BY JASON MARTIN
jmartin@mckenziebanner.com

GLEASON — The Tater Town Special in its 43rd year provided the City of Gleason with eight days of entertainment. Hosted by the Gleason Gazelles, the festival attracted thousands of people to the quiet community.

The Junior and Grand parades on Saturday, September 3 served as the apex of the festival. Syncing together in a harmony of floats, four-wheelers, cars and horses, the parade rolled down the streets as on-lookers smiled and clapped. Children of all ages lined the path as parade participants threw candy to the eager youths.

This year's Grand Parade was co-grand marshaled by Jeff Hazlewood and members of the Gleason Downtown Revitalization Committee (GDRC). Hazlewood serves as the Chief of Police for Gleason, past-president of the Gleason Rotary Club, member of GDRC and member of Gleason First Baptist Church. Hazelwood has held the position of chief for 19 years. The Gleason Downtown Revitalization Committee began in 2014 with the focus of making improvements to the City of Gleason. Currently, the committee is building a memorial wall in Snider Park.

At the conclusion of the parade, crowds gathered on the Gazelle Grounds as a variety of vendors lined the area. Arts, crafts and a multitude of food vendors were on hand as Keith Dunning provided entertainment under the pavilion.

The Tater Town Special kicked-off on Saturday, August 27 as SWAG Wrestling took center stage. With scads of theatrics, wrestlers bound around the ring exciting the crowd with body slams, headlocks and well placed props. No one left the event without feeling a rush of enthusiasm.

Monday, August 29 was the Grand Marshal Reception at the Gleason First Baptist Church. Friends, family and members of the community came to the church providing great fellowship to this year's grand marshals. Following the reception, The Good Time Singers provided a free concert.

BINGO was the name of the game on August 30 and 31. The Tuesday session was reserved for adults and was sponsored by Woodmen of the World with a cake auction during intermission. Wednesday's BINGO was for the youth at the Gazelle Grounds.

Jim "the preaching potter" Keeling demonstrated his incredible pottery skills Thursday, September 1. Keeling, owner of Earthen Vessels Pottery, Gifts and Bistro, led the hour-long demonstration. The event centered on the use of Gleason ball clay in Keeling's pottery. With each piece thrown, "the preaching potter" provided life lessons through Biblical interpretations showing comparisons between clay and man.

The 2016 Sweet Potato Bake Off was at the Gazelle Grounds on Friday night, September 2. Entries were turned in at the cook booth by 5 p.m. The winning entry was Ms. Mary Proulx for her Savory Sweet Potato Bread Pudding. Her tasty dish took the \$50 Cash Prize sponsored by Simply Southern.

At 5:30 p.m., the City of Gleason was ready to rock as Flash-

back took the stage. Hungry patrons roamed the grounds getting plates and their stomachs full of some of the finest BBQ available. Cook teams from the Bank of Gleason, Gleason Clay, Trevathan Brothers and Imery's (K-T Clay) provided hundreds of pounds of smoked pulled pork, bologna, ribs, chicken and plenty of sides.

Annabeth Hayes of Jackson were all smiles after seeing and experience the finished museum inside the former Webb School, an all-African American school that was closed when its students integrated with mostly white students throughout Carroll County's public schools.

Ike Gilbert, president of the Webb Alumni Association, was very pleased with the progress as he served as emcee at the ribbon-cutting ceremony. As part of the annual homecoming on Labor Day weekend, members of Webb Alumni traveled from throughout the country to be in McKenzie, on Webb School campus, to share their love and memories.

The Museum Committee, with the help of alumni, members of the community, have assembled memorabilia from Webb School's rich history. The committee members included: Ike Gilbert, Jr., John Nolen, Jeraldine Howard, Mary Luter Jordan, Neal Williamson, Joyce Cooper, Virgie Thomas, and Clarence Norman.

The first monetary donation to the museum was given by Marie Jones of Forsyth, Georgia in honor of "Joe Boy" Jones.

Virgie Thomas of the Rosser Community in Carroll County, was eager to help with the development of the museum, even though she never attended. Her family moved north when she was a youngster. She said she has slowly moved back home over the years. Mary Jordan lives in Nashville and she, too, never attended

Right, Webb Alumni and special friends celebrate the opening of the Webb Historical Museum. Seated are Bobby Pate, former national president, and Ike Gilbert, current national president.

Webb School. Mary was very instrumental in securing documents for the historic preservation of Webb School.

John Nolen of McKenzie is credited for providing many of the items in the museum. Nolen, a 1962 graduate, worked for many years accumulating items of his beloved alma mater.

The committee thanked Tracy Webb with Northwest Tennessee Head Start for his assistance, Mayor Jill Holland, and Carroll County Mayor Kenny McBride.

Following the ribbon cutting, members of the public poured into the new museum featuring photographs, old desks, books, sewing machines, typewriters, a piano, and informational panels detailing local individuals who attended or taught at Webb. It was the lone all-African-American high school in Carroll County and students throughout the county attended. Some resided in on-site

dormitories.

Along with the local museum, plans are in the works for a driving tour of historic American-American schools in West Tennessee to highlight Polk-Clark High School in Milan; Trenton Rosenwald School in Trenton; Carver High School in Brownsville; West Bemis School in Jackson; Bruce High School in Dyersburg, Mt. Zion School in Bradford; and Allen-White School in Whiteville.

Prior to Webb School, Carroll County Training School, founded in Smyrna near Buena Vista in 1923, began serving 22 communities until being moved to McKenzie in 1927. John L. Webb provided the funds needed for the school's building expansion as the student population grew.

In 1936, a fire destroyed a number of the school's buildings. In need of a replacement campus, the board purchased the abandoned McTyre College campus

and the school was renamed Webb High School. New buildings were erected in the 1950s and Webb High School operated until the school closed.

The structure has been used for Northwest Tennessee Head Start classroom and the administrative offices, and a daycare through the years. It also is a point of pride each September as members of the Alumni Association gather in their former school for the annual reunion.

Webb School was one of the famous Rosenwald schools. At one time, the school had a dormitory to house a number of the students and a few of the teachers.

Webb High School Origins In "A Brief History of Webb High School" compiled by Webb High School's late leader teacher J.L. Seets, the first school for African-Americans in McKenzie was noted in 1896. Prior to that, churches in the area, predom-

inantly Baptist and Methodist, conducted schools in a limited manner with an emphasis on religion.

Once the public school system for African-Americans in McKenzie was introduced, the school was operated for ten years or more in a one-room building with one teacher in charge of all subjects, students, and activities. During this time, educators Bob Coleman, F.L. Buck and his wife, Lena Buck, Reverend L. B. Tinsley, Murray Mitchum, and Nelson Love were employed with salaries ranging from \$15 to \$50 per month. In some cases, however, only room and board was provided as payment for services rendered.

In 1900, the public school expanded to two classrooms when parents of the school children built the second room to provide space for a second teacher and increased attendance.

In 1923, Carroll County Train-

ing School, founded in Smyrna in 1923, began serving 22 communities prior to moving to McKenzie in 1927.

