

McKenzie’s Jack Surber is West Tennessee’s Male Athlete of the Year

By Ernie Smothers
smothers@mckenziebanner.com

McKENZIE (July 11) — Though exciting, news of former McKenzie High School multi-sports great Jack Surber’s selection by The Jackson Sun as its Male Athlete of the Year was not unforeseen by those who watched him excel competitively for many years. During his prolific, four-year prep career with the Rebels, Surber, son of Tommy and Meredith Surber of McKenzie, and grandson of Bethel University Sports Director and Huntingdon Mayor Dale Kelley, excelled consistently on the football field, basketball court, or baseball diamond. Unlike many athletes that wither beneath the intense sports spotlight, Surber thrived. The bigger the game, the better he played. No opposing stadium or crowd was too daunting; no situation too hopeless to overcome. More than once, Jack was heralded by this sportswriter as “the comeback Kid”. Perhaps the best example of Surber’s “ice water in the veins” game mentality manifested on a fall night in 2015 when he and his fleet-footed receiving corps engineered two, last-minute aerial touchdown drives in the waning seconds of play to lift the Rebels to a dramatic, 30-26 come-

back from behind victory over a talented Central Tiger squad. Simply put, Surber produced under pressure. In addition to producing marquee sports performances on a near-weekly basis, Surber produced in the classroom. An excellent student, he earned his place on the prestigious Carroll County Chamber of Commerce’s ACT Wall with a score of 29, in the top eight percent in the nation. Although state championships eluded Surber and his Rebel teammates during his prep career, McKenzie’s competitive presence was clearly evident via numerous district titles and post-season appearances in football, basketball, and baseball. While recognizing the positive impacts of MHS Head Coaches Wade Comer (Football), John Wilkins (Basketball), and Chris Wall (Baseball); Surber was quick to acknowledge in interviews his teammates’ roles in Rebel sports successes. He said, “I was blessed with three great coaches. They all have different approaches, but I loved all three, and they are great mentors to me. As far as my teammates, I think we accomplished good things. We didn’t make it as far as we wanted to, but we had a lot of fun together and won a lot of games.”

Helping McKenzie win three District 13-A basketball titles, he earned All-West Tennessee Second Team honors his senior year by leading his squad in scoring average per game (16.5). Surber’s last-second, three-point swish against Dresden led to his scoring all four final points in the Rebel’s overtime victory over the Dresser Winn-led rival Lions. In football, Surber credits McKenzie’s stunning, lop-sided win over archrival Huntingdon during his junior year as his favorite. He said, “We beat Huntingdon in what you would call the district championship that year. We came out playing our game.” Surber’s favorite baseball memory also includes Huntingdon. The All-West Tennessee Baseball First Team selectee said, “My favorite memory in baseball was my friend Chase Kelley hitting the walk-off to score me against Huntingdon in the district championship this year.” Regarding his athletic future, Surber said he expects to thrive with the Wildcats baseball team. He concluded, “I expect to do big things there.” Indeed.

West Carroll Approves Director Criteria, Budget Tax Rate To Remain Unchanged

By Brad Sam

ATWOOD (July 7) — The West Carroll Board of Education met Thursday with a full agenda in the lead-up to the new school year. At the top of the priority list were the first reading on the new budget and tax rate and the approval of criteria for TSBA’s director search. The 2016-17 budget was approved on first reading. At \$6.9 million, it is up just slightly from the previous budget, and the tax rate is unchanged at \$1.34 per \$100 assessed property value. The budget accounts for a three percent raise for all district employees and a six percent insurance increase beginning in January. Also included are the cross country program, an art teacher, and an additional nurse. The second and final reading for the budget and tax rate will be Tuesday, July 19 at 6 p.m. Randall Bennett, Deputy Executive Director and General Counsel for the Tennessee School Boards Association, presented to the West Carroll board a report compiled by Executive Director Dr. Tammy Grissom, who conducted meetings and collected questionnaires in early June to determine what the community is looking for in a new director of schools. Bennett summarized the results of those

meetings, reviewed the timeline for the director search, and presented the proposed criteria and brochure to be used in the search. The board unanimously approved the criteria and brochure, allowing the search to proceed immediately. In September, TSBA will refer up to five candidates to the local board to be interviewed and anticipates a director assuming the position at the beginning of November. Several changes to board policy were approved, mostly stemming from new legislation. Requests to inspect records may now be made by e-mail. Schools with AED devices must conduct a CPR and AED drill to make students aware of the steps that will be taken in the event of a medical emergency. Special Education students who do not meet the requirements for a high school diploma may now earn an occupational diploma, under certain guidelines. Schools may now exclude TCAP and/or EOC scores from final grades if not received by the district at least five instructional days before the end of the course. The district must now provide parents with the ability to access the questions and answers on their child’s state-required tests. Complaints of bullying, harassment, and discrimination must now be investigated beginning within 48 hours and completed within 20 calendar days with appropriate action taken. Parents and legal guardians of a student

involved in such a violation must now be notified. Students with head lice must now provide evidence of treatment prior to readmission, and treatment and prevention procedures must be distributed to any affected child’s parent or guardian. New student wellness requirements include three 15-minute periods of non-structured physical activity per day for Kindergarten and first grade students, two such periods of 20 minutes at least four days per week for grades two through six, and at least 90 minutes of physical activity per week for grades seven through twelve. A new suicide prevention policy requires that all district employees attend either the annual in-service training in suicide prevention or participate in equivalent training. Religious content in courses can only be used for educational purposes. Finally, Unmanned Aircraft Systems, or drones, may only be operated on district property when authorized and in accordance with other laws. The board also approved a bid of \$3,200 from Tennessee Topdressing to topdress the football field and approved seeking bids to pave the parking lot at the primary school. Board member Kyle Foster requested that the baseball booster club be permitted to make some improvements and upgrades to the dugouts, and the board concurred. The meeting adjourned in just under an hour.

