# Atwood Man Dies in Accidental Shooting

ATWOOD (October 9) — A 22-year-old Atwood man is dead after he accidentally shot himself while playing with a handgun.

According to David Bunn of the Carroll County Sheriff's Department, Colton Tilley, 22, of 1830 East Main Street, Atwood and four other young men were in an outer garage in the early morning hours of October 9. The garage had a sofa and TV and was located behind his mother's house, said Bunn. Tilley had dry fired the 9 mm weapon several times as the loaded magazine daggled loose from the weapon. He aimed it at the wall and even his knee and the weapon did not fire. He then pointed it at his head and the weapon fired.

The four guys witnessed the accident, rushed

# Youth Airlifted After Collision

MCKENZIE (October 9) — A 12-year-old student was extricated from a crash scene and then airlifted to Vanderbilt to treat his injuries following a pre-school accident at the intersection of State Route 423 and Tower Road. The accident was reported at 7:32 a.m. Friday, October 9.

According to a report filed by Sergeant Andy Weaver of the McKenzie Police Department, Aaron Hilliard, 17, of McKenzie was driving south on State Route 423, took his eyes off the road a moment, and then looked up to see a stopped vehicle waiting to turn left onto Tower Road.

Hilliard attempted to avoid a rear-end collision with the stopped vehicle by maneuvering left into Tower Road. As he crossed the northbound lane, Hilliard's 1999 Ford pickup was struck in the passenger side door by a northbound full-size pickup, driven by William Reeves, 54, of Huntingdon. The 2013 model F250 truck was owned by the State of Tennessee Forestry Service. Both vehicles came to rest in a cornfield, clear of the roadway.

Zachary Chandler, 12, of Huntingdon, was seated on the passenger side of the Hilliard vehicle. McKenzie Fire and Rescue was called to extricate Chandler from the vehicle. He was transported by McKenzie Emergency Medical Services to McKenzie Regional Hospital and then airlifted to Vanderbilt Hospital in Nashville. Both Hilliard and Reeves was able to exit their respective vehicles. Both were treated and released at McKenzie Regional Hospital.

Both vehicles were towed from the scene.

# City Purchases Wrinkle Building, Sets Limits on Playground

**Playground equipment is now off limits from persons over 12 years old and five feet or taller.**

MCKENZIE (October 8) — McKenzie City Council voted unanimously to purchase a 4,000 square-foot building on Bruce Street and adjacent to the city's water treatment plant.

Mayor Jill Holland said the city bid $35,000 for the former Wrinkle Hardware structure and was the successful bidder over at least one other bidder. The building is just feet away from one of the city's water well heads, making it more critical for the city's water department to purchase the property. It has indoor and outdoor storage and can be used instead of a former service station the city now rents.

In other business, the city approved a ordinance to restrict adults and anyone aged 12 and over or over five feet tall from playing on the playground equipment in both City

# New McKenzie Middle School Schedule is Complicated, Efficient

This isn't your 1970s school schedule. In fact, it is not even the 2014 schedule. It is an innovative academic schedule that appears rather complicated at initial glance and daunting for young middle schoolers to learn. But they do.

Josh Kee, a history teacher at McKenzie Middle School, along with MMS Principal Doretha Royale told members of the McKenzie Special School District Board of Education about changes to the scheduled when students returned in August.

Students have a modified schedule with 90-minute, 60-minute, and even some 30-minute sessions intermixed during the five-day week. It's similar to college, in which students have certain classes on Monday, Wednesday, Friday, and completely different classes on Tuesday and Thursday. The annoying bells, signaling to change classes, are reduced in number and teachers often use the alarms on their cell phones to signal students they are to change classes, said Kee.

Kee cited the book, "Who Moved My Cheese," a book by Spencer Johnson, M.D. The book tells of mice, who travel each day to the same location to get some cheese to eat. However, the cheese was moved, causing a disruption in the daily process. Most people are fearful of change because they don't believe they have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Spencer Johnson shows us what matters most is the attitude we have about change.

Ms. Royle said Kee, Dr. Jennifer Ognibene, and Rebecca Jones spent many hours analying the possibilities to develop the complex schedule. "It took analytical minds" said Royle of the development team.

The change was made to better prepare the students for the standardized tests and prepare them for high school, where they will also be on a block schedule.

"For some people, it has been a difficult change," said Royle, who noted, change is often necessary to move from good to great.

Anyone can inspect the type of questions students will experience at the annual standardized testing. Sample questions are available at support.micatime.com.

**Josh Kee, standing, explains the new MMS schedule for students to school board members. Pictured are John Austin, Lynn Watkins, director, and Norman French.**

The Board, with Michelle Horton and Greg Barker absent, approved expenditure of the Safe School Grant to upgrade surveillance with remote capabilities, and provide some additional locking mechanisms for the doors on inside classrooms. The state provided $7,370.05 and the school system provided a match of $1,466.95 for the safety enhancements.

The Board also heard of violations of accessibility at McKenzie High School. An unannounced visit by inspectors determined some minor infractions of Americans with Disabilities Standards.

Lynn Watkins, director of schools, made note of some of the deficiencies during the September meeting. The entire list includes: lack of adequate signage at the front entrance; boys' and girls' sinks are 35 inches in height. The new standard requires at least one sink at 34 inches in height. The school also needs to insulate around exposed plumbing under that designated ADA sink.

Toilets have flush controls nearest the walls. Those controls should be on the widest side of the toilet area.

A sink in one classroom is 37 inches in height, exceeding the 34 inch regulation. One paper towel dispenser is too high.

A free standing storage table reduces the required aisle travel space as prescribed by ADA standards.

The greenhouse has a two-inch gap at the entrance, which creates an abrupt change in levels between the walkway and the entrance. The pathway to the detached agriculture shop is gravel and does not provide an stable, firm and slip resistant accessible route.

There is no signage for the girls' restroom in the bandroom and none for the girls' PE locker room.

Entry door pressure were to great in the boys' PE locker room and the band room were eight pounds and six pounds. Both should be mo more than five pounds.

The board approved policy changes affecting the administration of medicine to students, surveying students, and background investigations for staff and faculty, who have direct contact with students. It was approved on the second of two readings. The policies changes were either recommended by the Tennessee School Boards Association or to comply with new state laws.

The policy on medicines allows designed and property trained school personnel, not just the nurse, to administer students' medicines or to assist students as they self-administer. The school must have written approval and instructions from the parents. The policy also allows personnel to administer glucagon in emergency situations to diabetic students. Also, students with pancreatic insufficiency or cystic fibrosis can self-manage their medications without assistance.

All newly hired personnel shall undergo a background check.

Collecting, disclosing or using information for marketing policies were implemented. It is very difficult to survey students without parental consent, said Lynn Watkins, director of schools. None of the data can be used for marketing, according to the policy.

A new policy entitled Student Assignment mandates the principal separate alleged victims of child sexual abuse from alleged perpetrator if the abuse allegedly occurred while the child was under the supervision or care of the school.

Watkins provided the following information in the director's report:

• Employed Ed Maynard in maintenance.

• Announced Wilberina Pearson, Alec Meddlings, and Amy Scott as substitute teachers.

• Recommended the cancellation of the November meeting with the next meeting being December 1. The Board concurred.

It is the first-ever marching invitational hosted by Bethel University, Huntingdon Marching Mustangs and the McKenzie Marching Rebels. Bethel is hosting the event as a fund-raiser for the two high school marching bands.

The directors for each of the bands are: Bethel – Keith Cottrill, McKenzie – Keith Breeden, and Huntingdon – Jill Bonds.

Admission price is $10 for adults, $5.00 for age 10 and under, and free for two and under.

