COLD-RELATED HOUSE FIRES PLAGUE COUNTY

BY JOEL WASHBURN AND ERNIE SMOTHERS
washburn@mckenziebanner.com • smothers@mckenziebanner.com

MCKENZIE (January 9) — Bitterly cold temperatures in the single digits are being blamed for a flurry of house fires throughout Carroll County.

Carroll County Fire Chief Terry Bradshaw and McKenzie Fire Chief Brian Tucker told The Banner about one fire that destroyed one home and other fires that damaged homes.

Bradshaw said, “Without question, this was a busy weekend for county and municipal firefighting units responding to cold-related, residential structures. We were all very busy.”

The home of Marlin and Tammy Cathey and their two small children was destroyed on 705 Blackburn Road, just outside of McKenzie. Chief Tucker said the McKenzie Fire Department responded at 4:04 a.m. Saturday. During the single digit temperatures, firefighters

worked to control the blaze, which possibly started in the attic. Firefighters from MFD, Carroll County Rural Brigades 8, 16, 11 and Pillowville battled the blazes and the freezing temperatures. Water lines had to keep flowing to prevent them from freezing, said Tucker. The firefighters' turnout gear was also freezing, said the chief.

The Cathey family escaped uninjured, said Tucker. However, the rural home was a total loss.

Apparently, some mix-ups occurred via dispatch, said Bradshaw concerning the Cathey fire.

Bradshaw said, “Two separate fires out in the county on Reynolds Road and Carroll Lake Road involved fires emanating from fire places or wood stoves. Fortunately, firefighters extinguished both blazes with minimal damages to the homes.

McKenzie Fire Department responded to the Carroll Lake Road fire. The blaze was contained

Johnson Selected to Lead Henry County Chamber

The Paris Henry County Chamber of Commerce Board of Directors met in special session and voted to hire Mark Johnson as the Chamber's new executive director.

In a unanimous vote, the board elected Johnson after a search committee vetted 18 applicants and recommended him to the board.

Johnson, a fifth generation and life-long resident of Henry County, has many years of experience with the Chamber, having served on the board of directors from 1990-93 and serving as board president in 1994.

"Mark is keenly aware of the programs and services offered by the Chamber and we believe he has the experience to lead our Chamber in to the future," said Chamber president Gary McEntire.

Johnson will be closing his real estate office by the end of

the year, and he will begin his tenure as the executive director of the Chamber on Jan. 2, 2017. He has been involved in the business community since 1984, when he joined Paris Realty Company as an affiliate broker.

"We are fortunate to find someone local with Mark's experience and knowledge to provide the leadership to carry the Chamber forward," Paris Mayor Carlton Gerrell said.

Johnson has volunteered and served on various Chamber committees for many years and received the Chamber's "Person of the Year Award" in 2015.

"Mark certainly exemplifies the fine qualities and business acumen to lead the Chamber and represent our community and I look forward to working closely with Mark to better our community," Henry County Mayor Brent Greer added.

"It's an honor for me to ac-

cept the executive director position for the Paris Henry County Chamber of Commerce," said Johnson, adding, "The success of our local businesses in Paris and Henry County is vital to the continued growth and prosperity of our community." "The opportunity for me to serve the Chamber of Commerce membership is a great responsibility and I am excited and grateful for the opportunity to take on that role."

Johnson is married to Rosemarie "Rosie" Johnson and is father to four girls and grandfather to a grandson. His father, Jimmie Johnson, retired from many years in the real estate business in 2012.

Johnson succeeds Jennifer Wheatley, who resigned her position earlier this year after serving 16 years as the Chamber's executive director.

Local Delicacy Reaches Store Shelves

BY ERNIE SMOTHERS
smothers@mckenziebanner.com

MCKENZIE (January 6) — Since debuting at her restaurant in McKenzie, Tammy Cathey's Southern Style Cornbread has found its way onto store shelves throughout West Tennessee and Kentucky.

During an interview with this reporter, Tammy said, "The idea to market my cornbread came to me one night while I was watching a cooking show with my husband, Marlin. There was a lady that was on the show that evening talking about how she had successfully created and marketed a line of popsicles, and I told Marlin, 'You know, I wish I could come up with a product and do what she is doing.' That's when the idea occurred to me to market my cornbread."

She continued, "I have been baking and cooking all of my life. Mama taught me to cook at a very young age, and I was always in the kitchen helping her cook meals. From the start, I took a lot of pride in my cooking. I won some 4-H baking competitions with my original creations back then. The desire to cook good food has always been with me. I enjoy it."