In 1924, leader/teacher Seets, learning of philanthropist Julius Rosenwald's efforts to share his wealth to improve educational facilities throughout the South, communicated with Tennessee's educational agency to successfully solicit funds to build a single-room frame building for African-American students in McKenzie with funding received from the Rosenwald Fund and matched by local authorities and interested African-Americans.

In short order, \$1,000 was raised by African-Americans to assist in matching funding.

Upon completion of the McKenzie building, Carroll County Training School moved to McKenzie in 1927 and became the first African-American high school in the county.

Dentist

green's pharmacies in North Jackson.

Nash also faces one count of identity theft after allegedly using another dentist's identification without permission.

According to the indictments returned by a Madison County grand jury, Nash is accused of obtaining or trying to obtain the prescription drug Zutripro from Jackson pharmacies by "misrepresentation, fraud, forgery, deception or subterfuge" five times between August and December 2015.

Zutripro, a Schedule II controlled substance under state law, is a cold medication that contains a combination of chlorpheniramine, hydrocodone, and pseudoephedrine. It's intended for use as a decongestant, antihistamine and cough suppressant.

Nash, who is being defended by attorney Mark Donahoe, has waived his right to be present at his arraignment in Madison County Circuit Court on September 6.

According to court documents, Nash is accused of attempting to acquire the medication on five different occasions in 2015, on August 6, August 29, October 9, November 9 and December 2.

Court documents reveal that each of the first four occasions took place at Walgreen's at 384 Oil Well Road and the fifth took place at Target Pharmacy, 93 Stonebrook Place.

Nash also is accused of using or possessing the identification of another dentist "with the intent to commit any unlawful act, including, but not limited to, obtaining or attempting to obtain credit, goods, services or medical information" on Nov. 17, according to the indictments.

Nash's defense attorney Mark Donahoe stated during an interview that the situation surrounding Nash's arrest was unusual and that he did not expect his client to be indicted by the grand jury.

He said, "At this point we don't even know specifically what items that they alleged that he did wrong or what was signed or what wasn't signed or what was signed."

Donahoe added, "There's no change in my client's (Nash)

status at this point other than a grand jury saw fit to charge him with something, and, you have to remember, the grand jury only hears one side of the case. They only hear what the police say happened, and sometimes, as we've proven in the past, sometimes people get charged with offenses that they did not commit."

The indictment by the grand jury is not Nash's first drug-related incident involving his medical practice.

In January, 2014, Nash was cited via a disciplinary action report by the Tennessee Department of Health for a license violation accusing him of dispensing, prescribing or otherwise distributing any controlled substance or any other drug not in the course of professional practice or not in good faith to relieve pain and suffering or not to cure an ailment, physical infirmity or disease.

In response, Nash's medical license were reprimanded with terms and he was assessed a \$1,000 civil penalty.

Nash will continue working as a dentist as he awaits trial.

Liquor

...From Front Page

McKenzie Water and Sewer Superintendent Billy Wood acting as a private citizen.

A non-resident of McKenzie, Wood said that his lone reason for creating the petition drive for liquor by the drink was to increase tax revenues for the city.

Wood's petition was confirmed as valid on the August 25 deadline date by Carroll County Administrator of Elections Peg Hamlett.

During an interview with The McKenzie Banner, Carroll County Election Commission Assistant Administrator Tom

Aljancic said, "Mr. Wood actually had more than the required 115 names of registered McKenzie voters on his petition. We stopped counting when the number of qualified voters exceeded the amount required."

Aljancic added, "In order for liquor by the drink to appear on the November 8 general election, the petition had to be signed by at least 115 qualified McKenzie residents, equating to ten percent of the votes cast in the municipality via the 2014 governor's election. The petition met the criteria."

If liquor by the drink is approved by McKenzie voters, each qualifying restaurant would have to apply through the Tennessee Alcoholic Beverage Control Board and the McKenzie Alcoholic Beverage Control Board (Beer

Board) for a permit to serve the beverages with a meal.

Carroll County Election Commission Administrator Peg Hamlett said, "Package liquor and liquor by the drink is regulated by The Tennessee Alcoholic Beverage Commission (TABC)."

The TABC jurisdiction covers alcoholic beverages with over five percent (5%) alcohol content by weight.

Hamlett stated that TABC does not issue beer permits.

McKenzie is the lone community in Carroll County to have package liquor stores and wine in grocery stores, both of which were passed by referendum.

The only restaurant in McKenzie now serving beer with a meal is Maria's Mexican Restaurant.

By Brad Sam

ATWOOD (September 1) — The Board of Education for the West Carroll Special School District met Thursday with a pair of new faces at the table.

Sworn in at the top of the meeting were returning members Kyle Foster and Mike Foster along with the two newcomers. William Robinson won the uncontested Old Atwood seat previously held by Kristi Moore. Misty Mitchell was also unopposed in her bid for the Old Trezevant seat, held by Greg McClain previously. Mike Foster was unopposed in his re-election bid, while Kyle Foster defeated one challenger.

Robinson is an Atwood resident and owner of Robinson Trucking. He and wife Michelle have one son, Jack, who attends WCPS. This is his first elected office.

Mitchell is a Trezevant resident, employed at Centennial Bank. She and husband David have one daughter, Maycee, who attends WCES. She is currently the president of the PTO.

Once all members were official, officers were elected by nomination and voice vote. Retaining his position as chairman is Jimmy Halford; likewise as vice chair is Mike Foster. Kyle Foster will serve as treasurer, while Patrick Lindsey will take the role of TLN

representative.

The board approved several expenditures with unanimous votes:

*Improvements will be made to the softball field amounting to \$1,672.25 plus shipping costs.

*The cross country/track team will purchase uniforms for a total of \$2849.50.

*The junior/senior high fieldhouse will replace outdated antennas for improved internet access at a cost of \$721.12.

*Martin Paving delivered the lone bid to pave the primary school lot during fall break for \$49,942.

*Hotel and Restaurant Supply were the sole bidders for a new Combi Oven at the junior/senior high at \$19,727.

In other business, the board declared several item as surplus property, approved a pair of policies on second reading, and heard from high school cheer sponsor Keri Davis on two issues.

First, she needed a second reading for an overnight trip that will occur before the next meeting. (The first reading was part of this month's consent agenda.) A roll call vote will be held via telephone next week for the required second reading.

She also proposed installing a commemorative wall or walkway at the school. Individuals and businesses would purchase and dedicate bricks for the monument as a permanent way to have "ownership" over a small piece of the school's legacy. She provided pictures to show examples of what could be done, and the board will consider the matter until the next meeting.

In principal reports, WCPS principal Jackie Wester announced that Thursday, September 15 would be Grandparents' Day at the school and a Back-to-School Bash would be held Friday, September 23 from 5:30-7:30 p.m. WCES principal Molly Ashley said that her school would recognize Grandparents' Day on Tuesday, September 13 and have its Back-to-School Bash on Friday, September 16 from 5:30 p.m. Junior/senior high principal Dexter Williams thanked the

board for the purchase of the cross country/track uniforms and announced that two additional security doors were being installed. All three principal said progress reports would go out Friday.

Chairman Halford announced that TSBA would present to the board the finalists in the search for a permanent director at 1:30 p.m. on Monday, September 19.

