Carroll County Re-Certified As ThreeStar Community

NASHVILLE — Carroll County was recognized as a ThreeStar Community during the 62nd Annual Governor's Conference on Economic and Community Development on October 13-14 at the Renaissance Hotel in Nashville.

After several years of not participating, the county chose to submit a request to re-enter the program, established by the Department of Economic and Community Development. Carroll was one of 10 Tennessee counties in 2014 that did not participate in the ThreeStar program.

The annual conference theme focused on "Team Tennessee" showcasing how the state's workforce, education and transportation systems are aligning to support Tennessee's overall economic development mission. This year's conference will be attended by more than 800 economic development leaders, state and local elected officials, and business professionals. "When people think of economic development, they typically think of business recruitment and expansions, but it's so much more than that. It is educational attainment, tourism, developing our communities and creating strong, vibrant places for people to live and work, and making all of that possible is a collaborative effort," TNECD Commissioner Randy Boyd said.

Participation in the ThreeStar program is based on an annual evaluation and activity plan. Local community leaders and Joint Economic and Community Development Boards are encouraged

McKenzie Elementary School Hosts Annual Fall Festival

By Brad Sam
brad@mckenziebanner.com

McKENZIE (November 7) — McKenzie Elementary School held its annual Fall Festival Saturday, offering a variety of activities for students and parents alike.

Outside the school were games and activities, including putt-putt golf, football toss, basketball, beanbag toss, an air jumper, face and hair painting, and the ever-popular "Pick My Nose" monster.

Inside, there was a silent auction, a bake sale, a cake walk, and a snack bar. A station was set up for kids to create "spin art".

In the gymnasium, a costume contest was held, and the Fall Festival King and Queen were crowned. Each class had selected a boy and girl to raise money for the school during the month leading up to the festival. The boy and girl who raised the most in the school were named King and Queen. This year's King was Braxton Sulock of Tiffany Smith's fourth grade class, who raised $600. The Queen was Addi Davis of Anita Burden's Kindergarten class, who raised $400. Overall, students raised over $5,000 in the contest.

THANK YOU

Monday October 26 the annual Carroll County Chamber Banquet was held at the Civic Center in Huntingdon. Our school district was honored for achieving exemplary status for 14-15. We were one of 12 districts in the state to be recognized as exemplary. Five of the current board members and I were presented a plaque. Many thanks to the chamber board for the invitation and recognition. Also, I want to thank the many individuals that create an exemplary system. Realistically this is an achievement earned by our community.

First, a special thanks to our school board. They are seven individuals that donate their time. Our board understands the importance of good instruction and continues to make decisions that put our students first.

The central office staff manages 155 employees with an almost 11 million dollar budget. It is a year round endeavor. They have a huge role in our academic success.

Our classroom teachers deserve this award more than anyone. They are on the front lines each day. Teachers do the preparation and create the relationships that allow for high level instruction. We are blessed to have the talent and dedication held by our teachers and educational assistants.

Our building administrators including our guidance counselors are essential to our success. They make tough decisions daily. They work many unseen hours. They support our employees and students while providing avenues for growth.

Thanks to the support staff throughout our system. Front office staff, secretaries, bookkeepers, and nurses keep our buildings organized and make them welcoming for our students and stakeholders. No one should underestimate the importance of an efficient food service program when it comes to have a good school. Our custodial service keeps our buildings inviting. In order to have academic success you must have a place that students feel good about. Our maintenance staff has an overwhelming job. I can't thank them enough for their tireless commitment.

The parents and guardians of our students equally claim ownership for our achievement. They are most important in the education of their children. I can't begin to list the many things that we ask of our parents. I know that without them we are not exemplary.

The city of McKenzie provides safety and security measures for our schools. The local media recognizes and publishes accomplishments. Our local businesses provide goods and monetary support. The civic clubs of McKenzie make many physical and monetary donations. Bethel University provides facilities use, tutoring, dual credit offerings, and multiple day time programs in any year.

Our school district is an exemplary district. We are one of only two systems in the state that have twice received exemplary status. We are that because of our community support. "It takes a village to raise a child." Congratulations to you, the citizens of McKenzie Special School District.

Many thanks,
Lynn Watkins

HHS Senior Libby Dayhuff Job Shadows at The McKenzie Banner

MCKENZIE (November 5) — Fulfilling a portion of her dual credit assignment for Huntingdon High School English IV teacher Amanda Pruitt, HHS senior Libby Dayhuff spent a day job shadowing with The McKenzie Banner newspaper staff at the business' downtown location in McKenzie.

HHS senior Libby Dayhuff and McKenzie Banner publisher Joel Washburn.

At the conclusion of her information-packed day of job shadowing, Dayhuff, the daughter of Natalie and Kevin Tegethoff, said, "I wanted to job shadow at the McKenzie Banner in order to learn about all that goes into creating a weekly newspaper publication. I wanted to observe the various processes that are involved and how things merge together. I learned a lot about writing and writers' responsibilities. It was a good experience."

She said, "I have always enjoyed reading and writing, and what I want to do most is write. I would love to have a career as a writer. Without question, horror writer Stephen King is one of my favorite writers. His Dark Tower series is phenomenal. He is a huge inspiration to me."

Upon graduating from Huntingdon High School next spring, Dayhuff plans to attend the University of Tennessee at Knoxville and pursue an academic path in journalism.

Regarding the process of applying for job shadowing, Dayhuff said, "There is a lot of paperwork involved, and it can be a bit stressful and tedious getting everything together in a timely manner, especially when you have other assignments and requirements pressing. I am glad, however, that I had this opportunity to observe the inner-workings of a newspaper."

of the whole city, I can't think of any higher honor. I hope all who see it will be reminded of the sacrifices you have made to serve this country."

She said the framed flag will be displayed in the Council Room of the McKenzie Municipal Complex.

The flag made its way to Fort Campbell to be placed in a shadow box before arriving in McKenzie for the presentation.

Junior Milam said Mayor Jill's family has a long history of military service. Her dad served in WWII and her two boys are enlisted in the military. The mayor helps with each and every fund raiser at the local post.

Also honored was State Representative Andy Holt of Dresden, who provided the meat and a cook for a recent barbecue fundraiser for the Post. Milan said Holt is eager to serve veterans anyway he can.

Holt said serving veterans is a priority of his. He said he is honored to serve the men and women who served in the jungles and the deserts for America.

The group of proximity 100 attendees also witnessed members of the local Post honor the Unforgotten Motorcycle Club for its service during the recent MIA/POW ceremony at the Post. They men stood guard of the memorial overnight and helped with the ceremony.

Ron Tyler, also known as Doc T, accepted the award. He noted the local chapter of the Unforgotten raises money to support vets. All funds are used to help veterans in several ways. There are no administration fees, said Doc T.

Jim Phelps of the Rolling Thunder accepted the award from the Post for its service to the Post. Its mission is to keep attention on the MIA/POW. There are 83,000 still missing, said Phelps.

Buddy Britt and James Springer, members of the Post, welcomed Kayla Ford, the vice president of the Skyhawk Veterans Association on the University of Tennessee – Martin campus. The sanctioned club assists local veterans, especially those on the UT-M campus. Ford presented Britt and Springer with a donation to aid the annual Halloween candy giveaway to local children.

Stacey Young of Veterans Placement Service spoke about the local job placement office and how the company is expanding throughout Tennessee, Mississippi, and Kentucky.

John Senatore of Dover spoke about the Adopt-A-Unit program, where members of the local VFW posts adopt a military unit and support the military personnel and their families.

to implement activities that will impact the community's competitiveness in a global economy. Participating counties (and cities in these counties) will be eligible for a four percent discount (for eligible projects) on both the business development and community development ability-to-pay calculations (CDBG and Fast-Track) each year the county fulfills the requirements of the ThreeStar program. Additionally, only cities located in a county that is an active participate in the ThreeStar program will be eligible to participate in the Tennessee Downtowns program. Finally, there is an annual grant for Tier 2 and Tier 3 counties to serve as seed money for activities (not to offset general operating expenses) focused on improving at least one of the measured areas of the program: health and welfare, public safety, and education and workforce development. Each year, TNECD will provide participating counties with a scorecard that documents progress indicators in the five focus areas - • Jobs and Economic Development, • Fiscal Strength and Efficient Government, • Public Safety, • Education and Workforce Development, • Health and Welfare. These indicators are used to aid the county in evaluating these key areas, the scorecard will document progress toward achieving the community goals set by local community leaders and JECD Boards. The scorecard and activity plan is designed to assess and reward each county on its unique progress in the three scored areas identified in their ThreeStar Activity Plan. It is not a competitive system; counties compete only with themselves. Each county can address local issues through proven solutions by collaborating with other communities to share best practices and pool resources.

Carroll is one of six Tennessee counties to participate in Select Tennessee, a program of the ECD to evaluate and improve industrial sites, while also planning for future development.

The Select Tennessee Property Evaluation Program is designed to help communities, with assistance from a site selection firm, to target properties for future industrial development. Presently, Carroll County has no certified industrial sites.

In 2015, McKenzie was recognized as a Main Street Community, only one of three to be newly certified in Tennessee. The 2015 class of Main Street Communities include: McKenzie, Bolivar, and Sevierville, that joined 28 other communities in Tennessee. The Tennessee Department Economic and Community Development operates the Main Street Program and certifies its member communities, which are also accredited by the National Main Street Center, an affiliate of the National Trust for Historic Preservation.

others were supportive or generally neutral.

WCPS Principal Jackie Wester, WCES Principal Molly Ashley, and WCHS Assistant Principal Regina Alred presented to the board first drafts of potential uniform policies for the three schools. The proposals list options of each type of clothing that will be permitted and what will be disallowed. The restrictions become more narrow as students progress from school to school. For instance, solid color Polo and Oxford shirts are required across the system, but denim jeans are allowed only in the primary and elementary schools.

Board members will review the proposals as well as the opinions of parents over the next month. Chairman Jimmy Halford emphasized that "it's not something we're taking lightly," and offered appreciation for the input of all involved.

Director Williams displayed and summarized the system's 2015 School Report Card and invited everyone to go to the Tennessee Department of Education website and give the report a thorough look. The system met many of its goals, showing gains on ACT scores and positive scores in math. Language and literacy scores, however, need improvement. Williams pointed out that West Carroll's deficiencies are in line with statewide trends.

The board also heard from booster president Bobby McAlexander, who expressed concerns about dwindling sponsors. He asked that the board not forget how much these sponsors do for the schools, and to keep an eye out for opportunities to return the favor and support them.

Board members approved the textbook committee and the certificate of compliance for textbooks. Also approved was the annual employee bonus, matching last year's amount of $500.

Per consensus of the board, bids will be taken on a new pull-behind mower for the school's tractor.

Finally, in his updates to the board, Director Williams congratulated West Carroll's Instructional/Data Coach, Cheryl Lambert, on delivering two presentations at the Tennessee Department of Education LEAD Conference in Nashville.

The meeting adjourned after an hour.

intersection of Magnolia and North Stonewall, is generating complaints from the community. According to the minutes of the Commission meeting, it is unattractive and does not blend with other buildings in the community. As it currently exists, the back wall and many of the windows are not finished. Some of the landscaping shrubs died shortly after planting and have not been replaced. The State Fire Marshall inspector gave permission to occupy, but missed several violations and should not have allowed occupancy. The owners have been cited by Building Inspector Kelly and are subject to a $50 per day fine if they do not repair everything as of the last inspection.

Construction of the Family Dollar store at the intersection of Highland Drive and Oak Street is still stalled. The minutes of the meeting indicate there has been no change or progress nor communication from neither Family Dollar, Dollar Tree nor the construction contractor.