She said that her first job in the restaurant business was at the Catfish Restaurant in McKenzie when she was 15. At age 26, she opened her first restaurant.

She said, "Owning a restaurant is natural for me because I love people and I love to cook. I feel blessed and very thankful to live in a place where I have

always received such wonderful support. McKenzie has always had my back, and I am truly grateful."

Tammy said that, after creating and serving her original and Mexican style cornbread to pleased customers at her previous restaurant, she decided to market her creations.

She said, "After moving across the street and opening JT's Grill, I converted my former restaurant location on Waldren Street into my cornbread production and distribution facility. I currently employ around ten people to bake, package, and distribute my cornbread to stores."

She explained, "Because the restaurant is overseen by the State Department of Health and the production facility is overseen by the State Department of Agriculture, I had to locate the businesses into separate facilities. Thankfully, I had the space available to do so."

Tammy said that her cornbread ingredients are frozen prior to being mixed together and baked.

She said, "After the cornbread is cooked and packaged, the product is delivered to numerous locations in our company van. Things are really picking up sales-wise. I was given permission to sell my cornbread at E.W. James and Sons in McKenzie prior to seeking out stores to distribute my products in, and the McKenzie store has already doubled my shelf space. I have since ventured out to other locations in West Tennessee and Kentucky, and have plans to further expand my cornbread

operation. I met with Kroger officials at their home office in Memphis and was granted access to five of its stores. They told me that they would increase my marketing potential to 200 stores once I proved that I could meet the demand for the product. The company has 2,200 stores, and I would love to grow to the point of selling my products in as many of their stores as possible. I am very excited."

For good reason.

As sales rapidly expand, Cathey's Southern Style® Original and Mexican style cornbread is now available in the following stores: E.W. James and Son's in McKenzie, Dresden, Martin, Union City, and Hickman, Kentucky; Cashesaver's in Huntingdon and Paris; Save-A-Lot in Huntingdon, Camden, Jackson-South Highland, Jackson-Hollywood Drive, Martin, Paris, Henderson, Murray, Kentucky, Fulton, Kentucky, and Mayfield, Kentucky; Tate's in Greenfield; Bestway in Bradford; Food Rite in Alamo; Trenton-45 Bypass; Dyer, Newbern and Fulton; IGA in Paris and Big Sandy; and the Clarksburg Supermarket.

Concluding, Tammy said, "I am thankful that I took the leap of faith to pursue my cornbread idea. Like everyone else, I want to do my best to provide for my loved ones, and thanks to the support of my friends, things are definitely heading in a positive direction. I just want to say thank you to all of my customers and friends for their support. It means the world to me."

He added, “The camouflage paint company uses a special paint-dipping process that can be applied to guns, knives, bows, and other products. I encourage customers that frequent our Camo Connections Store to check out camo-dipping. It looks good and is very durable.”
Nelson said that he is constructing a 70-foot by 95-foot extension to the hardware business

He said, “I am really looking for big things from Mack's. The business is well-established. I am going to offer the same sales and service that customers have grown to expect from the company through the years. I am looking forward to serving the public and welcome everyone to come by and shop with us.”
He concluded, “Since opening Dale's Recycling in McKenzie

in January of 2007, I have expanded my business interests by opening two additional recycling centers in Milan and Jackson. I also purchased 45 Auto Salvage in Milan three years ago and have recently added a semi-truck parts lot housing over 500 semis. Nelson said that store hours for Mack's will change in February to 8:00 a.m. through 6:00 p.m., Monday through Saturday.

UTM STANDOUT, LADY VOLS COACH PAT SUMMITT DEAD AT 64

Following a courageous battle with Alzheimer's, former Tennessee Lady Volunteer coaching legend Pat Summitt, surrounded by family, died peacefully at Sherrill Hill Senior Living in Knoxville on June 28.
Born June 14, 1952, in Henrietta, Tennessee, Summitt graduated from Cheatham County Central High School just west of Nashville.
She played college basketball at the University of Tennessee at Martin where she received her bachelor's degree in physical education. She was the co-captain of the 1976 U.S. Olympic team, which won the silver medal.
She was then hired as a graduate assistant at Tennessee and took over when the previous head coach left. Her collegiate coaching career was spent exclusively at Tennessee.
Summitt won NCAA titles in 1987, 1989, 1991, 1996-98, and 2007-08 and compiled a career record of 1,098-208 in 38 seasons included 18 NCAA Final Four appearances.
Announcing in 2011 that she had been diagnosed with early onset dementia, Summitt coached one more year before retiring.
During an interview with The McKenzie Banner, former Hollow Rock-Bruceton Central High School basketball coach Buddy Smothers said, “The first time I met Pat at UTM was in the classroom. We were both freshmen at UTM in 1970, majoring in Physical Education. She was easy to talk to and fun to be around. She talked to everyone, and blended in very well on campus.”
He continued, “Pat came to UTM and played without a schol-