Kyle Foster noted that he had heard rumors of Staph infections stemming from football jerseys of both teams. Principal Williams confirmed that there had been some cases, which wasn't uncommon. He said that they may need better laundry equipment in the fieldhouse. Chairman Halford asked that Williams look into it further and report back, saying quick action could be taken if needed.

The meeting adjourned in less than an hour.

Student Resource Officer, Appointments on County Agenda

Carroll County Commissioners will consider a contract between the Carroll County Sheriff's Department and the McKenzie Special School District to provide the school with a student resource officer – police officer in the school.

The agreement is for one year and fully funded by the school district. The contractual arrangements are part of the resolution to be considered by the commission.

Approval to amend the 2016-17 fiscal year budget in the amount of \$170,000 to pave Baker Road and Bennett Road is also on the agenda. The resolution calls for the borrowing of those funds through a capital outlay note to fund the project.

The county is considering joining the National Joint Powers Alliance to have access to national contract volume pricing from nationally acclaimed vendors. The pricing

on equipment and supplies is often cheaper than purchasing through state bid, said Mayor Kenny McBride.

A \$2,500 donation to the Tennessee Public Safety Network is also being considered for approval. The non-profit agency was founded to respond to the increasing stress and trauma experienced by law enforcement officers, other public safety personnel, and their families with a mission to provide education and support to the members of the community.

Commissioners will also choose a chairman and chairman pro tempore for the legislative body. The appointments are for one year. Committee assignments are recommended by the mayor.

Commissioners convene on Monday, September 12, 7:00 p.m. at the Carroll County Office Complex.

HUNTINGDON — When the Town of Huntingdon celebrates Huntingdon Heritage Day on Saturday, Sept. 24, the Dixie Carter Performing Arts & Academic Enrichment Center will once again team up with Carroll Bank & Trust and Huntingdon Animal Clinic to offer performances for the whole family.
The all-day festival features music, storytelling, food and arts vendors, and a variety of activities. Opening ceremonies begin at 10 a.m. on the Carroll Bank & Trust Bandstand on Court Square. At 11 a.m., Thirty-Wonderful, a Trenton duo featuring Tony Burriess and Jennifer Weems, takes the stage with a blend of rock, folk, and contemporary Christian music.
The Renaissance Bluegrass Band, part of the renowned

Bethel University performing arts program, follows at noon. The Renaissance Bluegrass Band has plenty to offer fans of the genre — great picking, soulful vocals, high lonesome harmonies, and great song selection — all melded together with drive, energy, and enthusiasm.

and songwriter, began singing at the age of 3 and has fronted his own band since the early '70s. He is known worldwide for his presentation of Elvis' music. Terry Mike Jeffrey is a frequent contributor on Sirius/XM Elvis Radio and routinely sings with The King's former band members and background singers.
A variety of performances for children begin on the Huntingdon Animal Clinic Children's Stage at 11 a.m. Kids and their families can enjoy a magic show, balloon artist, the Renaissance Street Theatre, and an interactive experience with Percussive Music.

The Dixie Kicks Off New Season with Dancing

HUNTINGDON — For the second consecutive year, The Dixie Carter Performing Arts and Academic Enrichment Center will kick off the new performance season with Dancing with Our Local Stars.
On Saturday, Sept. 17, six local "celebrities" will vie for the mirror ball trophy. Dr. Jonathan Kee, Hannah Robison, Ahmad Hicks, Libby Lynch, Kenny McBride, and Eliza Forbes will partner with professional dancers and spend the week prior to the show rehearsing. When the curtain opens at 7:30 on show night, they'll be dressed in glitzy costumes and ready to show off their new moves for the audience's votes.
Dr. Jonathan Kee is currently in his third year as principal of Huntingdon High School. He was principal at Huntingdon Middle School from 2009-2014; he taught eighth grade math at Huntingdon Middle School from 2005-2007 and math at Huntingdon High School from 2007-2009. Along with his administrative duties, Kee is serving in his eighth year as the high school boys' basketball coach.
Outside of his educational responsibilities, Kee is an insurance agent for Woodmen Life. He is a member of First Baptist Church Huntingdon and serves as a Sunday school teacher for young adults. Kee graduated from Huntingdon High School in 2000 and received his Bachelor of Science degree in Physical Education and Mathematics from Union University in 2004. While earning his undergraduate degree at Union University, he was a member of the men's basketball team. Kee earned his Doctorate degree in Educational Leadership from Union University in 2011. He is married to Heather Kee, who is a Reading Specialist at Huntingdon Primary School. They have three children: Livi Anne (3) and twins Jon Wilson and Adaline (6 months).
Hannah Robison, Miss Tennessee 2015, served the state of Tennessee as Governor Haslam's Official Spokesperson for Character Education, traveling over 80,000 miles speaking to 50,000 school children about the Character Education Trait: Responsibility. Throughout her year of travels, Robison also served as Tennessee's Goodwill Ambassador for the five Children's Miracle Network (CMN) hospitals across the state. Her personal platform was Campaign Against Pain: Arthritis Awareness, where she raised

over \$29,000 for arthritis awareness and research.
Robison competed at the Miss America Competition in September of 2015, where she placed sixth. Through competing in the Miss America Organization, Robison has been awarded over \$46,000 in college scholarship money. She is a senior chemistry major, psychology minor at the University of Tennessee at Martin, where she will be graduating debt-free, thanks to the Miss America Organization, in May of 2017. Upon graduation, Robison plans to teach chemistry with hopes of creating and implementing Science, Technology, Engineering, and Mathematics (STEM) Education Programs in schools across the state of Tennessee.
Ahmad Hicks, a native of St. Louis, is an alumnus of Southern Illinois University Carbondale. He graduated in May 2015 with a bachelor's degree in journalism while minoring in radio-television and digital media. While in school, Hicks was a member of the university's football team. Concluding his collegiate football career in December of 2014, Hicks jumped right into the field of journalism, both print and television. He wrote for his school's newspaper, the "Daily Egyptian," which had a circulation of 15,000. Simultaneously, Hicks sports anchored and multimedia backpacked for "Illinois' Best Student-Run Newscast."
Following school, Hicks interned at KTVI (Fox 2 News) in St. Louis, where he gained hands-on experience, shadowing seasoned reporters and anchors. He assisted with the 9 a.m. magazine show, even producing various segments for the live broadcast. In his free time, Hicks loves to play with his dog, Ace, and watch St. Louis Cardinals baseball.
Since 1997, Libby Lynch has been the upper school art instructor for University School of Jackson. She holds degrees from Union University, Memphis College of Art, and the University of Memphis.
Lynch says the Picasso quote, "Art is a lie that makes us realize the truth" is one that is true to her heart. Art is such an important aspect of society, and it is Lynch's goal to ensure that as many children as possible in Tennessee have access to quality art instruction. Her contribution to making this possible has been to take an active role in Tennessee's professional art

education association (TAEA).
Combining a Bachelor's degree in Fine Art and a Master's degree in Education, Lynch tends to explore a variety of media in her work. She enjoys introducing her students to a multiplicity of materials and styles. Her own work often reflects her educational interests with a leaning towards the inclusion of textural elements. Lynch currently teaches and participates in art exhibits in the area.
Kenny McBride, a lifelong resident of Carroll County, has served as the Carroll County Mayor since 1998. Prior to being elected, he was the owner of Family Shoe Store and a partner in Volunteer Motor Company, both in Huntingdon. Always taking an active role in his community, McBride has been president of the Huntingdon Lions Club, McKenzie Rotary Club, and Tennessee Association of County Mayors. He is a graduate of Bethel University and University of Tennessee Institute for Public Service.
McBride and his wife Becky have two sons. Matt is a student at Southern College of Optometry, and Will is a student at McKenzie High School.
Eliza D. Forbes grew up in Jackson TN and went to Jackson High School. She graduated in 1972 and then attended MTSU. Eliza graduated with a master's degree in education and taught in Shelby County for over 25 years. Always a tireless ambassador for education, she has served as a member on the Board of the Star Center and the Library Foundation. While in her spare time she has been a Hospice Volunteer and volunteer time for her church which is First United Methodist. Eliza is so happy to be able to help an organization like The Dixie that gives so much, to so many.