Early Voting Begins in School Board, State Primaries on August Ballot

Carroll County voters can vote early for the August 4 election beginning Thursday, July 15. The polling place for early voting is the Carroll County Election Commission in the Carroll County Office Complex, High Street, Huntingdon. Early voting times are: Monday to Friday – 8:30 a.m. to 4:00 p.m., July 15 to 30, and Saturdays, July 16 to 30, 9:00 a.m. to noon. On the ballot are local school board members and select political party candidates in the state and national primary elections. Locally, McKenzie, Huntingdon, Hollow Rock-Bruceton, South Carroll (Clarksburg) and Carroll County school boards have no contested seats. West Carroll School Board has one contested seat. In the midst of selecting a new director of schools for the West Carroll School District, two of the six board members are not seeking reelection. One of the appointed board members, Kyle Foster, who is filling the unexpired term of Jim Pirtle, has an opponent, Joe Fowler. West Carroll candidates are: Old Atwood District – William Robinson. Incumbent Kristie Moore is not seeking reelection; Old County District – Michael Foster, incumbent, is not opposed; Old Trezevant District – Misty Mitchell who is unopposed. Incumbent Greg McClain is not seeking reelection; Old Trezevant District – Joe Fowler is running

against Kyle Foster. In McKenzie School Board election, three candidates are running for the three open seats. Incumbents John Austin and Lance Rider are seeking reelection and former board member Brad Davis is seeking the third seat, which was vacated upon the death of Michelle Horton, whose term expired this year. Huntingdon School Board has Tim Tucker and Vicki Williams seeking reelection. Hollow Rock-Bruceton School Board has all incumbents running unopposed. Those are Brad Hurley for the 16th Town of Bruceton district; Tim Runions for the 16th Town of Hollow Rock district; Vicki Brown for the 17th District-Vale; and Joseph Stephen Robinson for the 18th District-Westport-Spanish Grove. In the Carroll County School Board, there are no contested election and incumbents are seeking reelection. Harold McLain, Jr. is running in District 1; Tonya Phifer is in District 2; Kenna Bailey in District 3. Three seats are available in South Carroll. Incumbents Corey Bartholomew and Philip Moore are seeking reelection along with Jeremy Gurley. In party primaries, 13 candidates are seeking the Republican nomination for the U.S. House of Representatives. Congressman Stephen Fincher is not seeking reelection. The candidates are:

Ken Atkins, Hunter Baker, Dave Bault, George Flinn, Brad Greer, Raymond Honeycutt, George B. Howell, Brian Kelsey, David Kustoff, Tom Leatherwood, Mark Luttrell, David Maldonado, and David Wharton. State Senator John Stephens of Huntingdon is running unopposed in the Republican Primary. State Representative Andy Holt (R-76th) is unopposed in the Republican Primary. State Representative Curtis Halford of Dyer (R-79th) is opposed by Daniel Williams of Huntingdon in the Republican Primary. In the Democratic Primary, Gregory Alan Frye and Rickey Hobson are seeking the nomination for the U.S. House of Representatives-8th District seat. Angela Callis is the lone candidate for Democratic nomination for Tennessee House of Representatives, 76th District. Also on the ballot are judicial retention questions concerning Tennessee Supreme Court justices Jeffrey Bivins, Holly Kirby, and Roger A. Page. Other judges facing the retention question are: Court of Appeals Kenny Armstrong, Brandon Gibson, and Arnold B. Goldin. Court of Criminal Appeals judges Robert H. Montgomery, Jr., Timothy L. Easter, Robert L. Holloway, Jr., and J. Ross Dyer also face the question of retention.

Matthew Jones and His Robots

By Libby Dayhuff
McKenzie Banner Intern

McKENZIE — Matthew Jones, partner at Jones Electric and Automation, stands as one of the few electrical engineers in the region who can design, program and control robots for a variety of uses. He serves as a convenient resource in an area that has a void in the automation market. After graduating from McKenzie High School in 2003, Jones earned an electrical engineering degree at UT-Martin. During college, he interned at Automation Integrates in Nashville and was offered employment there upon graduation. He spent four years at the company working with robotics and programmable logic controllers, or PLC. Jones returned to McKenzie to automate Tosh Farms after high winds damaged the property. After completion, he entered into business with his brother, Brad and his father, Glyn to open Jones Electric and Automation, located on South Stonewall Street in McKenzie. In Jones’ career of electrical engineering, travel and time are major features. Although he tries to keep within a 250-mile radius to be near his family, Jones can be gone for days working on a job. A typical workday can consist of 16 hours. The majority of his robots are designed for industrial and production purposes and vary in size. With a valuable skill set, Jones acquires additional jobs by

Area Teachers Participate in UT-Martin Grant Workshops

MARTIN (July 5) — Jeff Preson (foreground), Logan Hubble (back, left) and Zach Tippitt (back, right), all teachers at McKenzie High School, measure beam deflections during a training workshop hosted by the University of Tennessee at Martin in the month of June. They were among more than 250 West Tennessee teachers who participated in one of 13 different summer workshops. The training sessions focused on classroom organization and management, cooperating teacher strategies, new teacher training, and engaging students in STEM-related subjects at the elementary, middle, and high school levels. The workshops, offered to teachers free of charge, were sponsored by UT Martin’s Teacher Quality Partnership Grant, funded through the U.S. Department of Education. The grant distributed

more than \$75,000 in stipends and classroom materials through these UT Martin workshops. For more information on UT Martin’s TQP grant program, contact Tina Harrison, grant coordinator, at 731-881-7201 or by email at tharri70@utm.edu.

Little General Donates to Carroll County Humane Society

McKENZIE (July 7) — Little General continued its tradition of giving back to the community Thursday by donating \$500 to the Carroll County Humane Society. CCHS Secretary Lisa Langford (center) is pictured accepting the donation from (L to R) Kelly Lewis, Manager of McKenzie Little General; Roger Highfill, Manager of Huntingdon Little General; Audra Vaughn, Supervisor of Little General/Maverick; and Debbie Williamson, Manager of McKenzie Maverick. \$250 of the sum will be reserved for the Martha Highfill Cat Spay/Neuter Program, named for the active CCHS member and late wife of Roger.

Packard Home Destroyed by Evening Blaze

Bruceton Volunteer Fire department Chief James Sloan said that the home of John and Ashly Packard located on 2550 Hebron Church Road outside of Hollow Rock was gutted by fire.

Sloan said, "Carroll County 911 dispatch alerted all stations that a fire was in progress at

the Packard's residence at 7:22 p.m. Hollow Rock firefighting units responded along with Bruceton Fire Department, Carroll County Pumper One, and Mixie Station Eight. Unfortunately, the interior of the home was completely gutted by the blaze."

He added, "Fire is very unpredictable, and it can spread quickly if large amounts of wood or fast-burning materials are involved. By the time firefighters arrived on the scene last night, the home was fully engulfed. The shell is still standing, but that is all."

USDA Offers Targeted Farm Loan Funding for Underserved Groups and Beginning Farmers

NASHVILLE — July 5, 2016 -- USDA Tennessee Farm Service Agency (FSA) Executive Director, Gene Davidson reminds producers that FSA offers targeted farm ownership and farm operating loans to assist underserved applicants as well as beginning farmers and ranchers.

"Each year, a portion of FSA's loan funds are set aside to lend to targeted underserved and beginning farmers and ranchers," said Davidson. "Farming and livestock production are capital intensive business ventures and FSA is committed to helping producers start, expand and maintain their agricultural operations."

