberation, the board further narrowed the field to Hamlett (four votes); Bush (four votes); and Cunningham (three votes).

In order to save taxpayer money, Smith requested that commission members suspend the meeting at 7:00 p.m. on Thursday and reconvene the following afternoon at 4:00 p.m.

Reconvening on Friday, June 12, board members deliberated 15 minutes on the final three candidates before Smith requested that the order of interviewees be Bush, Hamlett, and Cunningham. Smith, upon calling for Bush and being informed by Administrator of Elections Taylor that he was outside the building waiting for what he perceived to be the 4:30 p.m. start time for interviews, bypassed Bush and called for Hamlett as the first interviewee.

After interviews were concluded, Chairman Smith said, "I'm very pleased with the final three. All of them would make excellent administrators. However, we can only select one. I know this is difficult for all of us, but we need to pick the person that we believe is the most qualified for the job."

Hale added, "Today's extended interview sessions have made the process of selection even more difficult. This is going to be tough."

Smith apologized to Hale for partisan comments he had made at an earlier meeting.

He said, "Nellie, I apologize to you for anything that I said that offended you. I just want us to all work together and do what is best for our county, regardless of party affiliation."

Addressing election commission members, Reiter said, "I think it is safe to say that we did a very good job last night of narrowing the field. Now comes the difficult part. It is going to be hard to decide who to select based on our personal friendships with some of the finalists. I would like to be able to pass on voting until my vote is needed."

Hale replied, "We must all remember that we are not voting for friends this evening. We are voting for the Administrator of Elections for Carroll County. We cannot let friendships cloud the decisions we make. We must select the right person for the position. That is our responsibility."

Citing Roberts Rules of Order for vote procedure, Smith said Hamlett would be voted on first because she was the first of the three finalists to be interviewed.

He said, "If Hamlett receives a majority of three votes, she will be selected and the process will be over. If she receives two votes, we will continue on with the vote until someone receives a majority vote of three. Is that fair with everyone? What do you think, Parliamentarian Taylor?"

Administrator of Elections Taylor said he was not aware if the procedure Smith cited was valid or not.

He said, "It is up to you all (election commission) on how you proceed. The procedure you are citing is "gray area" to me. I'm just here observing. That decision is up to you all."

Smith then handed election commission appointee and lawyer Brent Bradberry the Roberts Rules of Order section detailing the procedure in question for Bradberry to examine.

Via roll call vote by secretary Corrada, Hamlett received votes by Hale and Corrada with Reiter opting to pass.

Smith said, "In the event of a tie, the chairman has the right to vote in order to break a tie. I take that option now. I vote for Hamlett. With three votes in her favor, she has received the majority necessary for selection."

Asked by Chairman Smith if he would like to make the vote unanimous, Reiter voted in favor of Hamlett.

A short but tense discussion between Smith, election commission members, and observers regarding whether the voting process utilized was valid and fair to the candidates that were not voted on.

Secretary Corrada opined that the final vote could not be rescinded.

Smith expressed relief that the hiring process was completed before asking Taylor to inform the candidates of the decision and summon Hamlett.

Smith informed Hamlett that starting pay would be $35,000 annually and increase to $61,000 after she passed the state certification test. He also told her that she had complete authority to hire her deputy assistant.

Taylor informed election commission members that current Deputy Administrator Sellers had tenured her resignation effective June 30.

A retirement reception for Taylor is slated for Tuesday, June 30, from 2:00-4:00 p.m. at the Elections Office located inside the Carroll County Office Complex.

discussion leading up to a vote, MPD Chief Craig Moates noted that there was controversy over speed cameras, but that the data shows positive effects. Mayor Jill Holland added the fact that violations have decreased, and that the cameras are useful for insurance purposes and police investigations. She conveyed that several businesses and residents have expressed that the cameras have helped. Councilperson David Hochreiter stated that many businesses have expressed concern over the potential loss of revenue if patrons avoid areas where the cameras are located. Mayor Holland said that she had shared those concerns, but that tax revenue numbers haven't shown any negative effect. Vice Mayor Gene Hale summed up the argument supporting the cameras, "If a person breaks the law, they should get a ticket."

The vote was held, earning ayes from Allen, Hale, Pruneau, and Jessie Townes and a nay from Hochreiter, and the motion carried.

In other business, the second reading of Ordinance 490 to amend the schedule of development review fees passed unanimously, as did the second reading of Ordinance 490 to amend the schedule of building permit fees.

Ordinance 492 was presented for a first reading. The measure changes the age restriction on employees involved in the sale, serving, storage, distribution, or manufacture of beer from 21 to 18. Councilperson Hochreiter opined that this was needed for the city. He noted that several merchants had urged him to support the change, and Mayor Holland reported the same. The ordinance passed unanimously.

Two citizens offered input at the meeting. Rosalind Winston stated that there was a bush on McClure Street obstructing the view of traffic. She also noted that the sidewalk circling Mulberry Park became muddy when it rains. John Nolen reported that some horses near his property were causing a nuisance and that there were indications of abuse.

In council reports, Mayor Holland noted that a neighborhood would be having a meeting soon regarding a neighborhood watch program, and encouraged residents of other neighborhoods to contact city hall if interested. Economic Development Director Jennifer Waldrup declared the barbecue contest a success and offered a look ahead to Nights on Broadway on June 27 with Bullettown and to the July 4 Freedom Festival. Vice Mayor Hale commended workers on repairing a hole in the parking lot behind Alexander Hall for just $1,200, saving thousands off of estimates.

Mayor Holland reported that city recorder Charlie Beal was working on a budget, and a first reading could be expected in July.

The meeting adjourned after just over half an hour, but the board relocated to the city's Public Works building on Locust Avenue at the invitation of Public Works Director Johnny Mercer.

A speed camera on Highland Avenue in McKenzie.

Mercer showed council members around the shop, discussing the daily operations of his department. Equipment, and the need to replace certain pieces, was discussed as well. When Mercer had answered the council's questions, he invited them all to return during the day and see his employees in action.

the commission of a felony, and three additional charges of aggravated assault after he pointed his handgun at officers.

The situation started a few weeks ago within the family and necessitated a order of protection by David Eitleman, 14825 Highway114, Buena Vista, on his son, Corey. Over the weekend, David Eitleman woke as his son climbed into the bedroom window, said Sheriff Dickson. David pulled a .357-caliber handgun on his son, a scuffle ensued, and the gun discharged, striking Corey in the hand. The gun was wrestled away from David. His son, now in possession of the gun, ordered his dad to drive him in the dad's car.

The father told officers the two rode most of the night and even entered into Benton County near the industrial park in Camden. Officers came upon the suspects in Natchez Trace State Park around 8:30 a.m. Sunday on what the sheriff described as a fire trail. Officers gave pursuit of the vehicle. Sheriff Dickson said Corey pointed the handgun at officers and that is when Sergeant Mike Taylor shot a hole in the tire of Eitleman's vehicle, which traveled another mile or so before coming to a stop.

Corey Eitleman then pointed the handgun at himself and threatened to commit suicide. For more than one hour, officers worked to deescalate the situation before the younger Eitleman surrendered.

He was taken into custody and later transported to a Jackson hospital, where he underwent surgery on Monday. Sheriff Dickson said officers stood guard at the hospital on Monday.

No bond or court date has been set.

How will you pay for retirement? Let's talk.

Letters
The Readers Speak ...

Dear Editor,

The United Neighbors is a much needed facility that provides many services locally as well as to the surrounding areas. The staff and volunteers are great.

I have three concerns.

First-the building (which is possibly provided free by the city) is overcrowded and not large enough for the amount of items they provide-food, clothes, toys, household items, etc.

Second-the lack of parking and what parking there is appears to be dangerous (along the side of a Main Street).

Third-though people are asked not to leave items after hours. This is the time when most people have the time to get their donations together. The donations bin is small and many items are left in bags and boxes in front of the building to sit out in the weather.

I have observed the past three Saturdays that many items are left but by Sunday night many items have been taken.

I would ask the Mayor and council members to tour the facility, see the needs, and find a better solution to benefit United Neighbors- Just my opinion.

Thank you,
Becky Scates

McKenzie School Board to Meet

McKenzie Special School District Board of Education will hold its regular board meeting on Thursday, June 25 at 5:30 p.m. at the McKenzie Board of Education, 114 Bell Avenue.

Items on the agenda include: the contract renewal for K. Bethel/Eastside FCE News

Bethel/Eastside met for their June meeting in the Quilter's room of the Carroll County Complex with Danita and Brooke Laman as hostesses. The meeting was called to order by our president, Pennye Mays, and the devotion was read by Brooke Laman. We ate an add-a-dish meal first, after prayer offered by Janice Chandler. The club charge was read in unison. Our secretary, Gail Eubanks, read the minutes which were motioned on, seconded, and accepted as read. Treasury report was given by, Mary Mays.