The burned-out Impressions building on Broadway Street in downtown, a historic district, has shown no progress to make repairs. Contractor/Owner Jose Beccerra et al Hugo Beccerra have not completed nor shown progress on the work on the fire-damaged building. Mayor Holland stated that the fines accumulated due to the lack of progress amounted to approximately $60,000 and that the City of McKenzie offered to vacate the fines if Mr. Beccerra transferred the property to the City. Mr. Beccerra declined.

A Veterans Day Message From the VFW

The Debt Owed To Our Nation's Defenders is Ever-Present

For generations, the men and women of America's Armed Forces have demonstrated their willingness to put country before self; patriots who serve for the greater good and who don't seek glory or recognition or personal gain. On Nov. 11, Veterans Day, our nation honors the contributions of the nearly 22 million veterans living today, and all those who made the ultimate sacrifice in the name of liberty and justice.

History has provided us with extraordinary examples of their selfless deeds. They've brought hope, faith and liberty to millions of people around the world. The true number of people who have benefitted cannot be calculated and the number of erected memorials or speeches delivered doesn't begin to represent the true scope of service our nations' veterans have provided.

The debt owed to the defenders of this great nation is ever-present and it is imperative that on this Veterans Day, we take the opportunity to keep alive the memories, sacrifices and accomplishments of our nation's veterans.

Veterans Day is not a day for veterans alone. It's a day for all Americans to be a part of, because every citizen has a role to play in carrying the legacy and burden of freedom. Each citizen must work to ensure that America fulfills its promise to provide our veterans with the benefits and entitlements they've earned and deserve.

We must be willing to pick them up when they are down, help point the way to a new life when they return home, and carry them when they are weary. We are obligated to do no less and we are honor-bound to do so. Our veterans deserve our lasting gratitude and respect.

This Veterans Day, the VFW thanks every Soldier, Sailor, Marine, Airman and Coast Guardsman for their service. And we ask all Americans to say a prayer of thanks for those who are serving far away from family and friends. Without their service and sacrifice, we wouldn't have the opportunity to cherish our many freedoms for the extraordinary gifts they are.

Morning Glory Garden Club November Meeting

The Morning Glory Garden Club held its November meeting at the Lakeside Retirement Center with sixteen members present. With several "Lakeside Ladies" present, club members completed a Garden Therapy Project. The Lakeside Ladies were presented with a small Christmas tree which they decorated so they would have a Christmas tree in their rooms. Once the decorating was completed and the Ladies had their pictures taken with their trees and, were then escorted to their rooms by club members who carried the trees for them and placed them in their rooms in a designated spot. Our members really enjoy working with the ladies in the Garden Therapy projects and the ladies seemed to really enjoy this particular project.

Following the project, the club held its regular business meeting. President Gena Manner called the meeting to order and members recited the Collect and Pledge of Allegiance.

After thanking the hostesses for a job well done, Gena asked Chaplain Donna Pruneau to give the "Thought for the Day" which was based on Psalm 95:2 "Let us come before Him with Thanksgiving and extol Him with music and song." Coming to the close of another year, we pause to thank God for the bountiful harvest of food and the many blessings He has bestowed on us as individuals, as an organization, and a nation.

Gena then asked for the roll call and reading of the minutes of the last meeting and a report from Treasurer Betty Brown. Corresponding Secretary Lucille Russell commented that she had received no correspondence this month. "Happy Birthday" was then sung to Sally Sutton.

Civic Committee chairperson, Diane Stafford stated that she had dead-headed the geraniums in the baskets in Veterans Park and watered the tree planted in memory of her husband Nicky Joe. Ann Dinkins watered the 9/11 memorial tree which was planted at the high school and Sharon Ray watered the tree planted in memory of Lois Brazie's husband Wally. Gena reported that the Yard of the Month sign was stored in Wendell's workshop since no awards would be given again until next March or April. Sunshine Chair Robbie Barker stated she had sent cards to Sara Fitzgerald and Sally Sutton. Gena then thanked Zia Locke for writing the articles for the McKenzie Banner.

Concerning unfinished business, the club had previously voted to provide a gift basket for the fund raiser for the District. She and Betty Brown will meet at Gena's to create the gift basket.

Under new business Ann mentioned that McKenzie's Open House would be held November 7-8 and November 14-15 which means that the park must be decorated for Christmas this week. It was decided that members would decorate on Thursday, November 5, 2015 at 1:00 in the afternoon. Also, Gena, Ann, and Zia would judge the Smokey Bear fourth grade posters on Thursday at 10:30 A.M.

Gena then opened the floor for discussion regarding the annual Christmas luncheon. She had been approached by the city about the possibility of the nine clubs in McKenzie getting together to have a luncheon. At 4:00 p.m. today, city officials and the presidents from our various clubs would meet to discuss the possibility and that money raised would go towards the theater. It could possibly be called "A Taste of Christmas". There is a great deal of planning that must take place to for a Christmas luncheon to be successful. Gena stated that she would attend the meeting and report to members the plans that come from the meeting at city hall.

Regarding a proposed outing for members, Chair Joan Gibson reported that she had talked to Ann Dinkins about planning a trip to Opryland for our December meeting. Cost incurred would be for lunch and for the bus and bus driver. More information will be provided later.

Two members brought horticulture. Diane Stafford brought Garua, and Sara Fitzgerald brought Knockout Rose, Daisy, Jasmine, Hydrangea, Lantana, Japanese Jasmine, Periwinkle, Geranium, Beauty Berry, Ilithium, Burning Bush and Coleus Coleus.

Sally Sutton will host an "Add a Dish" Christmas brunch for our December meeting on the tenth. The program for January will be on "Backyard Birds". Hostesses for February will be Sara Fitzgerald and Debbie Riley. Gena then reminded everyone about decorating at the park on Thursday and thanked members for being so cooperative and helpful. The meeting was closed with the reciting of the club benediction.

Those present at the meeting included Robbie Barker, Lois Brazie, Betty Brown, Ann Dinkins, Sara Fitzgerald, Joan Gibson, Angela Hugueley, Zia Locke, Gena Manner, Sandi McMahen, Donna Pruneau, Sharon Ray, Debbie Riley, Lucille Russell, Diane Stafford, and Sally Sutton.

Hunker Down with Kes

Just Say Ahhhhh...

I went to the doctor this week.....and I wasn't even bleeding! I didn't have a fever, headache, kidney stone or a nail sticking out of my foot. As a matter of fact I was having one of my best health days in a while. I could see clearly and most all my body parts seemed to be in better than average working order. I know what you are thinking.....a guy hunting up a doctor when he is feeling good must be nuts!

That is exactly what I thought!

It's called an annual check-up. And it must be something new in medicine. Cathy signed me up. She didn't come right out and say it, but I'm pretty sure my age figured into her thinking.

Listen, ole Doc Adams on "Gunsmoke" didn't bother with seeing you unless you were having a baby or had a bullet lodged next to your ribs. Dr. Marcus Welby smiled and patted you on the shoulder and everybody felt better. Dr Kildare and Ben Casey just kept operating on'em until they got well.

I remember when Dr. J. T. Holmes was so busy sewing my left thumb back on that he didn't bother with the sign-in sheet, ask for my family's medical records or engage in any sort of idle chit chat. He also stuck that needle so deep into my thumb that I hit my noggin on the only light fixture in his "operating" room. He later stitched up my head when I crashed into the concrete drain outlet behind the swimming pool. And he also sewed up the cut over my eyebrow when I didn't duck a flying baseball bat.

Dr. Holmes was our emergency room doctor when I was a boy. And you can rest assured we only saw him if the coal oil rag and cobwebs couldn't stop the bleeding; or the sassafras tea and the SSS tonic wouldn't calm the dropsy. I'm pretty sure he's the one who recommended the cod liver oil to my Mom as a daily ward against whooping cough, diphtheria and evil spirits.

He signed my football physical when I tried out for the high school team without ever seeing me. I reckon he figured if I'd survived closing the truck door on my thumb, the thirty foot fall behind the swimming pool and a baseball bat upside the head—football practice ought to be a snap for me!

Dr. Holmes practiced medicine before they invented cholesterol, multivitamins, rubber gloves and Medicare. He didn't do annual check-ups. He fixed you after you were broken.

On my way to keep my appointment I began to rationalize that this check-up might be a smart thing. Why not catch a problem before it becomes a problem. And then I got to thinking, does Cathy know something that she wasn't telling me? Have I been moving slowly lately? Has my skin complexion changed? My stomach and my left knee began to throb.....

The doc was super nice, but a little too thorough! He poked and prodded and listened to my heart. He obviously cared about my health, he took his time and he had the concerned Dr. Holmes look. I appreciated that...right up until he ordered the blood work. And the flu shot.....and the pneumonia shot!

I rode over to the blood letting place with my orders in my hand. The ladies were most gracious and accommodating. They calmed my fears. They laughed out loud over my joke about the square needles Dr. Holmes' nurse used. Then they tied me down and drew two gallons of the very best blood that I had!

I staggered to the drug store wondering why they were giving out these preventive shots instead of a medical facility. Back home, Mr. John Motheral didn't give any shots. But he would come out from behind the Rx counter, move over to the soda fountain and make you a chocolate milkshake if you had a quarter.

Folks, I took a shot in each arm! They didn't actually hurt but the anticipation was something awful...and I couldn't forget the prodding and needles I'd already lived through. I felt a bit weak in my legs. My eyes were blurry. My left knee was on fire. And remember, I'm running on about half of my blood capacity.

I wasn't feeling quite so good as they day wore on. These annual check-ups aren't for the faint of heart.

Doc called me this morning to report on the findings. I was a-ok. My cholesterol was really down. All the tests were good. And here is the best part of all, he never one time said "for a man of my age."

The pain in my knee went away immediately. My heart, head, ears, eyes, throat and sacroiliac felt great! My whole body perked up. The hills were alive with the sound of music!

I'm now a firm believer in this annual checkup thing...that is, if the results turn out in your favor.

Respectfully,
Kes

Thank You Seems So Inadequate!

By Paula Watkins

Veteran's Day is always November 11th. Always has been as long as I can remember. We used to actually stop our school studies and stand by our desk as the (miniature) cannon in the park echoed all over our small town. I believe, if my memory serves me correctly, we stood there without saying anything for a few minutes to show our appreciation to our veterans for their service to keep our country free. "Free from what?" I remembered thinking. My surroundings had always been free – free to walk to and from school, play outside until dark, and buy what I needed from the grocery store. So as a small child I couldn't really get a grasp on why Mother was so sad on Veteran's Day or any other day spent remembering our troops. I couldn't understand her sorrow until I matured enough to understand the loss of a brother during World War II. And then I guess I will never get a grasp on the magnitude of sacrifice our veterans experienced.

The historical pictures I have seen of our veterans who served during World War II show me that each young man was issued a uniform, socks, boots, canteen, food tin, and guns and ammo. And these men, still wet behind the ears, left us in complete comfort as they stepped on foreign soil to ensure we would not ever have to experience the fear of losing our identity.

Our soldiers, during World War II, were commanded to storm beaches and fight not just for our freedom, but the freedom of other countries as well. And storm the beaches they did! After all, most of the men fighting felt that fighting for Uncle Sam was the ultimate appreciation you could give to prove how proud you were of your country. Most of the veterans who came back to our peaceful towns never shared the ravages of war they left behind. Some didn't come back, as was the case of that nineteen-year-old navy man who did not survive when the USS Cooper was bombed in the Philippines. This young soldier saw the military as a means to send money home to his mother and the siblings he left as they tried to eke a living out of the red dirt around the Christmasville community. He never saw his young son, and we never got to meet our uncle.

The Korean War ended in a cease-fire on July 27, 1953. I never knew much about this conflict, but I do know that our country chose to prove its military might by threatening a nuclear attack. Again, we were assured that our country would survive because of the sacrifices of our young soldiers.