Kim Callahan of McKenzie said the cooperation between the three bands has been phenomenal.

"I can't tell you the wonderful relationships that have been made by working with the Huntingdon Boosters and Bethel Renaissance Regiment over the summer! I am excited that our band kids will get to know their peers across the county, gain some mentorship from our college kids and experience an unprecedented event at this level."

Members and boosters from each of the band programs are working together to promote this event. It will take many volunteers on the day of the event to host such a large number of bands and fans.

Promoters of the event hope thousands of people will come and participate throughout the day. Performances begin at 12:15 p.m. with an exhibition by McKenzie Marching Rebels. Huntingdon Marching Mustangs will perform in exhibition at 12:30 p.m.

Park and Mulberry Park.

Playground equipment is being damaged by adults playing on the slides and other equipment. The fine is up to $50 per day for disregarding the size and age limits. The ordinance passed on the first of two readings.

City Street Department personnel will repair traffic signal lights at the intersection of Cherrywood and U.S. 79 in the near future. The city decided the lone bid of $15,790 from Jack Hornsby Electric was too high. The bid was rejected in favor of allowing city crews to make the repairs.

Johnny Mercer, superintendent of the city's Street Department, said he would need the help of McKenzie Police Department to direct traffic while the repairs are made.

A recent inspection by OSHA of buildings and structures of the city found a few findings. The result of the inspection indicated that park department personnel cannot smoke in the equipment storage area and need some safety training. There were some handrails needed at the wastewater treatment plant, and all fire extinguishers need to be checked monthly, instead of annually.

Mayor Holland said the Police Department is creating a safe exchange zone in the parking lot of City Hall. The mayor said the area can be used for custody exchanges of children or exchange of cash for merchandise purchased over the Internet. Police will not be present unless requested.

Three citizens expressed concerns. Dorothy Pearson of McClure Street complained about trees growing through a nearby abandoned house and loud music after 10:00 p.m. in the area. Rosalind Winston complained about the disrepair of the railroad crossings. George Nolen said some of the bleachers at Mulberry Park need repair.

Mayor Holland said Tennessee Wildlife Resources Agency is working on the Carroll Lake. Before the agency can proceed, it must obtain the necessary permits from state agencies.

McKenzie was rated as the number one city for first-time home buyers among 110 cities in Tennessee, said the Mayor.

### The Readers Speak ...

I don't know who is responsible for removing Sgt. Lowe, who was the only School Resource Officer that McKenzie School District had, but several parents, grandparents and myself think that it was a major mistake.

To start out with, one officer is not enough. There needs to be an officer in each school to make them safe, McKenzie Schools is definitely a soft target, just what those crazies out there are looking for.

I pray we never experience what parents at Columbine, Sandy Hook, and the other schools went through, and will never get over.

I urge everyone that is concerned about the safety of our children in the McKenzie School System to contact Mayor Holland, City Council members and the School Board, and let them know, we want an officer back in our schools again to protect our children.

# Bethel/Eastside FCE News

Bethel/Eastside FCE met October 8, 2015 in the Quilter's room of the Carroll County Complex. There were 8 members present with Janice Chandler as Hostess.

The meeting was called to order by our president, Pennye Mays. She gave the educational part of our program first while we ate an add-a-dish meal that was scrumptious. The program was entitled "Pass it on!" She gave us information on scams. There is charity fraud; identity theft; imposter scams; healthcare scams; paying too much; and lastly, "You've won" scams. What can you do to protect yourselves? Here's what is recommended: Keep your money and your information to yourself. Never share your financial information with someone who contacts you! Be sure of whom you are talking to. Ask a verifying question only they would know if they claim to be a friend or relative asking you to wire money. Take your time. Think and do research. If you think it is a scam report it to the FTC (Federal Trade Commission) at 1-877-382-4357 or 1-877-FTC-Help or TTY 1-866-653-4261. You can also go online: FTC.gov/complaint. Your complaint can help protect other people and help investigators to identify and stop scammers. Make a difference!

After the meal, the meeting was opened with the club charge read in unison. Ms. Janice gave the devotion from 1Corinthians vs. 1-2. Roll call was given by answering, "If you dressed as anything you wanted, what would you be for Halloween?" The answers were interesting. The minutes were read and approved. Treasury report was given.

Dates to remember are: Oct. 12 is County Council with Macedonia hosting. Oct. 15 is the soup and chili fundraiser. Be there at 10, ready to serve by 11. You get soup or chili, crackers or cornbread, desert and a drink for $5.00. Y'all come out and eat. This is to raise money to send three lucky girls from Carroll County to Line and Design camp in Martin. There they will learn useful sewing and leadership skills. November 8-11 is State Convention in Clarksville. December 7 is Cookie Exchange.

Under old business: The meeting for our Christmas dinner was changed from Not Higgs to The Kitchen Table, still to be on our regular meeting night.

New business: Reservations were made and confirmed to go to Restaurant 23 in Big Sandy at 4:30 on November 14. Meet out front at the complex to ride together. We voted to count this as our November meeting instead of on the second Thursday. Also under new business we elected officers for the coming year. A motion was made that they stay the same. It was seconded and had a unanimous vote of aye.

Our project for the VSAF in March was discussed and decided upon. Save those empty toilet paper rolls.

Hostess for next month is Pennye Mays.

Signing off and wishing y'all a Happy Halloween!

# Gasoline Prices Rise

October 12- Average retail gasoline prices in Tennessee have risen 2.6 cents per gallon in the past week, averaging $2.02/g yesterday, according to GasBuddy's daily survey of 3,821 gas outlets in Tennessee. This compares with the national average that has increased 2.7 cents per gallon in the last week to $2.31/g, according to gasoline price website GasBuddy.com.

Including the change in gas prices in Tennessee during the past week, prices yesterday were 97.3 cents per gallon lower than the same day one year ago and are 3.5 cents per gallon lower than a month ago. The national average has decreased 3.1 cents per gallon during the last month and stands 88.0 cents per gallon lower than this day one year ago.

"A majority of states saw gasoline prices jumping over the last week thanks to an upward move in oil prices as well as refinery maintenance season getting underway, constricting gasoline output," said Patrick DeHaan, senior petroleum analyst for GasBuddy.com. "The jump was led by states in the Midwest- areas that GasBuddy had warned last week were ripe for hikes thanks to a confluence of refinery maintenance and outages. North Dakota, Iowa, Minnesota, Nebraska and Oklahoma led with the largest increases, while areas of the West Coast saw continued relief at the pump. Some areas of the country are seeing hikes at the gas pump while others see continued declines."

"The most pressing issues on gasoline prices currently remain the recent surge in oil prices that have brought a barrel of West Texas Intermediate oil to nearly $50/bbl from $38/bbl in August. While I believe the rebound is somewhat of a head fake as the oil market remains oversupplied- it will be a temporary rebound, with oil and gasoline prices moving lower again in the months ahead, allowing for relief at the pump again in the months ahead, and we're sticking to our previous guidance- $1.98/gal nationally by Christmas," DeHaan said.

### Hunker Down with Kes

# The President Could Be A Prophet

In the wake of the horrific and senseless shooting at the Umpqua Community College in Roseburg, Oregon, President Obama has once again called for stricter gun control. I don't think any sensible person in America would disagree that something certainly needs to be done. It seems that no elementary school, university, movie theater, or any public place for that matter, is immune from some lunatic with a gun wreaking havoc and mayhem on an unsuspecting populace.