Under old business: fair ideas were brought up. There were two ideas presented. These were discussed and one was voted on to be our fair project. We will learn more next month when our hostess, Mary Mays, speaks on her designated education topic.

New business: We are changing our picnic month to August instead of September, when it normally is, because the fair is that week. It was suggested we get a local lady to come speak with us about a book she has written. Harmony Hill was brought up and mentioned that we should do something with them. This was talked about and the ladies decided that we might like to do a watermelon or a sundae social with them in July and perhaps an art project. Pennye will contact the Home and let us know at our next meeting.

We ate something many of us had never had before, quinoa. This was also mentioned in the education topic of the evening, Create a One -Dish Meal, presented by Danita Laman. Also she passed out a quiz on crock-pot cooking. Did you know that the vegetables should go in before the meat? It was very informative.

Next month's meeting will be hosted by Mary Mays. The meeting was adjourned by Pennye Mays and accepted by all.

Hunker Down with Kes

We Did Hit The Broadside Of A Barn!

I pulled up beside a thirteen-year old driver stopped at a traffic light. She was putting on make up, drinking a cup of what I supposed was coffee, tweeting or texting (I don't know the difference), adjusting the radio and brushing her hair. As the light turned green, I sat for a moment and let her move on out. She was about half dangerous! And clearly not thinking! And, OK, maybe I'm exaggerating just a tad, she could have been fifteen.

The road has become a gamble every time we get behind the wheel. I'm sure the National Safety Board has some startling statistics about the number of cell phone related accidents. But listen, we don't necessary need that report. We spy it every day with our own little eyes.

I reckon the road was a lot safer back when I was just embarking on my driving career…

Of course, we didn't have seat belts. We just bounced up and down like popcorn kernels exploding over an open flame if the road got rough. When Nicky Joe took that big curve out on the Shiloh Road on two wheels, you were going to end up in somebody's lap. When Leon rolled the car off the embankment out on Highway 22, it was like you were inside a washing machine stuck in the spin cycle.

I wasn't nearly as old as the young lady at the traffic light when I first slid behind the wheel of our 1951 Chevrolet. My foot wouldn't quite reach the pedal. I sat on an upside down Coca-Cola case and tied a cut off two by four to my right foot as I backed slowly and carefully out of the side yard. I knew better than to drive to town. But I figured a little spin out the Como Road couldn't hurt nobody.

I didn't have near the distractions as the young lady at the traffic light. My crew cut didn't need combing, I was way too young for coffee, thankfully the make up was a moot point, the car didn't have a radio and I was not encumbered by any "hand held devices". All of my little fingers were firmly on the steering wheel I was looking THROUGH!

We'd never thought about air conditioning back then. On those hot summer rides to town we'd stick our heads out the open window to catch a little "fresh" air. It was so invigorating that we'd get somebody to hold our legs so we could lean our entire upper bodies out the window. Thinking back on it now, the National Safety Board might have had some discouraging things to say about that.

We'd sometimes catch a ride to town in the back of Mr. Roy Manley's pickup. We'd sit on the tailgate and let our feet dangle off the back. It was pretty safe unless Mr. Roy hit one of those potholes up in front of Glenn Chalk's house. We'd bounce right off the back and tumble a mite down the middle of Stonewall Street. We were pretty fortunate that usually there wasn't much traffic moving along there except on Sunday afternoons.

The Safety Board would probably frown on the rock throwing too. It was a favorite "ride along" pastime before cell phones, iPads and Facebook. We'd load the floorboard with loose gravel and toss it at signs, mailboxes, fence post, near by trees and any other "targets" we could find racing out the Huntingdon highway.

We'd climb plumb out the window to get "a good shot" at an approaching Burma Shave sign. To hit a barn on the opposite side of the road you'd have to slow down to about fifty, select the perfect rock, place the knee opposite your throwing hand on the window sill, hold on to the antenna and give the hurl of a lifetime over the roof to even have a chance. Sometimes we'd have to circle back around by that barn four or five times before someone scored.

Rabbit hunting off the front fender of Uncle Clifford's old International probably wasn't the smartest thing we ever did. But it was fun! And the rabbits were pretty safe. Annie Oakley would have had problems hitting a bouncing rabbit hopping down a semi-trail of a road on a dark night while trying to hold on to an equally bouncing half ton pick up truck!

Drag racing down the main highway (ok, the only highway) through Clarksburg was not the most brilliant of ideas. But the road there was straight and pretty flat. And the streetlights were a big help. It sure was better than the time trials we ran out on the Clay Pit road. That thing was not paved, very crooked, narrow and if the moon was not out, it was darker than the inside of an unlit coal mine at midnight.

On second thought, we might have been safer with the hand held devices. It wouldn't have kept us "off the streets" but it could have slowed our pace and diverted our attention from the rabbits and Burma Shave signs.

And on third thought, the multitasking young lady stopped beside me at the traffic light might think I was the pot…calling the kettle black!

Respectfully,
Kes

Carroll County Humane Society News

June is "Adopt a Shelter Cat Month" and in recognition of this, CCHS has a reduced adoption rate of $40 on many of our feline shelter residents for the entire month! Remember, all of these cats are spayed or neutered, are current on their shots, and have tested negative for FIV/FeLV. Some of these cats have been with us for several months, through no fault of their own. A few of them have special needs and a few of them are a little shy. And others are still with us simply because they have been overlooked due to the sheer number of cats that need adopting. If you have been thinking about adopting a cat, this month would be a great time to do so! Come and visit all our cats at 21822 Hwy 22 in McKenzie Monday-Friday 8 a.m.-1:30 p.m. and Saturday 10 a.m.-3 p.m.

Are you interested in adopting a kitten? Why not make it a double? During June, we have a special adoption fee of two kittens for $100! The adoption fee for one kitten is $60. Right now we have just a few kittens that are ready to go to new homes. However, we have 23 more that will soon be old enough to be altered, and after that they will all be looking for new homes! If you visit the shelter and see one or two you would like to adopt, you can go ahead and pay the adoption fee now and we will hold those particular cats for you until they are spayed or neutered.

CCHS is hosting "Breakfast with Dad" on Saturday, June 20 from 7-10 a.m. at the Carroll Bank and Trust Community Room in Huntingdon. An all-you-can-eat breakfast buffet will be served, $7 for adults and $3 for children under 10. There will be door prizes awarded throughout the event.

We are raising funds on a crowd-funding site at youcaring.com/CCHS-medical. Donations can also be made in person at our shelter facility at 21822 Hwy 22 in McKenzie or mailed to P.O. Box 384, McKenzie, TN 38201. In the last few months, Carroll County Humane Society has been overwhelmed with dogs and cats requiring special medical care. We have had multiple heartworm-positive dogs, a dog and a cat who have each needed amputation of a leg, several dogs from a neglect case who needed treatment for mange, a cat with a broken leg, another cat with a badly infected bite wound, an emergency C-section for one of our dogs, and the list goes on. This is in addition to our usual medical costs, which include vaccinations, spay/neuter, heartworm and FIV/Feline Leukemia testing, and treatment for the usual illnesses that crop up in any dog or cat from time to time. Please consider helping us so we can continue to take in the unwanted dogs and cats in our area and provide them with much-needed medical care. We appreciate every single donation, no matter the size!

The Carroll County Humane Society is a No-Kill Animal Shelter in McKenzie, West Tennessee. (We do not euthanize to make space nor do we limit the amount of time an animal can stay at our shelter.) We are a 501(c)(3) non-profit organization, with funding coming entirely from private contributions, bequeaths, fundraising and grants. We care for approximately 250 animals at one time in a building we've purchased and in foster homes. Our goal is to utilize Adoption and Spay/Neuter as our community's animal population control - not euthanasia. We hope to insure that all companion animals have a warm, safe, loving home and to assist and educate the public about proper pet care. We also give shelter to abused animals while assisting law enforcement to prosecute their abusers.

LETTER TO THE EDITOR POLICY

Looking Back
From Our Archives...

10 YEARS AGO – The Trezevant High School gymnasium, the last remnant of the school, was demolished to make way for the Farmers and Merchants Bank central office.

*A dead, 12-foot boa constrictor was discovered in the dumpster at the Hillview Apartments in McKenzie. The incident led to widespread rumors that the animal had originated from the Trezevant bottom before the police report revealed the actual origin. The identity of the owner and the cause of the snake's death remained unknown.

*A Camden man driving recklessly evaded police on a chase from Enon Church near McKenzie to the stoplight in downtown Trezevant, where the suspect, Roy Hood, Jr., collided with a Carroll County deputy's vehicle.

20 YEARS AGO – The Department of Transportation announced the selection of the location for the new segment of State Route 22 in Carroll County. The new road would begin near Clyde Johnson Road and extend northward to State Route 364, the Huntingdon Bypass. The choice was overwhelmingly supported by comments from citizens and public officials at an earlier meeting.