USDA defines underserved applicants as a group whose members have been subjected to racial, ethnic, or gender prejudice because of their identity as members of the group without regard to their individual qualities. For farm loan program purposes, targeted underserved groups are women, African Americans, American Indians and Alaskan Natives, Hispanics and Asians and Pacific Islanders.

Underserved or beginning farmers and ranchers who cannot obtain commercial credit from a bank can apply for either FSA direct loans or guaranteed loans. Direct loans are made to applicants by FSA. Guaranteed loans are made by lending institutions who arrange for FSA to guarantee the loan. FSA can guarantee up to 95 percent of the loss of principal and interest on a loan. The FSA guarantee allows lenders to make agricultural credit available to producers who do not meet the lender's normal underwriting criteria.

"During fiscal year 2015, Tennessee FSA obligated 597 loans totaling \$59 million targeted for underserved and beginning producers," said Davidson."

The direct and guaranteed loan program provides for two types of loans: farm ownership loans and farm operating loans.

Farm ownership loan funds may be used to purchase or enlarge a farm or ranch, purchase easements or rights of way needed in the farm's operation, build or improve buildings such as a dwelling or barn, promote soil and water conservation and development and pay closing costs.

Farm operating loan funds may be used to purchase livestock, poultry, farm equipment, fertilizer, and other materials necessary to operate a successful farm. Operating loan funds can also be used for family living expenses, refinancing debts under certain conditions, paying salaries for hired farm laborers, installing or improving water systems for home, livestock, or irrigation use and other similar improvements.

In addition to customary farm operating and ownership loans, FSA now offers Microloans through the direct loan program. The focus of Microloans is on the financing needs of small, beginning farmer, niche and non-traditional farm operations, such as truck farms, farms participating in direct marketing and sales such as farmers' markets, CSA's (Community Supported Agriculture), restaurants and grocery stores, or those using hydroponic, aquaponic, organic and vertical growing methods. Microloans are available for both ownership and oper-

ating finance needs. To learn more about microloans, visit www.fsa.usda.gov/microloans.

Repayment terms for direct operating loans depend on the collateral securing the loan and usually run from one to seven years. Financing for direct farm ownership loans cannot exceed 40 years. Interest rates for direct loans are set periodically according to the Government's cost of borrowing. Guaranteed loan terms and interest rates are set by the lender.

To qualify as a beginning producer, the individual or entity must meet the eligibility requirements outlined for direct or guaranteed loans. Additionally, individuals and all entity members must have operated a farm for less than 10 years. Applicants must materially or substantially participate in the operation.

For farm ownership purposes, the applicant must not own a farm greater than 30 percent of the average size farm in the county at the time of application. All direct farm ownership applicants must have participated in the business operations of a farm for at least three years out of the last 10 years prior to the date the application is submitted. If the applicant is an entity, all members must be related by blood or marriage and all entity members must be eligible beginning farmers.

For more information on FSA's farm loan programs and targeted underserved and beginning farmer guidelines, visit www.fsa.usda.gov/farmloans or contact your local FSA Office. To find your local FSA office, visit <http://offices.usda.gov>.

Brief Power Outage Caused by Raccoon

By Ernie Smothers
smothers@mckenziebanner.com

MCKENZIE (July 7) — During an interview with The McKenzie Banner, Carroll County Electric Department General Manager Danny Brawner said that a brief power outage that affected some

residents in McKenzie was caused by a raccoon.

He said, "The raccoon that climbed into the transformer bushings at the McKenzie South Substation and was electrocuted initiated a loss of electrical power along Highway 22 through town to Winston Road, Enon Church Road, Christmas-

ville, Highway 79 by McKenzie High School, and on to Macedonia. The outage lasted from 10:50 p.m. to 11:30 p.m."

He added, "Once our crew located the source of the outage at the McKenzie South Substation, they were able to quickly restore electrical service to the affected areas."

Republican Congressional Candidate Forum Set

PARIS — Thirteen candidates for the 8th Congressional District seat being vacated by Congressman Stephen Fincher will appear at a Candidates' Forum set for Friday, July 15, at the Krider Performing Arts Center, Volunteer Drive in Paris.

Henry County Republican Party Chair Garry Phillips said the forum begins at 6 p.m., but the candidates have been invited to meet early-comers before the event.

Phillips said other local Republican candidates will also be present at the event, in-

cluding State Rep. Tim Wirgau, State Representative Candidate Jim Poe, Henry County Road Supervisor Candidate Richie Chilcutt and Henry County Assessor Candidate Catherine Herrera, but they won't be speaking.

Service; \$.09 for Solid Waste.

Proposed donations to non-profit organizations are as follows: Carroll County Rescue Squad - \$3,000; Gordon Browning Museum \$4,000; McKenzie Memorial Library \$6,000; Carl Perkins Center for the Prevention of Child Abuse \$26,750; Tennessee Rehabilitation Center \$500; McKenzie Senior Citizens \$200; Atwood Senior Citizens \$100; Carroll County Shooting Sports Complex \$10,000; and Carroll County Museum \$200 for a total of \$50,750.

The budget includes two donations of \$10,000 and \$17,000 to the Carroll County Chamber of Commerce for membership and economic development activities and up to \$60,000 to be forwarded to the Carroll County Watershed Authority as part of the agreement to grant the county's tax receipts on appreciated values of homes in the lake area.

Budgetary departments

have the following expenditures: General Fund \$12,819,333, \$1,907,479 for Solid Waste/Sanitation; \$71,362 for the Drug Fund; \$3,698,549 for the Highway/Public Works Fund; \$2,894,188 for the General Purpose School Fund; \$1,477,860 for the School Transportation Fund; \$642,110 for the General Debt Service Fund; and \$23,700 for the Carroll County School Cafeteria Fund.

The beginning reserve fund balance is \$12,717,582 and the end-of-year fund balance is estimated at \$12,522,121, for a net difference of \$195,461.

Mayor McBride said the county has two major expenditures planned totaling approximately \$450,000 that affects the reserve account.

The first expenditure is the construction of an emergency operations center bunker for a dispatch center at the Carroll County Jail campus. It is estimated to cost \$500,000 for the "hardened" facility. The county's share of the cost is \$200,000 after a \$300,000 CDBG. It will be tornado-proof and will house the dispatchers for emergency services, the county's fire

department headquarters, and the emergency director's office.

The second is a new roof on the County Office Complex at an estimated cost of \$250,000.

Additionally at the July 18 meeting, commissioners will consider the issuance of a capital outlay note in an amount not to exceed \$170,000 for the Carroll County Highway Department. It is to asphalt on Bennett Road and Baker Road.