arship because the school did not offer them to the girls basketball players at that time. She planned to get a high school coaching job, but Coach Betty Giles pushed her to do more. After taking over as head coach for the Lady Vols at the age of 22, she went on to change women's college basketball forever. We all knew she was special at UTM, but none of us had any idea of what she would become. I'm so proud of her. Pat never forgot UTM or where she came from.”

Morning Glory Garden Club News

The Morning Glory Garden Club held its December meeting at the beautifully decorated home of Angela Hugueley. Following a delicious brunch, President Gena Manner called the meeting to order and thanked Angela for opening her home to us and serving as hostess for the meeting. She then asked club members to revise various items in their yearbook. Once this was done, members recited the Collect and said the pledge to the flag. Chaplain Donna Pruneau shared the Thought for the Day which came from Romans 15:13 which states "May God of hope fill you with all joy and peace in believing so that by the power of the Holy Spirit you may abound in hope." Donna then commented that it is truly the most wonderful time of year so let us all give thanks for Jesus, God's greatest gift to mankind.

Gena then continued the meeting by asking for a roll call and reading of the minutes. Treasurer Judy Davis reported the club's balance. Corresponding Secretary Lucille Russell shared a Christmas card from Lakeside and Gena had written them a thank you note for our meal. Members then sang "Happy Birthday" to Zia Locke. Committee reports came next.

The Civic Committee is still going to cut the flowers off. Gena had taken some holly to fill in the baskets but some had blown away. It was noted that we needed new garlands. Gena suggested charged with getting eight new garlands - just greenery. The third item was the planting of a tree for Larry Riley. This was tabled until spring.

The Yard of the Month Committee (Robbie, Joan, and Gena) will be judging it. Wreaths will be judged this year and a picture will be made on December 15th

at city hall with the recipients of the prizes. The garden club gives \$100.00 for traditional decorations, \$100.00 for the wreath awards, and the city gives a \$100.00 prize to the best novelty decoration. Joan has invited everyone to go by her house from 12:00-2:00 p.m. on Friday for hot chocolate and cookies. She also issued an invitation to the Cantata at the Methodist Church on Sunday, December 18, 2016 and to the 11:00 p.m. Christmas Eve service on December 24, 2016. This is the church's fortieth year to hold the Christmas Eve service.

In January, Lois will be out of town so Joan will call everyone and let them know where the meeting will be. Diane mentioned to Donna about the scrapbook that she was compiling what she had so they could work on it. Judy Winters turns all pictures into Donna. Sunshine Chair Robbie Barker stated she had sent a birthday card to Sally Sutton who was on a cruise for her birthday present.

Under unfinished business: the fire in Gatlinburg was discussed. The TGC Convention is in April. \$100.00 was sent for a full page picture for the convention program. Christmas decorations will be taken down the last day of December. It was mentioned that we may want to give a donation later to Act II. There was no new business.

Horticulture: Gena brought her last Rose of Summer. Following the reciting of the club's benediction, the meeting was adjourned. Members present were Lois Brazie, Joan Gibson, Gena Manner, Sharon Ray, Angela Hugueley, Judy Winters, Diane Stafford, Robbie Barker, Lucille Russell, Leslie Lewis, Sally Sutton, Ann Dinkins, Judy Davis, Donna Hodge, Donna Pruneau, and Zia Locke.

Carroll County Emergency Communications Is Member of Missing Kids Readiness Project

From the moment the report of a missing child comes in to the resolution of the case, every action taken has the potential to make the difference between a successful recovery and a tragic outcome.

The National Center for Missing and Exploited Children (NCMEC) developed the Missing Kids Readiness Project to promote best practices for responding to calls of missing, abducted and sexually exploited children. 911 call centers and law enforcement agencies are recognized for meeting essential training and policy elements demonstrating preparedness for responding to a missing child incident.