*Sidewalks in front of businesses along Cedar Avenue in McKenzie were removed to make way for a new concrete foundation. The repairs were made from Super Drugs down to the Park Theatre, which reopened later that week.

*Prior to his retirement, MSSD superintendent Joe Williams set into motion plans to construct a new building to be used either as the junior high or high school. The board appointed a committee to oversee plans for the project.

50 YEARS AGO – A newly-lighted baseball field was formally opened at the corner of Locust and Mulberry Street. Two games were held on the inaugural night. Vicker's Motor Company played against Gaines Manufacturing, then the Huntingdon and McKenzie American Legion teams faced off.

*Mrs. Leon Colbert, a 42-year-old mother of three, received her Bachelor of Science degree from Bethel College, 31 years after she was an elementary school dropout.

*Three members of the staff of the McKenzie office of the Metropolitan Life Insurance Company travelled to Hot Springs, Arkansas, for a business conference with company officials. Ross Martin, Leaburn Allen, and Jerry Schoonover attended the conference at the Arlington Hotel.

McKenzie Memorial Library News

By Jean Melton

Our Summer Reading Program ends Tuesday June 23rd at 1:00 p.m. with the emergency medical technicians!

We are fortunate to have had U.S. Army Sergeant Major Spiro Roditis, NHECM and friends, McKenzie Fire Department's finest and the McKenzie police chief and Officer Winberry provide excellent programs for the participants. I honestly think that the parents benefited from these programs as well as the children.

"Every Hero has a Story' has been an awesome theme to work with this summer, I only wish that we could have had more programs with additional heroes. All of our service personnel are heroes to us and we can never thank them enough for what they do. We look forward to next week' program at 1:00 p.m. at the Library.

MEMORIALS RECEIVED:

'In Memory of Bailey Wrinkle' given by Carol and Dick Brewster

'In Memory of James Buddy Wiggleton" given by Carol and Dick Brewster

'In Memory of Bailey Wrinkle' given by Carolyn Potts-A New Book is being purchased about the Navy and will be dedicated in his memory.

'In Memory of James Buddy Wiggleton' given by Linda and George Howton

DVDs Donated: Lynne Ann Murray and Destiny Dugay donated the 1st, 2nd and 3rd seasons of 'Will and Grace' to add to the DVD collection

Carol and Carson Hill donated several DVDs to add to our collection for your enjoyment

Please don't forget that we have a Blue Elephant on our circulation desk that is very willing to take donations for the Library.

We appreciate any support provided for the Library.

Chief Moates and Officer Winberry did an exceptional job and Ernie Smothers was here from the McKenzie Banner to cover the story and take pictures. Ernie is a lifesaver for us and so talented with his coverage. The adults all agreed today after the program the Police Department presented that we wish we could have them present an adult program on safety and awareness for us. Please watch for the article about today's program in the Banner.

Hope to see you next week!!

Card of Thanks

The family of
Janie Annelle Ellis
would like to thank everyone for all the caring deeds and acts of service shown during this difficult time. The visits, food, and especially the prayers were very much appreciated. The beautiful songs sung by Highway 22 were Heavenly. Thanks to Bro. David Gargus for the message and everyone who spoke kind words during the funeral. A special thanks to Bro. Tim Coleman and the members of Fairview Baptist Church for the delicious meal that was provided after the funeral services.

Your continued prayers are appreciated,

FIVE CHEESE GARLIC BREAD

1 loaf French Bread, sliced
Margarine
Garlic powder
Cheddar, Swiss, Colby, Mozzarella and Parmesan
Cheeses, shredded or cheeses of your choice

Spread bread with margarine, then sprinkle with garlic powder. Next, layer the five cheeses. Heat in the oven at 325 degrees, until the cheeses are melted.

Mayonnaise Biscuits

1 cup self-rising flour
½ cup milk
3 tablespoons mayonnaise

Stir ingredients together until smooth. Drop from spoon into 6 greased muffin tins. Bake in 450 degree oven for 12 to 15 minutes, or until brown. Yield 6 biscuits.

SOUTHERN SPOON ROLLS

1 package dry yeast
2 cup very warm water
¾ cup melted margarine
1 beaten egg
4 cups self-rising flour
½ cup sugar

Dissolve yeast in water in small bowl. In Large bowl, cream together sugar and melted margarine and add egg and yeast mixture. Stir in flour until well mixed. Place dough in airtight container, filling container not more than 2/3 full. Refrigerate 1 to 2 hours before baking.

To bake, drop by spoonful into well-greased muffin pans. Bake at 350 degrees for about 20 minutes, or until well browned. Dough will keep several days in refrigerator. Use as needed. Makes 2 ½ dozen rolls.

MEXICAN CORNBREAD

2 cups self-rising flour
2 eggs
1 medium onion, chopped
1 small green pepper, chopped
8 oz. sour cream
1 small can cream style corn
2/3 cup oil

Mix together and bake at 350 degrees for 45 to 50 minutes.

Silver Threads Quilt Guild

The Silver Threads Quilt Guild has been busy with several classes, among them was the Schelp Bag. These bags are quilted and can be made in any size. The class was taught by Jean Wininger with half a dozen bags completed.

Several "Member Sew Days" were organized to work on Tote bags for the fair. The complimentary Tote bags will be given out at the Carroll County Fair. Silver Threads members participate annually on Senior Fair Day by providing a beautiful quilt exhibit and the Silver Threads Knitting Group also has a lovely display of knit goods.

Becky Ross held a class on making mini ironing boards, these are particularly useful when paper piecing.

Many members are sewing lap robes and throws, they will be donated to the TN Veterans home in the fall.

Silver Threads members enjoyed a beautiful picnic at the Veterans Park in Huntington the end of May. They had a wienie roast plus a host of baked beans, potato salads, casseroles and unlimited desserts. Members enjoyed showing their "Ugly Fat Quarter" projects, those participating in the Block of the Month also displayed them. Maureen Carreiro organized the "Joys of Winter" Appliqued block as well as the Unfinished Projects

Silver Threads Quilt Guild member Elizabeth Thomsen displays a beautiful Madison Square table runner. Elizabeth has been quilting for many years and a member of the club for twelve years.

test. Bill Handley won a beautiful quilt bag donated by Phyllis Ramsey and Lyn Wadginski won the lovely basket of goods donated by Patricia Welch and Jayne Heinz. The morning was finished off with a lively game of Bingo, which everyone enjoyed.

Silver Threads Quilt Guild meets every third Tuesday at 10:00 a.m. at the Carroll County Complex on High St. in Huntingdon. For more info call Jean 731-415-7889 or Tammy 731-694-0602.

Town of Bruceton

(L-R): Bruceton aldermen Robert Cole, Cliff Sturdivant, and Scotty Higdon listen intently as City Recorder Annie Hand explains the FY 2015-16 budget.

First Reading of FY 2015-16 Budget Approved

BRUCETON (June 9) — Via 4-1 vote, Bruceton's Board of Aldermen approved the first reading of the FY 2015-16 budget and county-certified property tax rate of 1.8076 per $100 assessed value.

Alderman Robert Cole cast the lone dissenting vote.

City Recorder Annie Hand noted that the slimmed-down FY 2015-16 budget was achieved via the cooperative efforts of city department leaders.

She said, "Most of our department funds experienced net revenues. Thankfully, the $2,698 deficit to the General Fund was far less than the estimated amount of $40,000. That number was utilized back when the financial status of the town was unknown. With the assistance of MTAS, we were able to pull things back into shape financially. MTAS and I calculated the budget numbers three times today, and these numbers are right."

She continued, "The Water and Sewer Fund ended FY 2015 with a deficit of $27,331. In 2014, strong revenues from leachate collections helped Water and Sewer achieve a net income of $75,277. $70,000 in leachate revenues was budgeted for 2015, but we didn't even get close to that amount. We have budgeted for much smaller leachate revenues for 2015-16."

Hand said the process of getting the Water and Sewer Fund back to profitability as required by the state has been a balancing act. Water revenues look better this year, but the expense schedule has been slimmed-down.

She added, "Water and Sewer fund balances should be more controllable now that we can see revenues and expenses. We know now what we can spend. The proposed budget for 2015-16 reflects positive revenue of $7,830."

Hand also noted that the county tax assessor's office had devalued property in town by $100,000 to match the tax revenues that were received the previous year and to avoid the raising of property tax rates.

She said, "What this means simply is that there will be no property tax increase to residents unless substantial renovations have been performed to properties meriting a tax increase."

A second reading of the FY 2015-16 budget and property tax rate was approved for Friday, June 26 at City Hall.

The board, via 4-1 vote, approved the first reading of the amended 2014-15 budget as read.

Alderman Cole cast the lone dissenting vote.

Alderman Scotty Higdon commended Hand for restoring the town's budget.

He said, "All of us on the board are very pleased with your performance. It is great to actually know what our financial position is after not knowing for so long. We appreciate your working so hard to put things back into order. I'm thankful that we hired you. It's a good day for the Town of Bruceton."