Marty Hurley of Bruceton is recommended to be reappointed to a four-year term to the Carroll County Electric Board.

The final resolution to be considered is one to allow the Carroll County courts to increase the charge for the Carroll County Sheriff's Department to serve papers on individuals or entities. The present rate is \$26 and the new rate is \$40. General Assembly approved the fee increase to better cover the cost of delivering and serving court documents.

Commissioners convene at 7:00 p.m. in the Carroll County Office Complex. The public is invited to attend.

Noranda

under US antitrust laws and Granges has secured committed bank financing for the transaction. Granges' Board of Directors may also consider utilizing the mandate given by the Annual General Meeting 2016, which entitles the company to issue new shares in Granges up to 10 % of the total number of shares outstanding.

Should Granges receive final approval as buyer from the US Bankruptcy Court, an announcement is anticipated in mid-July, 2016 with closing expected during the third quarter of 2016.

Noranda's downstream aluminum rolling business includes the Huntingdon, Tennessee aluminum rolling plant.

During an interview with The McKenzie Banner, Carroll County Mayor Kenny McBride said, "I am excited that Granges won the bid. Everyone that had knowledge of the situation surrounding the Huntingdon Plant had hopes that Granges would win the bid. Although Granges bid win is presently classified as tentative per review and approval by the US Bankruptcy Court, I believe that Granges bid will meet all requirements and be successful."

He added, "I am eager and fully prepared to work with Granges' ownership via incentives to our local plant to ensure permanence and expansion of facilities. I truly believe that Granges' purchase of the Huntingdon plant is good news for Carroll County and the sur-

rounding region. I am relieved and excited."

McBride noted that losing the Huntingdon plant would prove catastrophic to Carroll County.

He said, "Had the Huntingdon plant closed, the loss would have crippled Carroll County and the surrounding area. Unfortunately, we've seen the financial burden wrought on Bruceton, Hollow Rock, and other towns by H.I.S.' moving out of Carroll County in the mid-1990s. In like manner, the loss of Noranda's Huntingdon plant would have severely impacted Huntingdon, McKenzie, and the region. In the aftermath of such a loss, Carroll County might regain its economic footing in ten years or so. But, then again, the county might never regain stability."

He concluded, "Those who knew the potential ramifications of the bid for Noranda's downstream aluminum rolling operation are glad that it worked out this way. I am pleased that Granges won and committed to working with them to ensure the future stability and growth of the Huntingdon Plant."

About Noranda

According to Noranda's corporate website, Norandal USA Inc. was established in 1979 when Noranda, Inc., purchased the Archer aluminum foil plant in Huntingdon, thus expanding Noranda's operations capabilities to include rolled aluminum products. In 1989, Norandal U.S.A Inc. acquired National Aluminum's foil business with plant locations in North Carolina and Arkansas. In 1996, Norandal commissioned the world's first thin-gauge continuous caster at the Hunting-

don plant. In keeping with its vision, strategy, and tenacity to be the world's leader in aluminum production, Norandal constructed a \$238 million modern foil plant in Huntingdon that commenced production in January, 2001.

Total combined maximum annual production capacity of Noranda's downstream aluminum rolling mill facilities (Huntingdon, Salisbury, North Carolina, and Newport, Arkansas) is 410 to 495 million pounds, depending on production mix.

The plant utilizes state-of-the-art technology in casting, rolling and material handling. The plant has an annual capacity of 235 million pounds of foil and light gauge sheet and serves primarily the HVAC, Semi-Rigid Container, and Automotive markets.

About Granges

Granges is a leading global supplier of rolled products for brazed aluminum heat exchangers. The company develops, produces and markets advanced materials that enhance efficiency in the customer manufacturing process and the performance of the final products; brazed heat exchangers. The company's geographical markets are Europe, Asia and the Americas.

Granges production facilities are located in Finspång, Sweden, and Shanghai, China, and have a combined annual capacity of 220,000 metric tonnes. Granges has some 950 employees and net sales in 2015 totaled SEK 5,494 million. Its shares have been listed on Nasdaq Stockholm since October 2014. McKenzie Memorial Library News

By Jean Alexander

Monday, July 11 concluded our Summer Reading Program with the movie "Space Jam" being shown to our viewers! We decided on the 1996 movie starring Michael Jordan and the Looney Tunes characters, realizing that some of our viewers may have never even seen the movie. Finding it on Blu-Ray was another issue, but one of our Bethel University work studios saved the day by way of Amazon.com.

Write-ups about our Summer Reading Program will appear from the Library next week.

A Friends of the Library organizational meeting is Thursday, July 14 at 12:00 noon at the Library.

The McKenzie Memorial Library Board will have its monthly meeting on Thursday, July 21 at 5:00 p.m. at the Library.

Come by and visit your local Library and show your support.

CCHS Resumes Low-Cost Spay, Neuter Program

The Carroll County Humane Society was recently approved for a state grant and now has funds to spay and neuter cats and all sizes of dogs at a cost of just \$30 per animal. If you would like to receive an application, please contact CCHS via private message on Facebook with your email or mailing address. You can also come by the shelter at 21822 Hwy 22 in McKenzie and pick up an application there. There are no income limits for this program. However, please note that depending on where you live, you may be required to drive to Paris if you want to spay or neuter a cat, or to Huntingdon if you want to spay or neuter a large dog.

Because of pricing structures, our funds go further at different participating vet clinics, and we are able to help more dogs and cats this way. Also, please remember you absolutely cannot make an appointment to spay or neuter your pet until you have your voucher in hand.

In addition, CCHS recently announced a second round of "Project Think Outside the Litter Box," an even lower cost program for low-income cat owners. The 60 spots filled up in the first day, but the organization hopes to secure more spots every few months.

A good opportunity to pick up an application for the \$30 program is the Ice Cream Social

at the shelter on Highway 22 in McKenzie this Saturday, July 16 from 5 until 7 p.m.

They will be serving Maggie Moo's ice cream plus frozen treats for the animals. There is no charge for the ice cream but they ask that you bring a donation of a needed item such as Pedigree dog or puppy food (wet or dry), Purina cat or kiten chow, paté style canned cat food, Tidy Cat 24/7 Performance litter or Arm and Hammer litter, cat toys, dog toys, cat or dog Frontline, Tractor Supply or Walmart gift cards, made in the USA treats, laundry detergent, or paper towels.

Judge Williams' Magic Show Awes Summer Readers

By Ernie Smothers
smothers@mckenziebanner.com

MCKENZIE (July 7) — Before a large gathering inside McKenzie Park Theatre, Tennessee Court of Criminal Appeals Judge John Everett Williams swapped his court room robes for a colorful top hat and tails to enthrall and amuse McKenzie Memorial Library Summer Readers with his magnificent magic show.