Taking guns away from everyone doesn't seem to be the solution. Such a drastic proposal would be very un-American, in direct conflict with the Second Amendment and likely to cause riots in every corner of our land. Will Rogers watched closely back in 1919 as our nation passed the Eighteenth Amendment declaring illegal the production, transport and sale of "intoxicating liquors". Will immediately wrote of prohibition, "It's a good idea but it won't work."

I figure the same is true for the gun industry.

President Obama also said sometime ago that America is no longer a Christian nation. I have rolled that statement over and over in my head. I would like to disagree with him but certainly don't have the facts—or know the heart of every believer, or non believer in America—to deny or confirm such a claim. But just a cursory glance at most any headlines today would tend to support the president.

Now, the question arises in my mind this morning, are the two statements by President Obama somehow related? Could it be that these lawmakers, government officials and watchdog groups are seeking to strengthen gun control regulation today……as a result of us no longer being a Christian nation.

I'm sure they don't see it that way. Or at least, they are not claiming so publicly. These concerned leaders are "speaking out" for the welfare of the people. Moses spoke out for the welfare of his people and they built a golden calf before he could get back down the mountain with the Ten Commandments!

I remember riding though town after church in 1959. There was not a store open. The whole place had shut down. It was Sunday for goodness sakes! If you cut your arm near 'bout off playing with a lively lad, you had to wrap a rag soaked in coal oil around it and hold it till Dr. Holmes got to work on Monday morning. You couldn't buy an aspirin or a bottle of S-S-S Tonic because both drug stores were closed.

Mom would let us play baseball in the field across the street as soon as the preacher ate all the chicken and left. Of course, we had to promise not to get hurt, dirty or worn out because we had to go back to church in the evening. The Park Theatre didn't start the movie until 8:00 pm on Sunday nights so everyone could finish worship.

Leon declared we might as well go to church…..there wasn't nothing else going on!

I believe I can say unequivocally that we were a Christian nation. And that is not to maintain that every single person in America at the time was a Christian. That has never been the case. The heathen have always been amongst us. But the prevailing thought process was certainly shaped, cultivated and nurtured along by Christian principles.

I don't remember one single person getting shot back then, either in our little town or nationally. Most people kept their guns by the front door or out on the porch. I guess they were loaded. Daddy said not to touch them unless he was there and that is exactly what we did.

We were taught from birth that life was precious. And we were to respect it, hold it dear and not to trifle with it in any shape, form or fashion—that was our own life as well as every other single person that lived on this earth! The thought of someone walking into a place and firing on a crowd of people was inconceivable.

You can say it's all hooey and go on living like you want. Or you might consider that there is something to a Christian upbringing, a Christian walk……and a Christian nation.

I don't really know when, how or what changed us. I sure don't see many stores closed for Sunday these days. I don't see the reverence for the church, the clergy or Almighty God that was common place back when we WERE a Christian nation. I don't see the respect for human life that we all grew up thinking was automatic.

So you can blame our current woes on lack of gun control. Or you might want to ponder on our lack of self control. It seems to me we are becoming a nation of "doing what is right in our own eyes". I think the Bible might speak to that condition.

And I fear that this thing ain't going to end like those old fashioned movies we used to watch after church on Sunday nights.

**Respectfully,**
**Kes**

# Inglenook Book Club September Meeting

The Inglenook Book Club held its September meeting at Lakeside Assisted Living Center with Carolyn Moore and Mary Newman serving as hostesses. Everyone enjoyed Carolyn's and Mary's delicious apple cakes served with sauce and whipped cream, veggie sticks, nuts, and assorted beverages.

President Zia Locke called the meeting to order and thanked the hostesses. Members stood for the Pledge of Allegiance and the Club Aim and Motto.

The recording secretary called the roll and read the August minutes, which were approved as read. Treasurer Donna Ward reported the bank balance.

Although Sunshine chairman Shelia Rogers was absent, it was reported that five cards were sent last month. Shelia will be asked to send cards to Harold Russell, to both Sharon Hunter and her husband, and to Sara Fitzgerald.

Zia thanked all the committee chairmen for their efforts each month

"Happy Birthday" was sung to Peggy Chappell, Mary Newman, Marilynn Putman, and Carolyn Potts.

There was no old business. Under new business, President Locke briefly told of a young lady in Sharon, Tennessee suffering from cerebral palsy that needs a wheelchair lift, and is collecting shoes to sell to a company who will buy them. This story was recently featured on TV Channel 7 in Jackson. Motion was made and seconded to participate in this effort, and after discussion motion passed. Members will bring their donated shoes to the next meeting for collection.

Vice President Victoria Ard introduced our speaker, Carolyn Potts, whose subject was writer Georgette Heyer, who wrote historical romances and detective fiction. Heyer was born in London in 1902 and died in 1974. Her writing career began in 1921 when she turned a story for her younger brother into the novel The Black Moth. In 1925, Heyer married George Ronald Rougier, a mining engineer.

In 1935, Heyer released her first Regency novel, Regency Buck. The Regency period in England lasted roughly between 1811 and 1820, and this novel essentially established the genre of Regency romance. Her Regency novels were set almost entirely in the world of the wealthy upper-class and only occasionally mentioned poverty, religion, or politics.

Her novel The Conqueror, published in 1931, was her first novel to give a fictionalized account of real historical events. She researched the life of William the Conqueror thoroughly, even traveling the route that William took when crossing into England.

For the next several years Heyer published one romance novel and one thriller each year, but her romances were far more popular. Besides her success in the United Kingdom, Heyer's novels were popular in the United States and Germany, and widely read during the Great Depression and World War II. Her novels, which one journalist described as containing "derring-do, dashing blades, and maids in peril," allowed readers to escape from the mundane and difficult elements of their lives. In describing her novel Friday's Child, Heyer commented "I think myself I ought to be shot for writing such nonsense…but it's unquestionably good escapist literature and I think I should rather like it if I were sitting in an air-raid shelter or recovering from the flu."

At the time of Heyer's death, 48 or her books were still in print, including her first novel, The Black Moth. Despite her popularity and success, Heyer was ignored by critics. Although none of her novels was ever reviewed in a serious newspaper, this never worried her. What mattered was the fact that her stories sold in ever-increasing numbers. It was in her obituary in 1974 that readers first knew her married name.

Carolyn read a foreword written by Nora Roberts for one of Heyer's novels in which she described the genuine pleasure and entertainment she received whenever she read a Heyer story, and Carolyn stated that Robert's foreword summed up her own feelings about the author.

Under announcements, the next meeting will be held at Lakeside with Jean McKinnie and Elaine Williams as hostesses. Debbie Riley has the program.

Members were reminded to bring their shoes for donation to the wheelchair lift project to the next meeting.

After the book passing, members recited the benediction and the meeting adjourned.

Members present were Victoria Ard, Peggy Chappell, Juanita Finley, Carolyn Goodwin, Suzanne Howell, Geneva Johnson, Zia Locke, Gena Manner, Jean McKinnie, Sandi McMahen, Carolyn Moore, Mary Newman, Melinda Popplewell, Carolyn Potts, Marilynn Putman, Debbie Riley, Suzanne Russell, Sally Sutton, Donna Ward, and Elaine Williams.

# Morning Glory Garden Club News

The Morning Glory Garden club met on October 6, 2015, at Lakeside Retirement Center. Hostesses were Sharon Ray and Lois Brazie and a delicious caramel cake was served to the twelve members present.

President Gena Manner called the meeting to order with the reading of the Collect. After thanking the hostesses, she called on Chaplain Donna Pruneau for the "Thought for the Day" which she took from Acts 14: 17. Secretary pro-tem, Robbie Barker called the roll and read the minutes of the September meeting which was a fall trip to the Antique Mall and Tea Room on Carriage House Drive in Jackson. The minutes were approved as read, and Treasurer Betty Brown reported the club's balance.