The board unanimously approved pursuit of $175,000 no-match, CDBG emergency grant funds to aid in the construction of a new fire station.

In related business, the board unanimously approved acceptance of 1.34 acres of property donated by Apex (formerly Bank of Bruceton) for the new town fire station and spending $2,400 for soil testing the land prior to the pouring of concrete as required by the state.

The board unanimously approved an ordinance repealing Municipal Code Ordinance 05-05 replacing Water Leak Adjustment Policy Section 1.

The new Water Leak Adjustment Policy states that no adjustment shall be made to any utility bill (water or wastewater) if a water leak occurs inside a residence where the water went into the wastewater system included but not limited to commode leak, faucet leak, appliance leaks, etc.

No adjustment shall be made to any utility bill for water use if the leak occurs outside a public building or private residence between the structure and the city owned water meter, including but not limited to supply lines meter to residence, supply lines residences to outbuildings, pools, outside faucet / hydrant or hot tubs, etc.

An adjustment may be made with the approval of the Director of Public Services or appointee to a utility bill for wastewater (not water use) use if a water leak occurs outside a public or private residence if the following criteria are met: upon discovery of the leak, the Town Hall is notified immediately; and a Water Department inspection satisfactorily proves to the Town that the leak has been fixed.

Upon arrival of the Director of Public Services or appointee an adjustment to the fee of wastewater usage may be as follows:

The usage may be adjusted to the average of the last three months including the high usage month.

No wastewater adjustment will be made for water use after the Town inspection has taken place.

Only one (1) adjustment will be provided per twelve (12) month revolving calendar.

The past due balances must be paid in full prior to any adjustment being granted.

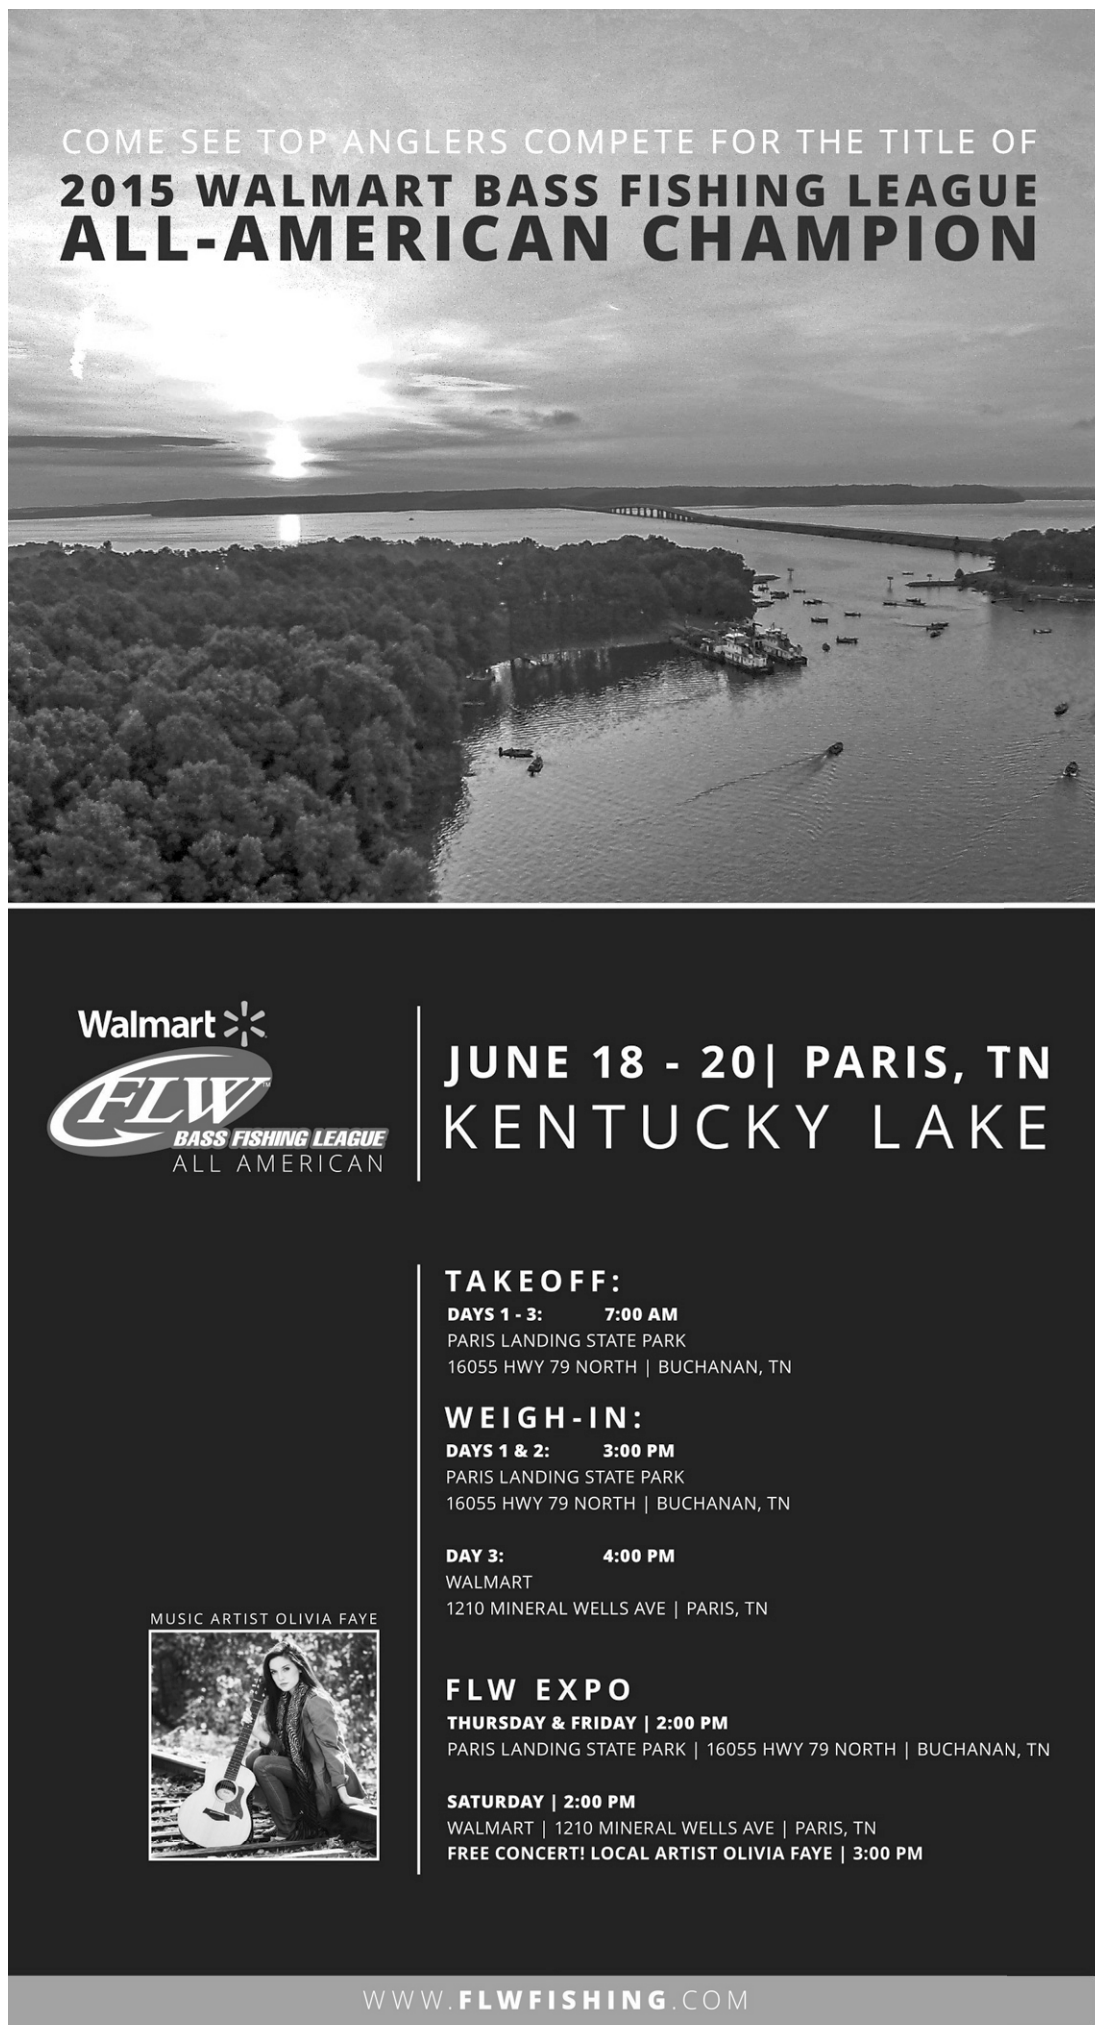

The Public Services Director's decision on the adjustment will be final.