Following introduction by MML Director Jean Melton, Williams spoke to attendees about his love for McKenzie and fascination with magic.

He said, "Although I have lived in Huntingdon for many years, I was born in McKenzie. I'm proud of that, too. I have so many wonderful memories of friends and events from my time growing up here. It was in McKenzie where my love of magic was born. Let me tell you a story."

Smiling he said, "In 1953, one

of the biggest events to ever happen in McKenzie occurred when local magician Red Summers, awed a crowd of 5,000 people by driving a new automobile from Russell's Chevrolet dealership through town, around the court square, and back to the dealership while being blindfolded and hooded with quarters taped over his eyes. I was too young to witness the event myself, but people talked about Red's feat for years and years. Intrigued by the retellings of the great event, I began to read books about magic and fell in love with it. In fact, the very magic case and props that I am using today were used by Mr. Summers many years ago during his Vaudeville magic shows."

Williams said that joined the International Brotherhood of Magicians in 1998 in honor of Mr. Summers.

Donning a chef's apron, Williams baffled attendees by seemingly "conjuring" objects to appear and disappear at his

bidding; escaping from locked handcuffs via the legendary magician Harry Houdini; and successfully threading a long needle through a balloon.

Retracting the needle carefully, Williams made the crowd jump by unexpectedly bursting the balloon.

Smiling, he laughed, "I got you, didn't I?" The crowd laughed and applauded.

At the conclusion of his show, Williams encouraged attendees to read books and develop a fascination for art and history.

He said, "Your imagination can carry you to many wonderful places if you allow it too. Reading will open your mind to a world of endless possibilities. Reading continues to expand my world, and I want it to do the same for you. Thank you for being such a wonderful audience and having fun with me."

Local Rotary Clubs Welcome New Governor

By Jason Martin
jmartin@mckenziebanner.com

MARTIN (July 8) — The Martin Rotary Club played host to a joint meeting welcoming the new District 6760 Governor, Chuck Barnett. Held on the UT-Martin campus, clubs from Gleason, McKenzie, Dresden and Greenfield were in attendance.

Barnett, an information technology consultant, is a member of the Gallatin Rotary Club. As the district governor, Barnett encouraged the clubs to following the district's motto for the year "Be a Rotarian." The motto is to remind club members there is more to Rotary than going to a weekly meeting. Each member was encouraged to take part in club and community activities.

Barnett asked each club to find new ways of attracting new and younger members. He reminded the clubs that each year Rotary brings in a million new members, but at the same time the organization loses the same amount.

In a personal tone, the Governor explained his passion

McKenzie Rotarians, Jim Arnold and Assistant District Governor Clark Brown, talk before the joint meeting commences.

for Rotary. Like many Rotarians, he joined to help build his business. Within a few months Barnett held a role in his local club. Vexed with a speech impediment, Rotary helped him overcome his fear of public speaking. After a decade in Rotary, he has built numerous friendships and continues to meet new people.

"Rotary Serving Humanity" is this year's international theme. Rotary International through its Polio Plus program looks to eradicate polio. Each year the number of documented cases of polio has decreased. With the help of Rotary clubs throughout the world, over \$1.5 billion dollars has been raised to help vaccinate children.

Greenfield

Plastic Products Company to Expand

NASHVILLE (July 7) — Tennessee Department of Economic and Community Development Commissioner Randy Boyd along with Plastic Products Company, Inc. officials announced today the company will invest \$1.4 million to expand operations at its Greenfield facility. The custom plastic injection and blow molding manufacturer will create 35 new jobs in Weakley County.

"I want to thank Plastic Products for choosing to expand its operations in Greenfield," Boyd said. "With over 670 operations in the chemi-

cal, plastics and rubber industry, it is great news when one of those establishments chooses to expand in our state. Thanks, Plastic Products, for strengthening Team Tennessee and for creating these valuable jobs for our workforce."

Plastic Products is a world class custom plastic injection and blow molding manufacturer. The 100 percent employee owned company specializes in manufacturing a variety

of products in various markets including appliances, automotive, building products, consumer products and electronics. With this expansion, the company will be adding a new line and will be better equipped to keep up with its growing customer demand.

To apply for an available position with Plastic Products, visit www.hamilton-ryker.com or call (731) 587-3161 for more information.

Earthen Vessels Pottery Opens in Gleason

GLEASON (July 11) — Earthen Vessels Pottery, Gifts and Bistro held its grand opening and ribbon cutting on July 11. Owner Jim Keeling along with family, friends and members of the Gleason community helped with the ceremony.

The business located at 210 Main St. is open Monday

through Friday from 8 a.m. to 4 p.m.

Maria Keeling McClain, Jim's daughter, sells fresh baked goods and brewed coffee in a bistro type atmosphere. Cups and plates made by Keeling are used to serve the coffee and baked goods.

The pottery sold by Earthen

Vessels Pottery and Gifts is hand-thrown from clay originating from Gleason. Keeling chose to locate in Gleason since the city is considered the "Ball Clay Capital of the World."

The Weakley County Chamber of Commerce hosted the ribbon-cutting ceremony.

Watkins Home is Yard of the Month

The Morning Glory Garden Club has chosen Paula and Larry Watkins of 1524 Stonewall Street as the traditional Fourth of July yard. The Watkins home features three banners and a flag on the front porch railing. The front door displays a wreath made of red, white, and blue mesh. The antique settee on the porch has red, white, and blue cushions. The yard is tastefully landscaped with a variety

of blooming plants. Paula and Larry do all of their decorating and yard work. Heartworks

Decorating Center was chosen for the business window decoration.

McKenzie Wins Babe Ruth Southeast District Championship

MCKENZIE — The McKenzie 13-15 year old Babe Ruth All Stars hosted and won the Southeast District Championship this past weekend, beating out four other area teams in a double-elimination tournament.

First, McKenzie topped West Carroll, 17-1, then beat Henry County, 7-1, to advance to the championship. It was Henry County again in the finale, and McKenzie prevailed, 11-0.

Also participating in the tournament were Huntingdon and Dresden.

The McKenzie team advances to the state championship, which begins later this week in Huntingdon. Game schedules have not yet been released.

All West-Tennessee Baseball Teams

Surber, Roof, Belew, Dodson Named First Team

In recognition of their stellar prep baseball seasons, McKenzie's Jack Surber, Hollow Rock-Bruceton's Logan Belew, and Huntingdon's Zach Dodson were selected to the Jackson Sun's 2016 All-West Tennessee Baseball First Team.

All-West Tennessee First Team

McKenzie outgoing senior and Bethel Wildcat Baseball signee Jack Surber earned his AWT First Team nod by coupling a solid, 5-1 pitching record featuring a miniscule, 1.58 ERA and 34 strikeouts with a .436 batting average, 34 RBIs, six doubles, and four triples.