To meet the requirements of the Project, Carroll Co. Emergency Communications District and Carroll Co. Sheriff's Office worked with NCMEC on their missing child policy to ensure it met the critical elements of NCMEC's model policy for law enforcement agencies. In addition, Jamie Summers, Supervisor for the Sheriff's Office dispatchers, completed the training course for Public Safety Answering Point (PSAP) managers and ensured all first responders and front line supervisors completed the necessary online training offered through NCMEC. By demonstrating remarkable leadership and making this commitment of training and

preparedness, the CCECD and CCSO is communicating to its citizens and families that protecting the lives and safety of their children is a top priority.

Armed with the information, knowledge and operational resources gained through meeting the project criteria, the Carroll Co. 911 Center is now positioned to respond more quickly, comprehensively and effectively when a child's life may be at stake.

Not only is Carroll County now one of 255 PSAP agencies in the United States who have achieved this status, but the agency is the 29th within the state.

The NCMEC would like to express our sincere gratitude and

congratulations to the CCECD and the CCSO PSAP for achieving this milestone, and for their diligence and commitment to children.

MATTER OF RECORD

CITY OF MCKENZIE
2470 CEDAR STREET, MCKENZIE, TN 38201

Americans With Disabilities Act Transition Plan (ADA):
Pedestrian Facilities in the Public Right-of-Way

Introduction: The purpose of this plan is to ensure that the City of McKenzie creates reasonable, accessible paths of travel in the public right-of-way for everyone, including people with disabilities. The City of McKenzie has made a significant and long-term commitment to improving the accessibility of their pedestrian facilities. The Transition Plan will identify physical barriers and prioritize improvements that should be made throughout the City of McKenzie. This Transition Plan will describe the existing policies and programs to enhance the overall pedestrian accessibility.

Legal Requirements:

This federal legislation known as the American with Disabilities Act (ADA) enacted on July 26, 1990 provides comprehensive civil rights protections to persons with disabilities in areas of employment, state and local government services, and access to public accommodations, transportation and telecommunications. NYS Standards are followed. Title II specifically applies to "public entities" (state and local government) and the programs, services and activities they deliver. Title II Article 8, requires public entities to take several steps designed to achieve compliance. The city plan will, at a minimum include:

- A list of the physical barriers in a public entity's facilities that limit the accessibility of its programs, activities, or services to individuals with disabilities.
- A detailed outline of the methods to be utilized to remove these barriers and make the facilities accessible.
- The schedule for taking the necessary steps to achieve compliance with Title II.
- The name of the official responsible for the plan's implementation.

The city is in the process of identifying and assessing obstacles in the public right of way through the use of an inventory tool. Barrier Removal Priorities based on location priority and accessibility conditions will be a part of the inventory process. It is very important that the public be aware that their involvement in this plan is a valuable component to the city in compiling a workable plan of compliance. Your involvement is solicited in developing the ADA Transition Plan.

PUBLIC COMPLAINT: Public complaints, suggestions and comments can also be an integral part of the transition plan. Public comments may often drive the prioritization of improvements. To file a comment or request please contact Ms. Terry McCoy, ADA Coordinator, for the City of McKenzie at McKenzie City Hall, 2470 Cedar Street or P.O. Box 160, McKenzie, Tennessee 38201 (731-352-2292).

Public Input:

Public comment and response forms are available at the city hall and on the city's website under ADA category. The City of McKenzie welcomes your participation and unique outlook as to how the city can meet and exceed ADA requirements and recommendations. Public involvement in the city's ADA plan has been a valuable component to the city in compiling a workable plan of compliance. We continue to solicit your additions to the ADA Transition Plan.

An inventory of the City of McKenzie's streets is included with this transition plan. The inventory is color coded to the status of ADA.

The plan to complete the ADA requirements is through an annual appropriations for materials to bring the sidewalk intersections into compliance. Plans are to complete the requirements as the city authorizes paving projects and the barriers as designated and appropriate intersection corrections will be made.

For the most part, sidewalks left that need to be brought into compliance are residential locations within the city. As stated above, the City of McKenzie will annually include ADA compliance with any paving projects.

McKenzie Police Reports

Driving on suspended / re-voked license — According to a report filed by MPD Patrolman Austin Jones, on January 3 at approximately 1:50 a.m., the officer observed a blue-colored, 2000 Chevrolet Silverado traveling on Highland Drive. The officer fol-lowed the vehicle while running a registration of the vehicle. Upon stopping the vehicle, a com-puter check revealed the driver license of the driver and co-own-er of the vehicle, identified as Chad L. Maceri, 46, Forrest Cir-cle, McKenzie, were suspended out of Carroll County for driving while suspended-fourth offense, and driving with a canceled li-cense-one offense. Maceri was cited for driving on suspend-ed-fifth offense.