Ordinance 05-05 also allows the Town Clerk to adjust a bill to correct a misreading.

In final business, the board unanimously approved carrying 34 hours of vacation owed to former City Recorder pro-temp and current office worker Holly Spencer to the next year.

Prior to approval, Mayor Robert T. Keeton II said, "This is basically a one-time deal that does not apply to other city employees. Holly was unable to use her vacation time because she was the only person working in the office prior to the hiring of City Recorder Hand."

Aseracare Hospice Hosts 'A Butterfly to Remember'

By Brad Sam
banner@mckenziebanner.com

McKENZIE (June 14) — Aseracare Hospice hosted "A Butterfly to Remember" Sunday afternoon at McKenzie City Park. The memorial event was held to honor those lost over the past year.

Following a welcome by Aseracare Executive Director Kim Brannon and a prayer by Carroll County Mayor Kenny McBride, McKenzie Mayor Jill Holland spoke about the significance of the butterfly. "The butterfly," she said, "as a symbol of hope, is a meaningful representation for anyone who has worked with hospice." She noted, "The Greek words for 'butterfly' and 'soul' are one and the same... We like to believe that the butterfly represents lasting connection and enduring love."

Keynote speaker David Johnson then addressed those present. He spoke about grief, calling it "the most personal experience a person can have." He said that there are five universal questions associated with loss: What if? Why didn't I? Why did it happen? When am I going to get over this? Why am I still hurting? He then offered a question that those suffering with grief should ask: Can I continue living despite what has happened? "Yes," he said, "you can. You are alive, surviving, moving forward. Your loved ones will live in your heart forever."

Katelyn Taylor then gave a sign language performance of "I Can Only Imagine".

Next, Rolling Thunder, an organization committed to bringing full accountability for the Prisoners Of War-Missing In Action (POW/MIA) of all wars, carried out the Missing Man Ceremony. Following the posting of colors and the playing of the National Anthem, Rolling Thunder's Jim Phelps narrated the solemn act, in which a reserved table, set for six to represent each of the five branches of service plus civilians, remains empty to symbolize those still missing. As he spoke, the moving bagpipe arrangement of "Amazing Grace" was played. During a moment of silent prayer, the five service covers and the civilian cap were placed at the empty table settings. Phelps explained the significance of the items at the table: "The table is round, to show our everlasting concern for our men still missing. The tablecloth is white, symbolizing the purity of their motives when answering the call to duty. The single red rose, displayed in a vase, reminds us of the life of each of the missing, and their loved ones and friends who keep the faith, awaiting answers. The vase is tied with a red ribbon, a symbol of our continued determination to account for our missing. A slice of lemon on the bread plate is to remind us of the bitter fate of those captured and missing in a foreign land. A pinch of salt symbolizes the tears endured by those missing and their families who seek answers. The Bible represents the strength gained through faith to sustain those lost from our country, founded as one nation under God. The glass is inverted, to symbolize their inability to share this evening's toast. The chairs are empty; they are missing." Phelps then led a toast, "to honor America's POW/MIA's and to the success of our efforts to account for them".

Next, the names of all Aseracare civilians who passed away in the last year were read alternately by Spiritual Care Coordinator Darrell Pollock and Mayor McBride, and the names of those who were service members were read by SFC Richard Ozment. As the names were read, Sheila Mitchell Hart played the harp.

Then, David Johnson recited the Butterfly Poem, by Tanya Lord: "The butterfly is Nature's way of reminding us that there is Hope in grief. When the caterpillar is no more, the butterfly exists in ultimate freedom and beauty."

Aseracare Regional VP Gary Walker then thanked everyone for participating and directed them to a clearing for the butterfly release. Everyone was given a small envelope containing a butterfly waiting in hibernation. After all butterflies were released to flutter around the area, Pollock said a prayer and expressed his hope that the ceremony had been uplifting for those struggling with loss.

Following the ceremony, attendees enjoyed delicious refreshments as butterflies lingered amongst them.

WCES Celebrates TCAP Success

TREZEVANT — Leading up to this spring's TCAP testing, West Carroll Elementary School held an academic pep rally to get ready. The theme for TCAP was ROCK THE TEST. Local businesses made donations so that TCAP week would be a memorable one. Student's names were drawn each day and they were awarded prizes. The big draw came on the last day of school when students won bikes and tablets. WCES would like to thank Domino's Pizza of Huntingdon, Sonic of Huntingdon, G&C Supply, Hometown Grocery, City Drug, Tolley & Lowe, Tony's Pit Stop, Citizens Bank & Trust, Buffalo Wild Wings of Jackson, Carroll Bank, Farmers & Merchants Bank, Relevant, Family Check Advance of Milan, Dairy Queen of McKenzie, Milan Ritz Theatre, Huntingdon Court Theatre, The Skating Place, Adrians, McDonald's, Pizza Hut of Milan and Huntingdon, Sonic of Milan, Papa John's of Milan, and Burgers & More of Trezevant.

Winner of tablets (l to r): Claire Browning, Dori Johnson, Mary Millsaps, and Lillian Neel.

Scott's Annual Celebration

On Sunday, June 7th, the Scott's met with family and friends at the barn in the McKenzie Recreational Park, a perfect place for all outdoor gatherings.

People came from Memphis, Cordova, numerous areas such as Huntingdon, McKenzie, McLemoresville, Lexington, Trezevant, Big Buck, Trenton, Jerrell, Dyersburg, and other areas of West Tennessee along with Nashville, Mississippi, and Florida.

Those signing the register were: Melvin Scott, James Scott, Thelma Sawyers, Bobby and Diana Sawyers, Laverne (Akins) Belew, Betty and Earl Akins, Michael and Janice Scott, Alan and Sheila Scott, Carolyn Linville, Chris Prichard, Jerith Sparks, Robert Sparks and daughter Audrey and friend Hida, John and Kay (Scott) Hope, Hollis Scott Jr, Tabby, Wayne, Dena, Dejuan, and Kevin James, Ashlie, Chris, Ashlin, and Lily Suchomel, Austin Brown, Holly, Jonathan and Cadee Mac Bingham, Zach Ehart, Debbie Erhart, Dennis R. Scott. Michael Lee, Ronnie Ward, Anita Sawyers, Margaret Gossett, Vivian Denton, Phil McEnamy, Annie Mac Holland, Margaret Flippin, Pat and Jim Presgrove, John and Pat Mitchell, and Don Corbin.

All enjoyed a bountiful meal after the blessing of the food.

The meal was followed with entertainment by the Scott Band.

Anita Sawyers again made Mrs. Josie Scott's famous Coconut Cake, and none was left!

Gasoline Prices Rise Over Week

June 15 — Average retail gasoline prices in Tennessee have risen 7.0 cents per gallon in the past week, averaging $2.57/g yesterday, according to GasBuddy's daily survey of 3,821 gas outlets in Tennessee. This compares with the national average that has increased 5.5 cents per gallon in the last week to $2.81/g, according to gasoline price website GasBuddy.com.

Including the change in gas prices in Tennessee during the past week, prices yesterday were 83.0 cents per gallon lower than the same day one year ago and are 13.7 cents per gallon higher than a month ago. The national average has increased 11.1 cents per gallon during the last month and stands 85.8 cents per gallon lower than this day one year ago.

"Thanks to a large surprise decline in both crude oil and gasoline inventories last week, gasoline prices unexpectedly regained upward momentum," said Patrick DeHaan, GasBuddy senior petroleum analyst. "The government's weekly report on petroleum supplies was a major departure from what we've seen this far in 2015: major jumps in crude inventories, so the market reacted significantly to the year's first big decline in supply. Meanwhile, continued and new glitches in the Great Lakes region has led to a big spike in prices throughout Michigan, Indiana, Ohio, Illinois, Kentucky, West Virginia and Wisconsin. It's been a rough week at the pump as unexpected malfunctions and summer maintenance have led to very tight supply in the region. The rest of the country saw modest increases in the last week with the primary catalyst being the lousy EIA report. Should we see another big surprise this week, I don't want to see the market's reaction- I see oil currently overvalued and believe the market will eventually come to its senses," DeHaan said.

Jeffrey and Audrey Starr welcomed their second child, Emmett James Starr, born May 8, 2015, at 9:58 a.m. at Southview Maternity Center in Dayton, Ohio. He weighed 7 pounds, 9 ounces, and was 20 inches long. He was welcomed home by big brother, Owen, born Nov. 10, 2011. Maternal grandparents are Jim and Sharon Scruton of McKenzie, Tenn.; paternal grandparents are Susan Starr and Jeff and Diane Starr, all of Erie, Pa.

Andrea Cottrill Joins Long Heights Staff

Andrea Cottrill has joined Long Heights Baptist Church as the Children's Ministry director. She will oversee and develop the ministry to children ranging in age from nursery to fourth grade, along with two children's choirs and the children's chapel.