A consistent threat in the batter's box, McKenzie outgoing senior and Bethel Wildcat Baseball signee Trevor Roof combined a .444 batting average with five doubles, 32 RBIs, and 19 runs.

Hollow Rock-Bruceton outgoing senior Logan Belew combined his .470 batting average and three homerun production with numerous pitching victories including a dominating, 17-strikeout mound swan song against West Carroll in the D-13A tournament.

Huntingdon incoming senior Zach Dodson coupled a fierce 6-3 pitching record including a 2.23 ERA and 57 strikeouts with a .416 batting average that included eight doubles and 13 RBIs.

All West Tennessee Second Team

McKenzie-Brandon Baucum-the incoming senior posted a stout 7-2 pitching record that included a 1.49 ERA and 56 strikeouts.

Chase Kelley-the outgoing senior tallied a .423 batting average that included 31 RBIs, eight doubles, and two homeruns.

West Carroll-Colin Hudgins-the outgoing senior totaled an impressive .419 batting average with 11 doubles.

Huntingdon-incoming junior Kade Pearson belted 28 RBIs including eight doubles and two triples to forge a solid .412 batting average.

AWT Honorable Mention

McKenzie-Noah McEwen, Isaiah Townes.

Huntingdon-Ben Clift.

West Carroll-Chase Birdwell, Gavin Knight, Patrick Becker.

All West-Tennessee Softball Teams

Lowry, Pigue, Hayes Named First Team AWT

On the heels of marquee prep softball performances, area players Olivia Lowry of Hollow Rock-Bruceton, Sara Beth Hayes of Huntingdon, and Kaitlin Pigue of West Carroll were named to the Jackson Sun's prestigious 2016 All West Tennessee First Team Softball squad.

All-West Tennessee First Team

Equipped with mercurial speed and power at the plate, Hollow Rock-Bruceton's Olivia Lowry (incoming senior) coupled a .484 batting average with four homeruns, 18 RBIs, and 28 stolen bases.

A threat on the mound and in the batter's box, outgoing senior and Jackson State soft-

ball signee Sara Beth Hayes of Huntingdon coupled a pitching record of 27 wins and seven losses with a 2.64 ERA and 179 strikeouts with a .400 batting average that included 32 RBIs and 11 doubles.

A pitcher's dread, Kaitlin Pigue (incoming senior) coupled a .481 batting average with 22 RBIs, 12 doubles, and 16 runs scored.

All-West Tennessee Second Team

Huntingdon-Angelia Culley (incoming senior)-.446 batting average, 10 doubles, 10 homeruns, and 44 RBIs.

Leah Hayes (incoming sophomore)-.457 batting average, 12 doubles, 41 RBIs, 30 runs.

Cheyenne Childress (incoming senior)-.422 batting average, 11 doubles, 37 RBIs, and 50 runs.

Taylor Smith (incoming junior)-.450 batting average, 12 doubles, seven triples, and 34

RBIs.

Alli Jones-(incoming sophomore)-.428 batting average, 10 doubles, eight triples, 30 RBIs, and 55 runs.

West Carroll-Katelyn Cherry-(incoming senior)-.500 batting average including eight RBIs and 20 runs.

Hollow Rock-Bruceton-Kayce Brown-(incoming senior)-.475 batting average, 22 RBIs and five doubles.

Tiffani Hughey-(incoming senior)-.475 batting average, three homeruns and 18 RBIs.

AWT Honorable Mention

McKenzie-Audrie Washburn and Emily Lunn.

Hollow Rock-Bruceton-Starla Luehellier.

Huntingdon-McKenna Moody and Carson Ensley.

West Carroll-Micayla Hart, Kristen Bradley, Meagan DeLaney, Shelby Browning, Sadie Martin, Ashley Barlow, Becca Lawler.

Junior Golf Tourney is July 19

The 2016 Jr. Golf Tournament at Carroll Lake Golf Course tees off at 9:00 a.m. on Tuesday, July 19.

\$10 entry fee per contestant includes lunch.

Trophies awarded for first, second, and third places for

the following divisions:

8 and under-9 holes from 150 yards; 9-1-9 holes from 150-200 yards; 12-14-9 holes-boys from white tees / girls from red tees; 15-high school senior-18 holes-boys from white tee / girls from red tee.

MHS Golf Team will use this tournament as a qualifier.

Huntingdon's Morgan Fuller Stunned by Disney Wish Grant

JACKSON (July 9) — Moments after tossing the ceremonial first pitch prior to the start of the Jackson Generals-Montgomery Biscuits baseball game, Huntingdon's Morgan Fuller was stunned

when the USA Softball professional team shouted from the Generals scoreboard video screen, "Congratulations Morgan-you're going to Disney World!"

As the crowd applauded, Fuller, the daughter of Jeff and Wanda Fuller of Huntingdon, hugged friends and Make A Wish volunteers

and Morgan sponsors Cliff Carter and Kendra Street of northeast Arkansas.

A phenomenal softball pitcher for the Fillies, Morgan was sidelined after being diagnosed with alveolar rhabdomyosarcoma, a rare form of aggressive stage four cancer in September, 2015.

Since then, Morgan and her mother have alternated between living at home in Huntingdon and staying for prolonged periods of time at

Vanderbilt University Medical Center in Nashville while Morgan has undergone treatment.

Thankfully, the treatment is working.

During an interview, Jeff Fuller said the percentage of cancer in his daughter's bone marrow has reduced from 87-percent to .5-percent.

Following scans this week, Morgan returns to Nashville for nine weeks of chemotherapy that may conclude her treatments.

Carroll County Sheriff's Reports

DUI — A McKenzie woman was arrested on July 2. Deputy Dennis Adkins charged Krystal Craig, 27, of 1150 Lankford Store Road with driving under the influence and possession of schedule IV. According to Adkins' report, employees from Little General in Trezevant called deputies when a vehicle pulled up and hit the guard rails by the gas pumps. When deputies arrived, Craig was slurring her speech and unsteady on her feet. She did poorly on field sobriety tests and deputies found eight pills in a prescription hydrocodone bottle in her possession.

Assault — A Bruceton woman was arrested on July 2 after a domestic dispute. Deputy Ethan Parham charged Rhonda Kelley, 57, of 75 Poplar Lane with simple assault and public intoxication. According to Parham's report, deputies received a call from Sydney Maness who said Kelley had pushed her, causing her to hit her face on some furniture. Maness had a bloody nose and was transported to Baptist Memorial Hospital. Kelley was found in a shed on a nearby property. She had slurred speech and blood shot eyes.