Rebel Seniors Sign Autographs For Fans

McKENZIE/PARIS (Septem-ber 3) — A pair of Tennessee Titans cheerleaders appeared at Merison's Furniture's Paris and McKenzie locations Saturday along with Patriot and Rebel football players, respectively.

Bri, a third year cheerleader, and Kaylee, in her first season, spent the morning in Paris and

the afternoon in McKenzie tak-ing photographs with fans.

Meanwhile, Rebel seniors signed photo cards outside as the booster club sold ribeye sandwiches and Rebel merchand-ise.

Laura Dougherty, Marketing Director for PMB (umbrella corporation of Merison's), ex-plained, "We wanted to be a part of the community and support our local teams."

She went on to say, "The Ti-tans organization was most generous. It was very easy once we made the first contact."

Tim Boyd, founder and CEO of PMB, and his daughter, Mer-edith Boyd Leathers, General Manager of Merison's, were also on hand. Boyd said, "We've wanted to do this for a long time, and we finally got to do it... It's fun and exciting."

The seven Rebel seniors participating enjoyed a chat with Bri and Kaylee, who were knowledgeable about both NFL and college football. They also asked the teens about their future plans and discussed the Rebels' big Homecoming win the night before.

Global Studies Opportunities Expand at Bethel University

MCKENZIE — Bethel Uni-versity announces expanded global opportunities through its newly developed Global Studies program, according to school president, Dr. Walter Butler.

"We've had a very strong service learning program for the past several years that has included a component where students travel to different countries," Butler said. "Those experiences have been quite successful through the efforts of Stacie Freeman, an associate professor of sociology at Beth-el. And because of that success, I am very pleased to announce Ms. Freeman as the Director of Global Studies at Bethel. She is definitely the right person to carry this program to the next level."

"This is very exciting," said Freeman. "Over the past six years, I have led 91 Bethel Uni-versity faculty members, stu-dents, alumni, family members and friends on global service learning trips to Costa Rica, Nicaragua, Panama, Colombia and Cuba. We have logged more than 5,700 hours of service, and the economic impact to our host communities has been more than \$134,000. We will be able to have an even greater impact with expanded opportunities."

"When Global Service Learn-ing at Bethel began, it was just me working with Bethel stu-dents as they studied various cultures, took part in global service projects, and earned credit for sociology," Freeman said. "However, along the way we've been able to form partner-ships that have allowed us to get to this point – of creating a truly multi-faceted global stud-ies program."

Bright Light Volunteers is one such partner. Freeman states, "When I decided to travel with students to Cuba, I con-tacted BLV's founder Catherine Greenberg, a dear friend and colleague with over a dozen years of experience coordinat-ing international service expe-riences for students. The doors to Cuba had just opened and she was one of the very first to enter. Planning to travel there, I sought her wisdom on how to proceed. Through a series of conversations, it became apparent that a partnership between BU and BLV could be very productive for all parties involved. In March, 2016, BU partnered with BLV to offer

our first global service learn-ing course in Vinales, Cuba. Since then, we have worked with Bethel University's Dual Enrollment program to offer area high school students the same opportunity. Presently, Bethel and Bright Light are developing plans to extend the reach of BU's Global Service Learning Program to dual en-rollment students across the nation.

"The second component of Bethel's Global Studies pro-gram involves long-term study abroad," Freeman said. "Our partner for this endeavor is the Institute for the International Education of Students (IES). As a result of this partner-ship, Bethel students will soon have the opportunity to study in dozens of countries around the globe and they can choose from roughly 130 academic pro-grams."

Freeman said those inter-ested in long-term study abroad should contact her at free-mans@bethelu.edu. "If long-term study abroad is something that a student is very inter-ested in pursuing, I encourage the student to begin the pro-cess sooner rather than later," Freeman said. "The applica-tion process is quite extensive and could take up to a year to complete."

"We have other interesting opportunities developing in the Global Studies program as well," said Freeman. "For instance, we are investigating the potential for BU to offer faculty-led, short-term study abroad trips and an exchange program. It is very exciting to see us starting down this path."

The Commission fulfills responsibilities relative to advocacy, planning, coordination, public and private agency organization linkages, information sharing, monitoring, and quality assurance designed to promote the development or enhancement of comprehensive and coordinated community-based systems.

State legislation passed in 1998 created a Long-Term Care Planning Council charged with developing a long-term care services plan to guide the future funding, coordination and delivery of long-term care in the state. New legislation passed by the General Assembly in June 2001 expands the authority of the Commission to include services to adults under age 60 with disabilities.

Not everything changes. Conventional wisdom says otherwise, but we'd say conventional wisdom got it wrong. And for over 50 years, we've been doing everything necessary - acting cautiously, growing sustainably, and serving clients unreservedly- to keep that promise. Rebels Rout Pioneers on Homecoming, 48-14

Anna Comer Crowned Queen

By Brad Sam
brad@mckenziebanner.com

McKENZIE (September 2) — The Rebels continued their dominant young season with another resounding victory Friday night, McKenzie's Homecoming. The visiting Pioneers of Gibson County, a region opponent, had no answer to the Rebels' offensive onslaught, which scored touchdowns on the first six possessions. The Big Red defense stifled the Pioneers the entire game, save one drive plagued by defensive penalties and another as the fourth quarter was winding down. In the end, McKenzie moved to 3-0 on the season, and 1-0 in Region 6-2A play, with a 48-14 win.

In the traditional pregame ceremony, five lovely young ladies were presented as candidates for Homecoming Queen. They were transported onto the field in a black and red Limited Edition Shelby Mustang owned by Keith Priestley and driven by long-time mechanic Billy Anderson. Each was then introduced and escorted across the field by a pair of Rebel players before the senior cheerleaders crowned the winner, senior Anna Comer, daughter of Amy and Wade Comer. Other members of the Homecoming court included: senior Madison Barker,

Mustangs Overpower Trojans, 55-14

By Ernie Smothers
smothers@mckenziebanner.com

HUNTINGDON (September 2) — After a week one bye and rain-out against Camden in week two, the Huntingdon Mustangs opened their regular season by cruising to a 55-14 win over Region 6A foe Collinwood.