And then the Vietnam War began. Our friends were drafted by Uncle Sam and others chose to volunteer. They left amid protests and the burning our American Flag. They were ridiculed when they came home on leave from basic training prior to their deployment to Vietnam. They made life-long friends while entrenched in that country of jungles – friends that could understand the horrors of chemical warfare and survive. These Vietnam veterans, or the few I know, have only begun to talk of this experience. It's hard to open up and explain why you would fight for those who derided you. It is hard to explain being home sick for your family. You have only to look in their eyes and realize the scars they are burdened with.

All who survived and will be honored this week, and friends who didn't make it to return the United States of America will be memorialized. Again and again we will annually exhibit gratitude to those who fought the above mentioned wars and the conflicts we are engaged in. Thank you, thank you for your willingness to protect my freedom. A gift I cannot fully grasp since I have never needed dry socks, a twenty-four hour cease fire so I can rest, or most importantly I have never held a friend as he died while so far away from home. I thank you and I pray that we do not ever forget. I hope that we can make these memories real for generations to come just as the experiences became real for me as I sat in front of my Mother and listened as she described how brave her brother was.

Bethel Renaissance Performs Romeo and Juliet This Week

The Bethel University Renaissance Theatre Program is excited to present "Romeo and Juliet", arguably one of the greatest love stories of all time. First performed around 1597, this story remains as important and current as ever over 400 years later. During this production, audiences will see this classic story presented in a modern time setting, complete with an elaborate set, intricate costuming, and stunning technical features. Elements of the original stage production, including sword fights, characters in disguise, and some of the most iconic lines ever written for the stage will be used.

The shows will take place at the Bethel Performing Arts Center in McKenzie, TN, November 12th at 7:00 p.m., 13th at 7:00 p.m., 14th at 7:00 p.m., and 15th at 2:00 p.m.

"Taking on the challenge of a Shakespeare production has always been a dream of mine," commented Brian Hill, Director of Renaissance Theatre. "I can't wait for audiences to see our take on this timeless classic. While at the core, "Romeo and Juliet" is thought of as a simple love story, it is actually much more. It addresses the dynamic between parents and children. It forces one to look at the reasons why one might have hatred for another person. Our dramatic interpretation of the show will bring a modern, more corporate context into the discussion on why these two families feel so ill towards one another."

Come see the live adaptation of this tale of two star-crossed lovers, whose love becomes entangled in a web of lies, deceit, hatred and fear. The question will be answered, can love conquer all?

All Bethel Faculty, Staff, and Students receive free admission with their ID. To purchase or reserve your tickets please contact the Renaissance Office (731) 352-6980 or email us at renaissance@bethelu.edu. Tickets will also be available at the door.

All enjoyed the delicious pecan pie served with whipped cream, mixed nuts, beverages, and cute little "ghost" cookies made by Jean McKinnie. In addition, Elaine made a magnetized book mark for each member.

Because President Zia Locke was going to be late arriving, Vice President Victoria Ard called the meeting to order and thanked the hostesses. Members stood for the Pledge of Allegiance and then recited the Club Aim and Motto.

The Recording Secretary called the roll and read the September minutes. A correction should be made to the September birthdays mentioned in the minutes: Melinda Popplewell celebrated her birthday in September, not Marilynn Putman as was recorded. The secretary regrets this error. Treasurer Donna Ward reported the bank balance.

Under Committee Reports, Sunshine Chairman Shelia Rogers reported sending cards to Harold Russell, Jesse Killebrew, and Mary Johnson. Juanita Finley is in rehab at McKenzie Health Care following surgery; Mary Johnson has moved to Harmony Hills in Huntingdon.

President Zia Locke thanked Telephone Chairman Barbara Boyd for calling members each month to remind them of the upcoming meeting.

"Happy Birthday" was sung to Shelia Rogers and Suzanne Russell.

Old Business: many bags of shoes were brought to the meeting for donation to the wheelchair lift project discussed at last month's meeting. Zia announced that several other organizations and individuals in town had also donated shoes, and it was estimated that over 100 pairs had been collected. Zia will take the responsibility for delivering them to the next collection point.

Vice President Victoria Ard introduced our speaker, Melinda Popplewell, whose subject was the beloved newspaper columnist, Erma Bombeck. Erma Bambeck achieved great popularity for her column that described suburban home life from the mid-1960s until the late 1990s. She published 15 books, most of which became best sellers. She wrote over 4,000 newspaper columns, using broad and sometimes eloquent humor, chronicling the ordinary life of the suburban housewife.

Born Erma Fiste in Bellbrook, Ohio, she came from a working-class family. In school, she was an avid reader, an excellent student, practiced tap dance and singing, and was hired by a local radio station for a children's revue for eight years. Her writing career began when she wrote a humorous column for The Owl, a junior high school paper. In 1942, while still in school, she began work for The Dayton Herald as a copy girl.

After finishing high school in 1944, she used the money she had earned at The Dayton Herald to enroll in Ohio University, but left after one semester. She later enrolled at the University of Dayton, at the same time working two part-time jobs and writing for the university student publication, The Exponent. She graduated in 1949 with a degree in English and in the same year married Bill Bambeck, an educator and school supervisor. The Bombecks were parents of an adopted daughter, Betsy, and two sons of their own, Andrew and Matthew.

Erma began writing a weekly column for the Kettering-Oakwood Times in 1964, receiving $3.00 for each column. In 1965, she agreed to write two weekly humorous columns for The Dayton Herald for which she received $50 each. After three weeks, her articles went into national syndication to 36 major U.S. newspapers, with three weekly columns under the title, "At Wit's End". These were eventually compiled and published by Doubleday under the title, At Wit's End. In 1975, she was invited to participate in ABC's Good Morning America, in which she did both gag segments and important interviews. She stayed with the TV show until 1986.

By 1985, Erma Bombeck's three weekly columns were being published by 900 newspapers in the U.S. and Canada, and were being anthologized into a series of best-selling books. She was a member of the American Academy of Humor columnists.

Erma Bambeck was diagnosed with polycystic kidney disease when she was 20 years old. She survived breast cancer, a mastectomy, and kept secret her daily trips for dialysis. On a waiting list for kidney transplant for many years, she lost one kidney and the remaining one ceased to function. Finally, in 1996, she received a kidney transplant, but died 19 days later at age 69 from complications of the surgery. She is buried in Dayton, Ohio, under a large rock from the Phoenix Desert, at her own request.

Next came New Business, which had been tabled until Zia's arrival. She announced the names of the Nominating Committee, who are Peggy Chappell, Gena Manner, and Carolyn Moore. Also, members should turn in their new book titles for 2016 to Mary Newman in November.

Under announcements, the next meeting will be held at the home of Debbie Riley with Suzanne Russell serving as co-hostess. Debbie will also present the program.

Carolyn Potts reported that the annual Carroll Arts artwork presentation would be held at the C.P. Church on Saturday, November 7th. There will be entertainment following the art exhibits. Two of our members, Gena Manner and Elaine Williams, will be presenting some of their art.

Geneva Johnson announced that on Friday a potluck picnic will held at the new Carroll County Lake, to be followed on Saturday by a program on Helen Keller. The annual "Boo Bash" will take place October 29th in the downtown park. Bethel Homecoming is also this weekend.

After the book passing, members recited the benediction and the meeting adjourned.

Members present were Victoria Ard, Barbara Boyd, Peggy Chappell, Carolyn Goodwin, Suzanne Howell, Geneva Johnson, Zia Locke, Jean McKinnie, Sandi McMahen, Carolyn Moore, Mary Newman, Melinda Popplewell, Carolyn Potts, Shelia Rogers, Suzanne Russell, Genia Sherwood, Donna Ward, and Elaine Williams.

Operation Christmas Child Seeks Gifts for the World's Children

MCKENZIE — This month First Cumberland Presbyterian Church of McKenzie is serving as a collection site for Operation Christmas Child—the world's largest Christmas project of its kind. The annual Samaritan's Purse project is a favorite of many McKenzie-area residents, families, churches and groups who spread joy to millions of children around the world by filling shoeboxes with a "Wow!" item—like a doll or soccer ball—other fun toys, school supplies, hygiene items and notes of encouragement.

During National Collection Week, Nov. 16 – 23, McKenzie residents hope to contribute more than 5,000 gift-filled shoeboxes to the 2015 global goal of reaching 11 million children in need.

Operation Christmas Child is a project of Samaritan's Purse, an international Christian relief and evangelism organization headed by Franklin Graham. Since 1993, Operation Christmas Child has delivered gift-filled shoeboxes to more than 124 million children in more than 150 countries and territories. For many of these children, a gift-filled shoebox is the first gift they have ever received.

For more information about how to participate in Operation Christmas Child call 731-335-1749. With a computer or mobile device, anyone can conveniently pack a personalized Operation Christmas Child shoebox gift on the Samaritan's Purse website. Go to samaritanspurse.org/occ to select toys and gift items, write a note of encouragement and "pack" them in a shoebox. Using special tracking technology, participants can follow their box to discover where in the world their gift is delivered by using the donation form found at samaritanspurse.org/occ. These gifts of hope will go to children in some of the hardest-to-reach countries.

Huntingdon Council Approves TDOT Policy

Courtesy Carroll County News-Leader

Huntingdon Town Council members took care of the short one-item agenda within five minutes on October 27.

A proposal that adopted the TDOT Consultant Selection Policy was adopted. It is for projects funded in part with funds provided by the Federal Highway Administration.

"It relates to the Safe Routes to School grant," said Mayor Dale Kelley.

The policy includes all engineering and design and technical services.

A letter was acknowledged that was written to Director of Safety Walter Smothers from citizen Charles O. Porter expressing thanks to the police and fire department personnel for all they do for the town.

The letter read in part: "Thanks and appreciation to you Director (Walter) Smothers and your staff for all you do for all our families each and every day. Thanks to the police department for your kindness and caring in performing home wellness check at our home for four days while we were out of town at our daughter's wedding celebration."

The mayor spoke of a notable happening that was to take place at The Dixie on November 2.

"The Dixie has the honor of being chosen along with New York, Los Angeles, Boston, Washington, D.C. and San Francisco for the screening of the movie, "Room", prior to the national release of the film in November," he said. "The showing will be four days before its release."

He added that Katie Koestner called director of safety Smothers wanting to include the town of Huntingdon in the special screening after driving through Huntingdon on two separate occasions.

"Apparently, she felt strongly about our city," he said, "and as The Dixie Executive Director Lori Nolen said, 'It is a pretty impressive lineup to be included with."

The movie is about a true-life story.

Council members John Sanders and Charles Hodges were absent.

McKenzie Elementary School

Smokey Bear Poster Contest

(Article courtesy Zia Locke)

In 1950, a small badly burned bear cub was rescued by a Forest Ranger from a wildfire near Ruidoso, New Mexico. The ranger took the small cub home, named it Smokey, and nursed it back to health. News of the rescue reached the National Forest Service Headquarters in Washington, D.C. and the Ranger was asked to bring Smokey to Washington to live in the National Zoo where he remained until his death in 1986 when he was returned home to be buried.

Smokey, with the message "Only You Can Prevent Wildfires," became the icon for the National Forest Service. Each year, students in the elementary grades across the entire United States are encouraged to participate in the national poster contest jointly sponsored by the National Forest Service and the National Garden clubs, Inc. This summer, acres of forest land and homes have been lost to the wildfires near Smokey's birthplace.

The purpose of the contest is to give students an opportunity to learn and to demonstrate their understanding of wildfire prevention and the basic environmental conservation principles through original drawings of Smokey Bear. Each fourth grade teacher was presented with materials and the poster contest rules so each student could participate.