Mrs. Cottrill, her husband, Keith, and daughters, Clair and Grace moved to McKenzie from West Virginia when Mr. Cottrill accepted the position of band director, instructor at Bethel University.

She holds a bachelor's degree in Music Education from Shenandoah Conservatory of Shenandoah University in Winchester, Virginia.

She has experience in the Gibson County Special School District, teaching music at Beulah Elementary School and AG Richardson Elementary, and worship and outreach coordinator at the Guardian Christian Academy. She worked at Culpeper County Middle School and has worked at the Dixie Carter Performing Arts Center as co-director of the Dixie Children's Chorus.

Kenny Carr, pastor of the church, said, "As you can see, Andrea is a very driven and gifted individual. If you have any questions about Children's Ministry and the opportunities that are available for your children and your family, we would love to hear from you."

Carroll Insurance Agency Welcomes KC Covington

McKENZIE — Carroll Insurance Agency, part of the Westan Insurance Group, Inc., announces the addition of a new agent. KC Covington joined the downtown McKenzie office in February and is CIA's commercial agent.

Covington is a 2009 graduate of Obion County Central High School and a 2014 graduate of the University of Tennessee at Martin. He currently resides in McKenzie.

The new commercial agent said, "Since joining Westan, I've had the opportunity to meet numerous people in Carroll County, and they've welcomed me with open arms. I look forward to serving the needs of business and agriculture in the area for years to come."

Covington joins familiar faces at the office in Agency Manager Jennifer Hastings and agent Amber Sam. Hastings said of the hiring, "I think KC is a great addition to our team. We look forward to being the go-to agency for all of Carroll County's insurance needs."

Carroll Insurance Agency is located at 49 Broadway in downtown McKenzie and can be reached at 731-352-5307.

Courtney Caton Contends for Miss Tennessee

HUNTINGDON (June 11) — From June 17-20, Courtney Caton, 20, daughter of Jean and Brian Caton, will compete inside the Carl Perkins Civic Center in Jackson with 36 contestants at the 63rd annual Miss Tennessee Scholarship Pageant.

Competing under the title of Miss Mid-South, Caton is representing the Tipton County / Mid-South preliminary organization.

Following a first-day interview with the Judges' panel, Courtney will perform Ballet on Pointe on Wednesday; compete in Swimsuit judging on Thursday and evening gown competition; and answer on-stage questioning of Friday.

The event concludes on Saturday when judges cut the competitive field to the top 15 and 10 and five before crowning the 2015 Miss Tennessee.

Miss Tennessee will then travel to Atlantic City, New Jersey in September to compete for the title of 2015 Miss America.

Miss Tennessee pageant qualifiers must compete and win one of 36 preliminary titles. Upon winning the title, Miss Tennessee must perform volunteer work via the platform of her choice and serve as advocate for the Children's Miracle Network Hospitals-the Miss America's organization's national philanthropy.

Born premature at a weight of two pounds and 10 ounces, Courtney has selected the March of Dimes as her platform. During the past year, she has served the March of Dimes organization via participation in walks and fundraisers. In addition, she created Miracles in Small Packages, a service initiative that provides care packages for premature babies and families in hospital Neonatal Intensive Care units.

Drew Hayes Excelling At Triple-A Louisville

By Ernie Smothers
smothers@mckenziebanner.com

Former McKenzie Rebel multi-sport great, Bethel and Vanderbilt pitching ace, and Cincinnati Reds 2010 draft selection Drew Hayes is making the most of his Triple A promotion to the Louisville Bats, a Cincinnati Reds affiliate.

Called up from the Pensacola Blue Wahoo's in late-April of this year by Louisville, Hayes has earned an impressive 3-1 record that includes his latest win, a 4-2 victory over the Syracuse Chiefs in Syracuse, New York, on Wednesday, June 3.

Pitching a perfect clutch ninth inning, Hayes struck out two to defeat the Chiefs.

In 24.5 innings pitched for Louisville, Hayes has seared 22 strikeouts and accumulated a miniscule Earned Run Average of 2.19.

After leading the McKenzie Rebels to the 2006 Class A Baseball title, Hayes, the son of Glenn and Joyce Hayes, pitched one year for the Bethel Wildcats before working the mound for three years with the Southeastern Conference Vanderbilt Commodores. Having passed up draft opportunities in 2006 (Arizona Diamondbacks-round 29) and 2009 (Seattle Mariners-22nd round), Hayes was drafted upon graduating from Vanderbilt in the 11th round by the Cincinnati Reds.

Since inking with the Reds organization, Hays has pitched for affiliate teams in Billings, Montana, Dayton, Ohio, Peoria, Illinois, Glendale, Arizona, Independent League Dominican Republic Winter League's Estrella de Oriente, and Reds affiliate Pensacola Blue Wahoo's before getting the nod to join Triple A Louisville and advance to one rung beneath the Major Leagues.

Mustang Sadarius Hutcherson Receives D-I College Nods

Huntingdon High School senior standout fullback / defensive end Sadarius Hutcherson has been garnering attention from Division I colleges. Listed as the #30 prospect in Tennessee, the three-star prospect pushed himself via off-season workouts to significantly increase his bench press to 290 pounds and power clean maximum to 270 pounds. Ramping up speed-wise, Hutcherson recently recorded a 4.9 40-yard dash time at MTSU's camp.

After the 6' 6" linebacker received his first NCAA Division I FBS scholarship offer in early May from Middle Tennessee State, several schools came calling, with Louisville and Memphis jumping into the hunt one week later.

Next up were Ole Miss, Mississippi State, Arkansas, Missouri and North Carolina State.

Hutcherson said that he is currently leaning toward Louisville due to Cardinals head coach Bobby Petrino's upfront enthusiasm and pursuit to sign him after watching highlight films of his on-field performances.

Although he is excited about the spike of interest in him by college recruiters, Hutcherson is taking his time deciding on which school to fully commit to.

His current plans are to forgo future camp and focus on workouts at Huntingdon to deliver his best performances for himself and his school.

Hutcherson credits Mustang Head Coach Eric Swenson for helping him focus on making the right choices and sharpening his work ethic.

Fueled by the collegiate and NFL success of former Hollow Rock-Bruceton standout Patrick Willis, Hutcherson is determined to follow him to the next level.

He said "Patrick Willis played at Bruceton, which is a very short distance from Huntingdon. He went to Ole Miss before going on the NFL and becoming one of the best ever to play linebacker."

Hutcherson hopes to embark on a journey that parallels Willis', and he's taking the beginning steps for that journey.

Lady Cats Sign Broaddus University Standout

(Courtesy Bethel SID)

MEMPHIS (June 11)–Bethel Women's Basketball Head Coach Chris Nelson added depth to his post play Thursday with the signing of former Houston High School and Alderson Broaddus University standout Madeson McCaster.

The daughter of Donald and Cassandra McCaster of Collierville, Tennessee and will major in Athletic Training/Physical Therapy.

Madeson shot 50 percent from the field and averaged four rebounds, two assists and two blocks per game at Alderson Broaddus. She feels her strengths are rebounding and her ability to look for the open teammate with assists.

Coach Chris Nelson commented, "Madeson will add much needed depth to our past positions. We are excited to get her on campus and start working with her."

West Carroll High School Football

Josh Wolfe Takes War Eagle Helm

ATWOOD (June 15)– During an interview with The McKenzie Banner. West Carroll High School principal Dexter Williams said that 2001 War Eagle alumnus Josh Wolfe has been hired to replace Josh Fronabarger as the school's head football coach.

He said, "The West Carroll community is excited to have an alumnus return to lead our football team. I am very confident that Mr. Wolfe is going to do whatever it takes to move our football program forward."

In addition to his coaching responsibilities, Wolfe will teach physical education.

After graduating from West Carroll, Wolfe played football four years at Lambuth University in Jackson before serving for several years as an assistant coach at Camden Central High School.

Cats Net Blackman Standout

(Courtesy Bethel SID)

MCKENZIE (June 13)– Former Blackman High School standout and MTSU redshirt freshman Andrew Rogan signed with the Bethel University men's basketball program.

The son of Detrick and Sherrill Nelson and Ryan and Chandra Porter of Murfreesboro, he will major in Accounting at Bethel.

Andrew will join the Wildcats as a freshman after red-shirting at Middle Tennessee State University last year. During his prep career at Blackman he was all-district and all-region both his junior and senior seasons. He was a TSSAA All-State performer his senior season and helped lead BHS to the state championship. He averaged 10 points, five rebounds and four assists his senior season. During his prep career Blackman won three district and two regional titles.

He feels his strengths are his skill levels, leadership and work ethic.

He was recruited by Martin Methodist, MTSU, King College, Maryville, Motlow State and South Alabama.