Utilizing a balanced mix of passing and rushing, Huntingdon's volatile offense was led by Zach Dodson (9 carries for 132 yards, touchdown rushes of 11 and 61 yards), quarterback Kade Pearson (touchdown tosses of 43 and 23 yards), runningback Dylan Johnson (touchdown rushes of 45 and 12 yards, touchdown reception of 23 yards, touchdown pass completion of 32 yards), Keeton Pearson (touchdown receptions of 32 and 43 yards) and Hunter Ensley (3 rushes for 41 yards, 8-yard touchdown rush).

Offensively, Huntingdon rushed for 315 yards and passed for 137 yards.

Huntingdon was led defensively by Clay Carver, Kade Pearson, Michael Arnhold, Marvaughn McClerkin, and Austin Avery.

Limited offensively for most of the contest, Collinwood battled to score its first touchdown of the game with 58 seconds remaining in the first half via Ty Robertson 3-yard surge before adding a late-fourth quarter 11-yard jet-sweep score by Kyle Kelley.

Mustangs 55, Trojans 14

Huntingdon won the opening toss but deferred possession until the second half.

Orry Hodo's game-opening kickoff was returned by Kelley to the 28. A facemask penalty two plays into the Collinwood drive earned the Trojans a first down at its 48 before Scott's fumble was recovered by DeJuan Raglin to give Huntingdon possession at midfield at the 11:05 mark.

Following a five-yard offside penalty against Collinwood, Huntingdon lit the scoreboard at the 10:50 mark as Dylan Johnson raced right side behind a wall of blockers and jetted 45 yards to paydirt. Hodo's PAT kick was good as Huntingdon led Collinwood, 8-0. Fueled by the tackling of Travius Gordon, Kade Pearson, and Arnhold, Huntingdon forced Collinwood to punt on fourth and 9 from its 23 as Carson Ramson's boot was downed at the Mustang 47.

Racing to the line, the Mustangs utilized a 4-yard rush by Dodson and Dylan Johnson right side burst to move the chains at the Trojan 32. At the 7:02 mark, Johnson took the shotgun snap and fired a 32-yard scoring strike to Keeton Pearson. Dodson added the two-point conversion as Huntingdon led Collinwood, 15-0.

Big steps by McClerkin, Kyle Lutz, and Carver forced Collinwood to punt on fourth and 9 as Ramson's spiraling kick was downed at the Trojan 43.

Reacting immediately on the next play, Huntingdon quarterback Kade Pearson rolled right in the pocket and unleashed a 43-yard scoring strike to Keeton Pearson. Johnson added the two-point conversion left side as the Mustangs grew its lead over Collinwood to 23-0 at the end of the first quarter.

Continuing to ramp up offensively, Huntingdon's offense struck again at the 11:44 mark of the second quarter as Kade Pearson fired a 23-yard scoring strike to Dylan Johnson. Collinwood stopped the Mustangs short on its two-point conversion try but trailed Huntingdon, 29-0.

Again forced to punt via Huntingdon's relentless defensive effort, Ramson's kick

was downed at the Mustang 41. Taking the double handoff right side, Dodson moved the chains at the Trojan 45 before Kade Pearson raced through a gap in the line and drug Collinwood defenders to the 11. At the 8:14 mark of the second quarter, Dodson leaped over Trojan defenders to score. Hodo's PAT kick was no good as the Mustangs widened its lead, 35-0.

Down but determined, Collinwood utilized gritty rushes by quarterback Jeremiah Tidwell and runningbacks Ty Robertson, Kyle Kelley and Ramson to move the football from its 29 across midfield and into Mustang territory.

Wildcats Beat Cumberlands In Thriller at Wildcat Stadium

MCKENZIE — Wildcat Stadium in McKenzie was not a place for the faint-hearted Saturday. Bethel led much of the game only to see the University of the Cumberlands take their only lead late in the final quarter at 32-31 but it would be the Wildcats with the final score to win 34-32.

Both teams opened with impressive drives on their first possessions. Bethel capped off a 73-yard drive with a Taye Davis 6-yard touchdown run. Casey Kammerzell's point after made it 7-0 just three minutes into the game. The Patriots answered with a 67-yard drive of their own. Former Jackson (TN) North Side signal caller Adam Craig scampered in for a seven-yard score. Joe Case hammered home the point

after to tie the game at 7-7. Kerry Sellers hit Devante Jimenez on a 17-yard pass play to give Bethel the lead at 14-7 with 2:42 left in the first quarter.

A six-yard touchdown run by Octavian Burrell and a 37-yard field goal by Kammerzell put Bethel ahead 24-7 with 4:42 left in the first half. Cumberland's Craig capped off a 79-yard drive with a 20-yard run with 1:37 left to cut the Bethel lead to 24-14. Kammerzell missed a shot field goal attempt in the waning seconds and the squads went to the locker room at 24-14.

Cumberlands scored first in the third stanza on a Craig one-yard keeper to cut the Cat lead to 24-20. The extra

point attempt was blocked by Bethel's Eriq Hicks. The Patriots appeared to be headed for a go-ahead score but Craig fumbled and Hicks pounced on the fumble at the CU 46 -yard line. Three plays later Bethel would score on a Davis 30-yard run and Bethel led 31-20 after the Kammerzell point after.

The Patriots mounted an impressive drive but Hicks and Trey' Von Brown teamed up for a tackle at the Bethel one-yard line denying Craig on a fourth and goal.

On the first play of the fourth quarter the Patriot defense stepped up big with a Trevor Allen interception in the end zone to pull the visitors to within 31-26. The two-point conversion failed and the Wildcats maintained the five point margin. A Wildcat fumble near mid-field was recovered by CU's Cole Genders. Craig led his team down the field and scored on a one-yard run to give the Patriots the lead at 32-31. The two point conversion failed as the Cats stopped CU's running back Seph Burke short of the goal line.

The Wildcats took over with possession at their own 26-yard line. A 22-yard pass from Sellers to Breon Melvin was a huge play and became even bigger with a personal foul called on the Patriot defense. It set up what proved to be a game winning Kammerzell 18-yard field goal. CU had one final chance but Bethel's Duane Elmore picked off a Craig pass to seal the deal for the Wildcats.

to 1-1.

Davis led the Cats with 106 yards rushing. Burrell had 59 yards on the ground. Bethel outgained the visitors from the Commonwealth 267-231. Sellers was 14-of-22 in the air for 182 yards while Craig was 9-of-15 for 157 yards. Jimenez caught four passes for 58 yards. Weston Hayes had four receptions for 65 yards for the Patriots. Bethel had 449 yards in total offense while CU finished with 388.

Jeremy Beaulieu led Bethel with nine total tackles. Brown had eight and two sacks. One of those was on CU's last possession. Anthony Patrick and Karrheem Darrington had seven total tackles each. CU's Jay Woods was the game's leading tackler with 11 while Genders

finished with 10.

Coach Chris Elliott commented, "My nerves are shot but I'm so happy for our players and staff. We looked awfully good at times and not so good at times. Our offensive line was solid and our running backs are running so hard right now. We made good decisions and yet we made mistakes as well. I thought our defensive line played their hearts out and made some big stops. We made big plays on both sides of the ball when we had to. We beat an outstanding team which will be in the hunt in the Eastern division all year."