The following students' posters were chosen as winners from each fourth grade homeroom. Maykala Shell from Ms. Kristi Brown's class, Marcel Goulding from Coach Chris Wall's class, Ava Warman from Ms. Mary Spivey's Class, Abbie Young from Ms. Gina Pate's Class, Brett Toombs from Ms. Tiffany Smith's class, and Noelle Herris from Ms. Anna Shepherd's class. The overall winner was Miss Abbie Young. Her poster will be sent to the District I State Chair and who will submit four winning posters from her State to the Regional Garden Club Chair. Winners were presented with gift cards from Mr. Bryan Willis, manager at McDonald's in McKenzie.

The winner(s) from the state will be submitted to the National Garden Clubs, Inc. The overall National Poster Contest winners are flown to Washington with their parents to be honored at a reception at the National Forest Service headquarters and their posters then copied and sent to be displayed at all the national forests across the country. The National Grand Prize winner will then be honored with a Recognition Ceremony in Washington. The National Garden Clubs, Inc. will award $50.00 to each of the First Place national winners. The Morning Glory Garden Club sponsors the contest in McKenzie.

Tickets for Bethel University Twinkle Ball on Sale

McKENZIE — Tickets for Bethel University's Fourth Annual Twinkle Ball go on sale Wednesday, Nov. 4. The Twinkle Ball is Wednesday, Dec. 2 from 6 to 8 p.m. in the Baker Fieldhouse Gymnasium on Bethel's McKenzie campus.

The Twinkle Ball gives young girls and their mothers (or someone who is motherly to them) the chance to dress up and celebrate the magic of the holiday season in the girliest ways imaginable. This year's theme is "Let Your Twinkle Shine" with most activities centered around reminding girls that their beauty comes from within.

"This is going to be a night of dressing up and feeling pretty, but underneath all these fun activities, our goal is to show girls that there are many things that make someone beautiful," said Myra Carlock, one of the coordinators of the event.

"It's going to have a Hollywood red carpet kind of feel to it, and we'll even have Miss Tennessee there along with some other young women who can interact with our guests."

Carlock said there will be all new fun activities.

"There will be everything from a cookie decorating station to a station where the girls can make their own lip gloss," she said. "If you have a young daughter still in elementary school, I feel confident this will be an event to enjoy."

Tickets are $25 for a mother/daughter ticket. Mothers with more than one daughter can purchase additional tickets for $7 each. Tickets can be purchased at the Bethel University Bookstore. But they must be purchased in advance by Monday, Nov. 30. For more information about the Twinkle Ball, call the Bethel Bookstore at 731-352-4094 or Myra Carlock at 731-352-4090.

Bruceton Fire Department Fundraiser is Saturday

On Saturday, November 14, the Bruceton Volunteer Fire Department will hold a spaghetti fundraiser at the Hollow Rock-Bruceton Central Elementary School Cafeteria from noon to 6:00 p.m.

Bruceton's Fire Station was completely destroyed on September 10, 2014 when an early-morning fire emanating from the engine compartment of an emergency response vehicle parked inside the building quickly engulfed the structure.

James Sloan, Bruceton Volunteer Fire Department Chief, said that due to a generous donation of land by Apex Bank (formerly Bank of Bruceton), site work for the new Bruceton Fire Station has begun across from Casey's Convenience Store on Broad Street.

Sloan noted that completion of the new fire station is tentatively set for spring of 2016.

Sloan and fellow Bruceton firefighters cordially invite everyone from neighboring towns and communities to come out for an afternoon of good food, fun, and fellowship at the spaghetti fundraiser and to continue supporting BVFD's fire hall rebuilding project.

To donate to the Bruceton Fire Department's rebuilding effort, call Bruceton City Hall at (731)-586-2401.

Watershed Authority Establishes Marina Fees

HUNTINGDON (October 27) — Members of the Carroll County Watershed Authority established lease rates for the new marina at the Carroll County 1000-Acre Recreation Lake during the October 27 meeting.

The annual lease rate for a covered 26-foot boat slip is $2,000. They compared rates for boat slips at Paris Landing State Park on Kentucky Lake. Eight-month rental is $1,750. Daily rental fees are $25 and on holidays, $40.

David Rush, lake manager, suggested interested leasees be selected through a lottery system with the winners choosing the location of their boat slips.

The commissioners also approved the reallocation of gravel from a grant project on the recreational vehicle park. The gravel was added to the parking at the headquarters to nearly double the parking area.

County Joins State Insurance Plan

HUNTINGDON (October 30) — Employees covered by the county of Carroll's major medical insurance plan will change to the state of Tennessee's plan effective January 1, 2016.

After medical claims significantly exceeded receipts of premiums by Blue Cross-Blue Shield of Tennessee, the insurer indicated the rates would increase 20 percent beginning in January 2016.

In a meeting of the Insurance Committee on Friday, Jacob and Nathan Smothers of the Huntingdon Insurance Agency offered both the current plan and the state plan, a Plan S of Blue Cross-Blue Shield. The state plan is approximately 15 percent higher than the current premium.

On the new plan, county employees can save if they choose a slightly less expensive plan, known as Partnership, which requires the employees to have a health coach to monitor their health. Regardless of whether employees choose the Standard or Partnership plan, the premiums will increase.

Currently, the following number of employees participating in the county's plan: employee only, 82; employee and spouse, 35; employees and children, 7; and family, 19.

The county pays 75 percent of the employees' coverage and none of dependent care, for newer employees hired within the last few years. Long-term employees were grandfathered with a plan in which the county pays 75 percent of both employee and dependents.

Mayor Kenny McBride said the county and employees now pay $109,000 monthly to Blue Cross-Blue Shield.

Scam Alert Reported

Huntingdon– The Carroll County Sheriff's Office has issued an alert for a scam that has apparently already caught some unsuspecting victims in the county.

"If you receive an email from Farmers & Merchant Bank asking you to login, PLEASE DO NOT LOG IN. It is a scam collecting personal information once you do log in," the sheriff's office said on a Facebook post.

Numerous people in Carroll County and other local counties have reported receiving the e-mail messages.

Builders Club Donates $650 To Carl Perkins Center for the Prevention of Child Abuse

The Kiwanis Middle School Builders Club presented a check for $650 to the Carroll County Carl Perkins Center for the Prevention of Child Abuse. The monetary gift will be used to give children and families necessary services to prevent child abuse or to help heal if abuse has already occurred in addition to education and information supplies. The members of the Builders Club held a dance as their fundraiser to support this project.

A child is abused every seven seconds. In this country, one out of every ten children is a victim of abuse. 90% of prisoners on death row were abused as a child. In Tennessee, more than 100 are reported daily for abuse or neglect. One third of abused and neglected children will later abuse their own children. Make a difference, one child at a time – Break the Cycle. The Mission of the Center is to provide support to families in preventing and dealing with child abuse in West Tennessee and to help both parents and children meet practical needs of preserving and improving the quality of family life. The Exchange-Club-Carl Perkins Center of the Prevention of Child Abuse Child Advocacy Center offers a child friendly environment that helps families who are victims of abuse with parenting classes, emergency food/ hygiene items, information and referral services, trauma focused cognitive behavioral therapy services, 24-hour crisis hotline, victim advocacy, parent aide/ super friend program and the Relative Caregiver Program, which provides in-home and resource support for those caring for the children of a relative. Donations, such as from the Builders Club, helps the Center give children the most precious gift of all – the hope of a brighter future without pain and fear.

The Kiwanis chapter of McKenzie sponsors the Builders Club at McKenzie Middle School with Rikke Curtis leading the student club. Builders Club offers an opportunity for middle school-aged students to work together in service to school and community, to foster the development of a strong moral character, and to encourage loyalty to school, community, and nation. Gleason Citizens Works On City's Revitalization

GLEASON (November 7) — A small, but determined group of volunteers is eager to see revitalization of areas of Gleason, particularly in the downtown. At the urging of Mayor Diane Poole, the Gleason Downtown Revitalization Committee was formed with a mission to see visual improvements in the city, along with improvements in the business community and the city's overall livability.

The committee is headed by President Charles Anderson, VP Ronnie Arnold, Secretary/Treasurer Doris Owen, who lead a group of volunteers under the umbrella of a sanctioned non-profit tax status. Donations and proceeds from fund-raising events are how the group raises its funds. All the improvements are done without taxpayer funds.

Huggins Park is one of the biggest benefactors. The concession stand is painted and a new nine-hole disc golf course was installed, thanks to donated baskets and volunteer labor. Local industry, Imerys Ceramics donated funds for a new fence around the park. Additional landscaping is also being added.

Huggins Park has a small stage for musical performances. On Saturday, November 7, it was the venue for a chili cookoff. Musical artists took to the stage to provide entertainment during the event. Last fall, the committee hosted a fall festival, which even included a showing of the movie Apple Dumpling Gang and an inflatable screen.

In downtown, the committee has raised funds for landscaping around the library, added flower pots, and provided paint for JP's service station.

Mayor Poole said the city has applied for a grant to construct some sidewalks. Poole is proud of the volunteer effort of the committee and people of the community to improve Gleason.

Vale, Bruceton F.D. Building Fundraisers

By Ernie Smothers
smothers@mckenziebanner.com

VALE (November 7) — Carroll County Rural Volunteer Fire Department (District 2-Vale) hosted a chili fundraiser at the Vale Community Center located at 26165 Highway 114 North of Hollow Rock to generate funds to re-build their flame-consumed fire station destroyed on the night of October 21 via arsonist attack.

From 3:00 p.m.-7:00 p.m., the large crowd dined and fellowshipped as popular local country band "A Touch of Grey" provided entertainment.

Surveying the crowd, Vale Volunteer Fire Department Chief Ronnie Wade said he was thankful for the large turnout.

He said, "It's great to see so many people socializing together and supporting our rebuilding effort. It is heartwarming. An event like this is important because it brings people together and helps people reconnect with each other. I'm thankful to say that we need about $3,000 to have all of the material costs covered for the new building. Tonight's fundraiser will definitely help us in reaching our goal. "

He continued, "I want to thank everyone who has worked on the building. The foundation, structure, and roof is in place. We will be enclosing the building and adding the doors to protect the interior from winter weather soon. Next spring, we will install the wiring and finalize the project. Please thank everyone from all the surrounding communities for their support. Vale needs this fire station. It is good to see Carroll County Mayor Kenny McBride and County Commissioner John Mann here tonight supporting this effort. That means a great deal to all of us."

To donate to the Vale Fire Department's rebuilding initiative, call Pam Wade at (731) 415-3935.

On Saturday, November 14, the Bruceton Volunteer Fire Department will hold a spaghetti fundraiser at the Hollow Rock-Bruceton Central Elementary School Cafeteria from noon to 6:00 p.m.

On September 10, 2014, Bruceton's Fire Station was completely destroyed when an early-morning fire emanating from an emergency response vehicle's engine compartment engulfed the structure.

To donate to the Bruceton Fire Department's rebuilding effort, call Bruceton City Hall at (731)-586-2401.

The Heart Behind The Music Featured Famed Artists at The Dixie

By Joel Washburn
washburn@mckenziebanner.com

A unique opportunity to hear the original artists play their greatest hits and here the behind the scenes stories behind the songs you love. It was a delightful event as each artist told of his or her experiences through up-close and personal stories. The showcase featured Billy Dean, Lenny LeBlanc, Linda Davis, Chloe Channell and Brandon Lay.

The Dixie Live Concert Series brings live performances to The Dixie stage: past and present country music greats, traditional bluegrass, soulful southern gospel, to the songwriters behind the greats.

The artist took time to honor military veterans and God during the show. Each took turns performing, describing their work, and what special meaning the song has.