Bethel Coach Jeff Britt commented on the latest addition to the Wildcat program. "We are very pleased and excited to have Andrew join our program. Hopefully he will give us some much added depth at the wing positions for the next four seasons. I look forward to working with him and having him join our team. He is an integral part of our incoming class."

Huntingdon Police Reports

Domestic Assault

•A Benton County man was arrested June 6 for allegedly attacking a Benton County woman at a motel in Huntingdon.

Patrolman Brian Bennett charged Daniel Jordan Russell of Big Sandy with domestic assault. According to Bennett's report, officers responded to a public disturbance call at room 22 of the Huntingdon Motel. Officers spoke with Emily Dotson of Camden, who told officers that Russell had kicked her and her two children out of the room, spit on her, and hit her in the face with shoes. Officers observed that Dotson had bruises on her face. Bennett noted that Russell was "highly irritated and very intoxicated" when officers were speaking with him.

• • •

DUI

•A Huntingdon man was arrested during a June 9 traffic stop for allegedly driving in an intoxicated state.

Patrolman Michael Krause charged Roger D. Wallace of 695 Clarksburg Road with DUI (second offense), driving on a revoked license, and a light law violation. Krause reported that he pulled over a black Dodge flatbed truck driven by Wallace due to a nonfunctioning taillight. According to Krause, Wallace smelled strongly of alcohol, and his eyes were bloodshot. Wallace performed poorly on field sobriety tests. While searching the vehicle, Wallace found an empty 18-count beer box and a partially consumed beer in the passenger's side door. A female passenger told Krause that the beer belonged to Wallace and that she put the beer in the door when they were being pulled over. A computer check revealed that Wallace's license was revoked and that his license plate did not match the vehicle.

• • •

Shoplifting

•A Huntingdon man was arrested June 3 for allegedly stealing an item from a local department store.

Investigator Joey Hedge charged Garrett S. Weatherford of 13785 Paris Street with theft under $500 and criminal trespassing. According to Hedge's report, Weatherford was being detained by Joe Lowe, head of Loss Prevention at Wal-Mart in Huntingdon, when officers arrived at the store. Lowe told officers that Weatherford had taken a DVD out of the store without paying for it. Hedge noted that Weatherford has a prior theft conviction for stealing from Wal-Mart and was ordered by the court not to be on Wal-Mart property.

• • •

Drug Possession, License Violation

•A Huntingdon man was arrested during a June 6 traffic stop on East Main Street.

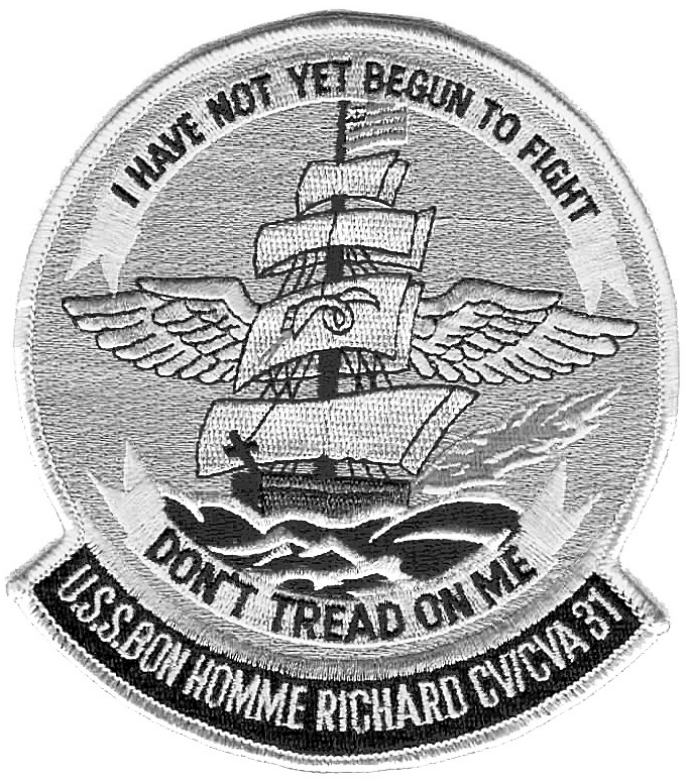

Sgt. Chris Cole charged Kristopher Laman of 550 White Oak Road with simple possession of a schedule II drug and driving on a revoked license. According to Cole's report, he pulled over a 1991 Ford F350 driven by Laman because he had prior knowledge that Laman's license was revoked. Laman told Cole that he had a restricted license for driving back and forth to work. A computer check revealed that Laman did have a restricted license, though Cole noted that the restriction did not allow for driving to a restaurant at 8:40 p.m. While searching Laman's clothes, Cole found three hydrocodone tablets. Laman said he did not have a prescription for these pills.

• • •

Public Intoxication

•A Huntingdon man was arrested June 7 for allegedly causing a public disturbance while in a drunken state at a Huntingdon residence.

Patrolman Brian Bennett charged Robert Lee Rush of 120 Bridgeman Street with public intoxication. According to Bennett's report, officers responded to a residence on McCall Street after receiving a call that Rush was causing a disturbance and trying to get into the residence. Upon arrival, officers found Rush outside the residence in an extremely intoxicated state.

The New EMV Credit Card "Chip" - Is Your Business Ready?

The Tennessee Small Business Development Center (TSBDC) at the UT-Martin REED Center in partnership with the Weakley County Chamber of Commerce and Regions Bank will host a free seminar, "The New EMV Credit Card Chip—Is Your Business Ready."

EMV technology was developed in Europe by Europay, MasterCard and Visa. This new technology replaces credit cards' magnetic stripe with an embedded chip. Businesses must migrate their point-of-sale systems to accept EMV, also known as "the smart chip card" by October 2015 as magnetic stripe only terminals and cards are being phased out.

Learn more about this new technology and how to implement it into your business by attending this free informational seminar. There is no fee for this seminar.

Donuts and coffee provided by Regions Bank. For more information or to RSVP contact Landy Fuqua at the REED Center at reed@utm.edu or 731-587-7333.

Civil War Marker to be Dedicated in Huntingdon

A Civil War Trails marker will be dedicated Thursday, June 18, 11:00 a.m. in Huntingdon. Tennessee Department of Tourism Development and the Town of Huntingdon invited everyone to attend the ceremony.

The marker is located at 20163 Main Street E. at the Log Cabin. The assembly will move to the Carroll County Court House in the Small Courtroom for remarks.

The marker will complement others within the county in McKenzie and Clarksburg.

Huntingdon K9 officer Michael Krause works Titus, a black German shepherd, the latest addition to the Huntingdon Police Department. Titus hits on the hidden drugs among the plants.

Huntingdon Has New Four-Legged Officer

Titus, a black 11-month-old black German shepherd, is the latest addition to the Huntingdon Police Department. He was introduced during the June 9 meeting of the Huntingdon Town Council by handler, K9 officer Michael Krause.

"He's a beautiful dog and well trained," said Mayor Dale Kelley.

He was trained by Dave Taylor, owner of Cedar Valley Canine Kennel and certified with National Narcotic Detector Dog Association in the odors of marijuana, cocaine, heron, and methamphetamine. He is also trained for tracking in such cases as a lost child or an Alzheimer's patient.

"It's been close to ten years since the town had a K9 for drug purposes," said Krause. "Titus and myself are available to assist other agencies."

The dog was bought with drug fines and seized drug money. The cost of the dog and training was $6,500.

McGregor is Interim Director at Milan Schools

MATTER OF RECORD

Carroll County Sheriff's Reports

Aggravated Assault/Drugs

•A Hollow Rock man was arrested on multiple charges June 6 when officers responded to a domestic call at his residence.

Sgt. Lee Bates charged Terrance Darnell Kilpatrick, 28, of 985 High Street with aggravated assault, as well as for multiple drug and weapons violations. According to Bates' report, officers responded to a domestic call at Kilpatrick's residence and spoke with Kilpatrick at the front door. When officers asked to speak to female resident Brina Phillips, Kilpatrick told them that she was in the shower. Kilpatrick also refused to give officers permission to enter the residence without a search warrant. Bates reported that from the doorway, officers could see what appeared to be marijuana sitting out in plain sight. Officers went in and confiscated the drugs they had seen from the doorway. About that time, Phillips came out and spoke with officers. She told officers that Kilpatrick had pulled her hair and hit her in the back of the head as officers were pulling up at the residence. Officers placed Kilpatrick under arrest and then came back later and searched the residence after obtaining a search warrant. During that search officers found a bag of marijuana with a .380-caliber pistol beside it in a kitchen cabinet, loose marijuana on the kitchen counter, a set of electronic scales with marijuana on it, plastic bags, a marijuana grinder, and a loaded .40-caliber pistol in the rear bedroom.

• • •

DUI

•An Atwood man was arrested during a June 6 traffic stop for allegedly driving in an intoxicated state.