The Wildcats have an open week next week and then travel to Pikeville to meet the Bears on September 10th.

Mustangs

...From Sports Front

Following back-to-back unsportsmanlike conduct and facemask penalties against the Mustangs, Robinson netted gains of 8 and 9 yards to earn Collinwood a first down at the Mustang 10. With 58 seconds remaining in the first half, Robertson powered up the middle to paydirt and Galacio Ubieta added the PAT kick as Collinwood trailed Huntingdon at the half, 35-7.

Resuming play in the second half, Mustang Tyler Perritt recovered the Trojans onside kick attempt at the Huntingdon 48. Picking up where it left off, Huntingdon's offense swung into action as Dylan Johnson raced for a first down at the Trojan 45 and Kade Pearson battled right side to move the chains at the Collinwood 28. Taking the deep snap, Kade Pearson fired a first down strike to Dodson at the Trojan 17. Pearson then powered up the middle to the 12 before Johnson jetted up the middle to score. Hodo's PAT attempt was no good as Huntingdon widened its lead over Collinwood, 41-7.

Far from conceding, Collinwood's offense marched from its 31 to midfield via the rushing of Tidwell and Robertson. Tidwell then passed to a wide-open Jensen Bray for a 23-yard gain to move the chains at the Huntingdon 40. Facing fourth and 5 at the Huntingdon 35, Tidwell forced the Mustangs to jump offense to earn his team a fresh set of downs. Stiffening, Huntingdon defenders slowed Collinwood's

advance before making the Trojans turn the ball over on downs at the Mustang 25 with 2:51 remaining in the third quarter.

Though limping slightly, Kade Pearson powered for gains of 8 and 9 yards before Dodson broke tackles and outran Trojan defenders 61 yards to paydirt. Hodo's PAT kick was good as Huntingdon's lead margin grew to 48-7 at the end of the third quarter.

Battling back, Collinwood's Kelley returned the Mustang kickoff to the Trojan 35. Rushing straight ahead, Collinwood netted a first down via the rushing of Robertson and Tidwell at the Mustang 28. On the next play, Huntingdon was penalized for interference as the ball was moved to the Mustang. As the game clock ran via mercy rule,

Collinwood's Kelley followed the surge of 330-pound offensive tackle Blake Thompson to score with 7:00 remaining in the contest. Ubieta added the PAT kick as Collinwood trailed, 48-14. Huntingdon added its final touchdown of the contest late in the game as inside rushes by Brandon Lawton were followed by a 25-yard gain by Hunter Ensley. Ensley added a first down burst to the 35 before Lawton weaved to the 9. As seconds dwindled on the game clock, Ensley raced right side to score. Hodo added the PAT boot as Huntingdon celebrated its 55-14 win over Collinwood.

This Friday night, the Mustangs (1-0) host the Milan Bulldogs in non-region action. Kick-off at Paul Ward Stadium is 7:00 p.m.

the Putnam County Fairgrounds in Greencastle, Indiana.

During an interview with The McKenzie Banner, Trail said, "I am really excited about going to Indiana to compete with Cody. Although my dog is only two-years-old, he is probably my favorite of all of my dogs. What sets him apart from the rest is that he really wants to please me. That is kind of unusual for a coonhound because most of them go into their own world once the hunt is on. Cody is aware of me and works hard for me. That is special."

Trial continued, "On average, I hunt four or five nights a week. I

have hundreds of hours invested in training Cody and my other dogs. Coon hunting is a passion of mine, and I am usually out in the woods at night hunting in my favorite spots on the outskirts of Huntingdon. I love it."

Trail said he qualified by earning a UKC certificate to compete in the World Championship Semifinals via a cast placement against other hunters at a Regular Qualifying Event (RQE).

He said, "I have been excited since that hunt about going to Indiana and competing. Huntingdon High School has worked with me to ensure that I am able to attend the competitions. I am thankful for that."

He added, "Whatever happens, I am going to give it my all in Indiana. I'm sure Cody will give his all as well. It's going to be a fun time."

West Carroll Falls to Dresden, 54-0

In Region 7A high school football action, the top ten state-ranked ranked Dresden Lions improved to 3-0 via a 54-0 win over the West Carroll War Eagles.

Offensively, the Lions totaled 466 offensive yards via 209 rushing and 257 passing.

Reigning Class A Mr. Football Back of the Yard Dresser Winn led all offensive players with a 9-for-14 showing in the passing department with 257 yards and a pair of touchdown throws. Winn also rushed for 38 yards with a touchdown tote among his two rushes.

In addition, Dylan Yates offered a three-touchdown performance on an evening where the Dresden feature back rushed for less than 50 yards. Yates made his presence known offensively with a pair of dives to the endzone and returned an interception for a score.

Also, Dresden seniors Brice Williams and Austin Thomas each caught a touchdown pass.

Williams had the most catches on the evening with three for 58 yards. Thomas totaled the most receiving yardage with 64.

Defensively, the Lions limited West Carroll to four rushing yards and 12 passing yards for a total offensive gain of 16 yards.

Dresden hosts Ballard Memorial this Friday evening. West Carroll plays at Lake County.

The Lions wasted little time in showcasing their offensive power after receiving the opening kickoff.

On the first play from scrimmage, Winn hooked up with Williams for a 19-yard positive before finding Quincey McDonald for a seven-yard connection on the third play of the drive.

Yates opened up the ground game on the fourth play of the first possession with an eight-yard rush to advance the pigskin to the 10-yard line.

From there, Winn hit Thomas for a 10-yard aerial to put Dresden on the board with its first touchdown as the scoreboard told of 10:26 remaining in the first quarter. The Lions' two-point conversion pass was incomplete.

Down to the top team in the state, West Carroll's opportunity to rebound was blocked when the Lions recovered a War Eagle fumble on the ensuing kickoff.

Again, Dresden needed five plays to find paydirt while mixing the run with the pass. The final play of the Lions' second offensive drive of the evening was a 31-yard touchdown pass from Winn to Williams. Yates took the two-point conversion across to give Dresden a 14-0

advantage with 8:32 to play.

Trailing 14-0, West Carroll returned the following kickoff to its own 24 yard line.

In actuality, the War Eagles had a little something going with quarterback Trace Fuller finding Jeremiah Bryant for nine yards on first down and Tristen Fuller bulling forward a pair of yards on third down to move the chains.

However, WC's offensive success was short-lived as Yates picked off a pass and scorched a 65-yard path to the opposite endzone with 7:25 to play in the opening quarter. Winn's two-point conversion throw was no good as Dresden led 20-0.

West Carroll's second offensive series was a three-and-out with a net gain of five yards over three plays.

After the boot, the Lion offense took over at its own 40-yard line.

Altogether, Dresden needed five plays to reach paydirt.

The longest of said snaps was a 54-yard pass from Winn to Thomas on first-and-20 following a block-in-the-back penalty.

Thomas was stopped a yard short of a touchdown, leading to the first of Yates' two dives across the goal line.