Lenny LeBlanc is a successful songwriter and singer, it was nearly impossible to turn on the radio in the late 70's without hearing Lenny LeBlanc's hit ballad, "Falling." He was an integral part of the musical epicenter of Muscle Shoals.music. After signing to Atlantic Records as part of the duo LeBlanc & Carr success came quickly with the release of the romantic ballad "Falling." which was named one of Billboard's all-time favorite Top 40 hits. Moving on to a solo career with Capitol records, Lenny soon became disenchanted with the music scene but continued to write songs and soon came to know God in a personal, life changing way that altered the course of his career forever. Today LeBlanc's name appears on dozens of beloved songs of the church, including the highly successful, "Above All" and "There Is None Like You.

Linda Davis grew up in Texas and moved to Nashville, where she played the piano and sang in the Music City Sheraton. She and Reba McEntire toured together, along with Billy Dean, and Linda's husband, Lang Scott. Linda sang duet with Reba. Linda and Lang are the parents of Hillary Scott, the lead singer of Lady Antebellum.

Billy Dean is a Grammy-award winning artist. He is eager to support and encourage young artists. Chloe Channell is a rising artist who was a contestant on America's Got Talent. She performed with Linda and with Billy Dean.

Brandon Lay is also a rising star. He is from Jackson, Tenn. And is a songwriter, musician, and vocalist.

After the event, the artists signed autographs and made photographs with anyone who requested.

Banner Veterans Tribute

Ellen Kirkendoll's Labor of Love

By Ernie Smothers
smothers@mckenziebanner.com

MCKENZIE (October 28) — For Ellen Kirkendoll, her goal of keeping military Prisoners of War in the minds of fellow McKenzians leads the list of endeavors that she pursues as a member of McKenzie VFW Post 4939.

She said, "The McKenzie VFW Post 4939 POW Table project matters to me. It is important that none of us forget our prisoners of war that sacrificed everything for this nation's freedom. We cannot forget them. In keeping with our intent, VFW Post 4939 sets up POW Tables for one week each September at Lakeside Nursing Home, McKenzie senior citizens, E.W. James grocery store, and McKenzie City Hall."

Ellen continued, "Any businesses that are interested in allowing us to set up a POW Table can call VFW Post 4939 at 731-352-9976 and speak to our Canteen manager. We want to encourage everyone to support the POW Table project. Our nation's freedom was paid for by many, including those who never made it home."

Planning for Success

Perusing the pages of Ellen's event planner, this reporter quickly realized the level of commitment she delivers daily to the veterans and needy of her community.

Smiling, she pointed to upcoming events for November 7, 2015.

She said, "That Saturday, McKenzie VFW Post 4939 and Auxiliary will participate in a VFW Parade in Paris at 10:00 a.m. before returning to McKenzie for a 1:30 p.m. cook-out at Bethel University and recognition on the field during the football game. The next morning, we are sponsoring a 5K run at McKenzie City Park as part of the Wounded Warriors Project before attending the Elks Lodge dinner at 2:00 p.m. As you can see, my pages are filled with events. Our Post is not idle."

She continued, "Over the last few years, we (VFW Post 4939) have made a lot of strides to reach out to veterans and the needy in our community. We are determined to change people's perceptions of us, and the best way to do that is to work hard and be visible."

She continued, "Our Post Commander, Junior Milam, has taken the lead in getting our message of service out there. Junior knows how to talk to people, and he doesn't mind asking anyone for anything. The man has a big heart and is committed to everything that we stand for. He jumps right in and works with Post members to make things happen. He is a wonderful commander."

McKenzie VFW Post 4939 member Ellen Kirkendoll.

Kirkendoll said that her desire to serve veterans manifested from her close ties to the military.

She said, "My husband is retired from the United States Navy, and my brother is currently serving in the military. Their military service placed within me a desire to serve and spotlight the concerns and needs of veterans and active military personnel. Our Post Auxiliary is open to all men and women. We welcome everyone that wants to join us."

Yuletide Blessings

Ellen said that one of the highlights for VFW Post 4939 each year is the Children's Christmas Breakfast.

She said, "Every Christmas Eve, we feed and provide clothes and toys to 25 to 30 children. The smiles and excitement that overtakes the kids bring tears to our eyes. To know that you are helping to positively impact a child's life is one of the greatest feelings in the world. The Children's Christmas Breakfast is possible due to the generosity of those who purchase items at our bake sale. It is a group effort. Together, we can make a difference."

Rebels Advance to Second Round

By Jason Martin
jmartin@mckenziebanner.com

McKENZIE (November 6) — In a game fraught with penalties and wet conditions, the McKenzie Rebels defeated the Riverside Panthers a second time this season. It is not an easy task putting away a team for a second time, but the Rebels did so by a score of 34-6. The win places the Rebels in the second round of the TSSAA Playoffs.

The Rebels received the opening kickoff. Noah McEwen, moving from the left side of the field to the right, ran for an 85-yard touchdown. Lucas Waddell added the extra-point. Within 13 seconds, McKenzie was up 7-0 on Riverside.

On the pursuing kickoff, the Rebels had the first flag of the night. The incidental facemask started the Panthers at their own 35 yard line. Chance Lott picked up 12 yards and a first down. Two plays later, Riverside fumbled, and the Rebels recovered.

Unable to capitalize off the turnover, McKenzie punted away the next possession.

The Panthers produced one first down on the following drive. The first down resulted from a pass inference call on McKenzie. After stops by Julius Owens, Cameron Oakley, and DeJan McNulty, Riverside was forced to punt.

On their next possession, McKenzie picked up four consecutive first downs and a touchdown. Eric Robinson ripped off a 14-yard run. Jack Surber called Riverside's bluff on a play action pass to Donavon Foley for 38 yards.

Robinson found running lanes for 17 and 25 yards. Sitting 1st and goal from the 3 yard line, Surber called his own number for the touchdown. The extra-point was wide, but with 4:59 left in the first quarter the Rebels were up 13-0.

Riverside was forced by the Rebel defense to a quick three and out. Key stops came from Blake Baker, Owens, and McEwen.

McKenzie was on the move for the third time of the night. On the first play of the drive, Surber was flushed from the pocket. It appeared the quarterback had the first down. Yet, as fans and coaches looked on, there was yellow laundry on the field. The Rebels were assessed 10 yard for a block in the back.

The penalty did little to deter McKenzie. Robinson picked up 10 yards on a misdirection running play. Riverside tacked on five addition yards after their second sideline warning. Robinson picked up the first down. Riverside added 15 yards with the personal foul.

From 13 yards out, Robinson

Mustangs Overpower Yellowjackets, 39-0

By Ernie Smothers

HUNTINGDON (November 6) — In first round TSSAA Class 1A state playoff action, heavily-favored Region 6 1A #2-seed Huntingdon narrowly led a young but determined Region 5 #3-seed Trousdale County 7-0 at the half before swatting the Yellowjackets for 32 unanswered points en route to their dominating, 39-0 win.

Fueled by the domineering, gap-opening play of veteran offensive linemen Chase Jones, Alex Beal, Trevor Pritchard, Dustin Wade, Sadarius Hutcherson, Chase Crider, and Austin Russell, Huntingdon's revamped backfield scorched Trousdale defenders via the combined production of quarterback Keeton Bailey (103 yards rushing including touchdown totes of one and 19 yards, 5 of 7 pass completions for 70 yards and three touchdowns including a 27-yard scoring arc to Dustin Wade and touchdown passes of 19 and 10 yards to Zach Dodson) and the rushing of Dodson (142 yards on 11 carries), Jayden Williams (8-yard scoring bull), and Triston Norwood (11-yard paydirt scamper).

Huntingdon's hit-heavy defensive tandem of Wade, Jonah Davis, Hutcherson, Marvaughn McClerkin, and Austin Russell tallied multiple tackles and limited Trousdale County runningback Tanner Lannom to less than 50 yard rushing while quarterback tormentor Trevor Pritchard (six solo tackles) dropped Yellowjacket signal-caller Keyvont Baines twice behind the line of scrimmage.

In a physical first half of play, the Yellowjackets and Mustangs exchanged punts early in the contest before Trousdale County utilized the open-field rushing of Chase Dallas to move the ball across midfield and into Huntingdon's red zone. Rising up, Huntingdon's defense gang-tackled Lannom for no gain on the Yellowjackets fourth-and-five rush to turn the ball over on downs to the Mustangs at their 15 with 2:36 remaining in the first canto.

Ramping up, Huntingdon coupled a 15-yard scamper by Dodson, with a four-yard bull by Williams before

MURFREESBORO (November 5) — The TSSAA and the Tennessee Titans announced that Dresden High School football phenomenon Dresser Winn has garnered a Mr. Football nomination.

Winn (1A Back) joins Milan linebacker Storm Williams (3A lineman), Lexington kicker Ryan Courtright (kicker) as area candidates vying for the coveted award.

A stellar, multi-sport athlete, the junior signal caller from Dresden amassed 2,074 passing yards and 32 scoring strikes while rushing for 418 yards to lead the 9-1 and playoff-bound Lions.

Changing their longstanding selections format, the current four selected semifinalists in each division will be narrowed to two finalists on November 16. The finalists will then be invited to the Mr. Football Awards ceremony in Nashville on November 30 at Nissan Field, home of the Tennessee Titans.

Bethel Hockey Season Underway

Courtesy Bethel Hockey Coach John Thompson

ST PETERS, MISSOURI (October 24 & 25) — Bethel University Hockey opened another season, traveling to St. Peters and Ballwin to play eight games. Saturday morning's early game saw Bethel DIII playing Lindenwood Black DIII. The first period was back and forth with both teams having chances. Freshman James Teed was starting his first game in net for Bethel and his stellar play allowed Bethel to settle in a power play goal from freshman Matt Paccagnan, the score coming when Jacob Blanton screened the Lindenwood goalie. During the second Bethel took over scoring three power play goals and a shorthanded goal. First, Paccagnan would score again on the power play, and then he would set up freshman Dayton McKinlay for a one timer that found the back of the net. McKinlay wasn't finished because while killing a Bethel penalty he added a shorthanded goal. Finally, off another Blanton screen Brady Skiles netted a power play goal. The third period was controlled by Bethel. During the closing minutes Tommy Potts took a two minute roughing penalty but drew a 10- minute misconduct from an

MCKENZIE — Bethel Linebacker Max Massengill picked off a Cumberland University Bulldog pass in the third quarter Saturday and returned it 40 yards to paydirt give the Wildcats a 28-14 lead in their eventual 42-28 win in Lebanon.

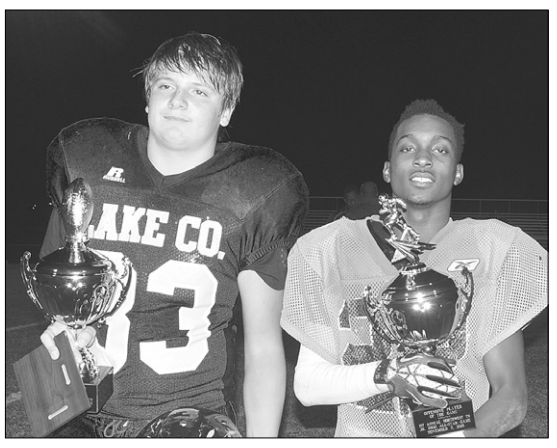

The pick was one of three on the day for the sophomore from St. Petersburg, Florida.

Massengill's three interceptions give him six on his young career, moving him past former Bethel great Stoney Burns into sixth on Bethel's all-time career list.

Bethel Coach Chris Elliott spoke about Massengill's effort and the Wildcat defense. "Max had a solid all-around game when you look at the statistics. The three interceptions and returning one for a touchdown were all big plays not only for Max but our defense as a whole. Overall our defense played really well. We had five take aways to win the turnover margin for the game. Those turnovers were a by-product of everyone doing their job and being in the right place when they were supposed to be there."