Deputy Carlton Cupples charged Wallace J. Coleman, Jr., 50, of 2430 Highway 79 with DUI (fifth offense), driving on a revoked license (second offense), and violation of the implied consent law. Cupples reported that he pulled over a white Dodge Ram pickup truck driven by Cupples after observing the vehicle swerve across the centerline several times. When asked for his driver's license, Coleman told Cupples that he didn't have one due to a DUI conviction. According to Cupples, Coleman smelled strongly of alcohol, was unsteady on his feet, and performed poorly on field sobriety tests.

• • •

Vandalism

•The Sheriff's Department is looking into the recent vandalism of a mailbox near McKenzie.

Derek McDaniel told officers on June 6 that someone keeps knocking his mailbox down at his residence on Webb Road. An officer came to the scene and confirmed that McDaniel's mailbox had been destroyed.

• • •

DUI

•An Atwood woman was arrested during a June 6 traffic stop for allegedly driving in an intoxicated state.

Deputy Jason Walker charged Rebecca Morgan Staton, 20, of 62 Highway 79 Lane with DUI, driving on a suspended license, and violation of the implied consent law. Walker reported that he pulled over a silver 2001 Ford Taurus driven by Staton after observing the vehicle veer off the shoulder of the roadway. A computer check revealed that Staton's license was suspended. According to Walker, Staton smelled strongly of alcohol and performed poorly on field sobriety tests. While searching the vehicle, Walker found two bottles remaining of a six-pack of alcoholic beverages that Walker tried to conceal under her purse.

• • •

DUI/Public Intoxication

•A Huntingdon man and a Dickson County woman were arrested during a June 6 traffic stop in Huntingdon.

Deputy Dennis Adkins charged Justin Phillip White, 34, of 390 Bethlehem Church Road with DUI (first offense). Cyndi Diane Chester of Charlotte was charged with public intoxication. According to Adkins' report, he pulled over a silver Toyota car driven by White after observing the vehicle swerve across the center and fog lines. Adkins reported that White smelled strongly of alcohol, was unsteady on his feet, and performed poorly on field sobriety tests. Adkins also reported that Chester, a passenger in the vehicle, also smelled of alcohol and was unsteady on her feet.

• • •

Drug Possession

•A Yuma man was arrested June 8 when officers allegedly found illegal drugs and drug-related items in his possession while serving an arrest warrant at a residence on Independence Road.

Deputy Carlton Cupples charged Bradley Dewayne Coleman, 27, of 16015 Highway 424E with possession of marijuana, possession of methamphetamine, and possession of drug paraphernalia. According to Cupples' report, officers went to 2571 Independence Road with the intention of serving an arrest warrant against Haley N. Baugh but instead found Coleman, who also had warrants for his arrest out of Carroll County. While searching Coleman, officers found 14 grams of marijuana, .5 grams of crystal meth, a marijuana joint inside a cigarette pack, two glass smoking pipes, and a pack of rolling papers.

• • •

Burglary

•The Sheriff's Department is investigating the recent burglary of a camper/residence in Cedar Grove.

Melissa Tuberville told officers on June 8 that someone broke into the camper where she has been staying at 955 Highway 220. According to Tuberville, a .22-caliber pistol, a .32-caliber pistol, and a 200-channel scanner were stolen from the camper.

Aggravated burglary-On June 12 at approximately 2:57 p.m., Ricky Shell, Como Street, McKenzie reported to MPD that someone had broken into his she and taken an AR 15 gun, a Mossberg 22 rifle, 5.56 ammo, a Emerson 50-inch television, golf cart, Craftsman tool box, reading glasses, leather jacket, and candles grill lighters. He said he had left home on Sunday, June 7 around 10 a.m. and returned June 12th at 2 p.m. He stated that he had locked all the doors prior to leaving. A neighbor stated that she heard her dog barking during the night but did not see anyone. Value of the items stolen was estimated at $8,858.00. Trace evidence and DNA samples were taken from the crime scene.

Theft-On June 11, Tommy Richie Berryhill, Owens Street, McKenzie reported to MPD that his son's Honda CRF dirt bike valued at $1,000 was missing. Berryhill said that he had seen the vehicle was in December and that he saw some kids riding a bike that looked like the one belonging to his son. The matter is under investigation.

WHEN SHOULD YOU STOP ADVERTISING?

1. When man becomes a creature of habit so thoroughly he will certainly buy this year where he bought last year.

2. When younger, fresher and spunkier competitors in your field no longer try to take your customers away through advertising.

3. When population ceases to increase and no new folks want to live and work in your town.

4. When you have convinced everyone who ever has or ever will visit your business that they will now and forever get better buys from you.

5. When business principles reverse themselves and the non-advertiser does more business than the successful advertiser.

6. When people stop making tremendous strides in business through well-planned printed advertising.

7. When you no longer want to work with customers, and you're tired of making money.

IT'S ALWAYS THE RIGHT TIME TO ADVERTISE, CALL 731-352-3323

Carroll County Library Lines

By Nikki Cunningham

The Carroll County Library had an outstanding turnout for Wednesday's Summer Reading Program featuring magician Bruce Amato. A total of 83 children were present as the amazing Bruce turned the audience into Super Heroes; the magical Mr. Amato educated the crowd on the following three characteristics of a super hero: honesty, respect, and believing in your self. The library appreciates Nancy Johnson and Melanie English of the FCE club for bringing cookies and refreshments for the children to enjoy after the show.

Our next Summer Reading Program event on Wednesday June 17, 2015 at 10:00 a.m. will feature Pam Gustafson, Jennifer Williams, Tina Rooks, and Shearll Lockhart to educate on the importance of health and nutrition and encourage picky eaters to be a part of the two-bite club. Even super heroes have to eat their veggies! A reminder: Summer Reading logs are due on July 29th at 10:00 a.m. during our Back to School Bash and the winners of the $25 dollar gift card drawing will be announced at that time.

The Library has welcomed the following new books: Robert Ludlum's The Janson Equation by Douglas Corleone and Crash Landing by James Grippando. If we don't have the perfect summer book you are looking for, request it today and we will get it through Interlibrary Loan or try downloading the book to your device for free using R.E.A.D.S. For more information visit the library's website at www.carrollcountylibrary.net or ask our librarians at the circulation desk.

McKenzie Fire Department Visits McKenzie Memorial Library Summer Readers

By Ernie Smothers
smothers@mckenziebanner.com

MCKENZIE (June 11) — As McKenzie Fire Department Engine Two glistened in the mid-afternoon sun outside McKenzie Memorial Library, MFD Chief Brian Tucker and Assistant Chief Roger Christian spoke to MML Summer Readers inside the library about fire safety.

Assistant Chief Christian asked, "How many of you have smoke alarms in your home? If you don't have any, you need to ask your parents to get some. Smoke alarms are the first defense against fires. Remember, when a smoke alarm goes off, get as low as possible to the floor and get out of the house. If a door is closed, always touch it to see if it is warm. If it is warm, don't open it. If it is cool, open it and get outside."

Christian asked, "Do you have a meeting place outside for everyone to gather? If not, ask your parents to create one so that if a fire occurs, everyone can be accounted for. Gather around a tree, a swing set, or some area located a safe distance from your home. It is very important that your parents and firefighters know that you are safe and not inside your burning home."

The chief urged the children to go to the family safe place and to not attempt to rescue a pet or retrieve items during a fire.

Christian added, 'If your clothes catch fire, stop, drop and roll with your hands over your face. Roll until the fire is out. Your hands will protect against your breathing in fire and from burns."

Tucker emphasized, "Every fire is dangerous. Fire fighters have to pay attention at all times. We always watch out for other fire fighters, too. We also want to know where you are. If you are inside the house, yell or throw something at us. Holler from a window. Don't hide from fire fighters. We want to get you to safety."

Following the tour, MML Summer Readers received plastic fire hats and toured the exterior and interior of Engine Two.

Clear Up Your Hearing for your Summer Get-Togethers!

Better hearing no matter where you are.

With family and friends. Out and about. At home. At work.

Join Us for Our

BETTER HEARING EXPERIENCE EVENT

WEDNESDAY & THURSDAY

JUNE 24-25

Call us **TODAY** to schedule your personalized better hearing experience!

642-0800

or 800-888-7810

During your visit you'll receive:

- Complimentary hearing testing and consultation with audiologist **DAVID GILLESPIE**.
- A personalized demonstration of **Phonak's recently developed advanced hearing aids.**
- Two months **100% RISK-FREE TRIAL PERIOD!**
- **$300 off regular price** for a Standard, Advanced or Premium Technology!
- **FREE BATTERIES** for **four years!**

Healthy relationships rest largely on good communication. Treating your hearing loss lets close family and friends know that you want to stay connected and involved in your relationships with them. Most people who currently wear hearing aids say it not only helps their overall ability to communicate effectively in most situations, but it also has a positive effect on their relationships. And they're more likely to have a strong social network.