Dresden's two-point conversion pass again fell incomplete, but the Weakley Countians led 26-0 with 1:52 to play in the first quarter.

After West Carroll's second three-and-out in as many series, the Lions added one final score prior to the end of the first quarter.

Rebels

...From Sports Front

After returning the War Eagle kickoff to the McKenzie 44, Latimer battled to midfield before moving the chains at the War Eagle 45. On the next play, War Eagle Dalton McAfee tackled Latimer for a loss of 5. Latimer rushed left side for a two-yard gain before being tackled by Jack Barrow. On fourth and 1, West Carroll's defense line jumped offside en masse as McKenzie was awarded a first down at the War Eagle 33 at the 3:32 mark of the first quarter. McAfee tackled Latimer for no gain before Rebel quarterback Eli Surber rolled right in the pocket and fired a 33-yard scoring strike to Logan Lyles to complete a 7-play, 56-yard drive. Seivers added the two-point conversion via right side rush as the Rebels led the War Eagles, 8-0.

West Carroll's first offensive possession was short-lived as Clark fielded a high snap on fourth and 15 and was tackled at the West Carroll 45 as time expired in the first period with McKenzie leading West Carroll, 8-0.

On the first play of the second quarter, West Carroll recovered a Rebel fumble before eventually turning the ball over on downs after failing to convert on fourth and one.

Rebel Zayden McCaslin swept

left side for a gain of 6 before Latimer raced left side for a first down at the War Eagle 12. Battling back, West Carroll's Rader and Clark tackled Seivers for no gain. Rushing behind the Rebel line surge, Latimer battled to the 4 before scoring on the next play. Latimer scored right side for the two-point conversion as McKenzie widened its lead to 16-0 at the end of the first half.

Resuming play in the second half, West Carroll failed to net a first down and turned the ball over on its 33.

Responding quickly, Latimer raced through a gap up the middle for a first down at the War Eagle 16. At the 5:28 mark, Latimer darted left side and scored and Seivers added the two-point conversion as McKenzie increased its lead over West Carroll, 24-0.

Despite determined rushes by Clark, West Carroll turned the ball over on downs near midfield at the 3:44 mark of the third period.

Latimer was tackled after a short gain by Thalia Townsend and Timothy Gilfor before Surber rolled right in the pocket and fired a 48-yard touchdown strike to Jaden Currie. Surber's two-point conversion pass attempt fell incomplete as McKenzie led West Carroll, 30-0.

Continuing to play hard, Clark netted a first down on fourth-and-long and Rader moved the chains right side before West Carroll turned the ball over on downs at midfield early in the fourth quarter.

At the 7:07 mark, Curried scored left side via pitch from 48 yards out and Seivers snared Surber's two-point conversion pass as McKenzie led and ultimately defeated West Carroll, 38-0.

Following a week off, McKenzie hosts Milan at home on September 15. West Carroll hosts Gibson County on September 8. Kickoff for both contests is 6:30 p.m.

Following photographs and warm-ups, Gibson County won the coin toss and elected to receive. Rebel Lucas Waddell kicked off, and the ball sailed deep before bouncing out of bounds just shy of the end zone. The illegal procedure penalty gave the Pioneers a short field at the 35, and quarterback Payton Lamberson moved the ball to midfield with a pass to Ozzy Rico on first down. Lamberson threw incomplete, then handed off to Rico. Rebels Julius Owens and Keegan Millsap tackled Rico for a short loss, then Lamberson threw another incomplete pass to bring up fourth down. Pioneer Henry Todd punted to the Rebel 27, but a strange bounce took it the other way to the 34.

The Rebels started off with a run by Eric Robinson for five yards, then repeated for a 61-yard breakaway touchdown. Waddell split the uprights, and McKenzie had a 7-0 lead with just over two minutes gone.

The Pioneers started at their own 36, but lost six yards on the first snap as Julius Owens led a host of Rebel defenders into the backfield. A pair of incomplete passes by Lamberson led to another punt.

Starting at the Pioneer 37, Robinson flipped the field with a 28-yard run. Quarterback Zach Jarrett just missed Lorenzo Haynes near the goal line on the second snap, then Robinson ran for nine. A penalty set the Rebels back five yards, and Jarrett threw incomplete to bring up fourth down. Jarrett made a quick pass to Donavon Foley to pick up the first, then found Tyler Spivey for a 24-yard touchdown. Waddell's kick was good, and McKenzie led, 14-0, with 6:36 remaining in the first frame.

Waddell's kickoff bounced out of bounds again, but Gibson County elected to take a re-kick from five yards back. Colin Warren made a short return before Jake Trevathan made the stop at the Pioneer 39. Rico ran for 5 yards, then Marty Galvan gained a pair. Lamberson kept on third down, and was awarded the first down after a measurement. He kept again with a fresh set of downs, but Trevathan was there for a four-yard loss. Lamberson's pass was nearly intercepted by Robinson on second down, and was intercepted by Haynes on the next snap.

Taking over at the Rebel 45, Jarrett threw to Foley for a 55-yard touchdown. Waddell kicked, and the Rebels led, 21-0, with 4:07 left in the first quarter.

Gibson County went three-and-out on the ensuing drive thanks to the defense of Millsap, Trevathan, and Luke Spivey.

McKenzie started at the Rebel 31 with a pair of six-yard runs by Robinson. Jarrett then threw to Cameron Rawls for 26 yards, following with a toss to Tyler Spivey for eight. Jarrett's next pass found Sean Beck for a 22-yard touchdown. Waddell stayed

perfect on PATs, and the Rebels led, 28-0, with just over a minute left in the first.

Waddell kicked deep to Galvan, and Millsap made the stop at the Pioneer 27. Lamberson made a pair of runs for eleven and a first down, then Rico lost a total of five before Todd punted.

After making a long return, Robinson ran twice for two and ten yards. Jarrett then dropped back and passed to Foley for a 24-yard score. A miscue doomed the PAT, and the Rebels led, 34-0, with 9:24 left in the first half.

Waddell pinned the Pioneers back deep again, and Lamberson started with a pass to Galvan for 14 yards. Lamberson kept, dropped for a loss of four by Trevathan and Millsap. He then passed to Donte Holder for 26 yards to the Rebel 44. A pass to Galvan netted a pair, but an incompletion brought up third down. Lamberson kept, but came up short by a couple of yards. On fourth down, his pass was knocked away by Rebel Paul Watkins, and McKenzie took over.

Robinson took the first snap 64 yards to paydirt, and Waddell got back on track with a solid PAT. With 6:41 left in the half, McKenzie led, 41-0.

The Rebel defense was called for two costly penalties on the next drive, setting the Pioneers up with a first down at the Rebel 28. Beck stopped Lamberson for a short loss, but he then passed to Camron McMackin for a first down. On the next snap, Lamberson found Holder in the end zone from 19 yards out. Todd's kick was good, and the McKenzie lead was cut to 41-7 with 5:19 left in the half.

McKenzie quickly went three-and-out, and Gibson County followed suit. Starting from the Pioneer 46, Jarrett passed to Rawls for nine, but was then intercepted at the 2 yard line by Austin Little.

Lamberson passed to Alden Marvin for 19 yards, and two plays later ran for eight, but ran out of time as the half ended with McKenzie leading, 41-7.

