

PUBLIC NOTICE

West Tennessee Medical Group Gastroenterology will be closing effective July 1, 2026. As part of this transition, Florentina Whitford, NP, will maintain her McKenzie practice location under McKenzie General Surgery, a satellite of Martin General Surgery. She may continue to provide care for certain patients, as clinically appropriate, with routine gastrointestinal concerns and preventive screening needs. Patients interested in exploring whether continued care with Florentina Whitford, NP, may be appropriate should contact McKenzie General Surgery at 731-261-0440 for additional information and care coordination. Patients requiring ongoing specialty gastroenterology services or management of more complex gastrointestinal conditions are encouraged to establish care with another gastroenterology provider.