Corresponding secretary Lucille Russell read a note from Mayor Holland thanking the club for their many beautification projects for our town. The club plants the red Geraniums in the baskets in the downtown park as well as decorating the gazebo and benches for July 4th and at Christmas. Our current project is funding some of the plantings on the extension of University Drive downtown.

"Happy Birthday" was sung to Sara Fitzgerald in absentia. The Yard of the Month Award for October was presented to the Sonic on Highland Drive. This is a very visible corner in our town and we appreciate the beautiful landscaping and the overall appearance of the business.

The club added a scarecrow to the park again this year. We named her "Gloria, the Bride of Frankenstein". The club thanks Ken Mitchum and Bobby Dinkins for their help in transporting "Gloria" to her place among the other scarecrows.

A report was given on the Act II luncheon and fashion show which was held on Saturday, October 3, 2015. Miss Tennessee was in attendance to emcee the fashion show. Morning Glory Garden Club won the "Best Decorated Table" by a vote from those present.

Under new business, the club had to make a decision concerning our Christmas luncheon which usually takes place on the first Tuesday in December. Due to a series of unfortunate illnesses, accidents, surgeries, etc., it was with heavy hearts that members voted not to have the luncheon this year. We wish to thank all those in the community who have so graciously supported us by attending our luncheon for forty-five years. We hope we can resume it some time in the future. This is our only fund raiser for all we do for the community, Lakeside, the elementary school and many other projects we support.

Horticulture was brought by Donna Pruneau, Ann Dinkins and Gena Manner. The November meeting will be at Lakeside and we will be doing a Garden Therapy Christmas project with the residents. Members were reminded to wear their Morning Glory green shirts. The meeting was then closed with members reciting the club Benediction.

**I want to say a great big THANK YOU to everyone that sent me a birthday card on my 80th birthday. My daughter was shooting for 80 cards but we ended up with only 130 on that day. I cannot tell you how much this means to me to have this many friends that would go to the trouble to look for just the right card to send to an old, cranky, trouble maker like me. Thanks so much for all that kindness.**

Last Chance to Vote!

WE'RE CHANGING IT UP THIS YEAR!

This year's Best of Carroll County contest kicks off with some new and exciting changes. There will be two rounds of voting starting with Round 1, the Nomination Process. Following the nomination process, Round 2, The Finals round, begins and is the last chance to vote for the three nominees of each category from Round 1.

Carroll Countians can cast their vote for whom they think is the best in each category during Round 1 of the Nomination Process. This part of the process is the same as it has always been in this contest. Vote early and be as specific as you can. Use the official name of the business plus its location, provide the first and last name of a person plus their place of employment, and what city they are from. The business has to have a physical location and business license. It cannot be a home business.

The top three entries or persons receiving the most votes from Round 1 will be entered into Round 2, The Finals. A Round 2 ballot will be published with names of three finalists for each category from which voters will choose their favorite. The business or person with the most votes at the end of Round 2 will be declared the "Winner," the runner up will be declared the "Finalist."

Winners and finalists will be invited to a red carpet awards banquet following the January 2016 publication of the Best of Carroll County special section inserted into The McKenzie Banner. At the banquet, winners and finalists will be presented their certificates and awards.

# West Tennessee Antique Tractor Show

**By Ernie Smothers**
*smothers@mckenziebanner.com*

ATWOOD (October 10) — As blue skies and moderate temperatures prevailed, an enthusiastic crowd of vintage tractor enthusiasts gathered for the antique tractor Show in Atwood.

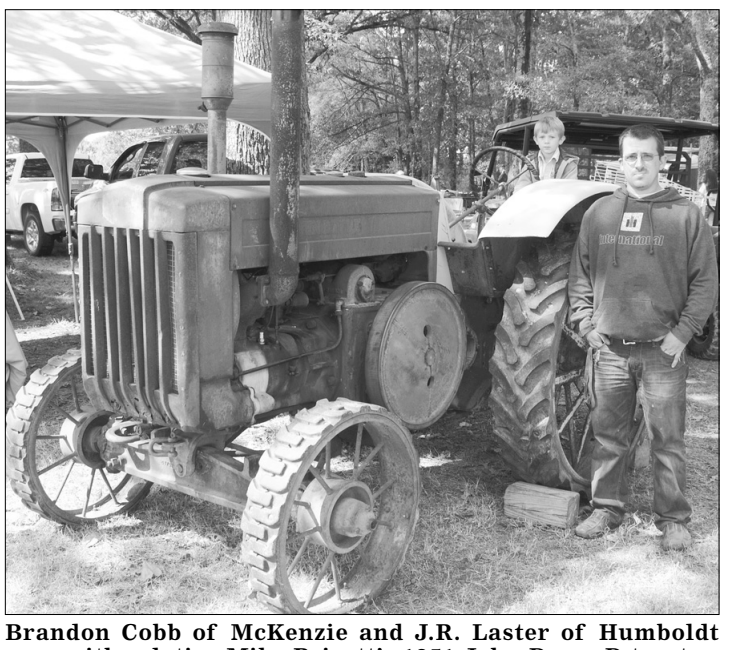

The event was part of the annual West Tennessee Antique Engine and Tractor Show that commenced on Friday, October 9 in the park located at the intersection of Highway 70 and 79.

The event featured a wide variety of antique tractors, cars, equipment and engines.

In addition, attendees enjoyed shopping at the flea market and crafts exhibits and dining on delicious grilled hamburgers, hotdogs and refreshments.

Standing beside his 1951 John Deere D tractor, Humboldt native Mike Privett said, "This tractor was part of the longest-running series of John Deere tractor models ever produced. The D tractor series ran from 1923-to 1954. This tractor is a powerhouse. The engine is 502 cubic-inches with a two-piston power source. The serial numbers on this tractor trace it back to being delivered after construction to a town in Arkansas."

Smiling as he sat in the seat of the 1951 D, J.R. Laster, Privett's eight-year-old nephew, added, "This is a well-built and stout tractor. It is a powerful piece of equipment."

**Brandon Cobb of McKenzie and J.R. Laster of Humboldt pose with relative Mike Privett's 1951 John Deere D tractor.**

Privett added, "You know-it hurts me to put this tractor up for sale, but I am proud to say that I have made no attempt to modify it from its original construction. I messed up and started it last week, and it really touched me to hear that big engine run. There's no mistaking the sound of an engine with that type of power. My tractor is wearing her 'work clothes' today-rust and all. I also like that the tractor has its original spoke wheels and original parts. I hope that whoever owns it someday will keep it original and show it the respect that I have shown it. This John Deere D tractor served its part in feeding and making America strong, and it deserves to be treated with honor. The folks that attend these antique shows understand what I am saying about these old tractors. They represent a time when people worked hard in this country to earn a living. They will always matter to us."

National Merit Scholarship Program

# MHS Senior Named Commended Student

McKenzie High School Principal Tim Watkins recently announced that senior Aiden Gonzalez has been named a Commended Student in the 2016 National Merit Scholarship Program.

According to the National Merit Scholarship Corporation, about 34,000 Commended Students throughout the nation are being recognized for their exceptional academic promise. Although they will not continue in the 2016 competition for National Merit Scholarship awards, these students placed among the top five percent of more than 1.5 million students who entered the 2016 competition by taking the 2014 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT).

"The young men and women being named Commended Students have demonstrated outstanding potential for academic success," commented a spokesperson for NMSC. "These students represent a valuable national resource; recognizing their accomplishments, as well as the key role their schools play in their academic development, is vital to the advancement of educational excellence in our nation. We hope that this recognition will help broaden their educational opportunities and encourage them as they continue their pursuit of academic success."