Theft / driving on suspend-ed / revoked license — Accord-ing to a report filed by MPD Pa-trolman Frank McGee, On Janu-ary 3, the officer responded to a shoplifting call at Dollar General Store. Upon arrival, the officer was informed by the store man-agement that she had confronted a woman identified as Amanda Lynn Pruitt, 36, Massengill Road, Union City after she placed mul-tiple items in her backpack and fled the store in an effort to get to her vehicle in the parking lot but being unable to enter vehi-cle due to leaving her car keys on the counter inside the store. After fleeing the scene on foot, the officer located Pruitt a while later attempting to hide inside a nearby restaurant. It was later discovered that Pruitt had left a bag behind at the restaurant containing contents from Dollar General for which she admitted to taking via written statement. Pruitt was arrested for the listed offenses and transported to Car-roll County Jail.

Vandalism — According to a report filed MPD Patrolman Mark Boaz, on January 5 at ap-proximately 9:31 p.m., the officer, accompanied by MPD Patrolman Jasmin Burgess, responded to a residence located on Northwood Drive in regard to a vandalism call. Upon speaking with the caller, identified as Barbara A. Stigall, 77, she said that she had attended a basketball game at Gleason and noticed prior to leaving her residence at 4:00 p.m. that her cast iron mailbox valued at \$350 was standing with no damage to it. Upon returning later that evening, she observed that the mailbox had been struck and damaged by a vehicle with such force that it was broken into several pieces and that the concrete foundation the mailbox was embedded in was lifted out of the ground. The report noted that the tire marks from the vehicle went on a short distance from the mailbox and reversed in the direction they came from and that mud had being flung onto the mailbox by the vehicle's as it exited the scene. Stigall informed the officers that her mailbox had been struck two times prior in a similar manner. She stated that she paid \$350 for the mailbox and \$150 for it to be installed, constituting a total loss totaling \$500.**Driving on suspended / revoked license** — According to a report filed by MPD Cody Coleman, on January 7 at approxi-mately 3:39 a.m., the officer was standing in front of a business located on Cedar Street when he observed a white-colored, 1994 Buick driven by Charles D. Dunning, 32, Seminary Road, McKenzie. Having prior knowl-edge that Dunning did not have a valid driver license, the officer's request for a computer check on Dunning's license revealed that they were suspended for failure

to pay child support. Upon stop-ping Dunning on Winchester Street, the officer arrested Dun-ning for driving on suspended / canceled-fifth offense and trans-ported him to Carroll County Jail in Huntingdon.

Driving on revoked / sus-pended license — Accord-ing to a report filed by MPD Patrolman Cody Coleman, on January 8 at approximately 10:26 p.m., the manager of Fred's Dollar Store called dispatch stating that he was concerned about a black-col-ored, 1995 Chevrolet Suburban sitting in the store's parking lot. Officer Coleman, accompa-nied by officers Beauchamp and Jones, arrived on the scene and observed that the driver, identi-fied as Michael R. Chappell, 25, Shafter Road, Greenfield, was asleep in the vehicle. Knocking on the window to awaken Chap-pell, the officer reported that the driver did not attempt to respond to the officer's request to talk and appeared to be in a confused state of mind. After exiting the vehicle, Chappell was patted down for weapons as the defendant was unsteady on his feet and speaking in a nonsensical manner. A comput-er check revealed that Chappell license were revoked for DUI. After performing field sobriety testing and admitting to driv-ing the vehicle to the location, Chappell was arrested for the listed offenses and transported to the listed address. Chappell was towed to the City Impound Lot.

Violation of probation — According to a report filed by MPD Sergeant Adam Bailey, on January 8, the officer responded a Spruce Street where a caller stated that Randy E. Crocker, 37, same address listed, was staying with Catherine Michele True, 41, Spruce Street, McKenzie al-though he had been issued a non-contact order from Carroll County General Sessions Court on September 15, 2016 barring him from doing so. Upon arrival, the officer discovered Crocker and True together inside the residence. Crocker stated that the two had been together since the court date and that he was unaware that a non-contact order applied to True. Crocker was arrested for the listed offense.