Breaking and Entering — A Kentucky man was arrested on July 3 after breaking into a McKenzie home. Deputy Dennis Adkins charged Brandon Plesha, 21, of Hopkinsville with aggravated burglary. Adkins reported that deputies were dispatched to

a home after a man had kicked in the door and threatened residents. Charles Williams and Candace Xinos told deputies that Plesha had kicked their door down and threatened to hurt people. Williams said that he and Plesha had an incident a month prior. Deputies later found Plesha in a drunken state.

Assault — A McKenzie man was arrested on July 5 after threatening to kill himself. Deputy Michael Krause charged Tony Hickman, 43, of 1310 Oak Manor Road with domestic assault. According to Krause's report, deputies received a call from Hickman's wife. She said that he had pushed her so she had hidden in the bathroom out of fear for her safety. When she heard him say he was going to kill himself, she came out to check on him. She found him in the bedroom with a pistol in his mouth. When she was able to get the gun away, he told her if he could not have her no one could and left the home. When officers arrived they found him in his truck with a loaded rifle. Hickman denied touching or threatening his wife or his own life. The firearms were turned in as evidence.

Car Theft — A Henry County man was arrested on July 7 after allegedly stealing a car. Deputy Scotty Davis charged Clayton Yearta, 25, of Henry with motor vehicle theft. According to Da-

vis' report, Teresa Thompson of Trezevant reported to deputies that her vehicle was taken some time after 11:30 p.m. on July 6. She told deputies that Yearta was staying with her and he was also gone. The vehicle was reported as stolen and later the Vanburen County Sheriff's Department in Arkansas found Yearta with the vehicle.

Driving on Suspended — A Trezevant woman was arrested on July 2 after a traffic stop. Deputy Jason Walker charged Krysti Simpson, 24, of 110 Johnson Street with driving on suspended. According to Walker's report, Simpson was pulled over in Trezevant for swerving on the road. A computer check showed that her license was suspended.

Theft — Deputies are investigating a case of theft. Phillip Willis of Huntingdon reported to deputies on July 2 that his pistol had been stolen from his truck overnight.

Breaking and Entering — Deputies are investigating a case of breaking and entering. Timothy Bell of Bruceton reported to deputies on July 4 that when he got home he found that someone had kicked in the back door. Nothing was missing.

truck at Huck's, damaging the vehicle. He then drove away. Store security footage recorded the accident. A computer check showed that his license was suspended.

Theft — A Lavinia man was arrested after allegedly stealing from a local store. Patrolman Danny Emerson charged Travis Foster of 40 Stanford Hill Lane with theft under \$500. According to Emerson's report, Foster a package of men's underwear from Wal-Mart without paying. When confronted by store security in the parking lot, he admitted to hiding the merchandise in his pants.

McKenzie to Lisa Ann Paterson Himes, 47, of McKenzie.

- Christopher Shayne Crutchfield, 24, of Huntingdon to Megan Virginia Harmon, 21, of Huntingdon.

PUBLIC NOTICE

Notice of Right-of-Way Re-evaluation and Solicitation of Public Comment

SR-76 Improvements

From West of Cades-Atwood Road to East of SR-77 PIN 100326.01

From East of SR-77 to West of Cutlip Road PIN 100326.02

Carroll and Gibson Counties, TN

The Tennessee Department of Transportation (TDOT) is issuing a public notice for the preparation of a Right-of-Way (ROW) re-evaluation in accordance with U.S. 23 CFR 771.117. The current facility is classified as an Urban/Rural Principal Arterial. This facility has statewide, regional and local significance. The proposed project is a connecting link and continuing portion in the overall SR-76 (US 79) development. SR-76 is a major carrier of commerce and persons in the southwestern part of the state. Improvements include widening existing SR-76 to a four-lane facility. The proposed Build Alternative is divided in to three sections. The focus of this ROW re-evaluation is on Section 1 and Section 2. For Section 1, the proposed project would include widening from west of Cades-Atwood Road to east of SR-77 and would include four 12-foot wide travel lanes, a 12-foot wide continuous center turn lane, and 12-foot wide shoulders from Park Avenue to just east of Salem Road (SR-425). For Section 2, the proposed project would include widening from east of SR-77 to west of Cutlip Road and will include four 12-foot wide travel lanes, a 48-foot center median, and 12-foot wide shoulders. The preferred alternative moves off of the existing road at Cades-Atwood Road near the Gibson - Carroll County line, which bypasses both the towns of Atwood and Trezevant, and returns to the existing roadway north of Trezevant near Cutlip Lane.

The Federal Highway Administration approved the Environmental Assessment on May 3, 2001. The Public Hearing was held on July 23 and 24, 2001 and the Finding of No Significant Impact (FONSI) was approved on January 8, 2002. While the entire project, as presented in the FONSI, is being re-evaluated, this notice focuses on section 1 and 2 as described above.

Huntingdon Police Reports

Multiple Charges — A McKenzie man was arrested on July 2 after streaking. Lieutenant Angie Barker charged James Simmons, Jr. of 414 Elm Street with indecent exposure, possession of drug paraphernalia, and public intoxication. According to Barker's report, officers received a call from Jones Street in regards to a man running around naked. When officers arrived, they found a man covered in only a quilt, occasionally exposing himself. Officers searched the home he was coming in and out

of and found several needles, pipes, razor blades, and straws used to smoke and shoot up drugs. Simmons was unable to speak with officers in the state he was in.

Leaving the Scene — A warrant has been issued for a Weakley County man after he allegedly left the scene of an accident on July 3. Patrolman Randy Kelley has filed charges against Dustin Parker of Martin for leaving the scene of an accident and driving while suspended. According to Kelley's report, Parker backed into a

MATTER OF RECORD

McKenzie Police Department Reports

DUI — According to a report filed by MPD Patrolman, Kyle Beauchamp, on July 1, MPD was notified that a red-colored, 1997 Nissan XES pickup truck had ran off the roadway into a ditch on Georgia Avenue near Spruce Street. Responding, the officer, accompanied by Patrolmen Savannah Bigham, Mark Boaz, and Jeff Winberry arrived on the scene to find the aforementioned vehicle nose down in a ditch. At that time, Patrolman Beauchamp observed a man standing in the middle of the street who stated that he was the driver of the vehicle. The man, identified via driver license as Eduardo Cendejas Vega, 44, Paw Paw Lane, McKenzie, appeared

unsteady on his feet, had glassy, bloodshot eyes, and smelled of intoxicating beverage. Upon questioning, Vega said that he had consumed two to three beers at a friend's residence a few minutes prior to running his vehicle off the road. Consenting to field sobriety testing, the report noted that Vega performed poorly on all tests. Vega was then placed under arrest for the listed offense. After consenting to blood alcohol testing, Vega was transported to Carroll County Jail for booking and issued a \$500 bond for his release.