Gonzalez, a distinguished scholar at MHS, has a GPA of 4.0 and scores of 35 on the ACT and 2140 on the SAT. He is the Beta Club President, the DECA Vice President of Finance, the Science Club President, and his Class Vice President. He spent the summer of 2014 working in collaboration with NASA and the Georgia Institute of Technology on the Asteroid Return Mission initiative for the Tennessee Junior Science and Humanities Symposium.

He is currently undecided on where he will continue his education.

# Flex Fitness Supply Drive a Big Success

**By Ernie Smothers**
*smothers@mckenziebanner.com*

During an interview with The McKenzie Banner, Flex Fitness of McKenzie's Scott Cunningham said that the company's recent donation drive for McKenzie Elementary School was a great success.

He said, "During the entire month of August and for two weeks in September, Flex Fitness offered member free sign-ups to anyone willing to donate materials to McKenzie Elementary School. Flex Fitness is very pleased with the response from the community. We did not know that we had collected as much material as we did until we started laying it all out at the school."

He continued, "The donated materials are for the whole school. We gave the supplies to the MES guidance counselor and asked her to distribute the items as needed to teachers and classes."

Cunningham thanked the following area businesses for contributing to the MES Donation Drive: McKenzie Donuts, Subway, Domino's, Crazy Wings, New Age Skin Care, Auto Zone, McDonald's, Old West Steak House, and Bobby Gee's.

HUNTINGDON (October 8) — On the heels of successful football and softball campaigns, Huntingdon Middle School celebrated its annual athletic banquet inside the HMS Cafetorium.

Prior to invocation by HMS student-athlete Austin Baker, event emcee Nathan Wallace thanked Huntingdon Director of Schools' Pat Dillahunty, Huntingdon School Board members, HMS school administrators and teachers, parents, coaches, the community, and newspapers The McKenzie Banner and Carroll News Leader for supporting the school's young athletes.

## Wildcats Dominate Dogs In MSC Battle

MCKENZIE — The Bethel Wildcats dominated the Union College Bulldogs Saturday afternoon winning 58-17 at Wildcat Stadium in McKenzie. The 58 points were the most scored by a Bethel squad since they scored 69 against West Virginia Tech and 62 against Faulkner in 2011. Bethel ran their record to 3-3 while Union dropped to 0-5.

The Wildcats had a season high 649 total offensive yards in the game while the Bethel defense held the Dogs to just 280 total yards. Bethel had 375 rushing yards and 274 passing yards.

The Wildcats led 23-6 after one and put the game away with a 37-9 lead at the break. They upped that margin to 51-9 at the end of the third quarter.

Offensive Highlights:

Devan Raymer had two first half rushing touchdowns.

Kerry Sellers had three rushing touchdowns on the day.

Quincy Walden ran for a 60-yard score.

Walden caught a 90-yard touchdown pass from Sellers. The pass completion for a touchdown is the longest in Bethel history for a passer and a receiver. Brent Dearmon had the previous longest at 84 yards in 2003 against Belhaven. Walden's catch is the longest TD reception since Isaiah Hoofkin with the catch of the Dearmon pass.

Braxton Baugus finished off an impressive 82-yard drive with a touchdown pass to Samuel Kail for a 5-yard score late in the game.

The 2015 Huntingdon Mustangs (4-0 Region 6A & 7-0 Overall)

## Huntingdon Remains Undefeated at 7-0

**By Jason Martin**
*jmartin@mckenziebanner.com*

McEWEN (October 9) — The Huntingdon Mustangs hit the road Friday night to pick up their seventh win of the season by a score of 55-0. The Mustangs scored at will against 1-6 region opponent, the McEwen Warriors. The cool rainy conditions provided little adversity for Huntingdon as they held the Warriors scoreless.

Huntingdon won the toss and elected to receive the ball. Keeton Bailey returned the opening kick to the Huntingdon 38 yard line. McEwen was called offsides on the opening play. Sitting 1st and 5 from the 43 yard line, Zach Dodson easily picked up the first down for the Mustangs. Kade Pearson slipped on the next play for a loss of six yards. It appeared that Huntingdon would be forced to punt after a short play from the line of scrimmage. Looking at 4th and 14 on their own 37 yard line, Coach Eric Swenson had faith in his offense and decided to go for it.

The gutsy decision paid off as Dodson raced up the middle picking up 36 yards and the first down. Three plays later Dodson was in the end zone with the help Trevor Pritchard's block on the left end. The PAT was wide left as the Mustangs led McEwen 6-0.

McEwen went three and out on their opening series. Bailey's punt return put the Mustangs in scoring position on the Warrior 35 yard line. Dylan Johnson connected with Ben Clift for 24 yards. Then Kade Pearson found daylight from 11 yards out for Huntingdon's second touchdown. The two-point conversion was no good at the 5:44 mark of the first quarter. Huntingdon's lead increased 12-0.

The Warrior's offense was on the field for only one play as Huntingdon's Michael Arnhold recovered a McEwen fumble. Two plays later the Mustangs were back in the end zone as Pearson scored from 11 yards out. Johnson picked up two more points on the conversion. Huntingdon led 22-0 with 4:48 still to play in the first quarter.

McEwen was forced to punt on their next drive. Once again Bailey had a big return as he weaved in and out of traffic picking up 60 yards. A holding call moved the return from the McEwen 20 yard line back to the 44 yard line. Huntingdon's Dodson fumbled on the next play and McEwen came up with wet pigskin.

Taking over after the turnover, the Warriors failed to make a first down. Arnhold sacked Jonathan Lutz to stall the drive. The Warriors punted, and Bailey picked up over 20 yards on the return.

## Tigers Fall to Cougars, 21-6

**By Ernie Smothers**
*smothers@mckenziebanner.com*

CLARKSVILLE (October 9) — As a steady rain fell throughout the contest, Region 6 1A foe Clarksville Academy took advantage of costly first quarter turnovers by Hollow Rock-Bruceton to lead 14-0 at the half en route to a 21-6 win over the Tigers.

Central was led throughout the contest via the gritty efforts of Isaiah Donald, Dalton Davis, Brady Snider, and Zayveon Johnson.

The Tigers suffered five turnovers in the contest via three fumbles and two pass interceptions.

Central won the opening toss and deferred to the second half.

Coming out hot, the Tigers defense shut down the Cougars and forced a three-and-out punt by John Austin Peay.

On the first play from scrimmage for Central, disaster struck as a muffed handoff from Chase Bratton to Zayveon Johnson resulted in a fumble that was recovered by the Cougars at their 47.

Racing to the line, Clarksville Academy runningback Connor Thomas powered up the middle through a gap in the line for a 27-yard burst to the Tiger 27. At the 10:34 mark of the first frame, Thomas exploded into the Tiger secondary and raced to paydirt. Peay added the PAT boot as the Cougars led early, 7-0.

Tiger Isaiah Donald led Central offensively and defensively.

Seizing momentum, Clarksville Academy recovered their onside kick at the Tiger 46.

Responding, the Tiger defense utilized stops by Cody Knuutila, Isaiah Donald and C. Snider to force the Cougars to punt away as the ball was downed at the Central 11.

Central runningback Ryan Cole battled for a gain of four up the middle before Johnson reversed field under pressure and was dropped at the Tiger 7. Responding, Central quarterback Bratton fired a first down strike to Grant Davis at the Central 36. On the ensuing play, Cole powered 11 yards up the middle before fumbling as Clarksville Academy recovered the pigskin near midfield at the 6:41 mark of the first canto.