Domestic assault — Accord-ing to report filed by MPD Pa-trolman Kyle Beauchamp, on January 9 at approximately 1:00 a.m., the officer was dispatched to a residence located on Locust Street where a homeowner stated that her stepson, identified as Eric Brandon Cross, 34, Old State Route 22, McKenzie, had come into her home while she was sleeping to make his wife leave the residence and accompany him to his residence. According to the report, the homeowner's son, who was also at the resi-dence at the time of the incident, stated that Cross entered the home and banged on his wife's bedroom door prior to removing his wife from the residence and re-entering the home to engage in a verbal battle with the home-owner before pushing her into the wall and reportedly injuring her arm. The mother and son then forced Cross to the doorway of the home before he allegedly raised his fist in a manner that appeared as though he was pre-paring to strike the homeowner. At that time, Cross was forced outside the home and the door was locked behind him. Cross was later located at his residence and arrested for the listed of-fense and transported to Weakley County Jail for booking.

Carroll County Sheriff's Reports

Aggravated Assault — A Benton County man was arrested January 1 following a danger-ous domestic incident. Sergeant Lee Bates charged Alan Davis, 26, of Camden with aggravated assault. According to Bates' report, deputies were serving a violation of probation war-rant on Gary Norwood when they made contact with Amber Hilliard at Norwood's resident.

Hilliard told them that Davis had shot at her. Deputies could see bullet holes in the back of the 2003 GMC Sonoma she had been driving. One bullet had struck the head rest on the driver's seat and two others hit the bed. Hilli-ard told deputies she had been in the truck with Davis when they started arguing. He began to push her head against the door and hit her. Davis then stopped the truck, got out and walked to the passenger side where he tried to make Hilliard get out. She then locked the doors and moved to the drivers' side. Da-vis then threatened to kill her. As Hilliard drove off, Davis al-legedly fired into the vehicle. Deputies were able to locate two .45-caliber casings in the road-way where Hilliard told them the assault had happened. Later Davis showed deputies where the gun was located.

Assault — A Huntingdon man was arrested January 3 follow-ing a domestic incident. Deputy Scotty Davis charged Booker Theadore Belew, Jr., 45, of 17820 Browning with aggravated as-sault. According to Davis' report, Belew threatened to set Renee Butler on fire, coming within inches of her with a lighter. He also threatened her and her chil-dren with a barbell. Belew has

three prior domestic charges and two assault charges.

Burglary — The Sheriff's Department is investigating the recent burglary of a Bruce-ton home. Holly Wortham of Bruce-ton reported to deputies on January 1 that while she was at work her son saw her ex-boy-friend go into her home and leave with a bag. Wortham said that her spare key was now missing from the front porch. She also told deputies that her HP Note-book laptop and speaker were missing. Deputies spoke with the man, who said he had been to Wortham's home when her son was there on December 31 and retrieved his electric razor. Deputies searched his home for the missing electronics, but they were not there.

Burglary — Tammy Pritchard of McMoresville reported Jan-uary 3 that her home had been broken into. Pritchard told dep-uties she had locked up before leaving, but when she returned the door had been kicked in with the deadbolt almost two inches off the door. Nothing was found missing, but deputies did find footprints and evidence that the door was kicked in.

Fraud — Tammy Davis of Huntingdon reported to de-puties January 1 that someone had made fraudulent purchases on her debit card in San Jose, Calif. several times for a total of \$505.63.

Theft — Deputies are investi-gating a case of theft. Brianna Avery of Clarksburg reported to deputies on January 2 that the night before, someone had entered her property and stole a license plate from her husband's vehicle.

Huntingdon Police Reports

Multiple Charges

— A Henry County woman was arrested December 31 after an incident at Little General in Huntingdon. Patrolman Paul Hugueley charged Shalene L. Humphreys, 39, of Paris with DUI, violation of implied consent, aggravated assault, assault, felony evading, and theft under \$1,000. According to Hugueley's report, officers were dispatched to Little General in reference to a fight involving several people. When they arrived, the victims and witnesses pointed them toward a car speeding down Main Street and told officers the woman driving it had assaulted several people. As officers tried to catch up to the car, it sped down Main Street, around Court Square, and onto Lexington Street without stopping at the four-way stop before finally stopping for officers' sirens near Noles Lane. Humphreys then exited the driver's side of the vehicle, using slurred speech and staggering. Humphreys, who was the only person in the car, smelled of alcohol and failed field sobriety tests but refused a blood test or Breathalyzer. Officers found an open bottle of brandy in the front floorboard and an almost empty jar of clear liquid believed to be alcohol. An employee at Little General told officers that Humphreys had pumped \$5.18 in gas and left without paying. While there she also threatened to punch Leshawnda Willis of Huntingdon in the face. She then tried to pull Natalie Crutchfield of Camden out of a car to try to fight with her. After getting in her car, Humphreys tried to run over the victims several times and hit Willis' car in the process.