The Rebels received the second-half kickoff, a short bouncer to Bransen McCaleb at the Rebel 48. On first down, Jarrett made a screen pass to Waddell, who cut back across

the field and headed for paydirt. He added the PAT, and McKenzie led, 48-7, one minute into the third quarter.

The Pioneers and Rebels traded three-and-outs, two apiece stretching into the fourth quarter.

Gibson County finally found a rhythm early in the fourth, but the clock was running. Rico lost a pair on a stop by Kyle Maxwell and Nicholas Bills, but Galvan ran twelve for a first down. After throwing incomplete, Lamberson ran for six, then found Holder for eleven and another first. Two plays later, Lamberson ran for 17 to the Rebel 17. On the next snap, Rico ran to the touchdown, dragging a pile of Rebels the final yards. After the PAT, the Rebels led, 48-14 with less than four minutes remaining in the game.

Bills ran four time for McKenzie for a total of nine yards, and Gibson County took over for one snap, with Lamberson fumbling to Rebel Jack Fry as time expired.

After a quick second half, the Rebels prevailed, 48-14.

McKenzie quarterback Zach Jarrett was nine of 14 passing for 227 yards and five touchdowns, with one interception. Donavon Foley had three catches for 86 yards and two touchdowns. Tyler Spivey had a pair of receptions for 32 yards and a touchdown. Lucas Waddell had a 52-yard touchdowns catch, and Sean Beck had a 22-yard touchdown catch. Cameron Rawls had a pair of receptions for 35 yards. Runningback Eric Robinson had 10 carries for 194 yards and a pair of touchdowns.

Pioneer quarterback Payton Lamberson was 14 of 26 passing for 120 yards and a touchdown, with one interception. He rushed nine times for a total of six yards. Ozzy Rico had six carries for 22 yards and a touchdown. Donte Holder had three catches for 32 yards and a touchdown.

Julius Owens led McKenzie with six tackles. Paul Watkins had five, while Jake Trevathan and Keegan Millsap had three each.

The Rebels (3-0, 1-0) will travel to Camden Friday for a 7:30 p.m. kickoff in non-region action.

Newsome is Bethel University's 2016-17 Hutchins Scholar

MCKENZIE — Brianna E. Newsome, a nursing major from McMoresville, was named the 2016-17 Hutchins Scholar at Bethel University's 2016 Opening Convocation ceremonies.

The Hutchins Scholar Award was established by Bethel in 1976 to honor the generosity and Christian ideals of George and Lottie Mae Hutchins of Marshall, Texas. The Hutchins Scholar award is presented each year to the rising senior who has achieved the highest academic average.

In establishing the endowed trust fund, the Hutchins said this: "Our supreme interest in life has been religious and humanitarian. We have regarded such advantages, opportunities, and possessions as were ours as a trust from God, to be administered in a spirit of responsibility and helpfulness. As this feeling has grown on us, life has taken on a greater meaning with each passing year. It is in the light of this meaning that we have created this trust. We wish this instrument to speak for God, for Jesus Christ, and for the cause of Christianity, which we have sought to serve in sincerity and truth. Because He has done so much for us and through us, we wish to live on in His service herein below long after our spirit has gone to

Cindy Mallard, Academic Dean of Bethel's College of Arts and Sciences, congratulates this year's Hutchins Scholar, Brianna Newsome of McMoresville.

dwel with Him forever. We have genuinely loved our fellow man and have sought to serve to the best of our ability."

As the Hutchins Scholar, Newsome was granted full tuition

for each semester of her senior year, a \$500 check, and an engraved plaque.

Lady Rebels Rout Lady Lions, 21-2

DRESDEN (August 30) — The McKenzie Middle School Lady Rebels traveled to Dresden Tuesday to face the Lady Lions. McKenzie scored early and often en route to a resounding win, 21-2, in three innings.

The Lady Rebels racked up seven runs in the first on hits by Briley Auvenshine, Dani Dyer, Lilly Bennett, Cassidy Brown, and Bailee Christman, as well as several Dresden errors. Scoring runs were Auvenshine, Dyer, Anna Washburn, Brown, Christman, Rylee Williams, and Kylie Reynolds.

The Lady Lions pushed across a pair of runs in the home half on four hits and an error. After one frame, McKenzie led, 7-2.

The second inning was more of the same for the Lady Rebels as they notched another seven runs. Washburn, Bennett, and Brown led off with hits, and the next four batters reached on errors. Auvenshine and Dyer kept

the carousel going with back-to-back hits, and Bennett added a second hit on the inning. Scoring were Washburn, Bennett, Jaden Tucker, Christman, Williams, Reynolds, and Auvenshine.

Lady Rebel starting pitcher Anna Washburn retired the side in the bottom half, striking out a pair. After two frames, McKenzie led, 14-2.

The Lady Rebels stuck with the pattern with seven more runs in the third. Christman, Williams, Reynolds, Auvenshine, Dyer, and Brown all had hits in the inning as Christman, Williams, Reynolds, Auvenshine, Dyer, Bennett, and Brown scored runs.

Washburn gave up a hit, but struck out one in the home half as McKenzie ended the game early with a 21-2 win.

Anna Washburn earned the complete game win, allowing two runs on five hit while striking out six.

Bethel Bass Featured at Bassmasters.com

Article by John Neporadny Jr.-bassmasters.com

MCKENZIE — The success of his Bethel University bass fishing program has Coach Garry Mason frequently fielding questions about how to start a college bass club.

The Bethel program originally began when the university's athletic department became interested in starting a bass fishing club and invited Mason to a meeting to discuss how the school could set up its program if he were the coach. Mason made the following points that led to his hiring as the school's bass fishing coach.

Offer scholarships for bass fishing and set up the program exactly like any other athletic program (baseball, basketball, football) on campus.

Set up a varsity team and a junior varsity program.

Have the academic community view the student anglers the same "as anybody else on campus playing any sport" at Bethel.

In many cases students or members of the fishing community have to persuade a college to start a bass club, so Mason suggests they approach the athletic department first to discuss their plans for setting up the program. "They need to find someone in the athletic department who is an outdoorsman or likes to fish and get their help," Mason said.

Mason suggests using some of the following selling points to help convince a school to start a bass fishing program:

Bass fishing is one of the fastest-growing collegiate sports in the nation.

College bass fishing brings national exposure for the school, which is especially appealing to a smaller university such as Bethel. "We don't fish anything that doesn't have a television camera or an outdoor writer or magazine possibility," Mason said. "If I am going to spend \$3,000 to \$4,000 of the school's money to go somewhere, like for a tournament, I am going to try and get as much bang for the buck as I can for my program whether we win, lose or draw."

Most of the student anglers have their own boats and fishing gear, so the cost of a bass fishing program is minimal.

A successful bass fishing program could lead to the school expanding into other club sports. Mason said since Bethel started its bass fishing club, the school has also developed inline hockey, bowling and archery programs offering scholarships. "If you build a sport, the kids will come," Mason said.

After getting approval from the athletic department, the final steps for building a club are setting up a hierarchy with a club president, vice president and other officers and finding a coach who is an excellent recruiter.

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