West Carroll Hosts Inaugural Northwest Tennessee Middle School All-Star Game

Huntingdon's Robinson Named Offensive Player Of the Game

By Brad Sam
brad@mckenziebanner.com

ATWOOD (November 7) — West Carroll High School was the site of the first-ever Northwest Tennessee Middle School All-Star Game Saturday, featuring players from over 35 middle schools. A hard-fought game resulted in a 32-18 victory for the North Team.

Following the game, each player and coach was recognized on the field with a plaque. Also, trophies were presented to Defensive Player of the Game Campbell Puckett (Lake County) and Offensive Player of the Game DaQuon Robinson (Huntingdon).

The North Team roster included area players Kelly Ricketts, Colton Freeman, and Skylar Stone, all of Greenfield, and Braxton Gunter, Austin Dennison, and Greg Forrester, all of Martin.

The South Team roster included area players Daquon Robinson and Alex Odom, both of Huntingdon, and Jeremiah Bryant and Zach Perry, both of West Carroll.

North Team's coaching staff included Stephen Powell, Neal Papich, Eric Stone, and Reed Walton, all from Gibson County Middle School.

South Team's coaching staff included Head Coach Jason White, Henderson County North and Assistant Coaches Brad Wallace, Lexington Middle; Kevin Allen, Henderson Co North, Rende Burke, Henderson Co North; Jeremy Collins, Henderson Co North; John Huddleston, Henderson Co South; and Doug McCaslin, Henderson Co South.

North Team 32, South Team 18

South Team won the toss and elected to receive the opening kick. Starting at the 26, South pounded the ball down the field with two first-down runs each for Jaden Horn (Henderson Co. North) and DaQuon Robinson (Huntingdon) and another for Dru Yopp (Selmer) before Rylan Kennedy (Decatur Co.) punched it in for the score. The two-point try failed, and South Team led 6-0 with 7:37 remaining in the first frame.

North Team went three-and-out on the first offensive drive, punting to South Team at midfield. After a short gain by Horn, Robinson bobbled a handoff in the backfield before securing the ball and scrambling nearly to the first-down marker. The next snap was fumbled and recovered by North Team's Skylar Stone (Greenfield).

After a short gain for North Team, the ball was fumbled on second down and recovered by South Team's Zach Armour (Chester Co.).

Robinson rushed to midfield, then broke out on the next snap for 49 yards to the North Team 1 yard line. The big play was spoiled on the next snap, however, as yet another fumble turned the ball over.

Starting at their own 5, North Team breathed a sigh of relief after a 51-yard run by Matthew Watson (Gibson Co.). Cooper Baugus (Trenton) and Tamaz Taylor (Gibson Co.) each had first-down runs before Jarel Dickson rushed for the 7-yard touchdown. A failed two-point try left the game tied, 6-6, in the waning seconds of the first quarter.

Quickly facing a third-and-long situation on the next drive, Armour passed to Robinson for 22 yards and a first down. A pair of runs by Horn moved the chains again, but North Team defenders Andrew Scott (Halls) and Campbell Puckett (Lake Co.) made big tackles for losses to force a punting situation. The snap sailed over the punter's head and was scooped up by Taylor for a North Team touchdown. The two-point run by Watson was good, and North Team led 14-6 with 7:04 remaining in the half.

South Team's Trey Scruggs (Hardin Co.) had a great return on the ensuing kick. Scruggs and Octavian Stewart (Waverly) combined for a first down, but penalties and negative runs led to a turnover on downs in the red zone.

With 30 seconds until the intermission, North Team's Brennan Seidel (Halls) passed to Baugus for a first down, then Tanner Snider (Lake Co.) threw a deep pass that was picked off by South Team's William Middleton (Chester Co.) near midfield.

South Team managed 2 fruitless plays before the half. At the break, North Team led 14-6.

North Team received the second-half kickoff and advanced the ball to South territory before being backed up and forced to punt.

Starting deep, South Team went three-and-out on the ensuing drive, and a short punt would prove costly.

Baugus rushed 17 yards for a first-and-goal, then, 3 plays later, Watson rushed 6 for the score. Dickson took a shuffle pass for the two-point conversion, and North Team led 22-6 with 5 minutes remaining in the third quarter.

South Team went three-and-out again as Scott and Puckett made big defensive stops. Seidel caught the punt and returned it for another North touchdown. Another successful two-point conversion made it 30-6 with 2:39 left in the third.

A large penalty on the kickoff set South Team back deep. After 2 plays for losses, Robinson was caught in the endzone for a North Team safety to make the score 32-6 near the end of the quarter.

After receiving the kickoff, North Team fumbled on first down, and Alex Odom (Huntingdon) dove on the ball for the South Team.

Horn ran twice for a first down, then, three plays later, Robinson caught a pass from 47 yards out for a touchdown. The two-point try failed, and North Team led 32-12 early in the final frame.

South Team attempted an onside kick, but North's John David Kersey (Obion Co.) dove on the ball.

North Team wasn't able to capitalize on the short field, managing just one first down before turning the ball over on downs.

South Team continued its momentum, marching downfield on the backs of Horn, Robinson, and Kennedy. On fourth-and-long from the North 27, Dee Bates (Milan) launched a pass to Robinson in the endzone, but Braxon Gunter (Milan) batted the ball away.

North Team managed a first down on the ensuing drive, but then turned the ball over on downs.

Robinson took the first South snap 47 yards to paydirt to cut the deficit to 32-18 with just over a minute remaining in the contest.

South Team's onside kick was successful as Stewart dove on the loose ball, but a first-down fumble was scooped up by Puckett for North Team.

Snider kneeled 3 times to seal the North Team victory, 32-18.

Offensive Player of the Game DaQuon Robinson (Huntingdon) had 11 carries for 115 yards and a touchdown, along with 69 receiving yards with a touchdown.

Middle School Basketball

Fillies, Rebels Net Wins

By Ernie Smothers
smothers@mckenziebanner.com

HUNTINGDON (November 9) — In low-scoring girls middle school basketball action, the Huntingdon Fillies coupled fierce, full-court pressure with the game-high scoring of Adyn Swenson to defeat the McKenzie Lady Rebels, 28-17. In the nightcap, McKenzie, fueled by game-high scorer Lucas King's 21-point performance, battled intensely with Huntingdon through multiple lead changes before breaking a 28-28 tie early in the fourth frame and earning a hard-fought, 38-33 road win over the Mustangs.

Fillies 28, Lady Rebels 17

In a defense-dominated first frame of play, Huntingdon jumped out to a 3-0 lead via a charity swish by Adyn Swenson and Kace Fuller steal-and score before Lady Rebel netted a deuce from the left side to cut the Fillies lead to 3-2 at the 3:42 mark. As both teams battled for a shooting opportunity, two minutes passed before Fillies Swenson sank a two-pointer from the right side. On the next possession, Fillies Fuller stole the ball and raced coast-to-coast to score via lay-up as Huntingdon led McKenzie at the end of the first canto, 6-2.

Fillies Swenson netted two charity tosses at the 5:24 mark of the second period before Lady Rebel Lilly Bennett intercepted a pass beneath the Huntingdon goal and raced the length of the court to score. Following missed baskets by both squads, Bennett stole the ball for another coast-to coast lay-in as McKenzie cut Huntingdon's lead to 8-6 at the 2:20 mark of the second quarter. Working against McKenzie's press, Fillies Tyasia Reed was fouled and converted two charity tosses to widen Huntingdon's lead to 10-6 at the 1:31 mark. With 31 seconds remaining in the second square, Fillies Brook Butler netted two free throw attempts as Huntingdon led McKenzie at the half, 12-6.

Scoring was scarce in the third frame as both teams clamped down via full-court press. After nearly three minutes without a point being scored, Lady Rebel Shelby Davis converted the back end of a two-shot charity opportunity. Responding, Huntingdon's Emily Noles assisted Fuller in the paint as Huntingdon led 14-7 at the 2:55 mark of the third period. Catching fire offensively, McKenzie combined a trey from the left corner by Lilli Taylor with a Camille Travis steal-and-score to narrow the Fillies lead to 14-12 at the 2:15 mark of the third quarter. Following missed baskets by both squads, Fillies Swenson drained a trifecta from the right side to give her team a 17-12 lead with 19.1 ticks left in the third frame. Racing down court, Lady Rebel Shelby Davis fired a three-point attempt that careened off the rim at the buzzer as Huntingdon led McKenzie at the start of the fourth quarter, 17-12.

In the final period, Huntingdon widened the lead to 24-13 at the 3:15 mark via two charity tosses by Swenson, one free throw conversion by Fuller, two charity netters by Noles, and a pair of free throw swishes by Reed. In the waning moments of action, McKenzie added two free throw swishes by Davis and a Bennett coast-to-coast lay-up before falling to the Fillies, 28-17.

Huntingdon was paced via the production of Swenson (12), Fuller (6), Reed (6), Noles (2), and Brooke Butler (2).

McKenzie was led via the scoring of Taylor (7), Bennett (6), Davis (2), and Travis (2).

Rebels 38, Mustangs 33

In fast-paced, first period action, Huntingdon and McKenzie flew up and down the court via missed baskets before Mustang Nick Bynum knocked down a deuce to give his squad a 2-0 lead at the 4:21 mark. McKenzie temporarily tied the contest at 4-4 via Lance Horton's deuce in the paint before Mustang Hunter Ensley scored off the glass. Following a charity swish by Rebel Lucas King, Huntingdon's Kelby Pearson scored by way of putback and Brandon Lawton added a charity conversion as Huntingdon led, 6-3, at the 1:53 mark. Mustang Ensley scored via steal before Rebel King scored via putback at the buzzer as Huntingdon led McKenzie, 9-5, at the start of the second frame.

Following Mustang Kieyren Jordan's free throw toss, Rebel King split defenders for a deuce and added two charity swishes as McKenzie cut Huntingdon's lead to 10-9 at the 3:54 mark of the second stint. In quick succession, Rebel Lance Horton scored back-to-back putbacks to give McKenzie a 13-10 lead at the 2:04 mark. Huntingdon answered via Drake Butler charity swish and Lawton putback as the score was knotted, 13-13. With 26 seconds left in the second frame, Rebel Evan Jarrett converted one of two free throws as McKenzie led Huntingdon at the half, 14-13.

Resuming play in the third period, Huntingdon reclaimed the lead via Lawton score off the glass before the game was knotted 15-15 by way of Micah Austin free throw swish. Responding, McKenzie notched deuces by King and Horton to take a 19-15 lead at the 3:57 mark of the third. Despite a free throw conversion by Pearson and Lawton deuce and free throw swish, McKenzie widened the lead to 23-18 by way of N. Hawkins drive in the paint and a deuce off the glass by King. Huntingdon roared back via a Lawton steal-and score and Pearson deuce off the glass to trail McKenzie 24-22 with 1:18 remaining in the third clip. Answering, Rebel King netted two free throw attempts and scored via putback as the Rebels led Huntingdon at the start of the fourth quarter, 26-24.

McKenzie netted a deuce by Horton before Huntingdon countered with a deuce by Hunter Ledsinger and a Bynum steal-and score to tie the game at 28-28 at the 4:02 mark of the fourth period. Responding, McKenzie combined a Horton two-pointer off the glass, with a King jumper and two free throw swishes to lead, 34-28, at the 2:01 mark. Determined, Huntingdon's Ensley netted two charity tosses. On the McKenzie in-bound play, Huntingdon stole the ball before Lawton missed on a three-point attempt right side with McKenzie recovering the rebound. Racing down court, King was fouled beneath the Huntingdon basket before netting two crucial free throw shots to give McKenzie a 36-30 lead with 48.5 seconds remaining in regulation.