Domestic assault — According to a report filed by MPD Patrolman Cody Coleman, on June 30

at approximately 3:39 a.m., MPD dispatch received a call from a person identified as Brittany A. Baker, 25, Mulberry Street regarding an ongoing verbal altercation at her residence. Patrolman Coleman, accompanied by Patrolman Jasmin Burgess, responded to the scene and observed a man identified as Jessie Lee Townes Jr., 26, same address listed, walking away from the residence. Upon arriving at the residence, the officer observed Baker through a screen door standing in the living room. During questioning, Baker said that she and Jessie Townes Jr had been arguing because she had fallen asleep in her car. She noted that Townes lived with her at the residence and had been drinking before he slapped her on the left side of her face. At that time, Townes walked back toward the residence and was asked by the officers about what had occurred. Townes reportedly stated that he had argued with Baker but had not touched her. He further stated that he was trying to leave the residence to go somewhere else to spend the night. Upon asking Townes if he had been drinking, Townes pulled a small, half-full bottle of liquor from his pocket. After detaining Townes and speaking to Baker and Townes, the officers, upon observing signs of redness and swelling on Baker's face, arrested Townes for the listed offense and transported him to Carroll County Jail.

Evading arrest / speeding / financial responsibility — According to a report filed by MPD Patrolman Cody Coleman, on June 29 at approximately 11: 54 p.m., the officer was patrolling at the intersection of Stonewall and Magnolia when he observed a vehicle approaching Stonewall southbound traveling 45 mph in a 25 mph speed zone. Attempting to evade the officer, the vehicle turned right onto Stonewall and sped up before turning right onto

Cherry and left onto Dotson and traveled the wrong way down the street before turning left onto Woodrow and cutting across the parking lot of McKenzie Middle School. Continuing down Georgia, the vehicle was met by another MPD patrol unit occupied by Patrolmen Kyle Beauchamp and Jasmin Burgess and maneuvered around said vehicle before encountering the intersection of Georgia and Elm at a very high rate of speed before jumping the ditch and narrowly missing a tree stump. At that time, Patrolman Coleman exited his patrol vehicle and drew his weapon advising the driver to get on the ground. Responding, the driver, identified as Logan Hunter Harvey, 24, Old Paris Road, McKenzie, laid on the ground as the officer handcuffed him. Harvey, having cuts on his knee and forehead, was examined at the scene by EMS. McKenzie Fire Department also responded to the scene due to smoke emitting from Harvey's vehicle. After signing a form refusing transport to McKenzie Regional Hospital, Harvey was arrested and transported to Carroll County Jail for the listed offenses. Harvey's vehicle was towed from the scene by D&D and nothing illegal was found inside the vehicle during inventory.

Aggravated criminal trespassing / tampering with evidence — According to a report filed by MPD Patrolman Frank McGee, on June 29 at approximately 5:42 p.m., Patrolman McGee responded to a residence located at Linden Heights Jonathan in regard to a suspicious persons call. Upon searching the area, the officer observed a person matching the description of the subject behind a residence located at Hamilton Avenue entering the back door of said residence without the owner's consent in an attempt to hide what was determined to be stolen items. At that time, the subject, identified

as Chance Burke, 30, May Street, McKenzie, was arrested for the listed offenses.

Criminal simulation — According to a report filed by MPD Sergeant Adam Bailey. On June 27 at approximately 10: 54 a.m., the Bank of Gleason contacted MPD regarding a counterfeit \$20 bill they had received from a deposit made by Casey's General Store located at 16125 Highland Drive, McKenzie. The origin of the counterfeit \$20 was not known.

Assault — According to a report filed by MPD Patrolman Jeff Winberry, on July 9, the officer took a statement from an assault victim stating that Charles L. Johnson, 61, Park Lane, McKenzie, hit her on the face. Johnson gave a statement noting that he may have hit the victim when he was exiting the porch of the residence and flailing his arms at her. Upon observing a mark of the right side of the victim's face, the officer arrested Johnson for the listed offense and transported him to Carroll County Jail.

Stop sign violation / financial responsibility / driving on suspended / revoked license — According to a report filed by MPD Patrolman Frank McGee, on July 8, the officer, upon observing a vehicle fail to stop at a stop sign located at Elm Street, initiated a traffic stop. Upon asking the driver, identified as Cassius S. Jordan, 32, Maple Street, McKenzie, for his driver license, registration, and insurance, was told by the driver that he only had his identification on his person. A computer check revealed that Jordan was cited for driving on revoked #2 on June 27, 2016 in Carroll County along with failure to satisfy fine / cost / taxes. Jordan was then charged with the listed offenses.

Theft — According to a report filed by MPD Patrolman Frank McGee, on July 7, Steve Bomar reported that someone entered his yard behind his shop and stole

four lawn mower batteries valued at approximately \$50. Investigation into the matter is ongoing.

Burglary / theft — According to a report filed by MPD Patrolman Mark Boaz, on July 7 at approximately 6:17 p.m., the officer, accompanied by Patrolmen Kyle Beauchamp and Savannah Bigham, responded to the residence of Jeffrey Dale Umsted, 49, Walnut Avenue, McKenzie in regard to theft at the property. Upon arrival, Umsted told the officers that someone had stolen a 16-inch Polan chainsaw valued at \$129, a Dewalt saw valued at \$59, and a two-year-old ATV battery valued at \$57 that was removed from his ATV that was stored inside his shop.

Speeding / simple possession of casual exchange / drug paraphernalia — According to a report filed by MPD Patrolman Jeff Winberry, on July 6, the officer observed a 1989 Chevrolet Caprice traveling 58 mph in a 40 mph zone. After stopping said vehicle, the officer ran a computer check on the license of Mareka Shuntez Curtis, 32, Irvine Street, Paris, that came back valid. The officer, upon obtaining permission to search the vehicle, discovered a digital scale and a marijuana bud in the vehicle. The driver was then cited into Carroll County General Sessions Court for the listed offenses.

Driving on suspended / revoked driver license / stop sign-vehicle violation — According to a report filed by MPD Patrolman Jeff Winberry, on July 7 the officer observed a 2012 Toyota pickup disregarded the stop sign at Walnut Avenue and South Main and initiated a traffic stop of said vehicle. A computer check of the driver's license of driver James Elliott Batten, 35, Kesterson Street, McKenzie, revealed they were suspended out of Madison County General Sessions Court for failure to pay fines / costs. Batten was cited into Carroll County General Sessions Court for the listed offenses.

Fun By The Numbers
Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

See solution in next week's edition.