Cougar freshman quarterback Brice Robinson kept right side to the Tiger 39 and Thomas battled for a first down at the 30. On the next play, Knuutila blasted into the backfield and sacked Robinson for a three-yard loss. On third-and-ten, Dalton Davis defended a Cougar pass attempt. Gambling on fourth-and-long, Cougar Robinson rolled in the pocket and fired a first down strike to Eli Norman at the Central 18. Plowing straight ahead, Cougar Thomas netted a nine yard gain before battling to the Tiger 3. At the 2:54 mark of the first period, Thomas followed his offensive line surge into the end zone and Peay added the PAT boot as Clarksville Academy led, 14-0.

## War Eagles Shut Out by Top-Ranked Golden Tornadoes

**By Brad Sam**
*brad@mckenziebanner.com*

ATWOOD (October 9) — West Carroll hosted top-ranked Union City Friday night in a rain-soaked Region 7-1A matchup. The game held few surprises as the Golden Tornadoes' ground-and-pound offense scored consistently from the opening drive, remaining undefeated with a 54-0 win over the War Eagles.

Union City received the opening kick, beginning at the 17 yard line. Brantley Clendenon had all 5 carries on the opening drive, the last of which was a 59-yard touchdown run. After the PAT, Union City led 7-0 with 9:04 remaining in the first quarter.

The War Eagles began their first drive from the 19 after a false start. Quarterback Jace Williams kept on first down for a yard, then Tristan Fuller ran for 4. Williams lost several yards on third down, and West Carroll was forced to punt.

Starting at the Tornado 37, Clendenon again got each touch on the drive. A 42-yard burst on first down was followed by 3 more runs and a touchdown. The kick was good, and the Golden Tornadoes led 14-0 with 5:02 left in the first.

West Carroll again went three and out, punting to Tornado Taj Reid. Reid returned the kick for a 65-yard touchdown. After the PAT, Union City led 21-0 with 2:30 left in the first.

Fuller began the ensuing War Eagle drive with a 38-yard run into Tornado territory. He ran for 6 more before Union City shut down the next pair of runs. West Carroll punted again as the first quarter ended.

Clendenon ran twice to start the next drive, first losing 5 on a big hit by War Eagle Blake Davidson, then gaining 10 before Davidson made the stop again. On third-and-5, Union City finally gave another player a shot, and D'carrious Stephens went 50 yards for the score. West Carroll blocked the point-after, and Union City led 27-0 with 10:29 left in the first half.

# Banquet

**...From Sports Front**

April, the squad has learned over 90 cheers and cheered in nine football contests. We are looking forward to the upcoming basketball season. I am proud of our cheerleaders for their efforts at practice and during games and for being strong in the classroom."

Next up were HMS Softball Coaches Amy Fuller and Robin Belew. Coach Fuller spoke of the squad's great season and commented on each girl's assets on and off the playing field. She also thanked the players' parents for manning the concession stands.

She continued, "We had 18 players on the team this year and two managers. Our squad was blessed with a lot of speed and talent. We finished the season with a record of 12 wins, seven losses, and one tie. I can honestly say that this was one of the hardest-working teams I've ever had the pleasure to coach. It was a blessing for Coach Belew and me to coach them."

She added, "I also want to personally thank Coach Belew for all that she has done for HMS Softball and for me. This is her last year to coach HMS Softball, and we will miss her. When I moved to Huntingdon from out-of-state, she was one of the first people to reach out to me. She is a great coach and friend. I will always have a special place in my heart for her."

The coaches presented each softball player with a certificate of participation.

HMS Football Coach Nathan Wallace began by thanking God, his wife, Dillahunty and the school board, school administrators, players, parents, and fellow coaches and spouses.

He began, "First off, I want to say how very thankful I am to be able to teach and coach here at Huntingdon Middle School. The support that we receive as coaches and teachers from our school administrators, fellow teachers, and the community is just incredible. There are few schools around us that put as much into supporting their students academically and athletically as we do. We have something very special here."

Addressing his players, Wallace said, "Guys-thank you for a very exciting season. Thank you for representing your school and community with such class and sportsmanship. Something that I really appreciate is when coaches from other schools brag on you after ballgames. They tell me how much they appreciate your competitive fire and your conduct on the field. They appreciate your sportsmanship. That means a great deal to us as coaches. We have become accustomed to our seasons following a certain course, and other than our slight hiccup at Trenton, we achieved that again this year. We finished 7-1, and played football at a high level."

Addressing attendees, he concluded, "Look around this room. These young people believe that they can and they know how to win. Some football teams don't know how to win. Our kids believe they can win every time they step onto a football field. It is fun for us coaches to be around players that think the way they do. To coach kids that are determined, push themselves, and are willing to do whatever it takes to succeed is a dream situation. I am blessed."

Wallace and Coach Ben Carter presented the following awards: Count On Me Award-Brett Huss, Jagar Taylor, Alex Odom, and Dalton Sullenger; Defensive Player-of-the Year-Konnor Pearson; Offensive Player-of-the-Year-DaQuon Robinson; Team Most Valuable Player-Brandon Lawton; Most Improved Player-Sebastian Kee and Bo McLemore.

**West Carroll 38,**
**Sharon 14 (G)**

It was double trouble for Sharon as a pair of Cunningham's led West Carroll to a 24-point win.

Both teams started slowly with minimal scoring, but the Lady War Eagles heated up when it counted as the Lady Eagles cooled down.

Macey Cunningham led all scorers with 15 points. Gracie Cunningham scored eight.

For Sharon, Olivia Bailey was high scorer with 11.

In a slow start for both teams, Macey Cunningham scored the first basket. Savannah Sutton scored inside to give West Carroll a 4-0 lead, but with 50.4 seconds left in the first quarter; Bailey was fouled and hit both shots from the line. The Lady War Eagles held a 4-2 lead after one.

Sharon misfired on four straight free throws in the second and missed the chance to take the lead. Gracie Cunningham scored from just inside the arc and Gloria Hogan answered for Sharon. Macey Cunningham hit a layup and Bailey was there with an answer for the Lady Eagles to make it an 8-6 game in favor of the visitors with 2:16 left in the second. A free throw from Macey Cunningham and a putback from Gracie Cunningham put West Carroll up 11-6. Two free throws from Bailey cut the lead to 11-8, but a free throw and a layup from Macey Cunningham made it a 14-8 score at halftime.

The Lady War Eagles began to pull away in the third. Behind seven points from Macey Cunningham, West Carroll raced to a 23-8 lead. Bailey spread all three of Sharon's points and the Lady War Eagles led 29-11 after three.

Scoring slowed in the fourth. Bailey hit a pair of free throws and Caitlyn Sheffield hit one of two from the line. West Carroll outscored Sharon 9-3 and went on to win 38-14.

**West Carroll 52,**
**Sharon 11 (B)**

Racing to a large lead early, the War Eagles never slowed down and never looked back.

West Carroll outscored the Eagles 19-3 in the first quarter. They led 30-7 at the half. In the second half they held Sharon to a scoreless fourth leading to an overwhelming defeat.

Zander Moon led the visitors with 10 points.

Chase VanCleave scored eight for Sharon.

Behind a balanced scoring attack of eight points from Jeremiah Bryant and six from Luke More, the visitors scored the first 19 points of the contest. VanCleave hit a three for Sharon just before the buzzer and West Carroll led 19-3 at the end of one.

VanCleave knocked down another three to open the second and Sharon trailed 20-6, but they would get no closer as Dezmond Melton scored five for the War Eagles and they led 30-7 at the halftime break.

In a low-scoring third, Moon scored four of West Carroll's eight points, VanCleave and Colby Ross each had a bucket for Sharon and West Carroll led 38-11 at the end of three.