Public Intoxication — A Huntingdon woman was arrested January 1. Sergeant Brad Allen charged Jane Ellen Meggs, 57, of 115 South Forks of Creek Road with public intoxication. According to Allen's report, Meggs was taken into custody after she was found walking along Highway 22 South while apparently under the influence.

Public Intoxication — A Weakley County man was arrested January 1. Sergeant Brad Allen charged Jeremy S. Farlow, 30, of Gleason with public intoxication. According to Allen's report, Farlow was taken into custody after he was found

walking on East Main St. while apparently under the influence.

DUI — A Yuma woman was arrested during a January 1 traffic stop. Patrolman Brian Bennett charged Sandra Rush, 54, of 10815 Highway 424 with driving under the influence. According to Bennett's report, Rush was stopped near Noles Lane after swerving all over the road. When Bennett asked for her license and paperwork, she could not provide it. Rush then performed unsatisfactorily on field sobriety tests. She consented to giving blood at Baptist Memorial for a blood alcohol test.

Theft — A Cedar Grove man was arrested December 28. Patrolman Paul Hugueley charged Willie B. Johnson, 78, of 120 Leeford Lane with theft under \$1,000. According to Hugueley's report, Cash Savers reported to officers that they had caught a shoplifter. Employees told officers that Johnson had been told several times to stay out of the tobacco cabinet and refused. Johnson allegedly took four packs of cigars with no intention of paying for them.

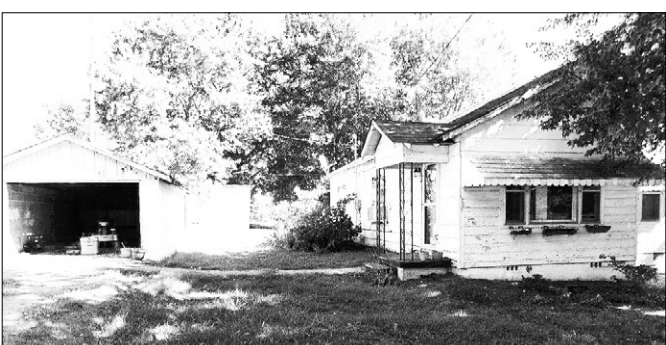

Theft — A Camden man and woman are facing charges after an October incident. According to Patrolman Paul Hugueley's report, Wal-Mart security identified Paula and Terry Arnold as shoplifters in an October 20 incident. Paula allegedly met Terry at the door with several DVDs that had not been paid for, and Terry then took the DVDs back in the store to return them.

Driving While Suspended — A Weakley County man was cited into court December 31. Patrolman Brian Bennett charged Hassan Alhanabi, 24, of Martin with speeding and driving while suspended #2. According to Bennett's report, Alhanabi was stopped for speeding on Highway 22. A computer check showed his license to be suspended with one prior offense.

Gleason Honors 1992, 2007 State Champion Lady Bulldogs

BY KENNETH COKER

Enterprise Sports Editor

The clock was turned back inside the Gleason High School gym on Friday evening.

Members of both the 1992 and 2007 Class A State Championship girls' basketball teams reunited at their alma mater for a presentation and recognition of the squads in between games featuring the current Gleason and Greenfield squads.

To begin the ceremony, the 1992 and 2007 state championship trophies were wheeled out onto the floor by current members of the Lady Bulldog basketball program moments after Gleason claimed a 57-50 triumph over Greenfield.

Then, the 1992 squad was introduced and presented with medals commemorating the reunion by current members of the Lady Bulldog team. Three of the current Gleason girls have direct ties to the 1992 squad. Current Lady Bulldog junior Aubrey Wallace is the daughter of 1992 senior Crista (Wallace) Sawyers. Gleason's Lillian and Martha Nichols are the nieces of Camille (Connell) Legins, who was a sophomore on the '92 state champion team.