Continuing to battle, Lawton missed a three-point attempt from the right corner as Ensley was fouled going for the loose ball. Stepping to the line, Ensley failed to convert on two free throw attempts. Rebel Austin was fouled while receiving the inbound pass and sank the back end of a two-shot opportunity to give McKenzie a 38-30 lead with 22.5 seconds left in the contest. In the final moments of play, Lawton missed a three-point attempt before ripping a trifecta as Huntingdon called a timeout with 0.8 seconds on the clock. In-bounding the ball, McKenzie ran out the clock to earn a hard-fought, 38-33 win over the Mustangs.

McKenzie was led via the scoring of King (21), Horton (13), Hawkins (2), Austin (1), and Jarrett (1).

Huntingdon was paced via the production of Lawton (11), Ensley (8), Bynum (4), Pearson (4), Ledsinger (4), Jordan (1), and Butler (1).

Bailey erupted right side across midfield to move the chains at the Yellowjacket 13. Following his lead blockers, Dodson weaved to the 2 as the first period ended with the teams knotted in a scoreless battle.

Resuming play in the second clip, Bailey kept to the one before lighting the scoreboard with a touchdown plunge. Williams PAT boot split the uprights as Huntingdon led, 7-0.

Trousdale responded on their next possession by mixing pass and rushes to battle to the Mustang 39. Huntingdon fans held their breath on the next play as Yellowjacket quarterback Baines narrowly overthrew a wide-open Austin Ford behind Mustang defenders at the Huntingdon goal line. On fourth-and nine, Mustang defensive back Trevarious Gordon defended a deep spiral intended for Ford near the end zone as Trousdale County turned the ball over on downs at the Huntingdon 36 at the 9:03 mark of the second frame.

As hitting intensified, both teams exchanged punts and battled for field position as the first half ended with Huntingdon narrowly leading the Yellowjackets, 7-0.

The second half was all Huntingdon.

Utilizing the gutsy rushing of Dodson to move the ball from their 43, Huntingdon quickly capped their seven-play, 57-yard drive via Bailey's pinpoint, 27-yard scoring spiral to Wade at the 8:06 mark of the third canto Williams PAT boot was good as Huntingdon led Trousdale County, 14-0.

Turning up the heat, Mustang Pritchard sacked Baines for a loss of eight and Wade nailed Ford for a loss of five to force the Yellowjackets to punt away.

Attacking immediately, Huntingdon employed chain-moving spurts by Bailey and Dodson to set up Bailey's 19-yard scoring arc to Dodson. Williams PAT boot sailed wide to the right as Huntingdon increased their lead to 20-0 at the end of the third quarter.

Forcing Trousdale County to turn the ball over on downs via big stops by Davis, McClerkin and incessant pass rushing, Huntingdon answered with another touchdown at the 8:52 mark of the fourth frame as Bailey uncorked a seven-yard zip pass to Dodson. Bailey's two-point conversion attempt failed as Huntingdon rolled out to a 26-0 lead over the Yellowjackets.

On their next drive, Trousdale County's offense ground to a halt as Pritchard collected his second sack and Wade corralled Lannom on a fake punt rush to force the ball over on downs at the Yellowjacket 21 at the 7:22 mark.

Wasting no time, Huntingdon attacked up the middle via rushes by Williams to move the ball inside the Yellowjacket 10. At the 5:15 mark, Williams careened through defenders to paydirt. Williams' PAT boot was wide to the right as Huntingdon expanded their lead, 32-0.

With 2:24 remaining in the contest, Huntingdon capped their impressive second half scoring barrage as Norwood raced 11 yards to paydirt and Orry Hodo added the PAT boot to give Huntingdon a dominating, 39-0 shutout over Trousdale County.

This Friday night, Huntingdon travels to Music City for a TSSAA second round showdown against Nashville Christian. Game time is 7:00 p.m.

Hockey

...From Sports Front

LU skater. Bethel would have no trouble holding on to the 5-0 lead, ending the game on the power play. It would give Teed the shutout in his first Bethel start.

The second matchup saw Bethel DI playing Missouri State DI. Bethel came out quick with Ryan Johnsen assisting on Joey Harmon's first goal of the season. After Missouri State evened things up late in the first period Markis Cardwell read a Missouri State breakout pass and intercepted the play deep in the Missouri State zone. A quick shot gave Bethel the lead and Cardwell the unassisted goal. The second period was controlled by Bethel. Harmon scored early on a power play and then on the second power play of the period Johnsen would set up Bryce Cross for a power play goal. An even strength goal by Missouri State near the end of the period kept them hanging around and resulted in an interesting third period. Bethel took a 5-2 lead early when Cross passed it to Johnsen who deposited the puck in the net. A Bethel penalty would result in a Missouri State power play goal and make things 5-3. Bethel quickly took back the lead when Johnsen added his second goal of the game coming from an assist by Harmon. Tyler Bolyard would then pick off a Missouri State pass and scored his first of the season giving Bethel the 7-3 lead. Missouri State hung around though and three quick goals made things interesting. Late in the period with all the momentum, Missouri State tied things up. With seconds left in the game Bolyard passed the puck up to Harmon who had a forward breaking for the net. Harmon then threw the puck across the goal face looking to connect with his forward and the puck hit a defending Missouri State player's skate and ending up in the net. Bethel held on and came away with the 8-7 win.

Up next was the DIII team against Kansas State DII at 10:00 am. Bethel picked up where they left off from their shutout with a quick goal from Paccagnan. He would quickly add another with a play that mirrored Cardwell's earlier play. Kansas State hung in there and two quick goals from there top player ended the first period of play with the scoring even. Near the beginning of the second period during a delayed call Paccagnan sent the puck up to a streaking McKinlay who easily gave Bethel the lead again. Adrian Bullard then had the shift of the day scoring two goals on assists from McKinlay and Brandon Howe. Paccagnan then picked off another K-State pass and scored to make things 6-2 for Bethel. Next Bullard would complete the hat trick before assisting on a Howe's first goal of the season. Bullard still wasn't finished and closed the scoring for the period with his fourth goal of the game. Two more third period goals resulted in an 11-2 victory for Bethel.

After a short break the DI team played Mizzou at 1:00 pm. late in the first period Bethel was awarded a power play and unfortunately Mizzou's aggressive penalty killing would give them the lead off a shorthanded goal. Bethel regrouped and settled down and during the same power play tied the game when Bolyard scored. Cardwell gave Bethel the lead at the end of the period on a pass from Andrew Ball. The second period saw a lot of Mizzou shots and resulted in a Mizzou goal. Then the third period was back and forth with shots at both ends. Teed's goaltending gave Bethel a chance to win but the goalie at the other end was up to the task as well. After regulation the game was still tied and would need overtime to decide the outcome. Only one shot was registered during the extra time and Bethel hoped to win in a shootout. Both Cody Bryant and Bolyard made excellent moves but a post and a desperation save would put the pressure on Bethel's final shooter Cardwell. Cardwell faked backhand then wrapped the puck around a sprawling Mizzou goaltender to tie things up. The third shooter for Mizzou was able to squeak one passed Teed resulting in the 3-2 win for Mizzou.

The third DI game of the day was against Lindenwood, last year's national runner ups. LU game out early in the first scoring three unanswered goal before Bethel settled in. Then Ball scored on the power play to give Bethel their first goal of the game. Bethel controlled the second period and Cross would add another goal so Bethel could enter the final period down 3-2. Blake Lochhead's goaltending kept Bethel in the game but two penalties would result in two LU power play goals. Later while trying to press the issue and come back from a deficit a Bethel pass was picked off allowing LU to add a sixth goal and win 6-2.

Later Saturday night Bethel's DI team looked to defeat the defending DIII National Champion Lindenwood Gold team. LU came out strong and controlled the first period out chancing Bethel and resulting in a 1-0 lead after one period. Bethel turned things around in the second and scored once on the Power Play and again even strength. Then Bethel started off the third period scoring on the power play when Bryant set up Harmon for a goal. The score would remain 3-1 Bethel until the last minute when LU scored after pulling their goaltender. However, Bethel was able to hold on and come away with a 3-2 victory.

The last matchup of the weekend was Bethel DIII versus St. Charles (JC). St Charles came out strong and aggressive. They out worked and out skated Bethel early in the game and eventually after many changes in the first period were able to put one by Noah Sinz in net. Bethel didn't wait long to tie things up when only minutes later Dominic Knowles scored his first of the season beating the goalie through his five-hole on the power play. The first period ended in a tie thanks to the effort of Sinz stopping 20 of the 21 shots he faced. Then Bethel took a lead early in the second when McKinlay would put in his own rebound. Then late in the period while on the power play McKinlay scored again off a pass from Paccagnan. Seconds later St. Charles came back with a goal of their own to end the second period down a goal to the Bethel team. Sinz had his work cut out for him again in the third period and was up for the task. His efforts would give Bethel the 3-2 win and earn himself the first star of the game. Bethel will be back in action in two weeks in Ballwin, Missouri.

Williams

...From Sports Front

"Williams is an absolute beast", stated Cyclones Head Coach Andre Beard. "He has to be our No.1 pro prospect for our inaugural season kickoff in the GDFL, and it's not hard to see why."

The Cyclones, a professional minor-league football team playing in the Gridiron Developmental Football League (GDFL), will play in Jackson beginning in 2016.

The GDFL season begins with eight regular-season games that take place from May to July.

Coach Beard added, "Williams meets the size threshold at six-foot, five-inches and 315 pounds for defensive tackles but explodes off the line with a rare burst. Although he wins with power more than speed, he's quick enough to split the center and guard and make a play by himself in the backfield. This should help him adjust to the pro game as both a pass-rusher and a run-stuffer."

Beard added, "The Cyclones are excited to have such a talented young man to build their defense and team around and look forward to an exciting 2016 season in the best Professional Developmental Football League in the country, the Gridiron Developmental Football League."

crossed the goal line for his first TD of the night. The Rebels looked to go for two, but a slick ball foiled the plans. McKenzie led 19-0 with 2:24 still to play in the first quarter.

Riverside added their only points of the night on the next possession. Starting from their own 32 yard line, Brady Jones picked up 9 yards on a pass to Kyle Roach. On the next play, Jones was called for intentional grounding. After losing 5 yards and the down, Jones hit Cannon Duke for 38 yards.

With a fresh set downs, the Riverside Panthers continued the drive from the McKenzie 25 yard line. The Panthers looked destined to turn the ball over on the downs, but Duke made a miraculous catch dragging one foot in bounds as he fell out of bounds at the 1 yard line. To end the first quarter, Lott plunged his way into the end zone. The extra-point bounced off the uprights to bring the score to 19-6.

The Rebels turned the ball over on the subsequent drive via an interception.

The Panthers struggled on the next drive. On the third play, Oakley intercepted Jones's pass, but the officials interjected calling defensive holding on the Rebels. Two plays later, Oakley was there again for the turnover. As the Rebels came away with the turnover, the Panthers were assessed with another sideline warning penalty.

The turnover put the Rebels 34 yards away from the goal line. Robinson picked up 25 yard and a touchdown on the series. Surber scored on the two-point conversion on a fake handoff to Robinson. McKenzie lead increased 27-6 with 1:09 left in the half.

Riverside kept the ball for the remaining minute of the half, but was unable to cut into the McKenzie lead.

The Panthers received the ball to open the second half. After 10 plays they were forced to punt due in part to tackles by Michael Floyd and Mitch Merrick and sacks by Russell Turman, Jake Trevathan, and Sean Beck.

Blake Baker wraps up on Brady Jones, as Jake Trevathan is there to assist in the tackle.

Starting at near mid-field the Rebels scored for the last time of the night. The key play came from Surber to McEwen for 37 yards. From 3 yards out, Robinson scored his third touchdown. Waddell's extra-point was good as McKenzie went up 34-6 with 5:55 left to play in the third quarter.

After stops by Floyd and Oakley, the Panthers turned the ball over on downs.

McKenzie elected to keep the ball on the ground in order to continue running the clock and ending the third quarter.