The Eagles were held scoreless in the fourth as the War Eagles, led by six points from Colton Hast, scored 14 points and rolled to a 52-11 victory.

drove in for a deuce early in the second quarter before King tied the game at seven with a free throw.

Dresden went back ahead momentarily via a Pruiett bucket before King added a basket and a free throw to put McKenzie on top 10-9.

The Lions gained the lead once more when Landon Turnbow swished the nylons with a three-pointer.

However, the Rebels closed the first half with a 7-1 run – powered by five Noah Hawkins points – to lead 17-13 at intermission.

Scoring was scarce in the second quarter, but McKenzie emerged with a slight advantage, edging the Lions 6-4 in the period to carry a 23-17 lead into the final frame.

King knocked down a three early in the fourth quarter to enlarge the Rebels' lead to nine points.

Eventually, McKenzie inched ahead by 10 points – 32-22 with 4:01 to play – after a Lane Horton deuce.

Horton, who was scoreless in the first three quarters, came alive down the stretch with eight fourth-quarter tallies.

King made a bank shot to widen to gap to 34-22 before Dresden embarked on a 7-0 run.

Seventh-grader Zack Crawford began the run with a deuce and also added a three-pointer with a Taylor bucket concluding the spurt.

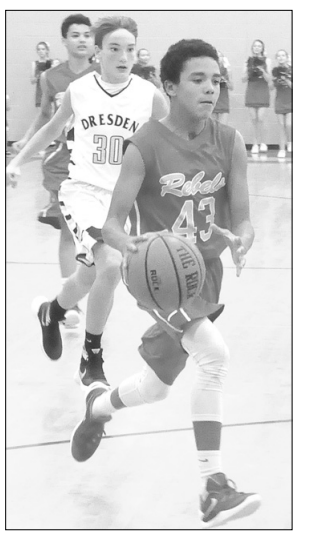

King broke Dresden's momentum momentarily with a free throw before Pruiett offered a bucket to make the score 35-31.

That was as close as the Lions got, though, as McKenzie fended off the comeback.

In addition to King and Horton, Hawkins offered eight points for the Rebels.

Dresden's leading scorer was Pruiett with 10 points followed by Dilday with seven.

Crawford and Taylor each offered five tallies during the

Lady Lion skipper Leigh Hart won her re-debut as the Dresden Middle School girls' coach.

Hart – who began her second tenure as the DMS girls' coach over the summer – claimed her first win as a head coach in over 21 years as the Lady Lions bested McKenzie 35-25.

The Lady Lions opened the game on a 7-0 run with a three-pointer by Washburn followed by a pair of Winn buckets.

McKenzie's Lilly Bennett offered her team's first bucket with 3:32 remaining in the opening period.

Then, Winn posted up again before Bennett offered a basket and pair of free throws to cap her team's scoring in the first quarter.

Lady Lion Jaiden Mangiaracinia accounted for the final score of the opening period to give her team an 11-6 advantage after six minutes of action.

Dresden and McKenzie both failed to find the net much during the second period.

Altogether, the Lady Rebels mustered four free throws, while DMS made only two buckets – both by Winn – for four tallies.

At halftime, the Lady Lions held a 15-10 advantage.

McKenzie cut the deficit to three points early in the third quarter after a Brooke Hobson bucket, but Winn outscored the Lady Rebels 6-2 over the next two-and-a-half minutes to enlarge the Lady Lions lead to 21-14.

Winn attacked the basket throughout the third quarter, finishing the period with five buckets for 10 points.

Rachel Childress offered DMS' only other basket during the frame.

In the fourth quarter, Winn began the scoring with a pair of free throws while ultimately accounting for a 6-0 Lady Lion run at the start of the frame.

Down by double digits with 2:30 to play, McKenzie snapped its scoreless streak when Shelby Davis drained a three-pointer to make the score 33-23.

Winn added two more free throws to close the book on Dresden's offensive output, while Hobson offered the final Lady Rebel bucket.

Bennett was the leading McKenzie scorer with seven tallies followed by Hobson with six and Davis with five.

The Mustangs took over on the Warrior 45 yard line. Johnson kept the ball on the next play gaining 22 yards. Then on a criss-cross counter, Johnson handed off to Dodson for the fourth Mustang touchdown with 24 seconds to play in the first quarter. Jayden Williams' PAT was down the middle as Huntingdon moved 27-0 on McEwen.

The second quarter started with a McEwen fumble. The recovery was made by Huntingdon's Tristan Norwood. Two plays later the Mustangs added their fifth touchdown to the scoreboard. Pritchard's pancake block allowed Johnson to pick up the 45-yard touchdown. The PAT was good and Huntingdon was up 34-0.

The Warriors went three and out on their next series after key stops by Huntingdon's Austin Russell, Nathan Pease, and Gorth. Bailey then returned the punt 53 yards to the McEwen 20 yard line.

It took Huntingdon only one play to find pay dirt for their sixth TD of the night. That touchdown came from Pearson for his third of the night. Williams hit the extra point, and Huntingdon was up 41-0 with 8:34 to play in the second quarter.

McEwen's struggle on offense continued as Marvaughn McClerkin, Russell, and Norwood came away with big tackles. It was déjà-vu for McEwen as the punt return came past mid-field, putting the Mustangs in scoring position.

The Mustangs began making substitutions. Tyrese Mebane kept the ball for three consecutive plays. Mebane crossed the goal line on third play from nine yards out. Huntingdon led was 48-0 with 4:16 left to play in the half.

The first half came to a close as McEwen turned the ball over on downs, and Huntingdon fumbled their next possession away.

Second half action started with McEwen's Barbee picking up 24 yards for their third first down of the game. Just two plays later, the Warriors fumbled the ball, and Gorth recovered for Huntingdon.

Huntingdon continued to rotate players into the game. Dejuan Raglin gained eight yards on his first carry. On 2nd and 2 from the 35 yard line, Kelby Pearson picked up the first down. Another first down was achieved off a criss-cross counter from Pearson to Dallas Willis. Six plays later, looking at 1st and goal from the 1 yard line, Kelby Pearson walked in for his first TD of the night. For the second week in a row, Huntingdon was able to score over 50 points. After a successful PAT, Huntingdon's lead was 55-0 with 4:08 on the clock in the third quarter.

McEwen's next possession provided yardage, but no points. The Warrior's Dowle picked up 23 yards, and Manners added nine additional yards. Sitting 3rd and 1 on the Huntingdon 21 yard line, Lutz faked out the Mustangs on a read option picking up the first down. From the 10 yard line, McEwen's Needham fumbled the ball, and the Mustangs recovered.

With 9:24 left in the game, the Huntingdon coaching staff looked to grind away at the clock. Running play after running play was called with each moving the Mustangs down field. More substitution occurred for each team.

As the clock struck zero and the horn sounded, Huntingdon achieved its first shutout of the season. Marking up another victory, the Mustangs moved to 4-0 in Region 6 Class 1A and 7-0 over all. Next Friday night, Huntingdon will host region foe Clarksville Academy. Kick off is scheduled for 7:00 p.m.

# War Eagles

**...From Sports Front**

The War Eagles were stifled again, punting from deep in their own territory. On first down, Union City quarterback Lazzarus Scribner made a rare pass attempt, but it fell incomplete. After a short run on second down, Scribner kept for a 27-yard touchdown run.

After the PAT, Union City led 34-0 halfway through the second quarter.

West Carroll produced some yardage on the next drive, starting with runs by Fuller and Patrick Becker. Fuller ran again on fourth down for the conversion but the War Eagles were held tight until punting again.