"Although it's been 25 years, I still remember winning the state tournament just like it was yesterday," Sawyers said. "Seeing all the girls tonight from both teams as well as Coach (Randy) Frazier, Coach (Joel) Ayers and Mr. (Mitchell) Parham brought back some of the best moments of my life. However, the highlight of it was my daughter handing me the memento from the evening. That brought tears to my eyes and will be something I cherish forever. I'm so proud to be a part of the Lady Bulldog team and hope that we will soon have a fourth state championship."

All but five members of the 1992 girls' state champion team were on hand at Friday's celebration, including Becky (Crowe) Padgett.

"Friday night's 25-year reunion brought back so many special memories like the love and support of our Gleason community, the bond between teammates, the admiration and respect for Coach Frazier and Mrs. Terry (Frazier) and the pride of what it meant to wear orange and represent the Lady Bulldogs," said Padgett. "I was overwhelmed by Gleason High School's warm welcome and hospitality."

Aside from Sawyer and Padgett, other members of the 1992 squad, which went 33-3 en route to the state championship, present for the reunion were Selena (Dillard) Hodges, Heather (Lehmkuhl) Leach, Kristy (Freeman) O'Connor, Tonya (Parham) Lutz, Camille (Connell) Legins, Stacy (Stewart) Cook, Kristy (McKee) Dunn, and Holly (Crowe) Adams. Lisa (Wallace) Palmer, Ashley (Hopper) Flint, Brandy (Wiseman) Horler, Olivia (Lowe) Giliam, Nicki (Stephens) Pace and LeAnn (Bell) Smith were not present.

Following the introduction of the 1992 state champion team, the 2007 squad was welcomed back for its 10-year reunion.

A decade ago, Gleason posted a 35-1 worksheet en route to the school's third girls' basketball state crown.

As was the case with the 1992 squad, the 2007 team's medal ceremony had family ties. Current Lady Bulldog Jayden Green, who scored a dozen points during the win over Greenfield, is the niece of 2007 team member Candace (Green) Lindsey.

"It was great seeing everyone again and catching up like old times," Green said. "I got a little emotional when my name was called and when Mr. P came out to do his chant, but I guess that's ex-

pected when you're nine months pregnant. I'm very proud of my niece Jayden and it's an honor to know all those people were able to watch her win a big game."

2007 Class A Miss Basketball Kayla (Hudson) Irwin, the current girls' coach at Crockett County and a second-cousin to current Gleason player Kenady Atkins, was also on hand to take a bow alongside her teammates from a decade ago.

"It was such an honor to stand beside the girls I went to battle with 10 years ago," Irwin said. "That team became my family. The wins and championships are fun, but it's the relationships that make the journey worth it. Those ladies I love so much are now great wives and mothers. The lessons we learned on the court permeate into so many other areas of life. I was just so humbled and grateful to get to reminisce and experience that with them again."

"As a coach myself, I am now aware of the time and preparation our coaches put in to making us into a team that could succeed at that level. I see with clear vision that "whys" behind every drill and mental toughness challenge our coaches put us in. I am so grateful for the opportunity to play for coaches who expected excellence in all areas. It is my prayer that I am able to teach these same lessons to my team."

Along with Irwin and Lindsey, numerous other members of the 2007 Class A state champion squad (35-1) were on hand on

Friday including Ashley Coble, Camille (Cooper) Legons, Erica (Morgan) Stahr, Sara (Hensley) Webb, Elizabeth (Terrell) Cunningham, Kim (Edenfield) Marcus, Breanna (Wallace) Nerie, Jenna (Frazier) Verdell, Taylor Stout, Tiffany Coble, Riley (Auvenshine) Laster and Kim (Reynolds) Healy along with assistant coach Joel Ayers. Members of the 2007 squad not present were Becca Hodges, Alexis Tipton and Maggie Lowrance.

Following the team introductions, current Weakley County Director of Schools Randy Frazier, who served as the head coach for both of the honored Lady Bulldog state champion squads, briefly shared his memories of the two teams before turning over the festivities to former athletic director/principal Mitchell Parham.

Parham led the nearly full GHS section of the crowd in a Gleason chant - a staple of postseason basketball pep rallies and games during his long tenure at the school.

"It was great to be back in Gleason for the reunion of the 1992 and 2007 state championship teams," Parham said. "I enjoyed seeing all the former players as it brought back very good memories. I also enjoyed talking with many of the great Gleason Bulldog fans, who are the best. Thanks to Gleason High School for getting this together and I was honored to be invited to join in with the celebration. It was great."