The fourth quarter began with the Rebels turning the ball over on downs near the goal line.

Riverside looked to score in the last few minutes of the fourth quarter. Starting at their own 6 yard line, the Panthers were able to move into the red zone in 13 plays. The Rebel defense dialed up the pressure forcing the ball over on downs at the McKenzie 20 yard line.

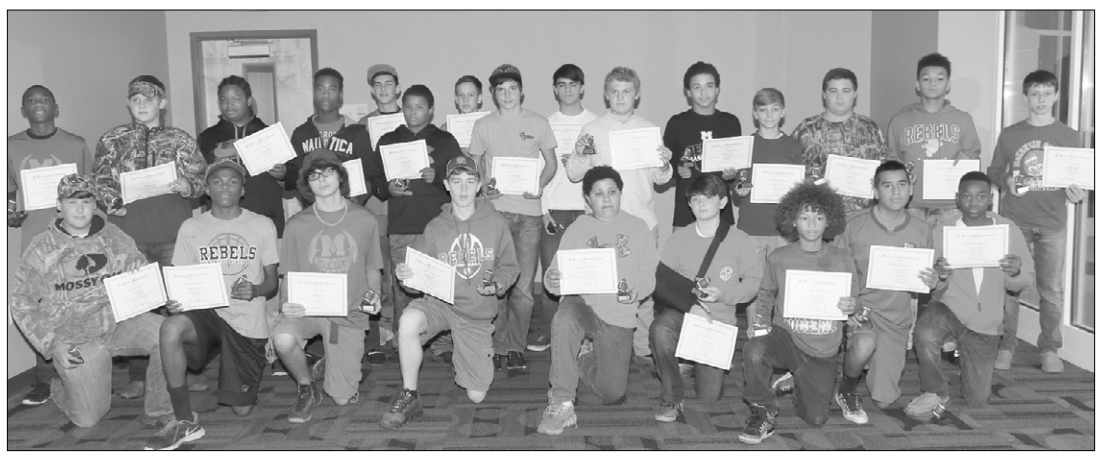

The Rebels began a round of substitutions that found Zach Jarrett at quarterback, Cameron Rawls and Deaarron Diggs at the running back position to close out the game.

The game was filled with big plays and shining moments for the Rebels in the 34-6 playoff victory. There were over 20 yellow flags littering the field Friday night, five of which came from sideline warnings. The Memphis area officiating staff made sure everyone was aware of their presence.

Eric Robinson rushed for 186 yards and three touchdowns. Noah McEwen had two interceptions and an 85-yard touchdown kickoff return. Jack Surber rushed one touchdown helping the Rebels move to round two of the TSSAA Playoffs.

Coach Wade Comer remarked how it's difficult to beat a team twice in one season. The Rebels must take one game at a time. Next week the Rebels will face their second rematch of the season. McKenzie will host the Jackson Christian School Eagles. JCS defeated the Rebels earlier in the season by a score of 38-21.

Game time is Friday 7:00 p.m. The winner of the game will face the winner of the Trinity Christian/Adamsville in the third round of the playoffs.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Mirror-Exchange Adds to Newspaper Family

The Mirror-Exchange newspaper has expanded their newspaper family, purchasing The Chronicle in Humboldt and The Tri-City Reporter in Dyer.

The historic acquisition was officially completed Friday afternoon when (Milan) Mirror-Exchange owners Scarlet Elliott and Victor Parkins signed closing documents with AHP (American Hometown Publishing) based out of Wisconsin.

The two weekly newspapers were previously sold to AHP in 2006 by then owner Frank Warmath, of Humboldt.

Both newspapers will remain staffed by the same personnel, something Parkins felt was very important.

"One of the most attractive things about this opportunity was the staffs that were already in place," Parkins said. "No one knows the landscape of these markets better than April Jackson in Humboldt and Cindy East in Dyer. "We believe this transition will be beneficial for the communities that we serve," he said.

Parkins said for the first 12 months, subscribers of the newspapers should see very few changes.

"We believe strongly in newspapers and the power of the printed word," Parkins added. "Having all three newspapers under one umbrella gives us a lot of flexibility and opportunities to expand coverage across the entire county. In time, we believe our readers will see a much better value in their hometown newspapers," he said.

Ms. Jackson will remain as publisher of The Chronicle and The Tri-City Reporter. Jackson will also serve as editor of The Chronicle and Ms. East will remain as editor of the Tri-City Reporter.

"This is a very positive event for The Chronicle and The Tri-City Reporter. Local ownership of local newspapers just makes sense," Jackson said. "We look forward to working with the staff of the Mirror Exchange. I believe in teamwork and I know we can be a team with Victor and Scarlet. Our combined efforts will give readers more local news and give area businesses expanded advertising opportunities."

Ms. Elliott believes the three newspapers working together as one team will accomplish great things.

"I look forward to working with the Humboldt and Dyer newspapers," Elliott said. "There are endless opportunities for our communities to come together and grow, both in the news department and for the small businesses that are competing with the bigger stores. I'm excited to get started on our new venture." Elliott said.

All total, the three newspapers have been existence for nearly 600 years.

The Humboldt Chronicle and The Tri-City Reporter both date back to the late 1800s. The Milan Exchange, later purchased by the Milan Mirror, was founded in 1847.

In 1956, J. Frank Warmath purchased The Courier-Chronicle and in 1969, he purchased The Tri-City Reporter. A newspaper enthusiast, he later acquired the Milan Exchange and also an interest in the Trenton Herald-Gazette. He later sold the Exchange to longtime Mirror Exchange editor and publisher, the late Bob Parkins.

"Knowing people on a first name basis is the greatest asset in successful newspaper publishing in small towns, Warmath always said," noted Jackson. "And he was right," she added.

The Chronicle serves Humboldt and south Gibson County, drawing news and readers from Fruitland, Gibson, Gadsden and Three Way.

The Tri-City serves Dyer, Rutherford and Kenton in north Gibson County, and also has news and readership in the areas of Yorkville and Newbern.

The Mirror-Exchange serves Milan, Medina, Bradford, Atwood and Lavinia.

All three newspapers have hundreds of out-of-county and out-of-state subscribers.

Parkin's wife, Carol (Putman) Parkins is a McKenzie native. The Mirror-Exchange is printed in Huntingdon at Associated Publishers, Inc., located on Elks Lodge Lane.

McKenzie Police Reports

Driving on suspended / revoked license-According to a report filed by MPD Sergeant Chad Davis, On November 1, Dakota Dillion West, 19, Highway 54, Paris, was involved in vehicle crash where he was found to be the driver of the vehicle. A computer check through NCIC revealed that West's driver license was suspended due to failure to appear in Henry County on September 14, 2015.

Theft of merchandise / shoplifting-According to a report filed by MPD patrolman Mike Pershell, on November 1 at approximately 1:05 p.m., Marcie McKinney, manager of Merchant's Outlet Mall, called MPD to report that a shoplifter had left the building and that another customer had blocked the perpetrator's red Buick vehicle in the parking lot. Upon arrival, the officer observed said vehicle blocked by a truck in front of the building. At that time, the defendant, Darren Lee Parsons, 41, Highway 423, McKenzie, came up to the officer and stood beside him while the manager presented the property that she had recovered from Parsons. Recovered items included a necklace, earrings, and a ring with total value of these items valued at $22. Parsons admitted to stealing the items by hiding them in his girlfriend's purse. After Parson's apologized to the store manager, he was served a ban letter and cited into Carroll County General Sessions Court for the listed offense. Parson's girlfriend, identified in the report as Brandi Bradfield, was arrested by Sergeant Nick Lowe after it was determined that she had a warrant for her arrest.

Vandalism-According to a report file by MPD Sergeant Nick Lowe, on November 1 at approximately 4:41 p.m., MPD received a call regarding a vandalism that had occurred at a residence located on West Magnolia Avenue, McKenzie. Upon arrival, Sergeant Lowe was informed that someone had been throwing rocks at the back door of the shop owned by Charles C. McAdoo and had broken four window panes. Two juveniles informed the officer that they witnessed two other juveniles throwing the rocks at the window. The witnesses did not know the last names of the alleged defendants, but did provide the officer with street addresses where the defendants live. The incident is still under investigation.

Carroll Co. Sheriff's Reports

Joshua Pruitt told officers on Nov. 4 that someone broke into his shop at 150 Holly Lane and stole his 2012 Polaris Sportsman XP 800 four-wheeler. Pruitt said he last saw the four-wheeler on October 27 at around 3:30 p.m. The ATV was valued at $10,000.

• • •

Drug Violation

•A Nov. 4 traffic stop in Huntingdon resulted in charges against a Bruceton man.

Deputy Mike Verner charged Daniel Joe Parker, 25, with drug possession. According to Verner's report, he pulled over a green pickup truck driven by Parker on High Street because the vehicle's tags were out of date. Verner asked Parker for consent to search the vehicle, and Parker consented. During that search, Verner found an aspirin bottle containing two kinds of what Verner believed to be prescription level pills with no prescription. The pills were sent to the state crime lab for identification.

• • •

•Authorities are looking into the recent theft of cash from a vehicle at a Trezevant residence.

Richard Moon told officers on Nov. 2 that some time between 7:30 p.m. on Nov. 1 and 6:30 p.m. on Nov. 2, someone entered his vehicle and took $250 in cash from his wallet, which was inside the center console.

Evading

•An Atwood man was arrested Nov. 1 after allegedly fleeing from officers, both in a vehicle and on foot.

Deputy Michael J. Krause charged Bobby Joe Bolin, 34, of 66 Cades Atwood Road — though the specific charges were not listed in Krause's report. According to Krause's report, he was patrolling on Highway 79 in Atwood on Oct. 31 when he observed a vehicle parked in a field on private property. When Krause pulled in behind the vehicle and tried to make contact with the driver (later identified as Bolin), the vehicle pulled around Krause's patrol car and took off down 79 toward Trezevant at a high rate of speed. Krause pursued the vehicle onto Francis Street, and then the vehicle left the roadway and continued about 60 yards into a wooded area. The driver (Bolin) then got out and fed on foot, and Krause was unable to find him. From surveillance video taken from his patrol car and witness testimony, Krause identified the driver as Bolin, who was found and arrested at a friend's residence that next day.

Henry County Operation Breaking Ice Was Successful

By Shannon McFarlin
WENK/WTPR News Director

PARIS — At a press conference Monday morning, Henry County Sheriff Monte Belew and Paris Police Chief Chuck Elizondo lauded the success of the weekend's "Operation Breaking Ice", a drug sweep which resulted in the arrest of over 40 people on over 60 charges ranging from possession and sale of drugs including meth, ice, cocaine, crystal meth, hydrocodone, marijuana, morphine, crack cocaine and prescription drugs; possession of drug paraphernalia; and illegal possession of weapons. The charges included 26 involving meth and 20 involving prescription drug diversions (people selling their prescription drugs to others).

Belew said the drug sweep "was very successful and we attribute that to the good work of the Metro Crime unit, undercover operations and patrol units.

In addition to the defendants who had been indicted by last week's grand jury, the sweep also included "some arrests we hadn't counted on," Belew said.

At the press conference, law enforcement appeared before a backdrop of the mug shots of those who have been arrested so far in the sweep, while items seized were displayed. The names of the defendants arrested were released.

Some 20 persons are still being sought, he said. "But they will be picked up in time."

Among those arrested was Marvin Jacob Steinberg of 1695 Copper Springs Rd., Springville, and his arrest involved the deployment of a specialized "SRT Team" to execute the search warrant. Officers located over an ounce of meth "ice", scales, baggies, meth pipes and numerous weapons and ammunition, which included several long rifles, a shotgun, a .38 revolver, and an AK 47 assault rifle. $1880 in cash believed to be from illegal drug proceeds also was seized. He was charged with numerous felony drugs and weapons charges.