Clendenon ran for 9 yards, then Reid for 17. Clendenon gained 2, then Scribner kept for 12. He passed incomplete again, and then a false start backed Union City up. As time expired in the half, the Tornadoes attempted a field goal, but the try went wide left.

At the half, Union City led 34-0.

West Carroll received the ball to begin the third quarter, but went three-and-out and punted. The booted ball sailed out of bounds sharply, setting up Union City with a 28-yard field.

Reid got the handoff on first down and rushed to paydirt. After the point-after, Union City led 41-0.

The Tornado defense locked down West Carroll on the ensuing drive, forcing a punt from the endzone. Reid fielded the kick and returned it 33 yards for a touchdown. Another good kick gave Union City a 48-0 advantage.

West Carroll lost yardage on the first 2 plays of the next drive, ending the third quarter. A 4-yard gain by Trace Fuller still left the War Eagles facing fourth-and-long. A punt gave the Tornadoes the ball near midfield.

Union City's Braxton Waddell ran for a touchdown, but a blocking penalty against the Tornadoes negated the score. Trey Jones ran for 7, then Waddell twice for 11 and 1. Jones rushed for 7, then Andrew Easley punched it in the endzone. A failed PAT made the score 54-0 in the waning minutes of the contest.

West Carroll ran 3 plays before time expired, sealing a 54-0 victory for Union City.

War Eagle Tristan Fuller had 10 carries in the game for 54 yards.

Continuing region play on Friday night, West Carroll will travel to Humboldt, and Union City will host Dresden in a highly-anticipated battle of the unbeatens.

# Tigers

**...From Sports Front**

Ramping up, Clarksville Academy shut down the Tiger offense, forcing Belew to punt from the Central end zone. Fielding the snap, Belew ripped a towering spiral under pressure that was downed at the Cougar 49.

Driving the ball to the Central 14, Clarksville Academy was stopped via tackles by Johnson, Chase Snider, Brady Snider and Anthony Thomas and forced to attempt a 26-yard field goal that missed to the left.

Battling back, Central utilized determined rushes by Donald, Bratton, Johnson, and Cole to advance from their 20 and cross midfield. As Central's offensive line cleared the way, Central moved deep into Cougar territory before ultimately turning the ball over on downs at the Clarksville Academy 2 as the Cougars led at the half, 14-0.

Central's offensive woes continued in the third frame as a Johnson fumble was recovered by Clarksville Academy at their 48. As frustrations mounted, Central was assessed an unsportsmanlike penalty via late hit that moved the chains to the Tigers 40. On the next play, Cougar wide receiver Jason Longwell took the handoff and dodged three tackle attempts and sailed left to right to score. Peay's PAT split the uprights as the Tigers found themselves trailing, 21-0 at the 6: 51 clip of the third stanza.

Both teams exchanged punts and battled as the third quarter expired with the Cougars leading Central, 21-0.

Early in the fourth frame, Central lit up the scoreboard as Bratton fired a 26-yard scoring strike to Josh Gentry. The two-point conversion attempt failed as Central trailed and ultimately fell to the Cougars, 21-6.

This Friday night, the Tigers travel to Collinwood (3-4) for a Region 6 1A showdown with the Trojans. Game time is 7:00 p.m.

## Bethel Softball Reaches Out to Those in Need

McKENZIE — We can all learn from the thoughtfulness and concern the Bethel softball team has and is exemplifying in the battle to fight cancer.

There are many needs in our area for children who are fighting the disease, which has no boundaries in its effect on so many. Several area softball players are battling cancer and the Bethel University Softball team is doing their best to support them and lift their spirits using their own funds. They have a ribbon on their Wildcat Park field for Morgan Fuller, a softball player from Huntingdon High School. They have also contributed to her fund. Lauren Moody is another softball player who plays for Tipton Rosemark Academy and is fighting this terrible disease. The Bethel softball team is supporting her in her battle. The team recently presented her a BU softball shirt, BU softball hat and a BU softball bear. Besides their support and gifts, these young ladies have the Bethel players and coaches in their daily prayers. Please join the Bethel softball program in praying for all of those who are waging this battle and for a cure in the near future.

"God Bless and heal Lauren and Morgan" is the prayer of Bethel softball.

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

***Here's How It Works:***

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Students and parents listen as financial opportunities are discussed pertaining to college and technical school.

# High School Seniors, Parents Participate In Carroll County College Fair

The combined school systems of Carroll County staged the first-ever Carroll County College Fair from 5-8 p.m. Oct. 5 at Huntingdon High School.

The free, come-and-go event was for seniors and parents from the school districts of Hollow Rock-Bruceton, Clarksburg, Huntingdon, McKenzie and West Carroll.

The evening featured representatives from colleges, universities and technical schools throughout Tennessee and nearby states along with the armed forces. About 50 schools and organizations were invited to participate and provide information about their admission requirements, tuition, scholarships, housing and more. They set up individuals booths in the gymnasium.

At 6 p.m., Abby Nichols with Tennessee Student Assistance Corporation (TSAC) conducted a financial aid presentation, which included information on the college admission process, financial aid, the Tennessee Promise Scholarship, HOPE Scholarship, Wilder-Naifeh Technical Skills Grant and other scholarships.

# Open House at TCAT McKenzie

Tennessee College of Applied Technology at McKenzie held its open house on Tuesday, October 6th. Students and parents were given guided tours, where they were able to speak with the instructors and staff. The Financial Aid supervisor was also available to answer any questions about funding. Computers were set up to help high school seniors who had not yet registered for the TNPromise scholarship and for students seeking information about TN Reconnect.

TCAT-McKenzie extends its thanks to all the prospective students, families, community members, as well as our current students, for making this year's open house a huge success.

Above, Members of the MHS Teen Health Council assisted with the Walk to School event. Pictured are (L to R): Ben Austin, Emily Lunn, Julie French, Macy Ognibene, and school nurse Lisa Weaver. Right, Among the hundreds walking to MES on Wednesday were second-grader Luke Toombs with mother Bess Toombs and first-grader Madelyn Morris with mother Amanda Morris.

# MES Holds 'Walk to School Day'

McKENZIE (October 7) — McKenzie Elementary celebrated national Walk to School Day Wednesday with a tremendous turnout. Hundreds of students and their parents walked to school, where they were greeted with bottled water and stickers by school staff and members of the MHS Teen Health Council.

Carroll County Coordinated School Health Director Mandy Drewry was on hand to see the success. She said of the event, "The goal is to increase physical activity, not just today, but throughout the year."

## Bow Cats Have Big Success at National Championship

MARION, ILL — The Bethel University Wildcat Bow Cats had huge success at the recent national championships held in Marion, Illinois.

The men came in second in while the Cats had second place finishes in both the male and female shooting categories. Davis Orange and Patience Ellington were the top shooters. Orange, Taylor Shaw and Adam Price were the top Bowhunters. In the recurve category the Wildcats took second place with Austin Ramsey having a big day. He was 1st in Basic Bow and bowed the field out with a 20- point margin.

Bethel had five shooters recognized as academic award winners and three noted as All-Americans. Sam Gregory, Bo Simko, Patience Ellington, Davis Orange and Austin Ramsey were named all-academic student-athletes. The three All Americans were Bo Simko, Davis Orange and Patience Ellington.

Coach Kenny Louden commented on the meet, effort and awards. "I am very proud of these students. They represent our program and school as well as I could possibly imagine. Austin had a fantastic day. This was a team effort and it has been that way all year. We have a great group and they really pull for each other as a team. It makes it all fun and gratifying for me as a coach. It is an honor to be associated with each one of them and their families."
